JOINT COMMITTEE'S REPORT.

STATE OF NEW JERSEY,
OFFICE OF STATE TREASURER,
TRENTON, November 27th, 1896. }

To the Senate and General Assembly of the State of New Jersey :

The Joint Committee of the Legislature on Treasurer's Accounts having examined the accounts and securities of the State, found them correct.

The securities of the several funds of the State, including the Sinking Fund account, have been examined, accounted for and are in the possession of the Treasurer. Notwithstanding the financial depression of the past year the Treasurer reports a balance in excess of the preceding year.

The Committee congratulates the State of New Jersey upon the condition of the State finances, also for the business-like manner in which the Treasurer and his efficient clerical force have conducted the business of the office.
