(g) All business records including, but not limited to, those set forth in (d) above, shall be maintained for three years on the licensed premises and shall be made available to Commission personnel during normal business hours on request. Records may be kept in either paper or electronic format.

1. (h) Every established place of business shall be equipped with office furniture and equipment, including, but not limited to, a desk, chairs, file storage, a fixed safe, electric lighting, communications lines and equipment and climate control, sufficient to conduct business at that location.

(i) Every established place of business shall contain a secured area accessible only to the dealer and authorized signatories for the storage of controlled Commission documents.

(j) In the event that the site of the proposed place of business is not owned by the dealer, it must be subject to a lease in favor of the dealer for a minimum term expiring no earlier than April 1 of the year for which licensure is sought.

13:21-15.9 Temporary registrations issued by licensed motor vehicle dealers for vehicles that are to be permanently registered in New Jersey

(a) A motor vehicle dealer, licensed pursuant to N.J.S.A. 39:10-19, and authorized to issue temporary registrations by the Commission, may, in accordance with this section, issue a temporary registration for a new or used vehicle to a person or entity that has purchased or leased said vehicle from such dealer provided that said vehicle is to be permanently registered in New Jersey. A bona fide sale or lease of such vehicle is a prerequisite to the issuance of a temporary registration. Temporary registrations may be issued for passenger vehicles, noncommercial trucks, laden or unladen non-apportioned commercial vehicles, motorcycles and motorized bicycles, and may be issued for either initial or transfer registrations. If the registrant is not transferring a registration as permitted by N.J.S.A. 39:3-30, the temporary registration shall serve as both a temporary registration and marker (license plate).

(b) A temporary registration shall not be issued pursuant to this section if the motor vehicle dealer does not have in its possession a valid manufacturers' statement of origin or title for the vehicle and, if applicable, a valid dealer reassignment certificate for the vehicle, except as provided pursuant to N.J.S.A. 39:10-6, 39:10-9, 39:10A-15, and 39:4-56.5.

(c) A temporary registration shall not be issued pursuant to this section unless the applicant therefor intends to secure permanent New Jersey registration for the vehicle.

(d) A temporary registration shall not be issued pursuant to this section unless the applicant therefor presents proof of current liability insurance coverage available to the vehicle as required by N.J.S.A. 39:6B-1 and/or 39:6A-3. Such proof of

current liability insurance coverage shall include, but not be limited to, a valid New Jersey insurance identification card for the vehicle, the declarations page of the insurance policy for the vehicle, or an insurance policy binder for the vehicle, a copy of which card, declaration, or binder shall be retained for three years. No dealer shall sell, provide, transfer, or otherwise arrange for insurance coverage required pursuant to this section unless the dealer is an insurance producer properly licensed by the New Jersey Department of Banking and Insurance.

(e) If the vehicle is subject to the Federal Heavy Vehicle Use Tax imposed by section 4481 of the Internal Revenue Code of 1954 (26 U.S.C. § 4481), a temporary registration shall not be issued unless the applicant therefor presents proof in the form prescribed by the United States Secretary of the Treasury that the tax has been paid; a copy of the proof shall be retained.

(f) A temporary registration issued pursuant to this section shall expire at the end of 30 days or as soon as the permanent registration for the vehicle (and, if applicable, license plates) have been received by the registrant, whichever occurs first. The temporary registration shall be destroyed by the registrant at the time of expiration.

(g) A motor vehicle dealer shall not in any way alter a previously issued temporary registration. A second temporary registration, valid for a 30-day period beyond the original temporary registration, may be issued only when permanent registration of a vehicle is delayed because the:

1. Original title is lost; or
2. Lien holder has delayed in providing the original title.

(h) A temporary registration is not transferable from one motor vehicle dealer to another, nor from one vehicle to another. A temporary registration shall not be lent by a motor vehicle dealer to a customer, to another motor vehicle dealer nor to any other person or entity. A temporary registration shall not be issued for vehicles titled in the name of the motor vehicle dealer, or for vehicles covered solely by the dealer's insurance policy.

