LANDLORD TENANT -- CONCLUSION OF PILOT PROGRAMS IN THE ESSEX AND CAMDEN VICINAGES

The Supreme Court in its [October 27, 2022 Order](#) (“Future of Court Operations – Updates to In-Person and Virtual Court Events”) provided for landlord tenant trials to proceed in person, rather than virtually. To align with that statewide direction, the pilot programs for alternating in-person and virtual calendars in the [Essex Vicinage](#) and the [Camden Vicinage](#) are concluded.

Questions on landlord tenant matters may be directed to the Civil Practice Division at (609) 815-2900 x54900.
