

(e) Notwithstanding the provisions of (c) above, a casino licensee may implement a plan for revised supervision by floorpersons, poker shift supervisors, pit bosses, or slot shift managers. A plan for revised supervision of table games shall not include any gaming tables at which the cards shall be used for more than 24 hours pursuant to N.J.A.C. 19:46-1.18(g)7. In any plan for revised supervision:

1. One floorperson may supervise not more than six tables comprised of any combination of table games excluding baccarat, minibaccarat (when using the dealing procedure in N.J.A.C. 19:47-7.7(c)3), craps, mini-craps, pai gow and blackjack when offering the streak wager permitted under N.J.A.C. 19:47-2.22;

2. One pit boss may supervise not more than 24 gaming tables;

3. One poker shift supervisor may supervise a total of not more than 24 poker tables and gaming tables other than poker (in lieu of a pit boss), provided that:

i. The poker shift supervisor is supervising all poker tables which are open to the public; and

ii. One floorperson may supervise not more than six poker tables;

4. One floorperson may supervise two craps tables and one additional table of any other table game excluding baccarat, minibaccarat (when using the dealing procedure in N.J.A.C. 19:47-7.7(c)3), mini-craps and pai-gow;

5. One floorperson may supervise one craps table and two additional tables comprised of any combination of table games excluding baccarat, minibaccarat (when using the dealing procedure in N.J.A.C. 19:47-7.7(c)3), mini-craps and pai gow;

6. One floorperson assigned to poker may supervise not more than 10 poker tables if the poker shift supervisor is supervising only poker tables;

7. One floorperson assigned to poker may supervise not more than 12 poker tables if the poker shift supervisor is supervising only poker tables and no floorperson assigned to poker has any responsibilities for seating players; and

8. If a casino licensee chooses to establish slot and keno operations in the same department, as permitted under N.J.A.C. 19:45-1.11(b), a slot shift manager may simultaneously assume the responsibility of keno supervisor.

(f) The casino manager or table games shift manager shall notify the Commission and the Division no later than 24 hours in advance of implementing or changing any plan for revised supervision for table games, and the slot shift manager or keno supervisor shall provide such notification for keno, provided, however, that notice may be provided less than 24 hours in advance in circumstances which are emergent or may otherwise not reasonably be anticipated.

1. Any notice for a plan for revised supervision of table games shall include, without limitation, the following information:

i. The pit number and configuration of any pit affected;

ii. The type, location and table number of any table affected;

iii. The standard staffing level required for the gaming table or tables and the proposed variance therefrom;

iv. The start date and time, and the duration, of the revised supervision; and

v. The basis for the decision to revise the number of supervisory personnel, which shall include any relevant factors which demonstrate that proper operation and effective supervision of the affected gaming tables will be maintained, including, as applicable, a showing:

(1) That the revised supervision is justified by a reduced volume of play at the specified times and gaming tables in the casino or casino simulcasting facility;

(2) That the particular dealers or supervisors assigned to the affected tables possess a degree of skill and experience indicative of sufficient ability to operate the affected tables with revised supervision, in which case a record of the personnel assigned to such tables during the period or revised supervision shall be maintained;

(3) That a reduced number of gaming tables will be operating in the affected pits, which are in a configuration to ensure proper supervision and operation; or

(4) Any other facts or circumstances which establish that a revision in the number of supervisory personnel is appropriate.

2. Any notice for a plan for revised supervision for keno operations shall include, without limitation, the following information:

i. The start date and time, and the duration, of the revised supervision; and

ii. The basis for the decision to consolidate the supervisory responsibilities in one employee, which shall include any relevant factors which demonstrate that effective supervision of keno operations will be maintained, including a showing that the revised supervision is justified by a reduced level of keno wagering or keno staffing.

(g) The Commission may, at any time upon 12 hours notice, direct that the plan for revised supervision shall be terminated and that the licensee shall maintain standard staffing levels as defined in (c) above.

(h) The following personnel shall be used to maintain and operate the slot machines and bill changers in an establishment:

1. Slot mechanics shall be the persons assigned the responsibility for repairing and maintaining slot machines and bill changers in proper operating condition and participating in the filling of payout reserve containers.

2. Slot attendants shall be the persons assigned the responsibility for the operation of slot machines and bill changers, including, but not limited to, participating in manual jackpot payouts and filling payout reserve containers. At the discretion of the casino licensee, slot attendants may, using currency obtained from an imprest fund issued by the cashiers' cage, the master coin bank or a slot booth in accordance with internal control procedures approved by the Commission, pay slot jackpots of less than \$1,200 pursuant to N.J.A.C. 19:40-1.40E, and accept currency and coupons from patrons in exchange for currency.

3. Slot supervisors shall be the first level supervisors assigned the responsibility for directly supervising the operation of slot machines and bill changers.

4. Slot shift manager shall be the second level supervisor with the responsibility for the overall supervision of the slot machine and bill changer operation for each shift.

