STATE OF NEW JERSEY  
DEPARTMENT OF THE TREASURY  
William L. Stringer  
Executive Director  
CN-002

January 23, 1984

Honorable Carmen A. Orechio  
President, N. J. Senate  
800 Bloomfield Avenue  
Nutley, New Jersey 07110  
Honorable Alan J. Karcher  
Speaker, N. J. General Assembly  
61 Main Street  
Sayreville, New Jersey 08872

*Dear Mr. President and Mr. Speaker:*

On July 20 of last year the Governor and Treasurer Biederman announced a major restructuring of the Department of Treasury. The restructuring was designed to streamline and centralize the State's fiscal operations. Since that date the Department of Treasury has sought to elucidate departmental goals and objectives, define duplicative or unnecessary tasks and develop appropriate lines of communications and organizational structure. Now, consistent with this purpose and subsequent findings, the Treasurer has asked the Governor to submit a formal Reorganization Plan under the Executive Reorganization Act which will formalize those elements of the plan requiring legislative consideration. That submission is attached.

As you know, the Executive Reorganization Act requires the Governor to transmit to the Legislature a plan for the reorganization of a Department of the Executive Branch where such reorganization entails the consolidation of agencies within the Department, the transfer of functions of one agency to another, or a provision for delegation of authority not expressly provided for by

statute. Consistent with this mandate, the Reorganization Plan creates a General Services Administration (GSA) within the Treasury Department which will include the existing Divisions of Purchase and Property and Building and Construction, and subject them to the supervision and control of an Administrator of General Services. The plan provides for the abolition of the existing Division of Data Processing and Telecommunications. It transfers this division's responsibilities for procurement and operations to the General Services' Administrator and allocates its wider planning responsibilities to the Treasurer. The GSA Administrator shall also supervise the Department's Financial Data Center. Finally, the Plan authorizes the GSA Administrator to exercise delegated powers of the Treasurer, relating to State contracts and property transactions. Edward Hofgesang has been serving as the Treasurer's representative for coordinating the Divisions of Purchase and Property and Building and Construction and will, upon the effective date of the Plan, officially become Administrator of General Services.

The resulting GSA organization facilitates a more encompassing communications and coordination function between closely related service divisions within Treasury. The consolidation will greatly enhance the ability of Treasury to meet its intergovernmental responsibilities, such as providing quality office space, enforcing the State's procurement statutes and acquiring cost effective communications and data processing capabilities. Treasury had noted, and the Governor's Management Improvement Program again noted, that the fragmented nature of service elements within Treasury led to inefficiency and untimely delivery of these intergovernmental services. The establishment of the GSA umbrella will speed review and communications between Treasury divisions.

While the GSA reorganization is the only element of the Reorganization Plan, it would be timely to note other changes within the Department of the Treasury. First, Alfred Fasola has served as representative of the Treasurer in working with the Division of Budget and Accounting in coordinating Management and Budget activities to logically and systematically incorporate long run coordinated objectives and cost saving proposals in the budget process. While additional budget-related activities in the area of Planning and Management Support have been undertaken, no statutory authority is altered and no agencies within the Department are consolidated, created or destroyed.

Second, Treasury has sought to place various financial activities, current and expanded, into a well defined reporting organization. Financial activities carried out in the past by the Treasurer's Office have been expanded. For example, debt collection, authority debt monitoring and work necessary to prepare for New Jersey's general obligation debt issues have grown considerably in complexity in recent years. Elizabeth Felker, serving as representative of the Treasurer, has continued oversight of this Financial Management

function and the staff has been expanded in recognition of the need. The Division of Investment will continue to report to the Treasurer through Ms. Felker. The Division of Taxation, the Division of Pensions and the Lottery Division will continue, without change, to report directly to the Treasurer.

Treasury is a massive department with vast and complex responsibilities. It consists of eleven divisions and 4,600 employees with varied responsibilities ranging from taxation and budget preparation to purchasing and construction. However, in recent history this centralized and coordinated control has been a recognized strength of New Jersey's fiscal and operational structure. This reorganization preserves the strengths yet forms a workable structure from what had evolved into an unwieldy organization.

Admittedly, the vast majority of the changes are internal to the Department. Nevertheless, those changes significantly alter the manner in which budgets are formulated and financial dealings are carried out. The realignment into major reporting groups can only enhance the efficiency of New Jersey's Department of Treasury.

The accompanying Executive Reorganization Plan is an integral portion of Treasury's restructuring. Any questions you might have regarding its purpose or operation, of course, are welcome.

Sincerely,  
WILLIAM L. STRINGER,  
*Deputy State Treasurer.*

NOTICE OF REORGANIZATION PLAN FOR THE  
COORDINATION OF PROCUREMENT, CONSTRUCTION,  
PROPERTY MANAGEMENT AND OTHER FUNCTIONS  
IN A GENERAL SERVICES ADMINISTRATION  
WITHIN THE DEPARTMENT OF THE TREASURY

Take notice that on January 23, 1983, Governor Thomas H. Kean issued the following Reorganization Plan which provides for the coordination of the functions of the Division of Purchase and Property and Building and Construction in a General Services Administration within the Department of the Treasury and further provides for the abolition of the Division of Data Processing and Telecommunications and the allocation of its functions.

REORGANIZATION PLAN  
OF THE GENERAL SERVICES ADMINISTRATION  
WITHIN THE DEPARTMENT OF THE TREASURY

In addition to its statutory responsibility in widely diverse areas including budget preparation, fiscal control, revenue collection, investment of State funds, and, pension administration, the Department of the Treasury is also responsible for procurement, construction and property management for other State agencies. In order to provide more effective coordination of the Department's service

operations for other agencies, this Reorganization Plan provides for the consolidation of those operations in a General Services Administration and authorizes the Treasurer to delegate any of his functions, powers or responsibilities in these areas to an Administrator of General Services. The provisions of the Plan are as follows:

1. The Divisions of Purchase and Property and Building and Construction are hereby consolidated in a General Services Administration within the Department of the Treasury.

2. The General Services Administration shall be under the supervision of an Administrator of General Services who shall be appointed by and serve at the pleasure of the State Treasurer, who shall fix the compensation of the Administrator, consistent with law, within the limits of available appropriations.

3. The Divisions of Purchase and Property and Building and Construction and the Directors thereof shall continue to exercise all functions, powers and responsibilities specified in existing law, subject to the supervision and control of the Administrator of General Services.

4. The Division of Data Processing and Telecommunications, created by P. L. 1970, c. 94 (C. 52:18A-137 *et seq.*) is hereby abolished. The functions, powers and duties specified in sections 3 (f), 4 (a), 5 (g), 6, 7, and 8 (a) of P. L. 1970, c. 94, insofar as they relate to procurement of equipment and services or the direct operation of telecommunications systems, are hereby transferred to the Administrator of General Services who shall supervise their performance either through the Division of Purchase and Property or through such bureaus as he may establish within the General Services Administration which shall be under his immediate supervision. The remaining functions, powers and duties of the Division not relating to procurement or telecommunications operations are hereby transferred to the State Treasurer.

5. The Administration of General Services shall also directly supervise the operations of the Financial Data Center.

6. The Administrator of General Services shall be authorized to exercise any function, power or responsibility of the State Treasurer relating to the procurement of goods or services, the award of State contracts or the acquisition or disposition of real or personal property as the Treasurer may delegate. Such delegation shall be in writing, stating the scope of the delegation and filed with the Secretary of State, and shall remain effective until revoked in the same fashion.

In accordance with the provisions of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (C. 52:14C-1 *et seq.*), I find that this Reorganization Plan is necessary to accomplish purposes set forth in section 2 of that act. Specifically, I find that consolidation of the Divisions of Purchase and Property and Building and Construction and the procurement and operational functions of the Division of Data Processing and Telecommunications in a General

Services Administration under the control of an Administrator who may exercise powers of the Treasurer will: (a) group agencies and functions of related kind within the Treasury Department, and subject them to appropriate supervisory control by a single officer responsible directly to the Treasurer, (b) promote effective coordination of the Treasury Department's service operations for other State agencies, and (c) increase efficiency in the performance of these services and in the general management of the Executive Branch.

THOMAS H. KEAN,  
*Governor.*

Attest:

W. CARY EDWARDS.

A copy of this Reorganization Plan was filed on January 23, 1984, with the Secretary of State and the Office of Administrative Law and is published herein pursuant to N. J. S. A. 52:14C-4 (c) to become effective on March 23, 1984, unless disapproved by the Legislature.

Take notice that this Reorganization Plan, if not disapproved, has the force of law and will be printed and published in the annual edition of the public laws by the Secretary of State but the text of this Executive Order will not be codified in the New Jersey Administrative Code.

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
March 20, 1984. }

ASSEMBLY BILL No. 834

*To the General Assembly:*

Pursuant to Article V, Section 1, Paragraph 14 of the New Jersey Constitution, I herewith return Assembly Bill No. 834 without my signature.

This bill provides immediate reimbursement to the school district of Monroe township for the tuition charges it was required to pay for eleven youths who are residents in the Training School for Boys at Jamesburg.

By law, the Department of Education must charge the town where the facilities so charged, there are currently 22 other districts throughout the State that are held financially responsible for these children. This bill addresses only one school district. Therefore, from a policy standpoint, I cannot support this special interest legislation.

While I recognize the problem identified by Assembly Bill No. 834, I nonetheless must return it without my approval, and urge the Legislature to deal with this problem in a comprehensive State-wide manner.

Therefore, I herewith return Assembly Bill No. 834 without my approval.

Respectfully,

/s/ THOMAS H. KEAN,  
*Governor.*

[SEAL]

Attest:

/s/ W. CARY EDWARDS,  
*Chief Counsel to the Governor.*

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
June 21, 1984. }

ASSEMBLY BILL No. 1815 (OCR)

*To the General Assembly:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1815 (OCR) with my recommendations for reconsideration.

This bill is intended to permit employers in seasonal amusement businesses or restaurants to hire minors between the ages of 16 and

18 to work after 11 p.m. and following 12:01 a.m. and up to 6 a.m. of the next day if that employment is a continuation of a work day which began before 11:00 p.m. but only: (1) during a regular school vacation season and (2) on days which do not precede regularly scheduled school days, provided they have a written permit from their parents or legal guardian stating the hours they may work. However, minors would not be permitted, under any condition, to work between the hours of 3:00 a.m. and 6:00 a.m. on any Sunday preceding a regularly scheduled school day.

Under the current child labor law, minors between 16 and 18 years of age in all other jobs but restaurants are permitted to work after 11 p.m., but no later than 12 midnight during school vacations or on days not preceding a school day with a note from their parents. Currently, in restaurants only, minors between 16 and 18 years of age, may work during school vacations *and* on days not preceding a school day after 12 midnight. There has been some recent confusion concerning whether or not minors between 16 and 18 working in restaurants who begin work before 11 p.m. on a Saturday night, may work after 12 midnight, since Sunday is a day preceding a school day. The proponents of the bill claim the current law causes a hardship on young people and the industry by forcing owners to either close down business at 12 a.m. on Saturday nights or not hire minors for those jobs.

Unfortunately, this bill in attempting to correct one problem raises another. Specifically, under current law, a minor between 16 and 18 may work to midnight during a vacation or on a day not preceding a regularly scheduled school day in a nonrestaurant business. This bill requires all minors between 16 and 18, in all other jobs but seasonal amusement and restaurant jobs, to stop work at 11 p.m. Therefore, minors between the ages of 16 and 18 could currently work in a movie theater during vacation until 12 midnight, but if I sign this bill they would have to stop at 11 p.m. I understand this was never the sponsor's intention and therefore, I request that it be changed back. Additionally, I have made some language changes which I believe will make this bill technically better.

