General Information

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Stream Encroachment (SE) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed does not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed inside the back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

PUBLIC HEARING NOTICE

GREEN ACRES PROGRAM

Notice of Public Hearing on the

Proposed conveyance of lands owned by the State of New Jersey, Department of Environmental Protection, and assigned to Belleplain State Forest.

TAKE NOTICE that the State of New Jersey, Department of Environmental Protection, Division of Parks and Forestry will hold a public hearing to seek comments on the proposed conveyance of the following state owned property:

The Township of Dennis has proposed that certain lands located within their municipality owned by the State of New Jersey and administered by the DEP, consisting of approximately 3.5 acres, known as Block 31, p/o Lot 5 be conveyed in exchange of certain lands owned by the Township of Dennis, which are interior exceptions to our holdings at Belleplain State Forest, known as Block 34, Lots 2 and 4 and Block 52, Lots 38 and 9.11 consisting of 9.4 acres.

The Department seeks to convey this property which is adjacent to lands owned by Dennis Township to the municipality as part of a land exchange with Dennis Township. This exchange will facilitate the consolidation of our land holdings at Belleplain State Forest and allow continuous recreational opportunities throughout the forest without conflict with the rights of non-state ownership of these interior exceptions as well as allow Dennis Township to expand its recreational area.

The public hearing will be held on:

Monday, November 24, 1997 at 11:00 a.m. at the
Dennis Township Municipal building located at
571 Petersburg Road, Dennisville, NJ 08214-0204

Persons wishing to make oral presentation are asked to limit their comments to a five minute time period. Presenters should bring a copy of their comments to the hearing for use by the Department. The hearing records will be kept open for a period of seven days following the date of the public hearing so that additional written comments can be received.
