SUBCHAPTER 1. BOND FINANCING PROGRAM

19:31-1.1 Program description

(a) The Authority is empowered to issue tax-exempt and taxable bonds, the proceeds of which can be used to provide low-interest loans to businesses, governmental entities and certain nonprofit organizations to finance projects which provide or maintain employment and/or tax ratables.

(b) Most bond financings are not guaranteed by the Authority or the State, and are payable solely from revenues generated by the project being financed.

(c) The general credit of neither the Authority nor the State is pledged to secure the bonds.

Amended by R.2000 d.297, effective July 17, 2000.
See: 32 N.J.R. 1705(a), 32 N.J.R. 2602(c).

In (a), inserted a reference to governmental entities.

19:31-1.2 Bond purchaser

(a) The applicant shall secure a written commitment from a bond purchaser.

(b) A bond purchaser shall be:

1. A commercial bank or other institutional lender;
2. An underwriter or placement agent;
3. A privately owned entity; or
4. An individual.

(c) A bond purchaser other than a commercial bank or institutional lender must submit an Application to Purchase Bonds, which will be reviewed by the Authority to determine acceptability to purchase a bond. This application includes requests for identification of, or information about:

1. The officers, directors, partners, owners and stockholders of the applicant;
2. Litigation involving the applicant;
3. Applicant's counsel, principal banks of account, and accountant; and
4. Financial statements of applicant.

(d) The bond purchaser establishes the amount, term, interest rate, collateral, etc., for the bond in negotiation with the applicant.

Amended by R.1997 d.270, effective July 7, 1997.

See: 29 N.J.R. 1485(b), 29 N.J.R. 2844(b).

Deleted (c), barring bond purchaser from being substantial owner or user of project; and recodified former (d) and (e) as (c) and (d).

19:31-1.3 Bond financing

(a) Typically, the bonds are secured by a loan agreement and a mortgage on project assets.

(b) The funds raised by the bond issue are loaned by the Authority to pay for eligible project costs. The borrower signs an agreement with the Authority pledging to make payments sufficient to cover principal and interest on the bond. This agreement is then assigned to the bond purchaser.

(c) The borrower makes payments directly to the bond purchaser or trustee.

19:31-1.4 Eligibility standards

(a) Generally, to be eligible for bond financing:

1. A project must serve a public purpose; that is, maintain or expand employment in New Jersey, assist in the economic development or redevelopment of a municipality, maintain or increase the tax base of the municipality, and maintain or diversify business and industry in the State; and

2. Applicants must represent to the Authority that they would not proceed with their project in the present time, place, or scope without the Authority's assistance.

(b) The Authority generally will not approve financial assistance to a project involving relocation within New Jersey if the relocation will result in a job loss and/or hardship for the existing employees or if the relocation endangers the maintenance of tax ratables in a particular community.

(c) There is no minimum size for borrowings under the program, but loan requests of less than \$750,000 should be carefully reviewed by the applicant to assure that participation in the program is cost effective.

(d) Tax-exempt bonds are subject to the terms and conditions of the Internal Revenue Codes (IRC); therefore, it is advisable to consult with financial and legal advisors to determine the eligibility of the project.

(e) Taxable bonds issued through the Authority are not subject to the IRC. Loans may be made to borrowers for various projects and purposes including, but not limited to:

1. Office buildings;
2. Healthcare financings;
3. Warehouses and distribution facilities;
4. Manufacturing projects;
5. Commercial and retail projects;
6. Debt refinancing; and
7. Working capital needs.

Amended by R.1995 d.435, effective August 21, 1995.

See: 27 N.J.R. 2377(a), 27 N.J.R. 3216(a).

Amended by R.1997 d.270, effective July 7, 1997.

See: 29 N.J.R. 1485(b), 29 N.J.R. 2844(b).

In (d), deleted last sentence, relating to tax exemptions for interest income.

19:31-1.5 Application procedures

(a) A prospective applicant should consult with the Authority to determine if the project is eligible.

