

- i. As part of the patron's credit application;
- ii. In a separate writing, which shall be maintained in the patron's credit file; or
- iii. On a Counter Check or Slot Counter Check drawn by the patron and issued pursuant to N.J.A.C. 19:45-1.25 or 1.25A; provided that the patron specifically acknowledges the notice by signing his or her name thereunder or in any other manner approved by the Commission, and further provided that a photocopy of the signed Counter Check or Slot Counter Check shall be maintained in the patron's credit file.

(h) Notwithstanding (g) above, if a patron requests by mail to redeem value chips in any amount, a casino licensee may effectuate such redemption, however, only by a cage supervisor as defined in N.J.A.C. 19:45-1.1, in accordance with internal controls approved by the Commission which, at a minimum, shall detail procedures for the issuance of a casino check and the transfer of the surrendered value chips to the chip bank in a transaction fully supported by proper documentation.

(i) Each casino licensee shall accept, exchange, use or redeem only gaming chips or plaques that it has issued and shall not knowingly accept, exchange, use or redeem gaming chips or plaques, or objects purporting to be gaming chips or plaques, that have been issued by any other person, except that a casino licensee may accept and redeem gaming chips or plaques issued by another legally operated casino from:

1. A patron, upon the patron's representation that such chips or plaques had been purchased or received as payment in a gaming transaction from an employee of the casino licensee during the normal course of the employee's duties while on the premises of the casino licensee; or

2. One of its employees who is authorized to receive gratuities, upon the employee's representation that the gaming chips were received as gratuities in the normal course of his or her duties while on the premises of the casino licensee.

(j) Employees of a casino licensee who are authorized to receive gaming chips as personal gratuities may redeem the gaming chips at the cashiers' cage or at another secure location in the casino hotel as approved by the Commission. Gaming chips redeemed by employees at a non-cage employee redemption site shall be exchanged on a daily basis with the cashiers' cage pursuant to N.J.A.C. 19:45-1.15 and in accordance with procedures approved by the Commission.

(k) Each casino licensee shall redeem promptly its own genuine value chips and gaming plaques presented to it by any other legally operated casino licensee upon the representation that such chips and plaques were received or accepted unknowingly, inadvertently or in error or were redeemed in accordance with the provisions of (i) above. Each casino licensee shall submit to the Commission for approval a

system for the exchange, with other legally operated casino licensees, of value chips and gaming plaques:

1. That are in its possession and that have been issued by any other legally operated casino licensee; and

2. That it has issued and that are presented to it for redemption by any other legally operated casino licensee.

(l) Each casino licensee shall cause to be posted and remain posted in a prominent place on the front of the cashiers' cage, any satellite cage, the simulcast counter, the keno booth and any satellite keno booth a sign that reads as follows:

"By law, gaming chips or plaques issued by another casino may not be used, exchanged or redeemed in this casino or casino simulcasting facility."

19:46-1.6 Receipt of gaming chips or plaques from manufacturer or distributor; inventory, security, storage and destruction of chips and plaques

(a) When gaming chips or plaques are received from the manufacturer or distributor thereof, they shall be opened and checked by at least three people, one of whom shall be from the accounting or auditing department of the casino licensee. Any deviation between the invoice accompanying the chips and plaques and the actual chips or plaques received or any defects found in such chips or plaques shall be reported promptly to the Commission and Division.

(b) After checking the gaming chips or plaques received, the casino licensee shall cause to be recorded in a chip inventory ledger the assigned alphabetical designation, the denomination of the value chips and gaming plaques received, the number of each denomination of value chip and gaming plaque received, the serial number, if required by N.J.A.C. 19:46-1.1A(i) or 1.4(b), of the value chips and gaming plaques received, the number and description of all non-value chips received, the date of any such receipt and the signatures of the individuals who checked any such chips and plaques. If the gaming chips will not be put into active use, the ledger shall also identify the storage location.

(c) Any gaming chips not in active use shall be stored in:

1. An approved casino vault;
2. The cashiers' cage; or
3. A comparable secure area, approved by the Commission, which is adjacent to and accessible exclusively from the casino.

