FEDERAL FUNDS

Uncertainty over the amount of federal aid which may be available to the State prevents me from making a like certification in the case of federal funds. Federal monies specified in the appropriations bill cannot be regarded as immediately available for expenditure. Pursuant to NJSA 52:27B-26, I direct that expenditures be permitted under these appropriations only upon determination by the Director of the Division of Budget and Accounting that federal funds to support any expenditure are receivable or have been received by the State.

Respectfully,

Governor