(b) To apply, a completed Application for Financial Assistance (Application) concerning the project shall be submitted to the Authority for review, together with the Application fee.

(c) The Application includes requests for information about:

1. The applicant's business, including financial statements and projections;
2. The project to be undertaken;
3. The officers, directors, partners, owners and stockholders of the applicant;
4. Litigation involving the applicant;
5. Other users of the project, if applicable;
6. Municipal approvals, if applicable;

7. Contractors, subcontractors, architects, engineers, and planners who will work on the project, if known;

8. Equipment to be purchased as part of the project; and

9. The relocation of any part of the applicant's or user's business, if applicable.

(d) Applications are logged in and assigned a number and project officer for review and processing.

(e) Applications are assigned to a bond counsel firm from the Authority's list of designated bond counsel to review the project for eligibility under Federal and State law (see N.J.A.C. 19:31-1.6). At the time of application, applicants may request assignment of one of the designated bond counsel firms, which request may be approved by the Authority at its discretion.

(f) Applications are processed through several levels of staff review, and may then be recommended for consideration and official action of the Members of the Authority (Members) at a public meeting. The applicant has no right to have its Application presented to the Members.

19:31-1.6 Bond counsel review and fees

(a) The Authority is represented in bond transactions by bond counsel, a private law firm with particular experience and expertise in this specialized area of law. The bond counsel firm:

1. Reviews Applications to determine eligibility under Federal and State law;
2. Assists the Authority in drafting the necessary resolutions to be adopted concerning projects;
3. Publishes notice of public hearing;
4. Drafts financing documents to be used in the transaction;
5. Prepares certain Federal forms for filing with the IRS relating to bond financing;
6. Delivers an opinion at the settlement of the transaction indicating, among other things:
 - i. The project qualifies for Authority assistance;
 - ii. The Authority has taken all necessary steps to accomplish the transaction; and
 - iii. The interest income to be earned on the Authority bonds issued for the project is exempt from most Federal and/or State income taxes.

(b) Bond counsel fees are paid by the applicant usually at the closing of the transaction, and may, subject to certain limitations, be included as a project cost to be financed out of the Authority bond issue.

(c) The borrower also is responsible for paying other professional fees associated with financing the project, including, but not limited to:

1. Printing fees;
2. Real estate commissions;
3. Consulting fees; and
4. Bond purchaser counsel fees.

(d) Applicants may be charged a fee by bond counsel even though the project does not close with Authority bonds.

19:31-1.7 Approval process

(a) Only the Members acting at a duly constituted public meeting can authorize or approve assistance to a project. These public meetings will satisfy the requirements for public hearings in accordance with the IRC. The Authority staff is not empowered to authorize or approve such assistance.

(b) The following approvals are required:

1. A preliminary resolution prepared by bond counsel making certain affirmative findings and determinations concerning the eligibility for assistance.

- i. Such official action permits an applicant to begin making expenditures on the project without jeopardizing the tax-free eligibility.

- ii. If an applicant makes substantial expenditures on a project prior to such official action, the expenditures may not be eligible for tax-free financing. The applicant should consult with bond counsel for advice as to how the IRC applies to expenditures.

- iii. A preliminary approval is not by itself sufficient authorization to permit the issuance of bonds;

2. A final bond resolution prepared by bond counsel authorizing bonds to be issued, subject to the following:

- i. Receipt of a written commitment acceptable to the Authority from a bond purchaser;

- ii. Substantial agreement among the interested parties as to the form and substance of the financing documents; and

- iii. Availability under the State volume cap or carryforward bond allocation for bond financing in accordance with the IRC; and

3. Approval of the Governor.

(c) Bond counsel may prepare a combination resolution granting both preliminary and final bond approval at a single meeting, if the requirements set forth in (b)1 and 2 above have been met.

(d) The bond closing must occur within a specified period of time, usually not exceeding 90 days from the date of final bond approval.

Amended by R.1995 d.435, effective August 21, 1995.
See: 27 N.J.R. 2377(a), 27 N.J.R. 3216(a).