Accordingly, I herewith return Assembly Bill No. 1815 (OCR) with the following recommendations:

*Page 1, Section 1, line 14:* After "day;" insert "provided, that minors between 16 and 18 years of age may be employed after 11:00 p.m. during any regular school vacation season, and on days which do not precede a regularly scheduled school day with a special written permit from their parents or legal guardian stating the hours they are permitted to work;"

*Page 1, Section 1, line 15:* Delete "continue to"

*Page 1, Section 1, line 18:* After "p.m." insert "either"

*Page 1, Section 1, line 19:* Delete "and" insert "or"; after "on" insert "work"

*Page 1, Section 1, line 20:* After "not" insert "begin on a day which"; after "precede" insert "s"

*Page 2, Section 1, line 29:* Delete "Sunday" insert "day"

Respectfully,

/s/ THOMAS H. KEAN,  
*Governor.*

The following resolution was received and read:

#### ASSEMBLY RESOLUTION

By Assemblymen Mazur, Foy, Visotcky, Watson, Schuber, Weidel and Chinnici:

WHEREAS, The General Assembly Rules and Order Committee has conducted a thorough review of the Rules of the General Assembly; and

WHEREAS, The General Assembly Rules and Order Committee conducted its business during committee meetings held on May 3 and June 22, 1984, and held a public hearing on June 7, 1984; and

WHEREAS, The General Assembly Rules and Order Committee recommends adoption of the following revisions to the rules in order to provide for more efficient, effective and orderly management of its operations and conduct of the public's business; now, therefore,

BE IT RESOLVED by the General Assembly of the State of New Jersey that the temporary Rules of the 1984 General Assembly be adopted as the permanent Rules, subject to the following changes:

1. Rule 1:5 is amended to read as follows:

1:5. At such annual organization meeting, such other officers and employees shall be appointed, by resolution of the General Assembly, as it shall deem to be advisable and necessary, including [an Executive Assistant to the Speaker, Deputy Clerk, Assistant Clerks, Calendar Clerk, Minutes Clerk, Supervisor of Bills, Bill Clerk,] Sergeant-at-Arms [and Assistant Sergeant-at-Arms]. The Clerk and the Sergeant-at-Arms shall continue in office until their successors are chosen and qualified.

2. Rule 2:3 is amended to read as follows:

2:3 In case a less number of members than a quorum shall be present *any time* after the [arrival of the hour to which the] General Assembly [stood adjourned] *is called to order*, a majority of those members present shall have the authority to send their Sergeant-at-Arms, or any other person or persons by them authorized, with a warrant duly executed, for any and all absent members [, and at the expense of such absent members, respectively, unless such excuse for non-attendance shall be rendered as the General Assembly, when a quorum is convened, shall judge sufficient].

9. Rule 5:9 is amended to read as follows:

5:9 He shall deliver to the [Supervisor of Bills] *Office of Legislative Services* for reprinting bills and joint resolutions, and such concurrent resolutions as were originally printed, originating in and passed by the General Assembly and amended by the Senate, when concurred in by the General Assembly.

10. Rule 5:10 is amended to read as follows:

5:10 After bills and joint resolutions have passed their second reading, he shall [deliver] *maintain* them, together with amendments thereto[, to the Supervisor of Bills].

11. Rule 5:11 is amended to read as follows:

5:11. He shall supervise the [Deputy, Clerk, Assistant Clerks, Calendar Clerk, Minutes Clerk, Supervisor of Bills, Bill Clerk,] Sergeant-at-Arms[, Assistant Sergeant-at-Arms] and such other officers and employees as designated by the Speaker.

12. Rule 5:15 is amended to read as follows:

5:15 He shall distribute copies of all proposed amendments, veto messages and [reports from executive agencies] *such material as the Speaker shall direct* to the members and to the executive directors of the majority and minority staff.

13. Rule 5:17 is amended to read as follows:

5:17. [The Deputy Clerk and Assistant Clerks shall aid the Clerk in the performance of his duties. One of them shall, as directed by the Speaker,] *The Speaker shall direct another officer or employee* to perform the duties of the Clerk in the absence of the Clerk.

14. Rule 5:18 is adopted to read as follows:

5:18. (New section) The Clerk shall affix the jurat and official seal to all bills, joint resolutions and concurrent resolutions that have been passed.

15. Rule 6:4 is amended to read as follows:

DUTIES OF THE SERGEANT-AT-ARMS [AND  
ASSISTANT SERGEANT-AT-ARMS]

6:4 The [Assistant Sergeants-at-Arms] *Speaker* shall *direct other officers and employees* to aid the Sergeant-at-Arms in the performance of his duties and [shall], in the absence of the Sergeant-at-Arms, *to perform the duties of the Sergeant-at-Arms.*

20. Rule 7:5 is amended to read as follows:

7:5 [The Bill Clerk shall be responsible for the filing and distribution of printed copies of all bills, joint resolutions, and concurrent resolutions, and amendments thereof.] *Blank*

21. Rule 7:6 is amended to read as follows:

7:6 [Other employees not specifically named herein shall perform such duties as shall be assigned to them]. *Blank*

22. Rule 8:13 is amended to read as follows:

8:13. [Petitions, memorials and other papers addressed to the General Assembly shall be presented by the Speaker, or by a member in his place; a brief statement of the contents thereof shall be made by the introducer, and, if called upon, he shall declare that it does not in his opinion, contain any indecent or reproachful language, or any expressions of disrespect to the General Assembly, or any Committee of the same]. *Blank*

23. Rule 9:2 is amended to read as follows:

9:2. After the Speaker has assumed the Chair the order of business shall be as follows:

a. Prayer.

b. Salute to the flag of the United States.

c. Calling of the Roll.

d. Reading of the minutes, if called for by any Assemblyman by motion which is carried. The minutes may be corrected immediately after such reading, or at any meeting thereafter by direction of the Speaker or on motion adopted therefor.

e. Recognition by the Speaker, *during a period not to exceed forty-five minutes*, of the presence of any individuals or groups visiting the Assembly.

f. Presentation and disposal of petitions, memorials and communications.

g. Bills and joint resolutions on third reading.

h. Introduction of bills.

i. Reports of standing and other committees.

j. Bills and joint resolutions on second reading.

k. Unfinished business.

24. Rule 9:3 is amended to read as follows:

9:3. The Calendar kept by the Clerk of all bills, joint resolutions and concurrent resolutions to be printed shall be the official record of the status of each bill and [joint] resolution.

#### GENERAL ASSEMBLY JOINT COMMITTEES

1. Ethical Standards Committee
2. State Library Committee

The Revenue, Finance and Appropriations Committee shall consist of 15 members; all other Standing Reference Committees shall consist of five members; the Intergovernmental Relations Committee shall consist of five members; the Rules and Order Committee shall consist of five members; the Legislative Oversight Committee shall consist of five members; and the membership of the General Assembly on the Ethical Standards and State Library Committees shall consist of four members.

*The standing administrative committees shall meet from time to time but not less than once in each annual session.*

The Speaker shall appoint a chairman and a vice-chairman for each standing reference, administrative and special committee. In the absence of the chairman, the vice-chairman shall preside at any meeting of the committee duly convened by the chairman. In case of the disability of a chairman, the vice-chairman shall, with the approval of the Speaker, assume all the responsibilities of the chairman. The chairman, vice-chairman, and all other members of each committee shall serve at the pleasure of the Speaker, but no committee member shall be removed from his committee assignment except for good cause.

The Speaker, the majority and minority leaders, and the assistant majority and minority leaders shall be ex-officio members, without vote, on all standing reference committees.

26. Rule 10:5 is amended to read as follows:

10:5. Each standing reference committee shall meet at such time and place as its chairman shall designate; provided, however, that no meeting shall be scheduled by the Chairman in conflict with the schedule established by the Speaker for a day when the General Assembly is in session.

The chairman shall cause to be communicated to the Division of Legislative Information and Research such information as may be necessary for the Division to give five days notice to the public and the members of the General Assembly of the time, place, and agenda for each committee meeting. No more than ten bills or resolutions may be considered at a committee meeting *on a day when the General Assembly is in session except upon special order of the Speaker.*

All meetings at which official committee action is to be taken shall be open to the general public. A committee may, upon the affirmative vote of a majority of its authorized membership at an open meeting, convene in closed or executive session for the purpose of discussing any matter before the committee, or for meeting with or taking testimony from any person; provided, however, that full discussion and consideration of any bills or resolutions and all motions and action thereon shall be made in public session.

At the meeting at which the statement is considered, any members who voted against reporting the bill or resolution, or against approving the statement, may offer a minority statement on the bill, and such minority statement shall be filed and printed in the same manner as the committee statement.].

*A committee shall provide a written statement for each bill and resolution which it reports. One copy shall be filed with the Clerk with the committee's report of the bill or resolution, and one copy shall be delivered to the Division of Legal Services for printing.*

*A committee statement shall commence with a digest of the provisions of the bill or resolution as reported by the committee, and shall also contain an explanation of the nature of any amendments adopted by the committee, a statement of the motion by which the bill or resolution was reported, and a summary of the provisions of any law to be repealed. The statement may also contain any supporting or background information which the committee members who voted to report the bill or resolution may wish to provide. Each committee member who voted against the motion to report the bill or resolution may offer a minority statement, which statement or statements shall be included within the committee statement under a separate designation.*

30. Rule 10:12 is amended to read as follows :

10:12. Whenever a standing reference *or other* committee is directed by resolution of the General Assembly or by order of the Speaker to undertake any investigation or study, the chairman shall request the [Division of Legislative Information and Research] *Office of Legislative Services* to provide for such research *and other* services and prepare such reports as the committee determines will facilitate its consideration of the matter under investigation or study. [At the discretion of committee, such reports may be printed, bound and distributed.]

31. Rule 10:15 is amended to read as follows:

10:15. The General Assembly may, with the consent of the Senate, if the same is required, appoint any commission, committee or other body whose main purpose is to aid or assist it in performing its functions. Members of the General Assmblly [may] *shall be appointed by the Speaker* to serve on any such body.

32. Rule 12:3 is amended to read as follows:

12:3. After the taking of the yeas and nays on any question has commenced, no motion shall be received until a decision shall have been announced by the Chair.

*No member may change his or her vote after the decision shall have been announced by the Chair, except to correct a vote recorded in error.*

d. After such examination and when it shall be indicated on the bill or resolution that it has been released, the [said Committee] *Division of Legal Services* shall return the [original and one] *Clerk's* copy of said bill or resolution to the Clerk, [retaining one] *retain the Counsel's* copy for the files of the [Law Revision and Legislative Services Commission] *Division and deliver one copy to the Division of Information and Research and one copy to the printer.*

e. Thereupon the Speaker shall, unless he shall have theretofore referred the same, endorse upon the [original] *Clerk's copy* the Committee, if any, to which it is to be referred and deliver it, with the copy returned to him, to the Clerk.

f. The reading by the Clerk of the number, title and committee reference if any, of each bill and resolution delivered to him by the Speaker shall be taken as the introduction and first reading of the bill or resolution.

g. All bills and joint resolutions and concurrent resolutions proposing an amendment or amendments to the Constitution shall, after their first reading, be referred to their appropriate committees, unless the [General Assembly] *Speaker* shall otherwise order and shall, unless they have been previously printed, be printed for the use of the members. Other concurrent resolutions and resolutions shall take the same course as to printing unless otherwise ordered by the Speaker of the House.

h. During the second annual session of the Legislature, no bill, *joint resolution, concurrent resolution or resolution* introduced after September 1st shall be printed except by order of the Speaker or special order of the General Assembly.

[i. After numbering and listing each bill and resolution, the Clerk shall cause 250 copies of same to be printed; upon release from committee an additional 250 shall be caused to be printed; upon being calendared for 3rd reading the Speaker may cause an additional 250 copies to be printed and he may order an additional 250 copies printed upon final passage by the Assembly; in the event an Official Copy Reprint is required the Speaker shall cause 500 copies of same to be printed. The foregoing quantities of bills and resolutions are in addition to those required for subscribers to bill service and that required for distribution to State departments.]

[j. Unless emergent circumstances warrant otherwise, the Speaker shall cause printed copies of all Assembly bills to be delivered as soon as may be to the desk assigned, within the

respective chambers, to each member of the Senate and General Assembly. Copies of printed bills shall be mailed to members only when there is no session anticipated for more than 14 consecutive calendar days.]

[k. The Clerk in collaboration with the Secretary of the Senate shall annually secure through the Division of Purchase and Property competitive bids for all printing work including the printing of bills, resolutions and legislative reports. Wherever practical, the lowest responsible bidder shall receive the contract for the legislative printing. In preparation of said bids the preference shall be given to the use of recycled paper whenever possible.]

