PEOPLE FOR HORSES

You're crazy over horses, and would like to meet some people who are similarly inclined, or are interested in a particular breed or equine activity. Here is a list of organizations which may be of help to you.

Please note that the contacts listed are not necessarily an officer of the organization but are individuals whom experience has shown can be readily reached for information.

In addition to the forty-eight groups listed here, you may find others in your area. If you do, won't you let us know about them? Call (609) 292-2888 or 2877.

Thank you.
