# State of New Jersey 

2014-15

The New Jersey Department of Education (NJDOE) is pleased to present these annual reports of School Performance. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

In particular, the School Performance Reports seek to:

- Focus attention on metrics that are indicative of college and career readiness.
- Benchmark a school's performance against other peer schools that are educating similar students, against statewide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- Improve educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

While the New Jersey School Performance Reports seek to bring more information to educators and stakeholders about the performance of schools, they do not seek to distill the performance of schools into a single metric, a single score, or a simplified conclusion. Instead, the intention is that educators and stakeholders will engage in deep, lengthy conversations about the full range of the data presented As educators know well, measuring school performance is both an art and a science. While the School Performance Report brings attention to important student outcomes, NJDOE does not collect data about other essential elements of a school, such as the provision of opportunities to participate and excel in extracurricular activities; the development of non-cognitive skills like time management and perseverance; the pervasiveness of a positive school culture or climate; or the attainment of other employability and technical skills, as many of these data are beyond both the capacity and resources of schools to measure and collect well.

To learn more about New Jersey's school accountability system, please visit: [http://www.nj.gov/education/educators/](http://www.nj.gov/education/educators/).

## Enrollment by Grade

This graph presents the count of students who were 'on roll' by grade in October of each school year.

Note: "UG" represents the count of students who are 'on roll' in this school but who are educated in ungraded classrooms, meaning that the classrooms may contain students from multiple grade levels.

| Total School Enrollment |  |
| :---: | :---: |
| $2012-13$ | $\mathbf{1 , 2 1 1}$ |
| $2013-14$ | $\mathbf{1 , 2 1 5}$ |
| $2014-15$ | $\mathbf{1 , 1 7 8}$ |

This graph presents the count of students by gender who were 'on roll' in October of each school year

|  | Male | Female |
| :---: | :---: | :---: |
| $2012-13$ | 622 | 589 |
| $2013-14$ | 638 | 578 |
| $2014-15$ | 595 | 583 |

State of New Jersey

This graph presents the percentages of enrollment for each subgroup defined by the No Child Left Behind Act of 2001.

# State of New Jersey 

ACADEMIC ACHIEVEMIENT

The Academic Achievement section measures the content knowledge that students have in English Language Arts/Literacy (ELA/L), Mathematics and Biology as demonstrated in 2014-2015 Partnership for Assessment of Readiness for College and Careers (PARCC) assessments and the End-of-Course Biology assessment. The below chart consist of three columns with measures. The first column - Schoolwide Performance - below includes the percentage of students who met or exceeded expectations in ELA/L or Math. The middle column - Peer School Percentile - indicates how the school's outcomes compare to its group of peer schools. The last column Statewide Percentile - indicates how the school's outcomes compare to schools across the state in ELA/L.

| Academic Achievement | Schoolwide <br> Performance | Peer Percentile | State Percentile |
| :--- | :---: | :---: | :---: |
| HS English Language Arts/Literacy Met or Exceeded Expectation | $\mathbf{3 9 \%}$ | $\mathbf{1 6}$ | $\mathbf{5 1}$ |
| Math Met or Exceeded Expectation | $\mathbf{2 6 \%}$ |  |  |

## ESEA Waiver - English Language Arts/Literacy

This table presents, for each subgroup in the school, the total number of valid test scores, the percentage of students who met or exceeded expectations, the assessment participation goal, and the participation rate. The participation goal is established as $95 \%$ by the United States Department of Education.

| Subgroups | Valid Scores | \% Meeting <br> Standards | Participation Goal | Participation Rate | Met Participation? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Schoolwide | 316 | 38.6\% | 95\% | 57.4\% | NO |
| White | 285 | 41.8\% | 95\% | 56.4\% | NO |
| African American | - | - | -- | -- | -- |
| Hispanic | - | - | -- | -- | -- |
| American Indian | - | - | -- | -- | -- |
| Asian | - | - | -- | -- | -- |
| Two or More Races | - | - | -- | -- | -- |
| Students with Disability | 41 | 17.1\% | 95\% | 46.6\% | NO |
| English Learner Students | - | - | -- | -- | -- |
| Economically Disadvantaged Students | - | - | -- | -- | -- |

## YES* = Met Participation Rate (Participation Averaging applied)

Data is presented for subgroups when the count is high enough under ESEA Waiver suppression rules.

State of New Jersey

## ESEA Waiver - Math

This table presents, for each subgroup in the school, the total number of valid test scores, the percentage of students who met or exceeded expectations, the assessment participation goal, and the participation rate. The participation goal is established as $95 \%$ by the United States Department of Education.

| Subgroups | Valid Scores | \% Meeting <br> Standards | Participation Goal | Participation Rate | Met Participation? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Schoolwide | 282 | 25.9\% | 95\% | 55.2\% | NO |
| White | 256 | 27.7\% | 95\% | 54.8\% | NO |
| African American | - | - | -- | -- | -- |
| Hispanic | - | - | -- | -- | -- |
| American Indian | - | - | -- | -- | -- |
| Asian | - | - | -- | -- | -- |
| Two or More Races | - | - | -- | -- | -- |
| Students with Disability | 34 | 14.7\% | 95\% | 43.6\% | NO |
| English Learner Students | - | - | -- | -- | -- |
| Economically Disadvantaged Students | - | - | -- | -- | -- |

YES* = Met Participation Rate (Participation Averaging applied)
Data is presented for subgroups when the count is high enough under ESEA Waiver suppression rules.

## PARCC Performance Level

The PARCC assesses how well students have learned grade-level material in English Language Arts/Literacy (ELA/L) and Math. The tests include questions that measure students' fundamental skills and knowledge, and require them to think critically, solve problems and support or explain their answers.

The PARCC reports students' overall scale scores that range from 650 to 850 . To determine whether students have met academic expectations for their grade level/course in ELA/L and Math, students' overall scale scores are categorized into five Performance Levels. Students performing at levels 4 and 5 (met or exceeded expectations) have demonstrated readiness for the next grade level/course, and are on track for college and careers.

| Five Performance Levels |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
| Level 1: | Level 2: | Level 3: | Level 4: | Level 5: |
| Did Not Yet Meet | Partially Met |  |  |  |
| Expectations <br> (Min. 650) | Expectations | Approached |  |  |
| Expectations |  |  |  |  |$\quad$| Met |
| :--- |
| Expectations |$\quad$| Exceeded |
| :--- |
| Expectations |
| (Max. 850) |

2014-15

COLLEGE AND CAREER READINESS

## GH SCHOOL

GRADE SPAN 09-12
WALL, NJ 07719-1199
Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. Among those behaviors are taking college entrance exams and challenging themselves with rigorous course work. The table below presents five such indicators: the percentage of students enrolled in the 12th grade who took the SAT or ACT, the percentage of 10th and 11th graders who took the PSAT, the percentage of students who scored above the SAT benchmark of 1550, the percentage of 11th and 12th graders who took at least one AP or IB test in English, math, social studies or science, and the percentage of those AP or IB tests that were scored a 3 or higher.

