SUBCHAPTER 1. GOALS AND RESPONSIBILITIES

10:40-1.1 Goals of the Division of Developmental Disabilities

(a) The goals of the Division of Developmental Disabilities (Division) are as follows:

1. To provide evaluations and functional services to Division eligible individuals;
2. To ensure and advocate for the rights of individuals served, to provide for their health, safety and welfare, and to protect individuals served from abuse, neglect and exploitation;
3. To develop an individualized habilitation plan for each individual admitted to ongoing services;
4. To provide prompt, effective and individually appropriate care, treatment, training and habilitation to eligible individuals served;
5. To establish and implement procedures for determination of eligibility for services of the Division;
6. To develop an array of services to enable eligible individuals to be sustained in their own home or other living arrangements as may be most appropriate for the individual and to offer options for self directed support and service delivery for individuals to live as independently as possible;
7. To help the families of eligible individuals to develop an understanding and acceptance of both the capabilities and needs of their relatives;
8. To establish standards for services, whether provided or purchased on behalf of eligible individuals. Such standards shall address the scope and quality of the services, as well as recognize unique needs. The Division strives to offer individualized choices, flexibility in planning and family participation whenever possible;
9. Through continual assessment of the Division's programs, to ensure that the individual's needs are met and that established program standards are maintained;
10. To provide consultation to organizations and committees (public or private) which work toward improving opportunities for individuals with developmental disabilities;
11. Through research and public education, to contribute to an increased understanding of developmental disabilities and its preventable causes;
12. To integrate and maximize the use of Federal, State, local and private resources in providing essential services to eligible individuals and their families;
13. To develop and sustain working relationships with other public and private agencies to ensure a continuum of services;
14. To provide effective management of the Division's programs and services within the appropriation; and
15. To promote positive employee relations through adherence to policies of non-discrimination, fair employment

practices, promotional opportunities and good work environments.
