

(80-7720-915) Grades Offered: PK-08 2017-2018

#### Report Key:

- \* Data is not displayed in order to protect student privacy
- \*\* Accountability calculations require 20 or more students
- **N** No Data is available to display
- † This indicates a table specific note, see note below table

## How to use this report:

- Learn more about this school by exploring all sections of this report
- Start conversations with school community members and ask questions
- Engage with your school communities to identify where schools are doing well and where they can improve

# Navigating through the reports:

- · Save or print this report by clicking the disk icon at the top of the page to download a PDF
- · Search for specific text or words in the report by using the search box at the top left of the page
- Use the menu bar along the top of the page or the table of contents on the left of the page to move between sections of the report
- Click the Next and Previous buttons at the bottom of the page or the arrows as the top left of the screen to move between pages of the report

#### Other Resources:

- Review the Summary Report or the district-level report for this school
- · Read the Reference Guide, Frequently Asked Questions, or Data Privacy Rules for more detailed information about the data in the report
- Download the data in the reports for all schools in the state
- Provide feedback on the reports by taking our <u>feedback survey</u>
- Contact us at reportcard@doe.nj.gov with any questions about the reports

(80-7720-915) Grades Offered: PK-08 2017-2018

# **Enrollment Trends by Grade**

This table shows the number of students enrolled by grade for the past three school years.

Grade	2015-16	2016-17	2017-18		
PK	20	20	20		
KG	20	20 20			
1	20	20	20		
2	20	20	20		
3	20	20	20		
4	20	20	20		
5	19	20	20		
6	20	20	18		
7	20	20	22		
8	20	20	20		
Total	199	200	200		

# **Enrollment Trends by Student Group**

This table shows the percentage of students by student group for the past three school years. Data for some student groups was not available before 2016-17.

Student Group	2015-16	2016-17	2017-18
Female	51.8%	52.0%	51.5%
Male	48.2%	48.0%	48.5%
Economically Disadvantaged Students	41.2%	42.5%	44.0%
Students with Disabilities	10.6%	12.5%	11.0%
English Learners	6.5%	6.0%	5.5%
Homeless Students		0.0%	0.0%
Students in Foster Care		1.0%	0.0%
Military-Connected Students		0.5%	0.5%
Migrant Students		0.0%	0.0%

# Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group for the past three school years.

Racial and Ethnic Group	2015-16	2016-17	2017-18
White	49.2%	43.5%	44.5%
Hispanic	39.2%	42.5%	45.0%
Black or African American	10.1%	12.0%	9.0%
Asian	1.5%	2.0%	1.5%
Native Hawaiian or Pacific Islander	0.0%	0.0%	0.0%
American Indian or Alaska Native	0.0%	0.0%	0.0%
Two or More Races	0.0%	0.0%	0.0%

### Enrollment Trends by Full/Half Day PK and KG

This table shows number of students in full day and half day Pre-Kindergarten (PK) and Kindergarten (KG) for the past three school years.

Grade	2015-16	2016-17	2017-18
PK - Half Day	0	0	0
PK - Full Day	20	20	20
KG - Half Day	0	0	0
KG - Full Day	20	20	20

# **Enrollment by Home Language**

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown, and students with other home languages are included in the Other Languages total.

Home Language	% of Students					
English	57.0%					
Spanish	42.5%					
Other Languages	0.5%					

(80-7720-915) Grades Offered: PK-08 2017-2018

#### **Report Key:**

- \* Data is not displayed in order to protect student privacy

- N No Data is available to display
- † This indicates a table specific note, see note below table

Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: Low Growth: Less than 35

**Typical Growth: Between 35 and 65** 

**High Growth: Greater than 65** 

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

### Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)
Schoolwide	66.5	66.5	50	Exceeds Standard	52	52	50	Met Standard
White	70.5	70.5	50	Exceeds Standard	54.5	54.5	51	Met Standard
Hispanic	70	70	49	Exceeds Standard	60	60	48	Exceeds Standard
Black or African American	47	47	44	**	40	40	44	**
Asian, Native Hawaiian, or Pacific Islander	*	*	61	**	*	*	61	**
American Indian or Alaska Native	N	N	52	**	N	N	53	**
Two or More Races	N	N	49	**	N	N	51	**
Economically Disadvantaged	65	65	48	Exceeds Standard	57	57	47	Met Standard
Students with Disabilities	73	73	41	**	*	*	43	**
English Learners	*	*	54	**	*	*	51	**

