“INDEX OF ADOPTED RULES”**

VOLUME 15 NUMBER 9
May 2, 1983 Indexed 15 N.J.R. 657-724
(Includes rules filed through April 18, 1983)

The New Jersey Register supplements the New Jersey Administrative Code. See the Index of Adopted Rules on Page 702 for the Registers that should be retained as an update to the Administrative Code.

TABLE OF RULES IN THIS ISSUE

RULE PROPOSALS	
AGRICULTURE	
Commercial values for fertilizers and conditioners	658(a)
BANKING	
Readopt approval of banks to exceed 10% limitation on investments	658(b)
ENVIRONMENTAL PROTECTION	
Floodways along the Raritan River	659(a)
Solid waste management	660(a)
Readopt solid waste fee schedules	662(a)
HIGHER EDUCATION	
Layoff notice at State Colleges	663(a)
HUMAN SERVICES	
Pharmaceutical Services Manual: Revisions to Appendices	664(a)
GAM: DRG rates for outpatient services	666(a)
Child care centers for children under 2 1/2	667(a)
LAW AND PUBLIC SAFETY	
Amusement games control	680(a)
Approved helmets for motorized bicycle operators	684(a)
Readopt certain Thoroughbred and Harness rules	685(a)
TRANSPORTATION	
Parking on US9 and Route 71, Ocean and Monmouth .	686(a)
TREASURY—GENERAL	
Social Security late transmittal fee	687(a)
OTHER AGENCIES	
TURNPIKE AUTHORITY	
Transportation of explosives	687(b)
RULE ADOPTIONS	
BANKING	
Expanded lending limitations	688(a)
CIVIL SERVICE	
Public inspection of records	689(a)
ENVIRONMENTAL PROTECTION	
Floodway delineations in Burlington County	689(b)
Floodway delineations in Somerset-Union counties	690(a)
Marine finfish: Menhaden season	690(b)
HEALTH	
Generic drug list changes	690(c)
Generic drug list changes	691(a)
Generic drug list changes	691(b)
HIGHER EDUCATION	
Readopted: Student Assistance Programs	692(a)
HUMAN SERVICES	
Food Stamp Program: Resource exclusions	692(b)
LABOR	
Vocational Rehabilitation Services	693(a)
TRANSPORTATION	
Parking along Route 87 in Atlantic City	694(a)
Autobus specifications	694(b)

(Continued on Back Cover)

RULE PROPOSALS

AGRICULTURE

(a)

DIVISION OF REGULATORY SERVICES

Commercial Fertilizer and Soil Conditioner Commercial Values

Proposed Amendment: N.J.A.C. 2:69-1.11

Authorized By: Arthur R. Brown, Jr., Secretary,
 Department of Agriculture.
 Authority: N.J.S.A. 4:9-15.26 and 4:9-15.33.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Robert C. Fringer, Director
 Division of Regulatory Services
 Department of Agriculture
 CN 330
 Trenton, NJ 08625

The Department of Agriculture thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-218.

The agency proposal follows:

Summary

The proposal continues the present commercial values for fertilizers and soil conditioners for the period of one year ending June 30, 1984. The assessed penalties for deficient fertilizer are assessed on these values and charged to the manufacturer. The State Treasurer receives all unclaimed penalties.

Social Impact

The proposal will affect both consumers and manufacturers of fertilizer and soil conditioners through June 30, 1984.

Economic Impact

All consumers of fertilizer will have monetary protection when deficient fertilizers are detected. These consumers will be equally compensated for all losses. Fertilizer manufacturers will exhibit care in controlling their formulating process to avoid penalties. Since the commercial values are to remain the same, there will be no additional economic impact upon these groups.

Full text of the proposal follows (additions indicated in boldface thus; deletions indicated in brackets [thus]).

2:69-1.11 Commercial Values

(a) (No change.)

(b) These values shall be effective from July 1, [1982] **1983** through June 30, [1983] **1984**.

BANKING

(b)

DIVISION OF BANKING

Loan and Investment Approval Approval to Exceed 10 Percent Limitation

Proposed Readoption: N.J.A.C. 3:11-1.1

Authorized By: Michael M. Horn, Commissioner,
 Department of Banking.
 Authority: N.J.S.A. 17:9A-62H.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

NEW JERSEY REGISTER

The official publication containing notices of proposed rules and rules adopted by State agencies pursuant to the New Jersey Constitution, Art. V, Sec. IV, Para. 6 and the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq. Issued monthly since September 1969, and twice-monthly since November 1981.

Material published in the New Jersey Register is the property of the State of New Jersey. However, it may be copied, reproduced or republished by any person for any purpose whatsoever without permission, providing that no such reproduction or republication shall bear the title "New Jersey Register" or "Official Rules Publication" without the written permission of the Director, Office of Administrative Law.

The New Jersey Register (USPS 442-950) is published the first and third Monday of each month by Administrative Publications of the Office of Administrative Law, CN 301, Trenton, New Jersey 08625. Telephone: (609) 292-6060. Subscriptions, payable in advance, are one year, \$40 (\$75 by First Class Mail); back issues when available, \$3.50 each. Make checks payable to Administrative Publications.

POSTMASTER: Send address changes to: New Jersey Register, CN 301, Trenton, New Jersey 08625. Second Class Postage paid at Trenton, New Jersey and additional mailing offices.

The NEW JERSEY ADMINISTRATIVE CODE is published on a continuing basis by Administrative Publications of the Office of Administrative Law. Subscription rates for this 31-volume, regularly updated set of all State administrative rules are available on request. The Code is sold either in the full set or in one to three volumes depending on the Department coverage desired.

PROPOSALS

Roger F. Wagner, Deputy Commissioner
Department of Banking
Division of Banking
CN 040
Trenton, NJ 08625

The Department of Banking thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The readoption of these rules becomes effective upon acceptance for filing by the Office of Administrative Law of the notice of their readoption.

This proposal is known as PRN 1983-197.

The agency proposal follows:

Summary

The purpose of this proposal is to readopt the existing regulation dealing with the approval of banks to exceed the general 10 percent of capital limitation on investments as set out in the rule. The current text of the subchapter (N.J.A.C. 3:11-1.1) is scheduled to expire on June 23, 1983, pursuant to Executive Order No. 66 (1978), commonly known as the "sunset" Executive Order. The proposed readoption does not include any changes in the current text.

N.J.S.A. 17:9A-62 generally limits the total liabilities of a person to a bank to 10 percent of the capital funds of the bank. The statute authorizes the Commissioner of the Department of Banking to make, amend and repeal regulations increasing, decreasing or removing entirely the limitation on liability. The statute also specifically requires that any such regulation shall be directed towards creating and maintaining substantial equality with national banks.

N.J.A.C. 3:11-1.1 was originally adopted on May 1, 1973 to provide State chartered commercial banks with substantial parity with Federally chartered institutions which, at that time, and at the present time may make investments of a similar nature. In April of 1974, the Commissioner of the Department of Banking expanded the eligible list of entities to which a bank could exceed the 10 percent lending limitation (New Jersey Sports and Exposition Authority added). The Commissioner subsequently added additional individual entities to the lists set out in the rule at N.J.A.C. 3:11-1.1(a)2i(5) (Federal Farm Credit Banks) and (12) (New Jersey Economic Development Authority) (August 6, 1979) and at N.J.A.C. 3:11-1.1(a)2i(11) (Health Care Facility Authority) (June 23, 1978), the latter date establishing the "sunset" provision.

The Department of Banking and the State chartered commercial banks affected by this rule have found its provisions to be adequate, necessary and responsive in that it allows State banks to maintain parity with Federally chartered institutions in this area of investment. The rule has proven reasonable, efficient and readily understandable in that it has provided expansion of lending authority while maintaining the requirement for the exercise of prudent banking judgement.

Social Impact

The ability of State chartered institutions to make the additional investments provided for in this rule has had a positive effect on both the institutions making the investment and on those borrowing entities benefiting by the investment. Many of these borrowing entities, subject to the provisions of the rule, are instrumental in ultimately providing funds through grants, loans and other financial arrangements which contribute toward the growth and economy of New Jersey. Example of such entities are the New Jersey Sports and Exposition Authority, New Jersey Health Care Facilities Financing Authority and the New Jersey Economic Development Authority. Continuing the availability of funds to these entities and others will have a positive social impact upon the entire State.

Economic Impact

Financial institutions will benefit through earnings generated by investing in entities subject to the rule. The continued profitability

ENVIRONMENTAL PROTECTION

of these institutions will allow them to continue to expand services to other areas of the State economy with a resulting economic benefit to themselves and the public in general. Entities receiving the invested funds will also have an economic impact on the economy by providing jobs and services.

Full text of the proposed readoption can be found in the New Jersey Administrative Code at N.J.A.C. 3:11-1.1.

ENVIRONMENTAL PROTECTION

(a)

DIVISION OF WATER RESOURCES

Flood Hazard Area Delineations Delineated Floodways along the Raritan River

Proposed Amendment: N.J.A.C. 7:13-1.11

Authorized By: Robert E. Hughey, Commissioner,
Department of Environmental Protection.
Authority: N.J.S.A. 13:1D-1 et seq. and 58:16A-50 et
seq.
DEP Docket No. 020-83-04.

A public hearing concerning this proposal will be held on May 24, 1983 at 1:00 P.M. at:

Edison Township Municipal Building
100 Municipal Boulevard
Edison, NJ

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Clark Gilman
Bureau of Flood Plain Management
Division of Water Resources
CN 029
Trenton, NJ 08625

The Department of Environmental Protection thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-219.

The agency proposal follows:

Summary

The proposed delineation is a modification of the Raritan River delineation dated January 1978, performed by Anderson-Nichols & Co. The proposed delineation is based upon a reanalysis of the hydraulic model to more accurately reflect current topography. Topographic mapping dated November 16, 1979 was submitted by the Township of Edison for a Floodway Permit. Review of this material indicated that our existing delineation does not accurately reflect the topography prior to our most recent delineation dated January 1978. Detailed topographic mapping was received from the Township of Edison and Wehran Engineering Corporation. This mapping includes topography of Edison Township, Kin-Buc, Industrial Land Reclaiming, and Edgeboro Disposal sanitary landfills and adjacent properties.

Social Impact

The proposed delineation applies added flood protection to the following areas in the Raritan River Basin: the Townships of Edison and East Brunswick and the City of New Brunswick, Middlesex County.

Economic Impact

The proposed amendment will have only a minor economic impact. The delineation would more clearly define the flood hazard area, thus resulting in less requirements for flood insurance. Minor reductions in property value could result by restricting future development in the floodway and requiring elevated construction designs in flood fringe areas. However, minor property value diminution would be offset by the savings to governmental bodies and private homeowners due to little or no future rehabilitation and rescue expenditures from flood damage in the delineated area.

Full text of the proposal follows (additions indicated in boldface thus).

7:13-1.11 Delineated floodways

(a)-(c) (No change.)

(d) A list of delineated streams in the Passaic-Hackensack Basin and a list of delineated streams in the Raritan Basin follow:

1.-44. (No change.)

45. . . . **The floodway and flood hazard area of the Raritan River from Crab Island approximately 14,000 feet downstream to approximately 3,700 feet downstream of the New Jersey Turnpike.**

OFFICE OF ADMINISTRATIVE LAW NOTE: A map delineating the flood hazard area described in this notice was submitted as part of the Department's notice of proposed rule. This map can be inspected at:

(a)

DIVISION OF WASTE MANAGEMENT**Solid Waste Management****Proposed Amendments: N.J.A.C. 7:26-1.4, 2.6, 2.11, 2.13 and 3.5**

Authorized By: Robert E. Hughey, Commissioner,
Department of Environmental Protection.
Authority: N.J.S.A. 13:1E-6a(2).
DEP Docket No. 019-83-04.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

George F. Schlosser
Office of Regulatory Services
CN 402
Trenton, NJ 08625

The Department of Environmental Protection thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-221.

The agency proposal follows:

Summary

The types of wastes that may be disposed of in sanitary landfills in the State of New Jersey are defined in N.J.A.C. 7:26-2.13. There were a total of 27 solid waste classifications when these rules were adopted in 1974. The distinctions between the classifications were not always clear, causing some confusion within the regulated community. The Department modified the definitions through rule amendments in 1976 and in 1978, by combining 11 of the classifications into the current list comprised of 16 separate waste types.

The Department is now proposing further changes in N.J.A.C. 7:26-2.13 to reflect ongoing regulatory innovations and policy developments. The first of these proposed changes is the deletion of waste ID numbers 17—dry hazardous waste, 76—liquid hazardous waste and 77—liquid chemical waste. The Department has adopted comprehensive rules for the management and disposal of hazardous wastes (N.J.A.C. 7:26-7, 8, 9, 10, 11 and 12). The identification of hazardous waste is now determined according to the criteria and procedures in N.J.A.C. 7:26-8, and disposal must be consistent with N.J.A.C. 7:26-9 through 12.

The second proposed change is the modification of solid waste ID number 26—oil spill cleanup wastes, and the deletion of solid waste ID number 70—waste oil and sludges. On January 17, 1983 the Department published a notice of adoption in the Register classifying waste oil as hazardous waste. Waste oil must now be disposed of in accordance with N.J.A.C. 7:26-9 through 12.

The third proposed change is the deletion of solid waste ID number 18—dry nonhazardous chemical waste, and the modification of solid waste ID number 27—nonchemical industrial waste. The Department has changed its focus on classifying solid wastes by their source, to classifying solid wastes by their physical and chemical characteristics. It is these characteristics, rather than the particular industry source, that are the key to environmentally safe management of any solid waste. To the extent then that nonliquid wastes from plastic, pharmaceutical and microbiological industries, for example, are hazardous pursuant to N.J.A.C. 7:26-8, they must be managed accordingly; to the extent these wastes are not hazardous, they may be managed as solid waste ID number 27—dry industrial wastes.

The fourth proposed change is the deletion of solid waste ID number 28—contaminated waste. In addition, the definition of "Infectious waste" in N.J.A.C. 7:26-1.4 is proposed to be modified to include only those solid wastes that the New Jersey Department of Health (NJDOH) defines as infectious. The burden will remain on the generator or owner of infectious waste to manage such wastes pursuant to Department of Health requirements in the NJDOH Hospital Licensure Manual. Once the generator or owner complies with these requirements and certifies this to a licensed solid waste hauler, such waste may be transported off-site and managed as institutional waste as defined in N.J.A.C. 7:26-2.13(c)1.

In addition, other minor changes are proposed. These changes are intended to clarify existing definitions and make them consistent with the proposed changes discussed above.

Social Impact

The proposed amendments are intended as procedural changes that do not substantively affect solid waste collector/haulers or

owners and operators of sanitary landfills. Any effect they may have on this regulated community would be positive. The use of a solid waste classification scheme consistent with other departmental policies and rules will remove the confusion under the previous regulatory framework.

Economic Impact

There will be no additional revenues or costs to the State as a result of these amendments. Likewise, there will be no additional costs to solid waste collector/haulers or owners and operators of solid waste facilities.

Environmental Impact

The proposed modifications to the solid waste classifications will have a positive environmental impact by reinforcing and clarifying recent policy and regulatory developments which have restricted the types of solid waste subject to disposal pursuant to N.J.A.C. 7:26-2.

Full text of the proposal follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]).

7:26-1.4 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise.

“Bulky waste” means large items of solid waste which because of their size or weight require handling other than normally used for municipal solid waste. Bulky waste includes, but is not limited to, such items as tree trunks, auto bodies, demolition or construction material, appliances, furniture and drums.

“Chemical waste” means a material normally generated by or used in chemical, petrochemical, plastic, pharmaceutical, biochemical or microbiological manufacturing processes, which has been selected for waste disposal and which is known to hydrolyze, ionize or decompose, which is soluble, burns or oxidizes, or which may react with any of the waste materials which are introduced into the landfill, or which is bouyant on water, or which has a viscosity less than that of water or which produces a foul odor. Chemical waste may be either hazardous or nonhazardous.]

“Infectious waste” means [the following:

1. Equipment, instruments, utensils and fomites (any substance that may harbor or transmit pathogenic organisms) of a disposable nature from the rooms of patients who are suspected to have or have been diagnosed as having a communicable disease and must, therefore, be isolated as required by public health agencies;

2. Laboratory wastes including pathological specimens (that is, all tissues, specimens of blood elements, excreta and secretions obtained from patients or laboratory animals) and disposable fomites attendant thereto;

3. Surgical operating room pathologic specimens and disposable fomites attendant thereto and similar disposal materials from outpatient areas and emergency rooms.] **solid waste that is defined as infectious by the New Jersey State Department of Health.**

7:26-2.6 Sanitary landfill operational requirements (Specified)

(a)–(d) (No change.)

[e) The generator or owner of infectious waste shall be responsible for rendering such waste noninfectious prior to removal from the premises where generated and for certifying to the registered operator of the solid waste facility where assigned and the Bureau that such waste has been rendered noninfectious.]

7:26-2.11 General operational requirements for incinerators, transfer stations, processing facility and resource recovery facilities

(a)–(o) (No change.)

[p) The generator or owner of infectious waste shall be responsible for rendering such waste noninfectious prior to removal from the premises where generated and for certifying to the registered operator of the solid waste facility where assigned and the Bureau that such waste has been rendered noninfectious.]

7:26-2.13 Sanitary landfills; records

(a)–(b) (No change.)

(c) Waste identification and definitions of solids include the following:

1. Solid wastes; waste ID number and definitions:

i. 10 Municipal (household, commercial and institutional): Waste originating in the community consisting of household waste from private residences, commercial waste which originates in wholesale, retail or service establishments, such as, restaurants, stores, markets, theatres, hotels and warehouses, and institutional waste material originating in schools, hospitals, research institutions and public buildings. [Laboratory waste and infectious wastes are not included in this category;]

ii. 12 Dry sewage sludge: Sludge from a sewage treatment plant which has been digested and dewatered and does not require liquid handling equipment[;].

iii. 13 Bulky waste: Large items of waste material, such as, appliances, furniture, whole trees, branches, tree trunks and stumps. Also included are waste building materials and rubble resulting from construction, remodeling, repair and demolition operations on houses, commercial buildings, pavements and other structures. Discarded automobiles, trucks and trailers and large vehicle parts, and tires are included under this category[;].

iv. 17 Dry hazardous waste: Nonliquid waste materials which pose a present or potential threat to human health, living organisms or the environment. Included in this category are waste materials which are toxic, corrosive, irritating or sensitizing, explosive or flammable. Included are dry pesticides and any containers that were used to ship or store hazardous wastes;]

v. 18 Dry nonhazardous chemical waste: Nonliquid material normally generated by or used in chemical, petrochemical, plastic, pharmaceutical, biochemical or microbiological manufacturing processes that is not included in the dry hazardous waste category;]

vi. 23 Vegetative waste: Waste materials from farms, plant nurseries and greenhouses **that are** produced from the raising of plants. This waste includes such crop residues as plant stalks, hulls, leaves and tree wastes processed through a woodchipper[;].

vii. 25 Animal and food processing wastes: Processing waste materials generated in canneries, slaughterhouses, packing plants or similar industries. Also included are dead animals[;].

viii. vi. 26 Oil spill cleanup wastes: Wastes generated during an oilspill cleanup operation which include but are not limited to oil-soaked sand and straw[;], **unless the wastes are hazardous pursuant to N.J.A.C. 7:26-8.13.**

ix. vii. 27 [Nonchemical] Dry industrial waste: [Solid waste] **Waste materials resulting from [the] manufacturing, industrial and research and development [industry.] processes, and which are not hazardous in accordance with the standards and procedures set forth at N.J.A.C. 7:26-8.** [Specifically not included is waste material of a chemical nature which is normally generated by or used in chemical, petrochemical, plastic, pharmaceutical, biochemical or microbiological manufacturing processes;]

x. 28 Infectious waste: Any waste originating from hospitals, clinics, nursing homes, bio-medical laboratories and other medical facilities, which waste has come in contact with persons having reportable communicable diseases as defined in Chapter II of the New Jersey State Sanitary Code or any revision thereof.]

(d) Waste identification and definition of liquids include the following:

1. Liquid wastes; waste ID number and definitions:

[i. 70 Waste oil and sludges: Automotive crank case drainings and other discarded oils from industrial, aviation and miscellaneous applications including waste oils and materials which are in the form of a highly concentrated slushy residue;]

[ii.] i. 72 Bulk liquid and semiliquids: Liquid or a mixture consisting of solid matter suspended in a liquid media which is contained within, or is discharged from, any one vessel, tank or other container which has the capacity of 20 gallons or more. [Included are bulk or semiliquids for which there is not a specific waste category;] **Not included in this waste classification are septic tank clean-out wastes and liquid sewage sludge.**

[iii.] ii. 73 Septic tank clean-out wastes: Pumpings from septic tanks and cesspools. Not included are wastes from a sewage treatment plant[;].

[iv.] iii. 74 Liquid sewage sludge: Liquid residue from a sewage treatment plant consisting of sewage solids combined with water and dissolved materials[;].

[v. 76 Liquid hazardous waste: Free-flowing material which poses a present or potential threat to human health, living organisms, or the environment. Included in this category are waste materials which are toxic, corrosive, irritating or sensitizing, explosive or flammable. This category shall include liquid pesticides;]

[vi. 77 Liquid chemical waste: Free-flowing material normally generated by or used in chemical, petrochemical, plastic, pharmaceutical, biochemical or microbiological manufacturing processes. This material is known to chemically react, hydrolyze, ionize or decompose, is soluble, burns or oxides, or produces a foul odor. Not included in any liquid waste which qualifies as a liquid hazardous waste.]

(e) (No change.)

7:26-3.5 Collector-hauler requirements (Specific)

(a)-(d) (No change.)

(e) Rules concerning the management and transportation of infectious waste include the following:**1. The generator or owner of infectious waste shall be responsible for:**

i. Treating such waste pursuant to the requirements established by the New Jersey Department of Health such that any potential for human exposure to communicable disease agents is eliminated; and

ii. Certifying to the licensed solid waste hauler that the New Jersey Department of Health requirements for managing such waste have been satisfied.

2. All collectors and haulers of such wastes shall obtain the certification, required in (e)1ii above, from the generator or owner of such waste before accepting such wastes for transportation off-site.

3. Solid waste that is managed pursuant to (e)1i above, and that is transported with the certification required by (e)1ii above, shall be managed as an institutional waste as defined in N.J.A.C. 7:26-2.13(c)1i.

(a)

DIVISION OF WASTE MANAGEMENT**Solid Waste Fees****Proposed Redooption: N.J.A.C. 7:26-4**

Authorized By: Robert E. Hughey, Commissioner,
Department of Environmental Protection.
Authority: N.J.S.A. 13:1E-6 and 13:1E-18.
DEP Docket No. 018-83-04.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

George F. Schlosser
Office of Regulatory Services
CN 402
Trenton, NJ 08625

The Department of Environmental Protection thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The readoption of these rules becomes effective upon acceptance for filing by the Office of Administrative Law of the notice of their readoption.

This proposal is known as PRN 1983-220.

The agency proposal follows:

Summary**A. Purpose of the Proposal**

The purpose of this proposal is to readopt the existing solid waste fee schedules in N.J.A.C. 7:26-4. The current text of this subchapter is scheduled to expire on June 20, 1983 pursuant to the provisions of Executive Order No. 66 (1978). This proposed readoption does not include any changes in the existing fee schedules. The Department of Environmental Protection has reviewed the existing solid waste fee schedules and found them necessary for the continued implementation of the Solid Waste Management Act. These regulations impose fees on solid waste facilities and solid waste collector/haulers.

B. Purpose of Regulations

In 1970 the Legislature enacted the New Jersey "Solid Waste Management Act" (hereinafter the "Act"), N.J.S.A. 13:1E-1 et seq. The legislative findings and declarations clearly establish the policy of this State to establish a meaningful and responsible role for the State in the solution of solid waste problems by granting the Department of Environmental Protection the power to regulate and supervise all solid waste collection and disposal facilities and operations and to register all persons engaged in these activities. It is a further stated policy of this State to utilize the funds received by the Department from registration fees to support the policies set forth in the Act.

In 1971, the Legislature authorized the Department of Environmental Protection to establish and charge fees for any services it performs in connection with the Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq. (L. 1971, c.461 § 3, eff. February 29, 1972).

