Mr. *Elmer*, from the Committee appointed to examine and consider the Legality of the Election of *Eleazer Hand*, returned as a Member of the House of Assembly in the Place of *Ebenezer Newton*, from *Cape-May*,

and of *Ellis Cook*, returned as a Member of this House in the Place of *Aaron Kitchel*, from the County of *Morris*, report the following Facts relative to the Election of the said *Eleazer Hand*:

That *Ebenezer Newton* was elected a Member of the House of Assembly, for the County of *Cape-May*, at the last annual Election in that County; that the said *Ebenezer Newton* did not take his Seat as a Member of the House, but was prevented therefrom by Reason of the Indisposition of his Family, as appears by a Letter addressed to the *Speaker*, dated in *November*, 1794:

That at a Joint-Meeting, holden on the 20th of *November* last, the said *Ebenezer Newton* was then elected Clerk of the County of *Cape-May*:

That the Appointment of the said *Ebenezer Newton* to the Clerkship of the County of *Cape-May*, in the Opinion of the Committee, vacated his Election, provided the said Appointment had been accepted by him, but no official Evidence has appeared to the Committee that Mr. *Newton* had accepted the said Appointment previous to the Time the Warrant for a new Election was issued by the *Speaker*, which, in the Opinion of your Committee, ought officially to have appeared, in order to require and authorise a Warrant for a new Election.

The Committee report the following Facts relative to the Election of *Ellis Cook*: That *Aaron Kitchel* was duly elected a Representative for the County of *Morris*, in the House of Assembly, at the last annual Election in that County: That the said *Aaron Kitchel* appeared, was qualified, and accordingly took his Seat as a Member of the Assembly: That at the late Election for Representatives in Congress the said *Aaron Kitchel* was a Candidate, and was elected a Representative of this State in Congress, and has since taken his Seat in the House of Representatives:

That on the twenty-second Day of *January* last a Warrant for a new Election, in the County of *Morris*, to supply the Place of the said *Aaron Kitchel*, was issued by the *Speaker* of the House of Assembly; but no official Evidence has appeared to the Committee that the Seat of the said *Aaron Kitchel*, as a Member of the House of Assembly, was vacated, which, in the Opinion of the Committee, should have officially appeared, in order to require and authorise the issuing of a Warrant for a new Election.

From the foregoing State of Facts, the Committee submit the following Questions for the Determination of the House.

1st. Was there sufficient Evidence to authorise the *Speaker* of the House of Assembly to issue a Warrant for an Election in the County of *Cape-May*, to supply the Place of *Ebenezer Newton*, who was appointed to the Clerkship of that County?

✓ 2d. Is the Election of *Eleazer Hand*, the Member returned to supply the Place of the said *Ebenezer Newton*, legal or illegal?

3d. Was there sufficient Evidence to authorise the *Speaker* of the House of Assembly to issue a Warrant for an Election in the County of *Morris*, to supply the Seat of *Aaron Kitchel*, who has been elected a Representative of this State in the Congress of the United States?

4th. Is the Election of *Ellis Cook*, the Member returned to supply the Seat of the said *Aaron Kitchel*, legal or illegal?

Ordered, That the said Report, and the Papers on which it was founded, be re-committed to Messrs. *Elmer*, *Mayhew*, and *Van Emburgh*.

That although some Advantages might arise to the Petitioners in Favor of opening and extending the Navigation on said Creek, yet we are of Opinion, that the Advantages that would arise to the Public, by opening the same, would not compensate for the Damages that would arise to Individuals; and as the Dam over *Manumussing* was made, and has been supported under the Sanction of an Act of the Legislature of this State, and the Owners of the Swamp and Meadow thereon, reposing a Confidence therein, have improved them to a great Extent; and as it is the Opinion of your Committee, that the Opening said Dam would materially injure the Owners and Possessors of the greatest Part of said Meadows and Swamps aforesaid: Your Committee are of Opinion, that the Bill aforesaid, with the Petition in Favor of the same, ought to be dismissed.
