DIVISION OF DAIRY INDUSTRY

Proposed Rule on Sales of Milk in Three Quart Containers

W. W. Moffett Jr., Director of the Division of Dairy Industry in the Department of Agriculture, pursuant to authority of N.J.S.A. 4:12A-1 et seq., proposes to adopt a new rule, concerning sales of milk in three quart containers.

Full text of the proposed rule follows:

2:48-6.3 Sales of milk in three quart container

Notwithstanding the provisions of Section 1 of this Subchapter, any licensee may sell fluid whole milk in three quart containers out of stores and vending machines for off-premises consumption and on home delivery routes if such milk is sold at prices which are not disruptive of the orderly marketing of milk within the State. Sales of fluid whole milk in three quart containers at prices which are lower than one and one-half times the minimum price for one-half gallon containers as provided in Division of Dairy Industry Order 69-1 shall be presumed to be disruptive of orderly marketing of milk and are hereby prohibited.

Interested persons may present statements or arguments in writing, orally in person, or by telephone, relevant to the proposed action on or before March 26, 1975, to:

Woodson W. Moffett Jr., Director

Proposed Revisions on Marketing Open and Closed Packages of Potatoes

The State Board of Agriculture, pursuant to authority of N.J.S.A. 4:10-4, proposes to adopt revisions to Subchapter 5, Chapter 71, Title 2 of the New Jersey Administrative Code, concerning the marketing of open and closed packages of potatoes, in order to conform with the regulations of the Division of Weight and Measures, Department of Law and Public Safety, and to aid in the enforcement of Chapter 164, Laws of 1974.

Full text of the proposed revisions follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]):

SUBCHAPTER 5. MARKING OPEN AND CLOSED PACKAGES OF POTATOES

2:71-5.1 General provisions; purpose

The following Sections of this Subchapter are adopted by the State Board of Agriculture to effect administration and enforcement of Chapter 116, Laws of 1963, **and Chapter 164, Laws of 1974**, under authority prescribed therein.

2:71-5.2 Grades on potato package

(a) Every package of potatoes shall be classified as meeting the requirements of one of the U.S. grades, or of "Unclassified", or of "Culls".

(b) Use of such terms as "ungraded", "field run", "pick outs" or any other term, not specified in the Act, to indicate grade or quality, is prohibited.

2:71-5.3 Markings of potato package

(a) All required markings shall be clear and legible, plainly printed, stenciled or stamped.

(b) Labels used in connection with transparent film type packages shall if inserted, be placed face out in a conspicuous manner and position.

(c) All packages shall contain the required markings whether they are master containers or packages within master containers.

(d) The following schedule of labeling shall prevail:

1. For packages containing less than ten pounds, all required markings shall be at least [1/8] **3/16** inch in height.

2. For packages containing ten or more and less than 50 pounds, all required markings shall be at least 3/8 inch in height.

3. For packages containing 50 pounds or more, all required markings shall be at least 5/8 inch in height.

(e) [In addition, when] **Whenever** the words "Unclassified" or "Culls" are used, they shall be at least one inch in height.

2:71-5.4 Tags

When tags are used, all required markings shall be at least 5/8 inch in height, and [in addition, when] **whenever** the words "Unclassified" or "Culls" are used, they shall be at least one inch in height.

2:71-5.5 Invoices and/or manifests (bills of lading)

(a) All persons selling, offering for sale or transporting for sale in this State potatoes coming under the provisions of this Act shall furnish the buyer an invoice and/or manifest covering each sale of such potatoes where the quantity exceeds 500 pounds.

(b) Each invoice shall indicate the number of containers of each grade in the sale and/or the number of containers of "Unclassified" or "Cull" potatoes in the sale.

2:71-5.6 Prohibition of sale

(a) Packages of potatoes found improperly marked in violation of the Act shall be tagged or otherwise appropriately identified by the Secretary or his duly authorized representative, thus giving notice that such packages are misbranded, mislabeled or misrepresented, and warning all persons not to remove or dispose of such potatoes, by sale or otherwise, until such potatoes are properly branded or labeled, and permission to dispose of them has been granted by the Secretary or his duly authorized representative.

(b) It shall be a violation of the Act, or the rules and regulations pursuant thereto, for any person to remove or dispose of potatoes so seized, by sale or otherwise, without this permission.

2:71-5.7 Responsibility of packer or repacker

[(a) The responsibility for grade and condition shall be that of the packer or repacker.

(b) Final determination of compliance with the Act and its regulations shall be based primarily upon the facts available at the time of inspection. Therefore, the possessor is responsible for the maintenance of quality, whether he be grower, packer or repacker, shipper, dealer, distributor or retailer.

(c) When condition type factors such as dry rot, wet rot, freezing, severe light burning or greening, shriveling, sprouting or other similar type factors are present, affected lots must be reconditioned to comply with the grade markings on the package or be remarked with one of the lower official classifications.]

Final determination of compliance with the Act and its regulations shall be based upon the facts available at the time and place of inspection. The possessor, however, is responsible for maintaining the grade, whether he be grower, packer or repacker, shipper, dealer, distributor or retailer. Lots of potatoes that fail to comply with the Act and its regulations shall be relabeled or regraded to meet compliance.

Interested persons may present statements or arguments in writing, orally in person or by telephone on or before March 26, 1975, to:

Mr. Delmar K. Myers, Director
Division of Regulatory Services
New Jersey Department of Agriculture
P. O. Box 1888

DIVISION OF SAVINGS AND LOAN ASSOCIATIONS

Proposed Rule on Notice of Maturity On Fixed Term Savings Accounts

The Department of Banking, pursuant to authority of N.J.S.A. 17:12B-133, proposes to adopt a new rule concerning the notice of maturity on fixed term savings accounts.

Full text of the proposed rule follows:

3:30-1.3 Notice of maturity on fixed term savings accounts

(a) Every insured association shall give written notice of the date on which a savings certificate account, payable one

year or more after the date of deposit or one year or more after the date of the instrument evidencing the deposit, will mature to each savings member not less than 15 and not more than 45 days prior to the expiration of the term of the savings account. The notice shall be directed to the last known address of the savings member.

(b) Such notice shall clearly inform the savings member of the savings account options available to him at that institution as of the maturity date, including the various types of accounts and the rates and terms applicable thereto.

(c) In the case of any savings account which contains payments or deposits which were deposited at varying times and therefore mature and are payable on varying maturity dates the notice required by this Section must be given only with respect to:

1. The maturity date of the first deposit in such account; and
2. Any succeeding maturity date which occurs one year or more after the immediately preceding maturity date.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 26, 1975, to:

William B. Lewis
Deputy Commissioner
Division of Savings and Loan Associations

DIVISION OF SAVINGS AND LOAN ASSOCIATIONS

Proposed Rules on Conversion of a Mutual Association to a Capital Stock Association

The Department of Banking, pursuant to authority of N.J.S.A. 17:12B-1 et seq., proposes to adopt new rules concerning the conversion of a mutual association to a capital stock association.

Full text of the proposed rules follows:

CHAPTER 32. STOCK ASSOCIATIONS

SUBCHAPTER 1. CONVERSION OF A MUTUAL ASSOCIATION TO A CAPITAL STOCK ASSOCIATION

3:32-1.1 Authorization for conversion

An insured mutual association may convert to a capital stock association subject to the limitations and provisions of Article XXI of the Savings and Loan Act (1963) as amended, and this regulation. The association shall also be subject to the same requirements promulgated by the Federal Savings and Loan Insurance Corporation in Part 563b of the rules and

regulations for insurance of accounts.

3:32-1.2 Application

Application and other forms provided by the Federal Savings and Loan Insurance Corporation shall be considered as acceptable material by the Commissioner for compliance with the provisions of this regulation and Article XXI of the Savings and Loan Act (1963) as amended. Copies of all forms required to be filed with the Federal Savings and Loan Insurance Corporation should be forwarded to the Commissioner as part of the application for preliminary approval.

3:32-1.3 Conversion; general

(a) A State chartered association making such conversion shall comply with the following conditions and procedures:

1. Any plan for conversion shall be approved by two-thirds of the board of such association, and a resolution shall be adopted to that effect.

2. A preliminary application for approval of conversion with a proxy statement and a proxy form shall be submitted to the Commissioner who shall determine that:

i. The plan of conversion has been adopted and approved by the board of directors;

ii. The plan of conversion is fair and equitable to all members;

iii. Sufficient provision has been made to protect the interest of the depositors of the prospective capital stock association.

(b) If the preliminary application for approval of conversion is deemed acceptable by the Commissioner, he shall issue an intent of approval subject to the affirmative vote of a majority of eligible members and compliance with the conditions prescribed in the conversion provisions of Article XXI of the Savings and Loan Act (1963) as amended, and this regulation.

3:32-1.4 Meeting of members

(a) Savings and/or borrowing members, as defined by the mutual association's by-laws, who are 16 years of age, or over, shall be entitled to vote at the special meeting to consider conversion to a capital stock association.

(b) The record date for determining those members eligible to vote at the meeting called to consider the plan of conversion shall not be less than 90 days from the date of approval of such plan by the board of directors.