C. History of Solid Waste Fee Schedule

In 1974 the Department of Environmental Protection formally adopted a solid waste fee schedule (6 N.J.R. 343(c)) replacing the prior schedule (Chapter VIII - Refuse Disposal) which was adopted April 30, 1970 by the Public Health Council. The authority for this new fee schedule, which became effective on July 1, 1974, was N.J.S.A. 13:1E-18. This statute stipulates that "the fees shall not be less than \$10.00 nor more than \$500.00 based on criteria contained in the fee schedule", and may be assessed on any services the Department performs in connection with the Act. Within this limit the Department of Environmental Protection developed a flat fee schedule in an attempt to have the amount of fees collected reflect the Department's costs in providing different review and inspection services required by the Solid Waste Management Act N.J.S.A. 13:1E-1 et seq.

The Department of Environmental Protection then audited the level of fees collected and the services it provided pursuant to the Act. Based on this review, the Department adopted a modified fee schedule in 1975 which included quarterly fees for all solid waste facilities (7 N.J.R. 259). These fees varied according to the size of the facility to reflect the varying costs to the Department of implementing the Act.

In 1976, the Department of Environmental Protection replaced the then existing fee schedule with a tipping fee (8 N.J.R. 510(d)). This tipping fee schedule (effective November 1, 1976) was designed to assess fees based upon the volume of solid waste entering a facility. The facility owner or operator would then pass the cost back through the solid waste collector/hauler to the generator. The legislative authorization for the tipping fee expired on June 30, 1978.

The Department of Environmental Protection responded to this expiration by an emergency reinstatement of the prior fee schedule of the Solid Waste Administration (10 N.J.R. 327(c)). This emergency rule was effective on July 1, 1978.

In 1982, the Department of Environmental Protection amended the Fee Schedule for Collection and Haulage (14 N.J.R. 979(b)). This amendment reduced the fees for transporters of hazardous waste who register more than 20 vehicles with the Department.

The most recent amendment to the Solid Waste Fees were the Guidelines Governing County Fees for Solid Waste Enforcement Activities which were adopted by the Department on March 7, 1983 (15 N.J.R. 330(d)). These fees are to be collected during the course of operation at a solid waste facility and are to be based upon the amount of waste received. The fees so generated are to be utilized exclusively to fund county solid waste enforcement and monitoring activities.

Social Impact

The Department of Environmental Protection has developed solid waste fee schedules over a period of 10 years. These fees indirectly fund the services the Department performs in connection with the Solid Waste Management Act and also support the solid waste enforcement activities delegated by the Commissioner to the counties pursuant to the County Environmental Health Act.

Fees assessed on solid waste facilities are of three types: a one-time engineering design fee, an annual registration fee, and inspection and regulation fees. During fiscal year 1982 approximately 300 solid waste facilities paid fees to the Department pursuant to the existing fee schedule.

An annual registration and inspection fee is the only fee presently assessed on solid waste collector/haulers. In fiscal year 1982, solid waste collector/hauler registration fees were collected from 3,474 companies, with individual vehicle registrations numbering over 16,000.

Economic Impact

The Department of Environmental Protection does not have direct use of the fees it collects pursuant to the Act. The level of fees generated from these schedules have been an important factor, however, in the legislative establishment of the Department's funding level for solid waste.

If the existing solid waste fee schedules were not readopted, the General Revenues of the State would have to fund the services provided by the Department without the financial support of the regulated solid waste industry. This would result in an increased burden on the taxpayers of the State to implement the Solid Waste Management Act.

The readoption of the existing solid waste fee schedules would continue the indirect support for implementing the Solid Waste Management Act by the community being regulated.

Environmental Impact

The readoption of the solid waste fees will not result in any direct environmental impact. This action is intended to maintain the fee schedules presently collected from the solid waste collection and disposal industry. The beneficial environmental impacts of the services provided by the Department pursuant to the Act, which are indirectly funded by these fees, will continue.

Full text of the proposed readoption appears in the New Jersey Administrative Code at N.J.A.C. 7:26-4, as amended in the New Jersey Register.

HIGHER EDUCATION

(a)

BOARD OF HIGHER EDUCATION

State College Reduction in Force Policies

Proposed Amendment: N.J.A.C. 9:2-3.8

Authorized By: Board of Higher Education, T. Edward Hollander, Secretary and Chancellor.
 Authority: N.J.S.A. 18A:3-14(h) and 18A:3-15.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Eric M. Perkins
 Administrative Practice Officer
 Department of Higher Education
 225 West State Street
 CN 542
 Trenton, NJ 08625

The Board of Higher Education thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-211.

The agency proposal follows:

Summary

The proposed amendment will establish a requirement that any employee who is laid off due to a fiscal crisis pursuant to N.J.A.C. 9:2-3 shall receive 45 days notice prior to the date of layoff. The existing language requires that an employee be given as much notice as is possible.

Social Impact

The proposal could affect all tenured faculty and administrators on multi-year contracts at the State colleges. Such persons could be laid off in the event of a fiscal exigency at a college with 45 days notice. The proposal will also affect students at the State colleges by permitting the State colleges to minimize the disruption of educational programs in the event of a fiscal exigency.

Economic Impact

State colleges, as governmental agencies, are required to operate on balanced budgets. The proposal will permit the colleges to utilize personnel layoffs in the event of a fiscal exigency to achieve a balanced budget.

Full text of the proposal follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]).

9:2-3.8 Employee Notice

The board of trustees shall notify each employee who is to be laid off of such fact [as soon as possible] **45 days prior to the date of layoff**.

HUMAN SERVICES

(a)

DIVISION OF MEDICAL ASSISTANCE AND HEALTH SERVICES

Pharmaceutical Services Manual Appendices B, D and E

Proposed Amendments: N.J.A.C. 10:51-1, Appendices B, D and E

Authorized By: George J. Albanese, Commissioner,
Department of Human Services.
Authority: N.J.S.A. 30:4D-6b(6), 7 and 7b; 30:4D-22a, 24.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Administrative Practice Officer
Division of Medical Assistance
and Health Services
CN 712
Trenton, NJ 08625

The Department of Human Services thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-222.

The agency proposal follows:

Summary

The Division of Medical Assistance and Health Services is updating and revising Appendices B, D and E of the Pharmaceutical Services Manual. Appendix B is the list of non-legend (over-the-counter) drugs for which Medicaid will reimburse pharmaceutical providers. Appendix D is a list of legend devices, which are covered by both the Medicaid and PAAD (Pharmaceutical Assistance for the Aged and Disabled) Programs. Appendix E is a list of protein replacements.

Most of the changes are being made in Appendix B. A significant number of these changes contain a revised NDC (National Drug Code) number, although there are some additions and deletions.

There are only two changes to Appendix E and one to Appendix D, all of which are deletions. Lytren (RTU 960cc, each, NDC number 0000087-0789-01), Pedialyte (RTU 960cc, each, NDC number 0000074-5759-06) are being deleted from Appendix E; Lacrisert (per insert, NDC number 0000006-3380-60) is being deleted from Appendix D.

A complete updated list including the changes is available by contacting the Administrative Practice Officer. Pharmaceutical providers will also receive their own individual copy of this list.

Social Impact

The issuance of this updated list will insure both Medicaid recipients and PAAD beneficiaries will be able to receive up-to-date pharmaceuticals, and that providers will be reimbursed for dispensing them.

Economic Impact

There is no change in the Division's reimbursement procedures, so there should be virtually no economic impact on both the Medicaid and PAAD programs.

Pharmaceutical providers will continue to be reimbursed in accordance with Medicaid policies, procedures, and fee schedules, so long as they use the updated listing.

There is no cost to the Medicaid patient. PAAD beneficiaries will continue to pay a \$2.00 co-payment per prescription as required by law (N.J.S.A. 30:4D-22(2)).

Copies of the full text consisting of N.J.A.C. 10:51-1, Appendices B, D and E, may be obtained from or made available for review by contacting:

Administrative Practice Officer
Division of Medical Assistance
and Health Services
324 East State Street
CN 712
Trenton, NJ 08625

Full text of changes in Appendix B follows (additions indicated in boldface **thus**; deletions in brackets [thus]).

DIVISION OF PUBLIC WELFARE

General Assistance Manual Diagnostic Related Group (DRG) Rates for Outpatient Services

Proposed Amendment: N.J.A.C. 10:85-5.3

Authorized By: George J. Albanese, Commissioner, Department of Human Services.
 Authority: N.J.S.A. 44:8-111(d).

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Audrey Harris, Acting Director
 Division of Public Welfare
 CN 716
 Trenton, NJ 08625

The Department of Human Services thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-214.

The agency proposal follows:

Summary

Payments in the General Assistance Program for inpatient hospitalization are made at the Diagnostic Related Group (DRG) rates for those hospitals which have phased into the system. The office of the Attorney General has now advised that the DRG rate system also applies for hospital outpatients, both in clinics and in emergency rooms. Accordingly, the currently established dollar limits are no longer appropriate and are being deleted. Statutory basis is found at N.J.S.A. 26:2H-18b. Information as to specific rates for individual cases will be available to the municipal welfare departments under existing procedures found at N.J.A.C. 10:85-5.4 which is not being changed by this proposal.

Social Impact

General Assistance recipients are already being served in hospital emergency rooms and clinics as need arises. It is not anticipated that either the quantity or quality of the service will change. Thus, it is not possible to identify any person or group whose needs are met through the General Assistance Program who will experience a social impact.

Economic Impact

General Assistance recipients will feel no economic impact inasmuch as the payments are made for them rather than to or through them. To the extent that DRG rates are different from the limits now being deleted, the hospitals serving General Assistance recipients will experience a difference in the form of larger payments. An estimated \$600,000 annually will be distributed to hospitals throughout the State which provide outpatient services to GA recipients. The equal cost to the public treasury will be borne by State funds to the extent of \$450,000; the remaining \$150,000 spread among the municipalities in approximate proportion to caseload.

Full text of the proposal follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]).

10:85-5.3 Other medical payments

(a)-(b) (No change.)

(c) Outpatient services are as follows:

1. Hospital emergency room: The director of welfare shall authorize payment [of an all-inclusive rate not to exceed the authorized Medicaid allowance for emergency room use of \$35, whichever is less. The rate covers all supplies and services including physician's services but does not include X-ray, diagnostic studies and laboratory fees, payment for which may be authorized in accordance with (c)2i below.] **for services at the Diagnostic Related Group (DRG) rate.**

2. Hospital and independent clinics: The director of welfare shall authorize payment **at DRG rates for services rendered by hospital clinics. For independent clinics, the director of welfare shall authorize payment** of an all-inclusive charge (except for X-ray and laboratory fees) not to exceed \$12.00.

i. (No change.)

3.-4. (No change.)

(d)-(j) (No change.)

(a)

DIVISION OF YOUTH AND FAMILY SERVICES

Child Care

Manual of Standards for Child Care Centers for Children Under 2 1/2 Years of Age

Proposed New Rule: N.J.A.C. 10:122C

Authorized By: George J. Albanese, Commissioner,
Department of Human Services.
Authority: N.J.S.A. 18A:70-1 to 9.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Richard Crane, Chief
Bureau of Licensing
Division of Youth and Family
Services
One South Montgomery Street
CN 717
Trenton, NJ 08625

The Department of Human Services thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-215.

The agency proposal follows:

Summary

On March 21, 1983 an amendment to N.J.S.A. 18A:70-1 to 9, the State's child care licensing law, went into effect that requires for the first time the licensing of centers serving infants/toddlers (children under two years of age) and children who are five years of age. Previously, the law had required the licensing only of certain centers serving children two, three and four years of age. The amendment also removes the provisions of the law that had exempted from licensure centers that do not charge a tuition fee, board or other form of compensation.

As a result of the new law, centers serving six or more children below the age of six years must secure a license from the Division of Youth and Family Services - regardless of whether they charge a fee for services.

To implement the provisions of N.J.S.A. 18A:70-1 to 9, the Division developed in conjunction with an ad hoc citizens advisory committee these proposed regulations specifically geared to the needs of infants/toddlers. Provisions of the Manual of Standards for Child Care Centers for Children from 2 1/2 through Five Years of Age govern centers that serve children 2 1/2 through five years of age. The committee included: directors of infant/toddler centers; representatives from the New Jersey Association for the Education of Young Children (NJAEYC), the Head Start Directors Association, and the DYFS Day Care Policy Development Board; and staff of the State Departments of Education and Health. The Division also utilized infant/toddler licensing regulations from a number of other States in drafting these proposed regulations.

The proposed regulations prescribe requirements in a range of areas, including administrative, processing and enforcement policies and procedures; life/safety and physical facilities; staff qualifications; transportation; program activities; health and sanitation; and others.

Social Impact

The proposed regulations will have a positive social impact by providing the protections and safeguards of licensure for children under 2 1/2 years of age that are served in child care centers; particularly in light of the vulnerability and unique needs of such young children.

Economic Impact

The proposed regulations are not expected to have a significant economic impact on infant/toddler centers that will be subject to licensure, since the proposed regulations have been designed to constitute minimum baseline licensing requirements governing essential life/safety, health, programmatic and administrative needs of the children to be served. They are not designed as model or preferred levels of care, but rather, represent the minimum level below which no infant/toddler center would legally be permitted to open and operate. The aim is to provide basic protections for the children served without imposing overly stringent and costly requirements that could inhibit the development/expansion of these vitally needed resources.

Full text of the proposal follows.

CHAPTER 122C
MANUAL OF STANDARDS FOR CHILD CARE
CENTERS SERVING CHILDREN UNDER
2 1/2 YEARS OF AGE

SUBCHAPTER 1. GENERAL PROVISIONS

10:122C-1.1 Legal authority

(a) This chapter is promulgated pursuant to the State's child care licensing law (N.J.S.A. 18A:70-1 to 9) and N.J.S.A. 30:1-25.

(b) Under N.J.S.A. 18A:70-1 to 9, the Department of Human Services is authorized to license certain privately operated nonsectarian child care centers providing care for six or more children under the age of six years for less than 24-hours-a-day.

(c) Under N.J.S.A. 30:1-25, the Department of Education's functions, powers and duties pertaining to the licensing of child care centers was transferred to the Department of Human Services.

(d) The rules and regulations contained in this chapter are for those centers caring for children under the age of 2 1/2 years, commonly referred to as infant/toddler centers.

(e) In order to be eligible for a license, a child care center shall demonstrate to the satisfaction of the Department of Human Services or its duly authorized agent through such methods and procedures as may be prescribed that it complies with the rules and regulations contained in this chapter, which constitute minimum standards only.

(f) Responsibility for insuring that centers comply with the provisions of the statutes cited in (a) above and of this chapter is hereby delegated by the Department of Human Services to the Bureau of Licensing of the Division of Youth and Family Services.

10:122C-1.2 Definitions

The following words and terms when used in this chapter, have the following meanings.

"Bureau" means the Bureau of Licensing of the Division of Youth and Family Services, New Jersey Department of Human Services.

"Child" means any person under the age of 2 1/2 years.

"Child care center" or "center" means any facility, by whatever name known, which is maintained for the care, development and supervision of six or more children under the age of 2 1/2 years for less than 24-hours-a-day. This term shall include, but shall not be limited to, such programs as day care centers, drop-in centers, night care centers, cooperative child centers and centers for handicapped children or children with special needs. The term "child care center" or "center" shall not include any:

1. Public or private family day care homes, foster homes, group

homes, residential child care facilities and children's shelter facilities or homes;

2. Centers operated by a properly organized and accredited church or an aid society of a properly organized and accredited church;

3. Centers operated by any fraternal society organized for aid and relief of its members;

4. Centers operated by the Department of Human Services or any centers operated by a county, city, municipality or school district; or

5. Children's home, orphan asylum, children's aid society, or society for the prevention of cruelty to children, incorporated under the laws of this State and subject to visitation or supervision by the Department of Human Services, except in the conduct of a philanthropic day nursery.

"Department" means the New Jersey Department of Human Services.

"Director" means any person responsible for the actual operation and management of a child care center.

"Division" means the Division of Youth and Family Services, New Jersey Department of Human Services.

"Manual of Standards for Child Care Centers Serving Children under 2 1/2 Years of Age" or "Manual of Standards" means the rules and regulations promulgated in this chapter, which constitute minimum requirements for child care centers.

"Parent" means a parent, guardian, or any other person having responsibility for, or custody of, a child.

"Person" means any individual, agency, corporation, company, association, organization, society, firm, partnership, joint stock company, the State or any political subdivision thereof.

"Regular license" means a certificate in writing issued by the Bureau which indicates that the child care center is in full compliance with the provisions of this chapter.

"Revocation of a license" means a rescinding of a center's current license to operate for failure or refusal to comply with the provisions of this chapter.

"Shall" denotes a provision of this chapter that a child care center must meet to qualify for a license.

"Should" denotes a recommendation reflecting goals towards which a center is encouraged to work for the improvement of the program.

"Sponsor" means any person owning a child care center. The "sponsor" also may serve as the director.

"Staff member" means any person employed by or working for or with a child care center on a regularly scheduled basis. This shall include full-time, part-time, voluntary and substitute staff, whether paid or unpaid.

"Suspension of a license" means a temporary rescinding of a center's current license to operate, which can be reinstated by the Bureau upon the center's compliance with the provisions of this chapter.

"Temporary license" means a certificate in writing issued by the Bureau which indicates the child care center is in substantial compliance with the provisions of this chapter, provided that no serious or imminent hazard affecting the children exists, and on the condition that the center comes into full compliance with the provisions of this chapter by the expiration date of the temporary license.

10:122C-1.3 Program descriptions

(a) A licensed child care center shall offer one or more of the following types of program:

1. Day care: A program serving children during the normal waking hours (7:00 A.M. to 7:00 P.M.) and providing for the care of children on a regularly enrolled and scheduled basis;

2. Drop-in: A program serving children 70 percent or more of whom are not regularly enrolled in the program and are cared for on an occasional and unscheduled basis during the normal waking hours (7:00 A.M. to 7:00 P.M.);

3. Night care: A program serving children during the normal sleeping hours (7:00 P.M. to 7:00 A.M.);

4. Special needs: A program serving regularly enrolled children, 50 percent or more of whom have a physical, emotional or intellectual handicap or learning disorder.

(b) When a child care center operates a program which falls within more than one of the program categories, as specified in (a) above, the Bureau shall make an individual assessment and determination, based on the nature and type of the program combination, as to which standards shall govern.

(c) Hours of care:

1. Day care, drop-in and special needs programs: No child shall be cared for at a center for more than 12 hours within a 24-hour period.

2. Night care programs: No child shall be cared for at a center for more than 16 hours within a 24-hour period.

SUBCHAPTER 2. LICENSING PROCEDURES

10:122C-2.1 Application for license

(a) No person shall conduct, maintain or operate a child care center unless the center first secures a license to do so from the Bureau, pursuant to the provisions of the child care licensing law (N.J.S.A. 18A:70-1 to 9) and of this chapter. Operation of a child care center without a valid license as required by N.J.S.A. 18A:70-8 constitutes a misdemeanor.

(b) Filing of application with the Bureau:

1. A person applying to the Bureau for a new or renewed license for a child care center shall submit a completed application form (supplied by the Bureau) at least 45 days prior to the anticipated opening of a new center or the expiration of an existing center's license.

2. Applicants for an initial or renewed license shall submit the following with the completed application form:

i. A \$75.00 licensing fee in the form of a check or money order made payable to "The Treasurer, State of New Jersey".

(1) In the event the application is denied, or the center does not open, the Bureau shall return this fee to the applicant;

(2) The licensing fee, or any portion thereof, shall not be refundable if the center discontinues operating voluntarily or involuntarily; and

ii. Written certification from the municipality or county in which the child care center will operate stating that the physical facility meets local government code approval as specified in N.J.A.C. 10:122C-5.1.

10:122C-2.2 Issuance of license

(a) The Bureau shall review the application for a license and materials submitted with it, and shall conduct an on-site physical facility and program inspection of the child care center to determine whether the center meets all provisions of this chapter, and if so, shall issue a regular license to the center.

(b) The Bureau shall provide notice if the license will not be granted or renewed and shall specify reasons for denial.

(c) If the Bureau determines that a child care center is in substantial compliance with, but does not meet all applicable provisions of this chapter, and provided that the extent of the center's deviation from such requirements is not deemed serious or imminently hazardous to the health, safety, well-being and proper development of the children, the Bureau shall issue a temporary license.

(d) When a temporary license is issued, the Bureau shall provide a written statement explaining what the center must do to achieve a regular license.

(e) A temporary license may be issued for a period not to exceed six months. The Bureau may renew the temporary license as often as it deems necessary; provided, however, that a center shall not operate pursuant to temporary licenses for more than a total of 18 months.

(f) Each licensing period, which may include the issuance of one or more temporary licenses and/or one regular license, shall be three years.

1. In determining the expiration date of the first regular license, the Bureau shall compute the three-year period of licensure from the date of issuance of the first temporary or regular license.

2. In determining the expiration date of a renewed regular license, the Bureau shall compute the three-year period of licensure from the date on which the center's previous regular license expired, unless the center ceased to operate for a period of at least six months following the expiration date of its previous regular license.

(g) The license shall be issued to a particular child care center sponsor at a particular location and shall not be transferable.

1. Any change in sponsorship, location or program type of the center shall necessitate application for and receipt of a license reflecting the change.

2. An application fee shall not be required in cases of a change in location, sponsorship, or program during any period in which a license is in effect; provided, however, that this license shall be given the same expiration date as that of the previous license.

(h) The license shall be posted and displayed by the sponsor at all times in a location of prominence within the center.

(i) When two or more child care centers are or will be operated at different locations by the same sponsor, the sponsor shall submit to the Bureau a separate application for a license and licensing fee for each center.

(j) When two or more child care centers are to be operated on the same premises by the same sponsor, the sponsor shall submit to the Bureau a single application for a license and licensing fee.

(k) A child care center shall not make claims either in advertising or in any written or verbal announcement or presentation contrary to its licensing status or to any type of program authorized by the license.

10:122C-2.3 Causes for denial, suspension or revocation of a license

(a) A child care center's license may be denied, suspended or revoked for good cause, including, but not limited to the following:

1. Failure to comply with provisions of the State's child care licensing law or of this chapter;

2. Violation of the terms and conditions of a license;

3. Use of fraud or dishonesty in obtaining a license or in the subsequent operation of the center;

4. Refusal to furnish the Bureau with files, reports or records as required by this chapter;

5. Refusal to permit an authorized representative of the Division to gain admission to the center; or

6. Any activity, policy or conduct that adversely affects or presents a serious or imminent hazard to the health, safety and well-being of any child attending the child care center, or that otherwise demonstrates unfitness or inability to operate a child care center.

(b) If a child care center's license is suspended, it shall be reinstated by the Bureau once the center achieves compliance with provisions of State child care licensing law and of this chapter. In such a case, it is not necessary for the center to submit a new application for a license and application fee.

(c) If the Bureau revokes a center's license to operate, the center shall submit to the Bureau a new application for a license and application fee, meet the provisions of State child care licensing law and of this chapter and secure a new license to operate prior to resuming operations.

(d) Each license issued by the Bureau to a child care center remains the property of the State of New Jersey. If a center's license is suspended or revoked or upon the permanent closing of the center by the sponsor, the sponsor shall return the center's license(s) to the Bureau immediately.

10:122C-2.4 Administrative hearings

(a) To effectuate the purposes of this chapter, the Bureau may initiate an administrative hearing in the interest of justice.

(b) When the Bureau proposes not to license or not to continue licensure of a child care center, the Bureau shall afford the child care center notice and opportunity for an administrative hearing.

(c) All administrative hearings shall be conducted pursuant to the Administrative Procedure Act (N.J.S.A. 52:14B-1 et seq. and N.J.S.A. 52:14F-1 et seq.) and the Uniform Administrative Procedure Rules of Practice (N.J.A.C. 1:1).

10:122C-2.5 Complaints

(a) Whenever the Bureau receives a report questioning the licensing status or conditions affecting a child care center, the Bureau shall promptly investigate the allegation and determine whether the complaint is substantiated and shall notify the center in question accordingly; if the complaint is substantiated or if any other violations are found as a result of the investigation, the center shall abate the violations and come into full compliance with provisions of the State child care licensing law and of this chapter.