5. If a casino licensee chooses to establish an independent slot department pursuant to N.J.A.C. 19:45-1.11(b)4, the slot department manager shall be the executive assigned the responsibility and authority for the supervision and management of the overall operation of the casino licensee's slot machines and bill changers including, without limitation, the hiring and terminating of all slot department personnel and the creation of high employee morale and good customer relations, all in accordance with the policies and practices established by the casino licensee's board of directors or non-corporate equivalent. In the absence of the slot department manager, the slot shift manager shall have the authority of the slot department manager.

(i) The following personnel shall, at a minimum, be used to operate a simulcast counter in a casino simulcasting facility:

1. Casino pari-mutuel cashiers shall be assigned the responsibility of generating, and issuing to patrons, pari-mutuel tickets and credit vouchers, conducting credit card and debit card cash transactions, making simulcast payouts to patrons, and redeeming credit vouchers for patrons. At the discretion of a casino licensee, a casino pari-mutuel cashier ("vault cashier") may, alternatively, be assigned the responsibility to control the currency and coin in the simulcast vault, as provided in N.J.A.C. 19:45-1.14A and 1.15A. A vault cashier on a shift shall not perform any other functions of a casino pari-mutuel cashier on the same shift; and

2. Simulcast counter shift supervisor shall be the first level supervisor assigned the responsibility for directly supervising the operation and conduct of the simulcast counter; provided, however, that the simulcast counter shift supervisor may simultaneously assume the responsibilities of the keno shift supervisor if a casino licensee chooses to establish keno and simulcasting operations in the same department, as permitted by N.J.A.C. 19:45-1.11(b)4.

(j) The following personnel, at a minimum, shall be used to conduct keno operations:

1. Keno writer shall be the person assigned the responsibility to generate keno tickets, redeem coupons, conduct credit card and debit card cash transactions, accept wagers and issue keno payouts at a keno booth, roving keno work station or satellite keno booth.

2. Keno supervisor shall be the supervisor assigned to each shift with the responsibility for directly supervising all activities at a keno booth, roving keno work stations and satellite keno booths. A keno supervisor who is licensed as a casino key employee may simultaneously assume the responsibilities of the simulcast counter shift supervisor if a casino licensee chooses to establish keno and simulcasting operations in the same department as permitted by N.J.A.C. 19:45-1.11(b)4. The following functions shall only be performed by the casino key employee to whom the keno supervisor reports or a supervisor thereof:

i. Requesting access to the keno computer system for keno personnel;

ii. Requesting pay table changes and performing pay table changes in accordance with approved internal controls;

iii. Requesting and being present for software and hardware upgrades as performed in accordance with approved internal controls;

iv. Authorizing the payment of winning keno tickets of \$5,000 or more; and

v. Hiring and terminating keno personnel in accordance with the policies and procedures established by the casino licensee.

3. If a casino licensee chooses to establish an independent keno department pursuant to N.J.A.C. 19:45-1.11(b)4, the keno manager shall be the executive assigned the responsibility and authority for the supervision and management of the overall operation of the game of keno by the casino licensee, including, without limitation, the hiring and terminating of all keno personnel in accordance with the policies and practices established by the casino licensee.

(k) Nothing in this section shall be construed to limit a casino licensee from utilizing personnel in addition to those described herein nor shall anything in this section be construed to limit the discretion of the Commission to order the utilization of additional personnel by the casino licensee

necessary for the proper conduct and effective supervision of gaming in an establishment.

4. Such other functions normally associated with the operation of a simulcast counter.

(b) The simulcast counter shall be designed and constructed to provide maximum security for the materials housed therein and the activities performed therein; such design and construction shall, at a minimum, include the following:

1. One or more numbered pari-mutuel windows, each of which shall contain a pari-mutuel machine and a cashier's drawer, in which shall be deposited all currency, coins, gaming chips, slot tokens, coupons and duplicate slips evidencing exchanges with the cashiers' cage, satellite cage or simulcast vault, or a self-service pari-mutuel machine;

2. A work area containing at least one remote management console ("RMC") and terminal to generate reports on pari-mutuel wagering, which shall be used only by the simulcast shift supervisor or above, and casino pari-mutuel cashiers, who shall only be allowed access under the direct supervision of the simulcast supervisor or above; and

3. A simulcast vault, which shall be secured by a lock, the key to which shall be maintained and controlled by the simulcast shift supervisor or above, and which shall contain a supply of currency and coin under the control of a vault cashier, simulcast shift supervisor or above to be utilized for the pari-mutuel window inventories and to re-

An ancillary simulcast counter shall comply with all of the provisions of N.J.A.C. 19:55-4.4 and (a) and (b) above; provided however, that the requirements of a separate facsimile machine, direct dial-up telephone line, RMC, simulcast vault and simulcast shift supervisor for the ancillary simulcast counter, or any of them, may be waived if, considering, among any other relevant factors, the number of pari-mutuel windows in the ancillary simulcast counter, the proximity of the ancillary simulcast counter to the simulcast counter, and the span of authority and responsibility of the supervisor, the Commission determines that any such requirement is not necessary to the maintenance of adequate supervision of the simulcast wagering operations.