(c) A special meeting of the members shall be called by the board of directors, not later than 180 days following preliminary approval of the plan of conversion by both the Commissioner and the Federal Savings and Loan Insurance Corporation, to vote upon, either in person or by proxy, the following business:

1. To consider the adoption of the plan of conversion of the mutual association into a capital stock association;

2. To elect directors to hold office from the effective day of conversion until the next annual meeting;

3. To consider the adoption of by-laws for the capital stock association.

(d) Upon the affirmative vote of at least a majority of the members present, either in person or by proxy of the determination to convert the mutual association into a capital stock association, the board of directors shall within 45 days file with the Commissioner the following documents:

1. A copy of the minutes of the proceedings of such meeting;

2. A certificate of incorporation as provided in Article XXI,

Section 18 of the Savings and Loan Act (1963), as amended;

3. A copy of the by-laws for the stock corporation;

4. Conversion application for final approval.

3:32-1.5 Voting in person or by proxy

(a) Every proxy shall be executed and dated by the member or his agent and filed with the secretary of the association not later than ten days prior to the meeting date.

(b) A proxy shall be revocable at will, however the presence at the meeting of the members shall not revoke such proxy unless the member files a written notice of such revocation with the secretary of the meeting prior to the voting of such proxy.

(c) A proxy shall not be revoked by the death or incapacity of the member but such proxy shall continue in force until revoked by the personal representative or guardian of the member.

(d) The proxies shall be valid only for the meeting at which a conversion plan will be voted upon.

(e) Requirements as to proxy form:

1. Shall indicate in bold face type whether proxy is solicited on behalf of management;

2. Shall provide specifically designated blank spaces for dating and signing the proxy;

3. Shall clearly identify each matter or group of related matters to be voted upon;

4. Shall be clearly labeled "Revocable Proxy" in bold face type;

5. Shall contain an acknowledgement by the person giving the proxy that he has received a proxy statement prior to signing the proxy form;

6. Shall contain the date, time and place of meeting;

7. Shall provide by a box or otherwise, a means whereby a person solicited can indicate his choice between approval or disapproval of each matter to be acted upon;

8. Shall indicate in bold face type how the proxy shall be voted on each matter where no choice is specified.

3:32-1.6 Stock purchase rights

(a) An "eligible account holder" means any person holding a savings account in a converting association on the eligibility record date established by the Commissioner which shall be not less than 90 days prior to the adoption of the plan of conversion by the board of directors. Such eligible account holders shall be entitled to subscription rights to purchase capital stock. Those eligible account holders under 18 years of age shall be entitled to purchase stock under a custodian agreement.

(b) The exercise of the subscription rights of the eligible account holders shall be in accordance with Section 563b of the rules and regulations for insurance of accounts.

3:32-1.7 Purchase price of stock

(a) The application for final approval shall fix a subscription price per share not less than \$10.00 and normally not more than \$50.00.

(b) Prices are to be established by persons independent of the converting association who are experienced and expert in corporate appraisal.

(c) These persons shall be acceptable to the Commissioner and the corporation and their independence is not jeopardized by participating in selling the stock or by receiving from the association a fee for price appraisal services.

3:32-1.8 Capital stock; no par value

The stated capital for stock issued without par value shall be not less than \$2.00 per share.

3:32-1.9 Liquidation account

Appropriate subaccount records shall be maintained for each eligible account holder with respect to each savings account. Such subaccount will represent a related inchoate interest in a portion of the liquidation account balance. Such initial interest shall be adjusted for withdrawals in the savings account subsequent to the eligibility record date in accordance with Section 563b of the rules and regulations for insurance of accounts.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 26, 1975, to:

William B. Lewis
Deputy Commissioner
Division of Savings and Loan Associations

Proposed Revisions on Limitations And Excludable Loans

The Department of Banking, pursuant to authority of N.J.S.A. 17:12B-168 et seq., proposes to revise a portion of the rules concerning the limitation on the amounts of real estate loans and investments and specifically the rules on limitations and excludable loans.

Full text of proposed revisions follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]):

3:27-5.1 Limitations

The amount of any real estate loan or investment by a State association for "any one property", as that language is used in Section 168, containing more than one "dwelling unit", as defined in Section 4 (Definitions) of this Subchapter, shall not exceed [\$40,000] **\$60,000** per dwelling unit [and the present loan limitation of \$35,000 for "any one property"] or an amount equal to 2½ per cent of a State association's assets, whichever is greater [is increased accordingly]. The total amount owing to a State association upon all such loans and investments in excess of [\$40,000] **\$60,000** per dwelling unit (as defined in Section 4 (Definitions) of this Subchapter) shall not exceed 40 per cent of the aggregate amount owing to it on all of its mortgage loans at the time any such loan or investment in excess of [\$40,000] **\$60,000** per dwelling unit is made.

3:27-5.3 Excludable loans

When the principal balance of any loan subject to the limi-

tations of this Section has been reduced by amortization or partial prepayment below [\$40,000] **\$60,000** or 2½ per cent of the State association's assets, whichever is greater, the loan will be excluded when computing the 40 per cent limitation.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 26, 1975, to:

Revisions on Interest Rates

On January 30, 1975, Richard F. Schaub, Commissioner of Banking, pursuant to authority of N.J.S.A. 31:1-1 and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted emergency revisions to N.J.A.C. 3:1-1.1 concerning interest rates.

The **revised text** follows:

3:1-1.1 Interest rates

(a) The maximum rate of interest to be charged, taken or received, upon a loan of any money, wares, merchandise, goods and chattels, made on or after January 30, 1975, shall be eight per cent per year, except as hereinafter provided. Such interest shall be calculated in accordance with N.J.S.A. 31:1-1, as amended by ch. 328, P.L. 1973.

(b) The maximum rate of interest to be charged on loans secured by real estate on which there is erected or to be erected a one, two or three-family dwelling occupied or to be occupied by the borrower, consummated on or after January 30, 1975, shall be 9 1/4 per cent annum. Such interest shall be calculated in accordance with N.J.S.A. 31:1-1, as amended by ch. 328, P.L. 1973.

(c) Contracts for the following classes or types of loans may lawfully provide for any rate of interest which the parties agree upon, and interest at any such rate may lawfully be taken:

1. Loans in the amount of \$50,000 or more, except loans where the security given is a mortgage on real property consisting of a lot of land upon which there is constructed or in the course of construction a dwelling house of three family units or less. The rate of interest stated in such contract upon the origination of such loans may be taken notwithstanding that payments thereon reduce the amount outstanding to less than \$50,000.

2. Loans or advances of credit made by savings and loan associations, banking institutions, or any Department of

Housing and Urban Affairs or Federal Housing Administration approved mortgagees for which an offer or commitment to purchase has been received and which are subsequently purchased, in whole or in part, by the Federal Housing Administration, Veterans Administration, Farmers Home Administration, Federal National Mortgage Association, Government National Mortgage Association, Federal Home Loan Mortgage Corporation, and any successor thereof or by any State or Federal governmental or quasi-governmental organizations.

(d) The rates established herein shall be effective immediately and shall remain in force until such time as this regulation is rescinded or until said rate or rates are revised by a subsequent regulation.

An order adopting these revisions was filed and effective January 30, 1975, as R.1975 d.21 (Exempt, Emergency Rule).

BANKING

THE COMMISSIONER

Advisory Opinion on Individual Retirement Accounts

Take notice that the Department of Banking has issued the following advisory opinion, known within the Department of Banking as Advisory Opinion 1-1975, concerning Individual Retirement Accounts and Self-Employed Individual Retirement Accounts:

Pursuant to the "incidental powers" section of The Banking

Act of 1948, as amended, N.J.S.A. 17:9A-24(12), banks which are not qualified banks and savings banks which are not qualified savings banks¹, may accept Individual Retirement Accounts² and Self-Employed Individual Retirement Accounts³, if the accounts are funded only in savings accounts or other time accounts, such as certificates of deposit. Such banks and savings banks may not operate common trust funds for these accounts.

Savings banks, which are not qualified savings banks, but which have applied for and received powers pursuant to section 26(6) of the Act, may exercise the powers conferred upon them by the Commissioner's approval with respect to Self-Employed Individual Retirement Accounts. The powers under section 26(6) do not confer any additional authority to savings banks with respect to Individual Retirement Accounts.

Nothing herein is intended to change, alter, rescind or modify the powers held by qualified banks or savings banks.

STATE BOARD OF EDUCATION

Proposed Rules on Equality In Educational Programs

The State Board of Education, pursuant to authority of N.J.S.A. 18A:36-20, proposes to adopt new rules on equality in educational programs.

Full text of the proposed new rules follows:

CHAPTER 4.

EQUALITY IN EDUCATIONAL PROGRAMS

6:4.1.1 Purposes and objectives

The New Jersey Constitution and implementing legislation guarantee each child in the public schools equal educational opportunity regardless of race, color, creed, religion, sex, ancestry, national origin, place of residence or social or economic background. To assure these basic rights the Commissioner of Education and the State Board of Education have developed these regulations which specifically implement N.J.S.A. 18A:36-20 and the State Board of Education Resolution concerning sex equality in educational programs. These regulations have also been developed in conformity with relevant Federal and State statutes concerning discriminatory conduct.

6:4.1.2 Definitions

(a) "Discriminatory practices" shall mean any action or failure to act based upon race, color, creed, religion, sex, national origin, ancestry, place of residence or economic or social condition.

(b) "Equal access" shall mean equal opportunity to participate in and/or benefit from any educational programs or activities as defined hereafter regardless of race, color, creed, religion, sex, national origin, ancestry, place of residence or economic or social condition.

(c) "Educational activities and programs" shall mean all activities and programs conducted or sponsored by the school either during the school day or after regular school hours.

(d) "School" shall mean every public elementary or secondary school, every regional school, every county vocational school or any other public institution providing special or general educational services to students from grades K through 12.