19:31-1.8 Attorney General review

All financing documents, including the Application, are subject to review by the Attorney General.

19:31-1.9 Post-closing review

The loan agreement executed with the Authority includes certain public purpose covenants and obligations that must be observed by the applicant during the term of the financing. Failure to comply with these covenants and obligations may result in cancellation of the bond by the Authority.

Amended by R.1995 d.435, effective August 21, 1995.
See: 27 N.J.R. 2377(a), 27 N.J.R. 3216(a).

SUBCHAPTER 2. GUARANTEE PROGRAM

19:31-2.1 Program description

(a) The Authority is empowered to guarantee a portion of the principal amount of a financing which would increase or maintain employment and/or tax ratables in New Jersey, and which would not be made without the guarantee.

(b) The Authority is empowered to own and lease equipment and/or real estate to eligible applicants.

(c) There are six types of guarantees available: Fixed Asset Guarantees, Working Capital Guarantees, Special Guarantees, Film Production Program Assistance Guarantees, Smart Growth Predevelopment Guarantees and Angel Investor Guarantees.

1. Under the Fixed Assets Guarantee program:

- i. The Authority may guarantee the lesser of \$2.0 million or 90 percent of the principal amount of the financing.

- ii. The financing can either be:

- (1) A taxable or tax-exempt Authority-issued bond financing (see N.J.A.C. 19:31-1); or

- (2) Any other form of financing other than as stated in (b)1ii(1) above, including, but not limited to, bank loans, lease financing, seller take-back financing, Federal take-back financing and financings described in (b)3ii(1) and (2) below ("conventional financing");

- iii. Proceeds of guaranteed conventional financing can be used for the acquisition of land, buildings,

machinery and equipment, the expansion of an existing building or the renovation of machinery, equipment, and buildings; and

iv. Use of the proceeds of tax-exempt bond financing is governed by the Internal Revenue Code.

2. Under the Working Capital Guarantee program:

i. The Authority may guarantee the lesser of \$1 million or 90 percent of the principal amount of the financing;

ii. The financing can be either a conventional financing or an Authority-issued tax-exempt or taxable bond (see N.J.A.C. 19:31-1), subject to the terms and conditions of the Internal Revenue Code; and

iii. The financing proceeds can be used for refinancing of existing debt, purchase of inventory, or operating expenses.

3. Under the Special Guarantee program:

i. The Authority may guarantee any amount;

ii. The Authority guarantee shall be of:

(1) A loan or guarantee from a governmental entity which may be the Federal or State government, a department of the Federal or State government, an agency of the Federal or State government or a political subdivision of the State of New Jersey;

(2) A loan made under the Community Lending Program of the Federal Home Loan Bank of New York;

(3) Bonds issued by the Authority as a part of a bond issue for the benefit of multiple borrowers (whether or not such bond issue consists of multiple series of bonds issued for the benefit of individual borrowers);

(4) Conventional financing. An applicant for a conventional financing guarantee shall:

(A) Be in an industry and municipality that is targeted by the Authority as set forth in N.J.A.C. 19:30-5;

(B) Demonstrate to the Authority that it has viable options to vacate the State or locate to another state, has been offered economic incentives by the competing state and that, without the special guarantee the applicant will not undertake the relocation or expansion in the State; and

(C) Create or maintain a minimum of 200 permanent full-time jobs in the State. The Authority's assistance shall not exceed \$50,000 per job created and/or maintained; or

(5) Structured finance assistance. For purposes of this sub-subparagraph and the transaction documents,

the following words and terms shall have the following meanings, unless the context clearly indicates otherwise:

"Base years" means the first two complete calendar years following the approval by the members provided, however, that, at its discretion, an approved applicant may notify the Authority that the base years have terminated prior to such date, and further provided that in those instances where significant construction/ renovation of the project requires a certificate of occupancy to be awarded prior to occupancy of the project site, the base years will commence upon the issuance of a certificate of occupancy by the municipality.