# English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2017-18 Annual Target	Met 2017-18 Annual Target
Schoolwide	120	100.0	61.7	61.7	56.7	61.7	52.2	Met Target
White	52	100.0	84.7	84.7	65.6	84.7	64.9	Met Goal
Hispanic	51	100.0	43.1	43.1	42.5	43.1	38.7	Met Target

# English Language Arts/Literacy Assessment - Performance Trends

This graph shows the percentage of students who met or exceeded expectations on each grade level exam on the English Language Arts/Literacy (ELA/L) section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment for the past three years.

(80-7720-915) Grades Offered: PK-08 2017-2018

# Mathematics Assessment - Participation and Performance

This table shows information about the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

Student Group	Valid Scores	% of students Taking Test	School: % of Testers Met/Exceeded Expectations	District: % of Testers Met/Exceeded Expectations	State: % of Testers Met/Exceeded Expectations	Proficiency Rate for Federal Accountability	2017-18 Annual Target	Met 2017-18 Annual Target

### **DLM Alternate Assessment - Participation**

This table shows the number of students taking the Dynamic Learning Maps Alternate Assessment, which tests academic progress in English Language Arts (ELA) and Mathematics for students with different types of significant cognitive disabilities.

Grade	ELA: # Students Tested	Math: # Students Tested
3	N	N
4	N	N
5	N	N
6	N	N
7	*	*
8	N	N

#### **English Language Progress to Proficiency**

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

Student Group	Percent of English Learners Making Expected Growth to Proficiency	2017-18 Target	Met Target?
Schoolwide/English Learners	*	*	*

<sup>†</sup> Target was met within one standard deviation

#### English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

Years in District		% Students with Overall Score Below 4.5	% Students with Overall Score of 4.5 and above

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

### NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

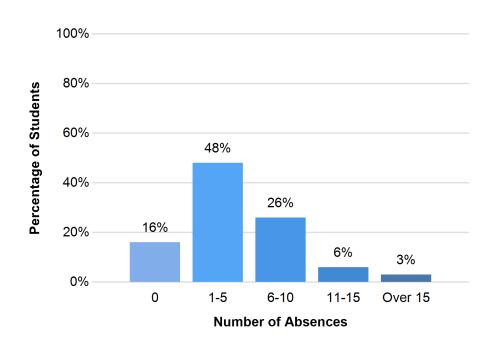

#### Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of students chronically absent	Percent of students chronically absent	State Average	Met State Average
Schoolwide	6	3.3	9.1	Met
White	3	3.9	9.1	Met
Hispanic	3	3.7	9.1	Met
Black or African American	*	*	**	**
Asian, Native Hawaiian, or Pacific Islander	*	*	**	**
American Indian or Alaska Native	N	N	N	N
Two or More Races	N	N	N	N
Economically Disadvantaged Students	3	3.4	9.1	Met
Students with Disabilities	2	9.5	9.1	Not Met
English Learners	0	0	**	**

### Days Absent

This graph shows the percentage of K-12 students by the number of days they were absent during the school year.

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

### Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Total Unique Incidents	0
Incidents Per 100 Students Enrolled	0.00

### **Police Notifications**

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	0

(80-7720-915) Grades Offered: PK-08 2017-2018

### Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bulling (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	0	0	0
Religion	0	0	0
Ancestry	0	0	0
Gender	0	0	0
Sexual Orientation	0	0	0
Disability	0	0	0
Other	0	0	0
No Identified Nature	1		1

### Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	*	*
Out-of-School Suspensions	0	0.0%
Any Suspension	*	*
Removal to other education program	0	0.0%
Expulsion	0	0.0%
Arrest	0	0.0%

