In a memorandum dated December 3, 2018, Authorization to Declare New Jersey Turnpike Property Surplus to the Authority's Needs and Authorize the Executive Director to Transfer the Property to Bruce Johnston, New Jersey Turnpike Parcel 129X1B, Section 1, Amount: \$38,000.00 (Revenue to the Authority), was approved.

New Jersey Turnpike Authority Property Parcel No. 129X1B (the "Property") consists of ±33.52 acres of vacant land, which are mostly wetlands, located west of North Game Creek Road, Township of Carneys Point, County of Salem and is also known as Block 248, portion of Lot 6.

In accordance with the Authority's regulations for the sale of Surplus Property, N.J.A.C. 19:9-2.6, the Law Department has circulated information regarding the Property to the Chief Engineer, the Director of Maintenance, the Director of Operations, the Chief Information Officer (ITS), and the Authority's Engineering Consultant, HNTB Corporation, for review. Each has reviewed the information regarding the Property and all have certified that the Authority no longer requires the Property and does not see any future use of the Property by the Authority. An adjoining property owner, Bruce Johnston, has offered to purchase the Property for the sum of \$38,000.00. Accordingly, it is recommended that authorization be given to declare the Property surplus to the Authority's needs. It is further recommended that the Executive Director be authorized to take any steps necessary to sell Parcel No. 129X1B to Bruce Johnston for the fair market value of \$38,000.00, in accordance with the Authority's regulations for the sale of Surplus Property, N.J.A.C. 19:9-2.6. The work generally includes deck repairs, joint repairs, replacement of existing asphalt wearing surface, bearing replacement and miscellaneous substructure repairs.

Two bid proposals were received on October 26, 2018 for the above publicly advertised contract, as shown on the attached bid summary sheet. Sanzari, Inc. has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. T100.411 be awarded to the low bidder, Joseph M. Sanzari, Inc. of Hackensack, New Jersey, in the amount of \$11,239,000.00 which is allocated as follows: \$10,000,000.00 for FY 2019 and \$1,239,000.00 for FY 2020. The bid proposal, in the amount of \$11,753,181.00, may be compared to the Engineer's Estimate in the amount of \$9,315,876.00. The bid was higher than the Engineer's Estimate due to strict/reduced working hours, limited construction access, complex MPT and utility/railroad coordination. The low bidder Joseph M. Sanzari, Inc. has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. P100.413 be awarded to the low bidder, Joseph M. All work is expected to be completed by May 2020.

Nine bid proposals were received on October 18, 2018 for the above publicly advertised contract, as shown on the attached bid summary sheet. The low bid proposal, in the amount of \$6,433,239.62, may be compared to the Engineer's Estimate in the amount of \$7,139,070.00. The low bidder, South State, Inc. has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. P200.427 be awarded to the low bidder, South State, Inc. of Bridgeton, New Jersey, in the amount of \$6,433,239.62. The Solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and 46 engineering firms were prequalified and eligible under Profile Codes: A092 – Bridges: Miscellaneous Repairs and A093 – Bridges: Deck Replacement and Rehabilitation. Seven firms submitted EOIs by the closing date of October 23, 2018.

The scoring of the EOIs by the Review Committee resulted in the following order of ranking: 1) Cherry, Weber & Associates, P.C.; 2) Stantec Consulting Services, Inc. and 3) Arora and Associates, P.C. These three firms were requested to submit sealed Fee Proposals. Fee Proposals submitted by the three firms have been reviewed. A review of the fee proposal of the highest technically ranked firm, Cherry, Weber & Associates, P.C., for OPS No. P3673 (their preferred OPS) resulted in acceptance of their original fee proposal. Subsequently, a review of the fee proposal of the second highest technically ranked firm, Stantec Consulting Services, Inc. for OPS No. P3672 was negotiated, which resulted in a reduction in their fee proposal. Both fees are considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. P3672 be issued to the firm of Stantec Consulting Services, Inc., of Rochelle Park, NJ, not to exceed the amount of \$1,028,000.00 allocated as follows: \$820,000.00 in FY 2019 and \$208,000.00 in FY 2020. In a document dated November 30, 2018, Recommendation to Issue Supplement A to Order for Professional Services No. P3421, Garden State Parkway, Atkins North America, Inc., Program Management Services for the Garden State Parkway Widening between Interchanges 30 and 48, RM-145761, Budget Code: 080C00046, Original OPS Amount: \$ 6,900,000.00, Amount of Supplement A: \$ 1,700,000.00, Revised OPS Amount: \$ 8,600,000.00, was approved.