"Employment compliance period" means with respect to net new full-time permanent jobs to be created, the five consecutive years immediately following the base years and with respect to full-time permanent jobs in the State to be retained, the five consecutive years immediately following the approval of the project by the members. Compliance with other covenants required by the transaction documents may be longer than the employment compliance period.

"Full-time permanent job" means a job filled by a full-time employee as that term is defined at N.J.A.C. 19:31-10.2.

"Net new full-time permanent job" means the full-time permanent jobs created in excess of the number of jobs existing at the project site at application. "Net new full-time permanent job" shall not include any person who was previously employed in New Jersey by the business or by a related person as defined in N.J.S.A. 54:10A-5.5 if the employee is transferred to the business which is the subject of the application unless the employee's position at his or her previous employer is filled by a new employee.

"Structured finance assistance" means the program set forth in this sub-subparagraph, whereby the Authority purchases machinery, equipment, furniture, leasehold improvements or construction materials using the sales tax exemption granted to the Authority pursuant to N.J.S.A. 54:32B-9 and leases such items to an approved applicant.

(A) Eligibility. In order to be eligible for structured finance assistance, an applicant shall:

I. Demonstrate that the project involves an industry targeted by the Authority, as set forth in N.J.A.C. 19:30-5 or is a designated industry as that term is defined in N.J.A.C. 19:31-10.2; and is located either in a Metropolitan Planning Area (PA 1), Suburban Planning Area (PA 2), designated center or an area designated for growth in a plan that has been endorsed by the New Jersey State Planning Commission at N.J.S.A. 52:18A-196 et seq.;

II. Demonstrate to the Authority that it has viable options to locate the project out of the State, has been offered economic incentives by a

competing state and that, without the structured finance assistance, the applicant will not retain, relocate or expand the project in the State;

III. Create a minimum 400 net new full-time permanent jobs or retain a minimum of 600 full-time permanent jobs in the State. If the applicant does not meet the new or retained jobs criteria as set forth in the preceding sentence, it can qualify for structured finance assistance if the aggregate number of full-time jobs to be created and retained total at least 750 of which 300 are net new full-time permanent jobs created.

(B) Program requirements. Eligible applicants for structured finance assistance must comply with the following requirements:

I. The Authority's exposure (if any) shall not exceed \$50,000 per full-time permanent job;

II. The maximum time allowed for acquisition of machinery, equipment, furniture and fixtures, leasehold improvements or construction materials shall be five years from the approval by the members of the project although the actual lease term may be for a longer period; and

III. Structured finance assistance shall have a rolling cap of \$40 million of sales tax benefit per two-year period based on the State's fiscal year. In the event that the rolling cap is met, the EDA may seek the approval of the State Treasurer to exceed the cap and shall only proceed with the administration of the sales tax benefit with the State Treasurer's written approval. By example, if the sales tax benefit approved in fiscal year 1 was \$18 million, the amount available for approval in fiscal year 2 would be \$22 million.

(C) The Authority may reduce the amount of sales tax benefit that is available to any applicant if the amount of sales tax benefit available under the cap is not sufficient to provide the total sales tax benefit that would have otherwise been available.

(D) If a firm does not meet their new job projections, it shall return to the State a proportionate percentage of the sales tax benefit.

iii. Notwithstanding (c)3ii(4) above, a company that is not targeted by the Authority as set forth in N.J.A.C. 19:30-5, but can meet the criteria set forth in (c)3ii(4)(B) above shall be eligible for a special guarantee if it can demonstrate that at least 400 permanent full-time jobs will be maintained in New Jersey and the Authority's exposure shall not exceed \$50,000 per job maintained.