(d) Whenever any gaming chips or plaques are taken from or returned to an approved storage area, at least two individuals shall be present, and the following information shall be recorded in the chip inventory ledger together with the date and signatures of the individuals involved:

1. The alphabetical designation, and if applicable, any numeric designation;
2. The number, dollar amount, and, if required by N.J.A.C. 19:46-1.1A(i) or 1.4(b), serial number for each denomination of value chip or gaming plaque removed or returned;
3. The number and description of the non-value chips removed or returned;
4. The specific storage area being entered; and
5. The reason for the entry into the storage area.

(e) At the end of each gaming day, a casino licensee shall compute and record the unredeemed liability for each denomination of value chips and gaming plaques. At least once every 30 days, at a minimum, each casino licensee shall inventory all sets of value chips and gaming plaques in its possession and shall record the result of such inventory in the chip inventory ledger. The procedures to be utilized to compute the unredeemed liability and to inventory value chips and gaming plaques shall be submitted to the Commission for approval. A physical inventory of value chips and gaming plaques not in active use shall only be required annually if the inventory procedures incorporate the sealing of the locked compartment.

1. If a casino licensee elects to commingle gaming chips pursuant to N.J.A.C. 19:46-1.3(e), a member of the casino accounting department shall, on a quarterly basis, inventory all gaming chips of a particular sample and re-adjust the starting inventory for those gaming chips which are no longer in the possession of the casino licensee. The adjusted inventory figure shall be recorded in the chip inventory ledger and shall be the new beginning inventory figure for the next quarter for purposes of computing the daily outstanding chip liability required by this section.

(f) Prior to the destruction of gaming chips and plaques, the casino licensee shall notify the Commission and the Division, in writing, of the date and the location at which the destruction will be performed, the denomination, number and amount of value chips and plaques to be destroyed, the description and number of non-value chips to be destroyed and a detailed explanation of the method of destruction. Unless otherwise authorized by the Commission, the destruction of gaming chips and plaques shall be carried out in the presence of at least two employees of the casino licensee, one of whom shall be from the accounting or auditing department of the casino licensee and one of whom shall be from any other mandatory department of the casino licensee. The denomination, number and amount of value chips and plaques or, in the case of non-value chips, the description and number so destroyed shall be recorded in the chip inventory ledger.

together with the signatures of the individuals carrying out such destruction, and the date on which said destruction took place. The casino licensee shall also maintain a written log of the names and license numbers of all casino personnel involved in each such destruction, as well as the names and addresses of all non-casino personnel involved.

(g) A casino licensee shall ensure that at all times there is adequate security, as approved by the Commission, for all gaming chips and plaques in its possession.

19:46-1.7 Roulette table; physical characteristics; double zero roulette wheel used as a single roulette wheel

(a) Roulette shall be played on a table having a roulette wheel of not less than 30 inches in diameter at one end of the table and a roulette layout imprinted on the opposite end of the table.

(b) Each roulette wheel shall be of a single zero variety or a double zero variety as described and depicted below:

1. Each single zero roulette wheel shall have 37 equally spaced compartments around the wheel where the roulette ball shall come to rest. The roulette wheel shall also have a ring of 37 equally spaced areas to correspond to the position of the compartments with one marked zero and

colored green and the others marked 1 to 36 and colored alternately red and black which numbers shall be arranged around the wheel as depicted in the following diagram unless otherwise approved by the Commission. The color of each compartment shall either be a corresponding color to those depicted on the ring or a neutral color as approved by the Commission.

2. Each double zero roulette wheel shall have 38 equally spaced compartments around the wheel where the roulette ball shall come to rest. The roulette wheel shall also have a ring of 38 equally spaced areas to correspond to the position of the compartments with one marked zero and colored green, one marked double-zero (00) and colored green, and the others marked 1 to 36 and colored alternately red and black which numbers shall be arranged around the wheel as depicted in the following diagram unless otherwise approved by the Commission. The color of each compartment shall either be a corresponding color to those depicted on the ring or a neutral color as approved by the Commission.