(b) Any individual filing a complaint may do so anonymously. If the complainant reveals his or her identity, the name of the complainant, together with a description of the complaint and its status, shall be included in the center's records and shall be available for public review upon completion of the investigation by the Bureau, in keeping with the State Public Records Law (N.J.S.A. 47:1A-1 to 4).

10:122C-2.6 Public access to licensing records

(a) Licensing files maintained by the Bureau are public records and shall be readily accessible for examination by any person under the direction and supervision of the Bureau, except when public access to records is restricted in keeping with the State Public Records Law or other appropriate statutes.

(b) The Bureau shall establish policies governing the review by the public of center records.

SUBCHAPTER 3. ADMINISTRATION

10:122C-3.1 Administrative responsibility

(a) The sponsor of the child care center shall have responsibility for the overall administration of the center and the quality of child care, development and supervision, and staff training provided therein.

(b) The sponsor may serve as, or appoint, a director, who shall be responsible for the actual management and operation of the center.

10:122C-3.2 Reporting requirements

(a) The center shall notify the Bureau of any of the following changes or events within 24 hours after any of them occur:

1. Unanticipated temporary or permanent closing of the center;
2. Legal action against a center or staff member which involves or affects any child or the operation of the center;
3. Damage to the premises of the center caused by fire, accident or the elements; and
4. Injury requiring hospitalization or resulting in the death of any child which occurred while the child was on the premises of the center or in the care of center personnel.

(b) The center shall notify the Bureau in writing at least 30 days prior to any of the following proposed changes and events:

1. Sponsorship of the center;
2. Name, location and/or telephone number of the center;
3. Program category;
4. Capacity of the center;
5. Director, supervising caregiver, caregiver and all other staff; and
6. Anticipated temporary or permanent closing of the center (temporary closings, such as for holidays and vacation, need not be reported).

(c) A center shall notify the Division immediately if it believes that a child has been or is being abused or neglected by a staff member(s) or any other person, as required by the Child Abuse and Neglect Law (N.J.S.A. 9:6-8.9, 8.10, 8.13 and 8.14). Copies of the law and information about it are available from the Division, upon request.

10:122C-3.3 Records

(a) General requirements:

1. Records required to be maintained by the center pursuant to this chapter shall be kept on file at the center. If the sponsor operates more than one center and maintains records in a central file, a duplicate individual file for each child shall also be kept at each center.

2. Records shall be open for inspection by an authorized representative of the Bureau.

3. The center shall ensure the confidentiality of records, in accordance with State law.

(b) Children's records: The center shall maintain in its files an up-to-date record on each child and it shall include:

1. The child's full name, address, birth date, date of enrollment, date of termination; except drop-in centers, which shall not be required to maintain the date of termination;

2. Name, home address, employment address, and telephone number of parent(s);

3. Instructions for reaching parent(s);

4. Name(s), address(es), and telephone number(s) of person(s) authorized by the parent(s) to take the child to or from the center and to assume responsibility for the child in an emergency if the parent(s) cannot be reached immediately;

5. Name, address, and telephone number of the child's physician;

6. Health information, as specified in N.J.A.C. 10:122C-6.1;

7. Written authorization from parent(s) for emergency medical care;

8. Injury and illness record, including reports of any accidents, or treatment by a physician, or of injury or death of a child while on the premises or in the care of the center; and

9. For a center that serves any child having a physical, emotional or intellectual handicap, including mental retardation, social maladjustment, perceptual impairment, neurological impairment, auditory handicap, emotional problems, communication handicap, or orthopedic handicap, a statement from a physician, nurse, psychologist, therapist, teacher or other professional qualified to diagnose such a child. The statement shall be obtained prior to or as soon as possible following the child's admission. The statement shall indicate the particular nature of the child's handicap and any program or environmental modification that would be required to meet the child's exceptional needs.

(c) Staff records: The center shall maintain in its files an up-to-date record of every staff member for as long as that individual is working at the center. The record shall include:

1. Staff member's name, address, and telephone number;

2. Information on health, as specified in N.J.A.C. 10:122C-4.2; and

3. Dates of employment or work.

(d) Administrative records: The center shall maintain the following records in its files:

1. A copy of the center's insurance coverage including:

i. Comprehensive liability insurance; and

ii. If applicable, vehicle insurance, as specified in N.J.A.C. 10:122C-7.5.

2. Transportation records, if the center provides transportation, as specified in N.J.A.C. 10:122C-7.4;

3. A written record of the performance of required monthly fire drills, as specified in N.J.A.C. 10:122C-5.2(b);

4. A current copy of this chapter (Manual of Standards);

5. Employee work schedules and time sheets;

6. Daily attendance records for the children enrolled;

7. A written plan specifying the procedures to be followed in the event that the parent(s) or other person(s) authorized by the parent(s) fails to pick up or is late in picking up a child at the time of the center's daily closing. The plan shall insure that:

i. The child is supervised at all times by center staff members;

ii. Every effort is made by center staff members to contact the parent(s) and/or other person(s) authorized by the parent(s) to care for the child; and

iii. Whenever the parent(s) and/or other person(s) authorized by the parent(s) fails to pick up the child one hour or more after closing time, a center staff member shall call the Division's 24-hour Child Abuse Hotline (800-792-8610) to seek assistance in caring for the child until his or her parent(s) or other person(s) authorized by the parent(s) is available to care for the child; and

8. For a drop-in center, a record of the daily time of arrival and time of departure for each child.

10:122C-3.4 Telephone

- (a) The center shall have a telephone.
- (b) The telephone number should be listed in the public telephone directory under the name of the center, not the name of the facility in which the center is located (such as a church, shopping center, etc.).

SUBCHAPTER 4. STAFF REQUIREMENTS

10:122C-4.1 General requirements for staff

- (a) Every staff member shall:
 - 1. Be of good character and reputation;
 - 2. Respect and understand children, be sensitive to and capable of meeting their needs;
 - 3. Make a full disclosure of his or her background, experience, previous work, schooling and arrests and convictions, if any;
 - 4. Be in sufficient physical, mental and emotional health to perform his or her job duties satisfactorily; and
 - 5. Be qualified by professional education, knowledge, training and/or experience to carry out the functions of the position to which he or she is assigned and possess such other skills, attributes and characteristics necessary to the proper performance of the job in an effective and suitable manner.

(b) A staff member's failure to comply with the requirements as specified in (a) above and/or any evidence demonstrating a staff member's unfitness or unsuitability to fulfill the responsibilities and duties of his/her position or to serve or deal with children in an appropriate manner shall constitute grounds for removal of such staff member from his/her position, termination from the job, and suspension or revocation of the center's license, or all of the above. Evidence of conviction for crimes of violence, anti-social behavior, moral turpitude and/or child abuse/neglect/exploitation shall be among those actions suggesting evidence of a staff member's unfitness and unsuitability to serve in a staff position in a center.

(c) The Bureau shall make every effort to insure that the director meets the requirements as specified in (a) and (b) above and the director shall be responsible for insuring that all staff members of the center meet the requirements as specified in (a) and (b) above. The director's failure to do so shall constitute grounds for his or her termination from the center or revocation of the center's license or both.

10:122C-4.2 Health requirements for staff

- (a) Tuberculin testing requirements:
 - 1. Prior to or upon employment, each staff member of a center who comes in contact with the children at least one full day a week shall take a Mantoux tuberculin skin test with five TU (tuberculin units) of PPD tuberculin, and submit to the center written proof of the results of the test.
 - 2. If the Mantoux tuberculin test result is not significant (0 to 9 mm of induration), no further testing shall be required. The Bureau or center shall have the authority at any time in the future to require a staff member to retake the Mantoux tuberculin test, if there is reason to believe or suspect that the staff member may have contracted tuberculosis or is in close contact of a known case of respiratory tuberculosis.
 - 3. If the Mantoux tuberculin skin test result is significant (10 or more mm of induration), the individual shall take a chest x-ray. If the chest x-ray is consistent with tuberculosis the staff member may not come in contact with the children unless he or she submits to

the center a written statement from a physician certifying that he or she poses no threat of tuberculosis contagion.

4. Any person who fails to submit to or to receive satisfactory results from the tuberculin testing requirements as described in (a)1 through 3 above, shall be prohibited from having contact with the children at the center.

(b) Prior to employment, each staff member of a center who comes in contact with the children for at least one full day a week shall submit a written statement from a physician that he or she is in good health and free from chronic or recurrent communicable diseases. Such statement shall be based on a medical examination conducted within the six months immediately preceding such person's association with the center.

(c) Any staff member who, upon examination shows indication of a physical, emotional, or mental condition that could be hazardous to a child, other staff or self or that would otherwise prevent satisfactory performances of duties shall not be assigned or returned to a position until the condition is alleviated to the satisfaction of the examining physician and the director.

10:122C-4.3 Job responsibilities, education and experience requirements for staff

(a) Job responsibilities and education and experience requirements for the director shall include the following:

- 1. The director shall be responsible for the actual operation and management of the center and shall:
 - i. Set up and supervise the total program; and
 - ii. Supervise and approve the selection, training and evaluation of staff, and delegate responsibility, as necessary, to appropriate qualified staff members.
- 2. The director shall be qualified by demonstrated knowledge, training and experience to fulfill the responsibilities and duties of the position.
- 3. The director may also serve as the supervising caregiver providing s/he possesses the qualifications for that position, as specified in N.J.A.C. 10:122C-4.3(b)2i and ii.

(b) Job responsibilities and education and experience requirements for the supervising caregiver shall include the following:

- 1. The supervising caregiver shall be responsible for:
 - i. Developing and implementing the center's child development and activities program; and
 - ii. Supervising the implementation of the program.
- 2. The supervising caregiver shall possess the qualifications as specified in (b)2i and ii below for the appropriate program category.
 - i. Day care, drop-in and night care programs: The supervising caregiver shall:
 - (1) Possess a bachelor's degree in early childhood education, psychology, social work, health care, nursing or any other field related to child growth and development, and have two years of experience in a group program for children three years of age or younger; or
 - (2) For a conditional approval of (1) above, submit to the Bureau documentation of enrollment in courses necessary to complete the requirements for a bachelor's degree in one of the fields of study as stated in (1) above and have two years of experience in a group program for children three years of age or younger. This conditional approval shall be valid for a maximum of 18 months, at which time the individual must submit to the Bureau a copy of bachelor's degree in one of the fields of study as stated in (1) above in order to continue serving as supervising caregiver.
 - ii. Special needs program: The supervising caregiver shall:
 - (1) Possess a New Jersey Teacher of the Handicapped Certificate and have two years of teaching experience in a group program for children three years of age or younger; or
 - (2) Possess a bachelor's degree in special education and have two years of teaching experience in a group program for children three years of age or younger; or
 - (3) Possess a bachelor's degree in early childhood education and

have two years of teaching experience in a group program for children three years of age or younger with special needs.

(c) Job responsibilities and education and experience requirements for the caregiver shall include the following:

1. Under the supervision of a director or supervising caregiver, a caregiver shall be responsible for supervising and/or caring for children;

2. For any program category, the caregiver shall:

i. Have completed two full years of college work, including 15 college credits in early childhood education, psychology, social work, health care, nursing or any other field related to child growth and development, and have one year of experience in a group program for children three years of age or younger which may include student teaching; or

ii. Have 15 college credits in early childhood education, psychology, social work, health care, nursing or any other field related to child growth and development, and have two years of experience in a group program for children three years of age or younger, which may include student teaching; or

iii. For a conditional approval of i and ii above submit to the Bureau documentation of enrollment in college course(s) in early childhood education, psychology, social work, health care, nursing or any other field related to child growth and development as stated in i or ii above and have two years of experience in a group program for children three years of age or younger, which may include student teaching. This conditional approval shall be valid for a maximum of 18 months, at which time the center must submit to the Bureau documentation showing that the individual has acquired 15 credits in a field of study as stated above;

iv. Possess a Child Development Associate Credential (CDA) and have one year of teaching experience in a group program for children three years of age or younger, which may include student teaching.

(d) Job responsibilities and education and experience requirements for the assistant shall include the following:

1. Under the supervision of the director, supervising caregiver and/or caregiver, the assistant shall be responsible for assisting in supervising and/or caring for children;

2. For any program category, the assistant shall:

i. Have a high school or secondary school diploma; or

ii. Have a high school graduate equivalency diploma (GED); or

iii. Be a high school student enrolled in a work study program approved by a board of education;

iv. Be a parent.

10:122C-4.4 Types of staff

(a) Every center shall have a director.

(b) Centers with day care, drop-in and/or night care programs serving from six to 15 children shall have:

1. A full-time supervising caregiver; or

2. A full-time caregiver; or

3. A full time staff member who possesses:

i. Two years of experience in a group program for children three years of age or younger and six college credits in early childhood education, child growth and development, psychology, social work, health care or nursing; or

ii. Three years of experience in a group program for children three years of age or younger. (The staff member should be enrolled in courses leading to six college credits in early childhood education, child growth and development, psychology, social work, health care or nursing.)

(c) Centers with day care, drop-in and/or night care programs serving from 16 to 30 children shall have:

1. A full-time supervising caregiver; or

2. A full-time caregiver.

(d) Centers with day care, drop-in and/or night care programs serving from 31 to 180 children shall have a full-time supervising caregiver.

(e) Centers with day care, drop-in and/or night care programs

serving more than 180 children shall have two full-time supervising caregivers.

(f) Centers with a special needs program serving from six to 180 children shall have a full-time supervising caregiver.

(g) Centers with a special needs program serving more than 180 children shall have two full-time supervising caregivers.

(h) Centers serving more than 30 children should also utilize a full-time caregiver for every 30 children beyond the first 30 children served.

(i) In a center where 15 or more of the children have limited English proficiency, a bilingual staff member should be utilized.

10:122C-4.5 Staff/child ratios

(a) The children shall be supervised at all times.

(b) A minimum of two staff members who are involved in the care and supervision of the children shall be on the premises at all times while children are present.

(c) When the supervising caregiver is off the premises temporarily, for reasons such as illness, field trips, vacations and attending meetings, she or he shall be responsible for insuring that the program continues to function adequately in his or her absence.

(d) The following staff/child ratios shall apply for each program category listed below:

1. Day care, drop-in and night care programs for children:

i. Under 1 1/2 years of age shall have a ratio of five children to one staff member;

ii. 1 1/2 to 2 1/2 years of age shall have a ratio of seven children to one staff member.

2. In special needs programs, there shall be one staff member for every three or fewer children.

(e) In computing the required staff size for a center, the Bureau shall apply the staff/child ratios, as specified in (d) above, for each program category to the actual number of children in attendance at the center. The total number of staff required for a center shall be the cumulative number of staff required per room. The number of staff per room shall be computed by dividing the number of children in attendance per room by the staff/child ratio required for the age of the children served. When this resulting figure is not a whole number, the computation for required staff shall be determined by rounding the figure to the nearest whole number. If the resulting figure is below .5, an additional staff member shall not be required; if it is .5 or above, an additional staff member shall be required. See example below:

Program Category	Children in Attendance Per Room	Age	Staff-Child Ratio Required	Computation	Required Staff
Day Care, Drop-in or Night Care	10	Under 1 1/2	1:5	No. Children (10) ÷ 2 = 5	2
	15	1 1/2- 2 1/2	1:7	No. Children (15) ÷ 2.1 = 7.1	2

Total Staff Required for Center 4

(f) When children of mixed ages requiring different staff/child ratios are in one room, the Bureau shall compute the staff/child ratios applicable for each age group separately to the nearest 10th decimal. If the resulting cumulative figure for both age groups is below .5, an additional staff member shall not be required; and if it is .5 or above, an additional staff member shall be required. See example below:

Program Category	Children in Attendance In 1 Room	Age	Staff-Child Ratio Required	Computation
				19

Day Care,	9	Under	1:5	<u>No. Children (9) = 1.8</u>
Drop-in or		1 1/2		5
Night Care	10	1 1/2-	1:7	<u>No. Children (10) = 2.4</u>
		2 1/2		7

Comulative Total = 3.2
 Total Staff Required For This Room = 3

(g) Staff members not meeting the education and/or experience requirements for supervising caregiver or caregiver may be counted in computing a center's staff-child ratios, but must work under the direct supervision of the supervising caregiver or caregiver.

(h) For purposes of determining whether a required staff/child ratio is met, only those staff members who are involved in the care and supervision of children shall be counted. Non-caregiving directors as well as clerical, housekeeping and maintenance staff shall not be counted for such purposes, although they may be used as substitutes in cases of emergency.

(i) Staff members under 16 years of age working in the center shall not be counted for purposes of computing the staff/child ratio. Any individual under 18 years of age working at the center must be under direct supervision of a supervising caregiver or caregiver.

10:122C-4.6 Staff training and development

(a) Child care center directors shall promote and strongly encourage staff members to pursue educational training opportunities related to their positions and/or responsibilities in the center, including courses, college credit courses, lectures, Child Development Associate (CDA) training, seminars and institutes in fields that include, but are not limited to, child growth and development, curriculum planning, dynamics of group behavior, health care, life/safety practices, individual needs of young children and special needs of handicapped children.

SUBCHAPTER 5. PHYSICAL FACILITY REQUIREMENTS

10:122C-5.1 Local government physical facility requirements

(a) An applicant seeking a license to open and operate a child care center for the first time as such shall:

1. For newly constructed buildings, existing buildings whose construction code use group classification would change from that which it had been, or existing buildings that require major alteration or renovation, submit to the Bureau a copy of the building's certificate of occupancy issued by the municipality in which it is located, reflecting the center's compliance with the provisions of the State Uniform Construction Code (N.J.A.C. 5:23), hereinafter referred to as UCC, for use group classification I-2 for buildings accommodating children less than 2 1/2 years of age.

2. For existing buildings whose construction code use group classification is already I-2 and which has not had major alterations or renovations to make it suitable for use as a center, submit to the Bureau a copy of the building's certificate of occupancy issued by the municipality in which it is located at the time the building was originally constructed or approved for use in the I-2 use group classification, or a certificate of continued occupancy issued by the municipality in which it is located, reflecting the center's compliance with the municipality's construction code requirements that were in effect at the time it was originally constructed or converted to use group classification I-2; and

3. Submit to the Bureau a copy of the municipal or county health inspection approval for the building, based on an inspection conducted within the preceding 12 months. The local or county health official shall certify that the center meets the provisions of all local or county health codes and Chapter 12 of the State Sanitary Code (N.J.A.C. 8:24-1), and poses no health hazard to the children served.

(b) An applicant seeking renewal of a license to operate a child care center shall:

1. Submit to the Bureau a copy of the municipal or county health inspection approval for the building, as specified in N.J.A.C. 10:122C-5.1(a)3; and

2. If the municipality in which the center is located has enacted an ordinance governing the maintenance of buildings, including child care centers, submit to the Bureau a statement from the municipal enforcing agency, certifying that the center is in compliance with such ordinance.

(c) The child care center shall submit to the Bureau a copy of a new certificate of occupancy issued by the municipality in which it is located, reflecting the center's compliance with the provisions of the UCC whenever it takes any of the following actions:

1. Changing the building's use group classification to one other than the one prescribed on its original certificate of occupancy; or
2. Making a major alteration or renovation, as defined by the UCC, of the building or premises in which the center is located; or
3. Increasing the floor area or the number of stories to the building or premises in which the center is located.

10:122C-5.2 General life/safety requirements

(a) Exiting requirements:

1. Exits:

i. Exits shall be maintained in proper operating condition and the center shall insure that:

(1) There are two independent unobstructed exits from every floor of a building which allows exiting from the building (or room, if necessary) in two separate directions;

(2) The maximum travel distance to an outside exit door or exit stairway does not exceed 100 feet. (Buildings equipped with a fire suppression system may have a maximum travel distance of 200 feet); and

(3) An exit access shall not pass through a kitchen, boiler room, furnace room, toilet facility or storage room.

ii. Exits above or below the first floor:

(1) Exiting from a room(s) used by the children through a corridor shall be acceptable if the corridor leads to at least two stairways located in opposite directions from the room(s). The interior stairways shall be enclosed in fire separation assemblies of the fire resistance rating of the building's construction type.

2. Doors:

i. The exit access travel distance in a room shall not be greater than 50 feet. (Buildings equipped with a fire suppression system may have an exit access travel distance of 100 feet).

ii. Every room with an occupant load of more than 50 or which exceeds 2,000 square feet in area shall have at least two egress doorways leading from the room to an exit or corridor.

iii. Doors used for exits shall:

(1) Be unobstructed;

(2) Be unlocked from the inside of the building while children are at the center; and

(3) Swing outward when serving an occupant load of more than 50.

(4) Stair doors shall swing outward and have self-closing devices and not block the egress of people utilizing the floors above.

(5) Doors shall be operable by a single effort with a maximum push or pull of eight pounds of pressure.

iv. Bathroom and closet doors may be locked; however, locked doors shall be designed to permit opening from the inside and outside in case of emergency.

3. Stairways:

i. Stairways used for exits shall be unobstructed.

ii. Interior stairways:

(1) The maximum height of risers shall be seven inches and the minimum width of tread shall be 11 inches.

(2) Winding staircases shall not be counted for purposes of meeting the exit requirements of this chapter.

(3) A space below a stairway shall be enclosed with a one-hour fire-rated material.

iii. Exterior stairways:

(1) Exterior stairways conforming to the interior stairway

requirements, as noted in (a)3ii above, shall be acceptable as required exits in child care centers.

(2) Exterior stairways shall be constructed of noncombustible materials or of wood not less than two inches thick.

iv. Handrails and guardrails:

(1) Handrails shall be provided for all stairs that have three or more risers.

(2) All stairways shall have a handrail on at least one side. Stairways more than 44 inches wide shall have continuous handrails on both sides. Stairways more than 88 inches wide shall also have an intermediate handrail dividing the stairway.

(3) Handrails shall be 30 to 34 inches above the nosing of treads.

(4) Guardrails shall not be less than 42 inches in height measured vertically above the nosing of treads.

(5) Guardrails shall be provided with intermediate guards spaced six inches apart or with screening.

4. Special requirements for centers serving nonambulatory children:

i. The following special requirements shall be met by centers serving nonambulatory children:

(1) A sufficient number of doors, corridors, ramps or walkways and landings shall be provided and be wide enough to permit their being used by children utilizing wheelchairs, braces, walkers or any other prosthetic equipment or devices.

(2) Ramps shall have a grade not greater than the equivalent of one foot rise for every 12 feet of length. Handrails shall be provided on both sides of the ramps.

(b) Fire protection:

1. Child care centers shall not be located in the vicinity of high hazard areas (such as, welding shops, paper storage areas, gasoline storage areas, etc.).

2. Boiler or furnace rooms shall be separated from the child care areas by a minimum one-hour fire-rated material.

3. If a boiler or furnace rooms are in the basement, a furnace control switch shall be provided at the top of the stairs leading to the basement.

4. A fresh air supply directly from the outside shall be provided in all boiler or furnace rooms when rooms are completely enclosed.

5. A fire suppression system and a manual fire alarm system shall be installed and maintained in full operating condition in buildings:

i. Over one story in height; and/or

ii. Housing more than 100 children; and/or

iii. Not having an exit directly to the outside from each room.

6. Buildings not required to have a fire suppression system, as specified in (b)5 above, shall install and maintain in full operating condition:

i. An automatic fire alarm and detection system with the detection devices being smoke detectors; and

ii. A manual fire alarm system.

7. At least one 10 BC-rated fire extinguisher shall be located in the kitchen area and one shall be located directly outside or near the boiler or furnace room.

8. All floors shall be provided with at least one 2 1/2-gallon water pressurized fire extinguisher or its equivalent, for each 3,000 square feet of floor area.

9. All extinguishers shall be serviced at least once a year and recharged, if necessary.

10. Illuminated exit signs shall be provided at all doors used as exits in buildings having an occupant load of 50 or more, with directional signs being provided at locations where the exit may not be readily visible or understood. Any door, stairway or passageway that is not an exit, but may be mistaken for an exit, shall be identified with a sign that reads, "NOT AN EXIT".

11. Emergency lighting shall be installed and be provided with an independent power source.

12. Interior drapes, curtains, panelling, mattresses, etc., shall be made of fire retardant materials.

13. Storage areas containing highly flammable materials shall be segregated from areas used by the children with a minimum two-

hour fire-rated material.