The below chart consist of five columns with measures. The first column - Schoolwide Performance - represents the outcomes for these particular indicators in the school. The second column - Peer School Percentile - indicates how the school's performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how the school's performance compares to schools across the state. The fourth column - Statewide Target - provides the statewide targets for each of these indicators. The last column - Met Target? - indicates whether the School Performance met or exceeded the statewide target. The Summary row presents the averages of the peer school percentiles, the average of statewide percentiles and the percentage of statewide targets met.

| College and Career Readiness Indicators | Schoolwide <br> Performance | Peer <br> Percentile | Statewide <br> Percentile | Statewide Target | Met Target? |
| :--- | :---: | :---: | :---: | :---: | :---: |
| Percent of Students Participating in SAT or ACT | $\mathbf{8 3 \%}$ | $\mathbf{1 6}$ | $\mathbf{5 1}$ | $\mathbf{8 0 \%}$ | YES |
| Percent of Students Participating in PSAT or PLAN | $\mathbf{9 5 \%}$ | $\mathbf{7 4}$ | $\mathbf{6 9}$ | $\mathbf{6 0 \%}$ | YES |
| Percent of Students Scoring Above 1550 on SAT | $\mathbf{5 7 \%}$ | $\mathbf{4 5}$ | $\mathbf{7 7}$ | $\mathbf{4 0 \%}$ | YES |
| Percent of Students Taking at least one AP Test or IB Test in <br> English, Math, Social Studies or Science | $\mathbf{2 7 \%}$ | $\mathbf{2 3}$ | $\mathbf{6 4}$ | $\mathbf{3 5 \%}$ | NO |
| Percent of AP Tests >e or IB Test $>=4$ in English, Math, <br> Social Studies or Science | $\mathbf{7 8 \%}$ | $\mathbf{4 2}$ | $\mathbf{6 9}$ | $\mathbf{7 5 \%}$ | YES |
| Summary | College Readiness Test Participation | $\mathbf{4 0}$ | $\mathbf{6 6}$ |  | $\mathbf{8 0 \%}$ |

The first column of the table below presents the percentage of students enrolled in the 12th grade who took the SAT or ACT and the percentage of students enrolled in 10th and 11th grade who took the PSAT. The second column provides the average across the school's peer group for these two metrics.

| 2014-15 Percent of Students | School | Peer Avg. | State Avg |
| :--- | ---: | ---: | ---: |
| Participating in SAT | $79.4 \%$ | $88.0 \%$ | $79.1 \%$ |
| Participating in ACT | $29.2 \%$ |  | $25.2 \%$ |
| Participating in PSAT or PLAN | $95.1 \%$ | $79.2 \%$ | $79.6 \%$ |
| Participating in Dual Enrollment | $0.3 \%$ |  | $14.9 \%$ |

The table below presents the proportion of 'unique' students enrolled in at least 11th and 12th grade i.e, each student is counted once regardless of how many AP or IB courses he/she may take. The table also presents the proportion of how many 'unique' students took at least one AP or IB test to the school's enrollment in 11th and 12th grade.

| 2014-15 Percent of Students Taking | School | Peer Avg. | State Avg. |
| :---: | :---: | :---: | :---: |
| One or More Course | $36.5 \%$ | $50.0 \%$ | $36.3 \%$ |
| One or More Test | $30.8 \%$ | $42.9 \%$ | $30.7 \%$ |
| At least one AP or IB Test in English, <br> Math, Social Studies or Science | $26.7 \%$ | $36.5 \%$ | $25.3 \%$ |

Note: Students who are enrolled in AP/IB coursework or take AP/IB tests in grades other than 11th and 12th are included in the numerator of this calculation.

Participation Trends - SAT Testing
Participation Trends - SAT Testing
This graph presents the participation rate in the SAT over the last four years.

## Scholastic Assessment Test (SAT) Results

This table presents the percentage of students who achieved a composite SAT score of 1550 or higher. The SAT benchmark score of 1550 (Critical Reading, Mathematics and Writing Score combined) indicates a 65 percent likelihood of achieving a B-average or higher during the first year of college, which in turn has been found by the College Board's research to be indicative of a high likelihood of college success and completion.

| 2014-15 | School | Peer Avg. | State Avg. |
| :--- | ---: | ---: | ---: |
| Percent of Students Scoring <br> Above 1550 on SAT | $56.6 \%$ | $60.2 \%$ | $43.8 \%$ |

## Composite SAT Score

This chart presents the average composite SAT score from the last academic year for students enrolled in this school as well as the average scores achieved in Critical Reading, Mathematics and Writing. The averages from this school's peer group are also presented.

| 2014-15 | School | Peer Avg. | State Avg. |
| :--- | :---: | :---: | :---: |
| Composite SAT Score | 1,581 | 1,632 | 1,508 |
| Critical Reading | 524 | 534 | 496 |
| Mathematics | 536 | 561 | 518 |
| Writing | 521 | 537 | 494 |

## AP /IB Test Results

This table presents the percentage of all AP/IB tests taken by students enrolled in the school that were scored AP $>=3$ and scored IB $>=4$.

| 2014-15 | School | Peer Avg. | State Avg. |
| :--- | :---: | :---: | :---: |
| Percent of AP Tests $>=3$ or IB Test $>=4$ | $78.5 \%$ | $80.1 \%$ | $72.4 \%$ |
| Percent of Scores in AP $>=3$ or IB $>=4$ in <br> English, Math, Social Studies or Science | $77.6 \%$ | $78.1 \%$ | $69.7 \%$ |

## SAT Benchmark Trends

## WALL, NJ 07719-1199

This section of the performance report presents data about graduation, dropout and post-secondary attendance. The graduation rate is calculated according to the ESEA Cohort methodology as required by the United States Department of Education. Dropout rates are calculated from student-level data submitted by districts for students officially classified as dropouts. The dropout rate is the count of students who dropout in an academic year divided by the school's total enrollment.