This Order for Professional Services was approved at the November 2011 Commission Meeting, in the amount of \$6,900,000.00. It provides program management services including the coordination, oversight and reporting activities required to facilitate the Final Design of Phase 3 of the Garden State Parkway 30 to 80 Widening Program. Phase 3 widened the Parkway from Milepost 35 to 48 and improved interchanges in both the northbound and southbound directions and coordinated with the proposed improvements at Interchanges 41 and 44. Extensive coordination was required due to the involvement of several consulting engineers, the ongoing improvements at Interchanges 41 and 44, and conformance to the approved Widening Program permits.

Supplement A will compensate Atkins North America, Inc. for additional Program Management services and data collection required for the advancement of the Shoulder Widening of the Garden State Parkway from Milepost 30 to 35. This final section of the Program is part of the fast track projects included in the recently allocated funds to address necessary infrastructure deterioration and safety improvements to the Turnpike and Parkway as quickly as possible. Due to the fast track service required to complete design in December 2019, this supplement will complete the mapping, collect soil borings, advance utility coordination, and administer a drainage pipe cleaning and video inspection program. This information is necessary to advance the final design and to prepare construction contract documents that will be performed under OPS No. P3411 in the near future.

It is, therefore, recommended that Supplement A to Order for Professional Services No. P3421 be issued to Atkins North America, Inc. not to exceed the amount of \$1,700,000.00 with compensation on the same basis as the original Order for Professional Services. The addition of this amount increases the total authorized fee from \$6,900,000.00 to \$8,600,000.00. The original contract was procured pursuant N.J.S.A. 52:34-9.1 et seq. and N.J.A.C. 19:9-2.8.

285-12-2018

In a document dated December 11, 2018, Snow Removal and Salting Services 2018, 2021, Ratification, Various Contractors, RM-141055, Contract Nos. PPS-21-18; PPS-29-18 and PPN-47-18, Budget Code: Various, Amount: Funds authorized at the July 2018 Commission Meeting (3-Year Contracts), was approved.

At the July 24, 2018 Board of Commissioners Meeting, the Authority awarded multiple contracts for snow removal and salting services ("Services") for 15 designated locations on the Authority's Roadways (Agenda Item No. 163-07-2018). The contracts are for three snow seasons (the period beginning October 15, 2018 and ending April 15, 2021). Following the expiration of the Governor's 10-day veto, contracts for the Services were executed with the vendors authorized by the Commission action.

Recently, in entering the contract information into the Authority's financial software system, staff discovered that three contract awards recommended to two vendors, namely Earle Asphalt Company of Farmingdale, NJ ("Earle") and L&Y Enterprises, LLC of Hammonton, NJ ("L&Y"), were incorrect. Contrary to Section II 18 (e) of the Request for Bids, both Earle (Contracts PPS-21-18 and PPS-29-18) and L&Y (Contract PPN-47-18), each quoted an hourly Standby Time above the maximum allowable rate of 50% of the hourly Regular Time quoted by the bidder. Even though the overall total amounts bid by Earle and L&Y were less than each of their competitor's second low bid, their bids were flawed and should have been rejected. The Law Department, in reviewing Earle's and L&Y's bids, concluded that each bid violated a material mandatory specification and therefore the contracts must be rescinded and awarded to the next lowest responsible bidders. Thus, Maintenance staff completed and found fully compliant the technical documentation and snow removal equipment of the following next lowest bidders: 1) Silvi Concrete of Englishtown Fairless Hills, PA ("Silvi"); 2) A&A Truck Parts, Inc., Freehold, NJ ("A&A"); and 3) NSG Group, LLC, Colonia, NJ ("NSG"). The Maintenance Department therefore, with the concurrence of the Law Department recommended awards to these three vendors for contracts at the rates stated in the attached Bid Results. Given that the Services are deemed emergency services and the contracts needed to be established by mid-October (the commencement of the snow-season), awards were made under the Executive Director's delegated authority.