6:4-1.3 Policy development

(a) Each local school district shall develop a policy of equal educational opportunity to be adopted as a resolution of the Board of Education. The school district shall inform the community it serves of this resolution by publicizing it in any adequate manner, including but not limited to the district's customary methods of information dissemination.

(b) Each local school district shall develop two affirmative action programs or plans, which shall include time-tables of corrective action to overcome the effects of previous patterns of discrimination and a systematic, internal monitoring procedure to ensure continuing compliance:

1. One such program or plan shall include, but need not be limited to action as required by Section 4, School and Classroom Practices, of this Subchapter.

2. Another program or plan shall include, but need not be limited to, action as required by Section 5, Employment/Contract Practices, of this Subchapter.

3. The programs or plans shall be made available for review to all interested parties.

(c) Each local school district shall designate an affirmative action officer who shall coordinate, implement and report to the local board on the district's efforts to comply with these regulations.

(d) As part of its affirmative action programs or plans, each local school district shall arrange for or provide in-service training for school personnel on a continuing basis sufficient to identify and solve problems of racial, sexual, religious, national or cultural bias.

(e) Each local school district shall develop guidelines and procedures to review and evaluate whether proposed courses of study and instructional materials contain bias based upon race, sex, religion, national origin, ancestry or culture. These guidelines and procedures shall encourage community involvement.

Until all courses of study and instructional materials already in use are changed so as to eliminate racial, sexual and cultural bias, supplementary materials shall be utilized.

6:4-1.4 Technical assistance

The Commissioner or his designee shall provide technical assistance to local school districts for the development of policy guidelines, procedures and in-service training for school personnel so as to aid in the elimination of bias on the basis of race, color, creed, sex or national origin.

6:4-1.5 School and classroom practices

(a) All public school students shall have equal access to all educational programs and activities.

(b) There shall be no differential requirements for completion of course offerings or courses of study solely based on race, color, creed, sex or national origin.

(c) There shall be no discrimination against students because of pregnancy, childbirth or pregnancy related disabilities, actual or potential parenthood, family or marital status. A student shall not be excluded from a class or classes because of pregnancy or related conditions unless she so requests, or her physician certifies that such exclusion is necessary for her physical, mental or emotional well-being, in which case she must be provided adequate and timely opportunity for instruction to continue or make up her schoolwork without prejudice or penalty.

(d) Public school students shall not be segregated on the basis of race, color, creed, sex or national origin in any duty, work, play, classroom or school practice.

(e) No course offering, including but not limited to physical education, health, industrial arts, business, vocational or technical courses, home economics, music and adult education, shall be limited on the basis of race, color, creed, sex or national origin.

(f) The athletic program, including but not limited to intramural-extramural, and inter-scholastic sports, shall be available on an equal basis to all students regardless of race, color, creed, sex or national origin:

1. The activities comprising such athletic program shall receive equal treatment, including but not limited to staff salaries, purchase and maintenance of equipment, quality and availability of facilities, scheduling of practice and game time, length of season and all other related areas or matters.

2. A school may choose to operate separate teams for the two sexes in one or more sports and/or single teams open competitively to members of both sexes, so long as the athletic program as a whole provides equal opportunities for students of both sexes to participate in sports at comparable levels of difficulty and competency.

(g) Public school students are not required to share sanitary facilities, including rest rooms, showers and locker rooms, on a sex-integrated basis.

(h) School personnel shall not use tests, procedures or other guidance and counselling materials which establish, tend to establish or are differentiated or stereotyped on the basis of race, color, creed, sex or national origin.

School personnel shall indicate to all students all possible career, professional or vocational opportunities available and shall in no way restrict the options offered to students on the basis of race, color, creed, sex or national origin.

6:4-1.6 Employment/contract practices

(a) All persons regardless of race, color, creed, sex or national origin shall have equal access to all categories of employment in the public educational system of New Jersey.

(b) All New Jersey public schools shall comply with all State and Federal laws related to equal employment, including but not limited to the New Jersey Law Against Discrimination (N.J.S.A. 10:5-1 et seq), Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972, Executive Order 11246 as amended, Equal Pay Act of 1963 as amended by the Education Amendments of 1972 (Higher Education Act), and Title IX of the Education Amendments 1972 (Higher Education Act).

(c) The school shall not enter into any contract with any

person, agency or organization if it has knowledge that such person, agency or organization discriminates on the basis of race, color, creed, sex or national origin, either in employment practices or in provision or benefits or services to students or employees.

6:4-1.7 Compliance

(a) Each school district shall submit to the Commissioner Of Education or his designee a copy of its Resolution of Equal Educational Opportunity (See Section 2 (a) of this Chapter) and the name of its affirmative action officer (See Section 2 (c) of this Chapter) within 60 days of the effective date of these regulations.

(b) Each school district shall, within 120 days of the effective date of these regulations, submit its proposed program or plan of affirmative action for school practices, and classroom practices. (See Section 3 (b) of this Chapter).

(c) Each school district shall, within 180 days of the effective date of these regulations, submit its proposed program or plan of affirmative action for employment and contract practices (See Section 3 (b) of this Chapter).

(d) The Commissioner or his designee shall review the programs or plans, approve or reject said plans and shall notify the school system of his decision within 60 days of receipt of the plans.

(e) If the plan is in any way unacceptable, the Commissioner shall designate a person or persons to work with the school district to develop an acceptable plan, which must be completed and approved within 60 days of the receipt of the notice that the original plan was unacceptable.

(f) The plan must be initiated within a time period not to exceed 120 days from the time of its approval and must be fully implemented in accord with an approved time-table.

(g) If within one year of the effective date of the affirmative action plan a school district is still found to be not in compliance with these regulations or their plan was not implemented, the Commissioner may initiate, with the approval of the State Board of Education, action to suspend, terminate or refuse to award continued Federal or State financial assistance. The Commissioner may also make referral to any appropriate judicial and/or administrative Federal, State or local agencies.

6:4-1.8 State review and evaluation

(a) At least once every three years the Commissioner or his designee shall review and evaluate the progress of each school district in implementing its affirmative action plan. If sufficient appropriations exist, the Commissioner may utilize the services of qualified independent consultants to effectuate the review and evaluation. The Commissioner shall provide each local school district with a copy of such analysis.

(b) The Board of Education of each local school district shall make available to the community a summary of the review and evaluation in accord with the procedures adopted pursuant to N.J.A.C. 6:4-1.2(a).

(c) Any and all inadequacies in the program as revealed in the review and evaluation shall be corrected as soon as is practicable, but in no case shall correction be delayed more than 60 days from receipt of notice of inadequacy or non-compliance. If such inadequacy is not corrected in the specified time, it shall result in the procedure described in 6:4-1.7 (g).

6:4-1.9 Appeals

In accordance with N.J.S.A. 18A:6-9, any individual may

petition the Commissioner of Education to resolve a dispute arising under these regulations pursuant to procedures set forth in N.J.A.C. 6:24-1.1 et seq.

6:4-1.10 Effect of related statutes

The obligation to comply with these regulations is not obviated or alleviated by any State or local law or rule or regulation of any organization, club, athletic or other league or association which would limit the eligibility or participation of any student on the basis of race, color, creed, sex or national origin.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 26, 1975, to:

STATE BOARD OF EDUCATION

Proposed Amendment on Acting Administrators

The State Board of Education, pursuant to authority of N.J.S.A. 18A:4-10 and 18A:16-1.1, proposes to amend its rule concerning acting administrators.

Full text of the proposed amendment follows (additions indicated in bold face **thus**):

6:3-1.1 Acting administrators

(a) If because of illness or death or some other good and sufficient reason, the board of education must fill the post of superintendent of schools, assistant superintendent of schools, **school business administrator**, high school principal or elementary school principal with a person who is designated as the acting administrator in a respective situation and who is not properly certified to hold the position, it shall be the duty of the board of education to make written application to the Commissioner of Education for permission to employ such person in an acting capacity, stating the reasons why such action is necessary.

(b) If such approval is given by the Commissioner of Education, it shall be of three months' duration, and may be renewed by him upon application for a period of three months at a time. If the acting status of said individual is to extend beyond a year, no such permission can be given except upon recommendation of the Commissioner of Education to the State Board of Education that the application of the local board of education be granted.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 26, 1975, to:

ENVIRONMENTAL PROTECTION

DIVISION OF ENVIRONMENTAL PROTECTION

BUREAU OF AIR POLLUTION CONTROL

Proposed Institution of Rulemaking Proceeding on Glass Manufacturing

The Department of Environmental Protection, pursuant to authority of N.J.S.A. 26:2C-1 et seq., proposes to consider amendments of certain particle emission standards insofar as they apply to the glass manufacturing industry in the counties of Burlington, Camden, Cumberland, Gloucester and Salem. The relevant emission standards are prescribed for all industries in N.J.A.C. 7:27-6.1 et seq. Such proposal is known within the Department of Environmental Protection as Docket No. DEP 019-75-02.

The New Jersey Commissioner of Labor and Industry has advised the Commissioner of Environmental Protection that existing standards may place the glass industry of New Jersey at a competitive disadvantage with respect to particle emission regulations applicable elsewhere, notably in Pennsylvania. Others have suggested that the current economic condition of the glass industry, its experience with available pollution control technology, or the natural gas situation in South Jersey may also justify relief.

The glass industry of New Jersey is located in Burlington, Camden, Cumberland, Gloucester, Hudson, Middlesex, Monmouth, Morris and Salem Counties. In Burlington, Camden, Cumberland, Gloucester and Salem Counties, the glass industry employs over 12,700 people. This represents ap-

proximately 23 per cent of all of the area's manufacturing work force. This industry can be considered as the leading manufacturing employer in the region.