The below chart consist of five columns with measures. The first column - Schoolwide Performance - represents the outcomes for these particular indicators in this school. The second column - Peer School Percentile - indicates how the school's performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how the school's performance compares to schools across the state.. The fourth column - Statewide Target - provides the statewide targets for each of these indicators. The Statewide Target for Graduation Rate was established pursuant to NJDOE’s ESEA Accountability Workbook. The last column - Met Target indicates whether the School Performance met or exceeded the statewide target. The Summary row presents the averages of the peer school percentile, the average of statewide percentile and the percentage of statewide targets met.

| Graduation \& Post Secondary Indicators | Schoolwide Performance | Peer Percentile | Statewide Percentile | Statewide Targets | Met Target |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Overall Graduation Rate | 94\% | 23 | 54 | 78\% | YES |
| Dropout Rate | 0.4\% | 32 | 53 | 2\% | YES |
| SUMMARY - Graduation \& Post-Secondary |  | 28 | 54 |  | 100\% |
| Graduation Rate by Subgroup |  | Dropout Rate by Subgroup |  |  |  |

This table presents for all NCLB-identified subgroups the "4-year Adjusted Graduation Rate." This rate calculates the percentage of students who are awarded a regular, high school diploma within four years of becoming a first-time ninth grader. The rate is adjusted to account for students who 'transfer-in' and for students who are verified as 'transfers-out'.

|  | School | State Target |
| :--- | ---: | :---: |
| Schoolwide | $94 \%$ | $78 \%$ |
| White | $95 \%$ |  |
| African American | - |  |
| Hispanic | - |  |
| American Indian | - |  |

## WALL TWP

GRADE SPAN 09-12

## WALL, NJ 07719-1199

This section of the performance report presents data about the achievement gap that exists within a school - as measured by the difference between the students' scale scores at the 25 th and 75 th percentile in the school, the Interquartile Range (IQR). Taken together with an understanding of the overall and average achievement levels in the school, the IQR furthers an understanding of the range of student outcomes that exist in a school. A school gap smaller than the state gap indicates that the school's range of student outcomes is narrower than the state's while a school gap broader than the state gap indicates that the school's range of student outcomes is larger than the state's.

# State of New Jersey 

2014-15
GRADE SPAN KG-05

The New Jersey Department of Education (NJDOE) is pleased to present these annual reports of School Performance. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

In particular, the School Performance Reports seek to:

- Focus attention on metrics that are indicative of college and career readiness.
- Benchmark a school's performance against other peer schools that are educating similar students, against statewide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- Improve educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

While the New Jersey School Performance Reports seek to bring more information to educators and stakeholders about the performance of schools, they do not seek to distill the performance of schools into a single metric, a single score, or a simplified conclusion. Instead, the intention is that educators and stakeholders will engage in deep, lengthy conversations about the full range of the data presented As educators know well, measuring school performance is both an art and a science. While the School Performance Report brings attention to important student outcomes, NJDOE does not collect data about other essential elements of a school, such as the provision of opportunities to participate and excel in extracurricular activities; the development of non-cognitive skills like time management and perseverance; the pervasiveness of a positive school culture or climate; or the attainment of other employability and technical skills, as many of these data are beyond both the capacity and resources of schools to measure and collect well.

To learn more about New Jersey's school accountability system, please visit: $\leq$ http://www.nj.gov/education/educators/ $/ \geq$.

# State of New Jersey 

2014-15

The Academic Achievement section measures the content knowledge that students have in English Language Arts/Literacy (ELA/L) and Math as demonstrated in the 2014-2015 Partnership for Assessment of Readiness for College and Careers (PARCC) assessments. The below chart consist of three columns. The first column - Schoolwide Performance - includes the percentage of students in ELA/L and Math who met or exceeded grade level expectations. The middle column - Peer School Percentile - indicates how the school's outcomes compared to its peers. The last column - Statewide Percentile - indicates how the school's outcomes compared to schools across the state.

 3301 ALLENWOOD LAKEWOOD RDWALL, NJ 07719-1199

## PARCC Performance Leve

The PARCC assesses how well students have learned grade-level material in English Language Arts/Literacy (ELA/L) and Math. The tests include questions that measure students' fundamental skills and knowledge, and require them to think critically, solve problems and support or explain their answers.

The PARCC reports students' overall scale scores that range from 650 to 850 . To determine whether students have met academic expectations for their grade level/course in ELA/L and Math, students' overall scale scores are categorized into five Performance Levels. Students performing at levels 4 and 5 (met or exceeded expectations) have demonstrated readiness for the next grade level/course, and are on track for college and careers.

| Five Performance Levels |  |  |  |  |  |

## 2015 National Assessment Educational Progress (NAEP)

The National Assessment of Educational Progress (NAEP) is the largest national assessment of what our nation's students know and can do. NAEP assesses fourth-, eighth-, and twelfth-grade students in subjects such as reading, mathematics, science, and writing. The reporting of NAEP scores on state report cards is a federal mandate. The results of NAEP are also published as the Nation's Report Card, and are available for the nation, states, and, in some cases, urban districts. The NAEP scores on the report card include grades four and eight 2015 reading and math scores for New Jersey which are the last scores published.

## ALLENWOOD ELEMENTARY SCHOOL

 3301 ALLENWOOD LAKEWOOD RDWALL, NJ 07719-1199
Students in both elementary and middle schools begin to demonstrate college readiness behaviors long before they even enter high school. Among the behaviors that research has shown to be indicative of successfully graduating high school is regularly attending school. For all elementary schools, this includes the percentage of students that are chronically absent each year, defined as missing more than $10 \%$ of possible school days.

## Chronic Absentecism Trend

This graph presents the percentage of the enrolled students who were chronically absent for the past three years.

## Absenteeism

The chart below presents the percentage of students who were absent in each category of absence: 0 absences, $1-5$ absences, 6-10 absences, 11-15 absences, and more than 15 absences. An absence is defined as being 'not present' and includes the days missed regardless of whether they were determined to be excused or unexcused by the school.

## 25-5420-060

## ALLENWOOD ELEMENTARY SCHOOL

GRADE SPAN
KG-05
3301 ALLENWOOD LAKEWOOD RD
WALL, NJ 07719-1199
This section of the performance report presents data about student growth, utilizing the Student Growth Percentile Methodology (SGP). SGP creates a measure of how students progressed in grades 4 through 8 in Language Arts Literacy and in grades 4 through 7 in Math when compared to other students with a similar test score history. A short video explaining the methodology can be found here: http://www.state.nj.us/education/njsmart/performance/

The below chart consist of five columns with measures. The first column - Schoolwide Performance - presents the schoolwide median growth score in either English Language Arts/Literacy or Mathematics for all students in the school. The second column - Peer Percentile - indicates how the school's growth performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how a school compares to schools across the state. The last column - Met Target? - indicates whether the school's performance met or exceeded the statewide target, which was set to 35.

The fourth row presents the averages of the peer school percentiles, the averages of statewide percentiles, the percentage of statewide targets met.

| Student Growth Indicators | Schoolwide Performance | Peer <br> Percentile | Statewide <br> Percentile | Statewide <br> Target | Met Target? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Student Growth on Language Arts | 67 | 86 | 92 | 35 | YES |
| Student Growth on Math | 56 | 40 | 63 | 35 | YES |
|  |  | 63 | 78 |  | 100\% |

Student Growth
This table presents for all students with growth scores the interaction between their performance on PARCC and their growth scores. For example, in the top left cell the percentage of students who are both in Level 1 - Did not yet meet expectations AND also demonstrating low growth is displayed.