14. Boiler or furnace rooms shall be free from highly flammable materials.

15. The center shall conduct fire drills at least once a month to familiarize all the staff members working at and all children being served at the center with the procedures for leaving the building in an emergency situation.

16. The center shall maintain a record of each fire drill. The record shall include:

i. The date and time of day of the drill;

ii. The number of children and staff members who participated; and

iii. The total amount of time necessary to evacuate the center.

17. All staff members shall be instructed in the use of fire extinguishers.

(c) Electricity:

1. The electrical wiring and equipment shall comply with the requirements of the Electrical Sub-Code of the UCC.

2. All fluorescent tubes and incandescent light bulbs shall have protective covers or shields.

3. All electrical outlets that are accessible to the children shall have protective covers.

(d) Maintenance and sanitation:

1. General: The indoor and outdoor facilities of the center shall be maintained in a safe and sanitary manner.

2. Indoor maintenance and sanitation requirements:

i. Basements, cellars and crawl spaces shall be free of moisture resulting from water leaks or seepage.

ii. Floors, walls, ceilings, and other surfaces shall be kept clean and in good repair. These areas shall be covered or treated, when necessary.

iii. Stairways shall be free of hazards such as toys, boxes, loose steps, uneven treads, torn carpeting, raised strips, or risers that are not uniform.

iv. Carpeting shall be secured to the floor to avoid tripping.

v. Garbage shall be removed from the interior of the building daily. The center shall utilize receptacles for food waste disposal that are made of durable materials that are nonabsorbent, leak proof and easily cleanable and provided with tight-fitting covers. Food waste receptacles shall be lined and cleaned as often as necessary to prevent a nuisance.

vi. The center shall take necessary action to protect the facility from rodent, insect and related infestations. Extermination services and the application of pesticides shall be in accordance with the New Jersey Environmental Protection Pesticide Control Regulations (N.J.A.C. 7:30-1 through 10).

vii. Toilets, wash basins, kitchen sinks, and other plumbing shall be maintained in good operating and sanitary condition at all times and shall be kept free of materials that might clog or impair their operation.

viii. All corrosive agents, insecticides, bleaches, detergents, polishes, any products under pressure in an aerosol spray can and any other toxic substance shall be stored in a locked cabinet or in an enclosure located in an area not accessible to the children.

3. Outdoor maintenance and sanitation requirements:

i. The building, land and the outdoor play area shall be maintained in good repair and be free from any hazards to the health, safety or welfare of the children.

ii. The land, including the outdoor play area, shall be properly graded and provided with drains to dispose of surface water.

iii. The building structure shall be maintained to prevent water from entering, excessive drafts, or heat loss during inclement weather, and to provide protection against infestation from rodents, insects, etc.

iv. Railings of balconies, landings, porches, or steps shall be maintained in good repair and capable of supporting the weight of any person leaning against them.

v. The center shall utilize garbage receptacles to accommodate its waste disposal needs. The receptacles shall be made of durable,

leakproof and nonabsorbent materials. The receptacles shall be provided with covers and be maintained in sanitary condition.

vi. The area in which the garbage receptacle(s) are located shall be maintained in a sanitary manner.

(e) Glass surfaces:

1. All glass surfaces that are not made of safety glass and that are located within 48 inches above the floor shall have protective guards.

(f) Lighting:

1. Natural or artificial light shall be provided in all child care areas. There shall be at least 20 foot candles of light (artificial or natural) in these areas. This illumination shall be measured three feet above the floor at the furthest point from the light source.

2. Parking areas, pedestrian walkways, or other exterior portions of the premises subject to use by occupants at night shall be illuminated.

(g) Plumbing:

1. All plumbing shall comply with the requirements of the Plumbing Sub-Code of the UCC.

2. The temperature level of the water from all water taps accessible to the children shall not exceed 125°F.

(h) Heating:

1. A minimum temperature of 68°F shall be maintained in all rooms used by the children.

2. Steam and hot water pipes and radiators shall be protected by screens, guards, insulation or any other suitable protective device.

(i) Ventilation:

1. Natural or mechanical ventilation shall be provided in all rooms used by children.

2. All mechanical ventilation systems shall exhaust directly to the outside.

3. Rooms not having windows with an openable area of at least four percent of the floor space shall be equipped with a ventilating or air conditioning system with a capacity equal to that required for natural ventilation.

4. Corridors shall be provided with natural or mechanical ventilation equivalent to two percent of the floor area.

5. Crawl spaces and attic spaces shall be provided with a cross ventilation system.

6. All openable windows and doors used for natural ventilation shall be provided with insect screening in good condition.

7. All floor or window fans that are accessible to the children shall have a grill, screen, mesh or other protective covering that prevents a child from tampering with the blades of the fan.

8. Kitchens provided with a stove with more than four burners shall be vented with a mechanical system having a capacity of at least three cubic feet per minute per square foot of floor area but not less than 150 cubic feet per minute.

9. Toilet facilities with a mechanical ventilation system shall have a minimum capacity of 50 cubic feet per minute when only one toilet is provided, or 40 cubic feet per minute per toilet when more than one toilet is provided.

10. There shall be at least one inch of space between the floor and the bottom of the toilet facility door.

(j) Toilet facilities:

1. General requirements:

i. In centers serving 15 or fewer children, there shall be a minimum of one toilet and one sink.

ii. In centers serving more than 15 children, there shall be a minimum of two toilets and two sinks.

iii. A supply of hot and cold running water shall be provided.

iv. A supply of soap, toilet paper, and individual hand towels or disposable paper towels shall be provided.

v. Mirrors, dispensers, and other equipment shall be fastened securely.

vi. Platforms shall be available for use by the children when adult size toilets and sinks are used.

2. Location of toilet facilities:

i. Toilet facilities shall be easily accessible to the children.

ii. There shall be a minimum of one toilet and one sink located on the same floor as the playroom(s).

iii. Any toilet facilities in addition to those stated in (ii) above shall be located on the same floor as the playroom(s) or within one floor above or below the floor level used by the children.

3. Additional toilet facility requirements:

i. Special needs programs:

(1) The width and height of toilets and sinks shall be appropriate to meet the needs of the children served.

(2) Grab bars shall be provided in toilet facility areas, as necessary and appropriate.

ii. Night care programs: A bathtub (portable tubs are acceptable) shall be provided for bathing the children before bedtime. Under no circumstances shall a child be bathed in a sink utilized for cleaning dishes and utensils.

(k) Kitchen facilities:

1. Centers utilizing kitchen and food preparation areas, as specified in N.J.A.C. 10:122C-6.3, shall meet the following requirements:

i. The cooking and kitchen facilities and equipment shall be kept clean and sanitary and be in compliance with the provisions of Chapter 12 of the State Sanitary Code (N.J.A.C. 8:24).

ii. The kitchen and food preparation area shall be separated from other areas by a door, gate, screen or other barrier. The kitchen shall not be used by the children.

(l) Lead paint:

1. Lead paint shall not be used on and shall be removed by the sponsor from any interior or exterior surfaces of a building used as a center, or on any furniture, toys, or other equipment used therein, in accordance with the State Lead Paint Law (N.J.S.A. 24:14A-1 et seq.) and the provisions of Chapter 13 of the State Sanitary Code (N.J.A.C. 8:51-7.1 through 7.5).

2. When lead paint is found in areas of a center not specified under N.J.A.C. 8:51-7.1 through 7.5, the Bureau shall determine whether the lead paint is hazardous to the health, safety and well-being of the children served and, if considered to be hazardous, the sponsor shall remove the lead paint hazard.

(m) Asbestos:

1. Coatings containing asbestos shall not be sprayed-on any interior or exterior surfaces of a building used as a center, or on any equipment used therein, in accordance with regulations of the State Department of Environmental Protection, as specified in N.J.A.C. 7:27-17.2.

2. If sprayed-on asbestos-containing materials appear to be present in a center, the New Jersey Department of Health shall be notified by the Bureau. The material shall be tested, through laboratory analysis, to determine its contents. When test results reveal the presence of sprayed-on asbestos-containing materials, and the Health Department determines that action must take place to minimize the exposure potential, the sponsor shall follow the recommendation of the Department of Health for enclosure, removal or other action, in a manner consistent with all Federal, State and local regulations and guidelines concerning asbestos removal.

(n) Swimming pools:

1. Any swimming pool used by the children shall comply with the requirements pertaining to swimming pools, as specified in the New Jersey Youth Camp Safety Act Standards (N.J.A.C. 8:25-5.1 through 5.4 and N.J.A.C. 8:25-6.9).

(o) Emergency plan, first aid and equipment:

1. Emergency plan: A written plan specifying the procedures and manner in which emergencies, evacuations and injuries are handled shall be posted in a location of prominence within the center. All staff members shall review the plan periodically. The plan shall contain at least the following:

i. The location of the first aid kit and any additional first aid supplies;

ii. The name, address and telephone number of the physician retained by the center or health facility used in emergency

- situations;
- iii. The procedure for obtaining emergency transportation;
- iv. The hospital and/or clinic to which injured or ill children will be taken;
- v. The telephone numbers of the local police, fire department and ambulance service;
- vi. Location of written authorization from parent(s) for emergency medical care for each child; and
- vii. A description of how the center is to be evaluated in case of emergency.

2. First aid: A staff member who has current certified basic knowledge of first aid principles and Cardiopulmonary Resuscitation with an infant component as defined by a recognized health organization (such as the American Red Cross) should be in the center during periods of operation.

3. Equipment: First aid equipment shall be located in a convenient, accessible location in the center and shall include:

- i. A standard first aid kit containing the items listed in subchapter 10:122C-7.7(a)2v(8);
- ii. The Red Cross First Aid Manual or its equivalent.

(p) Supplemental requirement:

1. In addition to all of the above requirements, the Bureau shall also require the center to take whatever steps are necessary to correct any conditions in the facility that may endanger in any way the health, safety and well-being of the children served.

SUBCHAPTER 6. PROGRAM REQUIREMENTS

10:122C-6.1 Health

(a) Health certificate:

1. Day care, night care and special needs programs:

i. The center shall have on file for each child a health examination certificate from a physician certifying that the child's health is satisfactory and that the child may attend the center. Proof of such examination shall be on file at the center within 15 days of the child's admission. A health examination shall be performed annually thereafter and a record of such an examination shall be kept on file at the center.

ii. The health examination certificate shall include:

- (1) The child's medical history;
- (2) Information on any condition or handicap affecting the general health of the child and any recommendations for needed medical treatment or special requirements as to diet, rest, avoidance of certain activities and other care; and
- (3) Information regarding immunizations, in accordance with the provisions of Chapter 14 of the State Sanitary Code (N.J.A.C. 8:57-4.1 through 4.16). Children younger than 12 months of age should follow the immunization guidelines in accordance with the American Academy of Pediatrics.

2. Drop-in programs:

- i. The center shall either:
 - (1) Comply with the requirements as specified in (a)1 above; or
 - (2) Obtain a statement from the child's parent(s) indicating that the child's immunizations are up-to-date and that the child's health is satisfactory, describing any particular condition, handicap or allergy affecting the general health of the child and indicating any special requirements for the child and attesting that the child is free from communicable disease.

3. Any child whose parent(s) object to a physical examination, immunization or medical treatment for their child(ren) on grounds that it conflicts with the tenets and practice of a recognized religion of which the parent(s) or child(ren) are an adherent or member shall be exempt from complying with such requirements, provided that the parent(s) sign a statement requesting such an exemption and submit it to the center. The statement shall also indicate that the child(ren) is in good health and free from communicable disease.

(b) Communicable disease control:

1. The center shall report and make every effort to control any outbreak of a communicable disease in accordance with the

provisions of Chapter 2 of the State Sanitary Code (N.J.A.C. 8:57-1.1 et seq.).

2. A child who is ill at the center shall be isolated from other children in a separate area of the center, as specified in N.J.A.C. 10:122C-6.5(f), where he or she shall be cared for until arrangements are made for the child's return to a parent or other authorized person.

3. Staff members and/or children with a disease in a communicable state shall not be permitted at the center.

(c) Staff members shall visually inspect each child upon his or her arrival at the center, every day, in an effort to determine the child's general health condition.

(d) When accidents or illnesses occur to a child, the center shall take the necessary emergency action and notify the parent(s) immediately.

(e) If any child demonstrates unusual behavior or shows signs of possible illness while attending the center, a staff member shall report this information to the parent at the time of the child's departure from the center.

(f) Any child who has been absent for more than five days because of illness or injury shall be readmitted only with a certificate from a physician.

(g) Pets kept by the center shall be domesticated and free from disease. Pets shall be inoculated as prescribed by law or as recommended by a veterinarian.

(h) Medication (prescription and non-prescription);

1. Medication shall be administered to a child at the center only upon written approval from the child's parent(s).

2. The director of the center shall authorize and designate those staff members at the center who may administer medication to those children whose parent(s) have authorized it.

3. All medication shall be kept in a secured area that is inaccessible to the children.

4. Unused medicine shall be discarded or returned to the parent(s) when no longer being administered.

5. The center shall insure that the staff member(s) responsible for administering medication are informed of the medication needs of each child at the center.

6. The center shall keep a record of each time and by whom medication was administered to a child.

7. In addition to 1 through 6 above, any prescription medication for a child shall be:

- i. Prescribed by the child's physician;
- ii. Stored in its original container according to the directions on the container; and
- iii. Labeled with the child's name, the name of the medication, date prescribed and directions for its administration.

10:122C-6.2 Hygiene

(a) Clothing:

- 1. A child's clothing shall be changed when wet or soiled.
- 2. The center shall insure that a change of clothing is provided for each child, as needed.

(b) Diapering:

1. The center shall insure that the diapers of children are changed when wet or soiled.

2. A staff member shall wash and dry each child during each diaper change with an individual sanitary wash cloth or paper towel.

3. Areas used for changing children's diapers shall be cleaned after each child has been changed by:

- i. Sanitizing the area with a disinfectant solution; or
- ii. Using a clean paper or cloth covering for the area and discarding or laundering the covering after each use.

4. A supply of clean diapers shall always be available.

5. A toilet shall be available for rinsing soiled diapers.

6. Used diapers shall be placed in a closed container that is lined. Such diapers shall be removed daily.

7. Staff members changing children's diapers shall wash their hands with soap and water after each diaper change.

(c) Toilet training:

1. The center shall inform parents of the center's policy for toilet training children. The center and parent shall consult together to develop a mutual plan regarding the individual toilet training of each child.

2. The center shall not force toilet training on any child.

3. The center shall provide child-size (potty) toilet training chairs or children's toilet seats for children being toilet trained.

4. Toilet training chairs shall be emptied after each use and sanitized.

5. Toilet training chairs shall be located in rooms/areas separate from those used for cooking and eating.

(d) Additional requirements:

1. Toys that have been in a child's mouth or thrown on the floor shall be washed before being used again by a child.

2. Floors and carpets used by children for crawling shall be maintained in a clean and sanitary condition at all times.

10:122C-6.3 Food and nutrition

(a) Food requirements:

1. The center shall provide food for consumption by the children by:

i. Cooking on-site; or

ii. Catering; or

iii. A parent providing the food from home; or

iv. Any combination of the above.

2. Food provided for meals and snacks shall be selected, stored, prepared and served in a sanitary manner, as specified in N.J.A.C. 10:122C-5.2(k).

3. If food for a child is brought from home, the center shall provide suitable storage facilities.

4. All food served to a child shall be appropriate to the child's developmental eating ability. Consideration shall be given to consistency, texture, fluidity and solidity of the food.

5. The center shall prepare and post a weekly menu of food to be served to the children.

6. Drinking water shall be available to the children. Any private well water supply shall be approved by the appropriate health authority before it is used.

7. Snacks that have a high sugar content, such as candy and soda, should be avoided, as well as juice drinks that are distinguished from juice that is full strength.

(b) Feeding requirements:

1. The center shall consult with each child's parent(s) and develop a mutual plan regarding the feeding schedule, specific formula, nutritional needs and introduction of new food for each child.

2. Individualized diets and feeding schedules that are submitted to the center by the child's parent(s) or physician shall be posted and followed.

3. Bottles, nipples and other feeding equipment shall be properly sanitized before use.

4. Each child's bottle shall be individually identified with the child's name after it is filled.

5. The center staff members shall not force-feed or otherwise coerce a child to eat against his or her will, except by order of a physician.

6. A child too young to use a feeding chair shall be held when fed.

7. When a child is feeding, the feeding bottle shall not be propped at any time.

8. A staff member shall report any feeding problems experienced by a child to his or her parent(s) upon the child's daily departure from the center.

9. For those children that are developmentally ready to eat regular meals and snacks, the center shall:

i. Provide for or make provision for breakfast, lunch and/or dinner for all children who are present at the center during normal mealtime hours. Normal mealtime hours include: breakfast (7:00 to 9:00 A.M.); lunch (11:00 A.M. to 1:00 P.M.); and dinner (5:00 to 7:00 P.M.);

ii. Insure that children under care for three to five consecutive hours receive a nutritious snack;

iii. Insure that children under care for five to eight consecutive hours receive at least one nutritious meal and at least one nutritious snack; and

iv. In addition to ii and iii above, provide or make provision for a nutritious snack for all children throughout the day or evening who have not eaten and appear to be hungry, except during the normal mealtime hours, as specified in i above.

(c) Mealtime requirements:

1. The meal shall provide an amount and variety of nutritious food to satisfy the child; children shall be served small sized portions and be permitted to have additional serving(s) as needed.

2. Content of meals:

i. Breakfast shall consist of:

(1) Milk as a beverage and/or on cereal;

(2) A serving of fruit or vegetable or full-strength fruit or vegetable juice; and

(3) A serving of enriched or whole grain bread, a bread product or cereal.

ii. Lunch and/or dinner shall consist of:

(1) Milk as a beverage;

(2) Meat, poultry, fish or a protein alternative;

(3) Fruits and vegetables; and

(4) Bread or bread product.

3. The center shall make available, as necessary, an alternate choice of food for each meal served in order to accommodate the needs of:

i. Children on special diets (e.g. due to health reasons, religious belief or parental request); and/or

ii. Children who might find the meal offered to be unappetizing that day.

4. Furniture appropriate to the maturity of the child shall be provided at mealtime, including:

i. Feeding chairs that have a wide sturdy base and safety straps; and

ii. Low chairs and tables that insure a comfortable seating arrangement for each child.

10:122C-6.4 Rest and sleep

(a) All programs caring for children under the age of 15 months:

1. The center shall provide an opportunity for daily rest and sleep periods for each child according to the child's individual physical needs.

2. The center shall provide each child with a crib/playpen for use during rest and sleep.

3. Each crib/playpen shall be equipped with:

i. A waterproof mattress; and

ii. A clean sheet and blanket.

4. The tops of the crib/playpen rail shall be at least 19 inches above the mattress.

(b) Day care, drop-in and special needs programs caring for children over the age of 15 months:

1. The center shall provide an opportunity for a rest and/or sleep period for each child in attendance for more than three consecutive hours or according to the child's individual physical needs.

2. The center shall provide each child with a crib/playpen, cot or mat for use during rest and sleep.

3. A center providing a crib/playpen for rest and sleep shall comply with the requirements, as specified in (a) 3 and 4 above.

4. A center providing a cot for rest and sleep shall comply with the requirements, as specified (a) 3 ii above.

5. A center providing a mat for rest and sleep shall insure that the mat is:

i. Waterproof;

ii. At least one inch thick; and

iii. Stored so that there is no contact with the sleeping surface of another mat.

6. A center providing a mat for rest and sleep shall insure that the floor or surface on which the mat is placed is warm, dry, clean and draft free.

(c) Night care programs caring for children over the age of 15 months:

1. The center shall insure that each child is placed in a crib/playpen, bed or cot during the normal night time sleeping hours.

2. The center shall provide each child with a crib/playpen or cot for use during rest and sleep.

3. A center providing a crib/playpen for rest and sleep shall comply with the requirements, as specified in (a) 3 and 4 above.

4. A center providing a cot for rest and sleep shall comply with the requirements, as specified in (a) 3 ii above. In addition, a cot shall be provided with a minimum one inch, waterproof rest mat secured with a fitted sheet.

5. The center shall provide or arrange for the provision and storage of comfortable sleeping garments and personal belongings for each child.

(d) Other requirements:

1. Sheets and blankets used with sleeping equipment shall:

i. Be replaced as frequently as needed when wet, soiled or damaged;

ii. Be stored separately; and

iii. Be laundered at least once a week.

2. Each crib/playpen, cot or mat shall be maintained in a clean and sanitary condition at all times.

3. During rest and sleep periods, no more than one child shall occupy a crib/playpen, cot or mat.

4. A child shall be permitted to rest or sleep on the same crib/playpen, cot or mat that another child has occupied only after the sheet and blanket have been changed.

5. Cribs/playpens, cots or mats shall be placed at least one foot apart and shall be arranged so as to provide direct access to a three-foot-wide aisle that leads to an unobstructed exist(s).

6. The center shall comply with any special conditions for rest and sleep that have been provided in writing from a child's parent(s) or physician.

7. The staff members responsible for supervising the children during rest and sleep periods shall be awake at all times and have visual contact with the children.

8. To insure visual contact with the children during rest or sleep periods, natural or artificial light shall be provided in the room or area.

9. The center shall insure that no child is deprived of needed sleep or has it unnecessarily interrupted. The center shall arrange the scheduled hours for admitting children and for picking them up so that sleeping children are not disturbed by the arrival or the pick-up of other children.

10:122C-6.5 Enrollment and space

(a) At no time shall a center allow more children in attendance than the number specified on its license.

(b) A center may enroll up to 10 percent more children per session than the maximum number of children permitted to be served, as specified on its license.

(c) A center may enroll from 11 percent up to 15 percent more children per session than the maximum number of children permitted to be served, as specified on its license, provided that it documents in writing to the satisfaction of the Bureau that its rate of absenteeism is such that an overenrollment would not result in more children attending the center on a given day than is permitted by its maximum number, as specified on its license.

(d) The center shall provide sufficient space to allow for the implementation of the center's program. The center shall include:

1. Play rooms/sleep rooms and/or areas to accommodate the various play activities and sleeping needs of the children served;

2. An isolation room/area to accommodate children too ill to remain in the group;

3. Space for the children's physical activities;

4. Bathroom facilities to accommodate the needs of the children served; and

5. A kitchen and/or food preparation area, if the center is preparing and/or serving food.

(e) Space requirements for play rooms/sleep rooms:

1. The minimum net square footage shall be determined by excluding the space used in hallways, bathrooms, lockers, offices, storage rooms, the isolation area, staff rooms, furnace rooms, kitchen areas and any other areas that children do not use for sleep or play.

2. The center shall provide a minimum of 30 square feet of net indoor floor space for each child in play rooms/sleep rooms.

(f) Space requirements for isolation room/area:

1. There shall be a small isolation room in a separate section of the center or a small isolation area in a section of a room in the center where ill children shall be cared for until they can be taken home or suitably cared for elsewhere.

2. The isolation room/area shall be furnished with sleeping equipment and clean bedding.

3. All items used by the ill child, including sleeping equipment, bedding, utensils and toys, shall be cleaned and sanitized prior to being used by another child.

(g) Space requirements for physical activities for children over the age of 10 months:

1. For children in attendance for three or more consecutive hours, the center shall provide a minimum of 150 square feet of net outdoor space. When more than five children are using such space at one time, there shall be 30 square feet of net outdoor space for each additional child.

2. The outdoor area shall be adjacent to or within close proximity of the center and available for use by the children.

3. Outdoor areas located near or adjacent to hazardous areas determined by the Bureau to be unsafe (such as, but not limited to, streets, roads, driveways, parking lots, railroad tracks, swimming pools, rivers, streams, steep grades, cliffs, open pits, high voltage boosters or propane gas tanks) shall be fenced or otherwise protected by a natural or man made barrier or enclosure.

4. If a center can demonstrate to the satisfaction of the Bureau that it cannot meet the outdoor space requirement, the center shall provide, in addition to space for playrooms, a minimum of 150 square feet of net indoor space. When more than five children are using such space at one time, there shall be 30 square feet of net indoor space for each additional child. The indoor space may be either on the site of the center or at another nearby indoor facility, such as a gymnasium, exercise room or other recreational facility.

(h) Space requirements for bathroom facilities: See N.J.A.C. 10:122C-5.2 (j) for the space requirements for bathroom facilities.