Table 1 indicates the total annual particle emissions for each county according to the Department's 1970 emission inventory, broken down for glass industry emissions, total industrial process emissions, and total particle emissions from all sources (including estimated emissions due to transportation sources):

TABLE I
 Particle Emissions (1970 Emission Inventory)
 (Tons/Year)

County	From glass industry	From all industrial processes	Total, from all sources
Burlington	165.6	711	5,197
Camden	116.5	315	6,215
Cumberland	111.8	1511	6,638
Gloucester	*	1124	4,034
Hudson	282.1	775	11,110
Middlesex	126.0	7841	23,384
Monmouth	556.2	563	7,237
Morris	229.7	246	5,061
Salem	402.1	510	3,010

*Data Not Available

The northern counties in question, namely, Hudson, Middlesex, Monmouth and Morris, are in the New Jersey-New York-Connecticut Interstate Air Quality Control Region. The entire region has serious problems with regard to meeting national ambient air quality standards for total suspended particulates. Monitoring data for the New Jersey counties of this region (which also includes the counties of Bergen, Essex, Passaic, Somerset and Union) show that there have been contraventions of the national primary ambient air quality standard for particulate matter of 75 micrograms per cubic meter (annual geometric mean). (See below.) This standard, set by the Federal government at a level deemed adequate to protect public health, is based on investigations which led to the conclusion that 80 micrograms per cubic meter represents the threshold beyond which persons subject to cardiovascular infirmity and respiratory disease (to which those over 50 years of age are particularly susceptible) may sicken or die.

Monitoring stations maintained in the northern New Jersey area in question indicate annual average readings which exceeded the primary health related standard during 1973 at the following locations:

Table II
 Annual Geometric Mean (ug/m³)

Site	Annual Geometric Mean (ug/m ³)
Fairview	80.5
Hackensack	141.8
Hoboken	115.1
Jersey City (Site 1)	89.2
Jersey City (Site 2)	84.9
Linden	75.1
Newark	124.5
Union City	84.2

The federally established national secondary standard for particulate matter of 60 micrograms per cubic meter (annual geometric mean) reflects conclusions as to effects on public welfare as opposed to public health, including such factors as soiling and visibility. In addition to those locations listed

above, concentrations in excess of the national secondary standard were recorded during 1973 at the following locations in North Jersey:

Table III
Annual Geometric Mean (ug/m³)

Site	Annual Geometric Mean (ug/m ³)
Bayonne	71.0
Carteret	67.6
Passaic	60.7
Roselle	69.9
Sayreville	63.2
Secaucus	60.2
Woodbridge	73.8

Based on these data, the federally mandated requirements to protect the public health and welfare require substantial reductions in particulate emissions in North Jersey. At a minimum, it will be necessary to maintain present emission standards to provide some margin for future growth in this region. Further, it appears possible that existing standards for industrial processes alone may not be adequate to reduce ambient particulate levels to acceptable concentrations, and that in North Jersey public health requirements may compel even greater reductions than those required by emission standards currently in effect. Therefore, any easing of standards for the glass industry would probably require offsetting restrictions on residential, commercial or other industrial growth or other human activity in that area.

In view of the contravention of the health related primary standard in the North Jersey area and the clear need to reduce particulate levels, there does not appear to be a sufficient basis for easing emission standards with respect to the glass industry, in this area, at this time.

On the other hand, available information strongly suggests that the ambient air in the South Jersey counties referred to above and adjacent counties is well within the primary and secondary national standards, with the exception of one station in Atlantic County.

NOTE: Monitors were installed in 1973 at Collingswood in

Camden County, Clayton and Swedesboro in Gloucester County, and Pilesgrove in Salem County, but data obtained were insufficient to determine the annual geometric mean.

Although New Jersey has no monitoring sites in the immediate vicinities of the existing glass manufacturing plants in South Jersey, it appears plausible to consider the special circumstances of the glass industry in South Jersey. It is appropriate to consider allowing the existing glass plants in South Jersey to conform to the Pennsylvania standard, subject to their monitoring the ambient air quality in South Jersey on a continuing basis to determine the resulting ambient conditions.

The South Jersey counties in question are all part of, or adjacent to, the Metropolitan Philadelphia Air Quality Control Region, which consists of portions of Pennsylvania, Delaware and New Jersey. There is no proposal or indicated need under the Federal Clean Air Act to treat this region as a maintenance area with respect to particulates.

Since March 27, 1972, the New Jersey regulation (N.J.A.C. 7:27-6.1 et seq.) has allowed emissions in terms of either:

(a) a collection efficiency of 99 per cent of the potential emission rate or

(b) emissions not exceeding 0.02 grains per standard cubic foot, whichever is greater.

Until April 27, 1974, the Pennsylvania emission standard applicable to the glass industry was 0.04 grains per standard cubic foot. On that date, the standard was changed to the higher of:

(a) 0.02 grains per standard cubic foot or

(b) the rate in pounds per hour calculated from the following formula: $(0.76) (50W)^{0.42}$, where W is the furnace process rate in tons per hour.*

In addition, Pennsylvania restricts the emission of visible air contaminants from glass furnaces to an opacity of no greater than 20 per cent, except that for no more than three minutes in any one hour the opacity may be greater than 20 per cent but not in excess of 60 per cent.

The Glass Container Manufacturers Institute, Inc., on December 23, 1974 petitioned the Department to amend its rules to regulate the glass industry by combining the particle emissions currently allowed from the combustion of fuel (N.J.A.C. 7:27-4.1 et seq.) with the particle emissions currently allowed from industrial processes (N.J.A.C. 7:27-6.1 et seq.). In concept, this would appear to be an inappropriate approach in view of the fact that the present emission standards in N.J.A.C. 7:27-6.1 et seq. already take into account particles both from fuel burned and from processes. Moreover, the New Jersey emission standard for the combustion of fuel (N.J.A.C. 7:27-4.1 et seq.) was based on coal burning data; the combustion of coal inherently produces a much higher particle emission rate than the combustion of the gaseous or liquid fuels commonly used in this industry.

Accordingly, the Department would entertain petitions to amend the existing particle emission standard (N.J.A.C. 7:27-6.1 et seq.) for the glass industry in the counties of Burlington, Camden, Cumberland, Gloucester and Salem to an

* The exact form of the current Pennsylvania standard is given by the formula:

$A = (0.76) E^{0.42}$, where

A = allowable emissions (pounds/hour),

E = emission index = F x W (pounds/hour),

F = process factor (pounds/unit of production), and

W = production or charging rate (units of production/hour)

For the glass industry, F is 50 pounds/ton of fill, and the unit of production for F and W is tons of fill.

appropriate alternative standard, for example, that contained in the Pennsylvania regulations. In order to evaluate any petitions that may be submitted, the petitions should cover, at a minimum, the following information:

A. The competitive position of glass manufacturing in New Jersey with respect to other states;

B. The economic position of the petitioner(s) and the impact of pollution control technology costs thereon;

C. Information as to the labor intensity of each facility, including the number of employees per unit of production, capital investment and throughput, as well as the cost of labor per unit of output;

D. Accurate information as to the amount, composition, and, if available, the size distribution of particle emissions under present practices;

E. An explanation of the processes, technologies and costs that would have to be incurred to meet the current New Jersey standard and any other standard proposed in any such petition;

F. A definitive corporate expression of willingness to meet the standard proposed in any such petition;

G. An expression of willingness to install, maintain and operate appropriate monitoring equipment under conditions approved by the Department, at sites to be selected with the approval of the Department. This monitoring should be at regular intervals, with the data therefrom reported to the Department for a period of at least two years, and for so long as standards adopted as a result of this proceeding remain in effect;

H. Information as to the age of major units of capital equipment, as well as the estimated date of the next major rebuilding of such units;

I. Information as to the hazards to public health associated with emissions from production facilities; and

J. Information as to other hazards (e.g., vegetation damage, visibility or soiling effects) associated with such emissions.

Any rule adopted in response to such petitions will be subject to the air quality maintenance and nondegradation requirements established under Federal law. It is noted, therefore, that any relief that may be granted the glass industry herein is liable under Federal law to impinge upon the residential, commercial or industrial growth potential of these counties by committing a portion of the dilutive capacity of air sheds in these counties to the existing glass factories.

Any rule adopted would be submitted to the Federal Environmental Protection Agency for review and approval as an amendment to the State Implementation Plan as approved and previously published in the Federal Register (37 FR 10842, May 31, 1972), as amended. In addition, any rule adopted would not diminish the requirements of the Law on Permits (N.J.S.A. 26:2C-9.2) respecting construction, installation and alteration of equipment or control apparatus.

In connection with the rulemaking instituted herein, the Department will consider whether special restrictions should be placed on the release of hazardous substances, if any, to the ambient air that may be associated with the emissions from any glass manufacturing facility or special process used therein.

Ten copies of each petition should be filed with the Department no later than March 28, 1975, with the following:

Herbert Wortreich, Acting Chief
Bureau of Air Pollution Control
Department of Environmental Protection
P.O. Box 2807
Trenton, New Jersey 08625

Any petitions which are filed will be available for public inspection during all reasonable business hours at:

(1) the Bureau of Air Pollution Control Offices, Room 1108, in the Labor and Industry Building, John Fitch Plaza, Trenton;

(2) in the Bureau's Southern Field Office, 5635 Westfield Avenue, Pennsauken; and

(3) in the Bureau's Metropolitan Field Office, 25 Route 22, Springfield.