(i) A licensed motor vehicle dealer, which has been authorized to issue temporary registrations by the Commission, may purchase temporary registration paper stock from an approved vendor that is listed on the Motor Vehicle Commission's website, www.state.nj.us/mvc.

(j) A temporary registration shall only be issued through the motor vehicle dealer's own account with the Motor Vehicle Commission's eTemp Registration Program, at a cost of \$3.00 per temporary registration, and shall be printed on a laser jet printer.

(k) The motor vehicle dealer or authorized signatory shall ensure that all required information is properly entered and print the temporary registration. The information shall include:

1. The name of the registrant;
2. The address of the registrant;
3. A full description of the vehicle including its make, year, model, body type, vehicle identification number, color and, if a commercial vehicle, its gross weight;
4. The date of issue of the temporary registration;
5. The date of expiration of the temporary registration;
6. The license plate number, if applicable;
7. The name of the insurance company that has issued a policy covering the vehicle, as well as the insurance policy number or binder number;
8. The motor vehicle dealer's name and dealer identification number; and
9. The temporary registration number.

(l) The dealer or authorized signatory shall securely attach the temporary registration plate issued by the motor vehicle dealer pursuant to this section to the rear license plate holder of the vehicle. No portion of the temporary registration plate shall be obstructed. For a motorcycle, a motorized bicycle, or in the event that the registrant is transferring handicap plates or the temporary registration plate cannot otherwise be securely attached to the vehicle, the temporary registration plate shall be in the possession of the driver of such vehicle when it is being operated and shall be exhibited upon the request of any law enforcement official or authorized representative of the Commission.

(m) The "temporary vehicle registration" portion of the temporary registration issued by a motor vehicle dealer pursuant to this section shall be given to the registrant. This portion shall be in the possession of the driver of such vehicle when it is being operated and shall be exhibited upon the request of any law enforcement official or authorized representative of the Commission.

(n) Any voided temporary registrations shall be kept in the possession of such dealer for three years from the issue date or void date, and shall be made available by the licensed dealer for examination by authorized representatives of the Commission at any time during regular business hours. A licensed dealer shall permit authorized Commission representatives on the premises of the licensee during regular business hours for the purpose of conducting such an examination of temporary registration records. In the event that a dealership maintains branches or a licensee operates multiple licensed dealerships under common ownership or control (a dealership group), and the remaining requirements of this subsection are met at each dealership branch site or each individual dealership site within a dealership group, records that are not immediately necessary for the conduct of current business at a dealership branch site or an individual dealership site within a dealership group may be maintained

at the main or principal location of the dealership or dealership group or at a centralized recordkeeping facility.

(o) A motor vehicle dealer who violates any provision of this section shall, upon notice and an opportunity to be heard, have the privilege of issuing temporary registrations suspended. In addition, a motor vehicle dealer who commits such a violation may, upon, notice and an opportunity to be heard, have the motor vehicle dealer's license suspended or revoked, or renewal thereof refused, by the Chief Administrator of the Commission pursuant to N.J.S.A. 39:10-20.

(p) All lost or stolen temporary registrations shall be promptly reported to the Commission and to the local police; failure to do so shall be conclusive evidence of improper disposition thereof.

(q) A licensed motor vehicle dealer that has been authorized to issue temporary registrations by the Commission shall print the temporary registrations using a method and type of paper stock as set forth in (i) and (j) above.

(r) When a duplicate temporary registration is issued due to a theft of the original temporary registration, a police report shall be obtained and maintained with the file for a period of three years from the date the duplicate temporary registration is issued.