(i) Space requirements for kitchen facilities: See N.J.A.C. 10:122C-5.2 (k) for the space requirements for kitchen facilities.

(j) Smoking shall be prohibited in all rooms occupied by children.

10:122C-6.6 Activities

(a) Staff members shall interact with children who are awake and being cared for in cribs/playpens.

(b) To insure direct contact with the children, staff members shall hold, rock, cuddle, play with or talk to the children while they are being cared for at the center.

(c) Staff members shall provide all children, when developmentally able, an opportunity to leave his/her crib/playpen to crawl, toddle, walk and play.

(d) The center shall provide a variety of planned daily activities and equipment and supplies so that each child attending the center will have stimulation and learning experiences. Such daily activities shall promote the development of skills, social competence, self-esteem and positive self-identity.

(e) Children at the center for more than three hours should be taken outdoors when the weather permits.

(f) When groups of children are taken for outdoor walking trips, the staff members shall insure that all safety precautions are followed for the protection of the children.

(g) The center shall develop and keep on file a written plan of daily activities.

(h) Day care and drop-in programs:

1. The center shall include a minimum of three daily activities from the following:

- i. Sensory stimulation activities: Suggested equipment/materials include crib mobiles/chimes, teether toys and baby mirrors;
- ii. Pre-reading activities: Suggested equipment/materials include picture books;
- iii. Manipulative activities: Suggested equipment/materials include rattles, squeeze and grip toys, boxes, sorting and stacking toys, three-and four-piece wooden inlay puzzles, puzzle blocks, simple threading toys and mobile pull toys;
- iv. Building activities: Suggested equipment/materials include soft lightweight blocks, cars, trains, boats and figures of animals and people;
- v. Dramatic play: Suggested equipment/materials include soft washable dolls, stuffed animals, hand puppets and play telephones;
- vi. Large muscle activities: Suggested equipment/materials include low climbers, slides, riding/rocking toys, medium size balls made of fabric, foam or soft plastic; and
- vii. Musical activities: Suggested equipment/materials include piano, record player, records and toys equipped with musical tones.

(i) Night care programs:

1. The center shall insure that the activity level for children in evening or night care is reduced in preparation for sleep and a selection of toys or other materials for quiet activities is provided.

2. Children shall be washed or bathed as necessary and changed into comfortable sleeping garments. Children shall be attended when washing or bathing.

(j) Additional requirements:

1. Centers serving identified handicapped children shall provide a program and activities for each child according to his/her identified strengths and needs. The program shall provide opportunities and utilize equipment and supplies in a setting that meets the diagnostic needs of each child.

2. The activities in drop-in programs shall be planned in such a way that the continued arriving and departing of children are not disruptive to the over-all program.

10:122C-6.7 Program equipment

(a) Play equipment, materials and furniture for indoor and outdoor use shall be of sturdy and safe construction, non-toxic, easy to clean and free of hazards that may be injurious to young children.

(b) Play equipment, materials and child-size furniture shall be provided in such quantity so as to meet the needs of each child.

(c) Toys or toys with removable parts which are small enough to swallow, plastic bags and styrofoam objects shall be inaccessible to the children.

10:122C-6.8 Discipline

(a) The methods of guidance and discipline used shall be positive, consistent with the developmental needs of the children and applied with the full knowledge, understanding and approval of the parent(s).

(b) There shall be no use of hitting, corporal punishment, restraints, abusive language, ridicule, or harsh, humiliating or frightening treatment.

(c) Discipline shall not be associated with the behavior of children in regard to rest, sleep, toilet training, bed wetting or food.

(d) Children shall not be isolated without supervision.

(e) Discipline shall not be associated with the withholding of emotional response or stimulation and shall not require the child to remain silent, stand or sit for a long period of time.

10:122C-6.9 Parent participation

(a) At the time of enrollment and thereafter as the need arises or at the request of the parent(s), the director or staff member shall discuss with the parent(s) the child's habits, activities and schedules while at home and at the center and any special concerns about the child's behavior and development.

SUBCHAPTER 7. TRANSPORTATION REQUIREMENTS

10:122C-7.1 General

(a) Any child care center providing or arranging for the provision of transportation for children to or from their homes and a center and/or in connection with an activity conducted by or through the auspices of a center shall meet the transportation requirements of this subchapter.

(b) In cases where the center arranges for the provision of transportation through a person or agency other than the sponsor, the center sponsor shall provide to the Bureau the name(s) and address(es) of the transportation providers.

(c) Any person or agency other than the child care center providing transportation for compensation for children to or from their homes and a center and/or in connection with any activity conducted by or through the auspices of a center shall also meet the transportation requirements of this subchapter.

(d) The center sponsor may authorize center staff members and/or parents who have a New Jersey automobile driver's license to transport children to and from related center activities (such as, visits to the zoo, museum or other field trips) or to transport children to a doctor's office for medical treatment in a private passenger vehicle with a capacity of eight or fewer persons. A person providing such transportation shall not be required to have a New Jersey school bus driver's license and the vehicle used for such transportation shall not be required to meet the registration, equipment, inspection and maintenance requirements for a school bus.

10:122C-7.2 Driver requirements

(a) The driver of a vehicle used for the purpose noted above shall comply with the school bus driver's license requirements of the State motor vehicle law(s) and/or regulations.

(b) The driver shall not transport more persons, including children and adults, than the capacity of the vehicle.

10:122C-7.3 Safety practices

(a) Children shall never be left unattended in a vehicle.

(b) Children shall be loaded and unloaded from the curbside of the vehicle.

(c) The interior of each vehicle shall be maintained in a clean, safe condition, with clear passage to operable doors.

(d) All persons in the vehicle shall be secured in seats with safety belts in all vehicles required by law to be equipped with safety belts.

(e) All children in the vehicle shall be secured in car seats (child restraint system) approved by the National Highway Traffic and Safety Administration.

(f) When transporting more than three children and fewer than 13 children, there shall be one adult in addition to the driver in the vehicle at all times.

(g) When transporting 13 or more children, there shall be two adults in addition to the driver in the vehicle at all times.

(h) The driver or other adult shall ensure that each child is received by a responsible person.

(i) There shall be no standees in any vehicle transporting children.

10:122C-7.4 Transportation records

(a) Each center shall keep in a file a list of children transported, the name of each driver, a photostatic copy of his/her current bus driver's license and the year, make and model of each vehicle used.

(b) These records shall be available upon request to any authorized representatives of the Department.

10:122C-7.5 Insurance

(a) Each center or person providing transportation services shall maintain liability insurance for bodily injury or death in minimum amounts of \$300,000 per person and \$500,000 per accident.

(b) In the event that the transportation services are provided by a private individual or firm under contract or other arrangement with

the center or parents, the center must maintain a file copy of that individual's or firm's insurance coverage in the amounts specified above and make a copy of such coverage available to the Bureau upon request.

10:122C-7.6 Special regulations

(a) The following additional regulations shall be required for centers serving handicapped, non-ambulatory children:

1. A ramp device shall be provided on the curb side of the vehicle to permit entry and exit of a child from the vehicle. A hydraulic lift may be utilized.
2. Wheelchairs shall be securely fastened to the floor.
3. The arrangements of the wheelchairs shall not impede access to the exit door or emergency door.

10:122C-7.7 Vehicle requirements

(a) The following vehicle requirements shall apply to any center where transportation services are provided for the children, to those activities specified in N.J.A.C. 10:122C-7.1 (a) through (c), whether provided directly or indirectly by or through the auspices of a center or its sponsor or otherwise with the knowledge and/or concurrence of a center or its sponsor.

1. Vehicle definitions:

- i. Type I vehicles are vehicles with a capacity of 17 to 58 passengers.
- ii. Type II vehicles are vehicles with a capacity of fewer than 17 passengers.

2. Vehicle specifications:

i. The center shall conduct a daily check of the vehicle, which shall include all safety equipment, in order to insure that the vehicle is in sound operating condition.

ii. Vehicles manufactured after April 1, 1977:

(1) All Type I vehicles shall comply with the specifications for Type I vehicles prescribed by the New Jersey Department of Education and with the Federal Motor Vehicles and School Bus Safety Amendments of 1974.

(2) All Type II vehicles with a capacity of more than six but fewer than 10 passengers shall comply with the specifications for Type II vehicles prescribed below in this section.

(3) All Type II vehicles with a capacity of 10 or more passengers shall comply with requirements of the Federal Motor Vehicle and School Bus Safety Amendments of 1974.

iii. Vehicles manufactured before April 1, 1977:

(1) All Type I vehicles shall comply with the specifications for Type I vehicles prescribed by the New Jersey Department of Education in existence at the time the vehicle was manufactured.

(2) All Type II vehicles with a capacity of more than six passengers shall comply with the specifications for Type II vehicles contained in the Standards for Approval of Child Care Centers in force at the time the vehicle was manufactured.

iv. Type II vehicles used for purposes noted in N.J.A.C. 10:122C-7.1 may be utilized so long as they remain in safe, sanitary and proper operating condition. The Department of Human Services shall determine, on the basis of individual vehicle inspections and the advice of the New Jersey Division of Motor Vehicles, whether and when such vehicles shall be retired, with the decision being based on the condition of the vehicle.

v. Requirements for Type II vehicles manufactured after April 1, 1977: All vehicles with a capacity of more than six but fewer than 10 passengers shall comply with the following requirements:

- (1) The maximum capacity of a vehicle shall not exceed the number of safety belts installed.
- (2) The minimum seat width allowance shall be 12 inches per child.
- (3) Seats and back rests shall be securely fastened and shall face forward.
- (4) Exit from any seat in the vehicle must have a minimum unobstructed clearance of 10 inches. Seating that requires the folding of any seat ahead in order to exit may not be utilized for

the children. Seats that are not facing forward or that require the folding of any seat ahead in order to exit shall be removed or bolted down. Seats shall be upholstered with spring or foam rubber. Any metal bars except the entrance hand rails that appear in the vehicles shall be padded to prevent child impact.

(5) There shall be an operable heater capable of maintaining a temperature of 50 fahrenheit.

(6) There shall be three triangular portable red reflector warning devices located and secured at the front and to the right of the driver.

(7) There shall be a fire extinguisher, fully charged, with minimum underwriters' rating of B-2, C-2 or 1/2 BC, located at the front and to the right of the driver and securely mounted so that it does not constitute an obstruction or hazard to the passengers in the vehicle.

(8) There shall be a clearly marked first-aid kit in the drivers immediate area that is securely mounted and containing the following items as a minimum:

(A) Six - single units sterile pads 3x3 inches;

(B) Two - 1 inch x 10 yds. bandages;

(C) Twelve - plastic strip bandages;

(D) One - triangular bandage;

(E) One - 1 inch x 2 1/2 yds. adhesive;

(F) One - scissors; and

(G) One - First Aid guide booklet approved by the American Red Cross or local or State health department.

(9) Snow tires or chains shall be used as required by the State Division of Motor Vehicles.

(10) All stanchions and guardrails in van-type vehicles and buses shall be padded to minimize injury producing impact forces.

LAW AND PUBLIC SAFETY

(a)

DIVISION OF ALCOHOLIC BEVERAGE CONTROL

Bureau of Amusement Games Control Issuance of Licenses; Conduct of Licensees; Submission of Reports; Certification of Games

Proposed Amendments: N.J.A.C. 13:3-1.2, 1.11, 1.14, 1.16, 1.17, 2.2, 3.4, 3.5, 3.6, 3.8, 3.9, 3.10, 3.15, 4.3, 7.1, 7.2 and 7.9

Authorized By: John F. Vassallo, Jr., Director, Division of Alcoholic Beverage Control and Amusement Games Control Commissioner.

Authority: N.J.S.A. 5:8-79, 5:8-79.1, 5:8-85, 5:8-101, 5:8-102, 5:8-103, 5:8-105, 5:8-107, and 5:8-125.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

John F. Vassallo, Jr.
 Amusement Games Control Commissioner
 Division of Alcoholic Beverage
 Control
 Richard J. Hughes Justice Complex
 CN087
 Trenton, NJ 08625

The Amusement Games Control Commissioner thereafter may adopt this proposal without further notice (see: N.J.A.C. 13:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-223.

The agency proposal follows:

Summary

The basic regulatory provisions of the Bureau of Amusement Games Control have remained virtually unchanged since initial adoption on April 11, 1966. The majority of the proposed amendments involve basic modifications in language to make the regulations easier to understand and more workable. This is the case in the revisions to N.J.A.C. 13:3-1.14, 1.16, 1.17 and 3.15.

The amendments to N.J.A.C. 13:3-1.2, 3.5 and 7.1 allows a token or ticket, which is redeemable for a prize, to be given as part of a continued sequence of play. This has been the Bureau's policy and interpretation for years but was never clearly stated.

The amendments to N.J.A.C. 13:3-1.11 and 3.10 clarify and supplement the current provisions concerning fingerprinting of applicants for licenses and employees. The requirement for fingerprinting of an applicant will now become permissive and subject to the determination of the Commissioner or local licensing authority when required. The amendment will require the costs which the Federal and State Bureaus of Identification are now charging to be paid by the applicant or employee being fingerprinted. Only employees 18 years of age or older can be subject to a fingerprinting request.

The amendment to N.J.A.C. 13:3-2.2 will delete the specific dollar references for annual State license fees and will reference the governing statutes (N.J.S.A. 5:8-102 or 5:8-125), which specifically set the fees.

The amendment to N.J.A.C. 13:3-3.4 to 3.6 conform the regulation to P.L. 1981, c. 219 (N.J.S.A. 5:8-107) and in furtherance of the public hearings required by that law and held by the Commissioner on June 1 and 4, 1982, change the maximum fee for participation in a game and the value of prizes. The Commissioner has determined that limits that were established in 1959 do not reflect current times and increases are necessary to retain the viability of this segment of the State's tourism industry and to provide the State's citizens and visitors with the entertainment opportunity and merchandise prizes more realistically aligned to the current economic and social climate.

The amendments to N.J.A.C. 13:3-3.8 delineate what can make a game deceptive, or what might be considered misleading practices, and require clear and conspicuous posting of rules for the conduct of the games.

The amendment to N.J.A.C. 13:3-3.9 gives some flexibility to the questionnaire requirements for employees. A list of all employees is now required. Location of lists and when entries must be made are set forth and are more realistic to operating conditions and procedures.

The amendment to N.J.A.C. 13:3-4.3 reduces the number of conduct reports to be filed by licensees from three per year to one per year.

The amendments to N.J.A.C. 13:3-7.9 add a new game certification, Certification No. 8, Miscellaneous Skill Games, for games requiring physical skill or ability and not otherwise covered in Certifications No. 1 through 7. The amendments also clarify which games are certified, and prescribe a fee to defray the Commissioner's expenses in issuing a certification.

It shall be noted that the proposed amendment to N.J.A.C. 13:3-7.9(a)1i and ii is included to conform to the intent of proposed amendments (S-3161 and A-3327) to N.J.S.A. 5:8-102, which are expected to pass with an immediate effective date. The statutory amendment will permit an unlimited number of machines or devices under one arcade license by establishing a per unit fee over 50 units. If the legislation does not become law, this subsection's amendment cannot be adopted.

Social Impact

Since the legalization of Amusement Games in 1959, this industry has been a major tourist attraction in our State. The proposed amendments should enhance, if not restore in certain areas, the beneficial effect this industry has exhibited for the New Jersey economy. The changes will allow the licensees a certain degree of flexibility in the operation of the games as to the amount of the player participation fee and the value of the prizes. This is also in keeping with the public referendum held in November, 1981 on P.L. 1981, c. 291 (N.J.S.A. 5:8-107), and the evidence produced at the hearings held on June 1 and 4, 1982, pursuant to that referendum and law. The changes will also aid the agents of the local municipalities and the State in that they will clarify several regulations which have been confusing. The effect on the public will be a more diverse, attractive and viable amusement games industry for the citizens of New Jersey and its visitors and tourists.

Economic Impact

The changes in the regulations which will have a significant impact on the State, industry and public are the changes to N.J.A.C. 13:3-3.4 to 3.6. The need to increase the fee amounts and prize values, initially established and in existence since 1959, was the impetus behind P.L. 1981, c. 291 (N.J.S.A. 5:8-107) and were thoroughly reviewed during public hearings held on June 1 and 4, 1982.

The amendment to N.J.A.C. 13:3-1.11 requiring costs of fingerprint searches to be paid by the applicant result in a slight additional expense to applicants for licenses.

The amendment to N.J.A.C. 13:3-7.2 requiring a fee of \$50.00 to be paid for a certification application will defray the expenses of the Commissioner and the Bureau of Amusement Games Control in issuing a certification.

The proposed changes will allow the licensees to have a flexibility in the prices they can charge and what prizes they can offer, a flexibility which they have needed for a long time. The public will benefit from the prize value increase in that a better quality of prize will be attainable. The increase in the price that can be charged will have some impact on the consumer, who will, however, continue to have the option to play the less expensive games which market viability will require. The State will benefit in that the increases should help revitalize an industry which has been declining for many years. Additionally, State revenue will increase with the increase in prize value since operators pay sales tax on the wholesale value of the prizes they acquire.

Full text of the proposal follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]).

13:3-1.2 License restrictions

(a) No license shall be issued to authorize the operation and conduct of any amusement game unless the game is:

- 1.-3. (No change.)
4. One which is so conducted that when and where all of the players are present there occurs in continuous sequence:
 - i. The sale of a right to participate;
 - ii. The event which determines whether a player wins or loses; and
 - iii. The award of [the prize.] **a merchandise prize or nontransferable tokens or tickets which may be accumulated and immediately redeemable for a merchandise prize.**

13:3-1.11 Fingerprinting

(a) Each individual applicant, the officers, directors and stockholders (including the officers, directors and stockholders of any corporation holding five percent or more of the capital stock) of any corporate applicant, as well as the partners or members, as the case may be, of any partnership, association, or organization applicant, **upon filing of an initial application or any employee of an applicant, [shall] may, if so required by the Commissioner or municipal governing body issuing a license, be fingerprinted under the supervision of the municipal chief of police.**

(b)-(c) (No change.)

(d) Any fees for fingerprinting or any other investigations shall be paid for by the applicant.

13:3-1.14 License certificate contents

(a) Each license certificate shall indicate:

1. The name of the licensee;
2. The address of the licensee **both in and off season, and the address of the licensed premises, if different from that of the licensee;**
3. The name [or] **and detailed description** of the kind of game licensed;
- 4.-6. (No change.)

13:3-1.16 Amendment to license; notice

(a) Any license may be amended, upon application to the municipal governing body, **a copy of which application must be submitted to the Commissioner, if the subject matter of the proposed amendment could lawfully and properly have been included in the original license and upon payment of such additional license fee, if any, as would have been payable, if it had been so included.**

(b) Notice of any such amendment shall be certified to the Commissioner by the municipal governing body [forthwith] **within 10 days.**

13:3-1.17 Devolution of license upon death, bankruptcy, receivership or incompetency of licensee

(a)-(b) (No change.)

(c) If the petition for extension is granted, the license certificate shall be appropriately endorsed by the municipal governing body, without fee, and a report of the extension shall be made to the Commissioner by the municipal governing body [forthwith] **within 10 days.**

13:3-2.2 License fees

(a) Application for a State license shall be made upon a form prescribed and furnished by the Commissioner, accompanied by the requisite fee in cash, money order or certified check drawn [on] **to the order of [State Commissioner of Amusement Games Control as follows:**

1. Games at an amusement park or seashore resort: \$150.00.
2. Games at an agricultural fair and exhibition:
 - i. Operated by the association itself:
 - (1) One to four games \$20.00;
 - (2) Each additional game \$5.00.
 - ii. Operated by a concessionaire not having paid the \$150.00 annual fee for each game \$5.00.
 - iii. Operated by a concessionaire who has paid the \$150.00 annual fee for each game:

(1) One to ten games	No fee
(2) Each additional game	\$5.00]

the New Jersey Amusement Games Control Commissioner in such amount as is prescribed by N.J.S.A. 5:8-102 for games at an amusement park or seashore resort, or by N.J.S.A. 5:8-125 for games at an agricultural fair and exhibition.

13:3-3.4 Maximum fee for participation in game

No licensee shall charge or accept, or allow, permit or suffer,

directly or indirectly, the charging or accepting of more than [\$0.25] **\$1.00** from any one player or participant in any one amusement game for each single **or multiple** entry fee or payment for the privilege of participating in the game, **except that the maximum charge for participation in any arcade game certified in Subchapter 7 (Certification of Permissible Games) under certification No. 2 shall not exceed \$0.50 for any one game or play.**

13:3-3.5 Types of prizes permitted; value of prize

(a) No licensee shall offer or give, directly or indirectly, any prize in any single amusement game except merchandise other than alcoholic beverages **or drug or narcotic paraphernalia.**

(b) The retail value of such merchandise prize or prizes to be so offered and given in any such game **or for an accumulation of wins from a series of games or plays shall not exceed [in the aggregate the sum of \$15.00] an average retail value of \$300.00.**

(c) All winners shall be determined and all prizes **or nontransferable tickets or tokens that may be accumulated for a prize shall be awarded in any game forthwith upon the completion of the game and before making or accepting any charge for participation in any subsequent game or play.**

13:3-3.6 Determination of value of prizes

(a) No licensee shall offer or give, or display any prize in the licensed premises unless its [retail value is not in excess of \$15.00] **average retail value is not in excess of \$300.00.**

(b) For the purpose of this subchapter, the "average retail value" of [cigarettes and grocery goods awarded as prizes shall be deemed not to exceed \$15.00 if the cost to the licensee was \$14.50 or less.] **the merchandise awarded as prizes shall be based on the manufacturer's suggested retail price or commonly advertised price.**

[(c) As to other items the retail value shall not be deemed to exceed \$15.00 if the cost to the licensee was \$13.50 or less.]

13:3-3.8 Deceptive, fraudulent or misleading advertising **or practice; conduct of games**

(a) No licensee shall allow, permit or suffer on or about the licensed premises or engage in any deceptive, misleading or fraudulent advertising or practice in connection with the holding, operation or conduct of any licensed game.

(b) All games must be conducted in their original certified form and any changes must receive prior written authorization by the Commissioner.

(c) All prizes that are displayed must be available to be won and requirements to win such prizes must be clearly stated. If multiple wins are required for a prize, such requirement must be clearly posted.

(d) Rules and instructions for the game must be clearly and conspicuously posted on a sign entitled "Rules."

13:3-3.9 Employees qualification, questionnaires, list

(a) No licensee shall employ in any capacity on the licensed premises any person who would fail to qualify as a licensee by reason of conviction of crime or otherwise, nor any person who refuses or fails to execute under oath a questionnaire, in a form prescribed by the State Commissioner of Amusement Control which shall be supplied by and filed with the municipal police department by the licensee [before the employment commences.] **within 72 hours of employment.**

(b) A true copy of such questionnaire, endorsed to indicate that the original has been so filed shall, during the continuance of the employment, be kept on the licensed premises, **together with the employee list, both of which must be available for inspection by agents of the municipal governing body and the Commissioner.**

(c) A copy of the employee list shall be kept with each individual license. This list must contain the name and home and seasonal address of every person authorized to operate the

licensed game, his date of birth, and the date of commencement of employment. The list must be kept current.

13:3-3.10 Fingerprinting employees

No licensee shall employ or have connected with him in any business capacity whatsoever any **adult** person who refuses to submit himself for fingerprinting when required [so to do] **to do so** by any agent of the municipal governing body concerned or the Commissioner.

13:3-3.15 Gambling on licensed premises

(a) No licensee shall allow, permit or suffer on the licensed premises any playing for money or other valuable thing [at roulette wheels, at cards, dice or other games with one or more dice, or with any other instrument, engine or device in the nature of dice, having one or more figures or numbers; or at billiards, pools, tennis, bowls, or shuffleboard, or A.B.C. or E.O. tables; or at faro bank, or other bank of a like nature by whatever name known; or with any slot machine or device in the nature of a slot machine, or bookmaking, off-track betting, pool selling, or the keeping of a gambling resort; or the making or acceptance of any wager for money or other valuable thing] **at any game other than that permitted by the license issued pursuant to the application and description of the game for that licensed premises, and in no event shall any prize be conditioned in any way upon any occurrence at or upon the outcome of any athletic, [or] sporting game or contest or lottery.**

[(b) For the purpose of this rule, "slot machine" or "devices in the nature of slot machines" are defined to be machines which operate mechanically, with the result principally controlled by the mechanical operation of the machines.]

