ADJUTANT-GENERAL'S REPORT.

ADJUTANT-GENERAL'S OFFICE, }
Trenton, N. J., December 31, 1852. }

To His Excellency, Governor GEORGE F. FORT,
Commander-in-Chief, &c., &c., &c.

SIR:—The Adjutant-General has to report that, in obedience to a further supplement, (approved March the seventeenth, eighteen hundred and fifty-two,) to the act entitled an act establishing a Militia System, the following (*Schedule A*,) is the annual return made to the Adjutant-General, of male white persons within the bounds of their respective divisions and brigades, between eighteen and forty-five years of age, liable to perform military duty.

In time of peace, the schedules of the enrolled persons not being likely to vary materially within one or two years, it is most respectfully submitted, whether the period of the annual enrollment might not be profitably extended to three years.

The Adjutant-General has again earnestly to recommend that some fund should be provided for the encouragement and support of the volunteer companies. Their usefulness, their loss of time, and their actual expenditure, entitle them to it, as an act of common justice.