38. Rule 15:2.c. is amended to read as follows:

[15:2.c. The Chairman of the Committee, or the Committee, to which any Assembly Bill, so endorsed by the Judiciary Committee of the General Assembly, is referred, shall, before reporting the bill, request the Office of Fiscal Affairs, in writing, to cause to be prepared and certified to him, or it, a fiscal note for the bill. If such bill, so endorsed by the Judiciary Committee of the General Assembly, is not referred but is not immediately advanced to second reading, then the Speaker shall request the Office of Fiscal Affairs, in writing, to cause to be prepared and certified to him, a fiscal note for the bill. If the Chairman of the Committee, or the Committee, to which any Assembly bill not so endorsed by the Judiciary Committee of the General Assembly, or any Senate bill, is referred, shall be of the opinion that the effect of such bill, if enacted, would be such that a fiscal note should be annexed to or accompany said bill, or that any statement in the nature of a fiscal note which is annexed to or accompanies said bill is not an accurate fiscal note for said bill, he, or it, shall, before reporting the bill, request the Office of Fiscal Affairs, in writing, to cause to be prepared and certified to him, or it, a fiscal note, or an accurate fiscal note, as the case may be, for the bill. If any Assembly bill not so endorsed by the Judiciary Committee of the General Assembly, or any Senate bill, is not referred, but is not immediately advanced to second reading, then the Speaker, if he be of the opinion that the effect of said bill, if enacted, would be such that a fiscal note should be annexed to or accompany said bill, or that any statement in the nature of a fiscal note which is annexed to or accompanies said bill is not an accurate fiscal note for said bill, shall before the bill is advanced to second reading, request the Office of Fiscal Affairs, in writing, to cause to be prepared and certified to him a fiscal note, or an accurate fiscal note, as the case may be, for the bill.

If the Executive Director of the Office of Fiscal Affairs, when so requested, shall determine that the effect of the bill as to which such request is made, if enacted, would be to increase or decrease State revenues, or to increase State expenditures, or to require the appropriation of State funds not set forth in dollars therein, and that no fiscal note is annexed to or accompanies said bill, or that any statement in the nature of a fiscal note, which may be

annexed to or accompany said bill, is not an accurate fiscal note for said bill, he shall cause to have prepared and certified, within sixty days after the date the request is received, a fiscal note, or an accurate fiscal note, accordingly, and no such bill shall be reported out of Committee or have second reading until such request shall have been fully complied with, or until the Chairman of the Committee, or the Committee, or the Speaker, as the case may be, has been notified by the Office of Fiscal Affairs that no fiscal note is required for said bill, or that any statement in the nature of a fiscal note annexed to or accompanying said bill is an accurate fiscal note for said bill.] *Blank*

39. Rule 15:2.d. is amended to read as follows:

[15:2.d. Whenever any bill of the character described in Rule 15:2.a. is introduced and advanced to second reading, a fiscal note may be required to be furnished to it only by special order of the House and in case such an order is made the preparation of a fiscal note to said bill shall be requested, in writing, of the Office of Fiscal Affairs by the Clerk of the General Assembly.] *Blank*

43. Rule 15:2.h. is amended to read as follows:

[15:2.h. Whenever any member of the General Assembly shall desire to introduce any bill which, if enacted, would increase or decrease county, municipal, school or special district revenues or require an increase in expenditures by any thereof, he may request, in writing, the preparation and certification to him a fiscal note containing an estimate in dollars of the amount by which county, municipal, school or special district revenues or expenditures would be increased or decreased. Such a request for a fiscal note shall be processed in the manner prescribed by Rules 15:2.a. through 15:2.g.

Whenever the preparation and certification of a fiscal note with respect to a bill which would affect county, municipal, school or special district revenue or expenditures would require an extended period of time and unduly impede consideration of the bill by the Assembly, the Office of Fiscal Affairs may so certify together with the best estimates of the fiscal impact of the bill as can be ascertained within a reasonable amount of time and such a certification shall constitute compliance with the requirements for provision of a fiscal note.

After a bill on which a fiscal note has been prepared under this rule has received second reading, the Clerk shall transmit a copy of the fiscal note to the New Jersey Association of Counties, the New Jersey League of Municipalities, or the New Jersey School Boards Association as appropriate for the type or types of local governmental bodies affected by the bill. The bill may not be calendared for consideration on third reading until the seventh day after it receives second reading.] *Blank*

44. Rule 15:5 is amended to read as follows:

15:5. Bills, resolutions and proposed changes in a Standing Rule (or Order) of the General Assembly shall be presented in typewritten, printed or other similar form in one original and three carbon or similarly duplicated copies thereof. All amendments to bills, resolutions or Standing Rules shall be similarly presented in one original and three copies thereof. All amendments to bills, resolutions or Standing Rules shall be similarly presented in one original and three copies thereof. Copies of all bills, joint resolutions, concurrent resolutions and resolutions, except concurrent resolutions and resolutions otherwise ordered by the Speaker, amendments thereto and official copy reprints thereof, and proposed changes in any Standing Rule (or Order) shall be printed for the use of the members of the General Assembly and Senate and for public distribution in such quantities as determined *and authorized* by the [Clerk] *Speaker* of the General Assembly [; provided, however, that no quantity in excess of one thousand copies of all bills, joint resolutions and concurrent resolutions and official copy reprints thereof shall be printed without the consent of the Speaker or order of the General Assembly].

49. Rule 15:11 is amended to read as follows:

15:11. a. No bill or joint resolution shall be considered on third reading in the General Assembly until after the intervention of one full calendar day following the day of the second reading but if the General Assembly shall resolve by vote of three-fourths of all of its members, signified by yeas and nays entered on the Minutes, that a bill or joint resolution is an emergency measure it may proceed forthwith from second to third reading.

b. No bill, joint resolution or concurrent resolution shall be considered on third reading or for final action, as the case may be, in the General Assembly unless notice of the calendaring thereof shall have been distributed to the membership of the General Assembly by the Speaker at least six days prior to the day the bill or resolution is scheduled for such consideration; provided, however, that any bill, joint resolution or concurrent resolution may be considered on third reading or for final action, notwithstanding that the notice required herein has not been distributed to the membership, upon the adoption of a motion therefor. Any bills calendared for one session but not voted on, must be recalendaried before consideration at any subsequent session.

c. At any given meeting, the total number of bills, joint resolutions and concurrent resolutions which may be considered for final passage shall not exceed 30.

*d. No bill or resolution shall be considered on third reading or for final action as an emergency measure or by waiver of the six days' notice unless a copy of the bill or resolution is placed upon each member's desk prior to consideration or final action.*

50. Rule 15:11A is adopted to read as follows:

15:11A. (New section) No motion to adopt an amendment to a bill or resolution shall be considered unless a copy of the amendment is placed on each member's desk prior to its consideration.

51. Rule 15:12 is amended to read as follows:

15:12. Bills and joint resolutions, and concurrent resolutions that were originally printed, originating in and passed by the General Assembly and amended by the Senate, when concurred in by the General Assembly, shall be delivered by the Clerk to the [Supervisor of Bills] *Office of Legislative Services* for reprinting.

56. Rule 15:18 is amended to read as follows:

15:18. [No bill, joint resolution or concurrent resolution ratifying an amendment to the Constitution of the United States proposed by the Congress, shall pass the General Assembly, unless there shall be a majority of all the members of the House personally present and agreeing thereto, and the yeas and nays of the members voting on such final passage shall be entered in the Minutes of the General Assembly.] *Blank*

57. Rule 15:19 is amended to read as follows:

15:19. The certification of the passage by the General Assembly of every bill and joint resolution and concurrent resolution when directed shall be signed by the Speaker and thereafter shall be delivered forthwith by the Clerk to the Senate, with all documents incident thereto, with the request, in the case of every Assembly bill, joint resolution or concurrent resolution, that the Senate concur therein. [It shall be the duty of the Clerk to have all Assembly bills, joint resolutions and concurrent resolutions returned to the General Assembly after passage by the Senate.]

58. Rule 15:20 is amended to read as follows:

15:20. When a bill originating in the Senate shall have been delivered to this house, with a message that the Senate has passed the same and requesting the concurrence of this House therein, and a bill identical therewith, originating in this House, is then pending in this House, the Senate Bill may be substituted for such Assembly Bill, on motion of a sponsor of such Assembly Bill, upon or after the second reading of the Assembly Bill and the Senate Bill may then be advanced to, and have, third reading and be passed in substitution for the Assembly Bill and take the usual course of passed bills and the sponsors of the Assembly Bill may, upon the motion of one of them, be added as cosponsors of the Senate Bill, with the Senator or Senators who were sponsors of the Senate Bill in the Senate and the names of such cosponsors shall be endorsed upon the jacket containing the Senate Bill. The provisions of this Rule are expressly subject to the provisions of Rule 15:12. No Senate bill may be substituted for an Assembly bill unless the Senate bill shall have received second reading in the General Assembly.

*Two bills shall be deemed identical notwithstanding that they may have technical differences with respect to legal reference, text,*

*punctuation, spelling, grammar or form, which differences may be corrected by the Legislative Counsel pursuant to Rule 15:31.*

59. Rule 15:23 is amended to read as follows:

15:23 When a bill, joint resolution or concurrent resolution proposing an amendment or amendments to the Constitution, originating in the Senate, shall have been delivered to the General Assembly with a message that the Senate has passed the same and requesting the concurrence of this House therein, the reading of the message shall be taken as the introduction and first reading in this House of such bill, joint resolution or concurrent resolution and it shall then be referred, unless the [House] *Speaker* shall otherwise order, and shall take the same course as is taken by bills originating in this House but it shall not be reprinted.

c. A footnote shall be annexed to the first page of each bill, *joint resolution, concurrent resolution or resolution* which contains material enclosed in bold-faced brackets to the following effect:

“Explanation—Matter enclosed in bold-faced brackets [thus] [in the above bill] is not enacted *or adopted* and is intended to be omitted [from the law].”

d. Material underlined shall be printed by substituting italics for the underlined material and omitting the underlining, and material included in italics shall be so printed.

e. *A further footnote shall be annexed to the first page of each bill, joint resolution, concurrent resolution or resolution which contains new material in italics to the following effect:*

“*Matter printed in italics thus is new matter.*”

[e. Amendments to bills, joint resolutions and concurrent resolutions adopted during their progress through the House shall be printed separately.] f. A Senate bill, joint resolution or concurrent resolution amended by the Assembly shall be reprinted with such amendments included therein as an “Assembly Reprint” of the Senate bill, joint resolution or concurrent resolution. When such amendments shall have been concurred in by the Senate there shall be a further printing as the “Official Copy Reprint” of the bill, joint resolution or concurrent resolution as passed by both Houses.

[f.] g. In printing bills, joint resolutions [and], concurrent resolutions *and resolutions* which have been amended, with the amendments included, and proposed changes in Standing Rules (or Orders), all material intended to be omitted by the amendment shall be printed [in the bill, joint resolution or concurrent resolution] in its proper place enclosed in stars or asterisks and bold-faced brackets [thus]—

[thus]

and all material intended to be added by the amendment shall be printed in its proper place in italics enclosed in stars or asterisks—

No bill or resolution on which a public hearing has been held before the General Assembly or a committee shall be considered on third reading or for final action, as the case may be, until a *record* [printed copies of the transcript] of the public hearing [are] is available to the membership of the General Assembly.

No public hearing shall be scheduled by any committee after September 1 of the second year of any biennial legislative session without the leave of the Speaker.

No bill authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State shall be calendared for third reading until a public hearing upon the bill shall have been held before the General Assembly or a committee thereof.

The provisions of Rules 17:1 et seq. shall be applicable to public hearings on proposals to amend the Constitution.

71. Joint Rule 8B is adopted to read as follows:

8B. (New section) a. A concurrent resolution is the form of legislation to be used to ratify an amendment to the Constitution of the United States proposed by the Congress of the United States, to petition the Congress to propose an amendment or to call a constitutional convention to propose an amendment, to the Constitution of the United States; such a concurrent resolution may be proposed in the Senate or the General Assembly.

b. At least 20 calendar days prior to a vote on such a concurrent resolution in the House in which it was introduced, the same shall be printed and placed on the desks of the members of each House. Thereafter and prior to such vote a public hearing shall be held thereon on a date and at a time and place to be publicly announced. Adoption of an amendment to the resolution shall not require the holding of a further public hearing unless the same be ordered by the House which adopted the amendment.

c. Passage of such a concurrent resolution shall require the affirmative vote of a majority of all the members of each House and the yeas and the nays of the members voting thereon shall be entered upon the Journal of the Senate and the Minutes of the General Assembly.

