Executive Director's Report

Executive Director Celina Levy informed the Council that we are continuing to work on incorporating our GCSUD name change into all processes and platforms.

Ms. Levy and Deputy Director Rebecca Alfaro met with the Governor's office to discuss the Master plan and will be reaching out to the subcommittee members in April to schedule the next meeting.

The Block Grant funds from DMHAS which were sent to expire on March 14th have received a no-cost extension until March 14th of 2025. This will provide GCSUD with the opportunity to move forward with more trainings that were not possible due to the previous timeline.

Director of Prevention and Planning, Sara Thode shared with the Council that the FY25 County Plans will be reviewed in MAGS. The GCSUD review team will meet in May and the plans will be voted by the full Council in June. She also informed the Council that Phase 2 in MAGS is currently underway.