13:21-15.10 Nonresident temporary registrations issued by licensed motor vehicle dealers

(a) A motor vehicle dealer, licensed pursuant to N.J.S.A. 39:10-19, and authorized to issue temporary registrations by the Commission, may, in accordance with this section, issue a nonresident temporary registration for a new or used vehicle to a nonresident person or entity that has purchased or leased said vehicle from such dealer while enroute to another state or Federal district, provided that said vehicle will not be permanently registered in New Jersey. A bona fide sale or lease of such vehicle is a prerequisite to the issuance of a

nonresident temporary registration. Nonresident temporary registrations may be issued for passenger vehicles, noncommercial trucks, unladen non-apportioned commercial vehicles, motorcycles and motorized bicycles. The nonresident temporary registration shall serve as both a temporary registration and marker (license plate).

(b) A nonresident temporary registration shall not be issued pursuant to this section if the motor vehicle dealer does not have in its possession a valid manufacturer's statement of origin or title for the vehicle and, if applicable, a valid dealer reassignment certificate for the vehicle, except as provided pursuant to N.J.S.A. 39:10-9.

(c) A nonresident temporary registration shall not be issued pursuant to this section unless the applicant therefor presents proof that he or she is a nonresident. Such proof of nonresidency shall include, but not be limited to, a valid out-of-State driver license which lists an out-of-State address for the applicant; a copy of the proof shall be retained for three years.

(d) An applicant for a nonresident temporary registration pursuant to this section shall present proof to the motor vehicle dealer or authorized signatory of his or her out-of-State residence and of the name of the insurance company that is providing liability insurance coverage for the vehicle and the insurance policy number or binder number; such proofs shall be retained for three years.

(e) If the vehicle is subject to the Federal Heavy Vehicle Use Tax imposed by section 4481 of the Internal Revenue Code of 1954 (26 U.S.C. § 4481), a nonresident temporary registration shall not be issued unless the applicant therefor presents proof in the form prescribed by the United States Secretary of the Treasury that the tax has been paid; a copy of the proof shall be retained.

(f) A nonresident temporary registration issued pursuant to this section shall expire at the end of 20 days or as soon as the permanent registration for the vehicle has been received by the registrant from his or her state or Federal district of residence, whichever occurs first. The nonresident temporary registration shall be destroyed by the registrant at the time of expiration.

(g) A motor vehicle dealer shall not extend the expiration date of a nonresident temporary registration, nor issue another nonresident temporary registration to the same registrant for the same vehicle. A motor vehicle dealer shall not in any way alter a previously issued nonresident temporary registration.

(h) A nonresident temporary registration is not transferable from one motor vehicle dealer to another, nor from one vehicle to another. A nonresident temporary registration shall not be lent by a motor vehicle dealer to a customer, to another motor vehicle dealer, nor to any other person or entity. A nonresident temporary registration shall not be issued for vehicles titled in the name of the motor vehicle dealer nor for vehicles covered solely by the dealer's insurance policy.

(i) A licensed motor vehicle dealer, which has been authorized to issue nonresident temporary registrations by the Commission, may purchase temporary registration paper stock from an approved vendor that is listed on the Motor Vehicle Commission's website, www.state.nj.us/mvc. A licensed motor vehicle dealer, which has been authorized to issue nonresident temporary registrations through the Commission's eTemp Tag Program may issue them at a cost of \$5.00 per nonresident temporary registration.

(j) A nonresident temporary registration shall only be issued through the dealer's own account and shall be printed on a laser jet printer.

(k) The motor vehicle dealer or authorized signatory shall ensure that all information is properly entered and print the nonresident temporary registration. The information shall include:

1. The name of the registrant;
2. The address of the registrant;
3. A full description of the vehicle including its make, year, model, body type, vehicle identification number, color and, if a commercial vehicle, its gross weight;
4. The date of issue of the nonresident temporary registration;
5. The date of expiration of the nonresident temporary registration;
6. The name of the insurance company that has issued a policy covering the vehicle, as well as the insurance policy number or binder number;
7. The motor vehicle dealer's name and dealer identification number; and
8. The temporary registration number.

(l) The nonresident temporary registration plate issued by a motor vehicle dealer pursuant to this section shall be securely attached by the dealer or authorized signatory to the rear license plate holder of the vehicle. No portion of the nonresident temporary registration shall be obstructed. For a motorcycle, a motorized bicycle or in the event that the registrant is transferring handicap plates or the nonresident temporary registration cannot otherwise be securely attached to the vehicle, the nonresident temporary registration shall be in the possession of the driver of such vehicle when it is being operated and shall be exhibited upon the request of any law enforcement official or authorized representative of the Commission.