A public hearing relative to the filed petitions will be held in the State Museum Auditorium, West State Street, Trenton, New Jersey, on April 16, 1975, at 9:00 A.M. In addition, interested persons may present statements or arguments in writing relative to the filed petitions on or before the date of the public hearing, and within ten days thereafter with Mr. Wortreich at the Trenton address given above.

Proposed Criteria for Floodway And Flood Hazard Area Delineation

David J. Bardin, Commissioner of Environmental Protection, pursuant to authority of N.J.S.A. 58:16A-52 et seq., proposes to establish criteria for floodway and flood hazard area delineation. Such proposed criteria is known within the Department of Environmental Protection as Docket No. DEP 023-75-02.

Such criteria, if adopted, will appear in Subtitle D of Title 7 in the New Jersey Administrative Code.

Full text of the proposed criteria follows:

FLOODWAY AND FLOOD HAZARD AREA DELINEATION

The Water Policy and Supply Council shall study and delineate those floodways which will not increase the 100-year flood water surface elevation, as determined by accepted approaches, by more than two-tenths of one foot (0.2 foot) at any point. In addition, the Council may study and delineate interim floodway and flood hazard areas using such data and methods as it and the Department may, from time to time, deem appropriate to protect the public health, safety and welfare.

All relevant information will be available for inspection during normal working hours at the Division of Water Resources, 1474 Prospect Street, Trenton, New Jersey.

All interested persons are invited to submit written comment on this proposed regulation no later than March 27, 1975. Submittal should be addressed to:

Dirk C. Hofman, Chief, Bureau of Water Control
Department of Environmental Protection
Division of Water Resources
Post Office Box 2809
Trenton, New Jersey 08625

The Department of Environmental Protection upon its own motion or at the instance of any interested party may thereafter adopt this rule substantially as proposed without further notice.

ENVIRONMENTAL PROTECTION

BUREAU OF SOLID WASTE MANAGEMENT

Proposed Revisions to the Rules Of the Bureau of Solid Waste Management

The Department of Environmental Protection, pursuant to authority of N.J.S.A. 13:1E-1 et seq., as amended, proposes to revise the rules of the Bureau of Solid Waste Management identified as N.J.A.C. 7:26-1 et seq. This proposal is known in the Department of Environmental Protection as Docket No. 021-75-02.

If adopted as proposed, the revision is expected to have the following positive effects:

1. Provide for monitoring of groundwater in the vicinity of landfills and insure that groundwater quality is not degraded.
2. Provide for increased inspection and monitoring, and more rigorous regulation of landfills that accept hazardous or chemical wastes, and insure that such wastes do not come into contact with groundwater.
3. More equitably distribute the fees paid by solid waste facilities and by collector/haulers.
4. Relate the fees paid by solid wastes facilities and collector/haulers to the costs incurred by the State of New Jersey for registration, inspection, monitoring and regulation.

Major revisions are proposed for the following rules:

1. Section 2.5 to establish categories of wastes based upon their potential for environmental harm, and to require landfills to install ground water monitoring systems. Sampling and analytical procedures are established, and the type and frequency of sampling is specified, based upon the categories of waste received at the facility.
2. Subchapter 4 to alter the existing solid waste fee schedule to more accurately reflect the cost of the solid waste-related services performed by the Department, as well as to establish fees for the new ground water monitoring services the proposed rules would require.
3. Section 1.4 to redefine Hazardous Wastes more precisely, based upon their physical and chemical characteristics.
4. Section 2.5 to provide for the possibility that a landfill will leach a hazardous material which is not specifically dealt with in existing Department standards for surface and ground water quality.
5. Section 3.3 to exempt certain classes of vehicles from the collector/hauler registration requirement.

In addition, revisions are proposed for: Section 2.5, Section 2.6 and Section 2.11.

Written and/or oral testimony concerning the proposed rules will be received at public hearing to be held March 31, 1975, from 9:00 A.M. until completion of testimony at:

State Museum Auditorium
State Cultural Center
West State Street
Trenton, N.J. 08625

Copies of the proposed rule revisions will be mailed to all persons presently registered with the Bureau of Solid Waste Management and to all local health officers. Copies of the proposed rule revisions and the basis therefore may be obtained from, and written testimony also will be accepted at

any time prior to April 7, 1975, by:

Mr. Bernhardt V. Lind
Chief, Bureau of Solid Waste Management
Department of Environmental Protection
P.O. Box 2807
Trenton, N.J. 08625

It is now proposed to revise the rules of the Bureau of Solid Waste Management to include specific rules dealing with ground water sampling stations to be located at solid waste facilities. Also proposed is a revision to the fee schedule previously adopted which reflects the added cost to the Department of the proposed ground water monitoring rules. In addition, it is proposed to revise the fees for both collectors and disposers in a manner which is more equitable than the current fee requirements, and which more closely reflects the actual cost of the solid waste-related services which State government provides. The proposed fee schedule is based upon a careful assessment of costs, including those of the Bureau of Solid Waste Management, the Division of Water Resources, the Division of Marine Services and the Division of Fish, Game and Shellfisheries and the related overheads.

At the time of their adoption, it was indicated that the thorough public scrutiny given the rules of the Bureau of Solid Waste Management had emphasized the need for additional Chapters to be added to the rules. The current rules permit the Department to require the installation of a ground water monitoring system at an existing solid waste facility when, in the opinion of the Department, the facility "poses a real or potential threat to the quality of the ground waters . . ." Under the revision here proposed, specific standards for the number and location of wells and their sampling and analysis replace the more general requirements of the current rules.

The Department of Environmental Protection, Division of Environmental Quality, upon its own motion or at the instance of any interested party, may thereafter adopt these revisions substantially as proposed without further notice.

Notice of Request for Comments On Chemical Wastes and Hazardous Wastes

Take notice that the Department of Environmental Protection intends to develop plans for the implementation of a regional system for the treatment, recovery and disposal of chemical wastes and hazardous wastes, pursuant to authority of N.J.S.A. 13:1E-1 et seq.

At this time, such wastes are generally disposed of in landfills, or in other ways which may allow such wastes to adversely affect environmental quality. These wastes are generally industrial in origin, and may be produced both within and without the boundaries of the State of New Jersey. Comments are requested as to the desirability and feasibility of a regional system for the management of chemical and hazardous wastes.

Comments are requested that specifically address the following:

- 1) The respective roles of the Federal, State, and local governments in planning for, and implementing, regional chemical and hazardous waste treatment and disposal systems.
- 2) The extent of the need for new facilities, and the extent to which chemical and hazardous wastes may safely continue to be discharged on or into the landfills in this State.
- 3) The state-of-the-art in chemical and hazardous waste handling, recovery and disposal.
- 4) The role of private industry in the planning, constructing and operating specialized facilities for chemical and hazardous wastes.
- 5) Suggested locations for such specialized facilities.
- 6) Suggested market service areas for such specialized facilities.
- 7) The desirability of such facilities being utilized by sources of chemical and hazardous wastes located outside the territorial limits of New Jersey.
- 8) Information as to the potential market for such facilities.
- 9) Should New Jersey encourage establishment or expansion of specialized facilities?

Interested persons may submit their comments, in writing, by May 1, 1975 to:

Bernhardt V. Lind, Chief
Bureau of Solid Waste Management
P.O. Box 2807

Notice of Reconvening of Public Hearing on Water Quality Standards For Morses Creek in Linden

Take notice that, on December 31, 1974, David J. Bardin, Commissioner of Environmental Protection, issued a Notice of public hearing proposing to amend the water quality standards for the tidal portions of Morses Creek. The full text of this Notice appeared in the February 6, 1975, issue of the New Jersey Register at 7 N.J.R. 47(b).

In order to maximize public participation and public input into the rule-making process, the January 30 public hearing will be reconvened at 10:00 A.M. on March 5, 1975, in the Hearing Room, Division of Water Resources, 1474 Prospect Street, Trenton, New Jersey. The deadline for submission of written information will be extended until March 14, 1975.

Additionally, this Notice will be published in three newspapers of daily circulation in the Morses Creek - Arthur Kill area and as soon thereafter as possible, in the New Jersey Register. The Department will mail copies of this Notice to all interested persons who have made timely request for advance notice of proposed rule-making.

This Notice is published as a matter of public information. Such notice is known within the Department of Environmental Protection as Docket No. DEP 012-74-11.

Revisions on Functions of Committee on Appeals

On February 19, 1975, James M. Rosser, Acting Chancellor of Higher Education and Acting Secretary of the State Board of Higher Education, pursuant to authority of N.J.S.A. 18A:6-26 et seq. and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted revisions to N.J.A.C. 9:2-7.6(c), concerning the functions of the Committee on Appeals. The revisions concern the deletion of the current text of N.J.A.C. 9:2-7.6(c) and the adoption of new text therein.

Full text of the adopted revisions follows:

9:2-7.6 (c)

The Committee on Appeals, considering a given appeal shall set forth its determination thereon in a written decision which shall include findings of fact, conclusions of law, and a recommendation of the appropriate action to be taken in the matter. Such written decision shall be simultaneously forwarded to the Board of Higher Education and served or mailed to the parties of record affected thereby or their attorneys of record, who may within 15 days of such delivery or mailing, file written exceptions, objections or replies thereto with the Board of Higher Education. The Board of Higher Education, in open meeting, shall adopt, reject or modify the decision of the committee on Appeals and shall thereafter make a final determination with respect to such controversy. Such final determination shall be embodied in a written decision and shall include an appropriate order disposing of the matter. Such written decision and order shall be served or mailed to the parties of record affected thereby or their attorneys of record.

