C. 38:14D-5. Agreement by State to enter into compact.

1. The State of New Jersey does hereby agree to, approve, and enter into a solemn compact with the State of New York (upon that State concurring therein, or otherwise approving thereof, by appropriate legislation) and with such other States as likewise concur therein or otherwise approve thereof, in form and terms as heretofore agreed to by the Governor of the State of New Jersey and the Governor of the State of New York, as follows:

AN INTERSTATE COMPACT FOR MUTUAL MILITARY AID IN AN EMERGENCY

ARTICLE I

Purposes.

(1) The purposes of this compact are:

a. to provide for mutual military aid and assistance in an emergency by the military forces of a signatory State to the military forces of the other signatory States or of the United States, including among other military missions, the protection of interstate bridges, tunnels, ferries, pipe lines, communications facilities and other vital installations, plants and facilities; and the military support of civil defense agencies;

b. to provide for the fresh pursuit in case of an emergency, by the military forces or any part or member thereof of a signatory State into another State, of insurrectionists, saboteurs, enemies or enemy forces or persons seeking or appearing to seek to overthrow the government of the United States or of a signatory State;

c. to make provision for the powers, duties, rights, privileges and immunities of the members of the military forces of a signatory State while so engaged outside of their own State.

ARTICLE III

the requesting State in order to carry out the purposes set forth in this compact. In such case, it shall be the duty of the Governor of each signatory State receiving such a request to issue the necessary orders for such use of the military forces of his State without the borders of his State and to direct the commander of such forces to place them under the operational control of the commander of the forces of the requesting State or of the United States which may be engaged in meeting the emergency.

Such election shall be exercised by the Governor of the aiding State presenting a statement and request for reimbursement of such costs and expenses to the Governor of the requesting State.

ARTICLE IX

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Any such action in fixing and determining the said classes and amounts shall be by resolution. In the case of persons employed upon a seasonal basis, a separate classification shall be provided and the amount of any bonus to them shall be proportionate to their period of employment as shall be fixed and determined by the said board of chosen freeholders, governing body of the municipality, or board of education, as the case may be.

Certain State employees included.

3. The provisions of this act shall extend to State employees whose compensation is paid in full by such county, municipality, school district or other political subdivision of this State.

Construed as no increase.

4. No grant or payment of any bonus under this act shall be held or construed as an increase in the salary or pay of any person receiving the same; neither shall the cessation of any such bonus, or any part thereof, be held or construed to amount to a reduction in the salary or pay of any person holding office, position, or employment, nor shall the amount of any such bonus be taken into consideration or included in any calculation respecting any amount to be paid into or out of any pension, retirement or other similar fund or in any similar connection.

Funds for payment.

5. If funds sufficient to pay any bonus granted under this act are not otherwise available, the same shall be raised by the county or municipality chargeable with the ultimate payment thereof by means of the issue of emergency notes or emergency bonds, pursuant to the provisions of section 40:2–31 of the Revised Statutes; and the governing body of any municipality shall raise, in the same manner, such amounts as shall be certified by the board of education of the school district for the purpose of carrying out the provisions of this act.

CHAPTER 8

AN ACT concerning interstate civil defense and ratifying on behalf of the State of New Jersey a compact therefor.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 38:14D-7. Ratification.

1. The Legislature of this State hereby ratifies a compact on behalf of the State of New Jersey with any other State legally joining therein in the form substantially as follows:

INTERSTATE CIVIL DEFENSE AND DISASTER COMPACT

Interstate civil defense and disaster compact:

The contracting States solemnly agree:

ARTICLE I

Purpose;

The purpose of this compact is to provide mutual aid among the States in meeting any emergency or disaster from enemy attack or other cause (natural or otherwise) including sabotage and subversive acts and direct attacks by bombs, shellfire, and atomic, radiological, chemical, bacteriological means, and other weapons. The prompt, full and effective utilization of the resources of the respective States, including such resources as may be available from the United States Government or any other source, are essential to the safety, care and welfare of the people thereof in the event of enemy action or other emergency, and any other resources, including personnel, equipment or supplies, shall be incorporated into a plan or plans of mutual aid to be developed among the Civil Defense agencies or similar bodies of the States that are parties hereto. The Directors of Civil Defense of all party States shall constitute a committee to formulate plans and take all necessary steps for the implementation of this compact.

Committee;

ARTICLE II

Plans, uniform standards, rules and regulations;

It shall be the duty of each party State to formulate civil defense plans and programs for application within such State. There shall be frequent consultation between the representatives of the States and with the United States Government and the free exchange of information and plans, including inventories of any materials and equipment available for civil defense. In carrying out such civil defense plans and programs the party States shall so far as possible provide and follow uniform standards, practices and rules and regulations including:

(a) Insignia, arm bands and any other distinctive articles to designate and distinguish the different civil defense services;

(b) Blackouts and practice blackouts, air raid drills, mobilization of civil defense forces and other tests and exercises;

(c) Warnings and signals for drills or attacks and the mechanical devices to be used in connection therewith;

(d) The effective screening or extinguishing of all lights and lighting devices and appliances;

(e) Shutting off water mains, gas mains, electric power connections and the suspension of all other utility services;

(f) All materials or equipment used or to be used for civil defense purposes in order to assure that such materials and equipment will be easily and freely interchangeable when used in or by any other party State;

(g) The conduct of civilians and the movement and cessation of movement of pedestrians and vehicular traffic, prior, during and subsequent to drills or attacks;

(h) The safety of public meetings or gatherings; and

(i) Mobile support units.

ARTICLE III

Mutual aid, proviso;

Any party State requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; *provided,* that it is understood that the State rendering aid may withhold resources to the extent necessary to provide reasonable protection for such State. Each party State shall extend to the civil defense forces of any other party State, while operating within its State limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving State), duties, rights, privileges and im-

munities as if they were performing their duties in the State in which normally employed or rendering services. Civil defense forces will continue under the command and control of their regular leaders but the organizational units will come under the operational control of the civil defense authorities of the State receiving assistance.

ARTICLE IV

Licenses and permits;

Whenever any person holds a license, certificate or other permit issued by any State evidencing the meeting of qualifications for professional, mechanical or other skills, such person may render aid involving such skill in any party State to meet an emergency or disaster and such State shall give due recognition to such license, certificate or other permit as if issued in the State in which aid is rendered.

ARTICLE V

Liability of State or personnel;

No party State or its officers or employees rendering aid in another State pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged, or on account of the maintenance or use of any equipment or supplies in connection therewith.

ARTICLE VI

Supplementary agreements;

Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more States may differ from that appropriate among other States party hereto, this instrument contains elements of a broad base common to all States, and nothing herein contained shall preclude any State from entering into supplementary agreements with another State or States. Such supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and

reception of injured and other persons, and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, equipment and supplies.

ARTICLE VII

Provision for compensation and death benefits;

No person shall so turn any vehicle without giving an appropriate signal in the manner hereinafter provided in the event any other traffic may be affected by such movement.

A signal or intention to turn right or left when required shall be given continuously during not less than the last one hundred feet traveled by the vehicle before turning.

No person shall stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal in the manner provided herein to the driver of any vehicle immediately to the rear.

The signal herein required shall be given either by means of the hand and arm in the manner herein specified, or by an approved mechanical or electrical signal device, except that when a vehicle is so constructed or loaded as to prevent the hand and

arm signal from being visible, both to front and rear, the signal shall be given by a device of a type which has been approved by the division.

When the signal is given by means of the hand and arm, the driver shall indicate his intention to stop or turn by extending the hand and arm from and beyond the side of the vehicle.

For a right turn, a sweeping motion shall be made from the rear to the front, to indicate to drivers of vehicles behind that they may pass to the left.

For a left turn, the index finger shall be pointed to the left, to indicate to drivers of vehicles behind that he intends to turn in that direction.

The foregoing requirements shall apply when:

1. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;

2. A crossing gate is lowered or when a human flagman gives or continues to give a signal of the approach or passage of a railroad train;

3. A railroad train approaching within approximately one thousand five hundred feet of the highway crossing emits a signal audible from such distance and such railroad train, by reason of its speed or nearness to such crossing, is an immediate hazard;

4. An approaching railroad train is plainly visible and is in hazardous proximity to such crossing.

(b) No person shall drive any vehicle through, around, or under any crossing gate or barrier at a

railroad crossing while such gate or barrier is closed or is being opened or closed.

C. 39:4-127.2. To comply with signals on crossing movable span bridges.

69. No person shall drive any vehicle through, around, or under any gate or barrier at or on the approaches to a movable span bridge while such gate or barrier is closed or is being opened or closed, nor shall any person drive any vehicle in disobedience to the directions of a traffic control signal or sign, police officer or duly authorized bridge tender, flagman or gateman, located at or in advance of said bridge.

(b) No person shall operate or move any crawler-type tractor, wheel tractor, tractor engine with or without trailer or trailers attached, steam shovel, derrick, roller, self-propelled concrete mixer, or any self-propelled vehicle, equipment, machinery, apparatus or structure having a normal operating speed of ten or less miles per hour or a vertical body or load clearance of less than

one-half inch per foot of the distance between any two adjacent axles or in any event of less than nine inches, measured above the level surface of a roadway, upon or across any track or tracks at a railroad grade crossing without first complying with the following requirements.

Notice of any such intended crossing shall be given to the nearest superintendent, station agent, station attendant, or track supervisor of such railroad. Such notice shall specify the approximate time of crossing and a reasonable time shall be given to such railroad to provide proper protection at such crossing.

After concluding satisfactory arrangements with the proper officer of the railroad and before making any such crossing, the person operating or moving any such vehicle or equipment shall first stop the same not less than fifteen feet nor more than fifty feet from the nearest rail of such railroad, and while so stopped shall listen and look in both directions along such track or tracks for any approaching train and for signals indicating the approach of a train, and shall not proceed until the crossing can be made safely.

No such crossing shall be made when warning is given by automatic signal or crossing gates or a flagman or otherwise of the immediate approach of a railroad train or car. If a flagman is provided by the railroad, movement over the crossing shall be made under his jurisdiction.

the aggregate value of all the property which constitutes the principal of such legal common trust fund. No change in the investments of a legal common trust fund shall be required solely by reasons of fluctuations in the value of the investments held in such fund, notwithstanding that such fluctuations cause the aggregate value of the limited legal investments held in such fund to exceed forty per centum of the aggregate value of all the property which constitutes the principal of such legal common trust fund. (9) "discretionary common trust fund" means a common trust fund other than a legal common trust fund; and, in addition to uninvested cash balances held pursuant to subsection C of section 39, a discretionary common trust fund may consist wholly of limited legal investments, or partly of limited legal investments and partly of legal investments in such proportions as the trust investment committee may, from time to time, determine. B. Where there is a cofiduciary, the bank shall acquire no participation in a common trust fund without the prior written consent of the cofiduciary, who is hereby authorized to give such consent. Such participation shall be withdrawn within three months after the written request of a cofiduciary for such withdrawal.

C. Investment of funds of a trust estate in a common trust fund or funds may be made as provided in this article, notwithstanding that the trust instrument became operative before the effective date of this act, and notwithstanding that the trust instrument, regardless of the date of its effectiveness, does not specifically authorize such an investment; but no investment shall be made in a common trust fund contrary to the express provisions of the trust instrument.

D. No bank shall invest any of its own funds in a common trust fund.

E. Each common trust fund shall be established and maintained in accordance with a written plan, so as to qualify as a common trust fund under Federal revenue laws, and, to that end, each bank in establishing and maintaining a common trust fund shall conform with and be subject to the rules and regulations, prevailing from time to time, of the Board of Governors of the Federal Reserve System pertaining to the collective investment of trust funds by national banks.

F. No investment of the funds of a common trust fund shall be made except pursuant to the prior authorization of the trust investment committee noted on the bank's records.

B. Where the trust instrument makes no provision governing the investments which may be made of a trust estate, or where the trust instrument directs that an estate be invested in "legal investments" or in "investments in which a fiduciary may by law invest" or in "legal investments for trustees," or uses words of similar import, investment of such trust estate may be made, in whole or in part, in a legal common trust fund, or in part, in a discretionary common trust fund, or in both; but no investment of such an estate shall be made in a discretionary common trust fund at any time when the aggregate value of all limited legal investments held in such trust estate exceeds, or if the investing in such discretionary common trust fund would cause such aggregate value to exceed forty per centum of the aggregate value of all the property which constitutes the principal of such trust estate.

C. Where the trust instrument permits investments of the trust estate to be made in limited legal investments, investment of all or any part of such trust estate may be made in either a legal common trust fund, or in a discretionary common trust fund, or in both, as the trust investment committee shall deem advisable.

Each unit shall at all times have the same value as every other unit of the same common trust fund. Such plan may also provide that a participation shall consist of a whole unit or a number of whole units, and may provide that withdrawals be made only of a whole unit or a number of whole units.

B. In determining the value of the property and investments of a common trust fund,

(1) an investment which is listed upon a stock, securities or investment exchange, shall be valued at the last recorded sales price in the ten-day period next preceding the date as of which the valuation is made, unless, within the said ten-day period, and subsequent to the date of the last recorded sales price, there have been recorded bid and asked prices, in which case the mean of the latest of such bid and asked prices shall be taken to be the value of such investment. An investment which is not listed upon a stock, securities or investment exchange, but which has an over-the-counter market, shall be valued at the mean of the last recorded bid and asked prices in the ten-day period next preceding the date as of which such valuation is made. If within the said ten-day period, there have been no recorded sales and no recorded bid and asked prices, the investment shall be valued at the mean of the last bid and asked prices as of a date not earlier than thirty days prior to the date as of which such valuation is made, as supplied by two stock or securities brokers deemed by the trust investment committee to be reliable. For the purposes of this paragraph, recorded sales prices, and recorded bid and asked prices shall be those which appear in a newspaper of general circulation, or in a financial, statistical,

investment, rating or other publication or service, published for the use of and accepted as reliable by investors in like investments, or in the records of a stock, securities, or investment exchange;

(3) an investment about to be made, and an investment made and awaiting delivery against payment, shall be valued at the cost of acquisition thereof, and the cash account of the common trust fund shall be adjusted to reflect such cost of acquisition;

(4) an investment sold but not delivered pending receipt of the proceeds of sale shall be valued at the net sale price thereof;

(5) uninvested funds of a common trust fund shall be included in the aggregate value of all the property of a common trust fund to the extent that such funds constitute principal;

(6) an investment which is not susceptible of valuation pursuant to the foregoing paragraphs of this subsection shall, before any admission to or withdrawal from such common trust fund is permitted, and before any further investment of the funds of the common trust fund is made, be sold, or distributed in kind, or segregated and administered for the benefit ratably of all trust estates holding participations in such common trust fund at the time of such segregation, as the plan pursuant to which such common trust fund is created shall provide.

C. No person having an interest in a trust estate which has been invested in whole or in part in a common trust fund shall have any ownership in any asset included in such common trust fund. The bank shall have exclusive control of every common trust fund established and maintained by it.

D. The bank shall not amortize premiums paid upon the purchase of an investment for a common trust fund, nor shall it accumulate discount in respect of investments purchased at less than face or par value, notwithstanding that the trust instrument may require amortization of premiums or accumulation of discount.

E. Money or other property paid by the bank as income from a common trust fund to itself in its capacity as the fiduciary administering and managing a trust estate shall, for the purpose of apportioning such income among the beneficiaries of the trust estate, be deemed to be income to the trust estate as of the date of such payment, regardless of the time when such income may have accrued, been earned, or accumulated.

F. For the purposes of this article, an investment made pursuant to a commitment therefor shall be deemed to be made on the date when the commitment was made.

The making of such an order shall impress a lien upon the participation and upon the proceeds of the withdrawal of the participation from the common trust fund as of the time of the application for such order, in the same manner and to the same extent as if such process had issued and had been executed on the day of the making of such application.

C. 3:16-4.3. Limitations.

3. Within the limitations of the standard prescribed by section two of this act, a fiduciary may invest in any investments whatsoever; except that no fiduciary shall make any investment for a trust estate in any limited legal investment if, on the valuation date, the aggregate value of all limited legal investments held in such trust estate exceeds, or if the investing in such limited legal investment would cause such aggregate value to exceed, forty per centum of the aggregate value of all the property which constitutes the principal of such trust estate.

C. 3:16-4.4. Determining values.

4. In determining values for the purposes of this act,

(a) an investment which is listed upon a stock, securities or investment exchange, shall be valued at the last recorded sales price in the ten-day period next preceding the valuation date, unless, within the said ten-day period, and subsequent to the date of the last recorded sales price, there have been recorded bid and asked prices, in which case the mean of the latest of such bid and asked prices shall be taken to be the value of such investment. An investment which is not listed upon a stock, securities or investment exchange, but which has an over-the-counter market, shall be valued at the mean of the last recorded bid and asked prices in the ten-day period next preceding the valuation date. If within the said ten-day period, there have been no recorded sales and no recorded bid and asked prices, the investment shall be valued at the mean of the last bid and asked prices as of a date not earlier than thirty days prior to the valuation date, as supplied by two stock or securities brokers or dealers deemed by the fiduciary to be reliable. For the purposes of this paragraph, recorded sales

prices, and recorded bid and asked prices shall be those which appear in a newspaper of general circulation, or in a financial, statistical, investment, rating or other publication or service, published for the use of and accepted as reliable by investors in like investments, or in the records of a stock, securities or investment exchange;

(b) obligations of the United States which are not transferable or negotiable shall be valued at the issue price thereof;

(c) mortgages on real property, or on the lease of the fee of real property, which are not in default according to their terms, and which represent investments made by a fiduciary acting pursuant to paragraphs i or j of section 3:16–1 of the Revised Statutes, and which have been made not more than three years prior to the valuation date, shall be valued at the principal sums owing thereon on the valuation date;

(d) all other mortgages on real property or on the lease of the fee of real property, including, but not by way of limitation, mortgages acquired pursuant to paragraph i (a) of section 3:16–1 of the Revised Statutes, and all real property and leases of the fee of real property, shall be valued at the average value placed thereon in a writing or writings signed by two licensed real estate brokers, neither of whom shall be the fiduciary or an employee of the fiduciary, evidencing an appraisal made by them within three years prior to the valuation date; except that, when the fiduciary is a corporation, such appraisal may be made by two persons authorized to appraise real property offered as security for a mortgage loan to be made by such corporation. In no case, however, shall a mortgage be valued at a sum greater than the principal amount owing thereon;

(e) an investment about to be made, and an investment made and awaiting delivery against payment, shall be valued at the cost of acquisition thereof, and the cash account of the trust estate shall be adjusted to reflect such cost of acquisition;

(f) an investment sold but not delivered pending receipt of the proceeds of sale shall be valued at the net sale price thereof;

(g) uninvested funds of a trust estate shall be included in the aggregate value of all the property of a trust estate to the extent that such funds constitute principal;

(h) a participation in a common trust fund shall be valued in the amount last determined by the trustee maintaining such fund, as of a date not earlier than three months prior to the valuation date;

(i) an investment not susceptible of valuation pursuant to the foregoing paragraphs of this section shall be valued in such sum as the fiduciary, exercising ordinary prudence and reasonable discretion under the circumstances then prevailing, shall deem fair and reasonable.

C. 3:16-4.5. Determining date of investment.

5. A limited legal investment, or a commitment to make a limited legal investment, may be made at any time before the expiration of fifteen full business days next following, and exclusive of, the valuation date. For the purposes of this act, an investment made pursuant to a commitment therefor shall be deemed to be made on the date when the commitment was made.

C. 3:16-4.6. Fluctuations in value deemed not to require change in investments.

6. No change in the investments held in a trust estate shall be required by reason of fluctuations in the values of such investments, or by reason of the lawful disbursement of funds of the trust estate, notwithstanding that such fluctuations or such disbursements cause the aggregate value of the limited legal investments in such trust estate to exceed forty per centum (40%) of the aggregate value of all the property which constitutes the principal of the trust estate.

C. 3:16-4.7. Distribution, ratio of values maintained.

7. When, at any time prior to the termination of the trust estate, a fiduciary makes a distribution in kind of any investments of a trust estate, or sells or otherwise disposes of an investment for a purpose other than reinvestment, the fiduciary shall maintain the ratio of values prescribed by section

three of this act so far as may then be practicable without sacrifice of values.

C. 3:16-4.8. Trust agreement to control, not to affect jurisdiction of court.

8. If a trust instrument prescribes, defines, limits or otherwise regulates a fiduciary's powers, duties, acts, or obligations in acquiring, investing, reinvesting, exchanging, retaining, selling, valuing or otherwise acting with respect to the property of a trust estate, the trust instrument shall control notwithstanding this act; but nothing herein shall affect the jurisdiction of the Superior Court to order or authorize a fiduciary to depart from the express terms or provisions of a trust instrument for the causes, in the manner, and to the extent otherwise by law provided.

C. 3:16-4.9. Construing use of terms.

9. Whenever any trust instrument or any statute of this State, other than Article 9 of "An act concerning banking and banking institutions (Revision of 1948)" approved April 29, 1948 (P. L. 1948, c. 67), directs or authorizes a fiduciary to make any investment for a trust estate in "legal investments," or in "investments in which a fiduciary may by law invest" or in "legal investments for trustees" or uses words of similar import, such words shall, in the absence of an express provision to the contrary contained in such trust instrument or such statute, be taken to include limited legal investments of the aggregate value as limited by this act.

C. 3:16-4.10. Investment not required.

10. Nothing in this act shall require a fiduciary to invest in limited legal investments.

C. 3:16-4.11. Laws applicable.

11. Except as otherwise expressly provided by this act, the law of this State applicable to legal investments and to fiduciaries making legal investments, shall apply to limited legal investments and to fiduciaries making limited legal investments.

C. 3:16-4.12. Application of act.

12. This act shall apply to and govern trust estates heretofore and hereafter created, fiduciaries heretofore and hereafter appointed, and trust instruments heretofore and hereafter made.

13. This act shall take effect immediately.

Approved April 26, 1951.

In calculating compensation for this extension beyond four hundred and fifty weeks the minimum provision of ten dollars ($10.00) shall not apply. The loss of any portion of the thumb or any finger between the terminal joint and the end thereof shall be compensated for a like proportion of the period of time prescribed for the loss of the first phalange of such member.

j. The loss of the first phalange and any portion of the second shall be considered as the loss of the entire finger or thumb, but in no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand.

k. For the loss of a great toe, sixty-six and two-thirds per centum (66⅔%) of daily wages during forty weeks.

l. For the loss of one of the toes other than a great toe, sixty-six and two-thirds per centum (66⅔%) of daily wages during fifteen weeks.

z. In case of the death of the person from any cause other than the accident or occupational disease, during the period of payments for permanent injury, the remaining payments shall be paid to such of his or her dependents as are included in the provisions of said section 34:15–13 or, if no dependents, the remaining amount due, but not exceeding two hundred and fifty dollars ($250.00), shall be paid in a lump sum to the proper person for funeral expenses; but no compensation shall be due any other person than the injured employee on account of compensation being paid in excess of four hundred and fifty weeks on account of disability total in character and permanent in quality as provided by paragraph "b" of this section.

AN ACT to amend "An act concerning savings and loan associations and building and loan associations, and revising chapter twelve of Title 17 of the Revised Statutes," approved April fourth, one thousand nine hundred and forty-six (P. L. 1946, c. 56).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section seventy-eight of the act of which this act is amendatory is amended to read as follows: Section amended.

78. Loans. Investments in loans may be made as follows: C. 17:12A-78. Loans, investments authorized.

(1) Mortgage loans. In direct reduction, sinking fund, and straight mortgage loans. Each such loan shall be evidenced by an obligation and secured by a mortgage which shall be a first lien on real estate in the State, or outside of the State if located within fifty miles of the principal office of the association. A mortgage shall be deemed a first lien notwithstanding the existence of a prior mortgage or mortgages held by the association, or liens of taxes or assessments which are not delinquent, building restrictions or other restrictive covenants or conditions, leases or tenancies whereby rents or profits are reserved to the owner, joint driveways, sewer rights, rights in walls, rights of way or other easements, or encroachments which the appraisers signing the appraisal provided for in section eighty-one, report in their opinion do not materially affect the security for the mortgage loan. Such loans shall be on real estate used or to be used wholly or partially for dwelling purposes. If the proceeds of any such loan are used in whole or in part to improve the mortgaged real estate, they may be advanced in installments as the construc-

tion of a building or the making of other improvements thereon progresses and the value of the contemplated improvement may be included in arriving at the appraised value of the property.

Each direct reduction loan shall require periodical payments sufficient to pay the principal and interest of the loan in full in a period of twenty years or less. Any association may by agreement with the borrowing member reduce the amount of periodical payments, but the amount of the periodical payments thereafter required shall be sufficient to pay the balance of the loan and interest thereon within a period of twenty years or less from the time of making such agreement. Each sinking fund loan shall require periodical payments, at least monthly, on an account pledged as collateral security for such loan which shall be sufficient to pay such loan in a period of twenty years or less. Any association may by agreement with the borrowing member provide for the application of such account to the principal of the loan and for a reduction in the periodical payments required on an account thereafter; *provided, however,* that such periodical payments thereafter required shall be sufficient to retire the loan in a period of twenty years or less from the time of the making of such agreement. The amount of any direct reduction loan or sinking fund loan, less the withdrawal value of any account which may be pledged as collateral security therefor, shall not exceed eighty per centum (80%) of the value of such real estate as found by appraisal at the time when the loan is granted.

Proviso.

A straight mortgage loan having a term of one year or less, the proceeds of which are used or are to be used in pursuance of a plan to improve the mortgaged real estate, may be made in an amount not to exceed eighty per centum (80%) of the value of such real estate as found by appraisal at the time the loan is granted. Otherwise the term of any straight mortgage loan shall not exceed three years and the amount of any such straight mortgage loan shall not exceed fifty per centum (50%)

of the value of the property as found by appraisal at the time the loan is granted. An association may renew any straight mortgage loan held by it for a period not exceeding three years and for amounts not in excess of fifty per centum (50%) of the value of the real estate as found by appraisal at the time of such renewal. The total amount invested in straight mortgage loans by any association shall not exceed ten per centum (10%) of its assets at the time any such investment is made.

