Christie Administration Continues Department of Banking and Insurance Mobile Offices Tuesday in Ocean and Bergen Counties

Trenton, NJ - To continue assisting New Jerseyans who have suffered property loss as a result of Hurricane Sandy, the Christie Administration will host additional mobile offices in Ocean and Bergen counties Tuesday, November 20, between 9 am. and 5 p.m., to handle consumers' questions, take complaints, and assist them in filing insurance claims related to damages caused by the storm. Last week, Acting Commissioner Kobylowski and his staff hosted similar mobile offices at Sayreville Senior Center (Sayreville, Middlesex County), the West Park Recreation center (Oakhurst, Monmouth County) and the Berkeley Township Recreation Center (Bayville, Ocean County).

The Department will send members of its senior staff along with consumer representatives to each location. Staff will provide consumers with literature on such topics as property insurance, flood insurance and general information about filing insurance claims, as well as answer general questions and assistance. There will also be a representative from the Governor's Office at each site. In order to expedite matters, residents should bring their insurance policy and any claim information to the mobile office.

The locations are as follows:

Ocean County:

Brick Township Civic Center
270 Chambers Bridge Road
Brick Township, NJ 08723

Bergen County:

St Margaret of Carona Church
31 Chamberlain Avenue
Little Ferry, NJ 07643

Consumers unable to attend a mobile office can call the Department with questions about banking and insurance matters at (800) 446-7467 or visit online at www.dobi.nj.gov.