72. Joint Rule 9 is amended to read as follows:

9. Any one or more members or members-elect of the Senate or General Assembly may, between November 15 and the [first] *second Tuesday in January prior to the commencement of a two-year Legislature*, pre-file a bill, joint resolution or concurrent resolution for introduction in their respective Houses of the Legislature to be convened on the succeeding second Tuesday in January as in these rules provided. In any year *prior to the commencement of a two-year Legislature and* in which no election is held for the election of all the members of the [House, the President, in the case of the Senate, or the Speaker, in the case of the General Assembly,] *Senate, the President* may fix a date earlier than November 15 for the commencement of the pre-filing period.

73. Joint Rule 10 is amended to read as follows:

10. Bills [, joint resolutions] and [concurrent] resolutions proposed for introduction by pre-filing shall be forwarded, in quadruplicate, to the [Chief] *Legislative* Counsel, [Law Revision and Legislative Services Commission] *Division of Legal Services, Office of Legislative Services*, each copy thereof endorsed with the signature of the sponsor or sponsors or with written authorization by the sponsor or sponsors that the proposal be so endorsed.

78. Joint Rule 15 is amended to read as follows:

15. On the day on which the Senate or General Assembly organizes by the election of its President or Speaker, as the case may be, the Secretary of the Senate or the [Secretary to the Speaker] *Clerk of the General Assembly* shall present [the Duplicate] copies of the pre-filed bills and resolutions to the President or Speaker for his endorsement thereon of the Committee, if any, to which each pre-filed bill or resolution is to be referred and the delivery thereof to the Secretary of the Senate or the Clerk of the General Assembly for introduction and first reading on the same day or on the next [day] *two days* of actual meeting of the House thereafter.

79. Joint Rule 18A is adopted to read as follows:

18A. (New section) A printed bill or resolution which is pre-filed for introduction or introduced in the two-year legislative session next following the session in which it was printed shall be reissued in the same form in which it was previously printed, but shall be marked with a new number and shall bear the caption "Introduced Pending Technical Review by Legislative Counsel."

80. Joint Rule 21 is amended to read as follows:

21. [For the purposes of P. L. 1981, c. 27 (C. 52:14B4.-4.1 et seq.), a proposed rule by a State agency shall be accepted by the Senate and General Assembly when the proposed rule has been accepted by the Director of the Office of Administrative Law for publication in the New Jersey Register in accordance with the Administrative Procedure Act, P. L. 1968, c. 410 (C. 52:14B-1 et seq.). A proposed rule shall be submitted by delivery of two copies to the Office of the President of the Senate and two copies to the Office of the Speaker of the General Assembly on a day when their respective Houses are meeting, or on any other business day, during a regular or special session of the Legislature. The President and the Speaker shall cause a list of proposed rules submitted and the dates of their submission to be entered on the Senate Journal and the Minutes of the General Assembly, respectively.] *Blank*

84. Joint Rule 30 is amended to read as follows:

30. [The Senate and General Assembly may suspend for 60 days a rule proposed and adopted after the effective date of P. L. 1981, c. 27 by adoption of a concurrent resolution to that effect, after one calendar day from the date of the committee's report. The

60-day period of suspension shall begin to run on the day after the resolution is adopted.] *Blank*

85. Joint Rule 31 is amended to read as follows:

31. [A vote by the Senate and General Assembly on a concurrent resolution on any action authorized by these joint rules or P. L. 1981, c. 27 shall be a recorded vote.] *Blank*

86. The Legislative Counsel is authorized to correct in the text of the Rules of the General Assembly any error or omission in legal reference, text, punctuation, spelling, grammar and form, the correction of which will not affect the substance of the text .

87. The Office of Legislative Services shall provide for the publication and distribution of the Rules of the General Assembly in such form and manner as the Speaker shall direct.

#### STATEMENT

This resolution would establish permanent Rules for the General Assembly. Most of the changes offered in these amendments by the Rules and Order Committee are necessitated by changes in procedures, practices and laws which have taken place in recent years. For example, many technical changes reflect the reorganization of the Office of Legislative Services, the procedures for the printing of bills and resolutions, and the revised duties of legislative staff.

Other suggested changes are designed to provide for a more efficient, effective and orderly legislative process and organization. These amendments basically revise outmoded, antiquated and unclear language and direction.

ASSEMBLY BILL No. 1996 (OCR)

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1996 with my objections for reconsideration.

This bill directs the Department of Environmental Protection, in consultation with the U.S. Army Corps of Engineers, and in

coordination with the Office of Emergency Management in the Division of State Police, to develop a flood early warning system. The bill also appropriates \$200,000 from the General Fund to the Department of Environmental Protection, to serve as a State match to federal monies made available for flood emergency management.

The Department of Environmental Protection, in coordination with the United States Corps of Army Engineers, is currently developing a new and improved flood early warning system as a component of our interim and long range flood control plans. Pursuant to Title 58 of the Revised Statutes, the State is authorized to serve as non-federal sponsor for flood control projects. In the interest of the safety and well-being of our citizens, this State committed to such non-federal sponsorship on January 26, 1984.

The extensive damage suffered by a substantial number of New Jersey's citizens as the result of recent flooding in the Passaic River Basin reinforced this State's previous commitment to non-federal sponsorship and determination that our existing flood early warning system should be improved as to both accuracy and efficiency.

Thus, I am in full and complete agreement with the intent and purpose of this bill. However, it would appear that the overall efficiency of the flood early warning system would be vastly improved by amendments to certain of its operative terms.

First, the bill, as currently written, would require that the Department of Environmental Protection notify the Office of Emergency Management as soon as the data collection devices which comprise the flood early warning system indicate that an area is in danger of flooding. In fact, predictions as to what areas are likely to flood, at what levels and the specific locations of overflow are currently made by the National Weather Service from the Mid-Atlantic River Forecast Center in Harrisburg, Pennsylvania, and then communicated to the Office of Emergency Management. It is suggested that this procedure, which has been functioning very smoothly, should be continued with the new, more efficient early warning system in place.

In addition, the second section of the bill, which sets forth the message the local news media shall be requested to broadcast every quarter hour on the quarter hour, implies that the Department of Environmental Protection has initial responsibility for gathering information as to the progress of the flood in the first instance. The bill also provides that, based upon such information, the Department of Environmental Protection has the responsibility for making recommendations as to citizen response. Instead, both responsibilities more properly belong with the Office of Emergency Management which, in fact, gathers information as to the progress of a flood from the National Weather Service. Clearly, the actual source and conduit of this vital information should be included in the content of the message ultimately received by the affected public.

In brief, monitoring, information gathering and notification responsibilities within the context of the overall flood early warning

system, are more properly within the purview of the Office of Emergency Management, and it is there they should remain.

Accordingly, I herewith return Senate Bill No. 1996 and recommend that it be amended as follows:

*Page 1, Section 1, Line 8:* Delete "department" and insert "National Weather Service"

*Page 1, Section 2, Lines 1-2:* Delete "The department shall notify the Office of Emergency Management as" insert "As" After "indicates" insert "and the Office of Emergency Management has been notified by the National Weather Service"

*Page 1, Section 2, Line 3:* Delete ".The" and insert ", the"

*Page 1, Section 2, Line 11:* Delete "New Jersey Department of Environmental Protection" insert "Office of Emergency Management" Delete "determined" and insert "been advised by the National Weather Service".

ASSEMBLY BILL No. 2149 (OCR)

*To the General Assembly:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 2149 (OCR) with my objections and recommendations for amendment.

Assembly Bill No. 2149 (OCR) would provide to certain retirants of any retirement system a minimum annual retirement allowance of \$6,000.00. The term "retirant" is defined as any teacher or other person who was employed by the State of New Jersey, any of its instrumentalities, any of its political subdivisions, any of the instrumentalities of its political subdivisions, or any Board of Education, who as a result of such service was a member of any retirement system or is entitled to retirement benefits under any law administered by the Division of Pensions within the Department of the Treasury, who has 20 or more years of creditable service, who retired on or before January 2, 1955, and who does not receive State retirement benefits which are coordinated with Social Security.

I support the concept expressed within Assembly No. 2149 (OCR). Many of our pre-1955 retirants receive retirement allowances that, even with the annual cost of living adjustments, force them to live at or below the poverty level. This bill will provide these individuals, who have served our municipalities, counties and the State well, with sufficient income so that, once again, they will be able to live with a sense of dignity. However, although I am most supportive of the concept expressed within Assembly No. 2149 (OCR), I am compelled to return this bill to you with my recommendations for amendment as it is fiscally and technically unsound.

Senate Bill No. 2000, one of the supplemental budget bills, contained a line-item in the amount of \$1.5 million that was intended to fund Assembly No. 2149 (OCR) for Fiscal Year 1985. Upon reviewing Senate No. 2000, I discovered that this was not the case. The \$1.5 million line-item was designated to fund the \$6,000.00 annual retirement allowances for *only* pre-1955 retirants of the Teachers Pension and Annuity Fund. For this reason, I plan to delete this line-item from Senate No. 2000 if you will concur in my hereinafter recommended conditional veto. I recommend, therefore, that Assembly No. 2149 (OCR) be amended so that a \$1.5 million appropriation be placed within the bill so that the \$6,000.00 minimum annual retirement allowances for all affected pre-1955 retirants may be funded for Fiscal Year 1985.

Assembly Bill No. 2149 (OCR) is also technically unsound as it is unclear as to whom it applies. This bill defines the term "retirant," in part, as any teacher or other person who was employed by the State of New Jersey or any of its political subdivisions and who, as a result of such service, was a member of any retirement system. Given this definition, Assembly No. 2149 (OCR) could be interpreted as being applicable to any pre-1955 county or municipal retirant who was a member of any retirement system, not just a State-administered system. I do not believe that this was the sponsor's intent, nor do I believe that it is wise to create a financial obligation for the State when it previously did not have this obligation. I recommend that Assembly No. 2149 (OCR) be amended to insure that only pre-1955 retirants of State-administered pension systems are entitled to the \$6,000.00 minimum annual retirement allowance so long as they satisfy the other criteria set forth within the bill.

Therefore, I herewith return Assembly Bill No. 2149 (OCR) and recommend that it be amended as follows:

*Page 1, Title, Line 3:* After "tion]", insert ", and making an appropriation"

*Page 1, Section 1, Line 1:* After "any", delete "teacher or other"

*Page 1, Section 1, Line 6:* Before "retirement", insert "State administered"

*Page 1, After Section 3:* Insert new Section 4. as follows:

“4. There is appropriated to the Department of the Treasury from the General Fund \$1,500,000.00 to effectuate the purposes of this act.”

*Page 1, Section 4, Line 1: Delete “4.”, insert “5.”*

ASSEMBLY BILL No. 1906

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1906 without my signature.

This bill would permit Mercer County to repay the New Jersey Department of Human Services over a three year period for costs the county already owes the State for the maintenance of certain patients chargeable to the county in State hospitals or institutions.

The bill would also delay making final the county budget and extend the striking of a tax rate by the Mercer County tax board.

The facts underlying the situation arose when Mercer County, as well as several other counties, withheld payments from the State during the period when Hudson County challenged in the New Jersey courts its obligation to make various payments to the State for the cost of maintaining certain patients in State hospitals or institutions. Final adjudication of the matter resulted in a decision favoring the State. *Klein v. Hudson County*, 187 N. J. Super 603 (Law Div. 1982), aff'd, 187 N. J. Super 433 (App. Div. 1982), certif. denied 91 N. J. 533 (1982). Other counties have paid or are now in the process of paying the outstanding obligations they owe the State as a result of the court decision in the Hudson County case.

Mercer County reached an agreement with the Department of Human Services earlier this spring to pay over the course of this year what it owes the State. The county set its budget and the county tax board is striking municipal tax rates based on this agreement.

I believe that it would be an extremely poor precedent for me to sign this bill. A special exception should not be made for a single county. Local units of government might develop a cavalier attitude toward payment dates if they know that they could be granted preferential treatment through special legislation.

Authorization for delay in the striking of tax rates in the municipalities of Mercer County would be highly inadvisable due to the impact this would have on tax bill preparation, mailing and timely tax collection. To allow a county to spread out payments over a long period of time would be unfair to the other counties that have made regular, timely payments and might lead to additional legislative attempts benefiting other counties.

I am deeply concerned that no action I take set a precedent whereby a single county is placed in a different position from other counties in the State regarding what the State is owed by the county governments. Mercer County has agreed to pay what it owes the State over the course of this year, and I do not believe that I should disturb the agreement that has already been reached by the county and the Department of Human Services.