The contracts were procured and awarded to in accordance with *N.J.S.A 27:23-6.1(a)* of the Authority's enabling legislation, *N.J.A.C. 19:9-2.2*, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006). These vendors are in compliance with Public Law 2005, Chapter 51 and Executive Order No 117 (Corzine 2008).

Accordingly, it is recommended that the award of contracts to Silvi Concrete of Englishtown (Contract PPS-21-18), A&A Truck Parts, Inc. (Contract PPS-29-18) and NSG Group, LLC (Contract PPN-47-18) for snow removal and salting services be ratified. There are no changes in the estimated contract values or overall total authorized amount for the contracts as

GS-35F-0632N expiring 5/21/23, Amount: \$135,995.12 (3-year contract), was approved.

The displays provide the Authority, the NJDOT and NJ State Police with the ability to display real-time video from New Jersey roadways, creating situational and event awareness essential to daily operations. In addition, the video displays facilitate emergency management on the respective roadways.

This procurement, under the General Services Administration ("GSA")/Federal IT Schedule 70, Contract No. GS-35F-0632N, is in accordance with *N.J.A.C. 17:12-1A.5*, promulgated pursuant to *N.J.S.A. 52:34-6.3* which permits New Jersey state entities such as the Authority, without advertising, to purchase goods and services directly from vendors which hold GSA contracts under the Federal Supply Schedules.

Chief Financial Officer Donna Manuelli requested approval of item number 292-12-2018.

Moved is the item as follows:

292-12-2018

In a document dated November 30, 2018, **Authorization to Adopt New Jersey Turnpike Authority OPEB Trust Agreement and Plan of Benefits**, was approved.

At the January 16, 2014 commission meeting, the Board approved an action plan to establish an Internal Revenue Code (IRC) Section 115 Trust for Other Post Employment Benefit (OPEB) obligations. OPEB obligations include employee benefits, other than pensions, that are received after employment ends. OPEB includes the post-employment benefit items such as medical and prescription drugs. The authorization allowed the establishment of the OPEB Trust and all other necessary actions to implement the Trust.

The attached OPEB Trust Agreement and Plan of Benefits (the Plan) provides a mechanism for pre-funding OPEB obligations by adopting the attached Plan which establishes a Trust Fund. The Trust Fund established under this Plan and the assets thereunder will not be used for, or diverted to, purposes other than the exclusive benefit of Participants. The Trust Fund shall be established under Code section 115 and shall be an irrevocable trust under applicable law of the State of New Jersey.

Over the past several years, credit rating agencies and investors have increased their focus on prudent financial management and planning for governmental entities, especially in the areas of retiree benefits – both pension and other benefits. The Authority's management recognized that funding OPEB is important for not only satisfying rating agencies and investors, but also to meet its obligations to its employees and retirees. In addition, Governmental Accounting Standards Board (GASB) Statement No. 75, requires the Authority to have its OPEB obligation calculated and recorded as an expense and liability in its financial statements. This new GASB replaces a prior statement (GASB 45) and has to be adopted by the Authority as part of its audited financial statements for the year ended December 31, 2018. It is expected that the Authority will have to record a much greater liability in its financial statements under this new standard. Based on the most recent actuarial calculation as of January 1, 2017, the Authority's total unfunded actuarial accrued liability was approximately \$1.5 billion. The establishment and even partial funding of an OPEB Trust provides a financial benefit which will reduce the Authority's unfunded liability.

