NEW RULE ADOPTED BY STATE BOARD OF EDUCATION

ON JUNE 28, 1961

Summer Driving Education Courses

Approval of a course in driver education to be offered during the summer months between regular school terms may be granted on application to the Department of Education, provided:

- (1) that the course to be offered is an extension of an approved course given during the regular school term; and
- (2) that the summer course is conducted under the standards for which the driver education course during the regular term has been approved.