School Days Missed due to Out-of-School Suspensions

# School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:00 AM
Typical End Time	4:00 PM
Length of School Day	8 Hrs 0 Mins
Full Time - Instructional Time	7 Hrs 0 Mins
Shared Time - Instructional Time	N

#### **Device Ratios**

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	5.7:1

# Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' <a href="User Friendly Budgets">User Friendly Budgets</a>, or the NJDOE Finance <a href="District Report Search">District Report Search</a> of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

Per-Pupil Expenditures	Federal	State/ Local	Total
District Total (2016-2017)	\$612	\$15,868	\$16,480

(80-7720-915) Grades Offered: PK-08 2017-2018

#### Report Key:

#### Key terms for staff data:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

**Teachers**: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-

level administrators

### Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	28	117,464
Average years experience in public schools	9.0	12.0
Average years experience in district	6.4	10.7
Teachers in district for 4 or more years	53.6%	75.5%

### Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	3	9,374
Average years experience in public schools	20.0	16.0
Average years experience in district	11.3	12.0
Administrators in district for 4 or more years	66.7%	76.2%

#### Student and Staff Ratios

This table shows ratios of students and staff members in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Ratio	School Ratio	District Ratio
Students to Teachers	7:1	7:1
Students to Administrators	67:1	67:1
Teachers to Administrators	9:1	9:1
Students to Librarians/Media Specialists		N
Students to Nurses		200:1
Students to Counselors		N
Students to Child Study Team		200:1

(80-7720-915) Grades Offered: PK-08 2017-2018

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

# Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022			
No	n/a	n/a			

### **Targeted Status**

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Student Group	Requires Targeted Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
Any Student Groups	No	n/a	n/a
White	No

# Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	59.18	17.5%
Mathematics Proficiency	39.45	17.5%
English Language Arts Growth	95.08	25.0%
Mathematics Growth	66.53	25.0%
Progress Towards English Language Proficiency	**	**
Chronic Absenteeism	88.13	15.0%
Summative Score: Sum of all indicator scores multiplied by indicator weights	70.88	n/a
Summative Rating: Percentile Rank of Summative Score	80.69	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5 <sup>th</sup> percentile	No	n/a

<sup>†</sup> Weights indicated by this symbol were adjusted due to data availability

# Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Student Group	Summative Score	Summative Score Cut- off for Targeted Support	Requires Targeted Support: Low Performing Student Group	ELA Proficiency: Met Annual Target	Math Proficiency: Met Annual Target		Math Student Growth: Met Standard	Progress Towards English Language Proficiency: Met Annual Target	Chronic Absenteeism: Met State Average	Requires Targeted Support: Consistently Underperforming Student Group - 2017-18

### **School Narrative**

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Courses, Curriculum, Instruction:

The RBCS instructional model is a living curriculum grounded in the NJSLS, 3 charter beliefs and the individual needs of each child. This design challenges and accommodates the complexities of all learners. Our two teacher model and small class size allow for differentiation within the classroom. Language Arts skills are developed through literature rich opportunities. Math skills are developed using manipulatives and real-world problem solving. Our middle school coursework includes advanced classes in Algebra I and Geometry, as well as electives in finance, arts, language and science. All students participate in STEM based projects in our lab. Social emotional development is fostered through formal lessons in Character Education, while Service Learning cultivates a sense of community and citizenship through projects and our 8th grade capstone Internship program. After-school Study Buddies, Reading Rockets and Math Magicians provides basic skills support and homework tutoring.

Sports and Athletics:

Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Cross Country (Coed), Soccer (Boys & Girls), Softball (Girls), Tennis (Boys & Girls)

RBCS has a rich and popular athletic program designed to expose students to various sports while developing teamwork and communication. The school offers eight sports throughout the year with many students playing all three seasons. About 90% of all eligible students participate in at least one sport. The leagues are composed of similar size middle schools. We have many alumni that come back to be volunteer assistant coaches, thus becoming role models for our young athletes. Despite the lack of athletic facilities, coaches and athletes utilize local parks and simultaneous practices to prepare for the season. We welcome all students from 5th-8th grade to participate in the athletic program and through our differentiated coaching approach, our coaches are able to work with seasoned athletes and first time players. Our student athletes play with compassion, heart, and determination while maintaining a high grade point average in the classroom.

