Governor Whitman to Announce Businesses Relocating to New Jersey

Gov. Christie Whitman tomorrow will unveil the annual Business Relocation Report of the New Jersey Department of Commerce and Economic Development.

The survey tracks companies who have agreed to move new divisions, subsidiaries or operations to New Jersey.

Also at the press conference, the Governor will unveil the logo of the newly-configured New Jersey Commerce and Economic Growth Commission. Monday marked the official birth of the Commission, which was created out of the state Department of Commerce and Economic Development.

Later in the day, Gov. Whitman will be joined by General Barry McCaffrey, director of the National Drug Control Policy, to cut the ribbon for a new after-school youth program. The program was created to reduce juvenile crime by providing activities and services for children under the age of 18.