13:3-4.3 Report of conduct of game by licensee

(a) Every licensee shall, not later than the 15th day following the last day of [March, September and] December of each year, **or the 15th day of the month following the last day of operation of the game during the license year** during which the licensed game is held, operated and conducted, file with the Commissioner a report of the conduct of games during the [preceding filing period] **license year or period**, in a form prescribed by the Commissioner.

(b) Licensees holding, operating and conducting licensed games at agricultural fairs and exhibitions shall file such reports not later than the [fifth] **15th** day after the closing date of the fair or exhibition with respect to which the license is issued.

(c) (No change.)

13:3-7.1 Certification of kinds of games

(a) The State Commissioner of Amusement Games Control shall grant certifications of permissibility of any amusement games which may be played for amusement or entertainment, in which the person or player actively participates and the outcome of which is not in the control of the operator, and which is so conducted that the sale of a right to participate, the event which determines whether a player wins or loses and the award of the prize, **tickets or token**, all occur as a continuous sequence at the time and place where the player or players are all present.

(b) (No change)

13:3-7.2 Application for certification; contents; fee

(a) (No change.)

(b) Every application for certification shall be accompanied by a non-refundable fee of \$50.00 payable to the New Jersey Amusement Games Control Commissioner.

13:3-7.9 Permissible amusement games certifications

(a) Pursuant to P.L. 1959, c.108 and this subchapter there is hereby granted certification of permissibility for licensing of the following amusement games:

1. Certification No. 1. Throw games wherein a single player upon payment of fee is furnished a number of balls, hoops, darts or other objects, or uses his own coins to be handthrown or propelled at, into, or upon targets, with prizes awarded according to results

achieved, generally known as Balloon Game, Barrel Game, Basketball Game, Bear Pitch Game, Break-the-Dish Game, Bullpen Ball Game, Cigarette Cork Rifle Game, Cigarette Dart Game, Cigarette Toss Game, Dart Game, Dodgem Game, Glass Pitch Game, Hoopla Game, Mammy Doll Game, Milk Bottle Game, Milk Can Game, Number Dart Game, Over and Under Game, Penny Pitch Game, Pig Slide Game, Ping-Pong Ball Game, Ring Toss Game, Shooting Gallery Game and Stuffed Cat Game, **and such similar games as may from time to time be certified pursuant to this subchapter.**

i. Only one of the above games may be licensed under one license.

ii. There is no restriction on the number of units that may comprise the game.

2. Certification No. 2. Arcade games wherein a single player upon payment of fee is permitted to play a machine or device to obtain a prize or attain a score upon the basis of which a prize is awarded, generally known as Baseball Machine, Basketball Machine, Bouncing Ball Machine, Bowling Machine, Crane Machine, Dexterity Tester Machine, Digger Machine, Football Machine, Golf Machine, Gun Machine, Hockey Machine, Intelligence Tester Machine, Pinball Machine, Pokerino Machine, Pool Table Machine, Pusher Machine, Roll Down Machine, Rotary Arm Machine, Shooting Machine, Shuffle Alley Machine, Skee Ball Machine, Skill Tester Machine and Strength Tester Machine, **and such similar games, including electronic games, as may from time to time be certified pursuant to this subchapter.**

i. [No more than 50 machines, individually or in combination may be installed or available for play on the licensed premises under one municipal and State license.] **There is no restriction on the number of machines or devices that may be installed or available under one arcade license.**

ii. [Additional license is required for each additional 50 machines or any lesser number thereof.] **If any machine or device has more than one player position, each such player position shall be considered a separate machine or device in calculating the State license fee.**

3. Certification No. 3. Non-draw raffle games wherein a single player upon payment of fee is permitted to make a blind selection of one object from a number of objects, the object selected being the prize won or indicating the prize won, generally known as Duck Pond Game, Fish Pond Game, Grab-bag Game and Pick-the-Stick Game, **and such similar games as may from time to time be certified pursuant to this subchapter.**

4. Certification No. 4. Competitive games wherein several players upon payment of fee are permitted to compete against each other for a prize to be awarded to the player who first achieves the required result, generally known as Bowlo Game, Fascination Game, Greyhound Game, Skilo Game, Throw Fascination Game, Pan Game and Water Gun Game, **and such similar games as may from time to time be certified pursuant to this subchapter.** A Stop and Go Game type of installation, as set forth in(a)5 below (Certification No. 5), and subject to the same requirements, limitations and restrictions contained in (a)5 below, may be utilized in the conduct of such games.

i. Only one of the above games may be licensed under one license.

ii. There is no restriction on the number of units that may comprise the game.

5. Certification No. 5. A game of chance incorporating:

i. A laydown board marked in segments bearing numbers, names or symbols whereon the player or players place the entry fee as an indication of choice of expected winner;

ii. Electrical push-button switches or similar devices approved by the Commissioner at each segment on the board which enable any player to start or [stop] **deactivate** the game;

iii. A moving indicator powered and driven by an electric motor which may be activated and deactivated by any player by means of the switches provided; and

iv. An arrangement of numbers, names or symbols, corresponding to those on the laydown board to one of which the moving indicator points when it stops after exhausting its momentum following deactivation of the motor, generally known as Stop and Go Game; provided, however, the mechanism may not incorporate any clutch, brake or timing device except a timing device which renders all of the stop switches inoperative for a short period of time after any starting switch is activated, nor may the electric motor be activated or deactivated by anyone other than a player or players.

6. Certification No. 6. Guessing games wherein a single player upon payment of fee is entitled to win a prize in the event that the operator is unable to guess, within announced limits, the weight or age of the player, generally known as Guess Your Weight Game and Guess Your Age Game.

7. Certification No. 7. A game wherein a single player upon payment of fee is entitled to win a prize in the event that within a permitted number of tries he rings a bell or gong a required number of times by striking with a maul one end of a horizontal lever arm the other end of which propels a weight upward along a vertical wire at the top of which the bell or gong is located, generally known as Ring The Bell Game or High Striker Game; provided, however, only one unit may be licensed under one license.

8. **Certification No. 8. Miscellaneous skill games wherein a single player upon payment of a fee is entitled to use a physical skill to attain a predetermined goal for which a prize is awarded, generally known as Log Roll and Rope Climb, and such similar games as may from time to time be certified pursuant to this subchapter.**

(a)

DIVISION OF MOTOR VEHICLES

Motorized Bicycles Helmets

Proposed New Rule: N.J.A.C. 13:25-9

Authorized By: Clifford W. Snedeker, Director, Division of Motor Vehicles.

Authority: N.J.S.A. 39:3-43 and P.L. 1983, c.105, §18.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Clifford W. Snedeker, Director
Division of Motor Vehicles
25 So. Montgomery Street
Trenton, NJ 08666

The Division of Motor Vehicles thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-216.

The agency proposal follows:

Summary

The proposal supplements Motorized Bicycles (N.J.A.C. 13:25) to specify the types of approved helmets to be worn by motorized bicycle operators pursuant to P.L. 1983, c.105, §18. This proposal also provides the method in which a helmet may be submitted to the Director of the Division of Motor Vehicles for approval. N.J.S.A. 39:3-43 authorizes the Director to disapprove any equipment or device at his discretion.

Social Impact

The proposed amendment fosters highway safety by providing for approved helmets for the operators of motorized bicycles.

Economic Impact

There will be no economic impact on the State. There will be an economic impact upon the operators of motorized bicycles who will have to purchase approved helmets.

Full text of the proposed new rule follows.

SUBCHAPTER 9. HELMETS

13:25-9.1 Approval of helmets

(a) After April 1, 1983, no person shall sell, offer for sale, or distribute any protective helmets for use by the operators of motorized bicycles unless they are of a type approved by the Director of the Division of Motor Vehicles.

(b) Letters requesting approval of protective helmets shall be sent to the Director, Division of Motor Vehicles.

13:25-9.2 Helmet approval specifications

Applications for approval of safety helmets shall be accompanied by a copy of the Certificate of Approval from the American Association of Motor Vehicle Administrators, showing that the helmet meets the specifications of Standard Z90.1 (1966) of the USA Standards Institute, unless the AAMVA has sent a Confirmation Certificate of Approval directly to the New Jersey Division of Motor Vehicles.

13:25-9.3 Reflectorized surface on helmets

Each approved helmet shall have a reflectorized surface on both sides, or have securely affixed thereto reflectorized material on both the left and right side of the helmet. Such reflectorization must cover an area of at least four square inches on each side of the helmet. If reflectorized safety tape is attached to each side of the helmet, it must be affixed in a permanent, weather-proof manner.

13:25-9.4 Identification label on helmets

Each approved helmet shall be permanently labelled with the manufacturer's trade name and number, which shall be the same trade name and number used in the approval application.

13:25-9.5 Helmet straps

Each approved helmet must be equipped with either a neck or chin strap.

13:25-9.6 Notice of approval

When the Director determines that the conditions of approval have been met, a notice of approval will be issued.

13:25-9.7 Withdrawal of approval

The right is reserved to withdraw approval of a product at any time and for any cause deemed reasonable by the Director, or the Director may require new approvals at any time it is deemed necessary or reasonable.

(a)

NEW JERSEY RACING COMMISSION**Thoroughbred Racing
Harness Racing**

Proposed Readoption: N.J.A.C. 13:70-3, 14, 15, 19 and 29, and 13:71-5, 9, 21 and 23
Proposed Repeal: N.J.A.C. 13:70-19.43 and 13:71-19.43

Authorized By: New Jersey Racing Commission, Harold G. Handel, Deputy Director.
 Authority: N.J.S.A. 5:5-30.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Harold G. Handel, Deputy Director
 New Jersey Racing Commission
 Justice Complex
 CN 088
 Trenton, NJ 08625

The New Jersey Racing Commission thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The readoption of these rules becomes effective upon acceptance for filing by the Office of Administrative Law of the notice of their readoption.

This proposal is known as PRN 1983-217.

The agency proposal follows:

Summary

The rules and regulations of the New Jersey Racing Commission govern all aspects of pari-mutuel wagering and the conduct of thoroughbred racing (N.J.A.C. 13:70) as well as the conduct of harness racing (N.J.A.C. 13:71). Individual subchapters delineate specific areas of regulation such as responsibilities of individual racing association licensing requirements, duties and responsibilities of racing officials; regulation of pari-mutuel wagering, conduct of racing as well as standards for medication of competing animals. Subchapters will hereinafter be described by utilization of the individual subchapter headings mentioned above.

N.J.A.C. 13:70-3, "Racing Associations", deals with specific regulations governing conditions precedent to the operation of a race meeting, approval of stock ownership in racing associations, requirements for the maintenance of grounds and safety standards for both equine and human, prohibited conduct at the grounds of racing associations, maintenance of financial records by the associations, and disclosure of association employees. Amendments to this subchapter since Executive Order .66(1978) have resulted in additional officials being added to the communication system provided by all associations, recodification of the standards for fire safety inspections of all stable areas and more stringent requirements for vaccinations for horses to be free from infectious equine diseases prior to entering individual racing association grounds.

N.J.A.C. 13:70-14, "Illegal Practices", proscribes instances of misconduct in connection with horse racing as well as investigative duties and responsibilities in connection with law enforcement efforts at the grounds of racing associations to implement the criminal laws of New Jersey and the United States. This subchapter was supplemented since 1978 to provide more specific regulations dealing with tampering with horses, wagering restrictions on

licensees as well as clarifying the duties and responsibilities of New Jersey State Police personnel assigned to the various racing associations.

N.J.A.C. 13:70-15, "Racing Officials", delineates those official positions required by the New Jersey Racing Commission to administer the conduct of racing association meetings and to enforce the rules of the New Jersey Racing Commission. The subchapter specifies the power of appointment of such individuals, compensation for services rendered as well as restrictions on activities which such persons may engage in.

N.J.A.C. 13:70-19, "Other Officials", comprises a series of regulations pertaining to minor officials at racing association meetings not having direct control over the outcome of individual races as well as the duties and responsibilities of veterinarians employed by the Commission and practicing veterinarians treating racehorses. In 1982 substantial revision was made to the regulation mandating reports of drug administration required to be filed with the agency by practicing veterinarians. N.J.A.C. 13:70-19.43 is not being readopted as the regulation is duplicated elsewhere in the code.

N.J.A.C. 13:70-29, "Mutuels", pertains to the regulations governing the operation of the mutuel departments at track associations as well as payment of all wagering pools and restrictions on race field sizes, coupling of entries, ticket claims and calculation of all pari-mutuel pools. Numerous revisions have taken place with respect to this subchapter with new regulations being promulgated to deal with changes in the technology of mutuel operations, deletion of races pertaining to mutuel pools no longer being offered and new provisions pertaining to coupling of entries for wagering purposes.

N.J.A.C. 13:71-5, "Tracks", pertains to the subchapter in the harness regulation analogous to "racing associations" discussed earlier. Conditions and requirements for individual racing associations to conduct a race meeting are enumerated therein as well as reporting requirements for association employees and prohibited conduct on the grounds of associations.

N.J.A.C. 13:71-9, "Veterinarians and Veterinarians' Certificates", is a brief subchapter governing the appointment and duties of veterinarians employed by the New Jersey Racing Commission at race meetings as well as reporting requirements for veterinarians treating racehorses at the grounds of individual racing associations. These reporting requirements have been increased by rule amendment within the past 12 months.

N.J.A.C. 13:71-21, "Placing Conditions and Purses", is another brief subchapter regulating the payment of purse money won by competing horse owners, trainers and drivers. Modification to the distribution of purse moneys by percentage was effected by rule amendment last year.

N.J.A.C. 13:71-23, "Stimulation and Tests", regulates the administration of drugs to competing racehorses as well as testing procedures for forensic samples secured from competing horses and penalties for violation of any subchapter provisions. This subchapter has undergone substantial revision as to treatment of rule violations and eligibility for certain drug administration.

The agency has undertaken an internal review of the foregoing regulations prior to notice for readoption. In one instance (N.J.A.C. 13:71-19.43) a regulation duplicated elsewhere is not being readopted. The agency expects public comment to be received stimulating further review as a result of the readoption procedures being instituted. The agency has determined that the foregoing rules are necessary to protect the public interest with respect to pari-mutuel horse racing and constitute reasonable and effective vehicles to effectuate such goal. Numerous amendments and deletions have occurred in most subchapters effected by Executive Order 66 (1978) prior to the requirement for readoption.

Social Impact

The rules represent several subchapters of the New Jersey Racing Commission's regulatory framework for both thoroughbred and

harness racing. Specific subchapters such as racing associations, illegal practices, officials, veterinarians, stimulation and testing serve as the very core of this agency's regulatory efforts to secure and promote the integrity of racing in New Jersey by prescribing standards of conduct for individual permitholders, qualifications and standards for officials judging pari-mutuel races, illegal conduct in connection with the racing industry and a comprehensive plan of forensic testing for competing animals at New Jersey racetracks to protecting the betting public as well as the competing animals. This agency could not sanction horserace meetings without the foregoing pattern of regulation. The continued operation of the activities of this agency without these rules would be impossible. At present the State of New Jersey derives in excess of 10 million dollars in direct revenue from pari-mutuel taxation, discontinuance of this revenue would unquestionably have an adverse social impact on the citizens of New Jersey. The forensic program alone results in over 72,974 samples being secured and analyzed to prevent the improper drugging of competing race horses in New Jersey.

Economic Impact

The subchapter dealing with pari-mutuel wagering for thoroughbred racing regulates all aspects of the daily distribution of pari-mutuel funds. In 1983 \$395,416,477 was wagered on thoroughbred races in this State. Of that sum \$317,678,801.65 was returned to the wagering public, \$23,654,112.70 was earmarked for purse moneys for competing horsemen and \$4,113,420.58 became revenue to New Jersey.

The subchapter affecting purses for harness racing would directly impact the \$33,336,592 paid out in harness purses in 1982. These rules mandate both the distribution system and conditions under which these purse moneys are in fact paid out.

Full text of the proposed re-adoption can be found in the New Jersey Administrative Code at N.J.A.C. 13:70-3, 14, 15, 19, and 29; 13:71-5, 9, 21, and 23; and as amended in the New Jersey Register.

Full text of the proposed repeal can be found at N.J.A.C. 13:70-19.43 and 13:71-19.43.

TRANSPORTATION

(a)

TRANSPORTATION OPERATIONS

**Restricted Parking and Stopping
Routes US 9 and 71**

**Proposed Amendments: N.J.A.C. 16:28A-1.7
and 16:28A-1.38**

Authorized By: John P. Sheridan, Jr., Commissioner,
Department of Transportation
Authority: N.J.S.A. 27:1A-5, 27:1A-6, 39:4-138.1 and
39:4-139.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

Charles L. Meyers
Administrative Practice Officer
Department of Transportation
1035 Parkway Avenue
Trenton, NJ 08625

The Department of Transportation thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-209.

The agency proposal follows:

Summary

The proposal will establish "no parking" zones along Route US 9 and 71 in Spring Lake Heights Borough, Monmouth County and Dover Township, Ocean County respectively, for the safe and efficient flow of traffic along the highway system. Based upon requests made by municipal officials of Spring Lake Heights Borough, engineering studies were conducted by the Traffic Bureau of the Department of Transportation. The engineering studies found that the establishment of "no parking" zones along Route US 9 and 71 was warranted. The Department therefore proposes to amend N.J.A.C. 16:28A-1.7 and 1.38 in accordance with the local official's request. Appropriate signs will be erected to advise the motoring public.

Social Impact

The proposal will restrict parking along the routes and in areas designated for the safe and efficient flow of traffic and the enhancement of the safety of the populace in Monmouth and Ocean Counties.

Economic Impact

The Department will incur direct and indirect costs for its workforce for mileage, personnel and equipment requirements.

Full text of the proposal follows (additions indicated in boldface **thus**; deletions indicated in bracket [thus]).

16:28A-1.7 Route US 9

(a) The certain parts of State highway Route US 9 described in (a) of this section shall be designated and established as "no parking" zones where stopping or standing is prohibited at all times except as provided in N.J.S.A. 39:4-139.

1.-5. (No change.)

[6. No stopping or standing in Dover Township, Ocean County along both sides from a point 160 feet south of the southerly curb line of Church Road (Co. Rd. 620) to a point 100 feet north of the northerly curb line of Church Road (Co. Rd. 620).]

6. No stopping or standing in Dover Township, Ocean County:

i. Along both sides:

(1) From a point 160 feet south of the southerly curb line of Church Road (Co. Rd. 620) to a point 100 feet north of the northerly curb line of Church Road (Co. Rd. 620).

(2) Between a point 300 feet north of, and 300 feet south of, the intersection of Cox Cro Road (Co. Rd. 16).

16:28A-1.38 Route 71

(a) The certain parts of State highway Route 71 described in this section are designated and established as "no parking" zones where stopping or standing is prohibited at all times except as provided in N.J.S.A. 39:4-139.

1.-2. (No change.)

3. No stopping or standing in Spring Lake Heights Borough:

i.-ii. (No change.)

[iii. Along both sides from 6:00 P.M. to 6:00 A.M. from the northerly curb line of Monmouth Avenue to the southerly curb line of Mercer Avenue.]

iii. Along both sides from 6:00 P.M. to 6:00 A.M.:

(1) From Warren Avenue to the Spring Lake Heights Borough - Sea Grit Borough Corporate line.
4.-9. (No change.)
(b) (No change.)

TREASURY-GENERAL

(a)

DIVISION OF PENSIONS

**Administration
Administrative Fees**

Proposed Amendment: N.J.A.C. 17:1-8.14

Authorized By: William J. Joseph, Director, Division of Pensions.
Authority: N.J.S.A. 52:18A-96.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

William J. Joseph, Director
Division of Pensions
20 West Front Street
CN 295
Trenton, NJ 08625

The Division of Pensions thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-208.

The agency proposal follows:

Summary

The purpose of this proposal is to correct a typographical error appearing in the text of N.J.A.C. 17:1-8.14 concerning administrative fees. The intent of the rule, and the general policy of the Division of Pensions, was to implement a charge of \$10.00 per employer, not employee, concerning delinquent transmittals, remittances or report.

Social Impact

The proposal could affect public employers who are delinquent in submitting Social Security transmittals, remittances or reports to the Division of Pensions.

Economic Impact

This particular proposal will have no economic impact on the public employers that may be affected since this is merely a correction of a typographical error and does not alter in substance the current policy of charging per employer rather than employee.

Full text of the proposal follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]).

17:1-8.14 Administrative fee

- (a) (No change.)
- (b) The cost would be reduced by specific charges of \$10.00 per [employee] **employer** for each delinquent transmittal, remittance or report.
- (c)-(d) (No change.)

**Traffic Control
Transportation of Hazardous Materials**

Proposed Amendment: N.J.A.C. 19:9-1.15

Authorized By: New Jersey Turnpike Authority, William J. Flanagan, Executive Director.
Authority: N.J.S.A. 27:23-29.

Interested persons may submit in writing, data, views or arguments relevant to the proposal on or before June 1, 1983. These submissions, and any inquiries about submissions and responses, should be addressed to:

William J. Flanagan, Executive
Director
New Jersey Turnpike Authority
New Brunswick, NJ 08903

The New Jersey Turnpike Authority thereafter may adopt this proposal without further notice (see: N.J.A.C. 1:30-3.5). The adoption becomes effective upon publication in the Register of a notice of adoption.

This proposal is known as PRN 1983-212.

The agency proposal follows:

Summary

The proposed amendment will require that prior written approval must be obtained from the New Jersey Turnpike Authority for the transportation of Class A, B and C explosives (as defined in 49 CFR 173, et seq.) on the New Jersey Turnpike.

Social Impact

The proposed amendment will adequately protect the safety of motorists, turnpike projects and roadways, as well as adjacent communities, from the potential hazards created by the unregulated transportation of certain classes of explosives on the Turnpike.

Economic Impact

No economic impact will result from this amendment since there will be no fee required for the application for approval to transport these classes of explosives. The acquisition of this approval will not require modifications to any vehicle, but will provide notice for necessary safety standards which will act as a tool to facilitate the ease in regulation and code enforcement.

Full text of the proposal follows (additions indicated in boldface **thus**).

19:9-1.15 Transportation of hazardous materials

- (a) (No change.)
- (b) The transportation or shipment upon the New Jersey Turnpike of radioactive materials or devices, as defined in part 173 of the Regulations of the United States Department of Transportation (49 CFR 173), **and transportation of Class A, B and C explosives**, shall be subject to the prior written approval of the New Jersey Turnpike Authority. All applications for such approval shall be made in writing, addressed to the Director of Operations and shall provide, to the satisfaction of the Authority, that the shipment shall comply in all respects with the provisions of parts 171 to 178 **and 397** inclusive of the Regulations (49 CFR 171-178, **397**).
- (c)-(d) (No change.)

RULE ADOPTIONS

BANKING

(a)

DIVISION OF BANKING

Definition of Contingent Reserves General Lending Limitations

Adopted New Rules: N.J.A.C. 3:11-7.8 and 7.9

Adopted Amendment: N.J.A.C. 3:11-7.2

Proposed: February 22, 1983 at 15 N.J.R. 192(a).

Adopted: April 18, 1983 by Michael M. Horn,
Commissioner, Department of Banking.

Filed: April 18, 1983 as R.1983 d.133, **with technical and substantive changes** not requiring additional public notice and comment (see N.J.A.C. 1:30-3.5).

Authority: N.J.S.A. 17:9A-60 et seq. and 17:9A-62H.

Effective Date: May 2, 1983.

Expiration Date pursuant to Executive Order No. 66(1978):
August 16, 1987.

Summary of Public Comments and Agency Responses:

No comments were received relative to the proposed amended regulation, N.J.A.C. 3:11-7.2, therefore it is submitted for adoption without change.

No comments were received relative to the proposed new regulations, however, the new rules N.J.A.C. 3:11-7.8 and N.J.A.C. 3:11-7.9, as indicated in the "Summary" published in the New Jersey Register on February 22, 1983 at N.J.R. 192, were directed toward creating and maintaining substantial equality between State and national banks relative to lending limitations as provided for in N.J.S.A. 17:9A-62H. As noted in this Department's original proposal, the Comptroller of the Currency had proposed a regulation expanding national banks lending limitations and, as noted, our regulation was geared toward maintaining parity. The Comptroller has adopted his regulation on this subject, effective April 14, 1983. However, prior to adopting the regulation, the Comptroller made several technical and language changes.

