

Enable finance for possibilities

Cross River's API-driven banking infrastructure embeds financial services across industries and provides the foundation for regulatory compliance upon which our partners grow.

Get in Touch

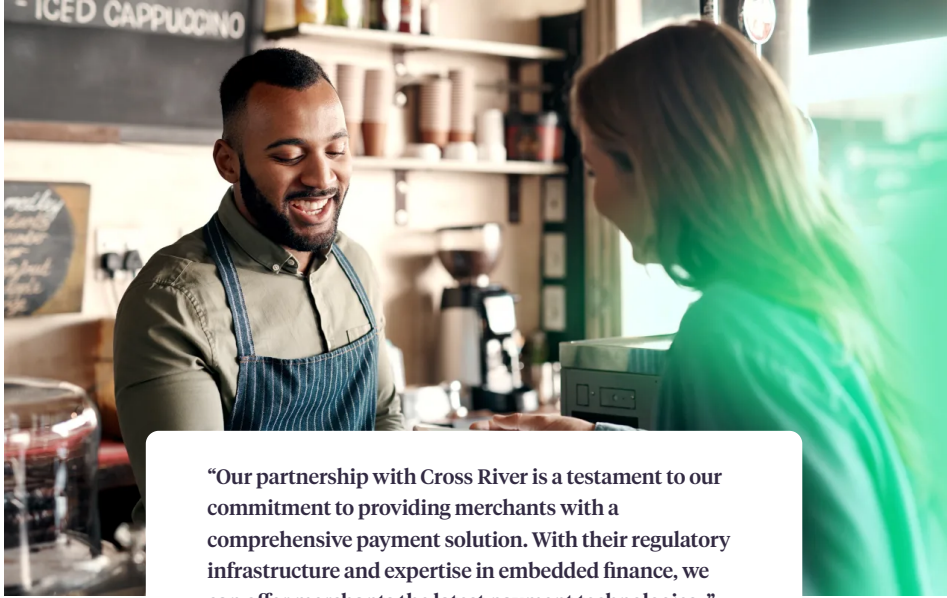

“Our modern BaaS platform and consultative approach, combined with our relationships with Visa, Mastercard, and American Express for card issuing provide a strong foundation for our partners to build cutting edge card solutions for their users.”

Andrew Lambert
SENIOR PRODUCT DIRECTOR, CARDS STRATEGY | CROSS RIVER

“Our partnership with Cross River is a testament to our commitment to providing merchants with a comprehensive payment solution. With their regulatory infrastructure and expertise in embedded finance, we can offer merchants the latest payment technologies.”

Assaf Cohen
CEO PAY.COM
