“Contribution” includes every loan, gift, subscription, advance or transfer of money or other thing of value, including any item of real property or personal property, tangible or intangible (but not including services provided without compensation by individuals volunteering a part or all of their time on behalf of a candidate, committee or organization), made to or on behalf of any candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee and any pledge or other commitment or assumption of liability to make such transfer. For purposes of reports required under the provisions of the act, any such commitment or assumption shall be deemed to have been a contribution upon the date when such commitment is made or liability assumed. As set forth in N.J.A.C. 19:25-3.1, funds or other benefits received solely for the purpose of determining whether an individual should become a candidate are not contributions.

As set forth in N.J.A.C. 19:25-3.1, payments or commitments made solely for the purpose of determining whether an individual should become a candidate are not expenditures.

1. Any cost incurred in covering or carrying a news story, commentary, or editorial by any broadcasting station, newspaper, magazine, or other periodical publication is not an expenditure, unless the facility is owned or controlled by a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee in which case the cost for a news story which represents a bona fide news account communicated in a publication of general circulation or on a licensed broadcasting facility, and which is part of a general pattern of campaign-related news accounts which give reasonably equal coverage to all opposing candidates in the circulation or listening areas, is not an expenditure.

1. Set forth the contributor's best estimate of the dollar amount of payment to each such individual which is attributable to the contribution of the paid personal services, and shall certify the substantial accuracy of the same; or
2. If unable to determine such amount with sufficient accuracy, set forth the total compensation paid by the contributor to each such individual for the period of time during which the paid personal services were performed.

#### 19:25-10.6 Currency contributions

(a) A candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee, or the treasurer or organizational treasurer of such committee, may accept a contribution in the form of currency provided that it is received in an aggregate amount not to exceed \$200.00 in an election, or a calendar year, whichever is applicable to the recipient candidate or committee, and provided the contributor simultaneously submits a written record to the committee or treasurer containing the following:

#### 19:25-10.7 Public solicitations

1. Members of the general public are personally solicited for on-the-spot cash contributions not to exceed \$20.00 per person; or
2. Members of the general public are personally solicited for on-the-spot purchase of items having tangible value as merchandise, at a price not to exceed \$20.00 per item.

(b) Proceeds of a public solicitation must be reported as contributions, however there shall be no obligation to make or maintain records of or report the identity of any contributor, and such proceeds shall not be deemed as anonymous contributions.

Nothing in this subsection shall be construed to prevent the Commission from imposing a penalty pursuant to the act or these regulations for failure to keep proper records.

(c) A group contribution, that is a contribution made collectively by persons who are members of the contributing group, shall not be deemed an anonymous contribution by any individual member of the group.

#### 19:25-10.9 Contributions for pre-candidacy activity

In the event that an individual who has been receiving funds or other benefits pursuant to N.J.A.C. 19:25-3.1 solely for the purpose of determining whether or not to become a candidate, actually becomes a candidate in an election, all funds or benefits received in connection with his or her pre-candidacy activity shall be considered contributions under the act and shall be reported in accordance with the applicable reporting requirements in the initial report filed by such candidate's candidate committee, or joint candidates committee.

4. The production, circulation or broadcast of the communication, or any cost associated with the production, circulation or broadcast of the communication, has been made in whole or in part with the cooperation of, prior consent of, in consultation with, or at the request or suggestion of the candidate.

(c) Nothing contained in (b) above shall be construed to require reporting of a communication by an incumbent officeholder seeking reelection if the communication is in writing and is made to a constituent in direct response to a prior communication received from that constituent, if it is circulated or broadcast for the sole and limited purpose of communicating governmental events requiring constituents to make applications or take other actions before the date of the upcoming election, or if it is circulated or broadcast to constituents for the sole and limited purpose of communicating facts relevant to a bona fide public emergency.

(d) Nothing contained in (b) above shall be construed to require reporting of a communication by a candidate seeking nomination for election in a primary election if that candidate is not opposed by another candidate seeking nomination for election in that primary election.

(a) A candidate may make a contribution as an individual and subject to the limits set forth in this subchapter notwithstanding any contribution made by the candidate's candidate committee or joint candidates committee, provided that the contribution made by the candidate as an individual is not derived from funds controlled by the candidate committee or joint candidates committee.

(b) Notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2 above, a candidate, or a corporation one hundred percent of the stock of which is owned by the candidate, or by the candidate's spouse, child, parent, or sibling residing in the candidate's household, may make contributions without limit to a candidate committee established by that candidate, or to a joint candidates committee established by that candidate.

#### 19:25-11.4 Joint candidates committee contribution limits

(a) A joint candidates committee established by candidates who have not established any candidate committees in an election may accept a contribution from a contributor in an amount equal to but not in excess of the sum of the number of candidates participating in the joint candidates committee multiplied by the contribution limit applicable to a contribution made by the contributing entity to a candidate committee of a single candidate.

