(c) Suspension of the operation of transportation services due to inclement weather or other conditions shall be the responsibility of the district board of education providing the transportation services.

Amended by R.2002 d.303, effective September 16, 2002.

See: 34 N.J.R. 1887(a), 34 N.J.R. 3205(a).

In (a), inserted "(CTSA)" following "agencies".

**6A:27-1.2 Students who shall be transported**

(a) Transportation shall be provided to public school students who reside remote from their assigned school of attendance, nonpublic school students who reside remote from their school of attendance and meet the eligibility criteria of N.J.A.C. 6A:27-2.2, and special education students who reside remote from their assigned school or who require transportation services in accordance with their Individualized Education Program (IEP).

2. For the purpose of determining eligibility for student transportation, measurement shall be made by the shortest route along public roadways or public walkways from the entrance of the student's residence nearest such public roadway or public walkway to the nearest public entrance of the school which the student attends.
