1. If a player chooses to place a double wager, the wager shall be placed in the designated double wager betting area.

2. If a player elects to fold after receiving a fourth card, the ante and bet wagers of the player shall be collected by the dealer and placed in the area of the table designated for the winner's pot. The four cards of the player shall be collected and placed face down in the discard rack unless the player has placed a jacks plus bonus wager, in which case the four cards shall be placed face down underneath the jacks plus bonus wager of the player.

3. The dealer shall, moving in a clockwise rotation starting with the first remaining player after the button, ascertain the decision of each player to either place a double wager or fold.

(d) Once each player has either placed a double wager or elected to fold, the dealer shall burn a card and then deal a fifth and final card face up to each remaining player who has placed a double wager and the dealer in clockwise rotation, beginning with the first player after the button.

The dealer shall then, starting with the remaining player farthest to the dealer's right and proceeding in a counterclockwise rotation around the table, expose the two down cards of each player and announce the best possible poker hand that can be formed from the cards of each player.

(g) The dealer shall settle the jacks plus bonus wagers of all players and, for each player who has folded, place the cards of such player face down in the discard rack. Losing jacks plus bonus wagers shall be placed in, and winning jacks plus bonus wagers shall be paid from, the table inventory container.

(h) The dealer shall then announce the highest ranking poker hand. All hands shall remain face up on the layout until such time as the winner's pot is awarded.

1. If the dealer has the highest ranking poker hand, he or she shall collect all ante, bet and double wagers from the area designated for the winner's pot and place them in the table inventory container.

2. If a player has the highest ranking poker hand or the highest ranking poker hand is a tie hand, the dealer shall award all ante, bet and double wagers from the area desig-

(i) After the winner's pot has been awarded in accordance with (h) above, the dealer shall immediately collect the cards of all players and the dealer and place them in the discard rack.
