### **Gov. Whitman Urges Approval of House Measure to Help Reunite Holocaust Survivors**

Gov. Christie Whitman has urged the House International Relations Committee to approve a resolution encouraging the international cooperation of efforts to help reunite family members that survived the Holocaust.

In urging Committee Chairman Benjamin Gilman to move Concurrent Resolution 14 to the House floor for consideration, Whitman said the measure would "speed the efforts of thousands of survivors looking for lost family members and friends, while ensuring future generations will never forget what happened in the Holocaust."

The resolution is sponsored by Representative Bob Franks of New Jersey.