This Department has reviewed the changes made by the Comptroller and is in agreement with the minor modifications he made. Certain language and technical changes have clarified areas of his regulation and have adopted minor changes which will aid institutions in complying with the regulation. Therefore, in line with the parity concept of the regulation, the Department has made minor technical and language changes in our regulation as noted in the adopted regulation and as outlined below:

At N.J.A.C. 3:11-7.8(c), a change was made removing the reference to the maintaining of a specified margin percentage in market value of collateral pledged to secure the additional 10 percent in loans allowed in the regulation. The regulation, as adopted, would provide for at least 100 percent coverage but would allow bank discretion in this area. In N.J.A.C. 3:11-7.8(f), a

stipulation has been added that an institution must establish procedures to ensure maintenance of adequate collateral value.

At N.J.A.C. 3:11-7.8(d), recognition was given to the allowable pledging of additional prime collateral. The Comptroller recognized the acceptability of these additional issues and this office concurs with this modification.

At N.J.A.C. 3:11-7.9(c), an addition was made to clearly indicate that the exception to the lending limitations applicable to financial institutions only applied to emergency situations. This had been the original intent of the regulation, however, the Comptroller had been questioned on this and the addition clearly spells out the intent. This Department concurs with the clarification.

Full text of the changes between proposal adoption follows (additions to proposal shown in boldface with asterisks ***thus***; deletions from proposal shown in brackets with asterisks ***[thus]***).

3:11-7.8 General lending limitations

(a)-(b) (No change from proposal.)

(c) A liability based on the limitation contained in (b) above shall be secured by readily marketable collateral having a current market value of at least ***[15]* *100*** percent ***[greater than]* *of*** the amount of the loan or extension of credit at ***all times*** ***[the time the loan or extension of credit is made]***. "Current market value" means the ***bid or*** closing price listed for an item in a regularly published listing or an electronic reporting service. ***[The bank must make every effort to maintain a collateral margin of 15 percent. However, since collateral values may fluctuate, the current market value of the collateral may, for short periods of time, fall below the 115 percent coverage required. At no time, however, may current market value of the collateral be less than 100 percent of the funds outstanding except as provided in (f) below.]***

(d) For purposes of this section, "readily marketable collateral" means financial instruments ***and bullion*** which are salable under ordinary circumstances with reasonable promptness at a fair market value ***determined by quotations based on actual transactions on an auction or a similarly available daily bid and ask price market*** ***[based on continuously available daily bid and ask price quotations]***. "Financial instruments" include stocks, notes, bonds, and debentures traded on a national securities exchange, "OTC margin stocks" (as defined in Regulation U of the Federal Reserve Board), ***[and]* negotiable certificates of deposit*, commercial paper, bankers' acceptances and shares in money market and mutual funds of the type which issue shares in which banks may perfect a security interest***.

(e) ***[Collateral must be repriced at least monthly or more frequently as necessary to ensure that margin requirements are maintained.]*** Financial instruments may be denominated in foreign currencies which are freely convertible to United States dollars. If collateral is denominated and payable in a currency other than that of the loan or extension of credit which it secures, the collateral must be revalued at least monthly, using appropriate foreign exchange rates, in addition to being repriced at current market value.

(f) Each bank must ***institute adequate procedures to ensure that the collateral value fully secures the outstanding loan at all times*** ***[monitor the current market value of collateral held for purposes of compliance with this section]***. If collateral values fall ***[to or]*** below 100 percent of the outstanding loan, ***[the bank must, within a reasonable period of time; obtain additional collateral in an amount sufficient to provide 115 percent coverage; require reduction of the loan or extension of credit; or sell the collateral and liquidate the debt. Generally, a reasonable period of**

time is considered no longer than five business days. During this period, the loan or extension of credit will be considered non-conforming. Failure to comply with one of these alternatives will result in violation of law**to the extent that the loan is no longer in conformance with this section and exceeds the general 15 percent limitation, the loan must be brought into conformance within five business days, except where judicial proceedings, regulatory actions or other extraordinary occurrences prevent the bank from taking action*.

(g) (No change from proposal.)

3:11-7.9 Loans to financial institutions with the approval of the Commissioner of Banking

(a)-(b) (No change from proposal.)

(c) This exception is intended to apply only in emergency situations where a bank is called upon to provide assistance to another financial institution.

CIVIL SERVICE

(a)

CIVIL SERVICE COMMISSION

Miscellaneous Provisions Public Records

Adopted New Rule: N.J.A.C. 4:1-25.1
Adopted Repeal: N.J.A.C. 4:2-20.12

Proposed: September 7, 1982 at 14 N.J.R. 942(a).
Adopted: April 11, 1983 by the Civil Service Commission,
Eugene J. McCaffrey, Sr., President.
Filed: April 18, 1983 as R.1983 d.134, **with substantive changes** not requiring additional public notice and comment (see N.J.A.C. 1:30-3.5).

Authority: N.J.S.A. 11:5-1(a), Executive Order No. 11, 1974.

Effective Date: May 2, 1983.
Expiration Date pursuant to Executive Order No. 66(1978):
May 2, 1988.

Summary of Public Comments and Agency Responses:

A representative from CWA commented that N.J.A.C. 4:1-25.1 as published restricted access to public records and conflicted with negotiated agreements. Essentially, the adopted rule maintains the status quo. The public continues to have access to the records which are required by law to be available for inspection pursuant to the Right to Know Law, N.J.S.A. 47:1A-1 et seq. However, subsequent to discussion with the union representative, the phrase "or when authorized by a person in interest," which had been eliminated, has been restored to the rule to insure that unions, with the consent of the employee, may have access to specified Civil Service records. Additionally, subsection (a) has been reworded to change the tone of the rule thereby contributing to proper interpretation.

Full text of the changes between proposal and adoption follows (additions to proposal shown in boldface with asterisks ***thus***; deletions from proposal shown in brackets with asterisks ***[thus]***).

SUBCHAPTER 25. MISCELLANEOUS PROVISIONS

4:1-25.1 Public records

(a) ***[With respect to]* *The following materials, which are part of* Civil Service records of individual employees, ***[only the following]* shall be ***readily accessible to the* public:******

1. An individual's name, title, position, salary, amount of gross compensation, length of government service including starting and ending dates, and reason for separation;

2. Data which show conformity with specific experiential, educational or medical qualifications required for government employment. In no event shall detailed medical, psychological or psychiatric information be made public.

[3.]**(b)* Personnel records, except as specified above, are not subject to disclosure other than to persons authorized by ***a person in interest or by* the State or Federal government to inspect such records in connection with their official duties.*

***[(b)]*(c)* Any other Civil Service records which are required by law to be made, maintained or kept on file are public records available for inspection.**

Adopted Amendment: N.J.A.C. 7:13-1.11

Proposed: December 20, 1982 at 14 N.J.R. 1434(a).
Adopted: April 18, 1983 by Robert E. Hughey,
Commissioner, Department of Environmental
Protection.
Filed: April 18, 1983 as R.1983 d.135, **without change.**

Authority: N.J.S.A. 13:1D-1 et seq. and 58:16A-50 et
seq.
DEP Docket No. 050-82-11.

Effective Date: May 2, 1983.
Expiration Date pursuant to Executive Order No. 66(1978):
July 19, 1983.

Summary of Public Comments and Agency Responses:

On January 5, 1983, the Department held a public hearing concerning the proposed amendment at the Mount Holly Township Municipal Building, Mount Holly, New Jersey. Representatives of the Department informed the public present at the hearing what was being proposed and expressed support for the proposed amendment.

Two people attended the hearing. Their questions and comments dealt with the policies and operation of the stream delineation program and expressed appreciation for the opportunity to ask questions and receive answers during the hearing. No testimony was received in opposition to the proposed delineation.

A copy of the full record of the opportunity to be heard is

available at the Division of Water Resources, 1474 Prospect Street, Trenton, New Jersey.

Flood Hazard Area Delineations Flood Delineations of Streams in North Plainfield and Somerville Boroughs, Somerset County and Plainfield, Union County

Adopted Amendment: N.J.A.C. 7:13-1.11

Proposed: October 18, 1982 at 14 N.J.R. 1131(a).
Adopted: April 18, 1983 by Robert E. Hughey,
Commissioner, Department of Environmental
Protection.
Filed: April 18, 1983 as R.1983 d.136, **without change**.

Authority: N.J.S.A. 13:1D-1 et seq. and 58:16A-50 et
seq.
DEP Docket No. 050-82-09.

Effective Date: May 2, 1983.
Expiration Date pursuant to Executive Order No. 66(1978):
July 19, 1983.

Summary of Public Comments and Agency Responses:

On November 10, 1982, the Department held a public hearing concerning the proposed amendment in the North Plainfield Municipal Building, North Plainfield, New Jersey. Representatives of the Division of Water Resources informed the public as to what was being proposed by the amendment and the reason for such action.

Approximately nine people attended the hearing. Oral testimony received at the hearing came primarily in the form of questions concerning policies of the Bureau of Flood Plain Management. The major issues raised were as follows:

1. Are bridges to be designed for 500 year storms? The Bureau of Flood Plain Management responded that it presently requires that all future and replacement bridges be designed to pass a 100 year flood with one foot of freeboard, but that this requirement is waived if the design would worsen conditions or would be impractical. The Bureau noted that these are minimum standards and local requirements could be more stringent.

2. What is the procedure for adoption of Flood Damage Prevention Ordinances by municipalities and must the entire text be published as opposed to adoption by reference? The Bureau of Flood Plain Management advised that municipalities can reference their ordinance in a local newspaper as a legal notice, but that it is recommended that the entire ordinance be published to better inform the public that there is a completed flood insurance study as well as the specific state and local rules and regulations which apply.

3. What is the flexibility allowed in interpreting floodway lines? The Bureau of Flood Plain Management responded that floodway limits plotted at cross-sections must be exact and that between cross-sections the floodway limits must be interpolated or approximated. The Bureau indicates that to establish a cross-section at each place that a floodway crossed a structure would be both impractical and cost prohibitive.

The major comments concerning the adoption of the proposed

delineations were received as written comments. Letters and petitions were submitted objecting to the inclusion of properties on Townsend Place in the proposed flood plain delineations, as the residents asserted that these properties were not flooded during past floods. The Bureau of Flood Plain Management responded that the proposed delineations are based on statistical probability and hydraulic modeling whereas the objectors have based their objections on historic flooding. The Bureau further asserted that as a result of the August, 1973 flood, there were five residents of Townsend Place who signed the petitions, who sustained flood damage.

A copy of the full record of the opportunity to be heard is available at the Division of Water Resources, 1474 Prospect Street, Trenton, New Jersey.

 Adopted: April 15, 1982 by the Drug Utilization Review Council, Leroy L. Schwartz, M.D., Chairman.
 Filed: April 19, 1983 as R.1983 d.139, **with portions of the proposal not adopted and portions not adopted but still pending.**

Authority: N.J.S.A. 24:6E-6b.

Effective Date: May 2, 1983.
 Expiration Date pursuant to Executive Order No. 66(1978): March 6, 1984.

Summary of Public Comments and Agency Responses:

Regarding Oxycodone 5 mg/Acetaminophen 325 mg tables (Barr):

The New Jersey Pharmaceutical Association wrote in opposition to this type of product, citing the possibility of increased robberies of pharmacies with subsequent diversion of these addicting substances into the illicit market.

The Drug Utilization Review Council agrees with this comment and chooses, for this and other reasons delineated elsewhere in this publication (see miscellaneous notices), to not add Oxycodone/Acetaminophen to the generic formulary.

The following products and their respective manufacturers were **not adopted**.

Ergoloid Mesylates oral tabs 1 mg Danbury
 Oxycodone 5 mg/Acetaminophen 325 mg tabs Barr
 Quinidine Sulfate tabs 200 mg KV

The following products and their respective manufacturers were **adopted**:

Doxycycline Hyclate caps 50, 100 mg Rachelle
Doxycycline Hyclate tabs 100 mg Rachelle
Phenylbutazone caps 100 mg Cord
Sulfipyrzazone tabs 100 mg Barr
Sulfipyrzazone caps 200 mg Barr

The following product is still **pending**:
 Hydroxyzine Pamoate caps 100 mg Danbury

(b)

DRUG UTILIZATION REVIEW COUNCIL

Interchangeable Drug Products

Adopted Amendment: N.J.A.C. 8:71

Proposed: February 7, 1983 at 15 N.J.R. 127(a).
 Adopted: April 15, 1983 by the Drug Utilization Review Council, Leroy L. Schwartz, M.D., Chairman.
 Filed: April 19, 1983 as R.1983 d.140, **with portions of the proposal not adopted and portions not adopted but still pending.**

Authority: N.J.S.A. 24:6E-6b.

Effective Date: May 2, 1983.
 Expiration Date pursuant to Executive Order No. 66(1978): March 6, 1984.

Summary of Public Comments and Agency Responses:

Concerning arcing spring and coil spring diaphragms: Representatives from Holland-Rantos supported these proposed substitutes for Ortho diaphragms, citing advantages such as consumer savings, greater tear resistance, and easier insertion. The Drug Utilization Review Council notes that N.J.S.A. 24:6E-1 et seq. refers to substitution for "drug products," defined to contain active therapeutic ingredients. Diaphragms do not fit the description of "drug products," thus fall outside of the Council's authority and should not be added to the List of Interchangeable Drug Products.

The following products and their respective manufacturers were **not adopted**:

Diaphragm, arcing spring Holland-Rantos
 Diaphragm, coil spring Holland-Rantos
 Trimethoprim tablets, 100 mg B-W
 Triprolidine/pseudoephedrine tabs Superpharm

The following products and their respective manufacturers were **adopted**:

Chlorthalidone tabs, 25, 50 mg Barr
Cyproheptadine HCL tabs, 4 mg Superpharm
Doxycycline Hyclate caps, 50 mg Danbury
Fluocinolone Acetonide Sol'n 0.01% NPC
Gentamicin cream & ointment 0.1% Clay-Park
Hydralazine HCL tabs, 10 mg Par
Hydrocortisone 1/2%/Iodochlorhydroxyquin 3% cream Clay-Park
Hydrocortisone 1/2%/Iodochlorhydroxyquin 3% cream and ointment Clay-Park
Methocarbamol tabs 500, 750 mg Superpharm
Methyclothiazide tabs 2.5, 5 mg Mylan

10:87-4.12 Treatment of licensed vehicles

(a) The value of licensed vehicles shall be excluded or counted as a resource as follows:

1. Vehicles totally excluded: The entire value of any licensed vehicle shall be excluded if the vehicle meets one of the criteria below. If found to apply, this exclusion shall continue when the vehicle is not in use because of temporary unemployment, such as when a taxi driver is ill and cannot work, or when a fishing boat is frozen in and cannot be used.

i.-ii. (No change.)

iii. Vehicle essential to employment: The vehicle is necessary for long distance travel other than daily commuting, which is essential to the employment of a household member ***(or excluded individual whose resources are being considered available to the household)***; for example, the vehicle of a traveling salesperson or of a migrant farm worker following the work stream.

iv.-v. (No change from proposal.)

vi. Vehicle necessary to transport a physically disabled household member: The vehicle is necessary to transport a physically disabled household member ***(or excluded individual whose resources are being considered available to the household)*** regardless of the purpose of such transportation. This exclusion is limited to one vehicle per physically disabled household member. The vehicle need not have special equipment or be used primarily by **or for the transportation of the physically disabled household member. A vehicle shall be considered necessary for the transportation of a physically disabled household member if the vehicle is:**

(1)-(2) (No change from proposal.)

2. (No change from proposal.)

3. **Vehicles evaluated at equity value:** Except as provided for below, the equity value of licensed vehicles and unlicensed vehicles not excluded under N.J.A.C. 10:87-4.8(a)7, 8 and 9 shall be attributed toward the household's resource level. (Equity value is defined in section 10 of this subchapter.)

i. **Vehicles not evaluated at equity value:** The following vehicles shall not be evaluated at equity value:

(1)-(2) (No change from proposal.)

(3) Any licensed vehicles used to transport household members ***(or excluded individuals whose resources are being considered available to the household)*** to and from employment or to and from training or education which is preparatory to employment, or to such employment in compliance with the job search criteria. A vehicle customarily used to commute to and from employment shall be covered by the equity value exclusion during temporary periods of unemployment.

4.-5. (No change from proposal.)

10:87-5.5 Unearned income

(a) For the purposes of determining Net Food Stamp Income, unearned income shall include, but not be limited to:

1.-8. (No change from proposal.)

[8.] **9.** (No change in text from proposal.)

[9.] **10.** * (No change from emergency adoption and concurrent proposal at 15 N.J.R. 247(a), readopted at 15 N.J.R. 625(b)).

LABOR

(a)

DIVISION OF VOCATIONAL REHABILITATION SERVICES

Legal Authority, Administration Advisory Councils, Services, Appeals

Adopted Amendments: N.J.A.C. 12:45 through 12:49

Adopted Repeal: N.J.A.C. 12:50

Proposed: December 20, 1982 at 14 N.J.R. 1438(b).

Adopted: February 2, 1983 by George R. Chizmadia, Director, Division of Vocational Rehabilitation Services.

Filed: March 4, 1983 as R.1983 d.82.

Authority: N.J.S.A. 52:14B-1 et seq.

Effective Date: May 2, 1983.

Expiration Date pursuant to Executive Order No. 66 (1978): May 2, 1988.

Summary of Public Comments and Agency Responses:

The Division of Vocational Rehabilitation Services received numerous comments concerning this proposal from the Public Advocate. Several of the comments made by the Public Advocate were accepted by the Division and changes have been made upon adoption of the proposal to reflect these comments.

The Public Advocate suggested that the definition of "severely disabled" be included in the rules. The Division responded that since the definition is established by Federal law it would be redundant to repeat it in the Code. The Public Advocate also suggested that the criteria for determining financial need be included as part of the rules to allow public scrutiny and input. The Division responded by saying that because the criteria for determining financial need are updated regularly publication of the changes would create delays whenever an update is necessary to meet changing financial conditions.

The following changes have been made to the original proposal.

1. N.J.A.C. 12:46-3.1 heading "Application filing basis" has been changed to **Order of selection**. Order of selection more clearly defines what the section is about.

2. N.J.A.C. 12:46-5.12(a)(1) is changed to read: If the subpoena has been issued by the attorney for a **DVRS** client in the client's behalf. The Division added DVRS to make it clear it is referring to a DVRS client, not any client of an attorney.

3. N.J.A.C. 12:48-1.5 heading "Acceptance for vocational rehabilitation potential" has been changed to **Extended evaluation**, which more clearly explains what the section is about.

4. N.J.A.C. 12:48-1.8: This entire subsection is eliminated as it is already more fully covered under N.J.A.C. 12:51.

5. N.J.A.C. 12:49-1.2(a)2 is changed to make it clear the final decision in a fair hearing is the Director's. A Fair Hearing is held before the Division Director, or his designee and the [Fair Hearing] decision **of the director** is final.

Full text of the changes between proposal and adoption follows (additions to proposal shown in boldface with asterisks *thus*; deletions from proposal shown in brackets with asterisks *[thus]*).

12:46-3.1 ***[Application filing basis]*** ***Order of selection***
(No change in text.)

12:46-5.12 Guidelines on subpoena service

(a) If a subpoena should be lawfully served on a counselor, supervisor, administrator, other employee or member of the [Commission] **Division**, or if a subpoena should be served on a physician, examiner or other representative providing service for the [Commission] **Division** to a client, directing that the person served appear to testify and disclose information concerning a client's application for or receipt of [Commission] **Division** services, then the party so served shall be guided as follows:

1. If the subpoena has been issued by the attorney for a ***DVRS*** client in the client's behalf, the person upon whom the subpoena is served shall inform the attorney that the necessary and pertinent information will be supplied to him upon receipt by the [Commission] **Division** of the client's written consent [on Form SR-218]. If the client is not available to execute his/her written consent, the necessary and pertinent information may be divulged upon proper proof that the attorney is acting on behalf of the client and upon the express direction of the Director of [the Rehabilitation Commission] **DVRS**. If the attorney for the client desires the person served to testify either in court or at an administrative hearing and if the consent of the client is obtained as provided in this subsection, the person served may appear in court or at such hearing for the purpose of testifying and shall bring the necessary records with him/her.

[2.-3.] (No change from proposal.)

2. (No change from proposal.)

12:48-1.5 ***[Acceptance for vocational rehabilitation potential]***
Extended evaluation
(No change in text.)

***[12:48-1.8 Extended Employment Program (State-funded)]**

The **Division** shall plan, institute, support, and administer a program of **Extended Employment**. The **Division** shall contract with approved **Sheltered Workshops** for the furnishing of **Extended Employment** programs. Payment for each severely handicapped person shall not exceed in the amount appropriated for the purposes toward the cost of providing an **Extended Employment Program**.]*

12:49-1.2 Fair Hearing

(a) A **Fair Hearing** follows an **Administrative Review** if the applicant or client is dissatisfied with the decision of the **Review** and requests a **Fair Hearing** in writing.

1. The request for a **Fair Hearing** must be submitted to the **District Supervisor**.

2. A **Fair Hearing** is held *pursuant to the **Administrative Procedure Act** (see: N.J.S.A. 52:14B-1 et seq. and 52:14F-1 et seq. as implemented by N.J.A.C. 1:1) and may be conducted by the **Division Director** or an administrative law judge of the **Office of Administrative Law**. ***[before the Division Director, or his designee and the Fair Hearing decision is final.]*** *The decision of the **Director** is final.*

*[3. The **Fair Hearing** shall be held at a time and place convenient to the applicant or client.

4. The applicant or client will be notified of the date, time and place of the **Hearing**. The notification will be sent in advance of the **Hearing** and provide enough time for the applicant or client to prepare for the **Fair Hearing**.

5. The applicant or client may be represented by counsel, friend, parent, guardian, or self at the **Hearing**. If he chooses to represent himself he must be an adult, 18 years or older.

6. The applicant or client and his representative, if he desires to have one, will be given an adequate opportunity for cross examination and to present evidence on his behalf during the **Hearing**.]*

[7.] *3.* **DVR 35** will be completed after the *[**Hearing Officer**]* *hearing* and it will contain the final decision in the matter.

[8.] *4.* **DVR 35** together with copies of papers and reports presented during the **Fair Hearing** constitutes a record and one copy shall be kept in the case record and one copy will be given to the applicant or client.

PUBLIC TRANSPORTATION

Autobus Specifications

Vans, Small Buses, Recreational Vehicles, Sedans; Special Equipment for Wheelchairs; Modified Interiors for Charter or Special Bus Operations; Certificates; Public Liability Insurance

Adopted Amendments: N.J.A.C. 16:53-1.1-

1.3, 1.6-1.9, 1.11, 1.19, 1.21, 1.27-1.29;

3.1-3.6, 3.8-3.33; 5.1; 9.1, 9.2

Adopted New Rules: N.J.A.C. 16:53-1.22-

1.26, 1.30; -2; 3.7, 3.34-3.39; -4, -6, -7, -8

Proposed: December 6, 1982 at 14 N.J.R. 1347(a).

Adopted: March 18, 1983 by Melvin R. Lehr, Assistant Commissioner for Transportation Services.

Filed: March 25, 1983 as R.1983 d.110, **with substantive**

changes not requiring additional public notice and comment (see N.J.A.C. 1:30-3.5).

Authority: N.J.S.A. 27:1A-5, 27:1A-6, 52:14D-1 et seq., Executive Order on Reorganization Plan for Board of Public Utilities, September 18, 1978 (see 10 N.J.R. 466(a)).

Effective Date: May 2, 1983.

Expiration Date pursuant to Executive Order No. 66 (1978): March 19, 1984.

Summary of Public Comments and Agency Responses:

There was one written comment submitted regarding the proposal, from Arcola Bus Sales Company, E-15 Pleasant Avenue, Paramus, New Jersey 07652. Arcola had the following comments regarding the sections and subsections indicated

16:53-1.1(d): Should be "15 passengers or less".

Response: The Department viewed 15 passengers to include children and adults. Because of safety factors, "15 adult passengers" was retained in the rule and no change made. This is restricted to vans only.