Language Arts

|  | GROWTH |  |  |
| :--- | :---: | :---: | :---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $4 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $1 \%$ | $2 \%$ | $0 \%$ |
| Approached | $8 \%$ | $5 \%$ | $5 \%$ |
| Met | $9 \%$ | $13 \%$ | $29 \%$ |
| Exceeded | $0 \%$ | $2 \%$ | $20 \%$ |

Math

|  | GROWTH |  |  |
| :--- | :---: | :---: | :---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $0 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $5 \%$ | $2 \%$ | $0 \%$ |
| Approached | $8 \%$ | $10 \%$ | $3 \%$ |
| Met | $13 \%$ | $19 \%$ | $33 \%$ |
| Exceeded | $0 \%$ | $1 \%$ | $5 \%$ |

Low Growth is defined as an Student Growth Percentile score less than 35
Typical Growth is defined as an Student Growth Percentile score between 35 and 65.
High Growth is defined as a Student Growth Percentile score higher than 65.

2014-15

WITHIN SCHOOL ACHIEVEMENT GAP

## MONMOUTH

## WALL TWP

This section of the performance report presents data about the a mith a school as med be the scale scores at the 25 th and 75 th percentile in the school, the Interquartile Range (IQR). Taken together with an understanding of the overall and average achievement levels in the school, the IQR furthers an understanding of the range of student outcomes that exist in a school. A school gap smaller than the state gap indicates that the school's range of student outcomes is narrower than the state's while a school gap larger than the state gap indicates that the school's range of student outcomes is broader than the state's.

## Grade Level - 03

# State of New Jersey <br> 2014-15 <br> GRADE SPAN KG-05 

The New Jersey Department of Education (NJDOE) is pleased to present these annual reports of School Performance. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

In particular, the School Performance Reports seek to:

- Focus attention on metrics that are indicative of college and career readiness.
- Benchmark a school's performance against other peer schools that are educating similar students, against statewide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- Improve educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

While the New Jersey School Performance Reports seek to bring more information to educators and stakeholders about the performance of schools, they do not seek to distill the performance of schools into a single metric, a single score, or a simplified conclusion. Instead, the intention is that educators and stakeholders will engage in deep, lengthy conversations about the full range of the data presented As educators know well, measuring school performance is both an art and a science. While the School Performance Report brings attention to important student outcomes, NJDOE does not collect data about other essential elements of a school, such as the provision of opportunities to participate and excel in extracurricular activities; the development of non-cognitive skills like time management and perseverance; the pervasiveness of a positive school culture or climate; or the attainment of other employability and technical skills, as many of these data are beyond both the capacity and resources of schools to measure and collect well.

To learn more about New Jersey's school accountability system, please visit: $\leq$ http://www.nj.gov/education/educators/ $/ \geq$.

The Academic Achievement section measures the content knowledge that students have in English Language Arts/Literacy (ELA/L) and Math as demonstrated in the 2014-2015 Partnership for Assessment of Readiness for College and Careers (PARCC) assessments. The below chart consist of three columns. The first column - Schoolwide Performance - includes the percentage of students in ELA/L and Math who met or exceeded grade level expectations. The middle column - Peer School Percentile - indicates how the school's outcomes compared to its peers. The last column - Statewide Percentile - indicates how the school's outcomes compared to schools across the state.

## PARCC Performance Leve

The PARCC assesses how well students have learned grade-level material in English Language Arts/Literacy (ELA/L) and Math. The tests include questions that measure students' fundamental skills and knowledge, and require them to think critically, solve problems and support or explain their answers.

The PARCC reports students' overall scale scores that range from 650 to 850 . To determine whether students have met academic expectations for their grade level/course in ELA/L and Math, students' overall scale scores are categorized into five Performance Levels. Students performing at levels 4 and 5 (met or exceeded expectations) have demonstrated readiness for the next grade level/course, and are on track for college and careers.

| Five Performance Levels |  |  |  |  |  |

## 2015 National Assessment Educational Progress (NAEP)

The National Assessment of Educational Progress (NAEP) is the largest national assessment of what our nation's students know and can do. NAEP assesses fourth-, eighth-, and twelfth-grade students in subjects such as reading, mathematics, science, and writing. The reporting of NAEP scores on state report cards is a federal mandate. The results of NAEP are also published as the Nation's Report Card, and are available for the nation, states, and, in some cases, urban districts. The NAEP scores on the report card include grades four and eight 2015 reading and math scores for New Jersey which are the last scores published.

For subgroup outcomes, visit:

## COLLEGE AND CAREER READINESS <br> MONMOUTH

## 25-5420-070

WALL TWP
KG-05

## CENTRAL ELEMENTARY SCHOOL <br> 2007 ALLENWOOD ROAD <br> WALL, NJ 07719-1199

Students in both elementary and middle schools begin to demonstrate college readiness behaviors long before they even enter high school. Among the behaviors that research has shown to be indicative of successfully graduating high school is regularly attending school. For all elementary schools, this includes the percentage of students that are chronically absent each year, defined as missing more than $10 \%$ of possible school days.

## Chronic Absentecism Trend

This graph presents the percentage of the enrolled students who were chronically absent for the past three years.

## Absenteeism

The chart below presents the percentage of students who were absent in each category of absence: 0 absences, 1-5 absences, 6-10 absences, 11-15 absences, and more than 15 absences. An absence is defined as being 'not present' and includes the days missed regardless of whether they were determined to be excused or unexcused by the school.

## State of New Jersey

2014-15

## MONMOUTH

KG-05

This section of the performance report presents data about student growth, utilizing the Student Growth Percentile Methodology (SGP). SGP creates a measure of how students progressed in grades 4 through 8 in Language Arts Literacy and in grades 4 through 7 in Math when compared to other students with a similar test score history. A short video explaining the methodology can be found here: http://www.state.nj.us/education/njsmart/performance/

The below chart consist of five columns with measures. The first column - Schoolwide Performance - presents the schoolwide median growth score in either English Language Arts/Literacy or Mathematics for all students in the school. The second column - Peer Percentile - indicates how the school's growth performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how a school compares to schools across the state. The last column - Met Target? - indicates whether the school's performance met or exceeded the statewide target, which was set to 35.

The fourth row presents the averages of the peer school percentiles, the averages of statewide percentiles, the percentage of statewide targets met.

| Student Growth Indicators | Schoolwide Performance | Peer <br> Percentile | Statewide Percentile | Statewide <br> Target | Met Target? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Student Growth on Language Arts | 48 | 45 | 40 | 35 | YES |
| Student Growth on Math | 41 | 34 | 23 | 35 | YES |
|  |  | 40 | 32 |  | 100\% |

## Student Growth

This table presents for all students with growth scores the interaction between their performance on PARCC and their growth scores. For example, in the top left cell the percentage of students who are both in Level 1 - Did not yet meet expectations AND also demonstrating low growth is displayed.