Accordingly, I herewith return Assembly Bill No. 1906 without my approval.

Respectfully,

## ASSEMBLY BILL NO. 1281

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1281 without my signature.

This bill would permit a person employed in a municipal tax assessor's office to serve as a member of the board of taxation in the county in which the municipality for which he works is located, and it would also permit a member of a municipal governing body to serve on the county board of taxation. The bill would not permit either the tax assessor or deputy tax assessor to serve on the county board of taxation.

The bill attempts to create safeguards against conflicts of interest from occurring by prohibiting a county tax board member who is employed in a local assessor's office from representing or negotiating on behalf of his assessor's office or participating in the efforts of his assessor's office in preparing an appeal before the tax board. A parallel provision is designed to attempt to avoid a conflict of interest in the situation where a member of a local governing board serves on the county tax board. Willful violators of the provisions of this legislation could be adjudicated disorderly persons.

I am primarily concerned with the inherent conflict that exists in occupying both a position on a county board of taxation and a position in a local tax assessor's office or in membership on a local governing body.

The Supreme Court of New Jersey has ruled that dual membership on a county tax board and on a borough council would not be permitted because of the incompatible nature of the two positions. *Jones v. McDonald*, 33 N. J. 132 (1960). The logic of Chief Justice Weintraub's opinion in the *Jones* case is as persuasive today as when it was written almost a quarter of a century ago. Speaking for a unanimous Court, the Chief Justice said:

An officer cannot serve two masters with conflicting statutory roles. . . . The municipality is a litigant before the county board. It would offend propriety for a man to sit in judgment of his own cause. The offense is no less when a man sits in judgment of the cause of his principal. The roles of suitor and judge being inherently inconsistent, they cannot be executed by the same person. Here that inconsistency is not some accidental fortuitous affair; it is inherent in the statutory scheme itself. 33 N. J. at 137.

I also believe that the logic of the *Jones* case is applicable to a situation involving a person employed in a local tax assessor's office. There, too, the dual officeholder would be attempting to serve two masters.

MONDAY, JULY 30, 1984

619

The Legislature implicitly recognizes the conflict that exists by attempting to create guidelines to ameliorate the situation. I believe, however, that good public policy demands that we attempt to avoid any conflict whatever, and I return to the logic of Chief Justice Weintraub in the *Jones* case, where it is pointed out: "[I]t is [not] an answer to say that if a conflict should arise, the incumbent may omit to perform one of the incompatible roles. The doctrine [prohibiting the holding of incompatible offices] was designed to avoid the necessity for that choice." 33 *N. J.* at 138.

Accordingly, I herewith return Assembly Bill No. 1281 without my approval.

Respectfully,

*Governor.*

Senate No. 788 (Resolution to Rescind)

On motion of Mr. Flynn, the following resolution was read by the Clerk:

### ASSEMBLY RESOLUTION

By Assemblyman FLYNN

WHEREAS, Senate Bill No. 788 was substituted, pursuant to Assembly Rule 15:20, for Assembly Bill No. 1120 and passed by the General Assembly on June 28, 1984; and

WHEREAS, The Senate Bill was not identical to the Assembly Bill, and the General Assembly therefore proceeded in error in passing Senate Bill No. 788 on that date; and

WHEREAS, The Senate has reconsidered the vote by which the Senate concurred in the Assembly amendments to Senate Bill No. 788 on June 28, 1984, has rescinded its concurrence in those amendments and returned the bill to this house for further consideration: now, therefore,

*Resolved*, that the vote by which Senate Bill No. 788 was passed be reconsidered, that the action of the General Assembly in substituting Senate Bill No. 788 for Assembly Bill No. 1120 be rescinded, and that the bill be placed back on second reading for the purposes of amendment.

On motion of Mr. Flynn, that the Assembly Action on Senate No. 788 be rescinded, passed by the following vote:

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
September 13, 1984 }

ASSEMBLY BILL No. 295 (2ND SR OCR)

*To the General Assembly:*

Pursuant to Article V, Section I, paragraph 14 of the Constitution, I am returning Assembly Bill No. 295 (2nd SR OCR) with my objections, for reconsideration.

This will would permit certain New Jersey municipalities to engage in tax increment financing. Tax increment financing is a program whereby municipalities issue bonds in order to fund projects in designated areas. Bonds are repaid by tax increments. Before the project begins the value of all the land in the district is assessed. The amount of the property tax revenue that the county, school board and the municipality would receive based upon that assessment is then frozen for the life of district. Any increase in property tax revenues that is to say tax increments, collected after the projects begin is then used to repay the bonds.

On September 6, 1983 I vetoed a tax increment financing bill because it contained technical problems too great to be corrected by a conditional veto. I stated at that time, however, that I was not categorically indicating may opposition to tax increment financing. Over the last year, the Legislature and the departments of State government that would be affected by tax increment financing have worked together to develop a good bill. That work has continued over the course of this summer as further amendments have been developed to improve the bill.

A possible area of concern in this bill as it has reached my desk relates to the federal legislation, the Deficit Reduction Act of 1984, that President Reagan signed in July. It limits the annual volume of tax-exempt industrial development bonds that a state or its subdivision may sell. I wish to make clear that tax increment financing bonds shall not be counted against this annual volume limitation, and one of the amendments to this bill I am suggesting achieves that purpose.

I am also suggesting amendments to this bill on the issuance of debt under tax increment financing. These amendments address other concerns that I had expressed in my veto of last year's bill.

I am recommending that the bond issuing authority, either the municipality or other district agent, should be permitted to issue notes in anticipation of the issuance of bonds, as well as being able to issue bonds.

I am suggesting that a municipal governing body may issue general obligation bonds or bonds secured by an irrevocable pledge of tax increments and the full faith and credit of the municipality to finance all or a portion of any project costs. Also, the district agent or the municipality, as the case may be, may issue bonds

secured by an irrevocable pledge of tax increments to finance all or a portion of any project costs.

A municipality may create a tax increment finance fund that would be required to have at least the amount of principal and interest due in the next calendar year on bonds outstanding where the bonds issued by a municipality are secured by tax increments and the municipality's full faith and credit. A municipality would have to have such a fund or insurance for the bonds where they are backed by the tax increments only; bonds issued by a district agent that are backed by the tax increments only would have to be insured, be backed by municipal guarantee or be backed by a tax increment finance fund.

Under my recommendations, the Commissioner of the Department of Community Affairs and the State Treasurer shall report on the effectiveness of the tax increment financing program in three years, and yearly thereafter.

I am also suggesting minor amendments to integrate a tax increment financing mechanism with existing tax assessment procedures and to permit the State Treasurer to promulgate rules and regulations to facilitate this act.

As I stated last summer, tax increment financing is a controversial concept. Proponents of tax increment financing, particularly many economic development experts, view it as a useful economic development tool in depressed urban areas. They maintain that tax increment financing can serve as a catalyst for economic development by providing a formal format to gain the cooperation of developers and municipal officials to develop a particular area in the affected municipality. Others have questioned the efficacy of tax increment financing, and I hope that most of their concerns have been addressed by the various amendments to the bill over the course of this year.

In summary, I am willing to permit tax increment financing to be tried in New Jersey based upon the safeguards that exist in the bill as it has reached my desk this year and with the additional suggestions I am now making to it.

Therefore, I herewith return Assembly Bill No. 295 (2nd SR OCR) and recommend that it be amended as follows:

*Page 2, Section 3, Lines 21-33H:* Omit these lines in entirety; insert "f. Permitted investment obligations" means any securities permitted for purchase by local units of government pursuant to section 8 of P. L. 1977, c. 396 (40A:5-15.1)

*Page 5, Section 5, Line 32:* Omit "Any"; insert "Except where the municipal governing body has designated itself as the district agent, any".

*Page 6, Section 5, Line 43:* After "period", insert "Where the municipal governing body has designated itself as the district agent, the mayor shall have those veto powers as are granted to him by law."

*Page 6, Section 6, Line 23:* After "it", insert ", and to issue notes in anticipation of the issuance of bonds".

*Pages 9-13, Section 10, Lines 1-117:* Omit these lines in entirety; insert new sections 10 through 13 as follows:

"10. a. The municipal governing body may issue general obligation bonds to finance all or a portion of any project costs. The governing body shall authorize the issuance of the bonds pursuant to the provisions of the "Local Bond Law", N. J. S. 40A:2-1 et seq., except that the bonds shall not mature at a time or times exceeding 20 years from the date of issuance. The bonds may be qualified in the manner provided by law.

b. The municipal governing body may issue bonds secured by irrevocable pledge of tax increments, and further secured by the full faith and credit of the municipality, to finance all or a portion

of any project costs. The procedures to be followed by the governing body authorizing the issuance of the bonds shall be identical to the procedures set forth in sections 40A:2-17, 40A:2-18, 40A:2-19, 40A:2-24, 40A:2-25, and 40A:2-27 through 40A:2-32 inclusive, of the New Jersey Statutes.

c. The municipal governing body or the district agent, as the case may be, may issue bonds secured by an irrevocable pledge of tax increments to finance all or a portion of any project costs. A municipal governing body shall issue the bonds in the manner prescribed in subsection b. of this section. The district agent shall authorize the bonds by resolution.

d. All bonds authorized pursuant to this section shall be issued in one or more series and shall bear the date or dates, mature at a time or times not exceeding 20 years from the date thereof, bear interest at a rate or rates, be in the denomination or denominations, be in the form, either coupon or registered, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable from the sources in the medium of payment, at the place or places within or without the State, and be subject to the terms of redemption, with or without premium, all as the governing body may provide in the ordinance, or as the district agent may provide in the resolution. The bonds may be sold at public or private sale at the price or prices as shall be determined by the municipality or the district agent, as the case may be.

e. All bonds when issued pursuant to this section shall contain a recital to the effect that they are issued pursuant to this act and are entitled to the provisions of this act. All such bonds shall mature without regard to any limitations as to maturities or amounts of annual installments for bonds provided in Title 40 of the Revised Statutes or Title 40A of the New Jersey Statutes.

The proceedings of the municipality or the district agent authorizing the issuance of bonds under this act, may contain covenants and provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants restricting the issuance of additional bonds.

f. The total amount of bonds to be issued pursuant to this act shall not exceed the estimated total of all the projects' costs.

g. The provisions of any other law to the contrary notwithstanding, only those bonds issued pursuant to subsection a. of this section shall be subject to the limitations of N. J. S. 40A:2-6."

"11. a. No bonds shall be issued pursuant to subsection b. of section 10. of this act unless the municipal governing body has made provision in the ordinance authorizing the issuance of such bonds (i) that an appropriation sufficient to pay interest and principal on the bonds as these become due will be included in each annual budget for the municipality either at the time the budget is adopted or by emergency appropriation after adoption

of the budget, in the manner generally provided by law; or (ii) that there will be established and maintained a tax increment finance fund pursuant to section 14 of this act.

b. No bonds shall be issued by a municipal governing body pursuant to section 10. c. of this act unless the ordinance authorizing the issuance of such bonds includes provisions for (i) the insurance of such bonds, or (ii) the establishment and maintenance of a tax increment finance fund pursuant to section 14 of this act.

c. No bonds shall be issued by a district agent pursuant to subsection c. of section 10. of this act unless the resolution authorizing the issuance of such bonds includes provisions for (i) insurance of the bonds; (ii) provisions making issuance of the bonds contingent upon the unconditional guarantee of the payment of principal and interest due on the bonds by the municipality where authorized by law; or (iii) provisions making issuance of the bonds contingent upon the establishment and maintenance by the municipality of a tax increment finance fund pursuant to section 14 of this act."

"12. The provisions of this act or any other law to the contrary notwithstanding, no municipality or district agent shall issue bonds pursuant to this act which will reduce or be counted against the annual volume limitation on issuance of tax-exempt industrial development bonds established by the "Deficit Reduction Act of 1984 (Public Law 98-369)."

