Trenton, NJ – Governor Christie today released the following statement on the Senate Judiciary Committee’s 13-0 approval of Walter F. Timpone:

“The Senate Judiciary Committee’s unanimous approval of Walter Timpone’s nomination for the state Supreme Court was a resounding step toward ensuring justice is fully served for the people of New Jersey. Democrats and Republicans on the Committee were spot on in their praise and acknowledgement that Wally’s extraordinary integrity, experience and ethics make him the right fit for this essential public service position. I look forward to seeing the full Senate on Monday confirm this well-qualified nominee and finally provide New Jersey with a fully constituted court.”
