Today is a good day. I am proud to announce that we're accelerating New Jersey's goal of reaching a 100% clean...

POWERING THE NEXT NEW JERSEY: 100% CLEAN ENERGY BY 2035

- 🌱 Moving our target for 100% clean energy ahead by 15 years – from 2050 to 2035
- 🏠 Setting a target of installing zero-carbon emission heating and cooling systems homes and businesses across the state by 2050
- 💰 Putting money right back into the pockets of consumers who choose to switch to electric
- 🔧 Working side-by-side with our natural gas utilities to put forward a comprehensive plan for a future less reliant on fossil fuels
- 🚗 Supporting the fast-growing electric vehicle market to ensure that by 2035 all new cars sold in New Jersey will be zero-emission vehicles

U.S. Supreme Court Decision in Dobbs v. Jackson Women's Health Organization

"No number of leaked draft opinions nor any amount of speculation could have prepared American women for today's backwards and appalling Supreme Court decision to strip away the Constitutional right to reproductive freedom. While New Jersey planned for this eventuality by codifying a woman's right to an abortion under state law, it is incumbent that we do more to fully secure reproductive rights and ensure access to reproductive health care without delay. Until we do, my Administration will take the necessary steps to fully protect both New

Tonight we honored some of our country's greatest music legends — Steve Earle, Darlene Love, Sam Moore, and Stevie Nicks — at the American Music Honors hosted by [Monmouth University](#).

Each music legend has shown the world what it means to live our New Jersey values.
