19:48-1.8 Petition to remove name from exclusion list

(a) An excluded person may petition the Commission to request a hearing concerning his or her removal from the list at any time after five years from the placement by the Commission of such person on the list.

(b) The petition shall be verified, with supporting affidavits, and shall state with particularity the grounds believed by the petitioner to constitute good cause for his removal from the list. Upon receipt of such petition, the Division shall be given an opportunity to state its position in writing.

(c) The Commission may decide the petition on the basis of the documents submitted by the parties. The Commission may summarily deny the petition or may grant the petition and direct that a hearing be held in accordance with N.J.A.C. 19:42-4. The Commission shall grant the petition only upon a finding that there is new evidence which is material and necessary, or that circumstances have changed since the placement of the excluded person on the list, and that there would be a reasonable likelihood that the Commission would alter its previous decision.

(d) Any excluded person who is barred from requesting a hearing concerning his or her removal from the list by (a) above may petition the Commission for early consideration at any time; provided, however, that no excluded person may, within the five-year period of exclusion, file more than one such petition. Such petition shall be verified, with supporting affidavits, and shall state with particularity any grounds upon which exclusion was based, and the facts and circumstances which warrant the relief sought. Upon receipt of such petition, the Division shall be given an opportunity to state its position in writing. The Commission may decide the petition on the basis of the documents submitted by the parties. The Commission may summarily deny the petition or may grant the petition and direct that a hearing be held in accordance with N.J.A.C. 19:42-4. The Commission shall grant the petition:

1. Upon a finding that there exist extraordinary facts and circumstances warranting early consideration of the excluded person's request for removal from the list; or
2. If exclusion was pursuant to N.J.A.C. 19:48-1.5(a)2, upon a finding that the excluded person has completed the period of probation or otherwise satisfied the terms of any court-ordered exclusion.
