

SUPREME COURT OF NEW JERSEY

It is ORDERED that, effective March 1, 2018 and until further order, the following Superior Court judges are designated as “**Communications Data Warrant Judges**” to receive applications for and issue communications data warrants, communications information orders, and nondisclosure orders. Communications data warrants are required to install pen registers (mechanical devices that record the number dialed on a telephone), warrants requiring the provider of an electronic communications service to disclose the contents of an electronic communication (electronic communications disclosure warrants), an in-progress trace or a trap-and-trace device or cell phone location information. Communications information orders are required to obtain disclosure of a record, including toll billing records, or other information pertaining to a subscriber or a customer of a wire or electronic communications service or remote computing service.