4. Under the Film Production Assistance Program:

i. The Authority may provide guarantees of private loan(s) in eligible film projects. The maximum amount of Authority assistance shall be the lesser of \$1.5 million or 30 percent of the private loan(s);

ii. The Authority, prior to the granting of any guarantee, shall require:

(1) That funding for the film project, as defined in P.L. 1974, c.80 (N.J.S.A. 34:1B-180(3)), has been secured and is in place through a financial institution;

(2) The film production company, as defined in P.L. 1974, c.80 (N.J.S.A. 34:1B-180(3)), to enter into a completion bond or similar security with the Authority in such form, amount, and terms as shall be determined by the Authority; and

(3) That a minimum of one-half the estimated total production costs have been obtained from other sources;

iii. The Authority shall provide in any agreement between the Authority and a film production company for a guarantee that the lender shall retain a security interest in the assets of the film production company, including, but not limited to, all revenues, payments, money, and proceeds generated by the company's film project, and the Authority shall have a subrogated security interest in the collateral to the extent necessary to insure the Authority's full recovery of the amount of any guarantee;

iv. At least 50 percent of the material and production costs for any assisted project shall be purchased and/or spent in the State of New Jersey;

v. More than 70 percent of the filming days must take place in the State of New Jersey;

vi. Film production companies must provide in their employment contracts that not less than the prevailing wage rate, as determined by the Commissioner of Labor, pursuant to P.L. 1963, c.150 (N.J.S.A. 34:11-56.25 et seq.), shall be paid to workers employed in the performance of contracts in connection with a proposed project, including construction, reconstruction, rehabilitation or demolition of property and improvements thereon; and

vii. The total Authority exposure to any entity or related entities shall not exceed \$1.5 million at any one time. Related entities shall mean any person(s) or entity(ies) with ownership interests of 10 percent or more.

5. Under the Smart Growth Pre-development Guarantee Program:

i. The amount of the Authority guarantee shall not exceed \$1.0 million;

ii. The financing can be either a conventional financing or an Authority-issued tax-exempt or taxable bond (see N.J.A.C. 19:31-1), subject to the terms and conditions of the Internal Revenue Code;

iii. The financing proceeds shall be used for the purposes of pre-development site preparation costs to be determined by the Authority. Such costs may include, but are not limited to, land assemblage, demolition, removal of materials and debris and engineering costs; and

iv. Applicants for Smart Growth Pre-development Guarantee shall have projects which must be located either in Planning Areas 1 or 2, designated centers or in municipalities with endorsed plans as defined by the State Redevelopment Plan, must evidence municipal support and be part of a local redevelopment plan.

6. Under the Angel Investor Program, the Authority may guarantee a portion of a loan or equity investment by an individual or business to an early stage company for a period not to exceed five years. The amount of the guarantee shall not exceed \$500,000.

(d) Both the Fixed Asset guarantee and the Working Capital guarantee have a maximum term of 10 years for the guarantee, although the financing can be for a longer term. Smart Growth Pre-development guarantees have a maximum term of three years. A Special Guarantee term shall not exceed the term of the financing. Film Production Assistance Program guarantee terms will be determined on a project-by-project basis. Factors to be considered in determining the terms of the guarantee are as set forth in N.J.A.C. 19:31-2.4.

Amended by R.1997 d.270, effective July 7, 1997.
See: 29 N.J.R. 1485(b), 29 N.J.R. 2844(b).

SUBCHAPTER 3. DIRECT LOAN PROGRAM

19:31-3.1 Program description

(a) The Authority is empowered to make direct loans to applicants which are unable to obtain funding from conventional sources even with the help of an Authority guarantee.

(b) Except as otherwise provided in this subsection, direct loans are available in a maximum amount of \$750,000 for fixed asset financing and \$500,000 for working capital.

1. For the Smart Growth Pre-development Loan Program, the maximum loan amount will be \$1 million.

2. For the Brownfields Redevelopment Loan Program, the maximum loan amount will be \$750,000.

3. The maximum amount of combined total financing under the Smart Growth Pre-development and Brownfield Redevelopment loan program(s) is \$1.0 million.

4. The maximum amount of total financing for the New Jersey Growth Fund Program shall be \$1 million per transaction.

(c) Proceeds of fixed asset loans can be used for the acquisition of land, buildings, machinery and equipment, the expansion of an existing building or the renovation of machinery, equipment, and buildings.