Example: A joint candidates committee in which three candidates are participating, none of whom have established candidate committees, may receive from an individual a contribution not to exceed \$5,400 in an election, that is three multiplied by the \$1,800 contribution limit applicable to a contribution from an individual to a candidate committee.

(b) A joint candidates committee established by candidates who have not established any candidate committees in an election may make a contribution to a political committee not to exceed \$5,900 per candidate in the election, and may make a contribution to a continuing political committee not to exceed \$5,900 per candidate in a calendar year.

(c) In the event any of the candidates participating in a joint candidates committee also has established a candidate committee in an election, the amount of a contribution that the joint candidates committee may accept from a contributor without violating the contribution limit will be determined by application of the equal attribution requirement set forth in N.J.A.C. 19:25-11.5, Equal attribution requirements.

(d) A joint candidates committee may receive a contribution in an election from another joint candidates committee in an amount equal to \$5,900 multiplied by the number of candidates participating in the contributing joint candidates committee, and that sum may be further multiplied by the number of the candidates participating in the recipient joint candidates committee, provided that the contributing joint candidates committee, and any candidate committee established by any of the participating candidates, have not made any other contributions to the recipient joint candidates committee, or to any candidate committee established by any of the candidates participating in the recipient joint candidates committee.

Example: Joint candidates committee ABC has three candidates participating in it (candidates A, B and C) and wishes to make a contribution to a joint candidates committee DEFG with four candidates participating in it (candidates D, E, F and G.). Neither the joint candidates committee ABC, nor any individual candidate committee established by candidates A, B or C, has made any contributions in the election to the joint candidates committee DEFG, or to any individual candidate committee established or maintained by candidates D, E, F or G. Joint candidates committee ABC may contribute the sum of \$70,800 in the election to joint candidates committee DEFG, that is \$5,900 multiplied by three (that is, the three candidates participating in ABC), for a total of \$17,700, further multiplied by four (that is, the four candidates participating in DEFG) for a total maximum permissible contribution in the election of \$70,800.

(e) In the event that a joint candidates committee makes a contribution to another joint candidates committee as described in (c) above, but there have been one or more contributions by the contributing joint candidates committee, or by a candidate committee established by one of the joint candidates committee's candidates, to one or more candidate committees of a candidate or candidates participating in the recipient joint candidates committee, or to the recipient joint candidates committee, the amount of a contribution that the recipient joint candidates committee may receive cannot, after application of the equal attribution requirement set forth in N.J.A.C. 19:25-11.5, exceed \$5,900 per candidate in the election.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).

See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).

Raised contribution limits.

#### 19:25-11.5 Equal attribution requirements

(a) A candidate who has established a candidate committee in an election and is also participating in a joint candidates committee in that election may not receive contributions to those committees from a contributor that in the aggregate exceed the applicable contribution limit set forth in N.J.A.C. 19:25-11.2.

(b) Each contribution received in an election by the joint candidates committee of a candidate who has also established a candidate committee in that election must be equally attributed to each of the candidates participating in the joint candidates committee, and the contribution limits in this subchapter must be applied to those participating candidates and to any candidate committee established by any of the participating candidates.

1. Example: The ABC joint candidates committee, consisting of Candidates A, B, and C, receives a contribution from an individual in the amount of \$5,400 in an election. For purposes of applying the contribution limits to the participating candidates and their individual candidate committees, the contribution must be equally attributed to each of the three participating candidates so that each is deemed to have received a contribution in the amount of \$1,800 in the election from the contributor. The sum of \$1,800 is the maximum amount an individual can contribute to a candidate in an election. Therefore, no further contributions can be made by the contributor in the election to the ABC joint candidates committee, or to any candidate committee established in the election by candidates A, B or C.

2. Example: The ABC joint candidates committee receives a contribution of \$300 in an election from a contributor who has contributed \$1,800 in that election to an individual candidate committee established or maintained by candidate A. The sum of \$1,800 is the maximum amount an individual can contribute to a candidate committee in an election. Application of the equal attribution requirement set forth in (a) above would result in the attribution of \$100.00 to Candidate A of the total \$300.00 contribution to joint candidates committee ABC. Since the sum of the amount contributed to the candidate committee of A \$1,800, plus the attribution of \$100.00 of the \$300.00 contribution made to the ABC joint candidates committee, results in a total contribution from the contributor in the election of \$1,900 to Candidate A, the ABC joint candidates committee must refund the \$300.00 contribution to avoid receipt of an excessive contribution, or alternatively the candidate committee of A must refund \$100.00 in order that the total contribution from the contributor in the election does not exceed the \$1,800 per election contribution limit of candidate A.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).  
See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).  
Raised contribution limits.

#### 19:25-11.6 Public question political committees

(a) A political committee which is organized to, or does, aid or promote the passage or defeat of a public question in an election, may accept a contribution from a contributor without limit, notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2.

(b) A political committee which is organized to, or does, aid or promote the passage or defeat of a public question in an election, may make contributions without limit to another political committee, or to a continuing political committee.