032335

Once the attached Plan is approved, the Authority will continue the steps to implement the Plan, including procurement of a Trustee and an Investment Advisor, as well as submit any required documentation to the Internal Revenue Service (IRS). The Authority's Health Benefit Consultant has assisted in the drafting of the Plan, and it has been reviewed by outside counsel. Adoption of the Plan provides a benefit to both the Authority, its employees and its retirees, and as such, approval is respectfully recommended.

[See OPEB Trust Agreement attached to these minutes]

On motion by Treasurer DuPont and seconded by Commissioner Salerno the Board unanimously approved item number 292-12-2018; and authorized or ratified, as presented, the recommendations contained therein; and received and filed the memoranda.

EXECUTIVE

Deputy Executive Director James Carone requested approval of item number 293-12-2018. Moved is the item as follows:

293-12-2018

In a memorandum dated December 12, 2018, Authorization to Award a contract for Insured Stop Loss coverage to TMS Re Stop Loss, Inc., for the Period 1/1/2019 - 12/31/2019 and to negotiate renewal of this coverage for an additional one year period, was approved.

The New Jersey Turnpike Authority (the "Authority") has been working with its Health Benefits Consultant, The Segal Company ("Segal"), to solicit proposals for Stop Loss Insurance. Stop Loss coverage is insurance that protects the Authority's self-insured medical benefits program from individual claimants with aggregate medical and prescription drug claims paid in excess of \$350,000, which is the Authority's self-insured retention.

On behalf of the Authority, Segal requested proposals from seventeen (17) vendors for rates offering stop loss insurance effective January 1, 2019. Vendors were asked to provide proposals to match the provisions of the Authority's existing contract. Two (2) proposals were received from the following entities:

- 1) TMS Re Stop Loss, Inc. ("TMS Re")
- 2) Berkley Accident and Health Insurance Company. ("Berkley")

In its Evaluation Report dated December 2018, Segal thoroughly documented its evaluation process, the proposals, and its recommendation. Berkley's proposal was deemed excessive as their annual fee resulted in a 180% increase.

TMS Re submitted several options which were reviewed by Segal and Authority

management. Two (2) options were deemed the most feasible. The first quote is a 49% increase to current rate, but does not laser any individuals, as was done in the previous year. Last year's contract had one (1) employee "lasered" with a higher \$750,000 deductible, thus increasing the Authority's overall Stop Loss exposure for this individual by \$400,000. Under the first option offered in TMS Re's proposal, all participants maintain the \$350,000 deductible limit. The premium cost for this option is \$44.90 per employee per month with an estimated annual premium of \$1,453,100, based on current enrollment. This first option represents a large increase due to the high claims expense in 2017 and 2018.

The second option offered by TMS Re incorporated the same provisions as the first with the additional feature of an aggregating specific deductible of \$250,000. The aggregating specific deductible allows a reduced stop loss premium in exchange for assuming additional claim liability. When an individual claim, or combination of individual claims exceed the deductible limit (\$350,000), the amount exceeding the deductible is applied to the aggregate specific deductible (\$250,000) rather than being paid to the Authority. When the total excess claim amounts exceeding the individual stop loss deductible equals the aggregating specific deductible, these additional amounts will be reimbursed back to the Authority. Based on the discussion with Segal, since the premium amount differential is the same as the aggregating specific deductible, the Authority's maximum claims exposure of Option 2 would not exceed the total cost exposure of Option 1, with the potential benefit of premium savings if the actual excess claims are less than the aggregating specific deductible. The Authority and Segal have agreed that Option 2 is the best fit for the Authority in 2019. The premium cost for this option is \$37.18 per employee per month with an estimated annual premium of \$1,203,100, based on current enrollment, a 23.4% increase above current contract.

