MEDICAID COMMUNICATION NO. 96-10

DATE: March 22, 1996

VELVET G. MILLER
Director

TO: County Welfare Agency Directors
Tax Security Liaisons
Institutional Services Section Area Supervisors

SUBJECT: IRS/IEVS Monthly Matches and
Annual Run for Tax Year 1994

The purpose of this communication is to advise you of our intent to combine the scheduling of IRS/IEVS monthly matches in order to facilitate the implementation of the Annual Run for Tax Year 1994. As you recall, previous programming changes had created ongoing delays in the processing of the IRS/IEVS monthly matches. In an effort to streamline the process, we are planning to combine new applicant data for the months of March, April, May, and June 1995 that has been matched against Tax Year 1993. You can anticipate the receipt of IEVS data from this match by the end of this month.

Subsequently, we are planning to include the match months of July, August, and September 1995 in the Annual Run for Tax Year 1994, in lieu of processing them separately. Receipt of the Annual Run data can be anticipated by the end of April.

We realize that this effort will require more staff time to process a higher volume of match information, and apologize for the additional burden being placed upon your staff. However, we feel that implementation of the above steps is necessary to facilitate the process in the most efficient manner possible at this time.

Any questions concerning this information should be directed to Ginni Elmer of the Division's Office of Information Systems, at (609) 588-2762. Your cooperation in this matter is appreciated.

Sincerely,

Velvet G. Miller
Director
