Trenton, NJ – Governor Chris Christie released the following statement on the swearing in of Martin Perez, the first Hispanic to join the Rutgers University Board of Governors:

"I want to welcome Martin Perez to the Rutgers University Board of Governors. For more than two years, Senate President Sweeney, Senator Bob Smith and their fellow Senate Democrats have blocked him and deprived the Board of Hispanic representation. Their last-minute obstructionism has failed, and the University now has the diversity and voice of the community it needs and deserves."