Language Arts

|  | GROWTH |  |  |
| :--- | ---: | ---: | :---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $2 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $2 \%$ | $1 \%$ | $0 \%$ |
| Approached | $8 \%$ | $9 \%$ | $2 \%$ |
| Met | $24 \%$ | $21 \%$ | $18 \%$ |
| Exceeded | $0 \%$ | $3 \%$ | $11 \%$ |

Math

|  | GROWTH |  |  |
| :--- | :---: | ---: | ---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $2 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $3 \%$ | $3 \%$ | $0 \%$ |
| Approached | $21 \%$ | $11 \%$ | $3 \%$ |
| Met | $15 \%$ | $19 \%$ | $18 \%$ |
| Exceeded | $0 \%$ | $0 \%$ | $5 \%$ |

Low Growth is defined as an Student Growth Percentile score less than 35
Typical Growth is defined as an Student Growth Percentile score between 35 and 65.
High Growth is defined as a Student Growth Percentile score higher than 65.

2014-15

WITHIN SCHOOL ACHIEVEMENT GAP

## 25-5420-070

## MONMOUTH

## WALL TWP

This section of the performance report presents data about the achievement gap that exists within a school - as measured by the difference between the students' scale scores at the 25 th and 75 th percentile in the school, the Interquartile Range (IQR). Taken together with an understanding of the overall and average achievement levels in the school, the IQR furthers an understanding of the range of student outcomes that exist in a school. A school gap smaller than the state gap indicates that the school's range of student outcomes is narrower than the state's while a school gap larger than the state gap indicates that the school's range of student outcomes is broader than the state's.

## Grade Level - 03

# State of New Jersey 

2014-15
R SPAN

The New Jersey Department of Education (NJDOE) is pleased to present these annual reports of School Performance. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

In particular, the School Performance Reports seek to:

- Focus attention on metrics that are indicative of college and career readiness.
- Benchmark a school's performance against other peer schools that are educating similar students, against statewide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- Improve educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

While the New Jersey School Performance Reports seek to bring more information to educators and stakeholders about the performance of schools, they do not seek to distill the performance of schools into a single metric, a single score, or a simplified conclusion. Instead, the intention is that educators and stakeholders will engage in deep, lengthy conversations about the full range of the data presented As educators know well, measuring school performance is both an art and a science. While the School Performance Report brings attention to important student outcomes, NJDOE does not collect data about other essential elements of a school, such as the provision of opportunities to participate and excel in extracurricular activities; the development of non-cognitive skills like time management and perseverance; the pervasiveness of a positive school culture or climate; or the attainment of other employability and technical skills, as many of these data are beyond both the capacity and resources of schools to measure and collect well.

To learn more about New Jersey's school accountability system, please visit: http://www.nj.gov/education/educators/.

## DEMOGRAPHIC INFORMATION

# State of New Jersey <br> 2014-15 

The Academic Achievement section measures the content knowledge that students have in English Language Arts/Literacy (ELA/L) and Math as demonstrated in the 2014-2015 Partnership for Assessment of Readiness for College and Careers (PARCC) assessments. The below chart consist of three columns. The first column - Schoolwide Performance - includes the percentage of students in ELA/L and Math who met or exceeded grade level expectations. The middle column - Peer School Percentile - indicates how the school's outcomes compared to its peers. The last column - Statewide Percentile - indicates how the school's outcomes compared to schools across the state.

| Academic Achievement Indicators | Schoolwide <br> Performance | Peer Percentile | State Percentile |
| :---: | :---: | :---: | :---: |
| English Language Arts/Literacy Met or Exceeded Expectation | $\mathbf{6 1 \%}$ | $\mathbf{7 1}$ | $\mathbf{7 1}$ |
| Math Met or Exceeded Expectation | $\mathbf{5 3 \%}$ |  |  |

ESEA Waiver - English Language Arts/Literacy
This table presents, for each subgroup in the school, the total number of valid test scores, the percentage of students who met or exceeded expectations, the assessment participation goal, and the participation rate. The participation goal is established as $95 \%$ by the United States Department of Education.

| Subgroups | Valid Scores | \% Meeting <br> Standards | Participation Goal | Participation Rate | Met <br> Participation? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Schoolwide | 669 | 60.5\% | 95\% | 74.2\% | NO |
| White | 582 | 61.8\% | 95\% | 72.7\% | NO |

## PARCC Performance Level

The PARCC assesses how well students have learned grade-level material in English Language Arts/Literacy (ELA/L) and Math. The tests include questions that measure students' fundamental skills and knowledge, and require them to think critically, solve problems and support or explain their answers.

The PARCC reports students' overall scale scores that range from 650 to 850 . To determine whether students have met academic expectations for their grade level/course in ELA/L and Math, students' overall scale scores are categorized into five Performance Levels. Students performing at levels 4 and 5 (met or exceeded expectations) have demonstrated readiness for the next grade level/course, and are on track for college and careers.

| Five Performance Levels |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
| Level 1: <br> Did Not Yet Meet | Level 2: <br> Partially Met <br> Expectations <br> (Min. 650) | Expectations | Level 3: | Approached |

ACADEMIC ACHIEVEMIENT

## 2015 National Assessment Educational Progress (NAEP)

The National Assessment of Educational Progress (NAEP) is the largest national assessment of what our nation's students know and can do. NAEP assesses fourth-, eighth-, and twelfth-grade students in subjects such as reading, mathematics, science, and writing. The reporting of NAEP scores on state report cards is a federal mandate. The results of NAEP are also published as the Nation's Report Card, and are available for the nation, states, and, in some cases, urban districts. The NAEP scores on the report card include grades four and eight 2015 reading and math scores for New Jersey which are the last scores published.

For subgroup outcomes, visit:

WALL INTERMEDIATE SCHOOL

Students in both elementary and middle schools begin to demonstrate college readiness behaviors long before they even enter high school. Among the behaviors that research has shown to be indicative of successfully graduating high school is regularly attending school. For all elementary and middle schools, this includes the percentage of students that are chronically absent each year, defined as missing more than $10 \%$ of possible school days. Also presented is the percentage of students participating in Visual and Performing Arts coursework and Algebra I course outcomes.