"13. a. Upon the striking of the tax rate in each year following the issuance of bonds secured by tax increments pursuant to this act, the municipal chief financial officer together with the assessor and collector, shall calculate the amount of tax increment, if any, for each tax increment district, and shall certify to the municipal governing body or the district agent, as the case may be, a copy of that calculation. The chief financial officer shall thereafter cause to be deposited in the tax increment bond fund the amount of tax increments so certified, within 10 days after each date fixed by statute for the payment of property taxes. Each amount so deposited shall equal the portion of the tax increment to be collected at the quarterly payment date, regardless of whether the increment is actually collected in cash from the taxpayers within the district; provided, however, that that portion of the tax increment comprising payments in lieu of taxes shall be deposited in four equal installments regardless of the date or dates fixed for such payments by statute, agreement or otherwise.

b. Whenever an added assessment shall occur within a district, the chief financial officer of the municipality shall notify the municipal governing body or the district agent, as the case may be, and thereafter shall cause to be paid to the tax increment bond fund the amount of property taxes billed thereon within 10 days of the date fixed by law for payment thereof, regardless of whether the amount is actually collected in cash provided, however, that this subsection shall not apply to added assessments which are the result

a property exempt from taxation prior to the creation of a district becoming taxable after the creation of that district.

c. Whenever an omitted assessment shall occur within a district which should have been included in the computation of the tax increment had not the assessment been omitted, the chief financial officer of the municipality shall notify the municipal governing body or the district agent, as the case may be, and thereafter shall cause to be paid to the tax increment bond fund the amount of property taxes billed thereon within 10 days of the date fixed by law for payment thereof, regardless of whether the amount is actually collected in cash.

d. In no event shall any changes in assessed valuation within a district due to appeals or correction of errors with respect to a tax year subsequent to the creation of the district alter the amount of tax increment certified pursuant to this section for that tax year.

e. In no event shall any changes in assessed valuation within a district due to appeals or correction of errors alter the tax increment base of the district.

f. Whenever a revaluation or reassessment occurs in a municipality which has designated one or more tax increment districts, the tax increment base for each district shall be recomputed (i) by multiplying the original tax increment base by the percentage increase in the assessed valuation of the district resulting from implementation of the revaluation or reassessment, or (ii) as having the same proportion of total assessed valuation of the district as existed in the year next preceding the implementation of the revaluation or reassessment."

*Page 13, Section 11, Line 1:* Omit "11."; insert "14."

*Page 13, Section 11, Lines 10-10C:* Omit " , including all" in line 10; omit lines 10A and 10B; omit "with respect to any property or properties within the district" in line 10C.

*Page 14, Section 11, After Line 50:* Insert subsection c. as follows:

"c. To assure the maintenance of the required minimum capital reserve in the tax increment finance funds, there shall be appropriated and paid for deposit in each of such funds, such sum, if any, as shall be certified by the municipal chief financial officer to the governing body as necessary to restore each of such funds to an amount equal to the required minimum capital reserve. The municipal chief financial officer shall continuously monitor transactions regarded each fund, and shall certify to the governing body whenever necessary the sum required to restore each fund to the amount foresaid. In addition, the municipal chief financial officer shall annually certify to the governing body, not later than December 1, the amount if any, necessary to maintain or restore each fund as required herein for the following fiscal year. The sum or sums so certified shall thereupon be appropriated by the governing body and paid to the fund or funds in question.

ASSEMBLY BILL No. 1154 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am returning Assembly Bill No. 1154 (OCR), with my objections, for reconsideration.

I am in full agreement with the purposes of this legislation to address the problem of youth unemployment in New Jersey.

It should be noted that significant amounts of money under the Job Training Partnership Act, a Federal program, are spent in New Jersey as part of our efforts to address this problem. These Federal funds are distributed locally through the New Jersey Department of Labor, and \$27 million has been spent on the program in New Jersey for the summer of 1984.

The program contemplated under Assembly No. 1154 should not be duplicative of the Job Training Partnership Act effort. Rather, our efforts under this legislation should be targeted toward those most in need who may not qualify for training under other programs. I recommend calling the program the New Jersey Youth Corps. Act.

I envision and my recommendations suggest a program under which the Department of Community Affairs could designate community service project sponsors to recruit, train and employ eligible youth in community service projects for a period not ordinarily to exceed 52 weeks. Sponsors could include any county, municipality or school district, or public or private non-profit corporations.

My recommendations include a provision that the sponsors may be required to contribute a portion of the cost of funding of this program, and no more than 10% of the money appropriated for this program should be utilized for its administration.

The program would be targeted to those between the ages of 16 and 25 who have not completed the course of instruction prescribed for graduation from high school and who have the skills, character and initiative, or the potential to develop them, to benefit from the corps.

I am recommending an initial appropriation of \$1.5 million for this. This will ensure that the program is well targeted, but it is a sufficient amount of money to create a meaningful program.

I am also proposing various minor amendments to facilitate the administration of the program.

Therefore, I herewith return Assembly Bill No. 1154 (OCR) and recommend that it be amended as follows:

*Page 1, Section Title:* Omit "Volunteer"

*Page 1, Section 1, Line 2:* Omit "Volunteer"

*Page 1, Section 2, Line 7:* Omit "darth"; insert "dearth"

*Page 2, Section 2, Line 21:* Omit "Volunteer"

*Page 2, Section 2, Line 28:* Omit "Volunteer"

*Page 2, Section 2, Lines 29-32:* Omit "the preparation of land" on line 29; omit line 30; omit "housing" on line 31; omit "public buildings, parks, streets and other" on lines 31 and 32.

*Page 2, Section 2, Line 37:* Omit "Volunteer"

*Page 2, Section 2, Lines 40-44:* In line 40 omit ", and also, if"; omit lines 41, 42, 43; omit "within the context of this program on line 44"

*Page 2, Section 2, Line 46:* Omit "Volunteer"

*Page 2, Section 2, Line 47:* After "of" omit "the" and insert "such"

*Page 2, Section 2, Line 55:* Omit "Urban Volunteer"

*Page 2, Section 3, Line 2:* Omit "Volunteer"

*Page 3, Section 3, Lines 5 and 6:* Omit "mayor exercising delegated administrative authority," and insert "community service project sponsor under an agreement"

*Page 3, Section 3, Lines 12-14:* Omit "the preparation of land for the redevelopment, the assembly of modular and prefabricated housing"

*Page 3, Section 3, Line 15:* Omit "public buildings, parks, streets and other"

*Page 3, Section 3, Lines 19-21:* After "person" omit rest of line 19; omit line 20; omit line 21; insert "who (1) is between such ages as may be specified by rule or regulation adopted pursuant to section 9 of this act, but in any event is not less than 16 nor more than 25 years of age, (2) is in compliance with section 6 of this act, and who"

*Page 3, Section 3, Line 22:* Omit "(1)" and insert "(3)"

*Page 3, Section 3, Line 26:* Omit "(2)" and insert "(4)"

*Page 3, Section 3, After Line 28:* Insert a new paragraph to read as follows:

"e. 'Community Service Project Sponsor' means any county, municipality or school district, or public or private non-profit corporations"

ASSEMBLY BILL No. 1820

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1820 with my objections and recommendations for amendment.

Assembly Bill No. 1820 provides for the licensing and regulating of employers and individuals engaged in the business of the application, removal and encapsulation of asbestos. Under the bill's provisions, within one year of the effective date of the act, no employer may apply, remove or encapsulate asbestos unless licensed by the Commissioner of Labor. Every employee who is involved in the application, removal or encapsulation of asbestos must have a performance permit issued by the Commissioner. The bill also stipulates that no public or private agency may contract for asbestos services unless a contract specifies that the work is to be performed by licensed individuals. Finally the bill provides an appropriation of \$75,000.00 from the General Fund to the Department of Labor for the administration of the act in the first year.

As the bill is presently written, within six months of the effective date of the act, the Commissioner of Labor, in consultation with the Commissioners of Health and Environmental Protection, is to adopt regulations regarding the enforcement of the act. The regulations shall include standards in such areas as protective equipment, waste disposal, self monitoring, qualifications for licensure and permit, qualifying examinations and continuing education requirements.

I am well aware of the hazards of improper asbestos application, removal, and encapsulation. Work methods, training, and concern are critical to reducing these hazards.

The lack of statutory standards has resulted in unfair competition to competent, skilled craftworkers and their employers who voluntarily abide by recognized standards. Thus, I am in full and complete agreement with the intent and purpose of this bill. However, it would appear that the overall efficiency of the bill would be vastly improved by amendments to certain of its operative terms, as recommended by the Asbestos Policy Committee established pursuant to my Executive Order No. 59 dated January 20, 1984.

Executive Order No. 59 provides for the creation of an Asbestos Policy Committee which shall (a) develop and recommend a State Asbestos Policy for implementation; (b) receive and review reports of the operational activities of departments; (c) be a forum for the resolution of interdepartmental problems; (d) review and distribute new scientific and management information; and (e) evaluate and coordinate the distribution of information regarding the status of federal regulations. The Asbestos Policy Committee is comprised of representatives from the Departments of Health, Environmental Protection, Education, Higher Education, Labor, Treasury, Commerce, Corrections, and the Office of the Attorney General.

The Asbestos Policy Committee recommends, and I strongly agree that the Department of Health should jointly share with the Department of Labor the statutory responsibilities of setting the standards for the licensing, permitting, and training of asbestos removal workers, to assure that asbestos removals are accomplished with a

minimum risk to health and safety. Clearly, the statutory and regulation making process will be substantially enhanced by the vital information that the Department of Health has to offer. I am also requesting an appropriation of \$75,000.00 to the Department of Health to fund its work under this bill.

Secondly, the bill appears to require no rigorous training course for asbestos workers, but only serves to require that every employee, performing functions of application, enclosure, removal, or encapsulation of asbestos shall first procure from the Commissioner of Labor a performance permit. In an effort to protect the health of the asbestos removal employee as well as the public at large, I recommend that Assembly No. 1820 be amended to provide that no permit shall be issued unless such employee shall have taken a course of training and passed an examination and have demonstrated the ability to safely perform asbestos removal in accordance with the current state of the art. Such course of training shall be certified by the Commissioner of Health. This requirement will ensure a basic surveillance system which will minimize exposure to asbestos hazards in the significant area of application, removal and encapsulation.

Finally, I am recommending that this bill be amended to allow experienced asbestos workers the opportunity to apply for and receive a permit without examination for a period not in excess of one year from the effective date of this bill.

Accordingly, I herewith return Assembly Bill No. 1820 and recommend that it be amended as follows:

*Page 1, Section 1, Line 1:* After "application," insert "enclosure,"

*Page 1, Section 2, Line 13:* After "application," insert "enclosure,"

ASSEMBLY BILL NO. 1926

To the General Assembly:

Pursuant to Article V, Section I, paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1926 with my recommendations for reconsideration.

This bill would permit county park commissions established pursuant to a 1895 statute, N. J. S. A. 40:37-96, *et seq.*, to lease lands or concessions to the highest bidder for a period of up to five years. This power is already provided to county park commissions established pursuant to a 1946 statute, N. J. S. A. 40:37-95.1 *et seq.*

I believe that all county park commissions in the State of New Jersey should have the same statutory authority to lease lands or concessions. Unfortunately, Assembly Bill No. 1926 would not provide county park commissions established under the 1895 act with the same powers to lease lands or concessions as is provided to county park commissions established under the 1946 act. Although Assembly Bill No. 1926 reduces the disparities between these similarly situated governmental bodies, it fails to equalize their leasing and concession powers.

Therefore, I feel that county park commissions established pursuant to N. J. S. A. 40:37-96 *et seq.* should be provided with the same discretion as commissions established pursuant to N. J. S. A. 40:37-95.1 *et seq.* to award leases and concessions to the highest bidder for a period of greater than five years when the lessee or concessionaire is required to make capital improvements.

Accordingly, I herewith return Assembly Bill No. 1926 and recommend that it be amended as follows:

Page 2, Section 1, after line 32: Insert subsection as follows:  
"c. Any such lease or concession which shall be conditioned upon the construction or provision of any building, structure or improve-

ment by the lessee or concessionaire may, notwithstanding the provisions of paragraphs (a) and (b) above, be for such period of years as shall be agreed upon."

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

ASSEMBLY BILL NO. 1164

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1164 without my signature.

Assembly Bill No. 1164 would authorize municipalities having a (1980) population between 25,000 and 75,000 in those counties of the second class having a population exceeding 50,000 to appoint, as the need arises, up to two additional municipal court judges. Additional judgeships permitted under any other law would not be affected.

