NJPRF was created to address the social, economic, and medical impact of COVID-19 on New Jersey.

STORIES OF IMPACT

CITY GREEN, CLIFTON, NJ

NJPRF funds helped City Green put fresh, healthy food on the tables of individuals and families in need.

The grant allowed City Green's network of partner farmer's markets to safely bring locally grown fresh produce to their communities.

The Grant supported City Green's "Good Food Buck" SNAP and WIC incentive program, providing \$3,500+ of discounted farm-fresh food to more than 200 food-insecure families

OUR MISSION

New Jersey Pandemic Relief Fund will raise funds and organize and coordinate resources to fight the medical, social and economic impact of COVID-19 on New Jersey's most vulnerable.