(2) Improvement or repair loans. In additional loans to members for repairs, alterations, or improvements already made or to be made, of real estate owned by such members, upon which the lending association already holds a mortgage lien, or to pay the cost of insurance upon the life of such member which policy of insurance may also include health, accident or disability features, the proceeds of such policy to be applied in accordance with its terms and conditions; *provided, however,* the Proviso. amount of such life insurance shall not exceed the amount loaned on the mortgage lien held by the association. If the mortgage already held by the lending association secures payment of a direct reduction loan, such additional loan shall not exceed the sum of one thousand dollars ($1,000.00) or the amount which has been repaid in reduction of the principal of such mortgage loan, whichever is less. If the mortgage already held by the lending association secures payment of a sinking fund loan, such additional loan shall not exceed the sum of one thousand dollars ($1,000.00) or the withdrawal value of the installment account which is pledged as collateral security for the payment of such sinking fund loan, whichever is less. Each such additional loan shall be evidenced by an obligation which shall state the terms on which such loan is made, and the amount thereof shall be added to the amount due on the association's mortgage against such real estate, and payment thereof shall be secured thereby. All persons who acquire any rights in, or liens upon, the mortgaged real estate subse-

quent to the recording of any association's mortgage shall hold such rights and liens subject to the association's right to make such additional loans. For the purpose of such additional loans, no search or examination of the title to the mortgaged real estate shall be required. The power to make such additional loans is in addition to, and not to the exclusion of, the power to make any other lawful loan or any other lawful additional loan, or to make advances for any purpose expressly or impliedly reserved or provided for in any bond, mortgage or other obligation held by or hereafter acquired by any such association.

(3) Camp meeting leaseholds. In any obligation secured by first mortgage on any leasehold estate of real estate in this State of any camp meeting association, to the extent authorized by, and subject to, the limitations and restrictions contained in section 17:2–1 of the Revised Statutes.

(4) Purchase of loans. In the purchase of any loan which an association is authorized to make.

(5) Account loans. In loans secured by a pledge of a member's account. No such loan shall exceed the withdrawal value of the pledged account, less interest thereon for a period of six months.

(6) Guaranteed loans. In loans guaranteed or insured in whole or in part by the United States of America or the State of New Jersey, any instrumentality or agency of either of them, or for which a commitment to so guarantee or insure has been made. Such loans shall not be subject to the provisions of section twenty-seven subdivision (13), section seventy-eight subdivision (1), section eighty-one and section eighty-two of this act. Such loans may be made in accordance with the terms and conditions permitted by the agency guaranteeing or insuring such loans, notwithstanding any other provisions of law limiting interest or other charges or prescribing terms and conditions. Such loans shall include only those which are made for the purchase or improvement of real estate, or for the construction, alteration, repair, or improve-

ment of buildings erected thereon, used or to be used, wholly or partially for dwelling purposes, in which case they may or may not be secured by mortgages; or those which may be made for any other purpose provided they be secured by a mortgage on real estate used or to be used wholly or partially for dwelling purposes. The real estate in connection with which any such loan is made shall be located in this State, or outside of the State if located within fifty miles of the principal office of the association.

CARE, CUSTODY AND GUARDIANSHIP

C. 30:4C-11. Application, contents.

11. Whenever it shall appear that any child within this State is of such circumstances that his welfare will be endangered unless proper care or custody is provided, an application setting forth the facts in the case may be filed with the State Board of Child Welfare by a parent or other relative of such child, by a person standing in loco parentis to such child, or by a person or association or agency or public official having a special interest in such child, seeking that the State Board of Child Welfare accept and provide such care or custody of such child as the circumstances may require. Such application shall be in writing, and shall contain a statement of the relationship to or special interest in such child which justifies the filing of such application. The provisions of this section shall be deemed to include an application for welfare services on behalf of an unborn child when the prospective mother is within this State at the time of application for such services.

C. 30:4C-12. Verification of application, to make provisions for care.

12. Upon receipt of an application as provided in section eleven hereof, the State Board of Child Welfare shall verify the statements set forth in such application and shall investigate all the mat-

If upon such verification and investigation it shall appear (a) that the welfare of such child will be endangered unless proper care or custody is provided; (b) that there is no welfare or child-caring society or institution duly organized under the laws of this State which can and will provide the welfare services required by such child; (c) that the needs of such child cannot properly be provided for by financial assistance as made available by the laws of this State; (d) that there is no person legally responsible for the support of such child whose identity and whereabouts are known and who is willing and able to provide for the care and support required by such child; and (e) that such child does not require immediate institutional care because of physical or mental disability; then the State Board of Child Welfare may accept and provide such care or custody as the circumstances of such child may require.

C. 30:4C-13. Referral of the matter to a society, etc.

13. If in the course of verifying and investigating any applications, as provided for in sections eleven and twelve hereof, it shall appear that there is a welfare or child-caring society or institution duly organized under the laws of this State which can and will provide the welfare services required by the child; or it shall appear that there is a person legally responsible for the support of the child who is willing and able to provide the care and support required by such child; or it shall appear that the needs of the child can properly be provided for by financial assistance as made available by the laws of this State; then, the State Board of Child Welfare, before accepting and providing care or custody, shall first make proper referral of the matter to such society, institution, or person, or to the agency charged with the administration of such financial assistance.

C. 30:4C-14. Notice of action on application.

14. The State Board of Child Welfare shall give due notice in writing to the applicant of the action taken on any application as provided in sections twelve and thirteen hereof.

C. 30:4C-15. Petition setting forth abuse of child, etc.

15. Whenever (a) it appears that a court, wherein a complaint has been proffered as provided in chapter six of Title 9 of the Revised Statutes, has entered a conviction against the parent or parents, guardian, or person having custody and control of any child because of abuse, abandonment, neglect of or cruelty to such child; or (b) it appears that any child has been adjudged delinquent by a court of proper jurisdiction in this State; or (c) it appears that the best interests of any child under the care or custody of the State Board of Child Welfare require that he be placed under guardianship; a petition, setting forth the facts in the case, may be filed with the juvenile and domestic relations court of the county where such child may be at the time of the filing of such petition. A petition as provided in this section may be filed by any person or any association or agency, interested in such child, or by the State Board of Child Welfare in the circumstances set forth in item (c) hereof.

C. 30:4C-16. Summary of records filed.

16. Where the petitioner under section fifteen hereof is an association or agency, such petitioner shall file with the petition a summary of its records of the case.

C. 30:4C-17. Service of notice of hearings.

17. When a petition is filed under section fifteen hereof by a person, association or agency other than the State Board of Child Welfare, the court, in addition to causing service to be made upon the parent, parents, guardian or person having custody and control of such child in accordance with rules of court, shall also cause a copy of the petition and notice of the time and place of hearing to be served on or mailed to the State Board of Child Welfare at least twenty days before the time of such hearing.

Interlocutory order committing child.

Whenever a petition is filed under section fifteen hereof, and there shall be filed with such petition a statement or statements made under oath and attesting that the best interests of the child require that he be placed under the guardianship of the State Board of Child Welfare immediately and pending final hearing, the court, at a special sum-

mary hearing held upon notice to the State Board of Child Welfare, may make an interlocutory order committing such child to the State Board of Child Welfare until a final hearing on the petition. Such interlocutory order shall have the same force and effect as an order of commitment provided for in section twenty hereof.

C. 30:4C-18. To investigate and verify petition.

18. Immediately upon receipt of the copy of a petition served on or mailed to the State Board of Child Welfare as provided by section seventeen hereof, such State board shall verify such petition and investigate all the facts pertaining to the eligibility of the child for commitment, and prior to the day set for hearing shall file with the court a report of its findings. Such report shall show such facts as will assist the court in making a decision in the matter.

C. 30:4C-19. Adjournments.

19. Adjournment of any hearing on a petition filed under section fifteen hereof shall not exceed a total period of ninety days.

C. 30:4C-20. Court to issue committing order.

20. If upon the completion of such hearing the court is satisfied that the best interests of such child require that he be placed under proper guardianship, such court shall make an order committing such child to the guardianship and control of the State Board of Child Welfare, and such child shall thereupon become the legal ward of such board, and such board shall be the legal guardian of such child for all purposes.

Child returned to parents.

If the court shall have made an interlocutory order as provided in section seventeen hereof, but at the final hearing a further order of commitment shall not be made as provided in this section, the State Board of Child Welfare shall return the child forthwith to the parent or parents, guardian or person having had custody of the child immediately prior to the filing of the petition; *provided, however,* that if such parent or parents, guardian or person having had custody cannot be found or, for other reason satisfactory to the court, is unable to accept the child, the State Board of Child Welfare, upon order of the court, may place the child with

Proviso.

such other person or persons who, at the time of final hearing, expressed willingness to accept the child, but such order shall in no wise be construed as a grant of custody or guardianship. In all such cases the interlocutory order shall continue in full force and effect until the State Board of Child Welfare shall have made disposition of the child as provided herein, but in no case for a period longer than thirty days after the final hearing.

C. 30:4C-21. Order committing not restrictive.

21. The order of the court committing a child to the guardianship of the State Board of Child Welfare shall in no wise be restrictive of the duties, powers and authority of such board in the care, custody, placement, welfare and exclusive guardianship of the child as provided in this act, and such board shall be removed as such guardian only by a court of competent jurisdiction upon charges preferred and upon good cause shown after an opportunity to be heard.

C. 30:4C-22. Guardianship of board to be full and complete.

22. The guardianship of the State Board of Child Welfare shall be full and complete for all purposes and shall vest in such board the custody and control of both the person and property of its wards, whether committed prior or subsequent to the effective date of this act, without the necessity of giving bond, and notwithstanding any previous appointment of a guardian for such wards.

Such guardianship of the State Board of Child Welfare shall enable such board, acting as in a corporate capacity, to prosecute suits, claims and any and all manner of proceedings or actions in law or equity for and on behalf of its wards; to demand and receive from all persons, including guardians previously appointed, any and all property of its wards; and to hold and administer the real and personal property of its wards, or any interest they may have therein; *provided, however,* that it shall be proper for the said board, in its discretion, to hold funds of its wards on deposit in one or more banks or trust companies in this State, and to apply funds, other than earnings, of any ward against expenditures for the maintenance of such ward.

Proviso.

Court of jurisdiction.

The County Court of the county where the commitment was made shall have jurisdiction to hear and determine any and all proceedings affecting the guardianship of the State Board of Child Welfare. The County Court of each county shall have jurisdiction to hear and determine petitions by such board, on behalf of its wards, for the transfer of any or all assets being held by guardians previously appointed. The County Court shall have jurisdiction, in its discretion, to waive costs in any proceedings by the State Board of Child Welfare on behalf of its wards.

C. 30:4C-23. Additional methods for establishing guardianship.

23. In addition to the methods otherwise provided in this article for establishing guardianship by the State Board of Child Welfare, and when necessary to carry out the provisions of this act, the State Board of Child Welfare, after due investigation and consideration, may, in cases where it would be to the permanent advantage of the child, take voluntary surrenders and releases of custody and consents to adoption from the parent, parents or other persons or agencies having the right or authority to give such surrenders, releases and consents. Such surrenders, releases and consents, when properly acknowledged in the manner and form as provided by section 46:14–6 of the Revised Statutes, shall be valid and binding irrespective of the age of the person giving the same, and shall be irrevocable except at the discretion of the State Board of Child Welfare or upon order of a court of competent jurisdiction.

C. 30:4C-24. Care of non-eligible children.

24. Whenever the director of welfare of any county or municipality in this State shall be called upon to provide for any child whose needs cannot properly be provided for by financial assistance as made available by the laws of this State, such director shall, within twenty-four hours thereafter, give written notice thereof to the State Board of Child Welfare, and shall file an application for care or custody, as provided in section eleven of this act, or shall file a petition as provided in section fifteen of this act, as the case may be. Such notice shall

contain all available information concerning such child and its circumstances as will enable such State board to take proper action in the case. If the immediate needs of such child so require, such director shall provide for the care of such child in a suitable place approved for that purpose by the State Board of Child Welfare, paying therefor as a charge against county or municipal funds until such time as the child has been found eligible for care, custody or guardianship in accordance with the provisions of this act.

ARTICLE III

C. 30:4C-26. May place child in a family home.

26. Whenever the circumstances of a child are such that proper care, custody, and guardianship cannot be provided for such child in his own home, the State Board of Child Welfare may place such child in a suitable family home, with or without payment of board, as the needs of the child may require; *provided, however,* that while such State board is seeking such family home, or if the special needs of any such child may so require, such State board may place such child in an institution in this State for the care of children or in any other suitable place which such State board, in its discretion, may find proper and necessary for the care of the child. In the placement of any child the State Board of Child Welfare shall make every reasonable effort to select a family home or an institution of the same religious faith as the parent or parents of such child.

Proviso.

Residence of child.

Whenever the State Board of Child Welfare shall place any child, as provided by this section, in any municipality and county of this State, such child shall be deemed a resident of such municipality

and county for all purposes, and such child shall be entitled to the use and benefit of the health, educational, recreational, vocational and other facilities of such municipality and county in the same manner and extent as any other child living in such municipality and county.

C. 30:4C-27. Expenses of maintenance chargeable against State funds.

27. Pursuant to the providing of care, custody or guardianship for any child, in accordance with the provisions of this act, the State Board of Child Welfare may expend such sums as may be necessary for the reasonable and proper cost of maintenance, including board, clothing and medical, dental and hospital care, or any of them, as the needs of any such child may require. Such cost shall be chargeable against State funds as made available in accordance with article four of this act; *provided, however,* that no such cost shall be so chargeable if incurred earlier than the date of acceptance of care or custody of a child, as provided in section twelve hereof, or earlier than the effective date of an order of commitment, as provided in section twenty hereof.

Proviso.

1. Section 64 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-64. Terms defined.

64. Definitions; powers and limitations.

A. For the purposes of this article,

(1) "mortgage loan" means (a) a loan made by a bank, secured by a mortgage constituting a lien upon real property or upon a lease of the fee of real property, in the making of which the bank relies primarily upon the

value of the mortgaged property; and (b) the purchase by a bank of the whole of, or a part interest in, an existing mortgage constituting a lien upon real property or upon a lease of the fee of real property;

(2) "mortgaged property" means (a) the real property or the lease of the fee of real property to be mortgaged to secure a loan made by a bank; and (b) the real property or the lease of the fee of real property which is subject to the lien of an existing mortgage the whole whereof or a part interest wherein is purchased by a bank;

(3) in making a mortgage loan as defined in subparagraph (a) of paragraph (1) of this subsection, a bank may act as the sole lender, or as a co-lender with any other lender or lenders; and, except as otherwise expressly provided by this article, when a bank participates in making a mortgage loan as co-lender, all the provisions of this article shall apply to the same extent and with the same effect as if such bank were lending the full amount of such loan as sole lender.

B. When a bank purchases the whole of, or a part interest in an existing mortgage,

(1) the principal amount due upon such mortgage at the time of such purchase shall constitute the amount of the loan for the purposes of paragraphs (4), (4) (a) and (4) (b) of section 65, and paragraph (4) of section 66, and shall also constitute the original amount of the loan for the purposes of paragraph (5) of section 65;

(2) the appraised value of the mortgaged property shall be determined pursuant to section 67;

(3) the date of such purchase shall constitute the date of the loan within the meaning of paragraphs (4) and (5) of section 65; and

(4) except as in this section otherwise expressly provided, such purchase shall be subject to all the provisions of this article to the same extent and with the same effect as if such bank were, at the time of such purchase, making a mortgage loan on the mortgaged property pursuant to subparagraph (1) (a) of subsection A of this section.

C. When a bank acts as a co-lender, as authorized by paragraph (3) of subsection A of this section, and when it purchases a part interest in an existing mortgage, as authorized by subsection B of this section, the bank's contractual and other rights in the mortgage loan, and in the mortgage, and in the mortgaged property, shall not be subordinate to those of any other co-lender, or of any other holder of a part interest in such mortgage loan or mortgage.

Section amended.

2. Section 69 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-69. Mortgage loans, limitations.

For the purposes of this subsection, principal balances owing to the bank on mortgage loans subject to the provisions of subsection A of section 68 shall only to the extent of sixty-six and two-thirds per centum of such balances owing to the bank, be included in the total of all principal balances owing to the bank on mortgage loans. This subsection shall not, however, prevent the renewal

or extension of the time for payment of a mortgage loan for the amount due thereon at the time of such renewal or extension.

B. Except as in this article otherwise provided, no bank shall, as sole lender or as a co-lender, make a loan secured by mortgage on real property or by mortgage on a lease of the fee of real property, nor shall any bank purchase the entire interest or a part interest in any such mortgage, if the making of such loan or the purchase of such interest would cause the total of all unpaid balances secured by a mortgage or mortgages held by the bank as sole owner or as co-owner upon such real property or such leasehold, to exceed the limitations imposed by this article upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

Section amended.

1. Section 34:15–40 of the Revised Statutes is amended to read as follows:

Liability of third party.

34:15–40. Where a third person or corporation is liable to the employee or his dependents for an injury or death, the existence of a right of compensation from the employer or insurance carrier under this statute shall not operate as a bar to the action of the employee or his dependents, nor be regarded as establishing a measure of damage therein. In the event that the employee or his dependents shall recover and be paid from the said third person or corporation, any sum in release or in judgment on account of his or its liability to the injured employee, the liability of the employer under this statute thereupon shall be only such as is hereinafter in this section provided.

(a) The obligation of the employer or his insurance carrier under this statute to make compensation payments shall continue until the payment, if any, by such third person or corporation is made.

(b) If the sum recovered by the employee from the third person or corporation is equivalent to or greater than the liability of the employer or his insurance carrier under this statute, the employer or his insurance carrier shall be released from such liability and shall be entitled to be reimbursed, as hereinafter provided, for the medical expenses incurred and compensation payments theretofore paid to the injured employee or his dependents less employee's expenses of suit and attorney's fee as hereinafter defined.

(c) If the sum recovered by the employee as aforesaid is less than the liability of the employer or his insurance carrier under this statute, the employer or his insurance carrier shall be liable for the difference, plus the employee's expenses of suit and attorney's fee as hereinafter defined, and shall be entitled to be reimbursed, as hereinafter provided for so much of the medical expenses incurred and compensation payments theretofore paid to the injured employee or his dependents as exceeds the amount of such difference plus such employee's expenses of suit and attorney's fee.

(d) If at any time prior to the payment by the third person or corporation to the injured employee or his dependents, the employer or his insurance carrier shall serve notice, as hereinafter provided, upon such third person or corporation that compensation has been applied for by the injured employee or his dependents it shall thereupon become the duty of such third person or corporation, before making any payment to the injured employee or his dependents, to inquire from such employer or his insurance carrier the amount of medical expenses incurred and compensation theretofore paid to the injured employee or to his dependents. Where such notice shall have been served, it shall further become the duty of such third person or corporation, before making any payment as aforesaid, to inquire from such injured employee or his dependents the amount of the expenses of suit and attorney's fee, or either of them in the action or settlement of the claim against such third person or corporation. Thereafter, out of that part of any amount about to be paid in release or in judgment by such third person or corporation on account of his or its liability to the injured employee, the employer or his insurance carrier shall be entitled to receive from such third person or corporation so much thereof as may be due the employer or insurance carrier pursuant to subparagraph (b) or (c) of this section. Such sum shall be deducted by such third person or corporation from the sum to

be paid in release or in judgment to the injured employee or his dependents and shall be paid by such third party or corporation to the employer or his insurance carrier. Service of notice, hereinbefore required to be made by the employer or his insurance carrier upon such third person or corporation, shall be by registered mail, return receipt and in the case of a corporation shall be mailed to the registered office of such corporation.

(e) As used in this section, "expenses of suit" shall mean such expenses, but not in excess of two hundred dollars, and "attorney's fee" shall mean such fee, but not in excess of thirty-three and one-third per centum (33⅓%) of that part of the sum paid in release or in judgment to the injured employee or his dependents by such third party or corporation to which the employer or his insurance carrier shall be entitled in reimbursement under the provisions of this section, but on all sums in excess thereof, this percentage shall not be binding.

(f) When an injured employee or his dependents fail within one year of the accident to either effect a settlement with or institute proceedings for recovery of damages for his injuries and loss against the third person or corporation, the employer or his insurance carrier, ten days after a written demand on the injured employee or his dependents, can either effect a settlement with or institute proceedings against the third person or corporation for the recovery of damages for the injuries and loss sustained by such injured employee or his dependents and any settlement made or proceedings had and taken by such employer or his insurance carrier against such third person or corporation, and such right of action shall be only for such right of action that the injured employee or his dependents would have had against the third person or corporation, and shall constitute a bar to any further claim or action by the injured employee or his dependents against the third person or corporation. If a settlement is effected between the employer or his insurance carrier and the third per-

son or corporation, or a judgment is recovered by the employer or his insurance carrier against the third person or corporation for the injuries and loss sustained by the employee and if the amount secured or obtained by the employer or his insurance carrier is in excess of the employer's obligation to the employee and the expense of suit, such excess shall be paid to the employee or his dependents. The legal action contemplated herein above shall be a civil action at law in the name of the injured employee or by the employer or insurance carrier in the name of the employee to the use of the employer or insurance carrier, or by the proper party for the benefit of the next of kin of the employee. Where an injured employee or his dependents have instituted proceedings for recovery of damages for his injuries and loss against a third person or corporation and such proceedings are dismissed for lack of prosecution, the employer or insurance carrier shall, upon application made within ninety days thereafter, be entitled to have such dismissal set aside, and to continue the prosecution of such proceedings in the name of the injured employee or dependents in accordance with the provisions of this section.

(g) If such employee or his dependents effect a settlement with or institute proceedings against the third person or corporation prior to the service of notice of the compensation obligation of the employer or his insurance carrier or prior to the institution of any proceedings against the third person or corporation by the employer or his insurance carrier for the injuries and loss sustained by such employee or his dependents, such employer or his insurance carrier is barred from instituting any action or proceedings against the third person or corporation for the injuries and loss sustained by such employee or his dependents.

CHAPTER 184

AN ACT concerning certain exemptions from taxation on real and personal property for citizens and residents of this State now or hereafter honorably discharged or released under honorable circumstances from active service in time of war in any branch of the armed forces of the United States; and for widows, during widowhood, of citizens and residents of this State who have met or shall meet their deaths on active duty in time of war in any such service; and to repeal section 54:4–3.12 of the Revised Statutes, "An act concerning the assessment and collection of taxes, and supplementing chapter four of Title 54 of the Revised Statutes," approved April thirteenth, one thousand nine hundred and forty (P. L. 1940, c. 39), "An act to provide for the continuation of certain exemptions provided for and allowed to all members of the New Jersey

National Guard during their term of service after they have been mustered into Federal service, and to extend these exemptions for the duration of the present war and for six months thereafter to all drafted persons and to persons who enlist in the army, the navy or the marine corps," approved May second, one thousand nine hundred and forty-two (P. L. 1942, c. 70), and "An act concerning taxation, and supplementing chapter four of Title 54 of the Revised Statutes," approved April thirtieth, one thousand nine hundred and forty-six (P. L. 1946, c. 212).

Preamble.

WHEREAS, The Constitution of 1947 of the State of New Jersey by Article VIII, section one, paragraph three, provides exemption from taxation on real and personal property to an aggregate assessed valuation not exceeding five hundred dollars ($500.00), which shall not be altered or repealed, for any citizen and resident of this State heretofore or hereafter honorably discharged or released under honorable circumstances from active service in time of war in any branch of the armed forces of the United States and for the widow, during her widowhood, of any citizen and resident of this State who has met or shall meet his death on active duty in time of war in any such service and to such further exemption in her behalf as from time to time may be provided by law; and

Preamble.

WHEREAS, It appears that the only personal exemptions from direct property taxation (i. e., those exemptions which are based on the characteristics of the person as distinguished from those which are based on the characteristics of the property or the use to which the property is put) which are now lawfully allowable are those specified in Article VIII aforesaid; and

Preamble. WHEREAS, It appears that statutes enacted prior to the adoption of the Constitution of 1947 purporting to provide personal exemptions from taxation on real and personal property are invalid; and

Preamble. WHEREAS, It appears that the Legislature is without power to grant personal exemptions for additional classifications of individuals because the Constitution of 1947 having specifically enumerated those entitled to such exemptions, those not included are therefore excluded; and

Preamble. WHEREAS, Even though the personal exemptions provided by the Constitution of 1947 are unalterable in so far as those entitled to such exemptions are concerned, it appears, nevertheless, that the Legislature can and should, in the interests of uniformity, prescribe uniform rules and procedure for the administration of said personal exemptions from property taxes in this State; now, therefore

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

C. 54:4-3.12i. Terms defined. 1. As used in this act:

(a) "Active service in time of war" means active service at sometime during one of the following periods prior to the effective date of this act:

World War II, December 7, 1941 to September 2, 1945;

World War I, April 6, 1917 to November 11, 1918;

Spanish-American War, April 21, 1898 to August 13, 1898;

Civil War, April 15, 1861 to May 26, 1865;

or, as to any subsequent war, during the period from the date of declaration of war to the date on which actual hostilities shall cease.

(b) "Assessor" means the assessor, board of assessors or any other official or body of a taxing district charged with the duty of assessing real and personal property for the purpose of general taxation.

(c) "Collector" means the collector or receiver of taxes of a taxing district.

(d) "Honorably discharged or released under honorable circumstances from active service in time of war," means and includes every form of separation from active, full-time duty with military or naval pay and allowances in some branch of the armed forces of the United States in time of war, other than those marked "dishonorable," "undesirable," "bad conduct," "by sentence of general court martial," "by sentence of summary court martial" or similar expression indicating that the discharge or release was not under honorable circumstances. A disenrollment certificate or other form of release terminating temporary service in a military or naval branch of the armed forces rendered on a voluntary and part-time basis without pay, or a release from or deferment of induction into the active military or naval service shall not be deemed to be included in the aforementioned phrase.