16:53-2.3(i): Virtually impossible to comply with.

Response: It was felt that the power lift control system should also be equipped with an alternate means to move the lift from its obstructing position in the event of a power failure or emergency.

16:53-2.5: Not in conformance with school bus regulations and would severely limit the capacity of a vehicle to accommodate multiple wheelchairs.

Response: The width as prescribed by the proposal was the **min** and not the **max** prescribed for aisles and was considered adequate for the average size wheelchair.

16:53-3.1(d): Should be "25 or more passengers" so as not to conflict with specifications for small bus.

Response: The limitation of 16 passengers was applicable to vans. By the adoption of small buses specifications this subsection was amended to read "26 passengers", to be in compliance with full bus specifications.

16:53-3.15(a): "If operated on an approved route and passengers are discharged at points between termini," should be added.

Response: Provisions were made in subsection (b) for the exception to (a) above, by obtaining written approval from the Department.

16:53-3.20: Unclear and in certain cases no longer applicable to correct technology.

Response: The provisions for brakes described in this subchapter considered buses of early vintage which are still in safe operating condition.

16:53-3.27(b)-(c): Vehicles manufactured by school bus companies for D.O.T. use should be permitted to have exhaust terminate at rear of vehicle.

Response: The Department thought that this was valid in view of buses with exhaust systems discharging to the street side and also to the rear, depending upon the year of manufacture. The proposal was amended.

16:53-4.2: Requirement for straight aisle greatly impairs flexibility of seating arrangement.

Response: The seating arrangement was considered a safety factor and seats whether placed vertically or horizontally must provide the spacing required by the specifications contained herein.

16:53-6.1(d): It would be more logical to make the capacity limit of a small bus 25 since the last row of seats frequently is designed to accommodate five persons.

Response: This amendment was valid and merited amending the proposal to read "25" passengers since vehicles are presently manufactured with this configuration and the removal of the "fifth" seat would be a financial burden to the operator.

16:53-6.6: As the major distributor of small buses in the New Jersey/New York area, we find this paragraph extremely problematic. The dimensions of most small bus bodies virtually preclude the inclusion of a 14 inch aisle. We strongly recommend that the aisle requirement be maintained at 12 inches.

Response: The configuration of small bus bodies would preclude the restrictions placed, and in view of the seats presently being utilized, the aisle requirement was changed to "12" inches; additionally, the overall width of a vehicle could be less than 96 inches.

16:53-6.10(b): We have found standard west coast mirrors to be well suited on small buses as they improve peripheral vision. We recommend the words "junior" and "low mount" be deleted.

Response: The mirror outlined above was being widely used on small buses obtained from manufacturers and was proven to improve peripheral vision; the subsection was amended accordingly.

16:53-6.11: Unclear and in certain cases no longer applicable to current technology.

Response: The Department took into consideration all buses that were so equipped and still operational despite technological changes.

16:53-6.15(b): Exhaust system should be permitted to vent to either rear or side of vehicle as most small buses are designed with rear venting.

Response: It was felt that this was valid and in view of the present standards and common trends the change was effected to permit the exhaust system to vent to the rear "or on the street side to rear" of the rear wheels.

16:53-6.23: Wording is vague. Should specify "if operated on an approved route and passengers are discharged at points between termini."

Response: This comment was similar to 16:53-3.15(a) and again provisions were made in subsection (b) for exception if deemed necessary.

The comments were reviewed by the Department's staff and there were several changes effected. Specific amendments were made in compliance with comments received to N.J.A.C. 16:53-3.1, 3.27(b)-(c), 6.1(d), 6.6, 6.10(b) and 6.15(b). Arcola has been advised of the changes to the proposal and the rationale why other changes were not made. There were several meetings and telephone conversations between Arcola and the Department which entailed some other amendments to the proposal. Other administrative changes were made in 16:53-1.15, deleting subsection (b) because of current trends towards lighter vehicles and fuel economy. This type of axle was considered to heavy. Manufacturers configuration. Inconsequential language changes were made in 16:53-3.7(5) and 16:53-6.20 not requiring any additional public comment. The present regulations as amended provide standards and specifications to be followed to ensure a safe and efficient operating autobus system in the State of New Jersey.

Full text of the changes between proposal and adoption follows (additions to proposal shown in boldface with asterisks *thus*; deletions from proposal shown in brackets with asterisks *[thus]*).

16:53-1.1 Scope

(a)-(c) (No change from proposal.)
 (d) For purposes of this subchapter, a van shall be defined as a motor vehicle used in the transportation for hire having a seating capacity of 15 adult passengers or less, not including driver ***and comply with specifications of this subchapter***. The Gross Vehicle Weight Rating (GVWR) shall not exceed 10,000 pounds.

16:53-1.14 Tires and wheels

(a) (No change.)
 (b) Wheels shall be of eight hole disc type.]
 (c)-(f) renumbered as (b)-(e) (No change in text).

16:53-2.5 Aisle

***[Any]* *An* aisle leading from a wheelchair position to the emergency or exit door shall be a minimum width of 30 inches.**

[16:11-2.1]16:53-3.1 Scope

(a)-(c) (No change from proposal.)
 (d) For purposes of this subchapter, and autobus shall be defined as a motor vehicle used in the transportation for hire having a seating capacity of *[16]* ***26*** or more passengers except as provided in "modified interiors", with an interior height of not less than 75 inches ***and comply with specifications in this subchapter***. For purposes of this chapter, an articulated vehicle is a single unit.

16:53-3.7 Special equipment for vehicles used to transport passengers in wheelchairs

(a)-(d) (No change from proposal.)
 (e) ***[Any]* *An* aisle leading from a wheelchair position to the emergency or exist door(s) shall be a minimum width of 30 inches.**
 (f)-(g) (No change from proposal.)

16:53-3.27 Exhaust systems

(a) Exhaust systems shall discharge ***at the rear or* on the street side of the autobus. No part of the exhaust system shall be so located as would likely result in burning, charring or damaging the electrical wiring, the fuel supply or any combustible part of the bus.**
 (b) The exhaust system of a bus powered by a gasoline engine shall terminate ***at or* within six inches forward of the rearmost part of the bus.**
 (c)-(d) (No change from proposal.)

16:53-6.1 Scope

(a)-(c) (No change from proposal.)
 (d) For purposes of this subchapter, a small bus shall be defined as a motor vehicle used in the transportation for hire having a seating capacity of 16 to *[24]* ***25*** adult passengers, not including driver ***and comply with specifications in this subchapter***.

16:53-6.6 Aisle

The center aisle of a "small bus" shall be not less than ***[14]* *12* inches wide and 68 inches high.**

16:53-6.10 Mirrors

(a) (No change from proposal.)
 (b) Exterior left and right side mirrors shall be of the junior west coast type ***or equivalent***, low mount, firmly supported and easily adjustable.

16:53-6.15 Exhaust system

(a) (No change from proposal.)
 (b) Exhaust system shall vent to the rear ***or on the street side to the rear* of the rear wheels.**
 (c)-(e) (No change from proposal.)

16:53-6.20 Identification

(a) (No change from proposal.)
 (b) **Every autobus shall be assigned an identifying number by the utility. This number must be displayed on the *[exterior]* *interior* front, and the front, rear and both sides of the exterior. Interior and exterior numbers shall be at least three inches in height and of a sharply contrasting color from the background.**
 (c) (No change from proposal.)

(c)

HACKENSACK MEADOWLANDS
DEVELOPMENT COMMISSION

District Zoning Regulations
Official Zoning Map

Adopted Amendment: N.J.A.C. 19:4-6.28

Proposed: February 7, 1983 at 15 N.J.R. 133(b).
Adopted: March 28, 1983 by Hackensack Meadowlands
Development Commission, Anthony Scardino, Jr.,
Executive Director.
Filed: April 19, 1983 as R.1983 d.142, **with substantive
changes** not requiring additional public notice and
comment (see N.J.A.C. 1:30-3.5).

Authority: N.J.S.A. 13:17-6(i) and 13:17-16.

Effective Date: May 2, 1983.
Expiration Date pursuant to Executive Order No. 66 (1978):
October 5, 1983.

Summary of Public Comments and Agency Responses:

Comments were received from Dominick Casamassina on behalf
of the Hackensack Meadowlands Municipal Committee. The
Municipal Committee is in favor of the recommended changes in
the Waterfront Recreation Zone in Little Ferry. Mr. Casamassina
mentioned that it would make the area a conforming rather than a
non-conforming zone, and it would make the administrative
procedures for any building to be much easier than they would have
been the other way.

OFFICE OF ADMINISTRATIVE LAW NOTE: The **Summary**
to the proposal to amend N.J.A.C. 19:4-6.28 concerning the
Hackensack Meadowlands District official zoning map for Little
Ferry, New Jersey, is amended to read as follows (additions shown
in boldface with asterisks ***thus***; deletions shown in brackets with
asterisks ***[thus]***).

The proposed amendment changes the zoning designation of a *****
[2.103]***** ***2.03*** acre portion of the existing Waterfront Recreation
Zone, pursuant to N.J.A.C. 19:4-4.33, known as ***[Block 131]*** *****
Block 108C*, Lot 1, in Little Ferry, New Jersey, to Light Industrial
and Distribution B Zone pursuant to N.J.A.C. 19:4-4.92.

(d)

HACKENSACK MEADOWLANDS
DEVELOPMENT COMMISSION

Flood Plain Management

Adopted New Rule: N.J.A.C. 19:4A

Proposed: January 3, 1983 at 15 N.J.R. 18(a).
Adopted: February 22, 1983 by Hackensack Meadowlands
Development Commission, Anthony Scardino, Jr.,
Executive Director.

Filed: April 19, 1983 as R.1983 d.143, **with substantive and technical changes** not requiring additional public notice and comment (see N.J.A.C. 1:30-3.5).

Authority: N.J.S.A. 13:17-1 et seq.

Effective Date: May 2, 1983.

Expiration Date pursuant to Executive Order No. 66(1978):
May 2, 1988.

Summary of Public Comments and Agency Responses:

A public hearing concerning this proposal was held on January 25, 1983. No adverse comments were received.

A letter was received from the Federal Emergency Management Agency (FEMA) approving the HMDC proposed regulations concerning Flood Plain Management.

Changes to the proposal have been made upon adoption to conform with other regulations. Technical and language changes have also been made for clarification.

Full text of the changes between proposal and adoption follows (additions to proposal shown in boldface with asterisks ***thus***; deletions from proposal shown in brackets with asterisks ***[thus]***).

19:4A-5.1 Development permit required

(a) ***[No construction, use or development shall commence]* **No structure or land shall hereafter be constructed, located, extended, converted or altered*** within any area of special flood hazard established in N.J.A.C. 19:4A-4.2 unless a zoning certificate, construction permit, occupancy certificate, subdivision plat approval, implementation plan approval, sanitary landfill approval or other development permit approvals as required by Chapter 404 of the Laws of 1968 shall first have been obtained from the Commission certifying that the proposed construction, use or development complies with the applicable provisions of this chapter.**

(b) Notwithstanding exemption from a zoning certificate requirement pursuant to N.J.A.C. 19:4-3.2(b), these flood plain regulations shall apply.

19:4A-5.2 Administration

The administration and implementation of this chapter in accordance with its provisions is vested in the Office of the Chief Engineer ***except for the granting of variances pursuant to N.J.A.C. 19:4A-5.4*.**

19:4A-5.3 Duties and responsibilities of the Office of the Chief Engineer

(a) The Office of the Chief Engineer shall administer the provisions of this chapter in the manner set forth herein and in furtherance of such authority, shall, but not be limited to:

1.-4. (No change from proposal.)

5. Notify adjacent communities and the State Coordinating Agency for the National Flood Insurance Program ***[and FEMA]*** prior to any alteration or relocation of a watercourse, and submit evidence of such notification to FEMA; require ***[s]*** that maintenance is provided within the altered or relocated portion of said watercourse so that the flood carrying capacity is not diminished.

6. When base flood elevation data has not been provided in accordance with N.J.A.C. 19:4A-4.2, the Office of the Chief Engineer shall obtain, review, and reasonably utilize any base flood data available from a Federal, State or other source, in order to administer N.J.A.C. ***[19:4A-6.2]* **19:4*****.

7. Make interpretations where needed as to the exact location of the boundaries of the areas of special flood hazards (for example, where there appears to be a conflict between a mapped boundary and actual field conditions). The person contesting the location of

the boundary shall be given a reasonable opportunity to appeal the interpretation as provided in N.J.A.C. 19:4A-***[5.4]* **5.8.*****

19:4A-5.4 Variances

(a) In cases in which there is ***[unwarranted]* **exceptional***** hardship in carrying out the literal provision of this chapter, whether because of conflicting requirements or otherwise, the Office of the ***[Chief Engineer]* **Executive Director***** may ***[grant]* *** authorize***** a variance from such provision. In passing upon requests for variances, the ***[Chief Engineer]* **Executive Director***** shall consider all technical evaluations, all relevant factors, standards specified in other sections of this chapter, and

1.-11. (No change from proposal.)

(b) The procedure to be followed in an application for a variance from this chapter shall be the same as the procedure specified in N.J.A.C. 19:4-4.142, Variance of the HMDC Zoning Regulations.

19:4A-5.5 Standards for the granting of variances

(a) ***[Generally]*** Variances may be issued for new construction and substantial improvements to be erected on a lot ***[of one-half acre or less in size]*** contiguous to and surrounded by lots with existing structures constructed below the base flood level, providing items in N.J.A.C. 19:4A-5.4(a)1-11 have been fully considered. ***[As the lot size increases beyond the one-half acre, the technical justification required for issuing the variance increases.]***

(b)-(d) (No change from proposal.)

(e) Variances shall only be issued upon:

1.-2. (No change from proposal.)

3. A determination that the granting of a variance will not result in increased flood heights, additional threats to public safety, extraordinary public expense, create nuisances, cause fraud on or victimization of the public as identified in N.J.A.C. 19:4A-***[4.4]* **5.4(a)1-11***** or conflict with existing local laws or ordinances.

(f) (No change from proposal.)

19:4A-6.1 Scope

In all areas of special flood hazards ***[where base elevation data have been provided as set forth in Article 4.2, Basis for Establishing the Areas of Special Flood Hazard, in Article 5.3(f) regarding use of other base flood data]*** the standards in this subchapter are required.

19:4A-6.2 Buildings

(a) (No change from proposal.)

(b) Non-Residential Construction: New construction and substantial improvement of any commercial, industrial or other non-residential structure shall either have the lowest floor, including basement, elevated to ***or above*** ***[the level of the]*** base flood elevation. ***[or, together with attendant utility and sanitary facilities shall:**

1. Be floodproofed so that, below the base flood level, the structure is watertight with walls substantially impermeable to the passage of water;

2. Have structural components capable of resisting hydrostatic and hydrodynamic loads and effects of buoyancy; and

3. Be certified by a registered professional engineer that the standards of this subsection are satisfied.]*

(c) Mobile homes shall be governed by the following:

1. (No change from proposal.)

2. For new mobile home parks and mobile home subdivisions; for expansions to existing mobile home parks and mobile home subdivisions; for existing mobile home parks and mobile home subdivisions where the repair, reconstruction or improvement of the streets, utilities and pads equals or exceeds 50 percent of value of the streets, utilities and pads before the repair, reconstruction or improvement has commenced; and for mobile homes not placed in a mobile home park or mobile home subdivision, standards required that:

- i. Standards or lots *[are]* ***must be*** elevated on compacted fill or on pilings so that the lowest floor of the mobile home will be at or above the base flood level;
 - ii.-iii. (No change from proposal.)

CASINO CONTROL COMMISSION

Accounting and Internal Controls

Readoption: N.J.A.C. 19:45

Proposed: February 22, 1983 at 15 N.J.R. 240(a).
 Adopted: April 6, 1983 by Casino Control Commission,
 Walter N. Read, Chairman.
 Filed: April 7, 1983 as R.1983 d.125, **without change.**

Authority: N.J.S.A. 5:12-63(c) and (f), 5:12-69, 5:12-70(g),
 (j), (l), (m), (n); 5:12-99 and 5:12-101.

Effective Date: April 7, 1983.
 Expiration Date pursuant to Effective Order No. 66(1978):
 April 7, 1988.

Summary of Public Comments and Agency Responses:
No comments received.

(b)

CASINO CONTROL COMMISSION

Gross Revenue Taxes

Readoption: N.J.A.C. 19:54

Proposed: March 7, 1983 at 15 N.J.R. 328(b).
 Adopted: April 15, 1983 by Casino Control Commission,
 Walter N. Read, Chairman.
 Filed: April 15, 1983 as R.1983 d.131, **without change.**

Authority: N.J.S.A. 5:12-69(a) and (b), 5:12-70(e) and
 5:12-144(a).

Effective Date: April 15, 1983.
 Expiration Date pursuant to Executive Order No. 66 (1978):
 April 15, 1988.

Summary of Public Comments and Agency Responses:
No comments received.

MISCELLANEOUS NOTICES

HEALTH

(a)

DRUG UTILIZATION REVIEW COUNCIL

List of Interchangeable Drugs

Notice of Action on Oxycodones and Policy toward Schedule II Drugs

On October 4, 1982, the Drug Utilization Review Council gave notice (14 N.J.R. 1077) that certain medications were proposed to be added to the List of Interchangeable Drug Products.

Among these proposed medications were the following:
Oxycodone 4.88 mg with aspirin 325 mg tabs Halsey, Roxane
Oxycodone 2.44 mg with aspirin 325 mg tabs Roxane
Oxycodone HCL 5 mg with Acetaminophen 325 mg tabs Roxane

A public hearing was held on October 27, 1982.

Summary of Public Comments and Agency Responses:

Roxane Laboratories stated that oxycodone products are among the 100 most frequently prescribed medicines, that consumers could save approximately \$2.40 to \$2.80 per prescription, and that total inventory of oxycodones could remain the same if pharmacists reduced their inventory of the branded products in favor of the generic products.

Several groups wrote in opposition to the oxycodones proposal. The New Jersey Pharmaceutical Association, Society of Mercer County Pharmacists, Medical Society of New Jersey, and the New Jersey Department of Health Drug Control Program were all in opposition due to the increased potential for diversion of these addicting substances into the illicit market. Two drug wholesale companies opposed the proposal due to increased security needed in their warehouses and the increased paperwork involved.

Having balanced the economic benefits to the public against the potential for increased diversion, on April 5, 1983 the Drug Utilization Review Council voted to not allow oxycodones into the generic formulary. Additional reasons for excluding oxycodones included the desire to avoid increased pharmacy inventories of such highly addictive substances, the lack of easy availability through wholesalers, and the danger to the public's health if such substances became more widely available through illicit channels. Further, the Council voted as a policy not to place into the generic formulary any "Schedule II" controlled dangerous substances.

HIGHER EDUCATION

(b)

BOARD OF HIGHER EDUCATION

County Colleges Auditing and Accounting

Notice of Correction: N.J.A.C. 9:4-3.4

An error appears in the New Jersey Administrative Code at N.J.A.C. 9:4-3.4(d). Subsection (d) should read as follows:

(d) The initial acquisition of library books, documents, and audio visual software, exclusive of binding or cataloging charges, may be capitalized. Replacement of library books or audiovisual software subsequent to the initial acquisition period are not to be **classified as capital expenditures, but are to be** included in the budget for current operations.

When proposed at 14 N.J.R. 26(b), the proposal omitted the words "classified as capital expenditures, but are to be". The proposal was subsequently adopted (14 N.J.R. 343(a)) with this error. The proposed N.J.A.C. 9:4-3.4 was intended to be recodified from N.J.A.C. 9:4-3.44 without any substantive change in text. The omission of this language was a technical error and does not pose a substantive problem since the county colleges regulated by this rule are aware of the correct manner in which assets are to be capitalized and have been doing so for the past 10 years although the rule now states otherwise.

HUMAN SERVICES

(c)

DEVELOPMENTAL DISABILITIES COUNCIL

1984 State Plan for Services to Persons with Developmental Disabilities Proposed Amendment: N.J.A.C. 10:140

Authorized by: Catherine Rowan, Executive Director of the New Jersey Developmental Disabilities Council.

Authority: N.J.S.A. 30:1AA-7

Take notice that the New Jersey Developmental Disabilities Council is proposing, in its 1984 State Plan submission to the Federal government, to change its priority funding areas for Federal Fiscal Year 1984.

The Council is proposing to maintain its funding of child development programs, but will change its second priority service area from community living arrangements to case management services. The Council based its decision to make the change on the following:

1. The limited funding level of the community living service area was such that it allowed only for the partial support of five programs in Fiscal Year 1982.

2. The pressing need for the development of a comprehensive case management service for all persons with developmental disabilities necessitates the development of a model system which could be implemented in New Jersey. Funding would be directed toward this objective.

Interested persons may submit comments on the proposed change, before **May 9, 1983**, to:

Barbara DeLorenzo
New Jersey Developmental
Disabilities Council
108-110 North Broad Street
CN 700
Trenton, NJ 08625
(609)292-3745

The Council, after having its State Plan reviewed by the Federal government, will publish these changes in the New Jersey Register as a Proposed Readoption with Amendments.

ENERGY

(a)

ENERGY

Energy Conservation

Notice of Correction: Executive Order No. 66 (1978) Expiration Date, N.J.A.C. 14A:3

An error appears in the New Jersey Administrative Code at N.J.A.C. 14A:3, Energy Conservation, concerning the expiration date of chapter 3. The Executive Order No. 66 (1978) Expiration Date for chapter 3 should read **August 3, 1983**.

INDEX OF ADOPTED RULES

The *Index of Adopted Rules* contains rules which have been promulgated subsequent to the most recent update of the New Jersey Administrative Code. **Rules which are being promulgated in this Register, and which appear in the Table of Rules in this issue, do not appear in this index. These rules will appear in next month's Index of Adopted Rules.**

The rules in this index are listed in order of their N.J.A.C. citations. Accompanying the N.J.A.C. citation for each rule is a brief description of the rule's content, the Register citation for its proposal notice, its Office of Administrative Law (OAL) document citation (which should be used if ordering a copy of the rule from OAL), and the Register citation for its adoption. At the bottom of the listing for each Title is the date of the most recent Code update for that Title.

The *Index of Adopted Rules* appears in the first Register of each month, complementing the *Index of Proposed Rules* which appears in the second Register of each month. Together, these indices make

available to a Code and Register subscriber all legally effective rules, and enable the subscriber to keep track of all State agency rulemaking activities, from the initial proposal through final promulgation.

For any rule not yet published in a Code update, the full text of the proposal notice as published in the Register, plus the full text of any changes published with the adoption notice in the Register, constitute an official copy of the promulgated rule. If the full text of either the proposed rule or any changes does not appear in the Register, it is available for a fee from:

Administrative Filings
CN 301
Trenton, New Jersey 08625

To be certain that you have a copy of each proposed rule which may have been adopted but which does not yet appear in the most recent Code update, you should retain each Register beginning with October 5, 1979.

HOW TO USE THE TABLE OF CITATIONS

Generally, the key to locating a particular adopted rule is to find, under the appropriate Administrative Code Title, the N.J.A.C. citation of the rule you are researching. If you do not know the exact citation, scan the column of rule descriptions for the subject of your research. The citation itself indicates the extent of the changes to a rule. Every citation includes, at a minimum, the numerical designation of the title and chapter (**1:30**), and may include subchapter and section designations (**1:30-1.1**). In general, the less specific the citation, the more extensive the rule change. For example, 1:30 means that much or all of chapter 30 of title 1 has been modified; 1:30-1 means that several sections of subchapter 1 of 1:30 have been revised; and 1:30-1.1 means that only section 1 of 1:30-1 has been

changed. An N.J.A.C. citation that includes several section numbers (1:30-1.1, 1.3, 1.4) or several different subchapter and section numbers (1:30-1.1, 2.1, 4.3) means that similar or related changes have been made to those provisions. Additionally, a citation may designate an entirely new rule rather than an amended one. In general, each rule is listed separately and chronologically. However, where an adoption notice contained several related rule adoptions or amendments within a single chapter, all of those changes may be under a single entry. Therefore, to be certain that you have found all of the changes to a given rule, be sure to scan the citations above and below that rule to find any entries which might contain related rule adoptions, including the one you are researching.