Segal recommends, and staff concurs with placing the stop loss coverage with TMS Re. It should be noted that TMS Re is not only the most competitive proposal regarding cost, but it also provides a more favorable insured agreement for the Authority. TMS Re will continue to include a provision that considers all dependent children of an employee as one individual for deductible purposes in addition to a renewal cap not to exceed +49%. The insurance financial strength of Nationwide Life Insurance Company will be insuring the coverage, which has an A.M. Best rating of A+.

Therefore, authorization is requested to award a contract for insured Stop Loss coverage to TMS Re of Princeton New Jersey, for Option 2 including the aggregating specific deductible of \$250,000, for the policy period of January 1, 2019 through December 31, 2019, for an amount not to exceed \$1,203,100, which precise premium shall be subject to fluctuation based on enrollment, as the premium is computed on a per participant per month basis. It is further recommended that the Executive Director be authorized to take any actions and execute any documents that are necessary to effectuate the purpose of the above authorizations. Authorization is further

requested to authorize the Executive Director to negotiate with TMS Re for one subsequent one-year renewal not to exceed a 15% maximum increase in the annual fee. In the event that the Executive Director cannot negotiate renewal of this coverage with TMS Re, the Authority will, once again, engage all available resources to evaluate market conditions, solicit competitive rates and seek authorization from the Board for any subsequent awards.

On motion by Treasurer DuPont and seconded by Commissioner Pocino the Board unanimously approved item number 293-12-2018; and authorized or ratified, as presented, the recommendations contained therein; and received and filed the memoranda.

Such accountant shall, after an audit of the books and records of the Trust Fund in accordance with generally accepted auditing standards, within a reasonable period after the close of the Plan Year, furnish to the Plan Administrator and the Trustee a report of such audit setting forth his or her opinion as to whether each of the following statements, schedules, or lists, or any others that are required are presented fairly in conformity with generally accepted accounting principles consistently. All auditing and accounting fees shall be an expense of, and be paid from, the Trust Fund.

- 6.06 **Discharge of Fiduciary Responsibility.** The Plan Administrator shall discharge its duties and responsibilities with respect to the Plan and Trust Fund in accordance with the standards set forth in this Trust Agreement. Accordingly, the Plan Administrator shall discharge such duties:
- a. Solely in the interest of the Participants for the exclusive purpose of providing benefits to the Participants and defraying reasonable expenses of administering the Plan;
 - b. With the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims;

- 7.02 Rights of the Trustee.** The Trustee agrees that any directions given, information furnished, or action taken by it shall be in accordance with the provisions of this Trust Agreement. The Trustee shall be under no liability for any payment made by it pursuant to the direction of the Plan Administrator and shall be under no duty to make inquiries as to whether any payment directed by the Plan Administrator complies with Section 8.03. The Trustee shall be responsible for the proper exercise of its own powers, duties and responsibilities, and obligations under this Trust Agreement. The Trustee shall not guarantee the Trust Fund in any manner against investment loss or depreciation in asset value, nor shall the Trustee be responsible for the adequacy of the Trust Fund to meet and discharge any and all payments and liabilities under the Plan.
- 7.03 Payment of Expenses.** All expenses of administration of the Plan and Trust Fund shall be paid out of the Trust Fund. Such expenses shall include, but shall not be limited to, fees of the Trustee, accountants, counsel and other specialists and their agents. However, the Employer shall pay any expenses for services necessary to establish the Plan and Trust, and may pay any other expenses at their discretion.
- 7.04 Limitation of Liability.** In the event any claim, suit, or proceeding is brought regarding the Trust Fund established hereunder to which the Trustee, individually or collectively, or the Plan Administrator may be a party, and such claim, suit, or proceeding is resolved in favor of the Trustee or Plan Administrator, they shall be entitled to be reimbursed from the Trust Fund for any and all costs, attorney's fees, and other expenses pertaining thereto incurred by them for which they shall have become liable.