(e) "Pre-tax year" means the particular calendar year immediately preceding the "tax year."

(f) "Resident" means one legally domiciled within the State of New Jersey. Mere seasonal or temporary residence within the State, of whatever duration, shall not constitute domicile within the State for the purposes of this act. Absence from this State for a period of twelve months shall be prima facie evidence of abandonment of domicile in this State. The burden of establishing legal domicile within the State shall be upon the claimant.

(g) "Tax year" means the particular calendar year in which the general property tax is due and payable.

(h) "Veteran" means any citizen and resident of this State honorably discharged or released under honorable circumstances from active service in time of war in any branch of the armed forces of the United States.

(i) "Widow" means only the surviving lawful wife of a citizen and resident of this State who has met or shall meet his death while on active duty in time of war in any branch of the armed forces of the United States, so long as she does not remarry, and shall not be construed to include the surviving lawful wife of a veteran who has heretofore died or who shall hereafter die subsequent to his discharge or release from military or naval service.

C. 54:4-3.12j. Amount of exemption.

2. Every person a citizen and resident of this State now or hereafter honorably discharged or released under honorable circumstances from active service in time of war in any branch of the armed forces of the United States and the widow, during her widowhood, of a citizen and resident of this State who has met or shall meet his death on active duty in time of war in any such service, shall be entitled, on proper claim being made therefor, to exemption from taxation on real and personal property to an assessed valuation not exceeding five hundred dollars ($500.00) in the aggregate.

C. 54:4-3.12k. Application for exemption, claims continued.

3. After the effective date of this act, no exemption from taxation on the valuation of real and personal property, as provided herein, shall be allowed except upon written application therefor, which application shall be on a form prescribed by the Director, Division of Taxation, in the Department of the Treasury, and provided for the use of claimants hereunder by the governing body of the municipality constituting the taxing district in which such claim is to be filed. As to claims filed with and approved by an assessor prior to the effective date of this act, such claims may, at the discretion of the assessor, be continued without the necessity of filing a new application, but it shall be the duty of every assessor within the period of three years immediately following said effective date, to

review all such claims and where the written application therefor does not substantially conform to the application prescribed by the director, he shall require the filing of a new application and approve the same before continuing the exemption. Any exemption heretofore granted on the basis of a verbal application to the assessor shall not be continued except upon the filing of a written application, as herein provided, establishing the claimant's right to a continuance thereof. Each assessor may at any time inquire into the right of a claimant to the continuance of an exemption hereunder and for that purpose he may require the filing of a new application or the submission of such proof as he shall deem necessary to determine the right of the claimant to continuance of such exemption. No application for exemption based upon service in the armed forces shall be allowed unless there is annexed thereto a copy, which may be photostatic, of claimant's certificate of honorable discharge or of his certificate of release under honorable circumstances from active service in time of war in a branch of the armed forces of the United States. In the case of an application by the widow of a citizen and resident of this State who met his death while on active duty in time of war in the armed forces of the United States, said application shall not be allowed unless it clearly establishes that: (a) claimant's husband was a citizen and resident of this State at the time of his entry into such service, (b) he met his death while on active duty in a branch of the armed forces of the United States in time of war, as herein defined, (c) claimant was his wife at the time of his death, and (d) claimant has not remarried.

C. 54:4-3.121. Time of filing application for exemption.

4. An application for exemption hereunder may be filed with the assessor of the taxing district at any time on or before December thirty-first of the pretax year. If so filed and approved by the assessor, he shall allow an exemption from taxation on the valuation of the real or personal property, or both, assessed to the claimant in the amount of

the claim approved by him. The application, if not filed with the assessor within the time aforementioned, may be filed with the collector during the tax year and upon approval by the collector of such application he shall determine the amount of the reduction in tax to which the claimant is entitled and shall allow said amount as an offset against the tax then remaining unpaid. If the amount allowable as an offset shall exceed the amount of the tax then unpaid for that tax year, or if the application for exemption is not filed with the collector until after all taxes for the tax year have been fully paid, the claimant may make application to the governing body of the municipality constituting the taxing district for the refund of any tax overpaid, but without interest, and the governing body may, in its discretion, direct the return of any tax deemed by it to have been overpaid by reason of claimant's failure to make timely application for exemption; *provided, however,* that no application for exemption in a previous tax year shall be allowed by any assessor, collector or governing body. Where an application for exemption is filed with and allowed by a collector he shall promptly transmit such application and all exhibits attached thereto, or a photostatic copy thereof, to the assessor of the taxing district. Upon receipt thereof the assessor shall review the application and if approved by him it shall have the same force as if originally filed with him.

Proviso.

C. 54:4-3.12m. Collector to submit list of exemptions.

5. It shall be the duty of the collector, on or before January fifteenth of each tax year, to submit to the county board of taxation a list of the exemptions granted by him under this act during the prior tax year.

C. 54:4-3.12n. Facts in support of claim.

6. Every fact essential to support a claim for exemption hereunder shall exist on October first of the pretax year and in the case of an application by a veteran such application shall establish that he was, on October first of the pretax year, (a) a veteran, as herein defined, (b) the owner of the legal title to the property on which exemption is

claimed and (c) a citizen and resident of this State and, in the case of an application by a widow, as herein defined, such application shall establish that she was, on October first of the pretax year, (a) the owner of the legal title to the property on which exemption is claimed and (b) that she has not remarried.

C. 54:4-3.12o. Claims to continue.

7. A claim having been filed with and allowed by the assessor shall continue in force from year to year thereafter without the necessity for further claim so long as the claimant shall be entitled to exemption hereunder, but the assessor may at any time require the filing of a new application or such proof as he shall deem necessary to establish the right of the claimant to continuance of the exemption. It shall be the duty of every claimant to inform the assessor of any change in his status or property which may affect his right to continuance of the exemption.

C. 54:4-3.12p. Limits amount to $500.00.

8. No person shall be allowed exemption from taxation in any one year on the assessed valuation of his real and personal property of more than five hundred dollars ($500.00) in the aggregate, but exemption may be claimed in any taxing district in which the claimant has taxable property and may be apportioned, at the claimant's option, between two or more taxing districts; *provided,* such claims shall not exceed five hundred dollars ($500.00) in the aggregate. If the widow of a citizen and resident of this State who has met his death on active duty in time of war in any branch of the armed forces of the United States shall herself have been honorably discharged or released under honorable circumstances from active service in time of war in any branch of the armed forces of the United States, she shall be entitled to an exemption for each status. The exemptions herein provided shall be in addition to any exemptions now or hereafter provided by any other statute for disabled veterans or the widows of citizens and residents of this State who met their deaths on active duty in time of war

Proviso.

in any branch of the armed forces of the United States.

C. 54:4-3.12q. Provisions for property held jointly.

9. Where title to property on which an exemption is claimed is held by claimant and another or others, either as tenants in common or as joint tenants, claimant shall not be allowed an exemption against his interest in said property in excess of the assessed valuation of his proportionate share in said property, which proportionate share, for the purposes of this act, shall be deemed to be equal to that of each of the other tenants, unless the conveyance under which title is held specifically provides unequal interests, in which event claimant's interest shall be as specifically established in said conveyance. Property held by husband and wife, as tenants by the entirety, shall be deemed to be wholly owned by each tenant. Nothing herein shall preclude more than one tenant, whether title be held in common, joint tenancy or by the entirety, from claiming exemption against the property so held. Right to claim exemption hereunder shall extend to property title to which is held by a partnership, to the extent of the claimant's interest as a partner therein, and by a guardian, trustee, committee, conservator or other fiduciary for any person who would otherwise be entitled to claim exemption hereunder, but not to property the title to which is held by a corporation.

C. 54:4-3.12r. Rules and regulations.

10. The director is empowered to promulgate such rules and regulations and to prescribe such forms as he shall deem necessary to effectively administer the provisions of this act. He may, in his discretion, eliminate the necessity for sworn application, in which event all declarations by the claimant shall be considered as if made under oath and the claimant, as to false declarations, shall be subject to the penalties as provided by law for perjury.

C. 54:4-3.12s. Authorized to administer oaths.

11. Each assessor and collector and his duly designated assistants are hereby authorized to take and administer the oath, where required, on any claim for exemption hereunder and no charge shall

be made for the taking of any affidavit or the preparation of any form required by this act.

C. 54:4-3.12t. Repealer.

12. Section 54:4–3.12 of the Revised Statutes, "An act concerning the assessment and collection of taxes, and supplementing chapter four of Title 54 of the Revised Statutes," approved April thirteenth, one thousand nine hundred and forty (P. L. 1940, c. 39), "An act to provide for the continuation of certain exemptions provided for and allowed to all members of the New Jersey National Guard during their term of service after they have been mustered into Federal service, and to extend these exemptions for the duration of the present war and for six months thereafter to all drafted persons and to persons who enlist in the army, the navy or the marine corps," approved May second, one thousand nine hundred and forty-two (P. L. 1942, c. 70), and "An act concerning taxation, and supplementing chapter four of Title 54 of the Revised Statutes," approved April thirtieth, one thousand nine hundred and forty-six (P. L. 1946, c. 212), are repealed.

C. 54:4-3.12u. Act effective.

13. This act shall take effect July first, one thousand nine hundred and fifty-one.

Approved June 7, 1951.

CHAPTER 186

AN ACT to amend "An act concerning banking and banking institutions (Revision of 1948)," approved April twenty-ninth, one thousand nine hundred and forty-eight (P. L. 1948, c. 67).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section one hundred eighty-one of the act of which this act is amendatory is amended to read as follows: Section amended.

181. Mortgage loans

A–1. A Savings bank may make or invest in mortgage loans in the manner and subject to the limitations prescribed by this section. For the purposes of this section, "mortgage loan" shall include every indebtedness secured by mortgage on real property, or on a lease of the fee of real property (in any case in which such lease is lawful security for such mortgage loan), except as otherwise provided by subsection Q of this section, and a savings bank shall be deemed to have made a mortgage loan when C. 17:9A-181. Investments, mortgage loans.

(a) it lends or participates in lending money to a borrower upon the security of real property; or

(b) it acquires, by purchase or otherwise, a mortgage loan or any share or part of or interest in a mortgage loan which is not subordinate to any share or part thereof or interest therein held by any other person.

A savings bank may sell, assign or otherwise dispose of a share or part of or interest in a mortgage loan held by it to any other person.

A–2. For all purposes of compliance with the applicable provisions and restrictions of subsections D, E, F and G of this section as to the percentage of the mortgage loan to the appraised value of the

mortgaged property, and the term of and rate of amortization of such loan, the date of the acquisition by a savings bank of a mortgage loan or a share or part thereof or interest therein shall, as respects such savings bank, be deemed to be the date as of which the mortgage loan was made, and the unpaid amount of the principal then due shall be deemed to be the amount of such mortgage loan.

B. No savings bank shall make a mortgage loan at any time when the total cost of acquisition by the savings bank of all real property owned by it, other than real property held for the purposes specified in subparagraph (a) of paragraph (5) of section twenty-four, and the total of all principal balances owing to the savings bank on mortgage loans, less all writeoffs and reserves with respect to such real property and mortgage loans, together exceeds, or by the making of such loan will exceed, seventy per centum (70%) of its deposits. For the purposes of this subsection, principal balances owing on mortgage loans made pursuant to subsection Q of this section shall, only to the extent of seventy-five per centum (75%) of such balances, be included in the total of all principal balances owing to the savings bank on mortgage loans.

C. Every mortgage loan shall be evidenced by a note or bond, and shall be secured by a mortgage on the fee of real property located within this State, or, if outside this State, upon the fee of real property located within fifty miles of the principal office of the savings bank. Every mortgage shall be certified to be a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be a first lien by a corporation authorized to guarantee titles to land in such State. For the purposes of this section, a mortgage shall be deemed to be a first lien, notwithstanding the existence of a prior mortgage or mortgages held by the savings bank, or a lien for current taxes or assessments not due or payable at the time the loan is made, and notwithstanding the existence of leases, building restrictions, ease-

ments, encroachments, or covenants which, in the opinion of an officer of the savings bank designated for that purpose by the board of managers, do not materially lessen the value of the real property to be mortgaged.

D. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a one-family dwelling, or upon which such a dwelling is in the course of construction or is to be constructed, the amount of the mortgage loan shall not exceed (a) eighty per centum (80%) of the first fifteen thousand dollars ($15,000.00) of the appraised value of the real property, plus fifty per centum (50%) of the excess, if any, of such appraised value over fifteen thousand dollars ($15,000.00), or (b) sixteen thousand dollars ($16,000.00), whichever is lesser.

E. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a two-, a three-, or a four-family dwelling, or upon which such a dwelling is in the course of construction or is to be constructed, the amount of the mortgage loan shall not exceed eighty per centum (80%) of the first twenty thousand dollars ($20,000.00) of the appraised value of the real property, plus fifty per centum (50%) of the excess, if any, of such appraised value over twenty thousand dollars ($20,000.00).

F. The instrument evidencing a mortgage loan made pursuant to either subsection D or subsection E of this section shall require that

(1) interest shall be paid on such loan monthly, and that equal monthly payments be made in reduction of such loan at an annual rate equal to at least five per centum (5%) of the original amount of such loan; or

(2) that a constant sum be paid monthly in an amount sufficient for current interest and for the payment of the loan in full in not more than twenty years from the making of such loan.

G. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a building or buildings other than dwellings of the nature described in subsections D and E of this section, or upon which such other buildings are in the course of construction or are to be constructed, the amount of the mortgage loan shall not exceed sixty-six and two-thirds per centum (66⅔%) of appraised value of such real property. The instrument evidencing a mortgage loan made pursuant to this subsection shall require that the loan be repaid in full in not more than ten years from the date it is made; and (a) if the amount of such loan, when made, exceeds fifty per centum (50%) of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least two per centum (2%) of the original amount of such loan; or (b) if the amount of such loan, when made, does not exceed fifty per centum (50%) of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least one per centum (1%) of the original amount of such loan. When, however, the amount of such loan does not, when made, exceed fifty per centum (50%) of the appraised value of such real property, and the instrument evidencing such loan requires that it be paid in full in not more than five years from the date it is made, the instrument need not require that any payment be made in reduction of such loan prior to its maturity date.

H. When the real property offered as security for a mortgage loan is of the nature described in subsections D or E of this section, and the amount of the loan does not exceed sixty-six and two-thirds per centum (66⅔%) of the appraised value of such real property, the instrument evidencing such loan shall be sufficient if it conforms to the requirements of either subsection F or subsection G of this section.

I. A mortgage loan may be made for the purpose of enabling a borrower to construct a building or buildings upon real property owned by him, and in such a case, the appraised value of the real property shall include the value of the building or buildings to be constructed, but at no time shall a greater sum be advanced on account of such loan than, in the opinion of (1) the appraisers hereinafter provided for, or (2) one of such appraisers and an officer of the savings bank designated for that purpose by the board of managers, is warranted by the state of completion of the buildings in process of construction. For the purposes of compliance with the applicable requirements of subsections F or G of this section as to the term of and the rate of amortization of a loan made pursuant to this section, such loan shall be deemed to have been made when the final advance shall be made to the borrower on such loan, or eighteen months from the date of the mortgage securing such loan, whichever is earlier.

J. When the real property offered as security for a mortgage loan consists of unimproved land, and the proceeds of such loan are not to be used to construct a building on such land, the amount of such loan shall not exceed thirty per centum (30%) of the appraised value of such real property. The instrument evidencing a loan made pursuant to this subsection shall require that such loan be paid in full in not more than five years from the date it is made. No loan made pursuant to this subsection shall exceed ten thousand dollars ($10,000.00), or one-quarter of one per centum (¼ of 1%) of the deposits of the savings bank, whichever is greater; nor shall any such loan be made at any time when the total of all such loans exceeds, or if the making of such loan would cause such total to exceed one per centum (1%) of the deposits of the savings bank.

K. No mortgage loan shall be made except upon a certificate signed by two or more appraisers who shall be either members of the board of managers

or such other persons as the board of managers shall designate. The certificate shall certify that the appraisers have inspected the real property to be mortgaged, shall set forth or incorporate by reference all factors which, in their judgment, are materially determinative of the value of the real property, and shall disclose as separate items the value placed upon land and upon improvements, if any. The appraisers shall also certify that, in their opinion, the real property furnishes adequate security for the amount of the loan to be made. The certificate shall be filed with the permanent records of the savings bank, and shall be preserved until the savings bank has no interest, as mortgagee or otherwise, in the real property.

L. Purchase money mortgage loans made by a savings bank on the sale of real property owned by it shall not be subject to the preceding subsections or to subsection P of this section, except that such loans shall be included in determining whether the total amount of mortgage loans held by a savings bank exceeds seventy per centum (70%) of its deposits.

M. In addition to the mortgage loans authorized by the preceding subsections of this section, a savings bank may make mortgage loans secured by

(1) a mortgage which is a first lien upon the lease of the fee of real property in this State of a camp meeting association; *provided,*

(a) that the real property is subject to no lien or encumbrance other than such lease, or of the character permissible under subsection C of this section;

(b) that the lease shall have an unexpired term of not less than twenty-five years, or shall be renewable to the lessee, his heirs and assigns, for a term of not less than twenty-five years;

(c) that the camp meeting association has consented to the making of such mortgage loan;

(d) that the amount of such loan shall not exceed sixty-six and two-thirds per centum (66⅔%) of the appraised value of the leasehold estate; and

(e) that the commissioner has approved the making of such loans by savings banks upon leases of real property of such camp meeting association;

All the provisions of this section shall be applicable to loans made pursuant to this subsection except to the extent that such provisions are inconsistent with this subsection.

N. The instrument evidencing a mortgage loan may be in such form, and may contain such provisions, not inconsistent with law, as the savings bank may choose to insert for the protection of its lien and the preservation of its interest in the real property mortgaged to it.

O. Notwithstanding the limitations prescribed by the preceding subsection or by subsection P of this section, a savings bank may

(1) for the purposes of preventing or mitigating loss, or of preserving the lien of its mortgage, or of conserving the value of the real property affected by its mortgage, (a) extend the time for the payment of principal or interest, (b) modify or waive any of the terms or conditions of the instrument evidencing a mortgage loan, (c) settle or compromise all or part of the amount due or to grow due on a mortgage loan, (d) sell or assign the mortgage loan, or a share or part thereof or interest therein, for such consideration as it shall deem proper, and (e) advance funds for the payment of any tax, lien, charge or claim whatsoever; and

(2) make a loan in addition to an existing mortgage loan or loans held by it, upon the security of the same real property and secured by the existing mortgage or mortgages, in an amount not in excess of fifteen hundred dollars

($1,500.00) or ten per centum (10%) of the then appraised value of the property, whichever is less; *provided, however,* that no such additional loan shall be made which shall increase the total amount due upon such mortgage over the amount which could be loaned upon the security of such real property in relation to its then appraised value after giving effect to the expenditure of such additional loan for any of the purposes hereinbelow specified; *and provided,* (a) that the proceeds of such additional loan are used for the repair, rehabilitation, improvement, or alteration of or additions to such real property, and (b) that, beginning within one year after its date, such additional loan shall be payable in equal monthly installments at a rate sufficient to pay such loan in full in not more than five years from its date or at the maturity of the existing mortgage, whichever shall be earlier. If so provided in the original mortgage or a supplement or amendment thereto, persons who acquire any rights in or liens upon the mortgaged real property subsequent to the recording of the original mortgage or such supplement or amendment, as the case may be, shall hold such rights and liens subject to the prior lien of the original mortgage and such supplement or amendment, if any, as security for such additional loan; and in such case, no title certificate or insurance under subsection C of this section shall be required with respect to such additional loan.

Proviso.

P. Except as otherwise provided by this section, no savings bank shall make a mortgage loan if the making of such loan would cause the total of all unpaid balances of such loans held by the savings bank upon the security of the same real property or leasehold, to exceed the limitations imposed by this section upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

Q. A savings bank may invest in

(1) (a) veterans' loans made pursuant to Title III of the act of Congress of June twenty-second, one thousand nine hundred and forty-four, known as the "Servicemen's Readjustment Act of 1944," as amended, supplemented, revised or recodified from time to time, which the Administrator of Veterans' Affairs or other officer or agency which succeeds to his powers and functions under said act, has insured or guaranteed or has made a commitment to insure or guarantee, to the extent and in the manner provided in said act or the regulations made thereunder; and

(b) veterans' loans made and insured or guaranteed in part as provided in paragraph (1) (a) of this subsection of this section, and, as to the balance thereof, insured or guaranteed by an insurer or guarantor named or described in paragraph (2) of this subsection of this section.

(c) The provisions and restrictions contained in this section, except those relating to the percentage of the mortgage loan to the appraised value of the real property, the term of the loan and the rate of amortization, shall apply to investments made pursuant to paragraph (1) of this subsection of this section.

(2) (a) mortgages or deeds of trust or other securities of the character of mortgages which are first liens on the fee of real property or a lease of the fee of real property, wherever located, which (i) the United States, or (ii) the Federal Housing Commissioner under the act of Congress of June twenty-seventh, one thousand nine hundred and thirty-four, known as the "National Housing Act," as amended, supplemented, revised or recodified from time to time, or other officer or agency which succeeds to his powers and functions, or (iii) the State of New Jersey or an officer or agency thereof, or (iv) any other officer or agency of the United States or of this State which the commissioner shall have ap-

proved for the purposes of this section as an insurer or gurantor, has fully insured or guaranteed or made a commitment to fully insure or guarantee.

(b) mortgages or deeds of trust or other securities made pursuant to paragraph two (a) of this subsection of this section shall not be subject to the provisions and restrictions of this section, except that they shall be included in determining whether total mortgage investments are within the limitation prescribed by subsection B of this section.

C. 32:1-158. Extent of consent as to obligations.

2. The foregoing consent does not extend to suits, actions or proceedings upon any causes of action whatsoever accruing before the effective date of this act, other than causes of actions upon, in connection with, or arising out of notes, bonds or other obligations or securities secured by a pledge of the general reserve fund of the Port Authority.

Such registration licenses shall be issued to qualified persons annually by the New Jersey State Board of Public Accountants, and each such license shall state that the holder thereof has complied with the statutory requirements and is authorized to make audits of accounts of school districts of the State of New Jersey until January first following unless sooner canceled as herein provided. The proceedings shall be summary upon the petition and affidavits in reply thereto, and the final order shall finally dis-

pose of the right to exercise the privileges so licensed.

If in the course of the hearing it shall be necessary to refer the same to a master to determine the facts as to accounts or to hear the same by production of the books and accounts of school districts, the hearing need not then be confined to the reading of the petition and affidavits supporting the petition and in reply thereto, and in such case the finding of the court shall be as in other cases upon the report of a master after reference.

C. 18:5-65.10. Penalty.

10. Any person who shall make, or begin to make, any audit of accounts of any school district as required by this act, contrary to the provisions hereof, or without a license therefor in full force and effect, shall be liable to a penalty of one hundred dollars ($100.00) for every audit of account so made, to be recovered in an action of law instituted by the State Board of Public Accountants in any court having jurisdiction.

C. 18:5-65.11. Report signed by auditor, not to employ nonlicensed auditors.

11. All reports of audit of accounts of school districts shall be signed by the auditor or accountant making the audit or in charge of the same, holding a license as herein provided, whether such audit or statement of account is made by any person employing such auditor or accountant, or otherwise, and the licensing or the revocation of the license of any such auditor shall not be construed to affect the contracting with any school district by any person employing auditors or accountants; but upon the revocation of the license of an auditor or accountant, for the purposes herein specified and authorized, such person shall not employ in such work such auditors or accountants but only such persons as may be licensed as herein required, except that the auditor or accountant whose license may have been revoked may be employed in a subordinate capacity.

If any person shall willfully employ any person not holding a license in full force and effect as auditor or accountant in school district work within the purview of this act, the Commissioner of Education

may direct the school districts to refuse to employ such person in such work during the continuance of such violation.

C. 18:5-65.12. Act effective.

17:38–1. No policy of insurance or endorsement thereto against loss or damage from the sickness or the bodily injury or death of the insured by accident shall be issued or delivered in this State by any insurance company to any resident thereof until a copy of the form thereof, classification of risks and premium rates pertaining thereto and form of application therefor have been filed with the Commissioner of Banking and Insurance. If the commissioner shall at any time notify any company of his disapproval of any such policy form, application or endorsement because (1) the benefits are unreasonable in relation to the premium charged, or (2) such policy, application or endorsement contains provisions which are unjust, unfair, inequitable, misleading, contrary to law or to the public policy of this State, or (3) the policy is sold in such manner as to mislead the insured, or (4) insurance under such policy is being solicited by any means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the policy, specifying particulars, it shall be unlawful for such company thereafter to issue any policy or endorsement or use any application in the form so disapproved. Such disapproval of the commis- Copy of policy form filed with commissioner, disapproval.

sioner may be reviewed by a proceeding in lieu of the prerogative writs.

C. 17:38-13.1. Required statements in policy.

2. (A) No such policy of insurance shall be delivered or issued for delivery to any person in this State unless:

(1) the entire money and other considerations therefor are expressed therein; and

(2) the time at which the insurance takes effect and terminates is expressed therein; and

(3) it purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policyholder, any two or more eligible members of that family, including husband, wife, dependent children or any children under a specified age which shall not exceed nineteen years and any other person dependent upon the policyholder; and

(4) the style, arrangement and over-all appearance of the policy give no undue prominence to any portion of the text, and unless every printed portion of the text of the policy and of any endorsements or attached papers is plainly printed in light-faced type of a style in general use, the size of which shall be uniform and not less than ten-point with a lower-case unspaced alphabet length not less than one hundred and twenty-point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description if any, and captions and subcaptions); and

(5) the exceptions and reductions of indemnity are set forth in the policy and, except those which are set forth in section three of this act, are printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such as "exceptions," or "exceptions and reductions," provided that if an exception or reduction specifically applies only to a particu-

lar benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies; and

(6) each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and

(7) it contains no provision purporting to make any portion of the charter, rules, constitution, or by-laws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the commissioner.

