Public Comments on Agenda Items and Other Matters

Murray Bodin discussed his favorite subject: change. He said there were enormous changes for the better. Mr. Bodin believes Executive Director Hakim has done a good job, gotten NJ TRANSIT on the right track, will be going to a good place, and thanked her for her service. He thinks her replacement is a change agent, and he looks forward to seeing NJ TRANSIT find a new way under his leadership.

Orrin Getz thinks Dennis Martin is a good problem solver and good choice for Interim Executive Director. He believes Mr. Martin will need to become familiar with the rail side but noted his experience improving the Port Authority Bus Terminal. Mr. Getz would like Mr. Martin to focus on improving the use of Hoboken Terminal and would like him to talk to the Port Authority of New York and New Jersey about improving PATH service to Hoboken.

Mr. Getz also wants Mr. Martin to add the two missing sidings on the Pascack Valley Line to improve economic development along the line. Mr. Getz said they are going to push the MTA to be more interested in Gateway, lead the expansion of the #7 subway to Secaucus, and fund handicap accessibility at Suffern Station. Mr. Getz suggested looking at MTA's successes for creating a plan for dedicated funding for 2016. He noted their mortgage recording tax, sales tax, and especially their utility surcharge. Mr. Getz discouraged their use of a payroll tax. Additionally, Mr. Getz noted MTA uses bridge and tunnel tolls and suggested NJ TRANSIT continue receiving funding from the New Jersey Turnpike Authority. He wished everyone happy holidays and wished Executive Director Hakim success at the MTA.

Joseph Clift wished Executive Director Hakim the best in New York, in a very important and challenging job that is even more important to him since he lives in New York. He said Executive Director Hakim accomplished a lot while leading NJ TRANSIT. Mr. Clift hopes Dennis J. Martin will not be a placeholder, but rather will manage to get things done. He noted the item allows the Board to take back powers and urged them not to do that.

Mr. Clift noted in Mr. Martin's short time heading Bus Operations, he and his team were successful in untying the Gordian knot during the afternoon rush at the Port Authority Bus Terminal. Mr. Clift received an in-depth tour of NJ TRANSIT's Port Authority Bus Terminal operations from Alecia Arenaitwe and observed first-hand the positive impact on customers. He noted commuters were no longer angry, rushing, or pushing.

Mr. Clift urged Mr. Martin to use his skills to apply the same type of approach to review NJ TRANSIT’s capital and rail side and particularly past actions. He specifically noted the Delco Lead/County Yard project.

Action Item:

1512-52: APPOINTMENT OF INTERIM EXECUTIVE DIRECTOR

Acting Chairman Hammer presented Action Item #1512-52, Appointment of Interim Executive Director, for approval.

Authorization was requested to appoint Dennis J. Martin, Interim Executive Director effective December 28, 2015, with all the powers normally held by the Executive Director under NJ TRANSIT’s enabling legislation, its By-Laws and Board Resolutions, unless specifically limited by appropriate action of the NJ TRANSIT Board of Directors.

Board Member Myron P. Shevell moved the amended resolution, Vice Chairman Bruce M. Meisel seconded it, and it was unanimously adopted.

Roll Call Vote:

Hammer	Meisel	Herbold	Petrecca	Shevell	Castillo	Finkle	Greaves
Yes	Yes	Yes	Yes	Yes	Yes	Yes	Non-Voting Member

After the vote, Vice Chairman Meisel told Dennis J. Martin that he looks forward to working with him and he believes Mr. Martin was a wise choice for Interim Executive Director. Vice Chairman Meisel wished Executive Director Hakim well. Board Member Shevell wished them good luck.

Board Member Greaves believes Mr. Martin was an excellent choice. He has had the opportunity to work with Mr. Martin and said no one has Mr. Martin’s expertise relating to transit bus and noted his accomplishments with the Port Authority Bus Terminal and reaching across the aisle to employees. Board Member Greaves commended Executive Director Hakim on the job she has done and wished her the best.

Adjournment

Since there were no further comments or business, Acting Chairman Hammer called for adjournment and a motion to adjourn was made by Vice Chairman Bruce M. Meisel, seconded by Myron P. Shevell, and unanimously adopted. The meeting was adjourned at approximately 1:48 p.m.
