Department of
Transportation**

July 26, 2021

TO: Honorable Members of the New Jersey State Legislature
FROM: Robert A. Briant, Jr., Chairperson, New Jersey Infrastructure Bank
SUBJECT: State Fiscal Year ("FY") 2022 First Amended Interim Transportation Financing Program
Project Priority List ("FY2022 1st Amended Transportation Bank PPL")

The New Jersey Infrastructure Bank (the "I-Bank") and the New Jersey Department of Transportation are pleased to present the FY2021 1st Amended Transportation Bank PPL to the New Jersey State Legislature pursuant to the New Jersey Infrastructure Trust Act N.J.S.A. 58:11 B-1 et seq. ("the Act"). The Transportation Bank is obligated, pursuant to the Act, to publish the Transportation Infrastructure Bank Priority System and Transportation Infrastructure Project Priority List for the ensuing fiscal year. The Act authorizes the I-Bank to amend the PPL four times during the State fiscal year. The PPL for SFY2022 was originally submitted to the Legislature in January 2021. This submission serves as the first such amendment.

The Act established the New Jersey Transportation Infrastructure Bank (the "Transportation Bank") to make low interest loans for local transportation infrastructure projects with a mission of reducing the cost of financing of critical transportation projects for New Jersey counties and municipalities.

The FY2022 1st Amended Transportation Bank PPL, set forth in Appendix A, consists of **31 projects** with an estimated value of **\$305.2 million**. This project list identifies all Transportation Bank loan applicants for which an application for an eligible project was submitted on or before June 30, 2021. Of these 31 projects, 23 have been allocated funds totaling \$106.6 million in prior quarters and are currently undergoing engineering design or construction activities.

The new funding allocations for this 1st quarter of FY2022 are limited to projects demonstrating a high likelihood of awarding construction on or before June 30, 2022, or June 30, 2023, for bridge assets. There were two (2) such projects that met this requirement and received funding allocations with an estimated value of \$2.9 million.

Thank you for your continued support of our Programs.