## Algebra I Course Enrollment

This table presents the count of students in this school who were reported in the Algebra I course code in NJSMART and the count of students who took the Algebra I test of PARCC.

| Algebra I Enrollment Count | Algebra I PARCC Test Count |
| :---: | :---: |
| 184 | 132 |

## Algebra I Test Taking

This table presents the percentage of students, as reported in NJSMART, who earned a C or higher in their Algebra I course and the percentage of students who met or exceeded expectation on the Algebra I test of PARCC.

| Algebra I Percent C or Better | Algebra I PARCC Percent Met or <br> Exceeded Expectation |
| :---: | :---: |
| $94.6 \%$ | $81.1 \%$ |

Chronic Absentecism Trend
This graph presents the percentage of the enrolled students who were chronically absent for the past three years.

WALL, NJ 07719-1199

Absenteeism
The chart below presents the percentage of students who were absent in each category of absence: 0 absences, 1-5 absences, 6-10 absences, 11-15 absences, and more than 15 absences. An absence is defined as being 'not present' and includes the days missed regardless of whether they were determined to be excused or unexcused by the school.

# State of New Jersey 

Visual and Performing Arts
The chart below contains the percentage of students who were enrolled in at least one Dance, Drama/Theater, Music or Visual Arts class in this school. The last row shows the percentage of students who were enrolled in any Visual and Performing Arts classes in the school.

| Percent of Students Enrolled | School | State |
| :--- | :---: | :---: |

# State of New Jersey 

STUDENT GROWTH

WALL TWP
This section of the performance report presents data about student growth, utilizing the Student Growth Percentile Methodology (SGP). SGP creates a measure of how students progressed in grades 4 through 8 in Language Arts Literacy and in grades 4 through 7 in Math when compared to other students with a similar test score history. A short video explaining the methodology can be found here: http://www.state.nj.us/education/njsmart/performance/
The below chart consist of five columns with measures. The first column - Schoolwide Performance - presents the schoolwide median growth score in either English Language Arts/Literacy or Mathematics for all students in the school. The second column - Peer Percentile - indicates how the school's growth performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how a school compares to schools across the state. The last column - Met Target? - indicates whether the school's performance met or exceeded the statewide target, which was set to 35 .

The fourth row presents the averages of the peer school percentiles, the averages of statewide percentiles, the percentage of statewide targets met.

| Student Growth Indicators | Schoolwide Performance | Peer <br> Percentile | Statewide Percentile | Statewide <br> Target | Met Target? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Student Growth on Language Arts | 38 | 33 | 18 | 35 | YES |
| Student Growth on Math | 34 | 10 | 11 | 35 | NO |
|  |  | 22 | 15 |  | 50\% |

This table presents for all students with growth scores the interaction between their performance on PARCC and their growth scores. For example, in the top left cell the percentage of students who are both in Level 1 - Did not yet meet expectations AND also demonstrating low growth is displayed.

|  | Language Arts |  |  |
| :--- | :---: | :---: | :---: |
|  | GROWTH |  |  |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $6 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $8 \%$ | $2 \%$ | $1 \%$ |
| Approached | $15 \%$ | $7 \%$ | $2 \%$ |
| Met | $17 \%$ | $16 \%$ | $11 \%$ |
| Exceeded | $1 \%$ | $5 \%$ | $10 \%$ |

|  | Math |  |  |
| :--- | :---: | :---: | :---: |
| (Expectations) | GROWTH |  |  |
|  | Low | Typical | High |
| Did Not Yet <br> Meet | $6 \%$ | $1 \%$ | $0 \%$ |
| Partially Met | $10 \%$ | $4 \%$ | $2 \%$ |
| Approached | $20 \%$ | $8 \%$ | $6 \%$ |
| Met | $13 \%$ | $14 \%$ | $13 \%$ |
| Exceeded | $0 \%$ | $1 \%$ | $2 \%$ |

Low Growth is defined as an Student Growth Percentile score less than 35.
Typical Growth is defined as an Student Growth Percentile score between 35 and 65.
High Growth is defined as a Student Growth Percentile score higher than 65.

WITHIN SCHOOL ACHIEVEMENT GAP

## WALL INTERMEDIATE SCHOOL

## MONMOUTH

WALL TWP
GRADE SPAN 06-08
WALL, NJ 07719-1199
This section of the performance report presents data about the achievement gap that exists within a school - as measured by the difference between the students' scale scores at the 25 th and 75 th percentile in the school, the Interquartile Range (IQR). Taken together with an understanding of the overall and average achievement levels in the school, the IQR furthers an understanding of the range of student outcomes that exist in a school. A school gap smaller than the state gap indicates that the school's range of student outcomes is narrower than the state's while a school gap larger than the state gap indicates that the school's range of student outcomes is broader than the state's.

# State of New Jersey 

2014-15

The New Jersey Department of Education (NJDOE) is pleased to present these annual reports of School Performance. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

In particular, the School Performance Reports seek to:

- Focus attention on metrics that are indicative of college and career readiness.
- Benchmark a school's performance against other peer schools that are educating similar students, against statewide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- Improve educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

While the New Jersey School Performance Reports seek to bring more information to educators and stakeholders about the performance of schools, they do not seek to distill the performance of schools into a single metric, a single score, or a simplified conclusion. Instead, the intention is that educators and stakeholders will engage in deep, lengthy conversations about the full range of the data presented As educators know well, measuring school performance is both an art and a science. While the School Performance Report brings attention to important student outcomes, NJDOE does not collect data about other essential elements of a school, such as the provision of opportunities to participate and excel in extracurricular activities; the development of non-cognitive skills like time management and perseverance; the pervasiveness of a positive school culture or climate; or the attainment of other employability and technical skills, as many of these data are beyond both the capacity and resources of schools to measure and collect well.

To learn more about New Jersey's school accountability system, please visit: $\leq$ http://www.nj.gov/education/educators/ $/ \geq$.

## PARCC Performance Leve

The PARCC assesses how well students have learned grade-level material in English Language Arts/Literacy (ELA/L) and Math. The tests include questions that measure students' fundamental skills and knowledge, and require them to think critically, solve problems and support or explain their answers.

The PARCC reports students' overall scale scores that range from 650 to 850 . To determine whether students have met academic expectations for their grade level/course in ELA/L and Math, students’ overall scale scores are categorized into five Performance Levels. Students performing at levels 4 and 5 (met or exceeded expectations) have demonstrated readiness for the next grade level/course, and are on track for college and careers.

| Five Performance Levels |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :---: |
| Level 1: | Level 2: | Level 3: | Level 4: | Level 5: |  |

## 2015 National Assessment Educational Progress (NAEP)

The National Assessment of Educational Progress (NAEP) is the largest national assessment of what our nation's students know and can do. NAEP assesses fourth-, eighth-, and twelfth-grade students in subjects such as reading, mathematics, science, and writing. The reporting of NAEP scores on state report cards is a federal mandate. The results of NAEP are also published as the Nation's Report Card, and are available for the nation, states, and, in some cases, urban districts. The NAEP scores on the report card include grades four and eight 2015 reading and math scores for New Jersey which are the last scores published.