(c) A double zero roulette wheel may be used as a single zero roulette wheel, provided that:

1. If a double zero table layout is used, the "00" wager area on the layout is obscured with a cover or other approved device which clearly indicates that such a wager is not available; and

2. Appropriate signage is posted at the roulette table to notify players that:

i. A double zero roulette wheel is being used as a single zero roulette wheel, and that double zero (00) is not an available wager;

ii. If the roulette ball comes to rest in a compartment marked double zero (00), the spin will be declared void and the wheel will be respun; and

iii. Wagers on red, black, odd, even, 1 to 18 and 19 to 36 shall be lost if the roulette ball comes to rest in a compartment marked zero (0).

(d) The layout for a roulette table shall be approved by the Commission and shall contain, at a minimum:

1. The name or trade name of the casino licensee offering the game; and

2. Specific areas for the placement of the wagers authorized by N.J.A.C. 19:47-5.1.

(e) Notwithstanding (d) above, if a casino licensee offers an optional wager authorized by N.J.A.C. 19:47-5.1, the layout for that roulette table shall also include, in a manner approved by the Commission, designated areas for the placement of such wagers.

(f) Each roulette table shall have a drop box and a tip box attached to it, in locations approved by the Commission.

Petition for Rulemaking: To permit alternative color designations for the bases of the equally spaced compartments or pockets of the roulette wheel upon which the ball comes to rest.

19:46-1.8 Roulette balls

Balls used in gaming at roulette shall be made completely of a non-metallic substance and not be less than 12/16 of an inch nor more than 14/16 of an inch in diameter unless otherwise approved by the Commission.

19:46-1.9 Roulette; inspection procedures; security procedures

(a) Prior to opening a roulette table for gaming activity, a casino supervisor or member of the casino security department shall:

1. Inspect the roulette table and roulette wheel for any magnet or contrivance that would affect the fair operation of such wheel;
2. Inspect the roulette wheel to assure that it is level and rotating freely and evenly;
3. Inspect the roulette wheel to assure that all parts are secure and free from movement;
4. Inspect the roulette ball by passing it over a magnet or compass to assure its non-magnetic quality; and
5. Conform that the layout and signage comply with N.J.A.C. 19:46-1.7(c), if a double zero roulette wheel is being used as a single zero roulette wheel.

(b) If a casino licensee uses a roulette wheel which has external movable parts, any adjustments to the movable parts shall be made by a casino supervisor or a member of the casino maintenance department, in the presence of a security department member. Adjustments to the movable parts of a roulette wheel that is located on the casino floor, or in a casino simulcasting facility, shall only be made:

1. When the casino or casino simulcasting facility is not open to the public; or
2. If the roulette wheel is moved to a secure location outside the casino or casino simulcasting facility as approved by the Commission.

(c) All adjustments shall be completed prior to the required inspections in (a) above.

(d) The casino licensee may replace any of the movable parts at any time, provided, however, if any one or more of

the movable parts are external then an inspection must be completed by the Division prior to reopening the roulette wheel and table for gaming activity.

(e) A log shall be maintained which shall include, at a minimum, the date, the roulette table number, whether an adjustment or replacement was completed and the signature of the person making the adjustment or replacement.

(f) When a roulette table is not open for gaming activity, the roulette wheel shall be secured by placing a cover over the entire wheel and securely locking such cover to the roulette table.

19:46-1.10 Blackjack tables; card reader device; physical characteristics; inspections

(a) Blackjack shall be played at a table having on one side places for the players and on the opposite side a place for the dealer.

(b) The layout for a blackjack table shall be approved by the Commission and shall contain, at a minimum:

1. The name or trade name of the casino licensee offering the game; and
2. Specific areas designated for the placement of wagers, which betting areas shall not exceed seven in number, with the exception of the 6 to 5 blackjack variation, which shall contain no more than six betting areas.

(c) The following inscriptions shall appear on the blackjack layout:

1. Blackjack pays 3 to 2.
2. Dealer must draw to 16 and stand on all 17's; and
3. Insurance pays 2 to 1.

(d) If a casino licensee offers the blackjack rule variations in accordance with the requirements of N.J.A.C. 19:47-2.6(k), the blackjack layout shall be approved by the Commission and have imprinted on it, at a minimum, the following inscriptions instead of the inscriptions set forth in (c) above:

1. Blackjack pays 1 to 1;
2. Dealer must draw to 16 and stand on all 17's; and
3. Dealer's hole card dealt face up.