(B) If any policy is issued by an insurer domiciled in this State for delivery to a person residing in another State, and if the official having responsibility for the administration of the insurance laws of such other State shall have advised the commissioner that any such policy is not subject to approval or disapproval by such official, the commissioner may by ruling require that such policy meet the standards set forth in subsection (A) of this section and in section 3.

3. (A) Required provisions.

C. 17:38-13.2. Required provisions.

Except as provided in paragraph (C) of this section each such policy delivered or issued for delivery to any person in this State shall contain the provisions specified in this subsection in the words in which the same appear in this section; *provided, however*, that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

(1) A provision as follows:

Entire contract; changes: This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

(2) A provision as follows:

Time limit on certain defenses: (a) After three years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such three-year period.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial three-year period, nor to limit the application of section 3 (B), (1), (2), (3), (4) and (5) in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "incontestable":

After this policy has been in force for a period of three years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become in-

contestable as to the statements contained in the application.)

(b) No claim for loss incurred or disability (as defined in the policy) commencing after three years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(3) A provision as follows:

Grace period: A grace period of..... (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision,

subject to the right of the insurer to cancel in accordance with the cancellation provision hereof.

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision,

Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted,).

(4) A provision as follows:

Reinstatement: If any renewal premium be not paid within the time granted the insured

for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; *provided, however,* that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.)

(5) A provision as follows:

Notice of claim: Written notice of claim must be given to the insurer within twenty

days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at.....(insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall, at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.)

(6) A provision as follows:

Claim forms: The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving

of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

(7) A provision as follows:

Proofs of loss: Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ninety days after the termination of the period for which the insurer is liable and in case of claim for any other loss within ninety days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

(8) A provision as follows:

Time of payment of claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid .....(insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

(9) A provision as follows:

Payment of claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

(The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding $..... (insert an amount which shall not exceed $1,000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.)

(10) A provision as follows:

Physical examinations and autopsy: The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

(11) A provision as follows:

Legal actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

(12) A provision as follows:

Change of beneficiary: Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

(The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.)

(B) Other provisions.

Except as provided in paragraph (C) of this section, no such policy delivered or issued for delivery to any person in this State shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section; *provided, however,* that the insurer may, at its option, use in lieu of any such provision a corresponding provision of

different wording approved by the commissioner which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

(1) A provision as follows:

Change of occupation: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro-rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the State official having supervision of insurance in the State where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effec-

tive by the insurer in such State prior to the occurrence of the loss or prior to the date of proof of change in occupation.

(2) A provision as follows:
Misstatement of age: If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

(3) A provision as follows:
Other insurance in this insurer: If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for .....(insert type of coverage or coverages) in excess of $..... (insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to his estate.

or, in lieu thereof:

Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to the one such policy elected by the insured, his beneficiary or his estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

(4) A provision as follows:
Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the

loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro-rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

(If the foregoing policy provision is included in a policy which also contains the next following policy provision there shall be added to the caption the foregoing provision the phrase "—Expense Incurred Benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other State of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall

in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage.")

(5) A provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and for the return of such portion of the premium paid as shall exceed the pro-rata portion for the indemnities thus determined.

(If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase "—Other Benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other State of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision

with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage.")

(6) A provision as follows:

Relation of earnings to insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or his average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro-rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of two hundred dollars or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

(The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other State of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.)

(7) A provision as follows:

Unpaid premium: Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

(8) A provision as follows:

Cancellation: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice.

In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short-rate table last filed with the State official having supervision of insurance in the State where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro-rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

(9) A provision as follows:

Conformity with State statutes: Any provision of this policy which, on its effective date, is in conflict with the statutes of the State in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

(10) A provision as follows:

Illegal occupation: The insurer shall not be liable for any loss to which a contributing cause was the insured's commission of or attempt to commit a felony or to which a contributing cause was the insured's being engaged in an illegal occupation.

(11) A provision as follows:

Intoxicants and narcotics: The insurer shall not be liable for any loss sustained or contracted in consequence of the insured's being intoxicated or under the influence of any narcotic unless administered on the advice of a physician.

(C) Inapplicable or inconsistent provisions.

If any provision of this section is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy the insurer, with the approval of the commissioner, shall

omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(D) Order of certain policy provisions.

The provisions which are the subject of subsections (A) and (B) of this section, or any corresponding provisions which are used in lieu thereof in accordance with such subsections, shall be printed in the consecutive order of the provisions in such subsections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy, with other provisions to which it may be logically related, provided the resulting policy shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered or issued.

(E) Third party ownership.

The word "insured," as used in this act, shall not be construed as preventing a person other than the insured with a proper insurable interest from making application for and owning a policy covering the insured or from being entitled under such a policy to any indemnities, benefits and rights provided therein.

(F) Requirements of other jurisdictions.

(1) Any policy of a foreign or alien insurer, when delivered or issued for delivery to any person in this State, may contain any provision which is not less favorable to the insured or the beneficiary than the provisions of this act and which is prescribed or required by the law of the State under which the insurer is organized.

(2) Any policy of a domestic insurer may, when issued for delivery in any other State or country, contain any provision permitted or required by the laws of such other State or country.

(G) Filing procedure.

The commissioner may make such reasonable rules and regulations concerning the procedure for the filing or submission of policies subject to this act as are necessary, proper or advisable to the administration of this act. This provision shall not abridge any other authority granted the commissioner by law.

C. 17:38-13.3. Other provisions.

4. (A) Other policy provisions.

No policy provision which is not subject to section 3 of this act shall make a policy, or any portion thereof, less favorable in any respect to the insured or the beneficiary than the provisions thereof which are subject to this act.

(B) Policy conflicting with this act.

A policy delivered or issued for delivery to any person in this State in violation of this act shall be held valid but shall be construed as provided in this act. When any provision in a policy subject to this act is in conflict with any provision of this act, the rights, duties and obligations of the insurer, the insured and the beneficiary shall be governed by the provisions of this act.

C. 17:38-13.4. Effect of statements made by insured.

5. (A) The insured shall not be bound by any statement made in an application for a policy unless a copy of such application is attached to or endorsed on the policy when issued as a part thereof. If any such policy delivered or issued for delivery to any person in this State shall be reinstated or renewed, and the insured or the beneficiary or assignee of such policy shall make written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall within fifteen days after the receipt of such request at its home office or any branch office of the insurer, deliver or mail to the person making such request, a copy of such application. If such copy shall not be so delivered or mailed, the insurer shall be precluded from introducing such application as evidence in any action or proceeding based

upon or involving such policy or its reinstatement or renewal.

(B) No alteration of any written application for any such policy shall be made by any person other than the applicant without his written consent, except that insertions may be made by the insurer, for administrative purposes only, in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant.

(C) The falsity of any statement in the application for any policy covered by this act may not bar the right to recovery thereunder unless such false statement materially affected either the acceptance of the risk or the hazard assumed by the insurer.

C. 17:38-13.5. Waiver of rights of insurer.

6. The acknowledgment by any insurer of the receipt of notice given under any policy covered by this act, or the furnishing of forms for filing proofs of loss, or the acceptance of such proofs, or the investigation of any claim thereunder shall not operate as a waiver of any of the rights of the insurer in defense of any claim arising under such policy.

C. 17:38-13.6 **Provisions** concerning **age.**

7. If any such policy contains a provision establishing, as an age limit or otherwise, a date after which the coverage provided by the policy will not be effective, and if such date falls within a period for which premium is accepted by the insurer or if the insurer accepts a premium after such date, the coverage provided by the policy will continue in force subject to any right of cancellation until the end of the period for which premium has been accepted. In the event the age of the insured has been misstated and if, according to the correct age of the insured, the coverage provided by the policy would not have become effective, or would have ceased prior to the acceptance of such premium or premiums, then the liability of the insurer shall be limited to the refund, upon request, of all premiums paid for the period not covered by the policy.

C. 17:38-13.7. Discrimination prohibited.

8. Discrimination between individuals of the same class in the amount of premiums or rates charged for any policy of insurance covered by this chapter, or in the benefits payable thereon, or in any of the terms or conditions of such policy, or in any other manner whatsoever is prohibited.

C. 17:38-13.8. Act not to apply.

9. Nothing in this act shall apply to or affect (1) any policy of workmen's compensation insurance or any policy of liability insurance with or without supplementary expense coverage therein; or (2) any policy or contract of reinsurance; or (3) any blanket or group policy of insurance; or (4) life insurance, endowment or annuity contracts, or contracts supplemental thereto which contain only such provisions relating to accident and sickness insurance as (a) provide additional benefits in case of death or dismemberment or loss of sight by accident, or as (b) operate to safeguard such contracts against lapse, or to give a special surrender value or special benefit or an annuity in the event that the insured or annuitant shall become totally and permanently disabled, as defined by the contract or supplemental contract.

C. 17:38-13.9. Penalty.

10. Any company, corporation, association, society or other insurer or any officer or agent thereof, which or who issues or delivers to any person in this State any policy in willful violation of the provisions of this chapter shall be punished by a fine of not more than five hundred dollars ($500.00) for each offense, and the commissioner may revoke the license of any company, corporation, association, society or other insurer of another State or country, or of the agent thereof, which or who willfully violates any provision of this chapter.

C. 17:38-13.10. Constitutionality.

11. If any section, subsection, subdivision, paragraph, sentence or clause of this act is held invalid or unconstitutional, such decision shall not affect the remaining portions of this act.

C. 17:38-13.11. Act operative.

12. Section one of this act shall become operative on the effective date of this act. After the effective date of this act, any insurance company issuing in-

surance policies or endorsements thereof covered by this act may file with the Commissioner of Banking and Insurance a written notice of its election to comply with the provisions of sections two to eleven of this act, both inclusive, after a specified date before January first, one thousand nine hundred and fifty-seven and after the filing of such notice and after such specified date, said sections shall become operative with respect to the policies thereafter issued by said company in place and stead of sections 17:38–2 to 17:38–13 of the Revised Statutes, both inclusive, but sections two to eleven of this act, both inclusive, shall become operative as to all insurance companies issuing such insurance policies on January first, one thousand nine hundred and fifty-seven and sections 17:38–2 to 17:38–13 of the Revised Statutes, both inclusive, shall be repealed upon said date.

C. 17:38-13.12. Act effective.

13. This act shall take effect on January first, one thousand nine hundred and fifty-two.

Approved June 18, 1951.

CHAPTER 238

AN ACT relating to counties of this State, validating certain elections therein making operative the provisions of the act entitled "An act concerning county parks, playgrounds, and recreation places, and supplementing chapter thirty-seven of Title 40 of the Revised Statutes," approved May third, one thousand nine hundred and forty-six (P. L. 1946, c. 276), and ratifying certain appointments and other acts or things made, undertaken, performed or done pursuant to said act.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Validates elections concerning county parks, etc.

1. Whenever heretofore an election has been held in any county of this State at which the ques-

tion of the adoption and approval or rejection of the act of the Legislature of the State of New Jersey entitled "An act concerning county parks, playgrounds, and recreation places, and supplementing chapter thirty-seven of Title 40 of the Revised Statutes," approved May third, one thousand nine hundred and forty-six (P. Proviso.

(c) Future rates based on benefit experience: (1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January thirty-first of any calendar year with respect to employment occurring in preceding calendar years. But nothing in this chapter shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid to any individual on or before January thirty-first of any calendar year with respect to unemployment in preceding calendar years shall be charged against the account of each of the employers with whom such individual accrued the wage credits constituting the basis of such benefits, in the same proportion as such wage credits with each such employer bear to such wage credits with all such employers. The Division of Employment Security shall furnish to each employer at such frequency as the division shall, by regulation, prescribe, but in no case less frequently than annually, a detailed statement of benefits charged to his account.

(2) The Division of Employment Security may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) Each employer's rate shall be two and seven-tenths per centum (2 7/10%), except as otherwise provided in the following provisions: No employer's rate shall be other than two and seven-tenths per centum (2 7/10%) unless and until there shall have been three calendar years throughout which any individual in his employ could have received benefits if eligible.

(4) Each employer's rate for the twelve months commencing July first of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(A) Two and four-tenths per centum (2 4/10%), if such excess equals or exceeds four per centum (4%), but is less than five per centum (5%) of his average annual payroll (as defined in paragraph (2), subsection (a) of section 43:21–19 of this Title);

(B) Two and one-tenth per centum (2 1/10%), if such excess equals or exceeds five per centum (5%), but is less than six per centum (6%) of his average annual payroll;

(C) One and eight-tenths per centum (1 8/10%), if such excess equals or exceeds six per centum (6%), but is less than seven per centum (7%) of his average annual payroll;

(D) One and five-tenths per centum (1 5/10%), if such excess equals or exceeds seven per centum (7%), but is less than eight per centum (8%) of his average annual payroll;

(E) One and two-tenths per centum (1 2/10%), if such excess equals or exceeds eight per centum (8%), but is less than nine per centum (9%), of his average annual payroll;

(F) Nine-tenths of one per centum (9/10 of 1%), if such excess equals or exceeds nine per centum (9%), but is less than ten per centum (10%), of his average annual payroll;

(G) Six-tenths of one per centum (6/10 of 1%), if such excess equals or exceeds ten per centum (10%), but is less than eleven per centum (11%), of his average annual payroll;

(H) Three-tenths of one per centum (3/10 of 1%), if such excess equals or exceeds eleven per centum (11%) of his average annual payroll.

If the total of his contributions, paid on his own behalf, for all past periods, or for the past one hundred twenty consecutive calendar months, whichever period is more advantageous to such employer for the purposes of this paragraph, is less than the total benefits charged against his account during the same period, his rate shall be three per centum (3%).

(5) (A) If on March thirty-first of any calendar year the balance in the Unemployment Trust Fund equals or exceeds four per centum (4%) but is less than seven per centum (7%) of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by three-tenths of one per centum (3/10 of 1%) over the contribution rate

otherwise established under the provisions of paragraph (4) of this subsection. If on March thirty-first of any calendar year the balance of the Unemployment Trust Fund is less than four per centum (4%) of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by six-tenths of one per centum (6/10 of 1%) over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection; *provided,* that if on such March thirty-first, such balance is less than two and one-half per centum (2½%) of such total taxable wages, the contribution rate so effective, of any employer, shall be not less than two and seven-tenths per centum (2 7/10%); *provided, further,* that the contribution rate of any employer increased pursuant to the provisions of this subparagraph, when so increased, shall not exceed three and six-tenths per centum (3 6/10%).

Proviso.

(B) If on March thirty-first of any calendar year the balance in the Unemployment Trust Fund equals or exceeds ten per centum (10%) but is less than twelve and one-half per centum (12½%) of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by three-tenths of one per centum (3/10 of 1%) under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; *provided,* that in no event shall the contribution rate of any employer be reduced to less than three-tenths of one per centum (3/10 of 1%). If on March thirty-first of any calendar year the balance in the Unemployment Trust Fund equals or exceeds twelve and one-half per

centum (12½%) of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July first following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by six-tenths of one per centum (6/10 of 1%) if his account reflects an excess of contributions paid over total benefits charged of three per centum (3%) or more of his average annual payroll, otherwise by three-tenths of one per centum (3/10 of 1%) under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; *provided,* that in no event shall the contribution rate of any employer be reduced to less than three-tenths of one per centum (3/10 of 1%).

Any such additional contribution shall be made during the thirty-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the director for not to exceed an additional sixty days; *provided,* that in no event may such payments which are made later than one hundred twenty days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and fail-

Transfers.

(7) Transfers.

An employer who transfers his or its organization, trade, assets or business, in whole or in part, to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The Division of Employment Security may allow such transfer of employment experience pursuant to regulations adopted by the division, only if it finds that the employment experience of the predecessor employer with respect to the organization, trade, assets or business, or part thereof, as the case may be, which has been transferred, may be considered indicative of the future employment experience of the successor in interest. In the event of a part transfer of an employer's organization, trade, assets or business, only that portion of the employment experience relating to the portion of the organization, trade, assets or business transferred shall be transferred, and credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred. A transfer of the employment experience in whole or in part having been applied for and approved by the Division of Employment Security, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case

may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter.

(d) Contribution of workers; transfer to temporary disability benefit fund.

(1) Each worker shall contribute to the fund one per centum (1%) of his wages paid by an employer with respect to his employment which occurs after December thirty-first, one thousand nine hundred and thirty-seven, and after such employer has satisfied the conditions set forth in subsection (h) of section 43:21–19 of this Title with respect to becoming an employer; *provided, however,* that such contribution shall be at the rate of one-fourth of one per centum (¼ of 1%) of wages paid with respect to employment on and after January first, one thousand nine hundred and forty-nine, while the worker is covered by an approved private plan under the Temporary Disability Benefits Law or while the worker is exempt from the provisions of the Temporary Disability Benefits Law under section seven of that law. Each employer shall, notwithstanding any provisions of the law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction of his payroll records, shall furnish such evidence thereof to his workers as the division may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the Division of Employment Security in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contribu-

tions, and for the purposes of section 43:21–14 of this Title, such contributions shall be treated as employer's contributions required from him. As used in this chapter, except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(2) There shall be deposited in and credited to the State disability benefits fund, as the same shall be established by law, three-quarters of all worker contributions, received by the Division of Employment Security pursuant to subparagraph (1) above on and after April first, one thousand nine hundred and forty-eight, or the date this subparagraph takes effect, whichever is later, with respect to wages upon which the rate of contributions is one per centum (1%) as provided in (1) above.

(3) If an employee receives wages from more than one employer during any calendar year after the calendar year one thousand nine hundred and fifty, and either the sum of his contributions deposited in and credited to the State disability benefits fund (in accordance with subparagraph (d) (2) hereof) plus the amount of his contributions, if any, required towards the cost of benefits under one or more approved private plans under the provisions of section nine of the "Temporary Disability Benefits Law" and deducted from his wages, or the sum of such latter contributions if the employee is covered, during such calendar year, only by two or more private plans, exceeds twenty-two dollars and fifty cents ($22.50), the employee shall be entitled to a refund of the excess if he makes claim to the Division of Employment Security within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the Division of Employment Security from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The division shall, in accordance with prescribed regulations, deter-

mine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section nine of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund as provided in subparagraph (d) (1) with respect to coverage under private plans to the total of wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund as provided in subparagraph (d) (2). The division shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bears to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of Revised Statutes, section 43:21–14 with respect to collection of employer contributions shall apply to such assessments. The amounts so recovered by the division shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit or in the absence of such an employing unit, from such individual, in a civil action for debt; *provided,* proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such

individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter or to cease to be an employer subject to this chapter, pursuant to the provisions of section 43:21–8 of this Title, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the Division of Employment Security as herein provided, shall be exempt from garnishment, attachment, execution, or other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits funds.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute one-quarter of one per centum (¼ of 1%) of the wages paid by such employer to workers with respect to employment after January first, one thousand nine hundred and forty-nine. Such contributions shall become due and be paid by each employer to the Division of Employment Security for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent ($0.005) or more, in which case it shall be increased to one cent ($0.01).

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the Temporary Disability Benefits Law, the employer shall be exempt from the contribution required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July first, one thousand nine hundred and fifty-one.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January first, one thousand nine hundred and forty-nine. Each employer's account shall be credited with all contributions paid on or before January thirty-first of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the Temporary Disability Benefits Law on or before January thirty-first of any calendar year with respect to disability in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed if out of employment.

(C) The division may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July first of each calendar year, the Division of Employment Security shall make a preliminary determination of the rate of contri-

bution for the twelve months commencing on such July first for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be one-quarter of one per centum (¼ of 1%) unless on the preceding December thirty-first such employer shall have been a covered employer for at least two full years and his account shall have been credited with at least fifteen hundred dollars ($1,500.00) of employer and employee contributions.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than five hundred dollars ($500.00), such preliminary rate shall be as follows:

(i) Two-tenths of one per centum (2/10 of 1%) if such excess over five hundred dollars ($500.00) exceeds one per centum (1%) but is less than one and one-quarter per centum (1¼%) of his average annual payroll (as defined in this chapter);

(ii) Fifteen one hundredths of one per centum (15/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one and one-quarter per centum (1¼%) but is less than one and one-half per centum (1½%) of his average annual payroll;

(iii) One-tenth of one per centum (1/10 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one and one-half per centum (1½%) of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than five hundred dollars ($500.00) plus one per centum (1%) of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than five hundred dollars ($500.00), the preliminary rate shall be one-quarter of one per centum (¼ of 1%).

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than five hundred dollars ($500.00), such preliminary rate shall be as follows:

(i) Thirty-five one hundredths of one per centum (35/100 of 1%) if such excess over five hundred dollars ($500.00) is less than one-quarter of one per centum (¼ of 1%) of his average annual payroll;

(ii) Forty-five one hundredths of one per centum (45/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one-quarter of one per centum (¼ of 1%) but is less than one-half of one per centum (½ of 1%) of his average annual payroll;

(iii) Fifty-five one hundredths of one per centum (55/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one-half of one per centum (½ of 1%) but is less than three-quarters of one per centum (¾ of 1%) of his average annual payroll;

(iv) Sixty-five one hundredths of one per centum (65/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds three-quarters of one per centum (¾ of 1%) but is less than one per centum (1%) of his average annual payroll;

(v) Seventy-five one hundredths of one per centum (75/100 of 1%) if such excess over five hundred dollars ($500.00) equals or exceeds one per centum (1%) of his average annual payroll.

(5) Determination of the preliminary rates as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than one-tenth of one per centum (1/10 of 1%) of wages or increased by more than two-tenths of one per centum (2/10 of 1%) of wages from the preliminary rate deter-

mined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July first of each calendar year the Division of Employment Security shall determine the amount of the State disability benefits fund as of December thirty-first of the preceding calendar year increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in preceding calendar years and decreased by the benefits paid during January of the current calendar year with respect to disability in preceding calendar years. If such amount exceeds the total of the amounts withdrawn from the unemployment trust fund pursuant to section twenty-three of the Temporary Disability Benefits Law plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section twenty-two of said law), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January thirty-first with respect to employment in the preceding calendar year.

(2) The Division of Employment Security shall then make a final determination of the rates of contribution for the twelve months commencing July first of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (1) of this subsection equals or exceeds one and one-quarter per centum (1¼%) the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D) (2) or (D) (3) hereof, the final employer rate shall be the preliminary

employer rate decreased by such percentage of excess taken to the nearest five one hundredths of one per centum (5/100 of 1%), but in no case shall such final rate be less than one-tenth of one per centum (1/10 of 1%).

(ii) If the percentage determined in accordance with paragraph (1) of this subsection equals or exceeds three-quarters of one per centum (¾ of 1%) and is less than one and one-quarter of one per centum (1¼ of 1%), the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (1) of this subsection is less than three-quarters of one per centum (¾ of 1%), the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between three-quarters of one per centum (¾ of 1%) and such percentage taken to the nearest five one hundredths of one per centum (5/100 of 1%); *provided, however,* that no such final rate shall be more than one-quarter of one per centum (¼ of 1%) in the case of an employer whose preliminary rate is determined as provided in (D) (2) hereof, more than one-half of one per centum (½ of 1%) in the case of an employer whose preliminary rate is determined as provided in (D) (1) and (D) (3) hereof, nor more than three-quarters of one per centum (¾ of 1%) in the case of an employer whose preliminary rate is determined as provided in (D) (4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (1) of this subsection is equal to or less than the total of the amounts withdrawn from the unemployment trust fund pursuant to section twenty-three of the Temporary Disability Benefits Law plus the amount at the end of the

preceding calendar year of the unemployment disability account, then the final rate shall be three-quarters of one per centum (¾ of 1%) for all employers.

This act shall take effect immediately.

3. The State Agency, with the approval of the Governor, is hereby authorized to enter on behalf of the State into an agreement with the Federal Security Administrator, consistent with the terms and provisions of this act, for the purpose of extending the benefits of the Federal old-age and survivors insurance system to employees with respect

to services specified in such agreement which constitute "employment." Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration, and other appropriate provisions as the State Agency and Federal Security Administrator shall agree upon, but, except as may be otherwise required by or under the Social Security Act as to the services to be covered, such agreement shall provide in effect that:

(1) Benefits will be provided for employees whose services are covered by the agreement (and their dependents and survivors) on the same basis as though such services constituted employment within the meaning of Title II of the Social Security Act;

(2) The several employers other than the State shall pay to the State Agency and the State Agency shall in turn pay to the Secretary of the Treasury the amounts severally due on behalf of the State and of such other employers, at such time or times as may be prescribed under the Social Security Act, contributions with respect to wages (as defined in section two of this act), equal to the sum of the taxes which would be imposed by sections 1400 and 1410 of the Federal Insurance Contributions Act if the services covered by the agreement constituted employment within the meaning of that act;

(3) Such agreement shall be effective with respect to services in employment covered by the agreement performed after a date specified therein but in no event may it be effective with respect to any such services performed prior to the first day of the calendar year in which such agreement is entered into or in which the modification of the agreement making it applicable to such services, is entered into;

(4) All services which constitute employment as defined in section two and are performed in the employ of the State by employees of the State, shall be covered by the agreement;

(5) All services which constitute "employment" as defined in section two and performed by the employees of any employer other than the State in this State and are covered by a plan which is in conformity with the terms of the agreement and has been approved by the State Agency shall be covered by the agreement.

C. 43:22-4. Employee's contributions.

4. (a) Every employee of the State whose services are covered by an agreement entered into under section three shall be required to pay for the period of such coverage, into the Contribution Fund established by section six, contributions, with respect to wages (as defined in section two of this act), equal to the amount of tax which would be imposed by section 1400 of the Federal Insurance Contributions Act if such services constituted employment within the meaning of that act. Such liability shall arise in consideration of the employee's retention in the Service of the State, or his entry upon such service, after the enactment of this act.

(b) The contribution imposed by this section shall be collected by deducting the amount of the contribution from wages as and when paid, but failure to make such deduction shall not relieve the employee from liability for such contribution.