For subgroup outcomes, visit:

## COLLEGE AND CAREER READINESS

OLD MILL ELEMENTARY SCHOOL

## MONMOUTH

WALL TWP
GRADE SPAN
KG-05

## 2119 OLD MILL ROAD OLD MILL ROAD <br> SEA GIRT, NJ 08750-1199

Students in both elementary and middle schools begin to demonstrate college readiness behaviors long before they even enter high school. Among the behaviors that research has shown to be indicative of successfully graduating high school is regularly attending school. For all elementary schools, this includes the percentage of students that are chronically absent each year, defined as missing more than $10 \%$ of possible school days.

## Chronic Absentecism Trend

This graph presents the percentage of the enrolled students who were chronically absent for the past three years.

## Absenteeism

The chart below presents the percentage of students who were absent in each category of absence: 0 absences, $1-5$ absences, 6-10 absences, 11-15 absences, and more than 15 absences. An absence is defined as being 'not present' and includes the days missed regardless of whether they were determined to be excused or unexcused by the school.

State of New Jersey
2014-15

STUDENT GROWTH

## MONMOUTH

## WALL TWP

This section of the performance report presents data about student growth, utilizing the Student Growth Percentile Methodology (SGP). SGP creates a measure of how students progressed in grades 4 through 8 in Language Arts Literacy and in grades 4 through 7 in Math when compared to other students with a similar test score history. A short video explaining the methodology can be found here: http://www.state.nj.us/education/njsmart/performance/

The below chart consist of five columns with measures. The first column - Schoolwide Performance - presents the schoolwide median growth score in either English Language Arts/Literacy or Mathematics for all students in the school. The second column - Peer Percentile - indicates how the school's growth performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how a school compares to schools across the state. The last column - Met Target? - indicates whether the school's performance met or exceeded the statewide target, which was set to 35 .

The fourth row presents the averages of the peer school percentiles, the averages of statewide percentiles, the percentage of statewide targets met.

| Student Growth Indicators | Schoolwide Performance | Peer <br> Percentile | Statewide Percentile | Statewide <br> Target | Met Target? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Student Growth on Language Arts | 59 | 74 | 73 | 35 | YES |
| Student Growth on Math | 53 | 50 | 53 | 35 | YES |
|  |  | 62 | 63 |  | 100\% |

## Student Growth

This table presents for all students with growth scores the interaction between their performance on PARCC and their growth scores. For example, in the top left cell the percentage of students who are both in Level 1 - Did not yet meet expectations AND also demonstrating low growth is displayed.

Language Arts

|  | GROWTH |  |  |
| :--- | :---: | ---: | :---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $2 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $3 \%$ | $2 \%$ | $1 \%$ |
| Approached | $10 \%$ | $8 \%$ | $3 \%$ |
| Met | $13 \%$ | $19 \%$ | $22 \%$ |
| Exceeded | $0 \%$ | $0 \%$ | $15 \%$ |

Math

|  | GROWTH |  |  |
| :--- | :---: | :---: | :---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $1 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $6 \%$ | $1 \%$ | $0 \%$ |
| Approached | $8 \%$ | $19 \%$ | $7 \%$ |
| Met | $15 \%$ | $20 \%$ | $20 \%$ |
| Exceeded | $0 \%$ | $0 \%$ | $3 \%$ |

Low Growth is defined as an Student Growth Percentile score less than 35
Typical Growth is defined as an Student Growth Percentile score between 35 and 65.
High Growth is defined as a Student Growth Percentile score higher than 65.

WITHIN SCHOOL ACHIEVEMENT GAP
OLD MILL ELEMENTARY SCHOOL

## MONMOUTH

## WALL TWP

GRADE SPAN KG-05 2119 OLD MILL ROAD OLD MILL ROAD

SEA GIRT, NJ 08750-1199
This section of the performance report presents data about the achievement gap that exists within a school - as measured by the difference between the students' scale scores at the 25 th and 75 th percentile in the school, the Interquartile Range (IQR). Taken together with an understanding of the overall and average achievement levels in the school, the IQR furthers an understanding of the range of student outcomes that exist in a school. A school gap smaller than the state gap indicates that the school's range of student outcomes is narrower than the state's while a school gap larger than the state gap indicates that the school's range of student outcomes is broader than the state's.

N/R - Data Not Reported

# State of New Jersey 

2014-15

GRADE SPAN KG-05

The New Jersey Department of Education (NJDOE) is pleased to present these annual reports of School Performance. These reports are designed to inform parents, educators and communities about how well a school is performing and preparing its students for college and careers.

In particular, the School Performance Reports seek to:

- Focus attention on metrics that are indicative of college and career readiness.
- Benchmark a school's performance against other peer schools that are educating similar students, against statewide outcomes, and against state targets to illuminate and build upon a school's strengths and identify areas for improvement.
- Improve educational outcomes for students by providing both longitudinal and growth data so that progress can be measured as part of an individual school's efforts to engage in continuous improvement.

While the New Jersey School Performance Reports seek to bring more information to educators and stakeholders about the performance of schools, they do not seek to distill the performance of schools into a single metric, a single score, or a simplified conclusion. Instead, the intention is that educators and stakeholders will engage in deep, lengthy conversations about the full range of the data presented As educators know well, measuring school performance is both an art and a science. While the School Performance Report brings attention to important student outcomes, NJDOE does not collect data about other essential elements of a school, such as the provision of opportunities to participate and excel in extracurricular activities; the development of non-cognitive skills like time management and perseverance; the pervasiveness of a positive school culture or climate; or the attainment of other employability and technical skills, as many of these data are beyond both the capacity and resources of schools to measure and collect well.

To learn more about New Jersey's school accountability system, please visit: $\langle$ http://www.nj.gov/education/educators/ $/>$.

The Academic Achievement section measures the content knowledge that students have in English Language Arts/Literacy (ELA/L) and Math as demonstrated in the 2014-2015 Partnership for Assessment of Readiness for College and Careers (PARCC) assessments. The below chart consist of three columns. The first column - Schoolwide Performance - includes the percentage of students in ELA/L and Math who met or exceeded grade level expectations. The middle column - Peer School Percentile - indicates how the school's outcomes compared to its peers. The last column - Statewide Percentile - indicates how the school's outcomes compared to schools across the state.

| Academic Achievement Indicators | Schoolwide <br> Performance | Peer Percentile | State Percentile |
| :--- | :---: | :---: | :---: |
| English Language Arts/Literacy Met or Exceeded Expectation | $\mathbf{7 4 \%}$ | $\mathbf{1 0 0}$ | $\mathbf{8 7}$ |
| Math Met or Exceeded Expectation | $\mathbf{5 7 \%}$ |  |  |

ESEA Waiver - English Language Arts/Literacy
This table presents, for each subgroup in the school, the total number of valid test scores, the percentage of students who met or exceeded expectations, the assessment participation goal, and the participation rate. The participation goal is established as $95 \%$ by the United States Department of Education.

| Subgroups | Valid Scores | \% Meeting Standards | Participation Goal | Participation Rate | Met <br> Participation? |

## PARCC Performance Level

The PARCC assesses how well students have learned grade-level material in English Language Arts/Literacy (ELA/L) and Math. The tests include questions that measure students' fundamental skills and knowledge, and require them to think critically, solve problems and support or explain their answers.