#### 19:25-11.7 County political party contribution limits

(a) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee shall not

make a contribution, or aggregate contributions, in excess of \$5,900 in an election to a candidate committee established by a candidate seeking election for an office in another county.

(b) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee shall not make a contribution, or aggregate contributions, in excess of \$5,900 in a calendar year to a municipal political party committee in another county.

(c) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee may make contributions, or aggregate contributions, subject to the following limits:

1. To a candidate for State legislature in a legislative district in which less than 20 percent of the legislative district's population resides in the county of the contributing county political party committee, a contribution not to exceed \$5,900 in the election; and

2. To a candidate for State legislature in a legislative district in which at least 20 percent but less than 40 percent of the legislative district's population resides in the county of the contributing county political party committee, a contribution not to exceed \$30,000 in the election.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).  
See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).  
Raised contribution thresholds and limits.

#### 19:25-11.8 Return of excessive contributions

(a) A candidate, candidate committee, joint candidates committee, political committee, continuing political committee, legislative leadership committee, or political party committee, or a treasurer or organizational treasurer of such a committee, who receives a contribution in an amount exceeding any contribution limit set forth in this subchapter, shall return that portion of the contribution which exceeds the contribution limit to the contributor within 48 hours of such receipt, and shall make and maintain a written record of the contribution containing the following:

1. The date the contribution was received;
2. The name and mailing address of the contributor;
3. If the contributor is an individual, the occupation of the individual and the name and mailing address of the individual's employer;
4. The amount of the contribution;
5. The amount of the contribution that exceeds the applicable contribution limit;
6. A photocopy of the check or written instrument received as a contribution; and
7. A photocopy of the refund check issued by the committee.

(b) A candidate, committee or treasurer who makes a refund pursuant to (a) above, shall report the refund transaction on the election fund or quarterly report required for the reporting period in which the refund was made.

(c) Failure to make a refund pursuant to (a) and (b) above may result in a finding of a knowing violation of the contribution limits set forth in this subchapter or the act.

**19:25-11.9 Contributions from affiliated corporations, associations or labor organizations**

(a) A corporation, association or labor organization or any subsidiary, affiliate, branch, division, department or local unit of any such corporation, association or labor organization shall not make any contribution to or on behalf of a candidate, candidate committee, joint candidates committee, political party committee, or legislative leadership committee which, when added to any other contribution by any related or affiliated corporation, association or labor organization, to the candidate, candidate committee, joint candidates committee, political party committee, or legislative leadership committee exceeds in the aggregate the applicable contribution limit in N.J.A.C. 19:25-11.2(a). Whether such corporation, association or labor organization is related or affiliated shall depend on the circumstances existing at the time of such contribution, including, but not by way of limitation, the degree of control or common ownership with related or affiliated corporations, associations or labor organizations, the source and control of funds used for such contribution and the degree to which the decisions whether to contribute, to what candidate and in what amount are independent decisions.

(b) In considering the criteria set forth in (a) above, two or more corporations shall be conclusively deemed to be affiliated if:

1. Any individual, corporation, partnership, company, association, or other entity owns, directly or indirectly, more than a 30 percent interest in each of such corporations; or
2. One such corporation owns, directly or indirectly, more than a 30 percent interest in the other such corporation.

New Rule, R.1997 d.81, effective February 18, 1997.  
See: 28 N.J.R. 5059(a), 29 N.J.R. 591(a).

**19:25-11.10 Partnership contributions prohibited**

(a) A partnership entity as defined in (b) below shall not be permitted to make contributions as an entity. In the absence of written instructions to the contrary as provided in (a)1 below, a contribution received by a campaign or organizational treasurer drawn on a partnership account shall be deemed to be a contribution from the partner or partners, or individual or individuals, who signed the check or written instrument by which the contribution was conveyed or, in the case of a contribution of currency, the partner or individual who has conveyed the currency. If it is the intent of the contributor that any portion of a contribution received from a partnership account is to be attributed or allocated in a manner other than as set forth above, the following written information shall be received and maintained by the campaign or organizational treasurer:

1. Written instructions concerning the allocation of the contribution amount to a contributing partner, or among contributing partners;
2. A signed acknowledgment of the contribution from each contributing partner who has not signed the contribution check or other written instrument; and
3. Contributor information for each contributing partner as required by N.J.A.C. 19:25-7.1.

(b) For the purposes of this section, the term "partnership entity" means:

1. Any partnership or joint venture organized under or governed by Title 42 of the New Jersey Statutes, including general partnerships within the meaning of N.J.S.A. 42:1-1 et seq., limited liability partnerships organized pursuant to N.J.S.A. 42:1-45 et seq., limited partnerships organized pursuant to or governed by N.J.S.A. 42:2A-1 et seq., and limited partnership associations organized pursuant to N.J.S.A. 42:3-1 et seq.; and
2. Any similar association of two or more persons to carry on as co-owners a business for profit including, but not limited to, joint ventures, general partnerships, limited liability partnerships and limited partnerships organized or governed by corresponding laws of any other jurisdiction.