Clubs and Activities:

Students in grades 1-8 participate in clubs. A club fair and student interest survey is done annually to determine student preferences. Clubs are diverse ranging from cooking to coding. Faculty members volunteer to serve as moderators. Co-curricular activities include arts, athletics, and academics/technology. Students participate in a school musical and Evening with the Arts. Our athletic teams are very popular despite the fact that we have no sports facilities or gym. Academic and technology opportunities include a math team, mock trial, and National Junior Honor Society. In collaboration with the local high school, our students participate in a Girls Coding Club. Service is a large component of the school's belief structure. There are many school-wide projects for students to volunteer to support organizations such as the Food Bank, Senior Center, and Clean Ocean Action. Currently there is a school-wide initiative to focus on eliminating plastic bags from our community.

Before and After School Programs:

RBCS conducts an after school Study Buddy Program which runs from 4-5:30PM each day. The intent of the program is to tutor students and help with homework. Tutoring is provided by faculty members and local high school volunteers. Classroom teachers provide individual instructional plans and materials for the tutors. Chromebooks are available for student use during this time. Math Magicians is a supplemental basic skills support program for students in grades K-4. This program meets 2x a week and is designed to help eligible students practice their basic math skills through engaging lessons and activities coupled with on-line opportunities. Reading Rockets is also part of our afterschool basic skills lineup for students in grades K-4. This program also meets 2x a week and is designed to help eligible students acquire the necessary skills to improve their oral reading and comprehension through fiction and non-fiction literature and interesting lessons and activities.

Staff and Professional Learning:

Professional development activities support increased student achievement and align with annual goals. Both teachers and adjuncts participate in all professional development sessions. On-site consultants provide continuous support throughout the school year. Teachers attend workshops relevant to their content area and identified areas for growth as identified in their PEP's. Collaboration on instructruction and student needs is continuous with an array of activities including the RBCS Summer Pro-D series, monthly professional development days, PLCs, content cluster meetings, and faculty meetings. All RBCS teachers and adjuncts are highly qualified.

If there are questions about the information provided in the narrative section, please contact your school directly.

Student Supports and Services:

Support services are provided to all eligible students. Intervention and Referral Services and 504 are provided to students in preschool through eighth grade, so that teachers or specialists can assist a student who is at risk for school problems within the general education environment. Special education and related services are also determined by the Child Study Team and identified in an Individual Education Plan. Academic. behavioral and related services include pull-out resource. in-class resource, supplemental instruction as well as counseling, OT, Speech, PT and extended school year. Our ELL learners' receive support through our ESL program which reinforces English reading, writing, listening, and speaking skills to ensure academic success.

Student Health and Wellness:

RBCS is committed to health and wellness for students and families. It aligns with a Whole School, Whole Community and Whole Child model that calls for a collaborative approach to learning, health and wellness. Two Programs RBCS provides for all students are the Lions Club Vision Screening Program with state-of-the-art digital eye exams and the Give Kids a Smile dental program providing free dental exams within the community. Our Physical Education and School Health Office team together provides mandatory health screenings addressing obesity, vision, hearing, blood pressure management, scoliosis and dental care.This team provides educational programs in nutrition, disease prevention, health risk reduction, health promotion and exercise as a lifestyle choice. Students benefit from Red Bank community activities at the YMCA, Dance Programs, Fitness Studios and Recreational Parks with activities that include hiking, soccer, swimming, yoga, dance and cross fitness.

Involvement:

The cornerstone to parental involvement is our Learner's Individual Plans held quarterly where teachers, parents, and students discuss student progress. It is significant to note that 100% of parents grades pre-k through 8 attend each marking period. There is considerable parent involvement through activities such as class dinners, school concerts, plays, sports activities, presentations in class and chaperoning trips. The CCO is a parent organization committed to raising funds to support the school's annual goals. An extensive network of community partners support the instructional Parent and Community program, opportunities in the arts and placements for our 8th grade Internships. The consistent comment about the ethos of RBCS is that it feels like a family. This is largely due to the combined efforts of all of these parties to support our children.

