The New Jersey Department of Environmental Protection's Division of Fish and Wildlife alerts hunters to an error in the August Hunting Issue of the *2002 New Jersey Fish and Wildlife Digest*. On page 74, the Perpetual Sunrise and Sunset Table incorrectly advises individuals to add one hour for daylight time October 27, 2002 through April 6, 2003. The correct statement should read "Add one hour for daylight saving time when in use."