(c) A limited liability company organized pursuant to N.J.S.A. 42:2B-1 et seq., shall not be permitted to make contributions as an entity. In the absence of written instructions to the contrary as provided below, a contribution received by a campaign or organizational treasurer drawn upon a limited liability company account shall be deemed to be a contribution from the member or members, or the individual or individuals, who signed the check or written instrument by which the contribution was conveyed or, in the case of the contribution of currency, the member or individual who has conveyed the currency. If it is the intent of the contributor that any portion of a contribution received from a limited liability company account is to be attributed or allocated in a manner other than as set forth above, the following written information shall be received and maintained by the campaign or organizational treasurer:

1. Written instructions concerning the allocation of the contribution amount to a contributing member, or among contributing members;
2. A signed acknowledgment of the contribution from each contributing member who has not signed the contribution check or other written instrument; and
3. Contributor information for each contributing member as required by N.J.A.C. 19:25-7.1.

(d) In the case of a partnership entity, as defined in (b) above, and in the case of a limited liability company, as described in (c) above, whose partners or members are making contributions by means of a check issued by the partnership entity or limited liability company to a continuing political committee that is established and controlled by the partners or members, provided that the partnership entity or limited liability company controls only a single continuing political committee, the requirement to obtain a signed acknowledgment from each contributing partner or member shall be satisfied if the check from the partnership entity or limited liability company is accompanied by a list of the names of all contributing partners or members and a certification from an authorized partner or member or other authorized individual identifying any partner or member whose contributions to the continuing political committee in the calendar year exceed \$300.00 in the aggregate.

(e) A contribution received by an organizational treasurer from a contributing partner or member by means of a check drawn on the account of a partnership entity, as defined in (b) above, or limited liability company, as described in (c) above, shall be reported pursuant to N.J.A.C. 19:25-9.3, 10.2 and 10.3.

## SUBCHAPTER 12. REPORTING OF EXPENDITURES; INDEPENDENT EXPENDITURES

### 19:25-12.1 General provisions

(a) An expenditure made by a candidate, candidate committee, joint candidates committee or political committee shall be reported as provided by N.J.A.C. 19:25-8, and as provided by this subchapter.

(b) An expenditure made by a continuing political committee, political party committee, or legislative leadership committee shall be reported as provided in N.J.A.C. 19:25-9, and as provided by this subchapter.

### 19:25-12.2 Expenditure reporting

(a) An expenditure shall be reported by providing the following information:

1. The date the expenditure was made;
2. The checking account title and number;
3. The full name and address of the payee;
4. The purpose of the expenditure; and
5. The amount of the expenditure.

(b) In describing the purpose of an expenditure pursuant to (a)4 above, the specific election-related reason for the expenditure shall be provided. Descriptions such as "operations," "campaign expense" or "reimbursement" do not satisfy the reporting requirement because they do not provide any specific election-related information. Examples of satisfactory descriptions include such information as "newspaper advertising," "telephone expense," "postage," "printing of campaign flyers," "headquarter rental" and similarly specific items.

### 19:25-12.3 Written notification of a coordinated expenditure

(a) Whenever a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or a legislative leadership committee makes or authorizes an expenditure on behalf of a candidate with the cooperation or prior consent of that candidate, or in consultation with or at the request or suggestion of that candidate, or of any person acting on behalf of that candidate, the committee shall provide immediate written notification to that candidate's candidate committee of the expenditure.

(b) When an individual seeking political party office makes or authorizes an expenditure on behalf of a candidate with the cooperation or prior consent of that candidate, or in consultation with or at the request or suggestion of that candidate, or of any person acting on behalf of that candidate, the individual shall provide immediate written notification to the candidate's candidate committee of the expenditure.

(c) "Immediate written notification" for the purposes of this section shall mean written notice delivered to the candidate or the candidate's candidate committee or joint candidates committee within 48 hours of the making or authorizing of the expenditure, which notice shall contain:

1. The date of the making or authorizing of the expenditure;
2. The name and address of the payee;
3. The purpose of the expenditure; and
4. The amount of the expenditure.

(d) "Expenditure on behalf of a candidate" for the purposes of this section shall mean an expenditure made to a payee or recipient other than that candidate's candidate committee or joint candidates committee and made for the purpose of aiding or promoting the candidate's candidacy, such as the purchase for a vendor of brochures advocating the candidate's election (commonly described as "in-kind contributions"). A contribution made directly to a candidate committee or joint candidates committee is not included in the meaning of "expenditure on behalf of a candidate."

**19:25-12.4 Expenditures made by credit card**

(a) If an expenditure is made on behalf of a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee by use of or by a charge against a credit card account that was not established in the name of that candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, the person or entity owning the credit card and who is liable for any debt charged against that credit card account shall be deemed to have made a loan to that committee subject to reporting as a loan in the amount charged until such time as the committee reimburses that person or entity for that amount.