Climate Surveys:

Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Teachers

RBCS believes that school climate is a crucial part of student learning with an emphasis on continued openness to diversity. Through our formal character education program, Second Step, students build social-emotional and self regulation skills that support academic growth, improve their ability to learn, solve problems, manage emotions, and have empathy. This helps to create a safe, healthy and respectful school climate for all our learners. Our Peer Mediation program empowers students to become responsible and capable of managing conflict. RBCS implements Responsive Classroom strategies where all students can thrive while developing strong social and academic skills. Climate surveys are administered quarterly, and the data guides grade-level and school-wide goals. Our mindfulness space provides students with a place to reduce stress and develop an attitude of curiosity and compassion.

Facilities:

Originally the school facility was composed of two historic buildings; a neighborhood elementary school from 1877 and a Century old house moved through Red Bank to join it as the RBCS Oakland St. campus. It has 9 classrooms, two Resource Rooms, a tech lab, music and art rooms, pre-k rooms, community room, commercial kitchen, and library. The property has two developmentally appropriately playgrounds. In our effort to better support our educational programs, we recently purchased an adjacent building in which we have our STEM lab. A gym space is currently under development. This is the first time in 20 years that RBCS will have its own gym. Both buildings are air-conditioned.

School Safety:

Over the past two years, RBCS has worked diligently to solidify and enhance various programs and safety measures to provide a safe and secure learning environment. The School Safety Specialist has completed the required training thus providing the district with the knowledge to formulate safety and security protocols that best meet the needs of the school and community. Through their monthly meetings, the Safety Committee has established a proper reunification plan for the students and staff in the event of an emergency. They have reviewed all drill protocols and took measures to make each plan as effective and streamlined as possible. The committee has established themselves as safety and security resources to other staff members. Last year the school installed a new camera security system to better monitor the interior, as well as the exterior of the school. This state of the art system is closely monitored throughout the day by office staff, as well as the administration.

Technology and STEM:

RBCS has a 1-to-1 chromebook program for grades 3-8, and chromebook tubs in each K-2 class. Each room is equipped with a smartboard, and technology is integrated throughout the curriculum. Our STEM program for grades K-8 is grounded in technology and project-based learning. Basic programming is taught using sites such as Khan Academy, Tynker, and CodeAcademy. These programs offer practice exercises, videos, and personalized learning that empowers learners to study at their own pace in and outside of the classroom. Our Robotics elective collaborates with the Rutgers 4H program to think like engineers while using technology to build robotic projects. Our middle school students attend Red Bank Regional High School's Girls' Coding Club afterschool program. We were recently awarded 10 Finch Robots for use in our middle school program. Our students have competed nationally in the Cyber Robotics Coding Competition and participate annually in Hour of Code.

Early Childhood Education:

RBCS has a 4-year old preschool program grounded in the Creative Curriculum approach to learning taught by 2 certified teachers and 2 teaching adjuncts, one of whom is bilingual. Our master teacher coach works closely with the team to support implementation of age-appropriate activities and assessments including Teaching Strategies Gold, ECER's and others. Along with classroom space, students use the developmentally appropriate playground and gross motor area. RBCS provides an array of support and services for students and their families. Intervention and support services are done through our PIRT team, and bilingual students work with our ESL teacher. Family education is through workshops conducted by school faculty and specialists in identified areas. Our transition to Kindergarten is seamless and is supported through an array of activities including a unique 5-week summer workshop for students entering preschool and kindergarten taught by their classroom teachers.

RBCS is one of the most integrated public schools in the state of NJ. The diverse student body reflects the school aged children in the borough of Red Bank. Unique elements of RBCS include a longer school day, extended school year and performance-based teacher compensation model. There is one class per grade level, 20 students per class, a Pre-K4 program with a total enrollment of 200 students. All classes are consistently filled to capacity. The RBCS student transfer rate is extremely low with an average of 1% over 3 years indicating a high degree of parent satisfaction. Each year there is a robust wait list.
