## Supremely Qualified: Support Pours In For Judge David Bauman's Nomination And Fair-Mindedness”

“I have known Judge Bauman for over twenty years, as we practiced law together at Bressler, Amery & Ross for over thirteen years before I became a Judge in 2005. His work ethic, intellect and demeanor were second to none. In addition, while in private practice, he always sought a fair and just result. These qualities are clearly still present, as is evidenced by the high esteem in which he is held by practitioners who appear before him and by his fellow Judges. There is no doubt in my mind that Judge Bauman would make a significant and positive contribution to our Supreme Court.”

**Honorable Thomas Weisenbeck**

“Dave Bauman is an incredibly intelligent and gifted attorney, as well as a balanced, fair-minded jurist. In 1989, Judge Bauman, then Captain Bauman, was my officemate and mentor at Camp LeJeune, NC, where we served together as Marine Corps criminal defense counsel. Even as a young lawyer, Captain Bauman showed a mastery of the law and a presence in the courtroom unmatched by very few attorneys I have practiced with or against in my 25 years of law practice. I respectfully commend Governor Christie on his selection of Judge Bauman for Associate Justice of the New Jersey Supreme and congratulate Dave on yet another accomplishment in his legal career. “

“I have known Judge David Bauman for approximately 25 years, and it is an honor and a privilege to endorse his nomination to the New Jersey Supreme Court. Dave Bauman personifies the entirety of those qualities and attributes of the office to which he has been nominated -- the highest integrity, intellect, work ethic, judgment, thoughtfulness, and most of all, his well-reasoned, common-sense decision making. I have always truly admired his ability to “. . . walk with kings -- nor lose the common touch . . .” Dave Bauman is a great American, and he will be a great asset to your Court and your State upon his appointment.”

**Matthew J. Baker**  
**Attorney at Law**

“I have known Judge Bauman for over 20 years. We served together in the United States Marine Corps. I have been both his adversary in court and his co-counsel. As a lawyer he was always well prepared and a zealous advocate for his clients. He was an excellent Marine Corps officer, who served his country with honor and integrity. He is a thoughtful hard-working and detailed-oriented Judge that calls the cases as he sees them, focusing on the law, not ideology. He will be a tremendous asset to the New Jersey Supreme Court, where I'm sure he will serve the people of New Jersey with honor.”

“Judges are legally, ethically and morally required to uphold the legal principles rooted in Anglo-American law, regardless of any personal opinions they may hold. In that regard, David possesses the honor, veracity, reliability, truthfulness, uprightness and integrity that characterize the best of the judicial profession. Sincere, genuine, truthful, earnest and candid, he will make a great addition to your Court. I urge your favorable action on his application in the strongest terms without qualification and will be happy to provide whatever additional information you may require toward that end.”