(d) Proceeds of working capital loans can be used for refinancing of existing debt, purchase of inventory, or operating expenses.

(e) Proceeds of Smart Growth Pre-development loans shall be used for the purposes of pre-development site preparation costs to be determined by the Authority. Such costs may include, but are not limited to, land assemblage, demolition, removal of materials and debris and engineering costs.

(f) Proceeds of Brownfield Redevelopment loans shall be used for financing those remediation costs deemed eligible by the New Jersey Department of Environmental Protection pursuant to the Municipal Landfill Site Closure, Remediation and Redevelopment Agreement that has been entered into by the applicant with the New Jersey Department(s) of Environmental Protection and Treasury, and the New Jersey Commerce and Economic Growth Commission.

(g) For the Authority's Direct Loan Program, the applicant shall elect in writing, at or prior to the time of closing, a fixed interest rate as set forth in (g)1 below or a variable interest rate as provided in (g)2 below.

1. Fixed Rate Interest:

i. Interest on Smart Growth Predevelopment, Brownfield Redevelopment, fixed asset or working capital loans will be fixed at the time of closing and shall be indexed to the United States Treasury Bill of like term plus any additional basis points to be determined by the Authority pursuant to the criteria set forth herein; with a floor of four percent and no more than a maximum of the highest Prime Rate as published in the Wall Street Journal plus three percent. Factors to be considered when calculating the additional interest basis points may include the applicant's creditworthiness, quality of collateral, the project's location-municipality, whether the applicant is locating to a former brownfield site, the industry type, the leveraging of total project costs to public dollars, whether the business is new to the State or expanding operation in the State, and the increase in tax ratable values.

ii. The Loans to Lenders component of the Fund for Community and Economic Development will charge an interest rate to be fixed at three percent for the first five years. For those loans that extend beyond five years, the

rate will adjust to four percent on the first day of the sixth year. For those loans that extend beyond seven years, the rate will adjust to five percent on the first day of the eighth year. The maximum term of a Loans to Lenders Loan will be 10 years.

iii. The rate to be charged for the New Jersey Growth Fund Program is fixed at four percent plus any additional basis points to be determined by the Authority pursuant to the criteria set forth herein; with a floor of four percent and no more than two times the highest Prime Rate as published in the Wall Street Journal. Factors to be considered when calculating the additional interest basis points may include the special criteria detailed in N.J.A.C. 19:31.3.2(f).

2. Variable Rate Interest: Interest on fixed asset and working capital loans is at a rate no less than three percent or the Federal Discount Rate, whichever is greater, and no more than one percent below the highest Prime Rate as published in the Wall Street Journal at the time of closing. The interest rate will be variable, adjusted on the first business day of each calendar quarter in accordance with the relationship of the original calculated interest rate to the Prime Rate or the Federal Discount rate. The maximum increase in the variable interest rate over a five year period will be five percentage points greater than the original calculated interest rate. Factors to be considered when calculating the interest rate are as set forth in (g)1 above.

3. In addition to any interest charged on a New Jersey Growth Fund loan, the Authority may also require the payment of additional fees, including, but not limited to, warrants, stock, stock options, a percentage of royalties, and a percentage of sales proceeds.

(h) The term of a fixed asset or working capital loan is a maximum of 10 years, although the repayment schedule is usually for a shorter time based on the applicant's ability to repay. Smart Growth Predevelopment and Brownfield Redevelopment loans will have a maximum term of three years. The New Jersey Growth Fund term is a maximum of 10 years, and may allow for interest only payments for a portion of the term, or for interest and payment deferrals, with the repayment schedule to be determined on revenue and operational milestone achievement.

(i) The Authority may make direct loans in excess of \$750,000 and up to \$2 million for fixed assets. An applicant for a direct loan in excess of \$750,000 shall:

1. Be in an industry or municipality that is targeted by the Authority as set forth in N.J.A.C. 19:30-5 or located in the Port District;

3. Create or maintain a minimum of 200 permanent full-time jobs in the State. The Authority's assistance shall not exceed \$50,000 per job created and/or maintained.

