ANNUAL REPORT

BUILDING AND LOAN ASSOCIATIONS

DEPARTMENT OF BANKING AND INSURANCE,
TRENTON, OCTOBER 20, 1920.

To the Honorable the Senate and General Assembly:

In compliance with the statute, I have the honor to submit the report of this Department, relating to building and loan associations, for the year ending June 30, 1920.

The number of these institutions has now reached the large total of 939, which is a gain of 88 since the preceding year's report. They are all New Jersey corporations. During the past twelve months 91 new associations were organized, this being the largest number of incorporations in any one year since the building-loan laws were enacted. Proceedings for dissolution were taken during the year by two associations, the Beach Haven Terrace Building and Loan Association, with office at Camden, and the Fifty Associate Real Estate and Investment Association, of Newark. The Linden Building and Loan Association, of Linden, Union County, was placed in the hands of a receiver, Edward Bauer, of Elizabeth, upon the application of the Commissioner, on May 25th, 1920.

A list of the new associations here follows:

The foregoing indicate that the associations are enjoying a high degree of prosperity. The progress made during the year covered by this report is most substantial and gratifying. In total number of members there is a gain shown of 71,700, which is over twenty per cent. Gross assets have increased for the year, $39,637,974, or nearly twenty per cent. The share dues paid in on installment stock are larger in amount by $18,865,383, which is equal to thirteen per cent. Profits, apportioned and unapportioned, have increased $4,724,008, the total being $40,202,990. The subscriptions on prepaid shares exhibit an increase of $3,982,585. This is in excess of seventy-five per cent. Mortgage loans outstanding are $39,538,094 above the preceding year's aggregate. Real estate holdings show a falling off in amount of $1,421,872, or thirty-four and a half per cent. The total real estate owned is only a fraction above one per cent. of the gross assets, and some forty-eight per cent. is reported as having been sold under contract. The number of foreclosures during the year was 131, as against 254 in the year before.

The serial plan of issuing shares is followed by nearly ninety-two per cent. of the societies. In 435, or over fifty-three per cent., the gross premium plan is in use, and in 263, or about thirty-two per cent., the premium is paid in installments.

The statistics of each individual society are contained in the appended tables.

Respectfully submitted,

FRANK H. SMITH,

Commissioner of Banking and Insurance.
