See: 26 N.J.R. 4731(a), 27 N.J.R. 728(a).

13:37-13.2 Practice pending the results of the examination

(a) Pending the results of the first scheduled certifying examination following completion of an approved program

in nurse anesthesia, a graduate nurse anesthetist who meets the requirements of N.J.A.C. 13:37-13.1(a)1 and 2 may practice as a nurse anesthetist under the direct supervision of a certified registered nurse anesthetist or qualified physician-anesthesiologist unless otherwise prohibited by State law or regulation. For the purpose of this subsection direct supervision shall mean the physical presence of said supervisor within the immediately accessible area, unit or suite in which anesthesia is being administered.

(b) A nurse anesthetist who fails to apply and sit for or fails to pass the first scheduled certifying examination following completion of an approved program in nurse anesthesia shall not continue to practice after the date of said examination.

Amended by R.1993 d.306, effective June 21, 1993.
See: 24 N.J.R. 4020(a), 25 N.J.R. 2695(a).

SUBCHAPTER 14. HOMEMAKER-HOME HEALTH AIDES

13:37-14.1 Purpose and scope

(a) The rules in this subchapter are designed to protect the health and safety of the public through certification of homemaker-home health aides, pursuant to N.J.S.A. 45:11-24(d)(20).

(b) This subchapter prescribes standards and curricula for homemaker-home health aide education and training programs which a homemaker-home health aide, as defined in this subchapter, is required to complete in order to work in this State. This subchapter also establishes standards and requirements for homemaker-home health aide certification and for the renewal, suspension or revocation of that certification.

13:37-14.2 Definitions

The following words and terms, as used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise.

“Activities of daily living” means the functions or tasks for self-care which are performed either independently or with supervision or assistance. Activities of daily living include at least mobility, transferring, walking, grooming, bathing, dressing and undressing, eating, and toileting.

“Homemaker-home health aide” means a person who is employed by a home care services agency and who, under supervision of a registered professional nurse, follows a delegated nursing regimen or performs tasks which are delegated consistent with the provisions of N.J.A.C. 13:37-6.2.

“Program coordinator” means the nurse responsible for the training program curriculum.

“Program sponsor” means the agency, hospital or educational institution or entity granted approval by the Board of Nursing to conduct a homemaker-home health aide training program.

13:37-14.3 Duties of a homemaker-home health aide; supervision

(a) The duties of a homemaker-home health aide may include, but not be limited to, providing personal care and homemaking services essential to the patient’s health care and comfort at home, including shopping, errands, laundry, meal planning and preparation (including therapeutic diets), serving of meals, child care and assisting the patient with activities of daily living.

(b) A homemaker-home health aide shall not administer medications.

(c) The registered professional nurse who is supervising a homemaker-home health aide shall ensure that the patient care provided by the homemaker-home health aide does not exceed the tasks and procedures which the homemaker-home health aide has satisfactorily demonstrated, as documented by the registered professional nurse.

13:37-14.4 Homemaker-home health aide training program

(a) A homemaker-home health aide training program may be conducted by a home care agency licensed by the Division of Consumer Affairs; a home health agency or hospital licensed by the Department of Health; an educational institution approved by the New Jersey State Department of Education or the Department of Higher Education; or a home care agency accredited by an independent national or state accrediting body which is without direct or indirect financial interest in the agency. Said accrediting body shall have prior approval of the Board of Nursing.

(b) A homemaker-home health aide training program shall consist of at least 76 hours, to include 60 hours of classroom instruction and 16 hours of clinical instruction in a skills laboratory or patient care setting. The student-to-instructor ratio for classroom instruction shall not exceed 30 students to one classroom instructor.

(c) The 16 hours of clinical instruction in a skills laboratory or patient care setting shall be supervised by a registered professional nurse. The supervision ratio shall not exceed 10 homemaker-home health aides to one registered professional nurse.

(d) The curriculum for a homemaker-home health aide training program shall include the activities described in N.J.A.C. 13:37-14.3 and shall be consistent with the laws governing the practice of nursing and the delegation of selected tasks by the registered professional nurse.