(c) If more or less than the correct amount of the contribution imposed by this section is paid or deducted with respect to any remuneration, proper adjustments, or refund if adjustment is impracticable, shall be made, without interest, in such manner and at such times as the State Agency shall prescribe.

C. 43:22-5. Approval of plan of employer other than State agency.

5. (a) Each employer other than the State coming within the provisions of this act is hereby authorized to submit for approval by the State Agency a plan for extending the benefits of Title II of the Social Security Act, in conformity with applicable provisions of such act, to employees of such employer. Each such plan and any amendment thereof shall be approved by the State Agency if it finds that such plan, or such plan as amended, is in

conformity with such requirements as are provided in regulations of the State Agency, except that no such plan shall be approved unless:

(1) it is in conformity with the requirements of the Social Security Act and with the agreement entered into under section three;

(2) it provides that all services which constitute employment as defined in section two and are performed in the employ of such employer by employees thereof, shall be covered by the plan;

(3) it specifies the source or sources from which the funds necessary to make the payments required by paragraph (1) of subsection (c) and by subsection (d) are expected to be derived and contains reasonable assurance that such sources will be adequate for such purpose;

(4) it provides for such methods of administration of the plan by such employer as are found by the State Agency to be necessary for the proper and efficient administration of the plan;

holders of such county may, by resolution, establish and designate the name and style above quoted as the corporate name and style of such Sanitary Sewer District Authority. Whenever "the county" is hereinafter referred to "the county" shall mean the county whose board of chosen freeholders established the sewerage district. Whenever an "authority" or the "authority" is hereinafter referred to "authority" shall mean a Sanitary Sewer District Authority of a county created as provided by this act.

Use of terms.

A sewerage district whenever established shall be deemed to be the district of the authority created by the establishment of the district.

The commissioners first to be appointed shall be appointed at, or immediately following, the time of the adoption of the resolution establishing the sewerage district.

The commissioners first appointed shall hold office, one for one year, one for two years, three for three years, one for four years and one for five years. Upon the expiration of the term of office of any commissioner, his successor shall be appointed by the board of chosen freeholders of the county for the term of three years. Any vacancy occurring by death, resignation or otherwise, shall be filled for the unexpired term only, in the same manner in which the original appointment was made. Where five commissioners were first appointed and thereafter two additional commissioners shall be appointed so as to constitute an authority consisting of seven members instead of five members, each of the two additional commissioners shall be appointed by the said board of chosen freeholders for the term of three years. In the event that an authority consisting of seven

Section amended.

2. Section fifty-four of the act of which this act is amendatory is amended to read as follows:

C. 40:36A-54. Empowered to issue bonds and notes, issuing details, validity, limitations.

54. An authority shall have power and is hereby authorized, from time to time, to issue its negotiable bonds and, in anticipation thereof, its notes, (a) for the purpose of providing for the cost of the construction of its district sewer system as defined (but not as limited) by subdivision (e) of section thirty and (b) for the purpose of refunding any bonds or notes of the authority including the payment of any redemption premium and any interest accrued or to accrue to the date of redemption of the bonds or notes to be refunded and any interest to accrue on any bonds or notes (including the said bonds or notes issued for such purpose) prior to the end of the fiscal year beginning next after the issuance of the said bonds or notes issued for such purpose and (c) for the purposes hereinafter in this section provided, or for any one or more of the aforesaid purposes. Such bonds or notes shall be authorized by resolution of such authority adopted only after public hearing thereon by such authority held not less than ten days after notice of such hearing advertised in a newspaper published at the county seat of the county. Any such bonds or notes may be sold by such authority in the manner or mode of procedure prescribed for the sale of bonds or notes, respectively, of a county by article one of chapter one of the Title, Municipalities and Counties, of the Revised Statutes (R. S. 40:1–1 et seq.), but if any such bonds are not so sold, they shall be sold only at public sale upon sealed proposals after at least seven days' notice published at least once in a publication carrying municipal bond notices and devoted primarily to financial news or the subject of State and municipal bonds

published in New York City, to the bidder on whose bid the total loan may be made at the lowest net cost, such net cost to be computed, as to each bid, by adding to the total principal amount of the bonds which the bidder offers to accept, the total interest which will be paid under the terms of the bid, and deducting therefrom the amount bid for the bonds which shall not exceed by more than one thousand dollars ($1,000.00) the par value of the bonds offered for sale. Such bonds may be issued in one or more series, and shall bear such date or dates, mature at such time or times in accordance with this section not exceeding forty years from their date, be in such denominations and in such form either coupon or registered, carry such registration privileges, and be executed in such manner as may be determined in said resolution of such authority, and shall bear interest at such rate or rates not exceeding six per centum (6%) per annum payable at such time or times, be payable at such place or places and be subject to such terms of redemption with or without premium as may be determined in said resolution of such authority or by subsequent resolution or resolutions which may be adopted by such authority prior to the issuance of such bonds and without advertisement or public hearing. The maturities of the bonds of any such series shall either be so arranged that the total amount payable in any year on account of principal and interest thereof shall not exceed by more than one-half the total amount payable on account of such principal and interest in any prior year other than the first four years next ensuing after their issuance, or be so arranged that the total amount payable in any year on account of principal and interest on all bonds of the authority then outstanding, including the bonds of such series, shall not exceed by more than one-half the total amount payable on account of such principal and interest in any prior year other than years preceding the fifth year next ensuing after the issuance of the bonds of such series. Notes issued

hereunder may be renewed, but all such notes, including renewals thereof, shall mature and be paid not more than five years from the date of the original notes. The bond issues authorized and issued by an authority may provide for raising all sums deemed by the authority to be necessary to pay the total cost of its district sewer system to be constructed as defined (but not as limited) by subdivision (e) of section thirty, and to meet any revised estimate thereof made subsequent to preparation of the project report, including any deficits, salaries, working capital, contingency or other reserves, repayment of moneys advanced for administrative expenses, and temporary borrowing, up to the beginning of the first fiscal year of the authority as set forth in section forty-four, and, in addition, to provide and establish all such reserves for any of the foregoing purposes or for payment or security of principal or interest on such bonds or for administrative, operating, maintenance or other expenses or working capital as the authority may deem desirable for or with respect to periods before or after the beginning of such fiscal year. Should an authority authorize or issue any bonds for the purposes herein provided and after using the proceeds of said bonds for the purposes provided in the resolution authorizing said bond issue, there remain an unexpended balance of the proceeds of said bond issue, then such unexpended balance shall be used to retire the last due bonds. After the beginning of the first fiscal year as provided in section forty-four of this act, no bond issue shall be authorized to pay for the maintenance, operating or other current expenses of an authority, but this provision shall not prevent the issuance of bonds or notes for the purpose of refunding bonds or notes as hereinabove provided. The validity and regularity of the proceedings taken by an authority pursuant to this section for the issuance of such bonds or notes and the obligation of the authority to pay such bonds or notes and interest thereon, and to perform the covenants con-

tained in such bonds or notes or such proceedings, shall not be dependent on or affected by the validity or regularity of any other proceedings taken, contracts entered into, acts performed, or things done by such authority, or by any municipality, private sewer company or industry. No resolution authorizing the issuance of any bonds pursuant to this section shall be finally passed if it appears that the aggregate of all bonds of such authority then outstanding, including those authorized by such resolution, exceeds (a) ten per centum (10%) of the assessed valuation of real property (including improvements) for the preceding year in the municipalities which have signed contracts with such authority pursuant to section fifty hereof as shown on the annual debt statements last filed in or by such municipalities pursuant to sections 40:1–75 et seq. of the Revised Statutes, plus (b) the amount of the proceeds of the bonds authorized by such resolution and of any other moneys of the authority which, under the terms of such resolution or of any other resolution of the authority previously adopted, are required to be applied to the purchase, or to the refunding or payment of the principal, of bonds of the authority outstanding at the time of passage of such resolution authorizing the issuance of bonds.

3. This act shall take effect immediately.

Approved June 22, 1951.

Such treasurer shall give to the district the bond of a surety company, authorized by the Department of Banking and Insurance to do business in this State, in such sum as the district commissioners shall approve, conditioned for the faithful discharge of the duties of his office, which bond shall be filed with the board of water commissioners, the premium thereon to be paid by the district.

C. 40:62-105.36. Audit of treasurer's books.

36. The treasurer shall cause his books to be audited at least once a year within thirty days after the expiration of the fiscal year and the secretary shall cause such audit to be advertised at least

twice in a newspaper published in the municipality of which the district is part and if there is no newspaper published in said municipality, then in a newspaper circulating in said district. If the secretary shall neglect or refuse to publish the audit within five days after the first regular meeting subsequent to the delivery of the report to said board, he shall forfeit and pay the sum of one hundred dollars ($100.00) which shall be recovered by an action at law by any person who shall bring suit for the same, one-half of which shall go to such person and one-half to the treasury of the district.

C. 40:62-105.37. Procedure for enlarging district.

37. The township committee of any township in which there shall have been created a water district may by ordinance enlarge any such water district by extending the boundaries thereof to include therein as part thereof additional lands situate within the township and not then being within the boundaries of any water district. Such action shall not be taken until at least ten freeholders of the portion of the township proposed to be included within the extended boundaries of such water district shall first make application in writing to the township committee for the adoption of such ordinance. Such application shall set forth the boundaries of the land proposed to be added to such water district.

C. 40:62-105.38. To comprise water district.

38. Upon the adoption and publication of such ordinance by the township committee in the manner required by law, such water district shall thereafter for all purposes comprise the lands originally laid off and also such additional lands as shall be added thereto by such ordinance.

C. 40:62-105.39. Enlargement of district not to affect tenure of commissioners.

39. The enlargement of any water district under the provisions of sections thirty-seven and thirty-eight of this act shall not affect the terms or tenure of office of the water commissioners or other officers of such water district, nor shall it prejudice in any manner the bonds and obligations, if any, of such water district.

C. 40:62-105.40. Dissolution of district.

40. The township committee of any township wherein a water district shall have been organized may, by resolution authorized in the manner provided in section forty-one of this act, dissolve and abolish said water district. Upon the adoption of such resolution the water district shall be dissolved and abolished, and any moneys remaining in the hands of the treasurer of such water district shall be turned over to the treasurer of such township.

C. 40:62-105.41. Requirements for dissolution.

41. The resolution provided for in section forty of this act shall not be adopted except upon the written application of at least twenty freeholders of such water district. Upon receipt of such application the township committee shall fix a time and place for the hearing of such application and shall cause the clerk of such township to give notice of the time and place when a hearing will be given thereon. Such notice shall be published at least once in a newspaper circulating in the township, at least five days before the holding of said meeting. At the time and place so designated such township committee shall hear all parties desiring to be heard, and at such meeting or at an adjournment thereof the resolution shall be adopted or rejected.

C. 40:62-105.42. Refund of water district tax.

42. The township committee may cancel or refund without interest to any person having paid the same any water district tax or any part thereof levied upon property in any water district which has been abolished, but the total amount which may be refunded shall not exceed the amount of money in the township treasury arising from appropriations made by said water district before it was abolished.

All refunds so made pursuant to this section shall be charged against the account of said water district.

C. 40:62-105.43. Legality of tax, refund.

43. Where the legality of the organization of any township water district is questioned upon the ground that such water district was never laid off by metes and bounds by the township committee, and the collection of taxes for water purposes assessed and levied in any such water district is

resisted upon that ground by twenty or more persons upon whose real or personal estate any such taxes have been assessed and levied, and no evidence or recital of the laying off of any such water district appears upon the records of such township, the township committee, upon the written application for such action by said twenty or more persons, may abate and remit all such taxes not paid and may authorize in writing the township collector to refund to the several persons who have paid the same all of such taxes in his hands, and upon such written authority such township collector shall refund to the several persons who have paid the same all of such taxes in his hands.

C. 40:62-105.44. District deemed abolished.

44. Whenever the territory included within the bounds of any water district shall have been divided and formed into or made parts of two or more new municipalities and no part of such district remains in the township of which such district when originally formed was a part, such water district shall be deemed to be abolished and the terms of office of the commissioners thereof terminated.

C. 40:62-105.45. Allotment of property, money, to new municipalities, procedure.

45. The governing bodies of such new municipalities and the treasurer or person having the custody of the funds and securities of such water district shall meet at a convenient place to be designated by the clerk of either of such new municipalities upon ten days' notice mailed to or served personally upon each of the members of such governing bodies and such treasurer or custodian, and shall then and there proceed to allot and divide between or among such municipalities all property, real and personal, money on hand, due or to become due, in proportion to the aggregate value of the buildings and contents which each shall take from the limits of such water district as ascertained from the last assessment for raising money for said water district. The result of such allotment and division shall be reduced to writing and show the amount of the funds on hand to be paid and transferred by said treasurer or custodian or said

water district commissioners to each of said governing bodies and be signed by a majority of the members of said governing bodies present, and the inhabitants of said respective municipalities shall be liable to pay their proportion of the debts of said water district. A majority of the persons comprising such governing bodies shall constitute a quorum and may proceed to make the said division, and their decision shall be final and conclusive. Said meeting may be adjourned to such time and place within either of such municipalities as a majority of those present may deem proper. The amount to be paid or the property to be transferred to each municipality having been ascertained as aforesaid the said treasurer or custodian and said water district commissioners shall forthwith pay and transfer said funds to the treasurer or custodian of the funds of said municipalities in the manner ascertained and directed.

CHAPTER 281

AN ACT to amend the "cigarette tax act," approved April twenty-ninth, one thousand nine hundred and forty-eight (P. L. 1948, c. 65).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

1. Section two hundred two of the act of which this act is amendatory is amended to read as follows: Section amended.

202. Issuance of license; fee. C. 54:40A-4. Issuance of license, fee.

All licenses shall be issued by the director, who shall make rules and regulations respecting applications therefor and issuance thereof. The director may refrain from the issuance of any license under this act where he has reasonable cause to believe that the applicant has willfully withheld information requested of him for the purpose of determining the eligibility of the applicant to receive a license, or where he has reasonable cause to believe that information submitted in the application is false or misleading and is not made in good faith. Each such license shall lapse on the last day of June of the period for which it is issued through and including the year one thousand nine hundred and fifty-two; thereafter each license shall lapse on the last day of March of the period for which it is issued, and each such license shall be continued annually upon the conditions that the licensee shall have paid the required fee and complied with all the provisions of this act and the rules and regulations of the director made pursuant thereto.

For each license issued to a distributor, and for each continuance thereof, there shall be paid to the director a fee of two hundred fifty dollars ($250.00). If a distributor sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate li-

cense shall be required for each place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director. The director shall require each licensed distributor to file with him a bond in an amount not less than one thousand dollars ($1,000.00) to guarantee the proper performance of his duties and the discharge of his liabilities under this act. The bond shall be executed by such licensed distributor as principal, and by a corporation approved by the director and duly authorized to engage in business as a surety company in the State of New Jersey, as surety. The bond shall run concurrently with the distributor's license.

For each license issued to a wholesale dealer, and for each continuance thereof there shall be paid to the director a fee of one hundred dollars ($100.00). If a wholesale dealer sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate license shall be required for each place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director.

For each license issued to a vendor and for each continuance thereof, there shall be paid to the director a fee of twenty-five dollars ($25.00). If the vendor stores or intends to store cigarettes at two or more places of business, whether established or temporary, a separate license shall be required for each place of business. Each license or certificate thereof and such other evidence of license shall be exhibited in the place of business for which it is issued, and in such manner as may be prescribed by the director.

For each license issued to a retail dealer and for each continuance thereof, excepting a retail dealer operating a cigarette vending machine, there shall be paid to the director a fee of five dollars ($5.00).

For each license issued to a retail dealer operating a vending machine for the sale of cigarettes, and for each continuance thereof, there shall be paid to the director a fee of one dollar ($1.00). If a retail dealer sells or intends to sell cigarettes at two or more places of business, whether established or temporary, or whether in the same building or not, a separate license shall be required for each place of business. Each vending machine for the sale of cigarettes shall be separately licensed and be deemed a separate place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director.

Any person licensed only as a distributor or as a wholesale dealer or as a vendor or as a retail dealer shall not operate in any other capacity except under that for which he is licensed herein, unless the appropriate license or licenses therefor are first secured.

For each license issued to a consumer and for each continuance thereof there shall be paid to the director a fee of one dollar ($1.00). Each license, or certificate thereof, or such other evidence of license as may be prescribed by the director, shall be so kept by the consumer as to be readily available for inspection.

No license shall be issued to any person except upon the payment of the full fee therefor, any statute or exemption to the contrary notwithstanding. No license shall be assignable or transferable, except as hereinafter provided, but in the case of death, bankruptcy, receivership, or incompetency of the licensee, or if for any other reason whatsoever the business of the licensee shall devolve upon another by operation of law, the director may, in his discretion, extend said license for a limited time to the executor, administrator, trustee, receiver, or person upon whom the same has devolved. The license issued for each vending machine for the

sale of cigarettes may be transferred from machine to machine in the same ownership. No refund of the license fee shall be paid to any person upon the surrender or revocation of any license except a license fee paid or collected in error. But, upon payment of a fifty-cent ($0.50) fee, there may be obtained (1) a duplicate license, or certificate thereof, in the event the original is lost, destroyed or defaced, and (2) an amended license, or certificate thereof, upon a change in the location of the place of business of any distributor or dealer.

(a) Upon and after completion of a storage reservoir on the West Branch of the Delaware river near Cannonsville, New York, sufficient water

shall be released from the aforesaid reservoir to maintain a minimum flow in the Delaware river, as measured at the stream gaging station at Port Jervis, New York, of at least one thousand eight hundred cubic feet per second.

(b) Upon and after completion of storage reservoirs on the West Branch of the Delaware river near Cannonsville, New York, on the main channel of the Delaware river near Barryville, New York, and on the Neversink river near Godeffroy, New York, sufficient water shall be released from the system consisting of the three aforesaid reservoirs to maintain a minimum flow in the Delaware river, as measured at the stream gaging station at Trenton, New Jersey, of at least four thousand cubic feet per second.

(c) Upon and after completion of storage reservoirs on the West Branch of the Delaware river near Cannonsville, New York, on the main channel of the Delaware river near Barryville, New York, on the Neversink river near Godeffroy, New York, and on the main channel of the Delaware river near Wallpack Bend, sufficient water shall be released from the system consisting of the four aforesaid reservoirs to maintain a minimum flow in the Delaware river, as measured at the stream gaging station at Trenton, New Jersey, of at least four thousand eight hundred cubic feet per second.

The intent and purpose of the requirements of paragraphs (b) and (c) of this article are to provide for a flow at all times of at least four thousand cubic feet per second, or at least four thousand eight hundred cubic feet per second, as the case may be, from the nontidal section of the Delaware river above Trenton into the tidal section of the Delaware river below Trenton. Accordingly, the requirements for the flow of at least four thousand cubic feet per second, or at least four thousand eight hundred cubic feet per second, at Trenton may be reduced by the commission in such a manner as to carry out this intent and purpose in the event the commission is called upon to utilize

a part of the waters which would otherwise flow in the Delaware river at Trenton as a source of water supply for the city of Philadelphia and other political subdivisions and metropolitan areas in the greater Philadelphia-South Jersey area which are situated wholly within the Delaware river basin.

(h) Any pledge of revenues or other moneys made by the commission shall be valid and binding from the time when the pledge is made; the revenues or other moneys so pledged and thereafter received by the commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the commission, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be filed or recorded except in the records of the commission.

2. The following provisions shall be applicable to an issue of bonds authorized or issued by the commission, only if the resolution of the commission authorizing or providing for the issuance of such bonds shall provide in substance that the holders of the bonds of such issue shall be entitled to the benefits and be subject to the provisions of this paragraph two:

(5) declare all such bonds due and payable, whether or not in advance of maturity, upon thirty days' prior notice in writing to the commission and if all defaults shall be made good, then with the consent of the holders of twenty-five per centum (25%) of the principal amount of such bonds then outstanding, annul such declaration and its consequences.

(c) Before declaring the principal of all such bonds due and payable the statutory trustee shall first give thirty days' notice in writing to the commission.

(d) Any such statutory trustee, whether or not the issue of bonds represented by such trustee has been declared due and payable, shall be entitled as of right to the appointment of a receiver of any part or parts of the property of the commission the revenues derived from which property are pledged for the security of the bonds of such issue and such receiver may enter and take possession of such part or parts of such property and subject to any pledge or agreement with bondholders shall take possession of all moneys and other property derived from or applicable to the construction, operation, maintenance and reconstruction of such part or parts of such property and proceed with any construction thereon which the commission is under obligation to do and to operate, maintain and reconstruct such part or parts of the property and collect and receive all revenues thereafter arising therefrom subject to any pledge thereof or agreement with bondholders relating thereto, and perform the public duties and carry out the agreements and obligations of the commission under the direction of the court. 3. Notes issued in anticipation of bonds shall be paid from any moneys of the commission available therefor and not otherwise pledged or from the

Dismissals resulting from such reduction shall not be by reason of residence, age, sex, marriage, race, religion or political affiliation. In computing length of service within the district, the time of service by such superintendents, supervising principals, assistant superintendents, principals or teachers in or with the military or naval forces of the United States of America or of this State subsequent to September first, one thousand nine hundred and forty, shall be credited in determining seniority under this act as though such superintendents, supervising principals, assistant superintendents, principals or teachers had been regularly employed within the district during the time of such military service. Should any superintendent, supervising principal, assistant superintendent, principal or teacher under tenure be dismissed as a result of such reduction such person shall be and remain upon a preferred eligible list in the order of seniority for re-employment whenever vacancies occur and shall be

fiscal year; *provided, however,* that the association, instead of making such division among the member and nonmember patrons in cash, may keep a permanent record from which the proportionate shares due to members and nonmembers can be determined, as part of a reserve for patrons' revolving capital fund, which may be evidenced by certificates of equity, and, in the case of nonmembers, such shares may be made applicable toward the purchase price of a share or shares of stock or of a membership in the association. Proviso.

In calculating the amount to be paid to nonstockholders, upon whom liability for the debts of the association has not been imposed, as authorized by section 4:13–30 of this Title, such sum shall be deducted as in the opinion of the directors is a reasonable charge in lieu of such liability.

C. 4:13-37. Proclamation and publication of list.

9. The Secretary of State shall, upon receipt of such a list, cause the names so certified to be compared with his records, and if error is discovered he shall cause necessary corrections therein to be made by the Department of Agriculture. He shall

then make a proclamation under his hand and seal of office as to the co-operative associations whose names are included in such list as finally corrected, declaring such co-operative associations dissolved and their charters forfeited, pursuant to the provisions of this act. He shall file the original proclamation in his office, and shall publish a copy thereof in the issue of the pamphlet laws next following the making of said proclamation.

C. 4:13-38. Association deemed dissolved.

10. Upon publication of such proclamation in the manner aforesaid, each association named therein shall be deemed dissolved without further legal proceedings.

C. 4:13-39. County clerks to receive lists.

11. The Secretary of State shall mail a copy of such proclamation as printed in the pamphlet laws to the clerk of each county in the State, and to each co-operative association whose name appears in the proclamation addressed to the principal office of the association as stated in the certificate of incorporation. The county clerk shall file the copy received by him without charge but need not record it.

C. 4:13-40. Names reserved.

12. The names of all co-operative associations so dissolved shall be reserved for a period of three months immediately following the publication of the proclamation by the Secretary of State, as if the association were still in existence.

C. 4:13-41. Certificate of compliance; effect, fee.

13. If any such association so dissolved shall file with the Secretary of State before the expiration of three months a certificate of compliance of the Department of Agriculture that all required reports of the co-operative association have been filed with that department, it shall have the effect of annulling all of the proceedings theretofore taken for the dissolution of such co-operative association under the provisions of this act, and such association shall thereupon have such corporate powers, rights, duties and obligations as it had on the date of the publication of the proclamation with the same force and effect as if such proclamation had not been made or published. The fee of the Secretary of State for filing such certificate shall

be five dollars ($5.00), and of the Department of Agriculture for issuance of the certificate of compliance, five dollars ($5.00).

C. 4:13-42. Notice published.

14. Whenever a co-operative association shall have obtained a certificate of compliance and have filed the same in the office of the Secretary of State, the Secretary of State shall publish a notice thereof in the next succeeding issue of the pamphlet laws, and shall send a copy of such notice as published to the county clerk of the county in which, according to his records, the principal office of the association is located. C. 2:53-33. Alternate proceedings in certain cases.

5. Alternate proceedings in certain cases. In addition to the procedure provided for the escheat generally of personal property as defined in this act, the following alternate proceeding may be had in certain cases defined herein whereby the State may take into its protective custody property consisting of cash, dividends, interest or wages owed by any corporation organized or doing business under the laws of this State, belonging to any person remaining unknown, or whose whereabouts is unknown, or whose property remains unclaimed as defined herein for a period of five successive years, and after such period of protective custody has expired then proceed to escheat such property to the State.

The corporation or other person aforesaid may, at or before the time fixed for hearing, file an answer showing cause why it or he should not deliver such moneys to the State Treasurer for safekeeping. If an answer is filed, the court shall, after

hearing, either grant the application or enter such other order as shall be equitable and just. If no answer is filed, the court shall, at the time fixed for hearing, grant the application.

C. 2:53-35. Moneys delivered upon service of order.

7. Upon the entry of an order granting the application, a copy of such order shall be served upon the corporation, or other person aforesaid, who shall forthwith deliver the said moneys to the State Treasurer, together with a list of the individual amounts, the names, if known to the corporation or other person aforesaid, of the owners or beneficial owners of, or persons entitled to, such moneys, the last-known address of such person, and any other information it may have relating to the last-known address of any person having an interest in, together with any other information relating to, such personal property or the whereabouts of such owner.