The PARCC reports students' overall scale scores that range from 650 to 850 . To determine whether students have met academic expectations for their grade level/course in ELA/L and Math, students' overall scale scores are categorized into five Performance Levels. Students performing at levels 4 and 5 (met or exceeded expectations) have demonstrated readiness for the next grade level/course, and are on track for college and careers.

| Five Performance Levels |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :---: |
| Level 1: | Level 2: | Level 3: | Level 4: | Level 5: |  |

## 2015 National Assessment Educational Progress (NAEP)

The National Assessment of Educational Progress (NAEP) is the largest national assessment of what our nation's students know and can do. NAEP assesses fourth-, eighth-, and twelfth-grade students in subjects such as reading, mathematics, science, and writing. The reporting of NAEP scores on state report cards is a federal mandate. The results of NAEP are also published as the Nation's Report Card, and are available for the nation, states, and, in some cases, urban districts. The NAEP scores on the report card include grades four and eight 2015 reading and math scores for New Jersey which are the last scores published.

## NJASK Results - Science Grade Level - 04

This table presents the grade level proficiency results, as measured by NJASK, in Advanced Proficient, Proficient, and Partially Proficient categories for all appropriate subgroups.

| Subgroups | Advanced <br> Proficient | Proficient | Partially <br> Proficient |
| :--- | :---: | :---: | :---: |
| Schoolwide | $62 \%$ | $26 \%$ | $12 \%$ |
| White | $73 \%$ | $18 \%$ | $9 \%$ |
| African American | - | - | - |
| Hispanic | - | - | - |
| American Indian | - | - | - |
| Asian | - | - | - |
| Two or More Races | - | - | - |
| Students with Disability | $50 \%$ | $33 \%$ | $17 \%$ |
| English Language Learners | - | - |  |
| Economically Disadvantaged <br> Students | - | - | - |
| Das is preated for subgrups |  | - | - |

Data is presented for subgroups when the count is high enough under ESEA
Waiver suppression rules.

NJASK Proficiency Trends - Science - Grade Level - 04

This graph presents the grade level outcomes in the categories of Advanced Proficient, Proficient, and Partially Proficient over the last four years.

## COLLEGE AND CAREER READINESS

WEST BELMAR ELEMENTARY SCHOOL

## MONMOUTH

WALL TWP
925 17TH AVENUE
WALL, NJ 07719-1199
Students in both elementary and middle schools begin to demonstrate college readiness behaviors long before they even enter high school. Among the behaviors that research has shown to be indicative of successfully graduating high school is regularly attending school. For all elementary schools, this includes the percentage of students that are chronically absent each year, defined as missing more than $10 \%$ of possible school days.

## Chronic Absentecism Trend

This graph presents the percentage of the enrolled students who were chronically absent for the past three years.

## Absenteeism

The chart below presents the percentage of students who were absent in each category of absence: 0 absences, $1-5$ absences, 6-10 absences, 11-15 absences, and more than 15 absences. An absence is defined as being 'not present' and includes the days missed regardless of whether they were determined to be excused or unexcused by the school.

## WALL TWP

GRADE SPAN
KG-05
This section of the performance report presents data about student growth, utilizing the Student Growth Percentile Methodology (SGP). SGP creates a measure of how students progressed in grades 4 through 8 in Language Arts Literacy and in grades 4 through 7 in Math when compared to other students with a similar test score history. A short video explaining the methodology can be found here: http://www.state.nj.us/education/njsmart/performance/

The below chart consist of five columns with measures. The first column - Schoolwide Performance - presents the schoolwide median growth score in either English Language Arts/Literacy or Mathematics for all students in the school. The second column - Peer Percentile - indicates how the school's growth performance compares to its group of peer schools. The third column - Statewide Percentile - indicates how a school compares to schools across the state. The last column - Met Target? - indicates whether the school's performance met or exceeded the statewide target, which was set to 35 .

The fourth row presents the averages of the peer school percentiles, the averages of statewide percentiles, the percentage of statewide targets met.

| Student Growth Indicators | Schoolwide <br> Performance | Peer <br> Percentile | Statewide <br> Percentile | Statewide <br> Target | Met Target? |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Student Growth on Language Arts | 75 | 97 | 98 | 35 | YES |
| Student Growth on Math | 55 | 45 | 60 | 35 | YES |
|  |  | 71 | 79 |  | 100\% |

## Student Growth

This table presents for all students with growth scores the interaction between their performance on PARCC and their growth scores. For example, in the top left cell the percentage of students who are both in Level 1 - Did not yet meet expectations AND also demonstrating low growth is displayed.

Language Arts

|  | GROWTH |  |  |
| :--- | :---: | :---: | :---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $0 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $2 \%$ | $2 \%$ | $0 \%$ |
| Approached | $5 \%$ | $11 \%$ | $9 \%$ |
| Met | $6 \%$ | $18 \%$ | $32 \%$ |
| Exceeded | $0 \%$ | $0 \%$ | $15 \%$ |

Math

|  | GROWTH |  |  |
| :--- | :---: | ---: | ---: |
| (Expectations) | Low | Typical | High |
| Did Not Yet <br> Meet | $0 \%$ | $0 \%$ | $0 \%$ |
| Partially Met | $8 \%$ | $0 \%$ | $0 \%$ |
| Approached | $17 \%$ | $12 \%$ | $9 \%$ |
| Met | $9 \%$ | $18 \%$ | $17 \%$ |
| Exceeded | $0 \%$ | $2 \%$ | $8 \%$ |

Low Growth is defined as an Student Growth Percentile score less than 35.
Typical Growth is defined as an Student Growth Percentile score between 35 and 65.
High Growth is defined as a Student Growth Percentile score higher than 65.

## MONMOUTH

## WALL TWP

This section of the performance report presents data about the scale scores at the 25 th and 75 th percentile in the school, the Interquartile Range (IQR). Taken together with an understanding of the overall and average achievement levels in the school, the IQR furthers an understanding of the range of student outcomes that exist in a school. A school gap smaller than the state gap indicates that the school's range of student outcomes is narrower than the state's while a school gap larger than the state gap indicates that the school's range of student outcomes is broader than the state's.
