ABOUT THE WEEKLY BULLETIN

The DEP WEEKLY BULLETIN is an informational service provided by the N.J. Department of Environmental Protection. (This is not official notice of DEP hearings but merely a reminder of previously scheduled hearings.) In addition to the hearing list, the DEP Bulletin also contains a complete list of construction permit applications filed with or acted upon by DEP. Interested persons will thus be able to trace the status of applications dealing with Riparian Permits, Wetlands Permits, Stream Encroachment Permits, Sewerage Extension Permits, CAFRA Permits (Coastal Area Facility Review Act) and Environmental Impact Statements and Assessments.