C. 2:53-36. Mailing of notices.

8. The State Treasurer shall thereupon mail a letter or post card to each person named in the list, to his last-known address, as shown by such list, informing him that the State Treasurer holds such moneys in the amount designated in the list as his property, for the benefit of the person therein named, and that if said person does not, in writing, make claim to such moneys within two years from the date of such notice, a proceeding will be instituted to escheat such moneys to the State in conformity with the act. The State Treasurer shall also mail a similar notice to the Attorney-General of the State where such person had his last-known address, if such address is without the State of New Jersey, advising him to present any claim that such State might have to such money. If a claim is made to the State Treasurer within such period of two years, and he shall determine that the claim is valid, he shall pay the moneys so claimed to the person entitled thereto. If the State Treasurer shall determine that the claim is not valid, he shall reject the claim. The claimant may thereupon appeal to the Superior Court, Chancery Division, and the claim shall thereupon be heard and determined, de novo.

C. 2:53-37. Payment to operate as release.

9. The payment of the said moneys by the corporation or other person to the State Treasurer pursuant to the provisions of this act shall, as respects such moneys, automatically operate as a full, absolute and unconditional release and discharge of the corporation or other person from any and all claims, demands or liability to the persons whose moneys have been paid to the treasurer, and such payment may be pleaded as an absolute bar to any action brought against such corporation or other person by any person whatsoever. Any right to such moneys which any claimant may have shall thereby be transferred against, and shall become the obligation of, the State.

C. 2:53-38. Money to escheat to State.

Proviso.

(7) Any economic poison which is adulterated or misbranded.

(b) It shall be unlawful:

(1) For any person to detach, alter, deface, or destroy, in whole or in part, any label or labeling provided for in this act, or by regulations promulgated hereunder, or to add any substance to, or take any substance from, an economic poison in any manner which may defeat the purposes of this act.

If, upon receipt of such notice, the registrant insists that such corrections are not necessary and requests in writing that the article be registered, the State Chemist shall register the article, under protest, and such registration shall be accompanied by a warning, in writing, to the registrant of the apparent failure of the article to comply with the provisions of this act, or the rules and regulations issued thereunder.

Any party so notified shall be given an opportunity to be heard under such rules and regulations as may be prescribed by the State Chemist. If it appears after such hearing that any such violation shall have occurred, the State Chemist may certify the facts to the director and furnish him with a copy of the results of the examination of such sample duly authenticated by the analyst or other officer making the examination under the oath of such analyst or officer for the institution of such proceedings, if any, under this act as the director may determine upon.

(b) Nothing in this act shall be construed as requiring the State Chemist to report minor violations of this act, for the institution of proceedings under this act, or as requiring the director to institute proceedings under this act in such case, when-

ever the State Chemist or the director believes that the public interest will be adequately served in the circumstances by a suitable written notice or warning.

C. 4:8A-7. Penalties not to apply.

7. (a) The penalties provided for violations of section three (a) of this act shall not apply to:

After such hearing held at the time and place specified in said notice of meeting the sewerage commissioners shall fully consider such detailed maps, plans and specifications and may, by a majority vote, reject or adopt or modify said detailed maps, plans and specifications which adoption or modification shall not become effective until after submission of such detailed maps, plans and specifications to the Commissioner of Health of the State of New Jersey and their approval thereof.

The sewerage commissioners, after approval of the detailed maps, plans, and specifications by the Commissioner of Health of the State of New Jersey, shall then cause an estimate of the cost of con-

struction of said approved sewerage system to be made and shall thereafter, not less than four months from the date of the hearing held by them, set a time, which shall be a Saturday between the hours of one o'clock in the afternoon and nine o'clock in the evening prevailing time, and a place, which time and place shall be advertised for at least two weeks prior to the time fixed by advertising same in a newspaper published or circulating in the township within which said district is situated, by at least two insertions to be made therein once in each week, and by posting said advertisement in five of the most public places within such district, stating when and where the legal voters of the district shall determine by ballot by not less than fifty-one per centum (51%) of such legal voters, whether or not there shall be constructed within such district a sewer, sewers or system of sewerage in accordance with the submitted and approved detailed maps, plans and specifications, at a cost not in excess of the maximum amount of the received cost estimate which amount is to be stated in the notice of advertisement published and posted and whether or not bonds in an aggregate amount not exceeding the said cost estimate which shall include engineering, legal, advertising and such incidental expenses as may be necessary, shall be issued by said district to finance the cost thereof. Such election shall be conducted by the respective district boards of registry and election and the township clerk shall notify and convene such boards.

Should a majority of the legal voters vote in favor of the construction of a sewer or sewers or system of sewerage in accordance with the submitted and approved detailed maps, plans and specifications at a cost not to exceed the estimated cost and in favor of issuing bonds therefor by said district and said majority shall constitute at least fifty-one per centum (51%) of the eligible legal voters, then it shall be deemed that said vote shall have been in the affirmative; otherwise it shall be deemed in the negative and the sewerage commis-

sioners shall then be without power to proceed with said construction or bond issuance and shall be further deemed to have vacated their office except as hereinafter provided and said sewerage district shall be deemed to be incomplete and have failed of creation. No new district may thereafter be formed or created without full compliance with the provisions of this act as amended and supplemented.

In the event the vote shall be in the affirmative, it shall be the duty of the clerk of the board of sewerage commissioners to prepare and mail a notice thereof to the known taxpayers of all real property within the district, as shown by the tax duplicate. The notice shall state in general terms the boundaries of the district, the nature and estimated maximum cost of the improvement, the method of financing such cost to the extent that it may then be known, and the results of the election as aforesaid. The notice shall state that any taxpayer may file objections to the proposed sewer improvement in writing which must be received by the township collector of taxes within twenty days of the date of mailing of the notice. The township collector of taxes shall provide the clerk of the board of sewerage commissioners with an accurate list of all names and addresses of the taxpayers in the district as shown by the tax duplicate, and the said clerk shall make and file an affidavit of mailing with the township collector of taxes, stating the date upon which the notices required by this section were mailed. After twenty days from the date so stated in the affidavit, the township collector shall forthwith make and file his certificate stating the value of real property, as shown by the tax duplicate, represented by objections received by him in accordance with the foregoing notice. If the township collector shall certify that taxpayers representing less than fifty-one per centum (51%) of the taxable real property of the district, as shown by the tax duplicate, have filed objections, the organization of the district shall be deemed

complete and it shall have full power to proceed as otherwise provided in this act. If the collector shall certify that taxpayers representing fifty-one per centum (51%) or more of the value of real property in the district, as shown by the tax duplicate, have filed objections as herein provided, the said sewerage district shall be deemed to have failed of creation. No new district may thereafter be formed or created without full compliance with the provisions of this act as amended and supplemented.

The sewerage commissioners shall have power, notwithstanding the foregoing provisions, to adopt, with the approval of the State Commissioner of Health, any modifications, amendments or additions to the detailed maps, plans and specifications which the commissioners subsequently determine to be necessary to meet unforeseen conditions; *provided* that such action shall not increase the maximum estimated cost which has been authorized by the voters at such election except as may be otherwise provided by this act or any amendments or supplements thereto.

In the event the sewerage district shall fail of creation by the vote of the legal voters or due to objection by eligible taxpayers in accordance with the proceedings hereinabove outlined, then it shall be the duty of the sewerage commissioners before their office shall be deemed to have been vacated, to certify the cost of the proceedings had to the date of the determination of the failure to create such sewerage district to the Board of Tax Assessors of the township who shall assess such cost upon the property situate within the sewerage district attempted to be created, which assessment shall be certified to the tax collector by the Board of Assessors and shall be a lien upon the real and personal property within the alleged sewerage district and be payable the same as other taxes are paid and which sum, so collected, shall be dedicated to the payment of the bills incurred by the sewerage commissioners before their office shall have

been deemed to have been vacated as hereinabove set forth.

If the sewerage district organization shall have been completed as hereinabove provided and the said sewerage commissioners shall deem it necessary for the efficient sewerage of such district, or any part thereof, to construct an outlet sewer or sewers to tide or other waters, or to an outlet or disposal works, either within or outside of such sewerage district, or to connect any such outlet sewer or sewers with the sewerage system of any sewerage district or municipality, it shall be lawful for them to do so under the provisions of this section.

In case it shall be necessary to take and occupy lands either within or without the bounds of such sewerage district, it shall be lawful for the commissioners thereof to take and appropriate and use for this purpose, so far as may be necessary, any land, or interest in land, within or without the limits of said district, and to acquire by purchase or condemnation any land, or interest in land, in such district, or any other municipality needed for that purpose. And the said commissioners shall have power to contract with any other sewerage district or municipality in the State for the right to use the sewerage system, or disposal works of such sewerage district or municipality on such terms and conditions and at such cost to such sewerage district as may be agreed upon, and to the making and performance of such agreement or contract the said sewerage district or municipal corporations are hereby fully empowered; *provided, however,* that no disposal works of any kind shall be located beyond the territorial limits of such sewerage district without the consent of the governing body of the municipality in which the same is located, evidenced by a resolution duly entered on the minutes of such governing body. Proviso.

The sewerage commissioners elected as herein provided shall, prior to the issuance of any bonds or the levy of any taxes or special assessments for

benefits pursuant to said acts, appoint a time and place at which the commissioners will meet and hear any complaint which may be made by any resident or person owning or having an interest in any property included in the district. A notice stating the time, place and purpose of such hearing shall be published once in a newspaper published or circulating in the township and posted in five of the most conspicuous public places in the district not less than twenty days prior to the date of the hearing. The commissioners shall hear all evidence offered in support of any such complaint and shall, after giving due consideration thereto, change or alter the boundaries of the district so as to exclude therefrom all property which may receive no substantial benefit from the sewer or sewers, or system of sewerage, with the appurtenances, proposed to be constructed therein.

Section amended.

4. Section four of chapter two hundred sixty-nine of the laws of one thousand nine hundred and nine is amended to read as follows:

Temporary notes, issuing details.

4. In order to meet the cost of the construction of any such sewer, sewers, or system of sewerage, the sewerage commissioners of any such district shall have power, in anticipation of the issuance of permanent bonds as provided in this act, to issue temporary improvement notes of the district in an amount not exceeding the maximum amount of bonds the issuance of which has been approved by the legal voters of such district at an election or elections theretofore called and held in the manner provided in this act. Such notes shall be issued by the sewerage commissioners in the corporate name of the district; shall be signed by each of the commissioners, and shall have the corporate seal of the district affixed thereto, attested by the clerk; shall bear interest at a rate not exceeding six per centum (6%) per annum; shall be payable within three years from their respective dates; shall be issued for not less than par; and shall bear such registration and redemption privileges as shall be determined by said commissioners. Such temporary

improvement notes shall be authorized by a resolution or resolutions adopted by a majority vote of said sewerage commissioners, and may be sold at public sale, or at private sale without public offering, in a manner to be determined by said commissioners. The cost of said sewer, sewers, or system of sewerage which may be financed by the issuance of temporary improvement notes or permanent bonds under this act shall include the cost of preparation of maps, plans and specifications; necessary engineering and architect's fees; legal expenses in connection with incorporation of the district and the construction of such sewer, sewers or system of sewerage; interest upon obligations issued to finance such construction to a date not later than six months after the completion of such sewer, sewers, or system of sewerage; advertising, printing, financial and legal expenses in the issuance and sale of any bonds or temporary improvement notes under this act; and a sufficient amount of operating or working funds to place such sewer, sewers or system of sewerage in operation, including the cost of operation and maintenance thereof until the district has established and commenced the collection of rentals or other charges, or has adopted a budget as provided herein to provide for the levying of a general tax within such district to pay all or a part of the cost of such operation and maintenance; *provided, however,* that the period during which the cost of operation and maintenance may be paid from the proceeds of bonds or notes shall not in any event exceed one year from the date of final completion of such sewer, sewers or system of sewerage.

such district, called and held in the manner provided in section two of this act, for the purpose of determining by a vote of the majority of those present and voting whether the entire cost of such improvement shall be paid by taxing the taxable ratables within said district therefor in so far as the rentals or other charges and revenues, if any, derived from the operation of such sewer, sewers or system of sewerage, over and above the annual amounts necessary for the operation and maintenance thereof, shall be insufficient to pay the principal of and interest on bonds or notes issued to finance the cost of such sewer, sewers or system of sewerage, or whether there shall be levied upon the lands and real estate specially benefited by said improvement such part of the cost thereof as may represent the special benefits conferred upon such lands and real estate by such improvement and the remainder of such cost paid by taxing the taxable ratables within said district therefor as provided above; *provided, however,* that in any event the full faith and credit of such districts shall be pledged for the payment of the principal of and interest on any temporary improvement notes or permanent bonds issued to finance the cost of construction of such sewer, sewers or system of sewerage, and all the taxable property within such districts shall be liable for the payment of such temporary improvement notes or permanent bonds, and the interest thereon, without regard to the levy of special assessments, as provided in this section, or the failure of the district to collect such special assessments or to make proper application of such special assessments when collected to the payment of such temporary improvement notes or permanent bonds.

Commissioners of assessment.

In case it shall be determined by such vote that an assessment shall be levied upon the lands specially benefited by such improvement, the sewerage commissioners shall forthwith make application by petition to the Superior Court in the county in which said district shall be located for the ap-

pointment of three commissioners of assessment, who shall be resident freeholders of the county, but shall not be interested in any land within said sewerage district, or otherwise interested in said improvement. They shall, before entering upon their duties, take and subscribe before some officer by law empowered to administer oaths, an oath in which they shall swear that they are not interested in any land within the sewerage district, and not otherwise interested in said improvement, and that they are resident freeholders of the county, and that they will faithfully execute the duties of their office. They shall then ascertain the cost of said improvement, including all damages and awards for the taking of property, the cost of any outlet obtained by purchase, if any, and all lawful expenses, and shall then assess such part of said cost and expenses so ascertained as shall represent the special benefits conferred upon the land and real estate specially benefited by such improvement, and in proportion to the benefit thereby received, and no lot or parcel of land shall be assessed more than is specially benefited, and the excess, or any of such cost and expenses, over and above the amount so assessed upon such land, shall be assessed upon the district at large wherein such improvement shall lie, which assessment shall be manifested by a report in writing, signed by the said commissioners, or any two of them, accompanied by a map showing the lands assessed and the amount assessed upon each lot or parcel of land, the name of the owner or owners of such lots of land, so far as they have become known to said assessment commissioners, and the excess of such cost and expense, if any, assessed upon the district at large, but no assessment shall be deemed defective by reason of any mistake in the names of any of said owners, or by reason of the omission of the names of any of such owners.

Section amended.

6. Section ten of chapter two hundred sixty-nine of the laws of one thousand nine hundred and nine is amended to read as follows:

Empowered to issue bonds, issuing details.

10. For the purpose of financing the cost of the construction of the sewer, sewers or system of sewerage, as defined herein, established under this act, or to pay, fund or refund any temporary improvement notes or other temporary obligations issued under the provisions of section four hereof, said sewerage commissioners of any sewerage district shall have power to issue the negotiable bonds of said district in an amount not exceeding the maximum amount of bonds the issuance of which has been approved by the legal voters of such sewerage district at an election or elections duly called and held in the manner provided in section two of this act. Such bonds may be issued at any time after the vote of the legal voters of such sewerage district approving the issuance thereof, but the issuance of the serial bonds authorized by this section may, in the discretion of the said commissioners, be deferred and said sewer, sewers or system of sewerage temporarily financed by the issuance of the temporary improvement notes provided for in section four hereof. Such bonds shall be in either registered or coupon form, bear such redemption and registration privileges and be in such form otherwise as the sewerage commissioners shall determine; shall be executed by each of the sewerage commissioners and the seal of the district affixed thereto, attested by the clerk, and the coupons attached thereto for interest payments authenticated with the facsimile signature of the clerk. Such bonds shall mature in annual instalments commencing not later than two years from the date of such bonds, and shall mature and be paid not later than forty years from the date of such bonds. No annual instalment shall exceed in amount the amount of the smallest prior instalment by more than fifty per centum (50%); *provided, however,* that such bonds may mature upon a level debt service plan so that the amount of principal

Said bonds shall bear interest at a rate or rates not exceeding six per centum (6%) per annum; shall be sold at not less than par and accrued interest, and may be sold either at public sale or at private sale without public offering in a manner to be determined by said sewerage commissioners; and shall be authorized by a resolution adopted by the majority vote of said sewerage commissioners.

All other provisions of the act to which this act is an amendment and supplement and of this act shall apply, however, to all such bonds or notes hereafter issued, including particularly (without being limited to) sections four, five, eight, ten, eleven and sixteen of the act to which this act is an amendment and supplement, as amended by this act, and sections eight, fourteen, fifteen and sixteen of chapter forty-six of the laws of one thousand nine hundred and forty.

C. 34:8-27. Application, form and contents.

The commissioner shall act upon any application for a license within thirty days after receiving the same, but shall not grant any license until the application therefor shall have been on file for at least one week and notice of the application and opportunity to be heard in the case of the application for an employment agency owner's license shall have been given to every holder of an employment agency owner's license in the county where the proposed agency is to be located, and in the case of an application for an employment agency operator's license similar notice and opportunity shall have been given to every holder of an employment agency owner's license whose agency is located in the same county with the agency by which the applicant is to be employed; *provided,* that the foregoing provisions concerning notice and opportunity to be heard shall not apply in the case of the issuance of a new employment agency operator's license to the holder of such a license as provided for in the second paragraph of section three of this act. The mailing of the notices herein required by first-class mail one week prior to the date on which the commissioner acts on the application shall constitute the giving of the notice required by this paragraph. For the purpose of allowing an applicant to submit additional information, the commissioner may extend the maximum time for acting upon an application from thirty to sixty days.

Proviso.

C. 34:8-28. Applicant to have knowledge of the law and rules, character.

5. Every applicant for an employment agency operator's license under this act shall, by means of such written examination as may be required by the rules and regulations promulgated by the commissioner, reasonably satisfy the commissioner that the applicant has sufficient knowledge of the provisions of this act, the rules and regulations promulgated by the commissioner, and of the labor laws of this State to reasonably insure that any acts performed by him as licensee will be in com-

pliance with the applicable laws and regulations, and further that by means of examination he shall reasonably satisfy the commissioner that he has sufficient knowledge of and experience in relation to the fields of employment specified in his application as will insure his ability to render adequate and efficient service to persons seeking help or employment; *however,* for the purpose of enabling persons to secure experience and knowledge necessary to qualify them as an operator, the commissioner may waive such of the requirements of this paragraph as he deems proper and issue a provisional temporary license authorizing the holder to perform functions requiring a license, when acting under the direct supervision of a duly qualified licensed operator; *provided,* that no such temporary license shall remain in effect for more than one year.

Every applicant for an employment agency owner's license shall furnish such evidence as may be required by the commissioner to satisfy him that the applicant, or in the case of a corporate applicant, its officers and directors, is or are of good moral character. Such evidence shall include the affidavits of at least three reputable citizens of this State who have known the applicant or said officers or directors for a period of at least five years. Every applicant, and every officer and director of a corporate applicant, shall be citizens of the United States and shall furnish proof thereof. Every applicant shall furnish such additional information, concerning himself, or its officers and directors, as may be required by the rules and regulations promulgated by the commissioner for the purpose of assisting him in investigating the character and responsibility of the applicant or its officers and directors.

An applicant for an employment agency operator's license shall furnish information which will reasonably satisfy the commissioner that the applicant has sufficient knowledge of opportunities for employment in this State and of the essential

qualifications of employees in the occupations in which he intends to furnish help or employment.

Requirements.

Any such applicant for an employment agency operator's license shall be:

(1) a citizen of the United States of America, and

(2) of good moral character, attested to by affidavits of not less than two reputable citizens of the State, whose acquaintance with the applicant shall have been for at least one year.

Any applicant for an employment agency operator's license shall with his application submit to the commissioner, in writing, information reasonably establishing that the applicant has had sufficient formal education or the equivalent thereof to enable him to properly keep the records and do the clerical work required by this act.

If the employment agency operator's license is restricted to the furnishing of help or employment in domestic service, the said educational and training qualifications of the applicant shall not be required but the commissioner shall be satisfied that the applicant has had sufficient training or experience to furnish or place domestic help.

The commissioner shall provide for the issuance of, and shall prescribe the form for, the licenses which he is authorized to issue pursuant to this act. The commissioner, by rule promulgated by him, may require licenses to be posted and registration cards to be carried in such cases as he shall determine. All licenses, subject to revocation as provided in this act, shall expire on the first day of January next after their issuance.

C. 34:8-29. Restrictions on places of business.

6. An employment agency shall not be conducted in any of the following places:

(1) Rooms or quarters used for living purposes;

(2) Boarding or lodging houses, rooms or quarters;

(3) Sleeping rooms or quarters.

Where the application is for a license to operate an employment agency in a place used for the conduct of another business, the commissioner may

refuse to grant such license if, in his opinion, such refusal would be in the public interest.

C. 34:8-30. Bond required.

7. Before an employment agency owner's license is issued, the applicant shall deposit with the commissioner a bond in the penal sum of one thousand dollars ($1,000.00), with two or more sureties, or a duly authorized surety company as surety, to be approved by the commissioner.

The bond shall be payable to the State and shall be conditioned that the person applying for the license will comply with this act and will pay all damages occasioned to any person by reason of any misstatement, misrepresentation, fraud or deceit, or any unlawful act or omission of any licensed person, his agents, or employees, while acting within the scope of their employment, made, committed or omitted in the business conducted under the license, or caused by any violation of this act in carrying on the business for which the license is granted. In case of a breach of the condition of any bond, application may be made to the commissioner by the person injured by the breach for leave to sue upon the bond, which leave shall be granted by the commissioner if it be proven to his satisfaction that the condition of the bond has been breached and the party applying has been injured thereby. The person obtaining leave to sue shall be furnished with a certified copy of the bond and institute suit on the bond in his own name for the recovery of damages sustained by such breach.

If at any time, in the opinion of the commissioner, the sureties on any such bond, or any of them, shall become irresponsible, the person holding such license shall, upon notice from the commissioner, give a new bond, subject to the provisions of this section. The failure to give a new bond within ten days after such notice, at the direction of the commissioner, shall operate as revocation of such license, and the license shall be thereupon returned to the commissioner.

C. 34:8-31. Schedule of fees for licenses.

8. The licenses hereunder shall be issued upon an annual basis and the fees therefor shall be as follows:

(1) An employment agency owner's license

(a) In any municipality having a population of 150,000 or more	$120.00
(b) In any municipality having a population of less than 150,000 but not less than 100,000	90.00
(c) In any municipality having a population of less than 100,000 but not less than 50,000	60.00

9. Every licensed employment agency shall:

(1) File with the commissioner in form, approved by him, a schedule of fees proposed to be charged for any service rendered to employers seeking employees and to persons seeking employment; and adhere thereto in charging for such services. Before approving of said fee schedule the commissioner must be satisfied that same is reasonably understandable by persons subject to its terms.

(2) Post such schedule of fees in a conspicuous manner in the office of the agency using such blank forms as the commissioner shall provide for such purpose.

(3) Keep and make available to the commissioner, or his duly authorized representative, during regular business hours, such records containing information pertinent to applications for help or employment, help or employment procured or furnished, advertising for help or employment, fees charged or collected, and to matters incidental and relevant thereto as are required by rules and regulations to enable the commissioner to determine the status of compliance with the provisions of this act.

(4) Requires all applicants for work in private families, or for positions of trust, to furnish the

agency with names and addresses of persons available as character references, and whenever possible communicate, orally or in writing, with at least one of the persons given by the applicant as a character reference. If the applicant has not furnished the names of any persons available as character references, or if no favorable statement has been received from such character references, the agency shall so advise the prospective employer, to whom the applicant is referred. This information shall be written upon the referral slip given by the agency to the applicant for work to present to the prospective employer. A written result of the investigation to determine the character and responsibility of any applicant for help shall be kept on file in the agency subject to examination by the commissioner. If the applicant for help voluntarily waives, in writing, an investigation of references, the licensed agency shall not be required to make such an investigation.

(5) Charge to an employee who is discharged without cause within one week not more than the scheduled fee for temporary employment or not more than ten per centum (10%) of the scheduled fee for permanent employment whichever of the two is the lesser; however, by mutual agreement between the agency and the employee the agency may charge the full fee for the job from which the employee has been discharged without cause and furnish the employee another job for which no charge is to be made.

(6) Charge an applicant who fails to report for duty, after accepting employment, not more than two-fifths of the scheduled fee.

(7) Charge an applicant who leaves employment of his own accord within the first week of employment not more than two-fifths of the scheduled fee.

(8) Reimburse the applicant for transportation expenses if no employment of the kind applied for exists at the place to which the applicant is sent and the licensed agency did not have a bona fide order, either oral or written, from the prospective employer.

New Jersey State Library

(9) If an applicant shall not accept or obtain help or employment through an employment agency to whom he had paid a fee or a part of a fee, the agency shall upon demand repay to the applicant the full amount of any fee or part of a fee which has been paid to the agency for such help or employment allowing three days' time to determine the fact of failure to obtain help or employment.

(10) Give to every applicant for employment, from whom a fee is received, a receipt in which shall be stated the name of the applicant, the date and amount of fee, the purpose for which it was paid, and to every applicant for help a receipt stating the name and address of the applicant, the date and amount of the fee, and the kind of help to be provided. Every such receipt shall have printed on the back thereof a brief abstract descriptive of the provisions of this act relating to such fees.

(11) Furnish each applicant for employment, who is sent to a prospective employer, with a card or similar paper containing the nature of the prospective employment, the names of the applicant and prospective employer, and the address of such employer. The said card or paper may be mailed to the applicant on the same day that the employee is sent to the prospective employer and a copy thereof to the prospective employer in lieu of furnishing the same to the applicant.

(12) Furnish to each applicant for employment who is sent to a prospective employer for an interview concerning the applicant's qualifications or future employment in a job for which no order has been given to the agency, a card or paper containing the names of the applicant and of the prospective employer, the address of the prospective employer and such other particulars as the agency may determine. In each such case, there shall be printed in bold-faced type on said card or paper the following:

"This card of introduction is given the bearer with the understanding that he is not

obligated to this agency for any fee until such time as he may be employed as a result of the services rendered him by this agency and after the agency has received a bona fide order for help to fill the job which he has obtained."