Under the existing statutory scheme for authorizing additional municipal court judges, enabling legislation must be introduced each time the need for more judgeships arises (N. J. S. A. 2A:8-1 et seq.). Since 1967, the 1948 statute governing the municipal courts has been supplemented seven times to allow certain municipalities to appoint additional judges. Last year a provision was also added to authorize municipalities to appoint acting judges when the assignment judge of that vicinage so requests (N. J. S. A. 2A:8-5.2; P. L. 1983, c. 430).

Due to the increased volume of litigation in the municipal courts in recent years, it has become evident that the present system of using piecemeal legislation to authorize additional judgeships is too cumbersome and needs revision. There is currently pending in the Legislature at least one bill that would reform the statutory scheme for creating additional municipal court judgeships. This legislation (Senate Bill No. 1902, sponsored by Senator Lynch) would authorize municipalities to create additional judgeships without the need to obtain permission from the Legislature and the Governor.

I highly recommend passage of legislation allowing for the appointment of additional municipal court judges directly by the municipalities. Now that reformatory legislation has been introduced, there is no need to clutter the statute books with legislation likely to be repealed within months of enactment.

Accordingly, I herewith return Assembly Bill No. 1164 without my approval.

Respectfully,

/s/ THOMAS H. KEAN,

ASSEMBLY BILL NO. 1587

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1587 without my approval.

Assembly Bill No. 1587, sponsored by Assemblyman Stephen Aduato, Jr., would appropriate \$661,640 to those eight urban aid municipalities eligible for emergency aid under P. L. 1983, c. 451 (Assembly Bill No. 4129, Janiszewski), but which did not meet the statute's qualifying criteria, as determined by the Director of Local Government Services. The appropriations would be used only to avert layoffs of police and firemen, employ additional police and firemen, and to increase police and fire services.

I am returning this bill to the Legislature without my signature for two reasons. First, these municipalities will be receiving substantial funding pursuant to other appropriations. Recently enacted P. L. 1984, c. , appropriates \$29.4 million in *additional* Municipal Purposes Tax Assistance Fund; all eight municipalities will benefit appreciably from that appropriation. Additionally, the Safe and Clean budget appropriation for Fiscal Year 1985 was increased by \$6.5 million. As urban aid qualifiers, all eight municipalities will be eligible for that funding.

Second, this bill would extend a program intended to address emergency needs to municipalities not facing any emergencies. Chapter 451 had authorized a special supplemental appropriation of \$7,386,640 to provide only emergency State aid to assist urban aid municipalities in avoiding layoffs of police and firemen, in employing additional police and firemen, and in increasing police and fire services within the individual municipalities. Assembly Bill No. 1587 would effectively overturn the decisions made by the Director

THURSDAY, SEPTEMBER 13, 1984

659

of Local Government Services (and generally upheld by the Local Finance Board) in carrying out those statutory directives.

This bill goes far beyond the purposes of any special emergency program. I wish to emphasize that in line item vetoing the \$9,750,360 Safe and Clean supplemental appropriation in Senate Bill No. 1900 (designed to continue this special aid program), I explained that separate, comprehensive legislation must be introduced in order to develop a formula for the program providing special police and fire aid to municipalities.

Accordingly, I herewith return Assembly Bill No. 1587 without my approval.

ASSEMBLY BILL No. 1588

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1588 without my approval.

Assembly Bill No. 1588, sponsored by Assemblyman Girgenti, would appropriate \$1,495,000 in State aid to qualified urban aid municipalities having a population of 35,000 or less for Fiscal Year 1984. The funds would be dispensed through the Department of Community Affairs and could be used only to avert layoffs of police and firemen, employ additional police or firemen, and to increase police and fire services. The \$1,495,000 sum is intended to be allocated equally among qualified urban aid municipalities having a population of 35,000 or less.

I am returning Assembly Bill No. 1588 to the Legislature without my signature for two reasons. First, the municipalities targeted by this bill will be receiving substantial funding pursuant to other appropriations. Most of the municipalities will be receiving additional Municipal Purposes Tax Assistance Fund payments pursuant to the \$29.4 million appropriation set forth in P. L. 1984, c. 102. Additionally, the Safe and Clean budget appropriation has been increased by \$6.5 million for Fiscal Year 1985. As urban aid qualifiers, these municipalities are eligible for Safe and Clean funding.

Second, in many ways this bill presents an arbitrary distribution of aid, since each qualifying municipality receives the identical

amount of aid. Thus, there is no correlation between the amount of the aid and need in general as measured by the urban aid formula or by the specific need for police and fire services aid. In my line item veto explanation of the \$9,750,360 Safe and Clean supplemental appropriation in the Fiscal Year 1985 Budget (P. L. 1984, c. 58), I disapproved of this arbitrary, bill-by-bill approach and urged passage of legislation containing a formula for a special police and fire municipal aid program.

Accordingly, I herewith return Assembly Bill No. 1588 without my approval.

ASSEMBLY BILL No. 2297

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 2297 without my signature.

Assembly Bill No. 2297 would allow the sale of certain articles on Sunday in cities of the first class, where such Sunday sales are currently prohibited, provided the sales are made within regional shopping malls constructed or to be constructed pursuant to a redevelopment agreement entered into by a redevelopment agency created by the city and consistent with the city's redevelopment plan. The term "regional shopping mall" is defined as an enclosed retail shopping area containing at least two department stores and other retail stores, having an aggregate enclosed building area of not less than 750,000 square feet and having a common enclosed mall area with retail tenant shops on each side.

Presently, Bergen and Hudson counties are the only remaining counties in this State where the citizens, pursuant to their statutory privilege, have voted to retain the Sunday Closing Laws, P. L. 1959, c. 119 (C. 29A:171-5.8 et seq.). Within these counties, there exists only one city of the first class: Jersey City. Within Jersey City, there exists only one regional shopping mall project constructed or to be constructed pursuant to a redevelopment agreement entered into by the Jersey City Redevelopment Agency and consistent with Jersey City's redevelopment plan. This project is the shopping mall contemplated for the Newport City project in Jersey City.

I must return Assembly Bill No. 2297 to you without my signature for two reasons: First, legal counsel has advised that this bill is unconstitutional. Secondly, Assembly Bill No. 2297 circumvents the will of the voters as recognized under the current law of this State which provides that the issue of whether the Sunday Closing Laws should be retained shall be decided by the eligible voters of the county. N. J. S. 2A:171-5.12 (1959). By legislatively creating an exception to the Sunday Closing Laws, this bill encroaches upon a privilege statutorily granted to the citizens of this State. As such, I cannot support legislation that does not allow the electorate to decide the above issue, whether it be by county or by municipal referendum.

Accordingly, for the aforementioned reasons, I return Assembly Bill No. 2297 to you without my signature.

The Clerk read the following messages from the Governor:

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
September 20, 1984. }

ASSEMBLY BILL NO. 276

*To the General Assembly:*

Pursuant to Article V, Section I, paragraph 14 of the Constitution, I am returning Assembly Bill No. 276 with my objections for reconsideration.

While I strongly agree with the notion that the State should encourage all eligible New Jerseyans to register and vote, I do not believe you accomplish this purpose by indiscriminately flooding public offices with registration forms. Since postcard registration is permitted, it is relatively easy in this State to register. The printing and mailing of countless numbers of forms to literally thousands of State, county, and municipal offices represents a costly and ineffective attempt to achieve an otherwise laudable goal.

However, since it is extremely important to encourage citizens of New Jersey to register and participate in the election process, I have decided to propose amending the election laws to require the Secretary of State to prepare a notice which shall be placed in each office of a State agency or instrumentality which has substantial and regular contract with the public. This notice shall set forth the qualifications for voting, and the procedures for registering to vote. In this manner we will be able to increase the registration of voters by providing information which will facilitate registration without creating problems for public offices.

Accordingly, I herewith return Assembly Bill No. 276 for reconsideration and recommend that it be amended as follows:

*Page 1, Title, Lines 1-2:* Before "voter" insert "public notice for" and on lines 1-2 delete "amending P. L. 1974, C. 30."

Insert "supplementing chapter 12 of Title 19 of the Revised Statutes."

*Page 1-3, Section 1, Lines 1-69:* delete entirely and insert new section 1 as follows:

1. a. The Secretary of State shall cause to be prepared a notice to be placed in each office of a State agency or instrumentality which has substantial and regular contact with the public. This notice shall set forth the qualifications for voting, and the procedures for registering to vote. These notices shall be prominently displayed in all such State agencies or instrumentalities in a manner suitable for public inspection.

b. The Secretary of State shall have the authority to promulgate any rules and regulations to carry out this act.

Respectfully,

[SEAL]

Mr. Brown moved that these messages be spread in full upon the minutes. Which motion was adopted.

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,

ASSEMBLY BILL No. 482 (2nd OCR)

*To the General Assembly:*

Pursuant to Article V, Section I, paragraph 14 of the Constitution, I herewith return Assembly Bill No. 482 (2nd OCR) without my signature.

This bill would permit the boards of chosen freeholders in counties that have adopted the county executive form of government to appoint certain personnel, including secretarial staff, for legislative and investigative operations of the boards. Such personnel would be part of the unclassified service of Civil Service.

A limitation of \$500,000 annually for the compensation of such personnel would be placed on the freeholders in each county that has a nine-member board and a county executive; a limitation of \$250,000 annually on the freeholders in each county that has a seven-member board and a county executive.

This bill would also permit the freeholders in these counties to contract for consultants for legislative and investigative operations of the boards.

I do not believe that good government is served by creating additional unclassified personnel and carving out yet another exception to the concept of appointment through merit and fitness as mandated by the New Jersey Constitution. Article VII, Section 1, paragraph 2.

In addition, I am deeply disturbed by that section of the bill that would permit, without setting any financial limitation, boards of freeholders to contract for legislative and investigative consultants. Finally, no reasons have been presented justifying additional staff to freeholders at the public's expense. I note that in 1981 Governor Byrne vetoed a bill (Senate Bill No. 879 [2nd OCR]) similar to this one. I find what he wrote in his veto message then to be applicable to this bill now: "I am not convinced that the present system should be changed. The existing checks and balances should help assure that the counties do not suffer unnecessary growth in bureaucracy."

Accordingly, I herewith return Assembly Bill No. 482 (2nd OCR) without my approval.

Respectfully,

/s/ THOMAS H. KEAN,

*Governor.*

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
October 18, 1984. }

ASSEMBLY BILL No. 2370

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am returning Assembly Bill No. 2370 with my objections, for reconsideration.

The purpose of this bill is to provide that medals awarded to police officers by service organizations such as the Fraternal Order of Police or the Policemen's Benevolent Association shall not require authorization by the governing body of the municipality or a superior officer to be worn.

Police officers should be recognized for acts of heroism or meritorious service. These officers provide an invaluable service to the State in safeguarding our communities. Often they place their lives on the line in the call of duty. Recognition by way of presenting medals for heroism or meritorious service is one way we can demonstrate our appreciation to these officers.

While I encourage recognition of these officers, the wearing of medals on a uniform should be restricted to those awards presented by governmental body or some other valid police-related service organization. As drafted, the bill would allow an award from any service organization to be included in the officer's official record while the statement to the bill provides that it was the intent of the sponsor to allow awards to be worn which were presented by service organizations such as the Fraternal Order of Police or the Policemen's Benevolent Association. If this is the sponsor's intent, then the bill should clearly state that the awards by service organizations which may be worn are those which are issued by police-related service organizations. I propose amending the bill to clarify that only awards from a national or Statewide police service organization shall be made part of a police officer's official record, and that awards from the national or State Fraternal Order of Police or Policemen's Benevolent Association shall not require authorization to be worn.

Accordingly, I herewith return Assembly Bill No. 2370 for reconsideration and recommend that it be amended as follows:

*Page 1, Section 1, Line 4:* After "by a" insert "national or Statewide police", after "organization," insert "or"

*Page 1, Section 1, Lines 11&12:* On lines 11&12 delete "service organizations such as"; on line 12 after "Police" insert "— Grand

Lodge, the Fraternal Order of Police — New Jersey State Lodge”  
and after “or” insert “the New Jersey State”

Respectfully,

/s/ THOMAS H. KEAN,

*Governor.*

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
November 19, 1984. }

ASSEMBLY BILL NO. 2449 (OCR)

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 2449 (OCR) without my signature.

This bill would allow the City of Trenton to place a one-year moratorium on the implementation of its property revaluation for the tax year 1985 and would authorize the State Treasurer to extend the moratorium for the tax year 1986 upon the Treasurer's determination that an extension would be in the best interest of the City.