(b) Whenever a committee pursuant to (a) above makes an expenditure to reimburse a person or entity for a charge made against that person's or entity's credit card account, that committee shall report the following information for each such charge:

1. The exact name or title of the person or entity owning the credit card account, and the name of the lending institution that issued the card;
2. The name and address of the vendor from whom the purchase was made;
3. The date of the purchase;
4. A description pursuant to N.J.A.C. 19:25-12.2(b) of the purpose of the purchase, including a specific itemization of the goods or services acquired;
5. The amount of the purchase; and
6. The name of the payee, and the number, date and amount of the reimbursement check.

(c) Payment by use of credit card reported pursuant to (a) above shall not be deemed to be in violation of N.J.S.A. 19:44A-11, requiring campaign expenditures to be made through the campaign or organizational treasurer.

**19:25-12.5 Expenditures by currency; petty cash fund**

Payment of expenditures by currency is permissible if the payment is made from proceeds of a petty cash fund established pursuant to N.J.A.C. 19:25-6.4(b).

**19:25-12.6 Payments to individuals; "street money"**

(a) Any payment by candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee to an individual which is related to efforts by or on behalf of a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee in aid of or to promote a candidate in an election or the passage or defeat of a public question, or to efforts directly to promote or encourage the participation of voters in an election including, but not limited to, get-out-the-vote efforts, poll watching and challenging, (hereafter referred to as "street money"), shall be made by check issued from the depository account of the candidate or committee making the payment and shall be payable to such named individual.

(b) Any payment by a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee to any vendor, group, association or other entity made for the purpose of providing funds for further distribution to an individual or individuals as "street money" as described in (a) above shall be made by check issued from the depository account of the candidate or committee making the payment and shall be payable to such vendor, group, association or other entity. A candidate or committee making any payment pursuant to this subsection shall, in addition to the information required by (d) below, report the name and address of each individual receiving any payment as "street money" from the vendor, group, association or other entity, and shall report the date the individual received the payment, and the amount of the payment.

(c) Payment in the form of currency for any of the purposes described in (a) and (b) above is prohibited.

(d) A payment or expenditure made for the purposes described in (a) or (b) above shall be reported by including the following information:

1. The date the expenditure was made;
2. The check number;
3. The name and address of any recipient, who shall be the payee;
4. The purpose of the expenditure, including itemization of the specific services provided by the individual-payee; and,
5. The amount of the expenditure.

Amended by R.1997 d.40, effective January 21, 1997.  
See: 28 N.J.R. 4568(a), 29 N.J.R. 377(b).  
Substantially amended (a) and rewrote (b).

**19:25-12.7 Independent expenditures**

Independent expenditures shall be subject to all of the reporting and disclosure requirements of the act. Every person, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee making an independent expenditure and required to report under the act shall include in the reports required under the act a sworn statement on a form provided by the Commission that such independent expenditure was not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of the candidate or any person or committee acting on behalf of the candidate.

**19:25-12.8 Reporting of independent expenditures**

Any individual or entity expending from his, her or its own funds more than \$600.00 in an election to support or defeat a candidate or more than \$600.00 to aid the passage or defeat of a public question, and who made such expenditure pursuant to N.J.A.C. 19:25-12.7, that is, made the expenditure without the cooperation or prior consent of, or without consultation with or at the request or suggestion of, a candidate or any person or committee acting on behalf of the candidate, shall report all such expenditures at the same time and in the the same manner as a political committee subject to the provisions of N.J.S.A. 19:44A-8.

Amended by R.1996 d.393, effective August 19, 1996.  
See: 28 N.J.R. 2521(a), 28 N.J.R. 3970(a).

Lowered the expenditure amount requiring reporting from \$1,000 to \$500.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).

See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).  
Raised contribution thresholds.

**19:25-12.9 Expenditures for pre-candidacy activity**

When an individual becomes a candidate, all funds received or payments made in connection with his or her testing the waters activity prior to becoming a candidate shall be considered contributions or expenditures under the act and shall be reported in accordance with the applicable reporting requirements in the first report filed by such candidate's candidate committee or joint candidates committee. The individual shall keep records of the name of each contributor, the date of receipt and amount of all contributions received and all expenditures made in connection with the individual's testing the waters activity prior to becoming a candidate.

**19:25-12.10 Allocation**

(a) Where an expenditure is made on behalf of two or more candidates, the expenditure must be allocated between such candidates in a reasonable manner so as to fairly reflect the relative value to each of the candidates of such expenditure. The initial allocation should be made by the committee or candidates on a reasonable basis, and in advance of the expenditure where possible. All documents

and financial records relating to the allocation and the expenditure should be retained:

1. Example: "Committee for A and B" is conducting a political campaign on behalf of candidate A and candidate B. The committee proposes to expend \$100.00 for the purchase of a quantity of bumper stickers containing the slogan "Vote for A and B". The committee determines that the stickers are of equal value to each of the candidates. Thus, \$50.00 of the expenditure should be allocated to candidate A and \$50.00 should be allocated to candidate B. Financial records and a record of the facts on which the allocation is based must be retained.

