

Plans & Reports

If English is not your primary language, you may request language translation services for housing program documents that are available to the public. These translation services are available free of charge. For more information, please call 1-800-822-5552. The agent will connect you with an interpreter or arrange for an interpreter to return your call at your convenience.

Si el inglés no es su idioma principal, puede solicitar servicios de traducción para los documentos del programa de vivienda que están disponibles para el público. Estos servicios de traducción son gratuitos. Para obtener más información, llame al 1-800-822-5552. Un representante le pondrá en contacto con un intérprete o se encargará de que un intérprete le devuelva la llamada a su conveniencia.