On January 17, 1975, Ann Klein, Commissioner of Institutions and Agencies, pursuant to authority of N.J.S.A. 30:1-12 and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted an emergency rule concerning the establishment of paternity and for securing support for AFDC children.

Full text of the adopted rule follows:

10:123-1.14 Establishing paternity and securing support for AFDC children

(a) With respect to children receiving aid under this plan, the State agency:

1. Has a program for establishing the paternity of children born out of wedlock and for securing support for children who have been deserted or abandoned by a parent;

2. Has single organizational units in the State agency and in large local agencies to carry out such program;

3. Has cooperative arrangements with appropriate courts and law enforcement officials, in accordance with 45 CFR 220.48(c);

4. Releases information from case records to law-enforcement officials only when all conditions of 45 CFR 220.48(d) are met;

5. Cooperates with the welfare agencies of other States, as required by 45 CFR 220.48(e);

6. Uses the clearance procedures established with the Internal Revenue Service for the purposes specified in 45 CFR 220.48(f); and

7. Will submit monthly statistical reports of paternity and child support activities as required by 45 CFR 220.48(g).

New Manual of Administration

On February 3, 1975, Ann Klein, Commissioner of Institutions and Agencies, pursuant to authority of N.J.S.A. 44:7-6, 44:10-3 and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted a new Public Assistance Manual, which replaces the Manual of Administration for the Division of Public Welfare currently appearing in Chapters 81 and 84 in Title 10 of the New Jersey Administrative Code, substantially as proposed in the Notice published June 6, 1974, at 6 N.J.R. 244(a) but with subsequent, substantive changes not detrimental to the public in the opinion of the Department of Institutions and Agencies.

The new Public Assistance Manual may be cited as N.J.A.C. 10:81-1.1 et seq. and replaces the current text of Chapter 81 in Title 10 of the New Jersey Administrative Code. The current text in Chapter 84 of Title 10 in the New Jersey Administrative Code is to be deleted and that Chapter marked as "Reserved".

The 225 pages in the new Public Assistance Manual concern public assistance in New Jersey, the application process, establishing program eligibility in AFDC and AFWP, methods of payment, continuing eligibility, complaints and hearings, other agency responsibilities, other governmental programs and a glossary of terms.

An order adopting this new manual was filed February 11, 1975, as R.1975 d.29 to become effective April 15, 1975.

Proposed Rule on Private Passenger Automobile Rating Class For Revoked or Suspended Operators

James J. Sheeran, Commissioner of Insurance, pursuant to authority of N.J.S.A. 17:1-8.1, 17:1C-6(e) and 39:6A-19, proposes to adopt a new rule concerning the private passenger automobile classification rating system.

Full text of the proposed rule follows:

11:3-9.2 Private passenger automobile rating class; revoked or suspended operator

Within the context of any private passenger automobile classification-rating system, an individual whose automobile operators license is under revocation or suspension shall not be considered an operator of the automobile unless such revocation or suspension terminates within the policy period.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 30, 1975, to:

Philipp K. Stern, Actuary
Department of Insurance
201 East State Street
Trenton, New Jersey 08625

The Department of Insurance, upon its own motion or at the instance of any interested party, may thereafter adopt this rule substantially as proposed without further notice.

INSURANCE

THE COMMISSIONER

Proposed Rule on Unfair Discrimination

James J. Sheeran, Commissioner of Insurance, pursuant to authority of N.J.S.A. 17:1-8.1 and 17:1C-6(e), proposes to adopt a new rule concerning identification of unfairly discriminatory insurance practice.

Full text of the proposed rule follows:

SUBCHAPTER 4. UNFAIR DISCRIMINATION

11:1-4.1 Identification of discriminatory practices

(a) To assist the Department of Insurance in prompt identification of any practice which might be alleged to result in unfair discrimination based on race, creed, color, national origin, ancestry, marital status or sex, every insurer authorized to do business in New Jersey shall notify the Commissioner of Insurance of this State, when, in other states, it has made changes relevant to such alleged unfair discrimination in policy forms, underwriting standards, rating systems or rating forms.

(b) This regulation is not strictly limited to the above categories. Illustrative examples are as follows:

1. Elimination of a requirement for physical examinations as to women if none existed for men;
2. Elimination of an exclusion as to female generative organs or any exclusion which applies only to either males or females;
3. Changes in waiver of premium rules conditioned on sex;
4. Changes in availability of lines of coverage conditioned on sex of the insured.

(c) De minimis and nonsubstantive changes in wording should not be reported.

(d) Reports of such changes are to be made to the Department no later than the date at which they become applicable in such other state or states and should be sent to the attention of the Director of Consumer Services.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 30, 1975, to

Dr. Eleanor J. Lewis, Director of Consumer Services
Department of Insurance
201 East State Street
Trenton, New Jersey 08625

The Department of Insurance, upon its own motion or at the instance of any interested party, may thereafter adopt this rule substantially as proposed without further notice.

INSURANCE

THE COMMISSIONER

Proposed Revisions on Certain Insurance Policies and Contracts

James J. Sheeran, Commissioner of Insurance, pursuant to authority of N.J.S.A. 17:1-8.1 and 17:1C-6(e), proposes to revise certain Sections in Subchapter 13, Chapter 2 of Title 11 in the New Jersey Administrative Code concerning life and accident and health insurance policies and contracts.

Full text of the proposed revisions follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]):

11:2-13.1 Scope

This regulation shall be applicable to all **life and accident and health** insurance policies and subscriber contracts issued, **amended** or provided by an insurance company or a nonprofit service corporation on a group or group type basis. **However, this regulation shall not apply to contracts issued in connection with Temporary Disability Benefits or Workmen's Compensation Laws.**

11:2-13.5(d)

In the case of hospital [or], medical **or dental** expense coverages, a reasonable extension of benefits or accrued liability provision is required. Such a provision will be considered "reasonable" if it provides an extension of at least 12 months under "major medical" and "comprehensive medical" type coverages, and under other types of hospital [or], medical **or dental** expense coverages other than for maternity provides either an extension of at least 90 days or an accrued liability for expenses incurred during a period of disability or during a period of at least 90 days starting with a specific event which occurred while coverage was in force (such as an accident). For hospital or medical expense coverages related to maternity, any extension of benefits or accrued liability shall be considered reasonable if benefits are provided for expenses incurred in connection with maternity resulting from conception prior to the date of discontinuance of the group policy.

11:2-13.6(c)4.

The succeeding carrier, in applying any deductibles or waiting periods in its plan, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under a prior plan providing similar benefits. The definition of waiting period includes, but is not limited to, the period of time required to be satisfied before maternity benefits become available. The aggregate period of time to be applied may be the greater of that required by either the prior plan or the succeeding plan. But in any event, the aggregate period of time will be satisfied by taking into consideration the full portion of the waiting period satisfied under the prior plan. In the case of deductible provisions, the credit shall apply for the same or overlapping benefit periods and shall be given for expenses actually incurred and applied against the deductible provisions of the prior carrier's plan during the 90 days preceding the effective date of the succeeding carrier's plan **but only to the extent these expenses are recognized under the terms of the succeeding carrier's plan** and are subject to a similar deductible provision.

11:2-13.7 Provisions as favorable

No policy of group insurance, and no certificate thereunder shall be delivered or issued for delivery in this State if such policy or certificate contains any provision inconsistent with any of the provisions of this rule, except that such policy may

contain [any provision] **provisions** which in the opinion of the Commissioner [is] **are as favorable as** the [provision] **provisions** herein required.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 30, 1975, to:

Commissioner James J. Sheeran
Department of Insurance
201 East State Street
Trenton, New Jersey 08625

The Department of Insurance, upon its own motion or at the instance of any interested party, may thereafter adopt these revisions substantially as proposed without further notice.

BOARD OF PUBLIC UTILITY COMMISSIONERS

Proposed Revisions to Rules on Public Movers

The Board of Public Utility Commissioners, pursuant to authority of N.J.S.A. 48:22-5 et seq., proposes to adopt revisions to some of the rules concerning public mover insurance and certificates of public movers.

Full text of the proposed revisions follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]):

14:2-2.2 Public mover insurance

(a) Every public mover under the jurisdiction of this Board transporting property for compensation, shall secure and maintain and file with this Board a certificate of insurance of a company authorized to do business in this State by the Department of Insurance or in lieu thereof, may file qualifications as a self insurer covering the motor vehicle equipment to be operated by the sums set forth conditioned for the payment of all judgments recovered against such motor carriers.

(b) The minimum amounts of insurance are hereby prescribed as follows:

1. Bodily injury liability, property damage liability:

i. Limit for bodily injuries to or death of one person—\$25,000;

ii. Limit for bodily injuries to or death of all persons injured or killed in any one accident (subject to a maximum of \$25,000 for bodily injuries or death of one person)—\$100,000;

iii. Limit for loss or damage in any one accident to property of others (excluding cargo)—\$10,000.

2. Cargo liability:

i. For loss or damage to property being transported (cargo liability insurance) on any one vehicle for each accident—\$5,000;

ii. For loss or damage to or aggregate of losses or damages of or to property occurring at any one time and place—\$10,000.

(c) Every certificate of insurance shall contain a provision for continuing liability and shall provide that cancellation thereof shall not be effective unless at least 30 days' notice in writing of intention to cancel has been delivered to this Board.

(d) All insurance filings under N.J.S.A. 48:22-1 shall be made at the Offices of the Board, 101 Commerce Street, Newark, New Jersey 07102, on the specified forms:

1. Form E—Bodily injury and property damage liability, together with—

2. Form F—(Endorsement);

3. Form H—Cargo insurance, together with—

4. Form I—(Endorsement);

5. Form K—Notice of Cancellation of Motor Carrier Insurance Policies.

(e) All filings shall be executed in triplicate on the proper form as specified above and determined by the National Association of Regulatory and Utilities Commissioners (N.A.R.U.C.) and promulgated by the Interstate Commerce Commission.

(f) No certificate of public convenience and necessity shall be issued, nor shall any previously issued certificate remain in force, unless all foregoing provisions of this order are complied with.

14:2-2.[2]23 Certificates of public movers

(a) No person or any person controlling, controlled by, or under common control with such person, shall hold a certificate as a public mover authorizing operation for the transportation, moving and accessorial services which they perform, if such person or any such controlling person, controlled person, or person under common control, holds another certificate to operate as a public mover.

(b) For the purpose of this regulation, where reference is made to control (in referring to a relationship between any persons), such reference shall be construed to include actual as well as legal control, whether maintained or exercised through or by reason of the method of or circumstances surrounding organization or operation, through or by common directors, officers or stockholders, a voting trust or trusts, a holding or investment company or companies, or through or by any other direct or indirect means; and to include the power to exercise control.

(c) The Board may, for good cause shown consistent with the public interest, find that multiple certificates shall be issued, notwithstanding the provisions set forth in subsections (a) and (b) above.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before March 26, 1975, to:

Board of Public Utility Commissioners
101 Commerce Street
Newark, New Jersey 07102

The Board of Public Utility Commissioners, upon its own motion or at the instance of any interested party, may thereafter adopt these revisions substantially as proposed without further notice.

Proposed Rule on Pre-audit Payment of Inheritance Tax

Sidney Glaser, Director of the Division of Taxation in the Department of the Treasury, pursuant to authority of N.J.S.A. 54:33-38, proposes to adopt a new rule concerning the pre-audit payment of inheritance tax.

Full text of the proposed rule follows:

18:26-8.7 Pre-audit payment of inheritance tax

Where the gross estate of a resident decedent is \$50,000 or less and the entire estate passes to only one Class A beneficiary (that is; father, mother, grandparent, husband, wife, child, stepchild or issue of any child or adopted child) the representative of the estate may file form L-2 or L-3 (see N.J.A.C. 18:26-9.4(a) 2. and 3.) together with a certified or cashier's check in full payment of the tax and interest, if any, as computed by the taxpayer on form L-5 and immediately receive necessary waivers. Returns filed pursuant to this section may be subject to selective audit and, if errors or omissions are found, resulting in an additional tax, a bill for same will be forwarded. Selective audit may be instituted by the Bureau within six months of the date of receipt by the Bureau of form L-5.

DIVISION OF TAXATION

Proposed Revisions on Realty Transfer Fee Law

Sidney Glaser, Director of the Division of Taxation in the Department of the Treasury, pursuant to authority of N.J.S.A. 46:15-11, proposes to revise some of the rules concerning the New Jersey Realty Transfer Fee Law.

Full text of the proposed revisions follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]):

18:16-1.1 Words and phrases defined

"Consideration" means **in the case of any deed**, the actual amount of money and **the** monetary value of any other thing of value constituting the entire compensation paid or to be paid for the transfer of title to the lands, tenements or other realty, including:

1. The remaining amount of any prior mortgage to which the transfer is subject or which is to be assumed and agreed to be paid by the grantee;
2. Any other lien or encumbrance not paid, satisfied or

removed in connection with the transfer of title. **The amount of liens for real property taxes, water or sewerage charges for the current or any subsequent year, or by way of added assessment or other adjustment, as well as of other like liens or encumbrances of a current and continuing nature ordinarily adjusted between the parties according to the period of ownership shall be excluded as an element in determining the consideration, notwithstanding that such amount is to be paid by the grantee. In the case of a leasehold interest as defined in the Act, the consideration shall be in the amount of the assessed value of the property at the date of the transaction for the purpose of levying local real property taxes adjusted to reflect the true value in accordance with the county percentage level established for the current year.**

"Deed" [means an instrument or writing by which title to any lands, tenements or other realty sold shall be granted, assigned, transferred or otherwise conveyed and shall include but not be limited to transfers by way of grant of right of way, perpetual easement, life estate, 99 year lease, etc.] **means a written instrument entitled to be recorded in the office of a county recording officer which purports to convey or transfer title to a freehold interest in any lands, tenements or other realty in this State by way of grant or bargain and sale thereof from the named grantor to the named grantee. A leasehold interest for 99 years or more, shall be treated as a "freehold" for the purpose of this Act. Instruments providing for common driveways, for exchanges of easements or rights-of-way, for revocable licenses to use, to adjust or to clear defects of or clouds on title, to provide for utility service lines such as drainage, sewerage, water, electric, telephone or other such service lines, or to quitclaim possible outstanding interests, shall not be "deeds" for the purposes of this Act.**

"Grantor" means the person who executed the deed or instrument by which **title to any lands, tenements or other realty is transferred** or otherwise conveyed.

"Statutory Reference" should read "As to the meanings of 'deed', 'county recording [reporting] officer', and"

18:16-2.1 (a) 3. A fee at the rate of \$0.50 for each \$500.00 of consideration or fractional part thereof (which shall be in addition to the recording imposed by P.L. 1965, Chapter 123, Section 2 (R. S. 22 A:4-4.1) shall be paid to the county recording officer at the time the deed is offered for recording. **Every deed subject to the additional fee required by this Act, which is in fact recorded, shall be conclusively deemed to have been entitled to recording, notwithstanding that the amount of the consideration shall have been incorrectly stated, or that the correct amount of such additional fee, if any, shall not have been paid, and no such defect shall in any way affect or impair the validity of the title conveyed or render the same unmarketable; but the person or persons required to pay said additional fee at the time of recording shall be and remain liable to the county recording officer for the payment of the proper amount thereof.**

18:16-2.1

"Statutory Reference" should read "As to the requirement of recital of [or] consideration . . ."

18:16-2.4

"Statutory Reference" should read "As to the power of the **Director . . .**" [Direcotr]

18:16-2.5

"Cross Reference" should read "As to the form As to the definition of 'consideration' see Section 1.1[(b)] of this Chapter."

18:16-2.6 (b)

6. [pursuant to mergers of corporations] **By a receiver trustee in bankruptcy or liquidation, or assignee for the benefit of creditors;**

7. [By a subsidiary corporation to its parent corporation for no consideration, nominal consideration, or in sole consideration of the cancellation or surrender of the subsidiary's stock.] **Eligible to be recorded as an "ancient deed" pursuant to R.S. 46:16-7;**

8. **Acknowledged or proved on or before July 3, 1968;**

9. **Between husband and wife, or parent and child;**

10. **Conveying a cemetery lot or plot;**

11. **In specific performance of a final judgment;**

12. **Releasing a right of reversion;**

13. **Previously recorded in another county and full realty transfer fee paid or accounted for, as evidenced by written instrument, attested by the grantee and acknowledged by the county recording officer of the county of such prior recording, specifying the county, book, page, date of prior recording, and amount of realty transfer fee previously paid.**

18:16-2.6

"Cross Reference" Should read "As to the procedure for claiming an **exemption** . . ." [extension]

18:16-3.3

[Fee payable upon presentment for recording after certain date] **Reserved**

[The fee imposed by the Act is payable if the deed is presented for recording on and after July 3, 1968 even if it bears a date and acknowledgment prior to such date.

Example

A deed dated September 10, 1967 and bearing Federal Documentary Stamps is presented for recording on July 10, 1968. The fee is required to be paid as a prerequisite for recording.

Statutory Reference

As to the power of the Director to promulgate rules and regulations, see N.J.S.A. 46:15-11.

Cross Reference

As to the provisions that a deed endorsed as recorded before July 3, 1968 is exempt, see Section 8.6 of this Chapter.]

18:16-4.5

In the case of an exchange of two properties, the deeds transferring title to each are subject to a Realty Transfer Fee, and in such case, consideration shall be computed on the assessed valuation **at the date of the transaction**, adjusted to reflect the [effect of local assessment levels as determined by the Director according to the tables available at the time of recording.] **true value in accordance with the county percentage level established for the current year.**

18:16-5.1 (a) No fee is required to be paid where it is established to the satisfaction of the recording officer that the deed was given for one of the following reasons:

1. For consideration, **as defined in this Act** of less than

\$100.00;

2. By or to the United States of America [the State of New Jersey] **this State**, or any instrumentality, agency or subdivision thereof;

4. [To confirm or correct] **Which confirms or corrects a deed previously recorded;**

7. [Pursuant to mergers of corporations] **By a receiver, trustee in bankruptcy or liquidation, or assignee for the benefit of creditors;**

8. [By a subsidiary corporation to its parent corporation for no consideration, nominal consideration, or in sole consideration of the cancellation or surrender of the subsidiary's stock;] Eligible to be recorded as an "ancient deed" pursuant to R. S. 46:16-7;

9. [Previously recorded in another county and full Realty Transfer Fee paid or accounted for (specify county, book, page and date of prior recording, and amount of Realty Transfer Fee previously paid).] **Acknowledged or proved on or before July 3, 1968;**

10. **Between husband and wife, or parent and child;**

11. **Conveying a cemetery lot or plot;**

12. **In specific performance of a final judgment;**

13. **Releasing a right of reversion;**

14. **Previously recorded in another county and full Realty Transfer Fee paid or accounted for, as evidenced by written instrument, attested by the grantee and acknowledged by the county recording officer of the county of such prior recording, specifying the county, book, page, date of prior recording and amount of Realty Transfer Fee previously paid.**

18:16-5.6

A conveyance by **two single persons to themselves in their married name**, or by a woman to herself from her maiden name to her married name does not involve a transfer, but is in the nature of a Corrective Deed, and accordingly, is exempt from the application of the Realty Transfer Fee Law.

18:16-5.6

"Cross Reference" As to the meaning of "Corrective Deed", see Section 1.1 [(b)] of this Chapter.

Note: Delete text of 18:16-6.1 and 6.2 entirely and mark them as (Reserved).

18:16-6.3

A deed after divorce proceedings from one former spouse to the other conveying the grantor's undivided interest in their jointly held property is subject to the Realty Transfer Fee Law if the consideration [including the remaining amount of any prior mortgage to which the transfer is subject or which is to be assumed and agreed to be paid by the grantee and any other lien or encumbrance thereon not paid, satisfied or removed in connection with the transfer of title.] is \$100.00 or more. **The consideration base upon which the Realty Transfer Fee would be computed upon the recording of such a deed shall include that fraction of the amount due on the mortgage which corresponds to the fractional interest of the property conveyed and any other element of compensation constituting part of the consideration paid or to be paid for the transfer.**

Note: Delete 18:16-6.7 and mark it (Reserved).

18:16-8.1 General prerequisites for recording

[No county recording officer shall record any deed evidencing transfer of title to real property unless:

1. Consideration therefor is recited therein and in the acknowledgement or proof of the execution thereof; or

2. An affidavit by one or more of the parties named or by a legal representative declaring the consideration thereof is annexed thereto for recording with the deed; and]

[3] A fee at the rate of \$0.50 for each \$500.00 of consideration or fractional part thereof (which shall be in addition to the recording imposed by P.L. 1965, Chapter 123, Section 2 (R.S. 22A:4-4.1)) shall be paid to the county recording officer at the time the deed is offered for recording. **Every deed subject to the additional fee required by this Act, which is in fact recorded, shall be conclusively deemed to have been entitled to recording, notwithstanding that the amount of the consideration shall have been incorrectly stated, or that the correct amount of such additional fee, if any, shall not have been paid, and no such defect shall in any way affect or impair the validity of the title conveyed or render the same unmarketable; but the person or persons required to pay said additional fee at the time of recording shall be and remain liable to the county recording officer for the payment of the proper amount thereof.**

18:16-8.10

Local Property Tax Bureau designation should be changed to Local Property and Public Utility Branch. Reference to Bureau should be changed to Branch.

18:16-8.11(a) Every county recording officer shall as soon as practicable forward to the County Board of Taxation an abstract of every deed, **including** master deeds creating **condominiums**, recorded in his office with a copy of the Affidavit of Consideration accompanying the same, if any.

APPENDIX A.

TURNPIKE AUTHORITY

Revised Citation of Certain Rules on Noise Limits

On January 28, 1975, the New Jersey Turnpike Authority, pursuant to authority of N.J.S.A. 27:23-29 et seq. and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted revised citations regarding a portion of the rules on noise limits. The current text of N.J.A.C. 19:9-1.9(a)24. and 25. is hereby transferred to and now cited as the new N.J.A.C. 19:9-1.18(c) and (d). N.J.A.C. 19:9-1.9(a)24. and 25. are now to be marked as Reserved. There are no changes made in the substantive text of these rules.

The revised citations follows:

19:9-1.9(a)24. (Reserved).

19:9-1.9(a)25. (Reserved).

19:9-1.18(c) No vehicle shall be operated on the New Jersey Turnpike whose exhaust system is:

1. Not equipped with an exhaust chamber, resonator or noise dissipative device;

2. Not in constant operation and properly maintained;
3. Equipped with any cut-out, by-pass or similar device designed to reduce the effectiveness of noise control devices or to increase noise.

19:9-1.18(d) No vehicle shall be operated on the New Jersey Turnpike with tires having a tread pattern that, as originally manufactured or newly retreaded, is composed primarily of cavities in the tread surface (excluding sipes) that are not vented by grooves to the tire shoulder or circumferentially to each other around the tire. This requirement shall not apply to any vehicle if such vehicle can be shown to comply with the noise emission limits of subsection (a) of this Section.

An order adopting these revised citations was filed and effective February 7, 1975, as R.1975 d.25 (Exempt, Procedure Rule).

NEW ECONOMIC DEVELOPMENT LOANS MADE

Economic development loans totalling more than \$11 million and creating over 500 new employment opportunities were announced last month by Joseph A. Hoffman, Commissioner of the Department of Labor and Industry, following a meeting with the New Jersey Economic Development Authority.

The low-interest loans, to be arranged through sale of the Authority's tax-exempt bonds, go to 12 different firms for construction or expansion of business facilities in the State.

The Authority assistance stimulates a total of \$15,814,000 in direct business investment in eight different New Jersey counties, and creates approximately 250 construction jobs in addition to 505 new permanent jobs.

These projects represent the second group of financings arranged by the Authority, which was established last summer to help stimulate New Jersey's sagging economy. The Authority has now arranged a total of \$16,740,000 in low-interest business loans, stimulated \$24,000,000 in new business investment in the State and created 800 new permanent job opportunities.

NEEDS OF HIGH-SCHOOL-AGE DEAF CHILDREN BEING MET

The State's numbers of high-school-age deaf children will increase from some 450 to about 1,200 in five years, but because of planning, including a State plan adopted in 1969, these students will be afforded a quality education, according to Dr. Fred G. Burke, State Commissioner of Education.

Dr. Burke said the almost three-times increase in this age

group — caused by the Rubella outbreak of the 1960's — will be met with expanded educational programs and with new facilities to be provided with funds from the bond referendum passed by the State's voters in 1973.

The bond issue provides \$25 million for the construction of regional centers throughout the State and for additions and renovations to the Marie H. Katzenbach School for the Deaf in West Trenton.

The Commissioner said that there has been some confusion as to the relationship between the centers and the State-operated Katzenbach School.

"The Department of Education has not deviated drastically from its original State plan, published in October, 1969," Dr. Burke said.

"Under this plan, the State recognized that the Rubella epidemic of 1964-1965 caused an abnormally high number of children to be born with hearing impairment and that it would be necessary to provide alternate educational opportunities since the State school could not accommodate all of the children requiring special education facilities."

Dr. Burke said that today twice as many deaf students are educated outside of the Katzenbach School as are enrolled in the school itself.

He said these children are in programs ranging from single classrooms of eight to ten children to the Bergen County Board of Special Services' program for 130 hearing impaired children, and the Department operates another school for deaf children in Millburn where 109 children from 46 school districts attend on a daily basis.

"The key to the State plan has been to provide quality programs for the hearing impaired child within daily commuting distance of his home," Dr. Burke said.

"The original plan, and still the plan today, is to maintain the Katzenbach School as the major secondary school for the deaf in the State. Some \$3 million have already been allocated to build a vocational-technical building on the Katzenbach campus.

\$1,480,000 LOANS APPROVED BY URBAN LOAN AUTHORITY

Governor Brendan Byrne announced last month that loans approved in 1974 by the New Jersey Urban Loan Authority created or sustained 440 jobs in the State's most economically depressed areas.

According to figures released by ULA Executive Director George G. Woody Jr., the new or preserved jobs were made possible by the approval of direct or guaranteed loans to 25 small businesses totaling \$1,480,000.

"This is a notable achievement as compared to 1973, when only four loans, totaling \$133,000, were processed by the ULA and only four jobs were created or sustained," said the Governor.

The Urban Loan Authority was created by the State legislature in 1969 to stimulate employment and related business activity in economically depressed areas by granting loans to establish or maintain small businesses.

The ULA also offers technical assistance in the development of managerial skills to the businesses receiving grants.

Community Affairs Commissioner Patricia Q. Sheehan, who also serves as ULA chairman, said she was "pleased that the authority was able to move so far ahead in meeting the challenge of providing some measure of relief to the depressed economy of the State's central cities."

TOLL-FREE TELEPHONE NUMBER PROVIDES SENIOR CITIZENS WITH INFORMATION

Governor Brendan Byrne last month announced establishment of a toll-free telephone number to provide senior citizens with information on available food, fuel and medical resources throughout the State.

The telephones are manned by five employees paid by the City of Trenton under the Federal Comprehensive Employment Training Act. The toll-free number is (800) 792-8820.

Available services include a nutrition program to provide 45,000 additional meals per month to the elderly poor through Title VI of the Social Security Act. There are over 70 meal centers in the State at the present time.

Through the cooperation of the New Jersey Fuel Merchants Association, senior citizens who own their own homes and buy fuel can be extended credit. Civil Defense workers throughout the State work with municipal general assistance programs referring the needy to this service.

The hotline also provides information on supplemental security income eligibility, food stamp and Medicare eligibility and the availability of local medical assistance units. Total cost of these programs is \$4.1 million. The State provides \$366,500 which is budgeted for the Department of Institutions and Agencies, \$3.25 million comes from Federal grants and local governments and contributions will make up \$609,086.

The program was developed by the Governor's Task Force on the Special Needs of the Elderly, the State Office on Aging, the State Economic Opportunity Office and the Directors Association of the New Jersey Community Action Program.
