MEDICAID COMMUNICATION NO. 96-20

DATE: October 10, 1996

VELVET G. MILLER
Director

TO: County Welfare Agency Directors
Tax Security Liaisons
Institutional Services Section Area Supervisors

SUBJECT: Implementation of IRS/IEVS
Monthly Matches for Tax Year 1995

The purpose of this Communication is to provide you with an update to our IRS/IEVS monthly match schedule which was addressed in Medicaid Communication 96-15, dated May 29, 1996. Communication 96-15 advised you of a revised schedule combining new applicant months in order to complete all matching for Tax Year 1994 by August 1996. The output for the new applicant match of June 1996 was generated in late September.

Because of this delay and our commitment to bring the IEVS matching process up to date, we are again planning to combine new applicant matches for the months of July, August and September 1996, implementing the matching process against Tax Year 1995. You can anticipate the receipt of this IEVS data in late October or early November 1996. As a result, output for the Annual Run against Tax Year 1995 is anticipated for mid-December 1996. FD-348 documents which were generated for individuals as a result of the July, August and September match will be suppressed during the Annual Run so that no duplication occurs.

We realize that this accelerated effort will require concentration of staff time to process the combined match information, and again request your cooperation in this matter. Any questions concerning this Communication should be directed to Ginni Elmer of the Division's Office of Information Systems, at (609) 588-2762.

Sincerely,

Velvet G. Miller
Director
