6:11-7.2 Admission, retention and graduation of students

(a) Teacher preparation programs are those curricula which lead to a recommendation for a New Jersey Certificate of Eligibility with Advanced Standing in instructional fields pursuant to N.J.A.C. 6:11-5.1, irrespective of the organizational unit of the college by which the curriculum is offered. Formal admission to teacher preparation programs shall be reviewed at the beginning of the junior year and shall be granted only to those students who have:

1. Maintained a cumulative grade point average (GPA) of at least 2.5 (4 equals A) for the first two years of college. It is the intent of this and other standards which refer to minimum grade point average to insure that institutions determine the intellectual competence of those recommended for certification. The required average of 2.5 should be viewed as only a minimal means of achieving this goal; the variability of the GPA among institutions should also be recognized. Therefore, institutions are encouraged to exceed this standard when appropriate and to develop additional criteria for insuring that prospective teachers are intellectually capable.

2. Achieved acceptable levels of proficiency in the use of English language (oral and written) and mathematics. Students with deficiencies in these areas upon admission to college shall be required to demonstrate the elimination of such deficiencies through an oral or written assessment by the beginning of the junior year.

3. Demonstrated aptitude for the profession of teaching through successful completion of an appropriate practical experience in an elementary or secondary school. This requirement would normally have to be met before the student is granted status as a junior in the program.

(b) Each student shall be evaluated at the end of the semester prior to student teaching by college faculty (both education and subject matter) and confirmed as a candidate for certification on the basis of a comprehensive assessment of relevant indicators which shall include:

1. Having maintained a cumulative grade point average of at least 2.5 (4 equals A);