Upon the acceptance of such appointment by successor Trustee, the retiring Trustee shall forthwith assign, transfer, and pay over to the successor Trustee, the funds and property then constituting the Trust Fund less the expenses chargeable thereto. If no such successor Trustee is appointed, the Trustee may continue to hold the Trust Fund in accordance with the provisions of the Plan and this Trust Agreement.

Participation in the Plan shall not give Participants the right or claim to post-retirement Health Insurance or other benefits.
- 8.03 **Exclusive Benefit.** Except as provided herein and otherwise specifically permitted by law, it shall be impossible by operation of the Trust Fund, by termination, amendment, or by the happening of any contingency for any part of the corpus or income of the Trust Fund or any funds contributed thereto to be used for, or diverted to, purposes other than the payment of Health Insurance on behalf of Participants and for the exclusive benefit of Participants. In no event shall the assets of the Trust Fund be subject to the claims of the creditors of the Authority, Board of Commissioners, Plan Administrator, Trustee, or Participants.
- 8.04 **Separability.** If any provision or provisions of the Plan and Trust Agreement shall be for any reason invalid or unenforceable, this will not affect any other provision of this Plan or the Trust Fund. In the event of any such holding, the Plan Administrator will immediately amend the Plan or Trust Agreement provisions to remedy the defect to the extent possible.
- 8.05 **Plan Administrator's Reliance.** If a Participant makes any erroneous statement, omits any material fact, or fails to correct any information previously furnished incorrectly to the Employer or the Plan Administrator for its records, the Plan Administrator has the right to maintain an action to recover any amounts improperly paid on behalf of any person.

ARTICLE IX

AMENDMENT AND TERMINATION

9.01 Discontinuance of Contributions. It is the intention of the Authority that this Plan and Trust Fund shall be maintained indefinitely. However, the Authority reserves the right at any time or times to discontinue Employer contributions to any extent in its sole judgment. The Employer's failure to contribute to the Trust Fund in any Plan Year will not discontinue the Plan or Trust Fund.

9.02 Amendment of Trust. It is the intention of the Authority that this Plan and Trust Fund shall be maintained indefinitely. However, the Authority reserves the right at any time or times to amend the Trust Agreement, in accordance with the provisions of this Article IX.

All Participants and any persons claiming any interest in the Plan or Trust Fund will be bound by such amendment, provided that no amendment:

- a. Transfers to the Employer, or to any person or entity under the control of the Employer, any interest in the assets of the Plan or Trust Fund before satisfaction of all OPEB Liabilities for the payment of Health Insurance for Participants;
- b. Causes any of the Plan or Trust Fund assets to be diverted to purposes other than the exclusive benefit of Participants except as provided in Section 8.03;
- c. Increases the rights, duties, and responsibilities of the Plan Administrator or Trustee without its written consent.

Any such amendment shall be by written instrument delivered to the Plan Administrator and the Trustee.

9.03 Termination. The Authority specifically reserves the right to discontinue or terminate this Plan and Trust Fund in whole or in part. Upon a termination of the Plan and Trust Fund, the Plan Administrator and Trustee shall take such steps as determined to be necessary or desirable to comply with applicable laws, and such steps as necessary to ensure:

- a. In no event may the assets of the Trust Fund be transferred to a tax-exempt organization that is not a state, a political subdivision of a state or an organization the income of which is excluded from gross income under Code section 115;
- b. No assets of the Trust Fund are distributed to the Employer, or to any person or entity under the control of the Employer; and

032360

- c. That the assets remain dedicated to the payment of Health Insurance for Participants in another tax-exempt vehicle.

9.04 Assets in Excess of Liabilities. If, after satisfaction of all liabilities with respect to the Employer's OPEB Liabilities for the provision of Health Insurance for the benefit of Participants, there is any balance remaining in the Trust Fund, such balance shall be refunded to the Employer if not otherwise prohibited by law and provided that the right of the Employer to receive such refund shall not jeopardize the Trust Fund's status as a vehicle for the contributions to which offset OPEB Liabilities of the Employer.