(13) Post in the agency in such places as the commissioner shall direct an abstract of this act and of the rules and regulations promulgated by the commissioner in such form as he shall require. The commissioner shall certify to the said abstracts.

C. 34:8-33. Forbidden acts.

10. No employment agency shall:

(1) Conduct a lodging house for the unemployed unless it is separate and apart from the agency.

(2) Conduct its business, or any phase thereof, in any room or place where

(a) person or persons sleep or conduct their household affairs, or

(b) boarders or lodgers are kept.

(3) Charge or accept payment of any fees other than shown by its schedule of fees filed with the commissioner and posted in the agency.

(4) Accept and receive any valuable thing or gift as or in lieu of a fee.

(5) Divide or offer to divide fees, directly or indirectly, with prospective or actual employers or any agent, employee, or representative of said employers.

(6) Accept payment of any fee or attempt to collect any fees for any service rendered with relation to any specific help or employment which the applicant has not accepted or obtained through the agency in cases where it is established that the applicant did not accept or obtain such help or employment through the agency.

(7) Make any statement or in any way allege or indicate to any applicant sent to seek employment at any place or by any prospective employer that work or employment is available at any such place

or by any such prospective employer unless the agency does have a bona fide order for an employee to fill the job alleged or indicated as being available.

(8) Send or cause to be sent any female to become a servant or inmate of, or to enter, any place of bad repute, house of ill-fame or assignation, or to any house or place of amusement kept for immoral purposes, or to a place resorted to for the purposes of prostitution, or to a gambling house.

(9) Knowingly permit persons of bad character, prostitutes, gamblers, intoxicated persons or procurers to frequent the agency.

(10) Accept any application for employment made by or on behalf of any child under the age of sixteen years, or place or assist in placing any such child in any employment whatever or place or assist in placing any minor under eighteen years of age in any unlawful occupation.

(11) Induce or compel any person to enter the agency, for any purpose, by the use of force or by taking forcible possession of such person's property.

(12) Publish or cause to be published any false or fraudulent or misleading notice or advertisement. All advertisements of any agency by means of cards, circulars or signs, or in newspapers and other publications, and all letterheads, receipts and blanks shall contain the name and address of the agency, and no agency shall give any false promise or false representation concerning employment to any applicant for employment or help, or enter into any contract with any applicant for help or employment or induce or try to induce any applicant for help or employment to make any agreement, the provisions of which contract or agreement, if fulfilled, is in violation of any provisions of this act.

C. 34:8-34. May withhold license.

11. The commissioner may withhold any license if it appears to him after investigation, and hearings if necessary, that the needs of employers and employees of any given municipality in which the employment agency is sought to be licensed are adequately served by public free employment offices

or by licensed private employment agencies, or both; and that the granting of any additional license for an employment agency to be located in any given municipality is contrary to the best interest and welfare of the public.

C. 34:8-35. May refuse or revoke license.

12. The commissioner may refuse to issue, and may revoke, any license for any failure to comply with, or violation of, the provisions of this act or for any other good cause shown, within the meaning and purpose of this act. No such refusal or revocation shall be made except upon reasonable notice to, and opportunity to be heard by, the applicant or licensee, as the case may be. The commissioner instead of revoking any license, may suspend the same for such period of time as he shall determine to be just and proper, and he may issue a new license, notwithstanding the revocation of a prior license, provided he shall find that the applicant shall have become entitled to such new license.

C. 34:8-36. Administration of act.

13. This act shall be administered by the commissioner and he shall make and promulgate such rules and regulations as may be required for the effectuation of the purposes and provisions of this act; *provided,* that before such rules and regulations or modifications thereof may be promulgated, written notice shall be sent to the holder of each employment agency owner's license and each employment agency operator's license which notice shall contain in full the provisions of the rules and regulations proposed and notice of the time and place of a public hearing to be held not sooner than five days nor later than fifteen days following the date of notice, at which hearing all persons in favor of or opposed to the proposed rules and regulations or modifications thereof may be heard; *and further provided,* that the purpose, the time and place of such hearing shall also be published for the information of the public not sooner than five days nor later than fifteen days following the notice to licensees. Any rules and regulations or modifications thereof, promulgated by the commis-

C. 34:8-37. Renewal of license.

14. Any person who is the holder of a license to open, keep or carry on any employment agency, issued under the provisions of Revised Statutes, Title 34, chapter eight, and who applies for a new license to be issued under the provisions of this act within a period of not more than thirty days prior to the expiration date of the license held by him at the time of such application shall be entitled to receive the new license applied for upon filing with the commissioner the required bond and the payment of the required fee.

Any person who is a holder of an employment agency owner's license issued under the provisions of this act and applies for a new license to be issued under the provisions of this act shall be entitled to receive the new license applied for upon filing with the commissioner the required bond and the payment of the required fee.

C. 34:8-38. Violation, penalty.

15. Except as otherwise specifically provided in this act, any person, corporation, partnership or member of any association, or any agent, servant or employee of any person, corporation, partnership or association who shall violate any of the provisions of this act and any holder of an employment agency operator's license who shall willfully violate any of the provisions of this act shall be guilty of a misdemeanor and shall be punishable by a fine of not less than twenty-five dollars ($25.00) and not more than two hundred fifty dollars ($250.00), or by imprisonment for a period of not more than one year, or both.

C. 34:8-39. Provisions severable.

16. Notwithstanding any other evidence of legislative intent, it is hereby declared to be the controlling legislative intent that if any provision of this act is held invalid, the remainder of the act and the application of such provision to circumstances other than those as to which it is held invalid, shall not be affected thereby.

C. 34:8-40. Act to supersede certain provisions, exception.

17. This act shall supersede the provisions of chapter eight of Title 34 of the Revised Statutes, except so far as may be necessary to permit the enforcement, after the effective date of this act, of any of the provisions of said chapter for violations committed before the effective date of this act whether or not proceedings for such enforcement shall have been begun before such effective date and in event that any of the provisions of this act shall be held invalid and the balance of this act shall be held to be unenforceable for the purposes for which it was intended, then the provisions of chapter eight of Title 34 of the Revised Statutes shall be held to be and remain in full force and effect.

CHAPTER 338

AN ACT concerning unemployment compensation, and amending section 43:21–6 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Section amended.

1. Section 43:21–6 of the Revised Statutes is amended to read as follows:

Filing claims for benefits.

43:21–6. (a) Filing. Claims for benefits shall be made in accordance with such regulations as the Director of the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey may approve. Each employer shall post and maintain on his premises printed notices of his subject status, of such design, in such numbers, and at such places as the director of the division may determine to be necessary to give notice thereof to persons in the employer's service. Each employer shall give to each individual at the time he becomes unemployed a printed copy of benefit instructions. Both the aforesaid notices and instructions shall be supplied by the division to employers without cost to them.

Initial determinations.

(b) (1) Initial determinations. The director of the division shall designate a representative or representatives to promptly examine the claims and to determine which claims do and which claims do not meet the requirements of section 4 (e); and as to those claims meeting the requirements of section 4 (e) to further determine the weekly benefit rates and the maximum total benefits payable. Each claimant shall promptly be notified of the determination of his claim.

(2) Weekly determinations. The director of the division shall assign a representative or representatives to each local claims office for the purpose of making weekly determinations (except

those under subsections 4 (f) and 5 (d)) in the course of the benefit year, in accordance with the initial determination of a valid claim. Whenever a determination of eligibility shall be made with respect to the first week of the benefit year for which benefits are claimed, the claimant, the last employing unit and all employers in the base year shall be promptly notified of such determination. Whenever a determination of ineligibility or disqualification shall be made with respect to any week of the benefit year, the claimant shall be promptly notified of such determination.

(3) Any claimant or any interested entity or person may file an appeal from any determination under paragraphs (1) and (2) of this subsection within five calendar days after the delivery of notification, or within seven calendar days after the mailing of notification, of such determination. Unless such an appeal is filed such determination shall be final and benefits shall be paid or denied in accordance therewith. If an appeal is duly filed, benefits with respect to the period covered by the appeal shall be payable only after a determination of entitlement by the appellate tribunal; benefits payable for periods pending an appeal and not in dispute shall be paid as such benefits accrue; *provided,* that insofar as any such appeal is or may be an appeal from a determination to the effect that the claimant is disqualified under the provisions of section 43:21–5 of the Revised Statutes or any amendments thereof or supplements thereto, benefits pending determination of the appeal shall be withheld only for the period of disqualification as provided for in said section, and notwithstanding such appeal the benefits otherwise provided by this act shall be paid for the period subsequent to such period of disqualification; *and provided also,* that if there are two determinations of entitlement, benefits for the period covered by such determinations shall be paid regardless of any appeal which may thereafter be taken, but no employer's account shall be charged with benefits so paid if the decision is finally reversed.

Proviso.

Proviso.

Appeals.

(c) Appeals. Unless such appeal is withdrawn, an appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and the determination. The parties shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the board of review, unless within ten days after the date of notification or mailing of such decision further appeal is initiated pursuant to subsection (e) of this section.

Appeal tribunals.

(d) Appeal tribunals. To hear and decide disputed benefit claims, including appeals from determinations with respect to demands for refunds of benefits under section 43:21–16 (d) of this chapter (R. S. 43:21–1 et seq.), the director with the approval of the Commissioner of Labor and Industry shall establish one or more impartial appeal tribunals consisting in each case of either a salaried examiner or a body consisting of three members, one of whom shall be a salaried examiner, who shall serve as chairman, one of whom shall be a representative of employers and the other of whom shall be a representative of employees; each of the latter two members shall serve at the pleasure of the commissioner and be paid a fee of not more than twenty dollars ($20.00) per day of active service on such tribunal plus necessary expenses. No person shall participate on behalf of the division in any case in which he is an interested party. The director may designate alternates to serve in the absence or disqualification of any member of an appeal tribunal. The chairman shall act alone in the absence or disqualification of any other member and his alternates. In no case shall the hearings proceed unless the chairman of the appeal tribunal is present.

Board of review.

(e) Board of review. The board of review may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate

further appeals before it. The board of review shall permit such further appeal by any of the parties interested in a decision of an appeal tribunal which is not unanimous and from any determination which has been overruled or modified by any appeal tribunal. The board of review may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceeding so removed to the board of review shall be heard by a quorum thereof in accordance with the requirements of subsection (c) of this section. The board of review shall promptly notify the interested parties of its findings and decision.

Procedure.

(f) Procedure. The manner in which disputed benefit claims, and appeals from determinations with respect to (1) claims for benefits and (2) demands for refunds of benefits under section 43:21–16 (d) of this chapter (R. S. 43:21–1 et seq.) shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with rules prescribed by the board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed.

Witness fees.

(g) Witness fees. Witnesses subpœnaed pursuant to this section shall be allowed fees at a rate fixed by the director. Such fees and all expenses of proceedings involving disputed claims shall be deemed a part of the expense of administering this chapter (R. S. 43:21–1 et seq.).

Appeals to courts.

(h) Appeal to courts. Any decision of the board of review in the absence of an appeal therefrom as herein provided shall become final ten days after the date of notification or mailing thereof, and judicial review thereof shall be permitted only

after any party claiming to be aggrieved thereby has exhausted his remedies before the board of review as provided by this chapter (R. S. 43:21–1 et seq.). The board of review shall be deemed to be a party to any judicial action involving any such decision, and may be represented in any such judicial action by any qualified attorney who may be a regular salaried employee of the board of review or has been designated by it for that purpose, or at the board of review's request, by the Attorney-General.

Court review.

(i) Court review. Within ten days after the decision of the board of review has become final, any party aggrieved thereby may secure judicial review thereof by a proceeding in lieu of the prerogative writs, in which action any other party to the proceeding before the board of review shall be made a defendant.

Failure to give notice.

(j) Failure to give notice. The failure of any public officer or employee at any time heretofore or hereafter to give notice of determination or decision required in subsections (b), (c) and (e) of this section, as originally passed or amended, shall not relieve any employer's account of any charge by reason of any benefits paid unless and until that employer can show to the satisfaction of the director of the division that the said benefits, in whole or in part, would not have been charged or chargeable to his account had such notice been given. Any determination hereunder by the director shall be subject to court review.

Act effective.

2. This act shall take effect immediately and shall apply to all charges hereafter or heretofore made to employers' accounts.

Approved July 19, 1951.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Legislative determination.

1. The Legislature hereby finds and determines as a fact: (a) that there exists in this State an acute shortage of proper State teachers' college buildings, equipment and facilities for the education and training of teachers; and (b) that this situation is detrimental to the education of teachers and the welfare of a large number of children in this State and that the correction thereof necessitates the authorization of the bond issue provided for herein.

Bonds authorized.

3. Said bonds shall be serial bonds and known as "State Teachers' College Construction Bonds" and as to each series, the last installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than fifteen years from the date of issuance of such series, but may be issued in whole or in part for a shorter term.

Issuing.

4. Said bonds shall be issued from time to time as money is required for the purpose aforesaid, as the issuing officials herein named shall determine.

Issuing officials.

5. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials"), are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the great seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treas-

ury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

Bond recital.

8. (a) Such bonds shall recite that they are issued for the purpose set forth in section two of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, one thousand nine hundred and fifty-one, and that it received the sanction of the majority of the votes cast for and against it at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

(b) Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, as may be determined by the issuing officials.

(c) Whenever such bonds shall have been issued as coupon bonds, whether so issued originally or at the request of a holder thereof subsequent to the original issue, such bonds, or any of them, may be reissued by the issuing officials at the request of a holder as registered bonds, and all registered bonds, whether so issued originally or at the request of the holder subsequent to the original issue, may be reissued by the issuing officials, at the request of a holder, as coupon bonds.

Issuing details.

9. When bonds are issued from time to time, the bonds of each issue shall constitute a separate

series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, not exceeding three per centum (3%) per annum, as may be determined by the issuing officials, which interest shall be payable semiannually; *provided,* that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

Selling.

10. Said bonds shall be issued and sold at not less than par and accrued interest, under such terms, conditions, and regulations as the issuing officials may prescribe, after notice of said sale, published at least three times (the first notice shall be at least seven days prior to the day of bidding) in at least three newspapers published in the State of New Jersey, and in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials are authorized to sell said bonds at private sale. The issuing officials may sell all or a part of the bonds of any series as issued to the sinking fund or funds for other bonds issued by the State or to the trustees for the support of public schools, the teachers' pension and annuity fund, or any other pension fund established for the benefit of State employees or to the trustees of the State Disability Benefit Fund, or to the Federal Government or any agency thereof, at private sale, without advertisement.

Temporary bonds.

11. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

Disposition of proceeds.

12. The proceeds from the sale of the bonds, exclusive of accrued interest and premiums, and all

interest on deposits received from depositories, shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "State Teachers' College Building Construction Fund." All accrued interest and premiums from the sale of bonds except as provided in section fifteen hereof, together with interest received from depositories of such funds, shall be held by the State Treasurer to the credit of the said State Teachers' College Buildings Construction Fund.

Moneys dedicated.

13. The moneys in the said State Teachers' College Buildings Construction Fund are hereby specifically dedicated to providing for State teachers' college buildings, their construction, reconstruction, development, extension, improvement, equipment and facilities, as follows: for the construction, reconstruction, development, extension, improvement and equipment of State teachers' college buildings, and the appurtenances thereto, and for the acquisition of land; and no moneys from said State Teachers' College Buildings Construction Fund shall be expended except in accordance with appropriations, from said fund, made by law.

Transfer of funds authorized.

At any time prior to the issuance and sale of bonds under this act the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the State Teachers' College Buildings Construction Fund such sum as may be deemed necessary for the purposes of this act by the State House Commission, which said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

Replacing lost and mutilated bonds and coupons.

14. In case any coupon bonds and coupons thereunto appertaining or any registered bond shall become mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials

evidence satisfactory to them of such mutilation or destruction and also such security and indemnity as the issuing officials may require.

Payment of expenses of issuing.

15. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from accrued interest and premiums from the sale of bonds or if these funds be insufficient, from the proceeds of the sale of bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

Maturities.

16. Bonds of each series issued hereunder shall mature in installments commencing not later than the fifth year and ending not later than the fifteenth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, but the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power of election by resolution or resolutions of the issuing officials to call for redemption at par and accrued interest to date of redemption, and to redeem on any interest payment date beginning in a stated year, as a whole or in part in the inverse order of their numbers, bonds of that series prior to their maturity, upon notice by publication, at least once, at least sixty days prior to the date fixed for redemption, in a newspaper published in the city of Trenton, and in a publication carrying municipal bond notices and devoted primarily to financial news, published in New York City or in New Jersey. On and after the date of redemption so fixed, interest on bonds so called for redemption shall cease to accrue.

Provisions for payment of principal and interest.

17. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

(a) Revenue derived from the tax imposed upon the transfer of property, real and personal, taxable under chapter thirty-four of Title 54 of the Revised

Statutes, as amended and supplemented, or so much thereof as may be required.

(b) If in any year or at any time funds, as hereinabove appropriated necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before the fifteenth day of December in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before the twentieth day of December in each year.

If on or before the thirty-first day of December in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said

principal and interest provided for in this section shall not then be available, and the receipts for said year from transfer inheritance taxes above referred to shall thereupon be considered as part of the General State Fund, available for general purposes.

Taxing provision for deficit.

18. Should the State Treasurer by December thirty-first of any year deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before the first day of March following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

Act submitted to electors, procedure.

19. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, one thousand nine hundred and fifty-one, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least fifteen days prior to the said election, to cause this act to be published in at

least ten newspapers published in the State and shall notify the clerk of each county of this State of the passage of this act, and the said clerks respectively shall cause to be printed on each of the said ballots, the following:

If you disapprove the act entitled below, make a cross ×, plus +, or check √ mark in the square opposite the word "No."

If voting machines are used, a vote of "Yes" or "No" shall be equivalent to such markings respectively.

	Yes.	Shall the act entitled "An act authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the sum of fifteen million dollars ($15,000,000.00) for State teachers' college buildings, their construction, reconstruction, development, extension, improvement, equipment and facilities for educational use; providing the ways and means to pay the interest of said debt and also to pay and discharge the principal thereof; and providing for the submission of this act to the people at a general election," be approved?
	No.	

The fact and date of the approval or passage of this act, as the case may be, shall be inserted in the appropriate place after the title in said ballot. No other requirement of law of any kind or character

as to notice or procedure except as herein provided need be adhered to.

The said votes so cast for and against the approval of this act, by ballot or voting machine, shall be counted and the result thereof returned by the election officer, and a canvass of such election had in the same manner as is now provided for by law in the case of the election of a Governor, and the approval or disapproval of this act so determined shall be declared in the same manner as the result of an election for a Governor, and if there shall be a majority of all the votes cast for and against it at such an election in favor of the approval of this act, then all the provisions of this act shall take effect forthwith.

CHAPTER 342

AN ACT concerning public health, regulating the storage of food or drink used by man or animals in refrigerated warehouses and locker plants, providing for the issuance of licenses for the conduct of such warehouses and plants, and repealing chapter nine of Title 24 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. As used in this act:

C. 24:9-21. Terms defined.

a. "Article" means any food or drink used for man or animals;

b. "Refrigerated warehouse" shall mean any place artificially or mechanically cooled to or below a temperature of forty-five degrees Fahrenheit in which articles, other than fresh unprocessed fruits and vegetables, are placed and held for thirty days or more, except a restaurant, store, home, or eating club utilizing its refrigerated warehouse space exclusively for its own use.

c. "Locker plant" shall mean any refrigerated storage warehouse or the portion thereof which provides separate individual lockers, cabinets, boxes, baskets, or other receptacles, for the storage of food products for home or personal use only and not for purpose of sale.

d. "State department," "department of health" and "department" mean the State Department of Health.

e. "Commissioner" means the State Commissioner of Health who is the chief administrative officer of the State Department of Health.

C. 24:9-22. Application, investigation, license.

2. Any person desiring to operate or to continue to operate a refrigerated warehouse or locker plant shall make application in writing to the State department, upon forms supplied by the said State department stating the location of his plant or plants.

Upon such application accompanied by the proper fee, the department shall examine into the sanitary condition of the plant or plants, and if found to be in a sanitary condition and otherwise properly equipped for the business of a refrigerated warehouse or locker plant, the department shall issue a license authorizing the applicant to operate such refrigerated warehouse or locker plant, which license shall expire June thirtieth of each year.

C. 24:9-23. Fees.

3. The State department shall collect from each applicant for each license granted under the provisions of this act for each refrigerated warehouse or locker plant the following fees: for each refrigerated warehouse or locker plant with gross refrigerated space not in excess of one hundred thousand cubic feet, twenty-five dollars ($25.00); for each refrigerated warehouse or locker plant with gross refrigerated space in excess of one hundred thousand cubic feet but not in excess of one million cubic feet, seventy-five dollars ($75.00); for each refrigerated warehouse or locker plant with gross refrigerated space in excess of one million cubic feet, one hundred fifty dollars ($150.00). If a locker plant is operated as part of a refrigerated warehouse and upon the same premises, no additional license shall be required.

Any license issued pursuant to this section may be suspended, or revoked, upon hearing, for any

violation of this act or of any rule or regulation of the State department.

C. 24:9-24. Reports.

4. Licensed refrigerated warehouses shall upon request submit reports to the commissioner setting forth the quantity of each and every food product stored in the refrigerated warehouse of the licensee.

C. 24:9-25. Notification of insanitary conditions.

5. The department shall notify any licensee when his refrigerated warehouse or locker plant or any part thereof shall be deemed to be in an insanitary condition, and if the licensee fails to put such warehouse or locker plant or the specified part thereof in a sanitary condition within the time designated by the department, it shall prohibit the use of such warehouse or locker plant or part thereof until such time as it may be put in a sanitary condition.

C. 24:9-26. Storage regulations.

6. No person or corporation shall keep or permit to remain in any refrigerated warehouse or locker plant any article beyond the time when it is sound and wholesome and fit to remain in storage. If any article is found to be fit for immediate consumption, but unfit for further storage, such article shall at once be removed from storage and not again stored. No article shall be kept or permitted to remain in any refrigerated warehouse for a longer aggregate period than twenty-four calendar months, except by order of the commissioner. Upon evidence satisfactory to him that the article is sound and wholesome and fit for further storage, the commissioner may, in his discretion, grant an extension of the storage period.

C. 24:9-27. Sale of goods, procedure.

7. In the event that any article is held in a refrigerated warehouse for a period of longer than twenty-four calendar months without extension having been applied for and granted by the commissioner, and neither the operator of the refrigerated warehouse nor the commissioner can locate the owner of the said article, after ten days' notice by registered mail directed to the last known address of such owner, by the officials of the refrigerated warehouse and a copy of the said notice to the commissioner, then and in that event, the

commissioner shall have the power to order the disposition and sale of the said article for the purpose of payment of charges for storage or other valid liens against same. If a sale as herein provided is ordered by the commissioner, the proceeds of such sale shall be applied, first, to the payment of any and all charges for storage and service in connection with said property, and second, for any other valid liens against the said property. Any balance then remaining from the proceeds of the sale shall be paid to the owner of the said property, if such owner can be located; and, in the event the owner cannot be located within one year of the date of notification, then any balance shall be paid into the treasury of the State of New Jersey.

Owners or operators relieved of liability.

In carrying out any order of the commissioner for sale or disposition of any property under the provisions of this section, the owners or operators of the refrigerated warehouse are hereby relieved from any liability to the original owner or any other person or persons for the custody of said property, and from any legal liability under any warehouse receipt issued and outstanding covering the said property.

C. 24:9-28. Removal from storage of article.

8. No article which has once been released from storage in a refrigerated warehouse and placed on the market for sale to consumers, shall again be placed in a refrigerated warehouse.

C. 24:9-29. Transferring from one warehouse to another.

9. An article may be transferred from one refrigerated warehouse to another if all prior stamping, marking, and tagging remain thereon, and such transfer is not made for the purpose of evading any provision of this act.

C. 24:9-30. Articles to be pure and wholesome.

10. No article shall be placed, received or kept in a refrigerated warehouse or locker plant unless the same is in an apparently pure and wholesome condition.

C. 24:9-31. Assigned lot numbers.

11. The refrigerated warehouse licensee shall assign to each lot of food and drink, when received for storage in a refrigerated warehouse, a distinguishing lot number for the purpose of identification, and shall keep an accurate record of such

lot number, and shall also make and keep a record of the date of the receipt and of the date of removal of each lot of food and drink.

C. 24:9-32. Articles plainly marked, exception.

12. No person or corporation shall place, receive or keep in a refrigerated warehouse any article, unless plainly marked or tagged, either upon the container in which it is stored or upon the article itself, with the identification lot number assigned and recorded pursuant to the foregoing section; except that where products are bulk piled, palletized or piled in unit loads, it will be in order to have the outside of the bins in which the bulk is piled or the outside containers of the palletized or unit piled loads properly marked pursuant to the foregoing section.

C. 24:9-33. Not to mutilate markings.

13. No person shall alter, obliterate, mutilate, destroy, remove or eradicate any stamp, tag, or mark placed upon any package, container, or article to indicate that the article was received for refrigerated storage either from within or from out of State in order to evade any of the provisions of this act.

C. 24:9-34. Violations, penalties.

14. Any person who shall violate any provision of this act, or any rule or regulation of the State department made pursuant thereto, or who shall refuse to comply with any lawful order or direction of the department, shall be liable to the following penalties:

a. One hundred dollars ($100.00) for the first offense;

C. 24:9-35. Enforcement.

15. The local board of health shall enforce the provisions of this act within its jurisdiction.

The State Department of Health and the local board, and any officer or employee thereof shall, in

the performance of any duty imposed by this act, at all times have full access to any refrigerated warehouse or locker plant for purposes of inspection and enforcement of the provisions of this act, and may examine and open any package or container which is believed to contain any article in violation of this act.

C. 24:9-36. Disposition of penalties.

16. Any penalty recovered in an action brought under the provisions of this act shall be paid to the plaintiff therein. When the plaintiff is the State Department of Health, the penalty shall be paid by the department into the treasury of the State. When the plaintiff is a local board of health, the penalty shall be paid by the local board into the treasury of the municipality within which the local board has jurisdiction.

