Nothing in this subsection shall prohibit any person from asserting a right of setoff against an insurance producer or limited insurance representative whose license or registration is revoked.

(d) No insurance producer or limited insurance representative shall pay or return, or offer to pay or return to any policyholder, certificateholder, or prospective policyholder or certificateholder, all or any portion of the commission received or which will be received in connection with the sale of insurance.

SUBCHAPTER 3. FEES

11:17B-3.1 Fees

(a) Only an insurance producer acting as an insurance broker or insurance consultant may charge a fee to a policyholder or insured for services rendered as an insurance producer.

(c) Any insurance producer acting as an insurance broker or insurance consultant charging a fee to an insured shall first obtain from the insured a written agreement, which shall be separate and apart from all other agreements and applications, and shall contain the following provisions and no other provisions:

1. A clear statement of the amount of the fee to be charged and the nature of the service to be provided therefor;

2. A statement that such fees are not a part of the premium charged by the insurance company and that such fees can be charged only if the insured so consents in writing;

3. A clear statement as to whether a commission will be received from the purchase of insurance; and

4. The signature of the insured and the licensed insurance broker or insurance consultant and the date of execution of the agreement.

(d) Any fee charged by an insurance producer acting as an insurance broker or insurance consultant shall bear a reasonable relationship to the services provided and shall not be discriminatory.

(h) No insurance producer acting as an insurance broker or insurance consultant, except a duly authorized employed producer on behalf of his or her employer, may execute a written fee agreement on behalf of any other insurance producer or premium finance company.

Case Notes

Submitting documentation to create false impression as to writing of service fee agreements was dishonesty warranting revocation of license as insurance producer. *Fortunato v. Watley*, 95 N.J.A.R.2d (INS) 23.

License revoked; unlicensed persons allowed to solicit coverage. *Fortunato v. EVA Insurance & Accounting, Inc.*, 93 N.J.A.R.2d (INS) 27.

11:17B-3.2 Service fees

(a) An insurance producer acting as an insurance broker or insurance consultant may charge a fee for services rendered in the sale or service of personal lines property/casualty or personal lines surplus lines insurance subject to the following conditions:

1. No service fee for any one policy shall exceed \$20.00.

2. No insurance producer acting as an insurance broker or insurance consultant may charge a fee for completing accident or claim report forms, nor shall a fee be charged for providing forms required by an insurer for servicing a policy.

3. An inspection fee may only be charged on a surplus lines policy and shall not exceed two percent of the premium or \$10.00, whichever is greater; except that the insured may be charged the actual amount paid to an unrelated firm or person for the service if said firm or person is not an insurance agent or insurance broker.

4. No charge may be made for services not actually performed.

5. A maximum service fee of \$15.00 may be charged upon placement of a renewal, except that an inspection fee may be charged in accordance with (a)3 above if no inspection of the property has occurred during the three years prior to issuance of the renewal policy.

6. Only one service fee per policy per year shall be charged, regardless of whether the policy term is for less than one year.

7. A motor club membership sold in connection with a policy shall not be considered separate coverage for the purpose of charging a service fee.

8. A motor club claim arising from the same loss as a claim under a private passenger automobile coverage policy shall not be considered a separate claim for purposes of charging a fee.

(b) No insurance producer may charge a service fee for services rendered in the sale or service of life or health insurance.

11:17B-3.3 Motor club fees

(a) Any insurance producer who acts as a motor club representative or receives any compensation, directly or indirectly, or on account of the sale of a motor club service contract purchased in connection with the negotiation or sale of an automobile insurance policy or contract shall:

1. Obtain at the time of the initial application for the motor club service contract a dated written agreement, separate and apart from any other agreements, signed by both the insurance producer and the insured or prospective insured, stating the following information:

i. That the motor club service contract is not an insurance contract;

ii. That the motor club service contract is optional and is not required to be purchased by the insured or prospective insured as a condition of obtaining automobile insurance coverage;

iii. That the motor club membership fee is not related to or included in the automobile insurance premium charge, and cannot lawfully be included in a premium finance agreement entered into by the insured or prospective insured;

iv. The amount of the motor club fee and the automobile insurance premium charge;

v. The identification of the person(s) and/or vehicle(s) covered by the motor club service contract and the term of the contract; and

vi. The name and location of the motor club and the benefits and/or services provided by the motor club service contract.

2. Furnish the insured or prospective insured with a copy of the written agreement, identified at (a)1 above, at the time of execution thereof. The insurance producer shall also maintain a copy of the written agreement in the file of the insured or prospective insured.

(b) No insurance producer acting as a motor club representative shall:

1. Make the availability of automobile insurance dependent upon the purchase of a motor club membership;

2. Induce an insured or prospective insured to finance automobile insurance premiums which would not otherwise be necessary if not for the motor club costs; or

3. Sell more than one motor club agreement per automobile insurance policy.