The Constitution of the State of New Jersey requires that real property be assessed and taxed for the purpose of correcting real property taxes according to the same standard of value, with the exception of agricultural and horticultural land. N. J. Constitution, Article VIII, Section 1, Paragraph 1. This provision of the Constitution was designed to ensure that taxpayers within a community owning similar parcels of real estate and improvements thereon should pay similar amounts in property taxes.

The revaluation of property occurs periodically in municipalities throughout New Jersey. It is usual and normal procedure in order to ensure that property owners are fairly taxed in relationship to what their neighbors pay.

A moratorium on the revaluation of property retards this normal procedure by freezing whatever inequities exist in the tax rolls at the point at which the revaluation would ordinarily occur.

On January 26, 1983, I signed Senate Joint Resolution No. 13 (1983), which created the Property Tax Assessment Study Commission. This Commission is now studying the problems of the assessment and revaluation statewide, and it will make recommendations to the Governor and the Legislature early in 1986. Its suggestions will be of help to all municipalities in New Jersey, including Trenton.

The City of Trenton has been ordered to undertake a revaluation by the Mercer County Board of Taxation, and this order has been affirmed by every court that has ever considered the matter. The situation in Trenton differs from those few other cities where revaluation moratoriums have been permitted because Trenton has not yet contracted with a private company to undertake a revaluation study. In the other instances a revaluation study by a private revaluation company had already been completed.

We do not yet know exactly what will occur as a result of the Trenton study the courts have now ordered, and, in any event, the Trenton study is likely to take at least two years to complete. Therefore, to postpone Trenton's ability to employ a private company to undertake a revaluation study, as some have suggested this legislation would accomplish, seems without purpose and departs from my past actions regarding moratoriums.

I also note that if the purpose of this bill, as considered legal opinion might have it, is merely to postpone the time when new assessments might go into effect in Trenton, it is a totally unnecessary piece of legislation. The revaluation study is estimated to take as long as the two years this bill would affect.

More importantly, I am deeply disturbed by the trend that exists in the Legislature to attempt to postpone municipal revaluations through the moratorium process. A recent decision by the Superior Court in Atlantic County declaring unconstitutional the moratorium for Atlantic City opens anew the whole question of what is constitutionally permissible in this area. I believe that the time has come to recognize that moratoriums do not solve our problems related to the taxation of real property in this State but merely postpone the inevitable revaluation that must occur in each municipality in order to meet with constitutional standards.

Accordingly, I herewith return Assembly Bill No. 2449 without my signature.

Respectfully,

/s/ THOMAS H. KEAN,

*Governor.*

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
December 13, 1984. }

ASSEMBLY BILL No. 536

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 536 without my signature.

The present raffles law does not permit any advertising of a raffle except by signs not to exceed 60 square feet in size placed either on the premises where the drawing is to be held, where the prize is exhibited, or adjacent to the premises. The law is designed to limit the commercialization of raffles and see to it that the proceeds of the raffle are not diverted from charitable, educational, religious, patriotic or public-spirited uses to advertising expenses. This law has been in existence virtually without change since 1954 and has been working well.

This bill would amend the current law to allow the advertising of raffles by any means except by sound trucks or billboards for a two-year period following enactment. Limits are placed on the amounts that may be spent on advertising: (1) \$5,000 per year for a licensee and its auxiliaries for all games of chance conducted in the calendar year, or (2) \$10,000 per year for a licensee for one raffle of one item in a calendar year. If an auxiliary organization obtains a license to conduct a game of chance, the amount it spends on advertising will be applied against the limits on the licensee of which it is an auxiliary.

I see no necessity for this change in the law. Several negative effects are also likely to result from this bill. The average net proceeds for all raffles in New Jersey in fiscal year 1984 was \$1,950. Allowing advertising up to the limits of this bill would greatly favor wealthier, larger organizations over their smaller, less wealthy brethren when competing for the games of chance dollar. The bill would have the effect of unduly commercializing raffles and diverting funds to advertising and away from the charitable purposes of these non-profit organizations. I also believe it is not in the best interest of the people of this State to promote gambling beyond the limits currently in place. While it has been argued that allowing raffles to be advertised would greatly enhance the ability of these organizations to reach a market in our shore areas, where these groups are in the shadows of the Atlantic City casinos, there is no evidence that these groups and the casinos compete for the same dollar. In fact, the evidence shows that non-profit raffles have col-

lected more in average net proceeds since the advent of casino gambling in Atlantic City.

In summary, I see no compelling reason to amend the raffles law in the manner proposed.

Accordingly, I herewith return Assembly Bill No. 536 without my approval.

Respectfully,

[SEAL]

*Governor.*

STATE OF NEW JERSEY  
EXECUTIVE DEPARTMENT

January 3, 1985

}

ASSEMBLY BILL No. 1515 (3rd OCR)

*To the General Assembly:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Assembly Bill No. 1515 (3rd OCR) with by recommendations for reconsideration.

Assembly Bill No. 1515 (3rd OCR) establishes an Urban Development Corporation (Corporation) to provide financial, managerial and technical assistance to persons, firms or corporations who wish to undertake projects within qualified municipalities under the Act. A “project” is defined under the Act as a specific work or improvement undertaken for industrial, land-use improvement, civic or utility purposes. A qualifying project may also combine two or more of these purposes. A “qualified municipality”

under the Act is a municipality eligible to receive State aid under P. L. 1977, c. 260 (N. J. S. A. 52:27D-162 et seq.) or P. L. 1978, c. 14 (N. J. S. A. 52:27D-178 et seq.). A "qualified municipality" is also a municipality with a population of 15,000 or less, a population density of 5,000 or more per square mile, 100 or more children enrolled in the Aid to Families with Dependent Children Program, an equalized tax rate that exceeds the State equalized tax rate and an equalized valuation per capita which is less than the State equalized valuation per capita.

The Corporation will be administered by a 10 member Board of Directors (Board) consisting of four ex officio members and six public members. The ex officio members will be the Commissioners of Commerce and Economic Development, Community Affairs, Labor and the State Treasurer. Of the six public members, two shall be appointed by the Governor with the advice and consent of the Senate, two shall be appointed by the Governor upon the recommendation of the Senate President and two shall be appointed by the Governor upon the recommendation of the Speaker of the General Assembly. Of the public members recommended by the President and the Speaker, no more than two may be of the same political party. The Chairman and Vice-Chairman will be elected from among the public members of the Board.

Six members of the Board, including two ex officio members, will constitute a quorum at any meeting of the Board. The Board may take action and, with the exception of the approval of an industrial project or a multi-purpose project containing an industrial project as one of its elements, adopt motions and resolutions upon the affirmative vote of six members of the Board including at least two ex officio members. Seven members of the Board including four public members, must approve, by resolution, an industrial project or a multi-purpose project containing an industrial project as one of its elements. The Board's resolution will be delivered to the President of the Senate and the Speaker of the General Assembly. The resolution will not take effect until 60 days after delivery. During this period, the Legislature, by way of concurrent resolution, may reject the resolution of the Board. If the Legislature so acts, the Board's resolution shall be void.

This bill will implement the recommendation that I made in my State of the State message for calendar year 1984 calling for the creation of an Urban Development Corporation. This corporation will be the focal point for the development and coordination of the State's programs to revitalize our urban areas. My administration has worked closely with the sponsor, Assemblyman David Schwartz, to develop this legislation, and I want to commend Assemblyman Schwartz for his cooperation and enthusiasm in this effort.

Unfortunately, a few amendments were made to the bill in the Legislative process that constitute an overzealous and unconstitutional intrusion upon the executive branch of State government.

I am concerned with the method in which the public members to the Board are selected. Assembly Bill No. 1515 (3rd OCR) currently provides that two public members will be appointed by the Governor with the advice and consent of the Senate; two public members will be appointed by the Governor upon the recommendation of the Senate President; and two public members will be appointed by the Governor upon the recommendation of the Speaker of the General Assembly. This method of appointing the public members to the Board constitutes an unwarranted intrusion upon the prerogative of the Chief Executive. I recommend that Assembly Bill No. 1515 (3rd OCR) be amended to provide that all public members of the Board be appointed by the Governor with the advice and consent of the Senate.

I recommend that the portion of Section 15 allowing the Legislature to reject, by concurrent resolution, a resolution of the Board approving a person's, firm's or corporation's application to construct an industrial project or a multi-purpose project, containing an industrial project as one of its elements, be deleted. This provision is unconstitutional as it violates the doctrine of Separation of Powers. N. J. Const. Art. III, par. 1. Since the Urban Development Corporation will be situated within the Department of Commerce and Economic Development, the Legislature, by granting to itself the power to invalidate certain actions of the Board of Directors, is excessively interfering with the executive branch of State government. Section 15 violates the doctrine of Separation of Powers by impeding the executive in his constitutional mandate to faithfully execute the law. *General Assembly of State of New Jersey v. Byrne*, 90 N. J. 376, 378 (1982). This section is also an unconstitutional mechanism for legislative policy making that is beyond the Governor's control. *Id.* at 379, 388.

In order to avoid a stalemate that would arise from an evenly divided Board, I recommend that the Corporation's Board of Directors be reduced from ten to 9 members. The number of ex officio members should remain at four; the number of public members should be reduced from six to five. Consequently, I also recommend that the number of Board members necessary to constitute a quorum be reduced from six to five.

Finally, I recommend that technical amendments be made to Sections 6p and 6q to delete all reference to the Corporation's power to issue bonds. Assembly Bill No. 1515 (3rd OCR) was amended in the Assembly Housing and Urban Policy Committee to remove the Corporation's power to issue bonds for at least the first year of its existence. I make this recommendation so that Assembly Bill No. 1515 (3rd OCR) will be internally consistent.

Accordingly, for the aforementioned reasons, I herewith return Assembly Bill No. 1515 (3rd OCR) and recommend that it be amended as follows:

*Page 4, Section 4, Line 16:* After "Affairs, the" insert "Commissioner

*Page 4, Section 4, Line 20:* Delete "six" insert "five"

*Page 4, Section 4, Lines 20A-20B:* Delete "in the following manner: two" insert ";

*Page 4, Section 4, Lines 20C-20F:* Delete "two upon the recommendation of the Senate President; and two upon the recommendation of the Speaker of the General Assembly, of whom no more than one of each group of two shall be of the same political party"

*Page 4, Section 4, Line 21:* After "that" insert "of"

*Page 4, Section 4, Line 22:* Delete "six person" insert "five persons"

*Page 4, Section 4, Line 22:* After "appointed" insert "two"

*Pages 4-5, Section 4, Lines 22B-23A:* Delete "terms as herein-after provided: (a) one of the persons appointed by the Governor with the advice and consent of the Senate, one of the persons appointed by the Governor upon the recommendation of the Senate President, and one of the persons appointed by the Governor upon the recommendation of the Speaker of the General Assembly shall serve" insert "a term of one year, one"

*Page 5, Section 4, Lines 23C-25B:* Delete "and (b) one of the persons appointed by the Governor with the advice and consent of the Senate, one of the persons appointed by the Governor upon the recommendation of the Senate President, and one of the persons appointed by the Governor upon the recommendation of the Speaker of the General Assembly shall serve" insert " , one for a term of three years and one"

*Page 6, Section 4, Line 55:* Delete "six" insert "five"

*Page 6, Section 4, Lines 58-59:* Delete "Except as otherwise provided in subsection b. of section 15 of this act, actions" insert "Actions"

*Page 6, Section 4, Line 59B:* Delete "six" insert "five"

*Page 9, Section 6, Line 55:* Delete "bonds,"

*Page 9, Section 6, Line 59:* Delete "or bondholders"

*Pages 17-18, Section 15, Lines 33F-33X:* Delete "The selection of an industrial project or a multi-purpose project which has, as one of its elements, a project classified as an industrial project pursuant to paragraph (4) of this subsection shall be by resolution adopted by the affirmative vote of at least seven members of the board, including at least four citizen members. A true copy of this resolution, as adopted, along with the written findings upon which the board's determination that the project would not be undertaken but for the participation of the corporation was based shall be forthwith delivered by and under the certification of the secretary of the board to the President of the Senate and the Speaker of the General Assembly. No resolution adopted pursuant to this paragraph shall have force or effect until 60 days, Saturdays, Sundays, and public holidays included, after the copy of the resolution and findings have been so delivered. If, within the 60-day period, the Legislature shall, by the adoption of a concurrent resolution, determine that the project does not effectively ful-