As amended, R.1984 d.324, effective August 6, 1984.

See: 16 N.J.R. 1044(a), 16 N.J.R. 2154(a).

1. The date the expenditure was made;
2. The checking account title and number;
3. The full name and address of the payee;
4. The purpose of the expenditure;
5. The amount of the expenditure; and,
6. The type of expenditure from a list of expenditure types provided by the Commission.

(b) In describing the purpose of an expenditure pursuant to (a)4 above, the specific election-related reason for the expenditure shall be provided. Descriptions such as "operations," "campaign expense" or "reimbursement" do not satisfy the reporting requirement because they do not provide any specific election-related information. Examples of satisfactory descriptions include such information as "news-paper advertising," "telephone expense," "postage," "printing of campaign flyers," "headquarters rental" and similarly specific items.

(c) "The traveling expenses of the candidate" as used in N.J.A.C. 19:25-15.26, shall mean the reasonable and necessary expenses of transportation, food and lodging in connection with travel related to the candidacy of the candidate, and shall include expenses of the candidate and of members of the political campaign staff and immediate family of the candidate traveling with the candidate in the same or accompanying vehicles. The phrase does not include travel expenses of members of the candidate's staff when they are traveling not in the company of the candidate, nor does it include expenses of members of the media or others who are not members of the staff, whether or not those media members are accompanying the candidate.

(d) All of the expenditures, including those excluded from the expenditure limitation contained in N.J.S.A. 19:44A-7, must be disclosed in the preelection and post-election reports on behalf of the candidate.

1. Example 1: Candidate X, a candidate for the office of Governor in the general election who will receive public funding, travels to a city with five members of the candidate's staff in two automobiles for campaign purposes. The candidate's staff arranges for rooms at a hotel in that city. In the course of the stay, the candidate and staff hold numerous meetings and provide food and beverages for visitors in the course of the various meetings. Only the reasonable and necessary expenses of the use of automobiles and other means of transportation and the reasonable and necessary cost of meals and sleeping accommodations for the candidate and staff during the trip, are excludable for purposes of the expenditure limitation contained in N.J.S.A. 19:44A-7.

(e) If any individual, including a candidate, uses a government-owned or government-leased vehicle for transportation to aid or promote a campaign for election to the Office of Governor, such use shall:

1. Be reported as a travel expense pursuant to this section;

2. Be valued for purposes of reports required to be filed under the Act and for purposes of the expenditure limit contained in the Act (N.J.S.A. 19:44A-7) by the reasonable commercial value of the transportation services to the candidate pursuant to N.J.A.C. 19:25-15.31; and

**19:25-15.29 Coordinated expenditures**

(a) Any person or entity expending funds to make a communication shall be deemed to have made a coordinated expenditure for a gubernatorial candidate if:

1. The communication makes a reference to the gubernatorial candidate in an audio, visual, printed, or electronic format which reference names, depicts, pictures, characterizes, represents, dramatizes, or in any written, spoken, visual, or electronic manner represents a gubernatorial candidate or opponent; and

2. The gubernatorial candidate or his or her campaign committee has consented to, authorized, or exercised control over the production or circulation of the communication.

(b) The amount expended for a coordinated expenditure for a gubernatorial candidate shall be a contribution by the person or entity making the expenditure to that gubernatorial candidate which contribution is subject to the gubernatorial candidate contribution limit established at N.J.A.C. 19:25-15.6(a) and allocable against the gubernatorial candidate expenditure limit established at N.J.A.C. 19:25-15.11(a)3.

(c) For each coordinated communication expenditure pursuant to (a) and (b) above, a gubernatorial candidate shall determine:

1. The cost of preparation and circulation of the communication; and

2. The value of the coordinated communication to the gubernatorial candidate.

(d) The value of a coordinated communication to a gubernatorial candidate may be determined at less than 100 percent of the total cost of preparation and circulation if the coordinated communication referred to one or more non-gubernatorial candidates in the same election, and the percentage of the cost to be allocated to the gubernatorial candidate shall be determined based upon the following:

1. The number of non-gubernatorial candidates identified or otherwise referred to; and

2. The prominence of the reference to the gubernatorial candidate in relation to references to non-gubernatorial candidates. For example, if a printed pamphlet is prepared and circulated at a cost of \$1,000 and features equally one page for a non-gubernatorial candidate and one page for a gubernatorial candidate, the value is 50 percent of the total cost of \$1,000 or \$500.00.

(e) A gubernatorial candidate determining the value to his or her candidacy of a coordinated communication pursuant to (d) above shall establish that value to the nearest five percent of the total cost of preparation and circulation. In no case shall the value be determined to be less than five percent of total cost.

The provisions of this subchapter shall be applicable to the primary election campaign for nomination for election to the office of Governor of New Jersey in June 1981 and every such primary gubernatorial campaign held thereafter, except that the provisions shall not apply to any primary election campaign for nomination for the office of Governor for which the Legislature fails to make an appropriation for public funding.

