

Statement by Governor-elect Mikie Sherrill on Department Of Defense Inspector General Report

12/4/2025

“I’ve said it before, and I will say it again: Pete Hegseth is wholly unfit to lead the Department of Defense and should resign or be fired immediately. His reckless decision to use Signal to share classified information not only broke the law but put the mission and U.S. pilots’ lives in danger. Our armed forces deserve better than his masterclass in incompetence.”
