Integrated Online Library System Implementation Grant for Public and Community College Libraries

Purpose: To assist public and community college libraries to become a member of a Library Computer Consortium providing online catalog, circulation and cataloging subsystems for their member libraries; or to share a public library's Integrated Online Library System.

Eligibility: Only public and community college libraries who do not presently own or share an Integrated Online Library System are eligible to apply for this grant. Only public libraries who filed a *Public Library Annual Report* and met all Per Capita State Aid requirements for 1996 are eligible to apply. For the purpose of this grant, systems utilizing CD-ROM databases for their circulation, online patron access catalog and cataloging functions are not considered to be an Integrated Online Library System.

Funding: $400,000 is available. For public libraries serving a population over 40,000 the maximum grant is $100,000. For public libraries serving a population 20,000 to 39,999 the maximum grant is $75,000. For public and community college libraries serving a population under 20,000 the maximum grant is $50,000.

Due: August 10, 1998