### 19:25-16.2 Definitions; generally

The words and terms used in this subchapter are used as defined in this subchapter or in N.J.A.C. 19:25-1.7.

### 19:25-16.3 Definitions for this subchapter

The following words and terms, when used in this subchapter, shall have the following meanings unless the context clearly indicates otherwise.

"Candidate" means anyone who has filed a nominating petition, or has filed a form D-1 with the commission, or has solicited contributions or made or incurred expenditures on behalf of his or her candidacy, or has allowed others to solicit contributions or make or incur expenditures on behalf of his or her candidacy for nomination for election to the office of Governor of New Jersey in any primary election for which the Legislature makes an appropriation for public funding.

"Contribution" is used as defined in N.J.A.C. 19:25-1.7 and includes loans, except that a loan in the ordinary course of business by a bank pursuant to section 15 of P.L. 1980, c.74 (N.J.S.A. 19:44A-44) is not a contribution by that bank.

"Contribution eligible for match" means contributions from one contributor to be matched from public funds on a two-for-one basis. No contribution which must be or is intended by the contributor or the recipient to be refunded or repaid at any time, no loan obtained pursuant N.J.S.A. 19:44A-44, no amount of the candidate's own funds in the aggregate in excess of \$2,100, no in-kind contribution and no other moneys received by the candidate, his or her campaign treasurer, or deputy campaign treasurer, except those contributions described in N.J.S.A. 19:44A-29(a), shall be deemed contributions eligible for match. In no case shall a candidate who qualifies for and receives any public funding for a primary election be subsequently deemed a non-participating candidate for that election.

“Own funds” means funds to which the candidate is legally and beneficially entitled, but shall not include funds as to which he or she is a trustee or funds given or otherwise transferred to the candidate by any person other than the spouse of the candidate for use in aid of his or her candidacy.

### 19:25-20.2 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings unless a different meaning clearly appears from the context.

"Act" shall mean the Legislative Activities Disclosure Act, as amended, N.J.S.A. 52:13C et seq.

"Benefit recipient" means any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch who is the recipient of a benefit paid for or otherwise derived from a lobbyist's or legislative agent's expenditures providing that benefit or benefits.

"Commission" means the New Jersey Election Law Enforcement Commission.

"Communication with a member of the Legislature", "with legislative staff", "with the Governor", "with the Governor's staff", or "with an officer or staff member of the Executive Branch" shall mean any communication, oral or in writing or any other medium, addressed, delivered, distributed or disseminated, respectively, to a member of the Legislature, to legislative staff, to the Governor, to the Governor's staff, or to an officer or staff member of the Executive Branch, as distinguished from communication to the general public, including, but not limited to, a member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch. If any person shall obtain, reproduce or excerpt any communication or part thereof which in its original form was not a communication under this definition and shall cause such excerpt or reproduction to be addressed, delivered, distributed or disseminated to a member of the Legislature, to legislative staff, to the Governor, to the Governor's staff, or to an officer or staff member of the Executive Branch, such communication, reproduction or excerpt shall be deemed a communication with the member of the Legislature, with legislative staff, with the Governor, with the Governor's staff, or with an officer or staff member of the Executive Branch by such person.

"Compensation," for the purposes of this subchapter, shall be included within the definition of the term "receipt."

"Contribution," for the purposes of this subchapter, shall be included within the definition of the term "receipt."

"Expenditure" includes every loan, gift, fee, salary, contribution, subscription, advance or transfer of money or other thing of value, including any item of real or personal property, tangible or intangible, and paid personal services (but not including volunteer services provided without compensation) made or paid by any legislative agent or lobbyist, and any pledge or other commitment or assumption of liability to make such transfer. Any such commitment or assumption shall be deemed to have been an expenditure upon the date when such commitment is made or liability assumed.

"Expenditures providing a benefit" or "expenditures providing benefits" means any expenditures for entertainment, food and beverage, travel and lodging, honoraria, loans, gifts or any other thing of value, except for:

1. Any money or thing of value paid for past, present, or future services in regular employment, whether in the form of a fee, expense, allowance, forbearance, forgiveness, interest, dividend, royalty, rent, capital gain, or any other form of recompense, or any combination thereof; or
2. Any dividends or other income paid on investments, trusts, and estates.

"Governor" includes the Governor or the Acting Governor.

"Governor's staff" includes the members of the Governor's Cabinet, the Secretary to the Governor, the Counsel to the Governor and all professional employees in the office of the Counsel to the Governor, and all other employees of the Office of the Governor.

"Influence legislation" shall mean to make any attempt, whether successful or not, to secure or prevent the initiation of any legislation or to secure or prevent the passage, defeat, amendment or modification thereof by the Legislature, including efforts to influence the preparation, drafting, content, introduction and consideration of any bill, resolution, amendment, report or nomination or the approval, amendment or disapproval thereof by the Governor in accordance with his constitutional authority.