(m) Any voided nonresident temporary registrations shall be kept in the possession of the dealer for three years from the issue date or void date, and shall be made available by the licensed dealer for examination by authorized representatives of the Commission at any time during regular business hours. A licensed dealer shall permit authorized Commission

representatives on the premises of the licensee during regular business hours for the purpose of conducting such an examination of nonresident temporary registration records. In the event that a dealership maintains branches or a licensee operates multiple licensed dealerships under common ownership or control (a dealership group), and the remaining requirements of this subsection are met at each dealership branch site or each individual dealership site within a dealership group, records that are not immediately necessary for the conduct of current business at a dealership branch site or an individual dealership site within a dealership group may be maintained at the main or principal location of the dealership or dealership group or at a centralized recordkeeping facility.

(n) A motor vehicle dealer who violates any provision of this section shall, upon notice and an opportunity to be heard, have the privilege of issuing temporary registrations suspended. In addition, a motor vehicle dealer who commits such a violation may, upon notice and an opportunity to be heard, have the motor vehicle dealer's license suspended or revoked or renewal thereof refused by the Chief Administrator of the Commission pursuant to N.J.S.A. 39:10-20.

(o) All lost or stolen non-resident temporary registrations shall be promptly reported to the local police and the Commission; failure to do so shall be conclusive evidence of improper disposition thereof.

(p) A licensed motor vehicle dealer that has been authorized to issue nonresident temporary registrations by the Commission shall print them using a method and type of paper stock as set forth in (i) and (j) above.

(q) When a duplicate nonresident temporary registration is issued due to a theft of the original nonresident temporary registration, a police report shall be obtained and maintained with the file for a period of three years from the date the duplicate nonresident temporary registration is issued.

(r) When a duplicate nonresident temporary registration is issued due to a malfunction in the printing process, evidence of the malfunction shall be documented and retained in the sales file for a period of three years from the date the duplicate nonresident temporary registration is issued.

(c) The Chief Administrator shall have the authority to issue subpoenas and to administer oaths and to compel the production of documents and/or the appearance of witnesses at hearings in any action concerning the license of a motor vehicle dealer.

(b) Within 25 days of the date of the Notice, the licensee or applicant may request a hearing concerning the proposed disciplinary action.

(c) The hearing request must be in writing, must list all contested issues of material fact, issues of law, and mitigating circumstances that the licensee intends to demonstrate.

(d) If the Chief Administrator finds that there exist issues of material fact or potentially mitigating circumstances, the matter will be referred for a hearing. The hearing shall be in accordance with the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1 and N.J.A.C. 1:13.

(g) Except in the case of extraordinary circumstances, it shall not be a defense to disciplinary action based on a failure

13:21-15.15 Emergency disciplinary action

(a) In the event of an emergent situation, in which ongoing fraud, lack of insurance, destruction or vacation of premises or other circumstances that would jeopardize the integrity of the Commission's title records and the ability to prevent traffic in stolen or fraudulently titled motor vehicles, the Commission may immediately issue a preliminary suspension of the dealer's license.

(b) Along with the notice of preliminary suspension, the Commission will issue a notice of preliminary hearing to be held by the Commission no later than the 10th day after mailing of the notice.

1. At the preliminary hearing, the Commission will consider whether or not there exists probable cause to find that the alleged conduct that served as a basis for the preliminary suspension occurred and whether or not that conduct constitutes sufficient basis to find an emergent situation justifying the imposition of a preliminary suspension.

(c) Along with the notice of preliminary suspension, the Commission will issue a notice of proposed final suspension, revocation or other agency action.

(d) The licensee will be afforded an opportunity to request a hearing concerning the proposed final agency action pursuant to N.J.A.C. 13:21-15.14.
