## OVER-THE-COUNTER PERMITS

### STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625

### RIPARIAN (609) - 292 - 2613

DEP has a one-day processing service for minor Riparian projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact Riparian Lands Management, P.O. Box 1889, Trenton, NJ 08625.

### SEWER EXTENSIONS (609) 292 - 0700, or (609) - 292 - 4869

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, syphons, gallionage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. Appointments for over-the-counter processing should be arranged through the Office of Business Advocacy (below). For further information contact:
