HISTORIC AMERICAN ENGINEERING RECORD

Structure No. 0509-151
Route 49 Over Cape May Branch
Upper Township, Cape May County, New Jersey

Index to Photographs
Photographer: Rob Tucher
Photographs taken: December 2007

Photograph	Description
1	View of bridge in context. Looking north.
2	View of bridge in context, and approach from east. Looking southwest.
3	Approach from west. Looking east.
4	View across deck from southeast corner. Looking west.
5	Oblique view of south elevation, showing exterior of south balustrade, end post, and abutment top. Looking east.
6	South elevation through obscuring vegetation. Looking north.
7	Partial south elevation at tracks of the NJ Transit Cape May Branch Rail Road Line. Looking north.
8	Oblique view of south elevation from southeast. Looking northwest.
9	Oblique view of north elevation from northeast. Looking southwest.
10	Partial north elevation at tracks of the NJ Transit Cape May Branch Rail Road Line. Looking south.
11	Underside along bridge axis showing skew of piers and tracks, below track span. Looking east.
12	Underside, view perpendicular to piers and tracks, below track span. Looking southwest.
13	Underside detail, view along track axis. Looking south.
14	Underside, oblique view through piers. Looking northeast.
15	Entire underside, view from west abutment. Looking east.
16	West abutment seen through westernmost pier. Looking west.
17	East abutment. Looking southeast.
18	Detail of north balustrade at northwest corner. Looking north.
19	Detail of northwest end post with impressed plaque that reads, "STATE HIGHWAY ROUTE 47," (three others are destroyed or obscured completely by the installation of a guard rail system). Looking north.