(j) Notwithstanding (i) above, an existing New Jersey company that is not targeted by the Authority as set forth in N.J.A.C. 19:30-5, but can meet the criteria set forth in (i)2 above shall be eligible for a direct loan in excess of \$750,000 if it can demonstrate that at least 400 permanent full-time jobs shall be maintained in New Jersey and the Authority's exposure shall be maintained in New Jersey and the Authority's exposure shall not exceed \$50,000 per job maintained.

19:31-12.7 Allocation of tax benefits

(a) The Program is authorized to provide no more than \$60,000,000 of tax benefits over each State fiscal year. Of the \$60,000,000 of transferable tax benefits authorized for State fiscal year 2005 and each State fiscal year thereafter, \$5,000,000 shall be allocated for the surrender of transferable tax benefits exclusively among the eligible companies that operate within the boundaries of the innovations zones during State fiscal year 2005, and \$10,000,000 shall be so allocated exclusively among the eligible companies that operate within the boundaries of the innovation zones during fiscal year 2006 and for each State fiscal year thereafter, \$10 million shall be so allocated for eligible companies that operate within the boundaries of the innovation zones in each respective State fiscal year thereafter. In the event the total amount of transferable tax benefits approved exceeds these limitations or any subsequent limitations, the Authority shall allocate the transfer of tax benefits as follows:

1. Each company is limited to a maximum lifetime tax benefit of \$10 million.

2. Businesses with less than \$250,000 in tax benefits will be authorized to sell all of their benefits in the current year.

3. Businesses with more than \$250,000 in tax benefits will be authorized to sell at least \$250,000 of their benefits in the current year. In each successive year in which a selling business reapplies to the program, the applicant will be authorized to sell at least 50 percent of the amount sold in the prior year, with a minimum of \$250,000.

4. For eligible companies in innovation zones, each company is eligible for an allocation of the lesser of \$250,000 or the value of their eligible benefits. After allocations are made to these companies, any available balance of the additional \$5 million in benefits in State fiscal year 2005, or of the additional \$10 million in benefits in State fiscal year 2006 and for each State fiscal year thereafter, shall be apportioned among eligible companies in innovation zones with unmet eligible benefits. The formula to be followed for that apportionment is as follows:

i. An allocation factor shall be calculated by dividing the balance of the additional funds authorized for innovation zones by the amount of the unmet eligible benefits for companies in the zones.

ii. Each innovation zone company's unmet eligible benefits will be multiplied by the allocation factor as detailed in (a)4i above to arrive at the enhanced allocation.

iii. The eligible companies in innovation zones with remaining unmet eligible benefits shall participate in the allocation of the remaining pool for State fiscal year 2005 of \$55,000,000 and \$50,000,000 for each State fiscal year thereafter.

5. After the dollars are set aside in the amounts provided in (a)2 and 3 above, the remaining funds available to the program, in that fiscal year, shall be allocated among the businesses with more than \$250,000 of tax benefits. The available tax benefits shall be determined by reducing the amount of tax benefits to be transferred for each business by the minimum amount of tax benefits authorized for that business and then multiplying that amount by the following factor:

$$\frac{\text{Fiscal Year Dollar Authorization—}}{\text{Total Minimum Tax Benefits Authorized}} \div \frac{\text{Total Tax Benefits Requested to be Transferred—}}{\text{Total Minimum Tax Benefits Authorized}}$$

The total minimum tax benefits authorized is the amount authorized for businesses with less than \$250,000 of tax benefits plus the minimum tax benefits authorized for businesses with more than \$250,000 of tax benefits. The total tax benefits requested to be transferred is the total amount of tax benefits requested to be transferred by all businesses.

(b) In the event the authorized minimums exceed the authorized annual cap, applications shall be allocated benefits with priority given to those applicants with less than \$250,000 in tax benefits and to businesses with more than \$250,000 in tax benefits that are reapplying to the program pursuant to (a)3 above.