C. 24:9-37. Repealer.

EXECUTIVE DEPARTMENT.

WHEREAS, It has been conventional to designate one day each year as Father's and as Mother's Day, and it would be most appropriate to set aside a similar day each year in honor of the children we love; and

WHEREAS, The current instability and insecurity of world conditions has had a violent effect upon children at home and abroad through the sufferings of actual warfare, the misery of displaced persons, and the sadness and emotional torment of orphanage, malnutrition and dependency; and

WHEREAS, It is more than ever necessary, for these reasons, to redouble our efforts for world peace and to strengthen and improve the opportunities of all children for good health, wholesome recreation, a well-rounded education and future occupations in which they can make the most of their abilities; and

WHEREAS, The Children's Day National council calls attention to the fact that there are many basic needs of children which are now being neglected;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THE THIRD SUNDAY IN OCTOBER

as

CHILDREN'S DAY,

and I urge all schools, civic and religious bodies to mark this day by programs to review and appraise

the needs of children and the facilities for meeting those needs in each community. I further urge all citizens to work for the development of still more effective voluntary action and co-operative effort by church, home, school and social agencies, to the end that our children may enjoy all the benefits of democracy and grow up with a thoroughly wholesome attitude toward their privileges and responsibilities among freedom-loving people.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this ninth day of October, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fifth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, The program of the LAYMAN'S NATIONAL COMMITTEE, dedicated to the proposition that America was founded on man's consciousness of God, man's daily labor and the fruits therefrom, can be greatly aided by setting aside each year a definite period devoted to the "immortal law book of civilization"; and,

WHEREAS, A Bible-conscious people are better equipped to conquer the alien godless ideologies which are rampant in so many parts of the world today; and,

WHEREAS, Despite the materialistic progress which marks this mid-century year, the hearts and minds of men are still maintained by the fundamentals on which this Nation was founded;

WHEREAS, We live in critical times when life and liberty are threatened throughout the world and immediate, urgent problems press themselves upon us; and

WHEREAS, At such a time the enduring humane values which dignify mankind, as embodied in poetry and the other arts, are all too often submerged in the perplexities of the moment; and

WHEREAS, Nonetheless, the poetry of the past and present, if our attention can be turned to it, can still serve not to distract us from immediate matters but rather to strengthen and enlarge the human spirit for the tasks ahead; and

WHEREAS, Just as poetry, a free expression of human personality, cannot flourish and prosper except in that freedom which we as a Nation are struggling to preserve in the world, so in turn the ideals of that freedom can find in poetry a powerful medium for impressing their meaning on the minds of men, as the greatest of New Jersey's many poets, Walt Whitman, supremely demonstrated;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

On November 6, 1869, the first intercollegiate football game ever played in this country took place in New Brunswick between the College of New Jersey, now known as Princeton University, and Rutgers University, now the State University of New Jersey, two great New Jersey educational institutions of colonial heritage.

Those who took part in that game established a great sport and laid the foundation for the two great traditions of the game, good sportsmanship and teamwork. The game of football reflects the spirit of the American way of life, with its emphasis on courage, resourcefulness, and individual initiative, combined with complete co-operation.

The campus of Rutgers University, the State University of New Jersey, has been selected as the

site of the National Football Shrine and Hall of Fame. The honor thus bestowed upon our State is entirely fitting.

It is our hope that this Hall of Fame may become to football what the Hall of Fame at Cooperstown, New York, has become to baseball—a place where the symbols, trophies and records of the sport may all be brought together and thus become a focal point and shrine to be visited by all the followers of the game who honor its great traditions.

The Football Hall of Fame Committee, in co-operation with the New Jersey State Interscholastic Athletic Association, has scheduled, beginning October 29th, a full-week program to enlist public support for this important undertaking. The program will culminate with the Hall of Fame Football game between Brown University and Rutgers University at the Rutgers Stadium, on Saturday, November 4th.

THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey do hereby proclaim the period of

OCTOBER 29th through
NOVEMBER 4th, 1950, Inclusive,

as

FOOTBALL HALL OF FAME WEEK

in New Jersey; and I urge the citizens of New Jersey, by their encouragement and support of the program of the Football Hall of Fame Committee and the New Jersey State Interscholastic Athletic Association, to join in this magnificent tribute to one of the greatest of games.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this
twenty-fourth day of October, in the

year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, The Medical Society of New Jersey has constructively initiated and sponsored the observance of Public Health Week during the period of November 13 through November 18, 1950; and

WHEREAS, Medical arts and science have made tremendous strides in unearthing the secrets of nature and providing us with ever more effective methods of keeping people healthy and enabling everyone to live a fuller life; and

WHEREAS, A public health week represents the joint effort of the medical profession, the allied professions of dentistry, nursing and pharmacy, hospital administrators, the departments of health and voluntary agencies engaged in health and welfare work, to interpret the advance in medical science to the people of our State, to make us more conscious of health problems and to acquaint us with the resources in each community that stand ready to help preserve individual health or minister to those who are taken sick or disabled; and

WHEREAS, The Governor's Committee on Local Health Administration is currently studying local public health administration in New Jersey with a view to recommending ways to make it more effective; and

WHEREAS, Effective local public health administration is an indispensable basis for effective civil defense; and

WHEREAS, Experience has shown that community health councils have proven effective in arousing citizen participation and support in the solution of health problems; and

WHEREAS, A working partnership of physicians and allied professions of New Jersey, and the State and local health departments and other health agencies can build greater and greater gains in the fight against disease and premature death; and will also serve to show the citizens of our State how, through individual and community efforts, they may continue to raise the level of health in New Jersey;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim the period of

NOVEMBER 13th to NOVEMBER 18th, 1950,

I recommend that communities give serious consideration at this time to the formation of community health councils.

I further urge all local medical and health agencies to undertake, during this Public Health Week,

to provide the broadest possible understanding of their local facilities and services for health protection and medical care.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

Once more we have reached that season of the year traditionally marked by the oldest and most unique of our American holidays. It is the season when we set apart a special day for thanksgiving and praise to Almighty God for His manifold blessings.

In this mid-century year, when large areas of the world are barely recovering from the devastation of war and others have fallen anew under its ravages, when millions of our fellow men are victims of hunger and want and millions live in slavery to despotic governments, we in America may well feel a new thankfulness for the blessings that are ours.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THURSDAY, NOVEMBER 23, 1950,

as

THANKSGIVING DAY.

I urge the people of New Jersey to observe this occasion in the traditional manner by attendance at appropriate religious services of their own choice and by giving thanks to Almighty God for the abundant blessings which we have continued to enjoy during the past year, and with prayer that these blessings soon may be enjoyed by all mankind.

Let us ask God's blessing upon all who are fighting for the preservation of human dignity and freedom. Let us remember that peace and well-

being must prevail throughout the world if our own heritage is to remain unimpaired.

I urge especially that in the shadow of the imminent perils which threaten the entire world, this time of recognition of the past and present blessings of our Nation may be a source of confidence and courage for the future.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twentieth day of November, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fifth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

December 15, 1950 will mark the 159th anniversary of the adoption of the first ten amendments to the Constitution of the United States, commonly referred to as the Bill of Rights.

It is altogether fitting that New Jersey, the first State to ratify that great historic document of freedom, today stands in the very forefront of the States in its guarantee of the fundamental rights and privileges of its citizens.

The freedoms enunciated in our Federal Bill of Rights are the bedrock of our Republic. They are

denied to those unfortunate peoples living under totalitarian dictatorships which we so vigorously oppose.

In these critical times, when peoples throughout the world are looking to America as the bastion of freedom, it is essential that we actively demonstrate our firm belief in the sound principles of the Bill of Rights.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

FRIDAY, DECEMBER 15, 1950,

as

BILL OF RIGHTS DAY

in New Jersey, and I urge all the people of New Jersey, in their homes, educational and religious institutions, and civic and other organizations to observe that day and to foster maintenance and reinforcement of the Bill of Rights—the keystone to our strength as a Nation.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this thirteenth day of December, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fifth.

Governor.

I strongly urge governmental agencies, newspapers, radio and television stations, schools, civic, industrial, business and other organizations, and all individual citizens, to actively participate in the program promulgated pursuant to the New Jersey Civil Defense Plan and to co-operate with local Civil Defense offices in the recruitment drive to take place during Civil Defense Week.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

In the troublesome and dangerous days when courageous men were declaring the independence of the United States, they acknowledged that the inalienable rights of freedom-loving people are endowed by their Creator. For the support of their declaration they placed their reliance "on the protection of Divine Guidance."

Once again, our nation and its citizens are called upon to "walk through the valley of the shadow of death." On far-off battlefields our youth is engaged in defending our freedom. The threat of war hangs heavy over the land. We want peace—not peace at any price, but peace with honor, peace consistent with our ideals and our principles.

We are living in an age which poses great problems necessitating many decisions of far-reaching importance and effect. It is, accordingly, of the utmost importance that these decisions be made by men and women with an abiding faith in Divine Guidance. Our leaders, and all of the citizens of this land, need the steadying aid and comforting guidance of Almighty God. Throughout the world, in many lands, many people of varying voices are about to observe a day that for un-

counted millions is a holy day, marking the birthday of one who spoke of good will to men and peace on earth. It is appropriate that in these critical times we should once again place our firm reliance on the protection of Divine Guidance, and from the God of our Fathers seek inspiration, faith, courage and wisdom, without which our efforts will be in vain.

THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

DECEMBER 24th, 1950,

as

A DAY OF PRAYER.

I urge each and every citizen of New Jersey and of our country to solemnly and soberly pray to the God of our Fathers on this day, and every day thereafter, for peace on earth and for Divine Guidance for all men everywhere, so that the momentous decisions demanded of us in our time may be consistent and in keeping with His will.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twenty-second day of December, in the year of Our Lord one thousand nine hundred and fifty, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

WHEREAS, In remembering Benjamin Franklin as one of the greatest Americans of all time, we recognize that we are more than ever indebted to the principles of industry, initiative, and thrift which he set forth;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, The Future Farmers of America is an organization of boys who are studying vocational agriculture in public secondary schools in preparation for careers in farming; and

WHEREAS, The major purposes of the Future Farmers of America are to develop leadership, encourage co-operation, promote good citizenship, teach sound methods of farming and inspire patriotism among its members; and

WHEREAS, The Future Farmers of America in New Jersey now has 38 active chapters, with more than 1,300 presently active members and more than 9,000 former members; and

WHEREAS, These members of the Future Farmers of America perform valuable community services and provide important leadership in developing our agricultural economy and in building a better State;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim the week, beginning

FEBRUARY 17th,

as

NEW JERSEY FUTURE FARMER WEEK,

and urge all citizens to take notice of the many contributions of the Future Farmers to our State and to encourage in every possible way the further growth of this splendid organization which is doing so much for the future of farming.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this second day of February, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, The week including Washington's Birthday, February 18-25, will be nationally observed as Brotherhood Week, under the sponsorship of The National Conference of Christians and Jews; and

WHEREAS, The Father of our country was among the first to recognize that the goal of a "more perfect union" could be achieved only if our Nation would "give to bigotry no sanction, to persecution no assistance," and our government was accordingly founded on the principles of freedom of thought and worship regardless of race, creed or color; and

WHEREAS, The American people are today allied with the rest of the free world in a struggle to preserve the rights and principles of individual freedom and human dignity against the forces of enslavement and bigotry;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THE PERIOD OF FEBRUARY 18th-25th, 1951,

as

BROTHERHOOD WEEK

within this State. I urge our people of every faith and nationality to give thought during these days to those lasting principles which make it possible for free men to work and live together in peace. I call upon all the people of our State to recognize that as a State, as well as a Nation, we gain strength and character from our diversity of re-

ligious and national heritage. Let us rededicate ourselves during Brotherhood Week, and throughout the year, to the principles of the Brotherhood of Man under the Fatherhood of God, so that our youth may carry with them the conviction that the liberties and human dignity for which they are struggling so valiantly abroad are assured at home.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this eighth day of February in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,

WHEREAS, The New Jersey Junior Chamber of Commerce, by its many activities, and through its affiliated local organizations, is engaged in rendering great service throughout the State; and

WHEREAS, Constructive business leadership and guidance is necessary not only for the advancement of opportunities in private enterprise but also in the development of sound and beneficial civic programs; and

WHEREAS, The designation of a special day will serve to focus the attention of the people of New Jersey on the civic, community and welfare activities of the New Jersey Junior Chamber of Commerce;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

FRIDAY, FEBRUARY 16th, 1951,

as

JAYCEE DAY,

and urge all citizens to join in recognizing the contributions which younger business leadership is making toward the development of initiative and civic-mindedness throughout the State.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twelfth day of February, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

New Jersey is a pioneer state in the mental health field. Through the development of modern therapeutic methods in our mental hospitals, an increasing number of patients are able to return to their homes and resume a normal active life in their communities. At the same time, the development of a comprehensive program of mental hygiene clinics has provided the means for early diagnosis and treatment of incipient mental illness. This program embodies the sound principle that prevention is the most effective and economic form of mental health insurance.

It is essential that these vital activities continue to have the support of our citizens. Now, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THE WEEK of MAY 2d to MAY 8th, 1951,

as

MENTAL HEALTH WEEK.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this thirtieth day of April, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

It is our tradition in America to set aside annually the second Sunday in May as Mothers' Day. This is done not only in recognition of the loving care and unselfish devotion that mothers bestow upon their children, but also in appreciation of the influence for good that women have always exerted upon the actions of mankind through their capacity for love, sympathy and understanding.

A mother's sacrifices, warmth and devotion are known and remembered during every day of the year. The observance of a particular day of the year as Mothers' Day is, however, entirely fitting because it serves to focus and sharpen our appreciation of the important part that Mother plays in the life of each one of us.

The observance of Mothers' Day this year is given added significance by the fact that many sons are today on the battlefields of Korea, far from their mothers and families. To those many mothers, we express the sincere hope that they may soon again be united with their sons.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

SUNDAY, MAY 13th, 1951,

as

MOTHERS' DAY,

and urge the people of New Jersey to observe this Mothers' Day as a day of thanks and consecration to the mothers of this Nation.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twenty-seventh day of April, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, Assembly Joint Resolution No. 12, adopted at the current session of the Legislature, designates the week of May first to May seventh as Correct Posture Week, as sponsored by the Society of New Jersey Chiropractors to urge better posture for all and especially for school children; and

WHEREAS, It is well established that good posture is conducive to good health and well being;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, pursuant to the aforesaid Resolution, do hereby proclaim the period from

MAY 1st to MAY 7th, inclusive,

as

CORRECT POSTURE WEEK

in New Jersey, and I urge all residents of this State to give special consideration during this week to

the desirability of good posture, and to the correction of posture defects.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this second day of May, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, Observance of Armed Forces Day this year finds thousands of New Jersey citizens, as members of National Guard, Naval Militia and Reserve organizations, on active duty in strengthening the defenses of our Nation at home and on foreign soil; and

WHEREAS, Additional thousands of New Jersey citizens have been called or have volunteered, and are serving their State and Nation in the armed forces; and

WHEREAS, These citizens together with the regular military establishment form a vital defense of our Nation in our struggle to preserve the rights and principles of individual freedom and human dignity; and

WHEREAS, It is appropriate that we honor the members of our armed forces and all of our war veterans, and again call to the attention of all citizens the importance of a strong arm of defense;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

SATURDAY, MAY 19th, 1951,

as

ARMED FORCES DAY

in New Jersey, and I call upon the New Jersey Nation Guard, New Jersey Naval Militia, members of all reserve components, and all citizens of the State of New Jersey, to mark the day with appropriate ceremonies and to co-operate with civil authorities and civic agencies in suitable observances.

I do further call upon the citizens of New Jersey to display the flag of our country from all public and private buildings on that day.

It is my further desire that Armed Forces Day be dedicated to the honor of all those members of the armed forces who, in past wars, and in the present conflict, have given their lives that our Republic and the freedoms guaranteed by the Constitution may be preserved.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this seventh day of May, in the year of Our Lord one thousand nine hundred and

fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, Sunday, May 20, 1951, has been set aside for the observance of "I Am An American Day," in commemoration of United States citizenship, and especially in recognition of the youth of America who have obtained their majority and of those foreign-born who have become citizens through naturalization, during the past year; and

WHEREAS, The values and responsibilities of citizenship can be renewed for each and every one of us by answering the question, "What does it mean to be an American?";

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

SUNDAY, MAY 20th, 1951,

as

I AM AN AMERICAN DAY

in and for this State. In observance of this day I urge that we search our hearts and minds for the fullest answer to this question of what it means to be an American. We may recognize this much at least:

It means a way of life blessed with the traditions of individual liberty and the strength of our united Republic and its free institutions; it means the benefits of a government of laws rather than of men; it means the assurance of those great freedoms of action and thought which mark the dignity of man everywhere; it means an environment in which the arts and the sciences may flourish unhampered by the stifling hand of totalitarian dictatorships which plague so many parts of the world today; it means the right to live in a land of opportunity where justice and equality before the law are placed above power and prestige.

It means the responsibility of a community of conscience for the welfare of our fellow men; it means a solemn obligation to pass on to posterity unimpaired all of the great freedoms which have come down to us at the price of the blood and toil of our ancestors; it means an acknowledgment of our responsibilities of leadership in the world at large and of joining with like-minded people everywhere in the fight to preserve the great values we cherish.

These are but some of the deep meanings of American citizenship which make up what we call the American way of life. I urge all the people of our State to give new thought to these meanings and blessings of our republican form of government.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this eighteenth day of May, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, The Flag of the United States of America is the outstanding symbol of our unity as a Nation and of our devotion to the causes of liberty, justice and freedom; and

WHEREAS, The Congress of the United States, by Joint Resolution, approved August 3, 1949, has designated June 14th of each year as Flag Day; and

WHEREAS, The Stars and Stripes inspire the hope and faith of freedom-loving peoples throughout the world, and strengthens them in their opposition to tyranny and oppression everywhere;

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THURSDAY, JUNE 14th,

as

FLAG DAY,

and urge all citizens and public officials to display the flag at their homes and places of business on that day, and to partake in suitable patriotic observances marking our respect for the Flag of the United States of America and the cherished values of the Republic for which it stands.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this twelfth day of June, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this nineteenth day of June, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

On the 4th of July, 1776, thirteen united states, among them New Jersey, gave forceful and eloquent expression to their burning desire for freedom. On that day they unanimously adopted a Declaration of Independence; and a new nation was born.

Today, one hundred seventy-five years later, this still youthful nation is once again in the vanguard of freedom's forces. But today's struggle is for the survival of freedom, not for independence, and is commensurately more fateful.

Our nation has flourished. We have prospered and grown powerful. But our responsibilities have grown apace. The price of freedom comes high. What we cherish and cannot do without, we must resolutely determine to save.

NOW, THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

JULY 4th, 1951,

as

INDEPENDENCE DAY,

and urge the many citizens of New Jersey to give special mark to this year's observance of this important anniversary by displaying the flag of the United States everywhere throughout the State; by attending the celebration in Philadelphia, the Cradle of Liberty, of the 175th Anniversary of the Declaration of Independence; and by resolving anew to preserve, at any cost, our inalienable right to life, liberty, and the pursuit of happiness.

Given under my hand and the Great
[SEAL] Seal of the State of New Jersey, this twenty-seventh day of June, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, As a result of a report made on the fourteenth day of February, one thousand nine hundred and forty-nine, by the Director, Division of Taxation, Department of the Treasury, to the Governor of this State, setting forth that the Towne Beauty Salon, a corporation of this State, had failed to pay the corporation franchise taxes levied against said corporation for the year one thousand nine hundred and forty-six, the Governor of this State, on the fourteenth day of February, one thousand nine hundred and forty-nine, issued a Proclamation declaring the charter of said corporation to be void and that all powers conferred by law upon such corporation be thereafter inoperative and void, and

WHEREAS, The Deputy Director, Division of Taxation, Department of the Treasury, now advises me that in the above particular the said report was inadvertently made in that it appears that prior to the making of the said report, the Towne Beauty Salon duly paid the corporation franchise taxes

levied against said corporation for the year one thousand nine hundred and forty-six;

THEREFORE, Acting pursuant to the provisions of R. S. 54:11–4, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim that it has been established to my satisfaction that said Towne Beauty Salon did not neglect or refuse to satisfy the corporation franchise taxes levied against it for the year one thousand nine hundred and forty-six, but that said corporation duly paid the taxes levied against it for said year; that it was inadvertently reported to me, as aforesaid, that said corporation had failed to pay the said corporation franchise taxes; and that the Proclamation of the Governor on the fourteenth day of February, one thousand nine hundred and forty-nine, is hereby corrected to exclude therefrom the name of Towne Beauty Salon.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twenty-eighth day of June, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-fifth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, In my opinion, the public interest requires the convening of the Senate of the State of New Jersey in Special Session; and

WHEREAS, The Senate and General Assembly are currently in Special Session for the sole purpose of acting upon bills returned by the Governor, pursuant to Article V, Section I, paragraph 14 (b) of the Constitution, and the Senate is scheduled to meet on July 9, 1951, at 2 P. M. for the purpose of said Session;

THEREFORE, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, by virtue of the power and authority vested in me by the Constitution of this State, do hereby convene the Senate of the State of New Jersey to meet in Special Session at the State House, Trenton, New Jersey, on Monday, the ninth day of July, nineteen hundred and fifty-one, at two-thirty o'clock, eastern daylight saving time, in the afternoon of the said day, for the purpose of receiving nominations.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this this ninth day of July, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-sixth.

ALFRED E. DRISCOLL,
Governor.

By the Governor:
LLOYD B. MARSH,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

The Korean War has meant untold suffering and anguish to the Korean people. Two million innocent civilians have perished. Twelve million other Koreans are homeless. And many more are without clothing sufficiently warm to insure their survival of the forthcoming winter months.

Before these destitute people can begin the long hard task of rebuilding their ruined land, they must first prepare themselves against the certainty of bitter cold and the very real possibility of freezing death. Their need is great. They must have blankets and warm clothing—more than they can possibly make for themselves. Their survival of the approaching winter depends entirely upon the warm generosity of their neighbors to the East.

Their need invokes our greatest sympathy, not only because their plight is so desperate, but also because their nation has been the battleground of one of freedom's most heroic stands. Our boundless compassion for the citizens of Korea awakes in all of us a desire to come speedily to the assistance of these unfortunate people in this their hour of greatest need.

Accordingly, therefore, I, ALFRED E. DRISCOLL, Governor of the State of New Jersey, do hereby proclaim

THE MONTH OF AUGUST

as

COLLECTION OF CLOTHING
FOR KOREA MONTH,

and urge the nearly five million citizens of New Jersey to join wholeheartedly in the spirit and

purpose of this collection campaign, which is being sponsored by the Paterson Morning Call.

To this end, I call upon the Mayors and governing bodies of every municipality in New Jersey to designate one or more public buildings as local collection depots from which volunteer New Jersey truckers will carry the donated supplies to a central point for shipment to Korea; and

I do further call upon the newspapers, churches, veterans' organizations, boy and girl scouts, and other civic and charitable groups to lend every effort to the success of this crusade.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this twelfth day of July, in the year of Our Lord one thousand nine hundred and fifty-one, and in the Independence of the United States, the one hundred and seventy-sixth.

ALFRED E. DRISCOLL,
Governor.

LLOYD B. MARSH,
Secretary of State.

FOREWORD

The following Table of Contents, with the accompanying Schedules, is prepared pursuant to P. L. 1939, chapter 379, to indicate the changes made in the statute law, since the enactment of the Revised Statutes.

The Table of Contents, itself, indicates the changes made in the general and permanent statute law, during this period, either by amendment or repeal of pre-existing legislation or by the enactment of additional legislation.

The classification and arrangement used in the Table is that of the Revised Statutes amplified so as to include material for which no adequate classification units appear in the Revised Statutes.

Where reference is to an amendment of a section of a pre-existing statute, the reference is to the number of the section of the statute amended, as it is found in the Revised Statutes or in the Pamphlet Laws.

In all cases in which new chapters or other subdivision headings are set up, they are designated in the Table as "new" or "added." Where a chapter or other subdivision heading is designated as "new," it has been set up for convenience in classification by the Law Revision and Bill Drafting Commission. Where it or a section number is designated as "added," it has been set up by statute.

In order that the Table may serve as a table of contents not only of the Pamphlet Laws but also of the New Jersey Statutes Annotated and the Revised Statutes Cumulative Supplements, the compilation numbers, under which the additional legislation appears in the latter, have been added in parenthesis after the references to the Pamphlet Laws.

In most cases the numbers used are those assigned to the material by the Commission under P. L. 1941, chapter 19

and they are preceded by the letter "C." to distinguish them from Revised Statutes section numbers, thus; "(C. 1:1–2.5)."

Where, as occurs in some instances, material is found under different numbers in the New Jersey Statutes Annotated and the Revised Statutes Cumulative Supplements, both numbers so used are indicated, thus; "(NJSA 2:27–314.1; RSCS 2:26–204)" and a Schedule (Schedule 4) showing the divergent numbers is appended to the Table.

In cases in which additional legislation has been amended, the amendments are carried under the numbers assigned to the sections of the statutes amended.

It must be borne in mind, however, that in citing any material from the Pamphlet Laws, the year and chapter number of the Pamphlet Laws, in which the material appears must be used, whether or not the compilation numbers are used.

Numerous cross-reference notes have been included in the Table and in them reference is made to the Title and chapter numbers under which the legislation so referred to will be found in the Table, thus; (T. 2, c. 26).

Statutes of a general and permanent character enacted within the period covered which have been repealed and statutes not general and permanent in character are not referred to in the Table but references to them are to be found in Schedule 3 and in Schedules 5 to 7, both inclusive, annexed to the Table.

Acknowledgment is made to John W. Ockford, Counsel, and to H. Arthur Smith, Jr., William M. Lanning, George H. Barlow and Harold K. Smith, Assistants to Counsel, to the Commission, and to the Commission's clerical staff, for their valuable assistance in the preparation of this work.