"Influence regulation" means to make any attempt, whether successful or not, to secure or prevent the proposal of any regulation or to secure or prevent the consideration, amendment, issuance, promulgation, adoption or rejection thereof by an officer or any authority, board, commission or other agency or instrumentality in or of a principal department of the Executive Branch of State Government empowered by law to issue, promulgate or adopt administrative rules and regulations.

Smith, another ABC Corporation employee, has spent less than 20 hours of his time on direct lobbying on behalf of his employer and therefore none of his salary is reportable by ABC Corporation.

3. Contributions or membership fees or dues paid by the lobbyist, except that such contributions or fees shall not be deemed to be related to influencing legislation, or influencing regulation, for the purpose of reporting under the Act and this subchapter unless made to a legislative agent with the specific intent to influence legislation or influence regulation, or unless made to a lobbyist whose major purpose is to engage in influencing legislation, or influencing regulation. For the purpose of this paragraph, a lobbyist shall be deemed to be engaged in influencing legislation, or influencing regulation, as its major purpose for any calendar year in which expenditures related to such activity constitute more than 50 percent of its total expenditures for all purposes. Such contributions, fees and dues (other than those made with the specific intent to influence legislation, or influence regulation) made by a lobbyist to an organization, association or union, shall be reportable hereunder in the same proportion as the activities of the organization, association or union are related to influencing legislation, or influencing regulation. Contributions, fees or dues made with the specific intent of influence legislation, influence regulation, or both, shall be reported in full. Contributions, fees or dues required to be reported pursuant to this paragraph shall be reported in the aggregate, along with the name of any organization, association or union to whom the lobbyist made a contribution in excess of \$100.00 for the calendar year (when allocated as set forth above) as well as the date of each contribution, fee or dues.

4. Costs of preparation and distribution of material related to influencing legislation, or influencing regulation, and paid for by a lobbyist or legislative agent, including all disbursements for preparation and distribution of printed materials, correspondence, flyers, publications, films, slides, audio and video recordings and video tapes.

5. Travel and lodging related to influencing legislation, or influencing regulation for the legislative agent.

6. Allocated cost of support personnel for the lobbyist or legislative agent. The allocated cost of any support personnel for the lobbyist or legislative agent shall be included hereunder if, in relation to the usual duties of their employment, such personnel, individually, spend, over the course of the reporting year 450 hours in activity supporting the activity of the lobbyist or legislative agent in influencing legislation, or influencing regulation.

Example: Smith is in the government affairs department of ABC Corporation, a reporting lobbyist, and spends all of her time engaged in activity related to lobbying. Brown, her secretary, spends his time doing work supporting Smith's activities. Jones, an analyst in the financial department at ABC Corporation, spends 50 percent of his time analyzing legislation for Smith and preparing memoranda to be used in Smith's lobbying activity. King, an attorney in ABC's legal department, does some drafting of proposed legislation for Smith. Over the course of the year, however, this accounts for less than 450 hours of his time at work. ABC Corporation, in its annual report, must include Smith's full salary (under (a)2 above), as well as Brown's full salary and one-half of Jones' salary, as the cost of support personnel. None of King's salary will have to be included on ABC's report.

(b) The following expenditures of a lobbyist or legislative agent which relate to communication with, or providing benefits to, any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch ("benefit recipient") shall be reported in the Annual Report and shall be listed in the aggregate by category, except that if the aggregate expenditures on behalf of any benefit recipient exceed \$25.00 per day, or exceed \$200.00 per calendar year, the expenditures, together with the name and office held of the intended recipient of the benefit, shall be stated in detail and shall include the date and type of each expenditure providing a benefit, and either the reasonable commercial value of the benefit as provided in N.J.A.C. 19:25-20.12 with a description of the benefit sufficient for determining its reasonable commercial value, or if the cost is greater than the reasonable commercial value, the cost of the benefit to the lobbyist or legislative agent and the name and address of any person or entity to whom the lobbyist or legislative agent incurred any cost or obligation for providing the benefit.

1. Entertainment, including, but not limited to, disbursements for sporting, theatrical and musical events provided to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch, and paid for or provided by a lobbyist or legislative agent.

2. Food and beverages provided to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch, paid for or provided by a lobbyist or legislative agent. Also included are payments by lobbyists or legislative agents for food or beverages for any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch at conferences, conventions, banquets or other similar functions.

3. Travel and lodging expenses paid for or provided by a lobbyist or legislative agent on behalf of any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch.

4. Honoraria paid or provided to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch by a lobbyist or legislative agent.

5. Loans to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch from a lobbyist or legislative agent except for loans from financial institutions made in the ordinary course of business on substantially the same terms as those prevailing for comparable transactions with other persons.

6. Gifts paid for or provided to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch including, but not limited to, material goods or other things of value.

(c) For purposes of reporting under the Act or this subchapter, when an expenditure included in (b) above is made to a member of the immediate family of any benefit recipient, such expenditure shall be deemed to be made on behalf of the benefit recipient whose family member received it. A member of the immediate family shall mean a spouse residing in the same domicile, or any dependent children.
